The board of directors recommends that you vote FOR the issuance of 58,000,000 shares of our common stock and warrants to purchase 30,000,000 shares of our common stock (as well as the issuance of common stock upon the exercise thereof) and FOR the one-time exchange of outstanding employee stock options.

PROXY STATEMENT

SPECIAL MEETING OF STOCKHOLDERS

QUESTIONS AND ANSWERS

1. Q: WHY AM I RECEIVING THESE MATERIALS?

A: The board of directors of Advanced Micro Devices, Inc. (“AMD”) is providing these proxy materials to you in connection with our Special Meeting to be held on at the Hilton Austin Airport, 9515 Hotel Drive, Austin, Texas (the “Special Meeting”). As a stockholder, you are invited to attend the meeting and are entitled to and requested to vote on the items of business described in this proxy statement.

2. Q: WHO IS SOLICITING MY VOTE?

A: This proxy solicitation is being made by our board of directors. We have retained Georgeson Stockholder Communications, Inc., professional proxy solicitors, to assist us with this proxy solicitation. We will pay the entire cost of this solicitation, including Georgeson’s fee, which we expect to be approximately \$12,000.

3. Q: WHEN WAS THIS PROXY STATEMENT MAILED TO STOCKHOLDERS?

A: The proxy statement was first mailed to stockholders on or about _____, 2008.

4. Q: WHAT MAY I VOTE ON?

A: You may vote on:

- A proposal to issue (i) for an aggregate purchase price of approximately \$314 million, 58,000,000 shares of our common stock (the “Shares”) and warrants to purchase 30,000,000 shares of our common stock (the “Warrants”) at an exercise price of \$0.01 per share (as adjusted pursuant to the terms of the Warrants), pursuant to a Master Transaction Agreement (the “Master Transaction Agreement”), dated as of October 6, 2008, by and among AMD, West Coast Hitech L.P., a wholly owned subsidiary of Mubadala (“WCH”), and Advanced Technology Investment Company LLC, a company wholly owned by the Government of Abu Dhabi (“ATIC”), which Warrants will be exercisable after the earlier of (a) public ground-breaking of Fab 4X in New York and (b) 24 months from the date of issuance and will have a 10-year term and (ii) 30,000,000 shares of our common stock upon the exercise of the Warrants (the “Warrant Shares”) (as adjusted pursuant to the terms of the Warrants);
- A proposal for a one-time exchange of outstanding employee stock options to purchase shares of our common stock that have an exercise price greater than the 52-week high trading price of our common stock on the New York Stock Exchange (the “NYSE”) at the commencement of our tender offer to our employees (other than options granted within the 12-month period preceding the commencement date of our tender offer to our employees and other than options held by our independent directors and named executive officers) (the “Option Exchange”); and
- Such other business as may properly be brought before the Special Meeting or any adjournment or postponement thereof.

[Table of Contents](#)

5. Q: WHAT ARE THE TRANSACTIONS CONTEMPLATED BY THE MASTER TRANSACTION AGREEMENT?

A: Under the Master Transaction Agreement, AMD, Mubadala and ATIC intend to enter two distinct but related concurrent transactions. Mubadala (through its subsidiary WCH) will contribute approximately \$314 million to AMD to acquire the Shares and the Warrants. At the same time, AMD and ATIC will enter into a joint venture to form The Foundry Company, a global, independent semiconductor foundry to be headquartered in the United States. AMD will contribute assets, including its manufacturing facilities, its manufacturing employees, and intellectual property rights to The Foundry Company. The Foundry Company will assume approximately \$1.2 billion in debt from AMD. ATIC will invest \$2.1 billion to purchase its stake in The Foundry Company, of which it will invest \$1.4 billion directly in the new entity and the remainder will be paid to AMD to purchase additional shares in The Foundry Company. ATIC's investment in The Foundry Company will be separate from Mubadala's investment in AMD, and ATIC will not acquire any shares of AMD.

6. Q: WHO WILL OWN THE FOUNDRY COMPANY JOINT VENTURE?

A: When the transactions contemplated by the Master Transaction Agreement (the "*Transactions*") close (the "*Closing*"), AMD and ATIC will each own one half of the voting shares, and each will be entitled to elect four out of eight members of the board of directors of The Foundry Company. At the Closing, The Foundry Company will be owned 44.4% by AMD and 55.6% by ATIC on a fully converted to common basis. ATIC's ownership will increase over time based on the differences in securities held by AMD and ATIC, and depending on whether AMD elects to invest proportionately with ATIC in future capital infusions.

