Explanation of Responses:

- * If the form is filed by more than one reporting person, see Instruction 4(b)(v).
- ** Intentional misstatements or omissions of facts constitute Federal Criminal Violations. See 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).
- (1) Each PRSU represents a contingent right to receive between 0% and 200% of one share of common stock. The resulting number of shares acquired upon vesting of the PRSU is contingent upon the Company achieving certain pre-established target levels of Non-GAAP operating income plus interest expense over an 18-month performance period commencing on July 1, 2013 and ending on December 31, 2014 (Performance Period), with the initial maximum number of PRSUs that may be earned being equal to 160% of the initial target PRSUs and the initial minimum number of PRSUs that may be earned being equal to zero. Once the initial PRSU award amount is determined, the PRSUs will then be subject to adjustment based upon the Company's total shareholder

return (TSR) relative to the TSR of the S&P 500 IT Sector over the Performance Period, with a maximum negative adjustment of 25% at the 25th percentile, no adjustment at the 50th percentile and a maximum positive adjustment of 125% at the 75th percentile.

(2) The reported number of securities represents 37.5% of one-half of the initial target number of shares subject to the PRSU award made on July 22, 2013 that were earned as of the 18-month performance period ended December 31, 2014. One-half of the earned shares were settled on June 30, 2015 and the remaining one-half were settled on June 30, 2016.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, see Instruction 6 for procedure.

Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