7. Q: WHO ARE MUBADALA AND ATIC?

A: Mubadala is an investment and development company wholly owned by the Government of Abu Dhabi. Mubadala's mandate is to generate sustainable economic benefits for Abu Dhabi through prudent commercially viable and profitable business ventures. Mubadala was established as an Abu Dhabi public joint stock company.

ATIC is a limited liability company established under the laws of Abu Dhabi and wholly owned by the Government of Abu Dhabi. ATIC is focused on making significant investments in the advanced technology sector, both locally and internationally. Its mandate is to generate returns that deliver long-term benefits to the Emirate of Abu Dhabi. We have been informed by ATIC that it is anticipated that, prior to the Closing, ATIC will become an Abu Dhabi public joint stock company.

8. Q: WHY IS AMD ISSUING THE SHARES AND THE WARRANTS TO WCH?

A: The issuance of the Shares and Warrants to WCH is a condition to ATIC's obligations to enter into the joint venture to form The Foundry Company.

9. Q: WHY IS AMD SEEKING STOCKHOLDER APPROVAL FOR THE ISSUANCE OF THE SHARES, WARRANTS AND THE WARRANT SHARES?

A: Our common stock is listed on the NYSE, and we are therefore subject to the rules and regulations of the NYSE. Stockholder approval for the issuance of the Shares, the Warrants and the Warrant Shares is required by the rules of the NYSE and is a condition to closing of the Transactions. See "Proposal 1—Issuance of Shares, Warrants and Warrant Shares—Purpose of Stockholder Approval of Our Issuance of the Shares, the Warrants and the Warrant Shares to WCH" elsewhere in this proxy statement.

10. Q: WHY IS AMD SEEKING STOCKHOLDER APPROVAL FOR THE OPTION EXCHANGE?

A: Under the NYSE rules, stockholder approval is required in order for us to implement the Option Exchange. See "Proposal 2—Option Exchange" elsewhere in this proxy statement.

[Table of Contents](#)

11. Q: HOW DOES THE BOARD RECOMMEND I VOTE ON THE PROPOSALS?

A: The board of directors recommends that you vote:

- **FOR** the issuance of the Shares, Warrants and Warrant Shares to WCH; and
- **FOR** the Option Exchange.

12. Q: WHY DOES THE BOARD RECOMMEND THAT I VOTE FOR THE PROPOSALS?

A: Our board of directors held various discussions and consulted with our management and financial, legal and other advisors and anticipates that the Transactions will benefit AMD and its stockholders. See “Proposal 1—Issuance of Shares, Warrants and Warrant Shares—Our Purpose and Reasons for the Transactions” included elsewhere in this proxy statement. In addition, our board of directors believes that the Option Exchange will provide an opportunity to (i) provide renewed incentives and motivate eligible employees to achieve future stock price growth, (ii) minimize stockholder dilution that normally results from supplemental option grants and (iii) recapture value from compensation costs that we already are incurring with respect to outstanding options that have little or no retentive or incentive value (replacing such outstanding options should not create additional compensation expense (other than immaterial expenses)). As a result of the extreme volatility in our stock price, many of our employee stock options are underwater. By realigning the exercise prices of previously granted stock options with the current value of our common stock, our board of directors believes that the new stock options will become an important tool to help motivate our eligible employees to continue to create stockholder value. See “Proposal 2—Option Exchange” included elsewhere in this proxy statement.

13. Q: WHO IS ENTITLED TO VOTE?

A: Stockholders as of the close of business on October 27, 2008, the record date for our Special Meeting, are entitled to vote on all items properly presented at the Special Meeting. On the record date, approximately _____ shares of our common stock were outstanding. Every stockholder is entitled to one vote for each share of common stock held as of the record date. A list of these stockholders will be available during ordinary business hours at the principal place of business of AMD, located at One AMD Place, Sunnyvale, California, from the Assistant Corporate Secretary of AMD and at AMD Austin, Lone Star, 7171 Southwest Parkway, Austin, Texas, 78735 from the Corporate Secretary of AMD, in each case at least 10 days before the Special Meeting. The list of stockholders will also be available at the time and place of the Special Meeting.

14. Q: IF I AM A STOCKHOLDER OF RECORD, HOW DO I VOTE?

A: If you are a stockholder of record, you may vote in person at the Special Meeting. We will give you a ballot when you arrive.

If you complete and properly sign each proxy card you receive and return it to us in the prepaid envelope, it will be voted by one of the individuals indicated on the card (your “proxy”) as you direct. If you return your signed proxy card or submit a proxy over the Internet but do not mark the boxes showing how you wish your shares to be voted, your shares will be voted **FOR** the issuance of the Shares, Warrants and Warrant Shares to WCH and **FOR** the Option Exchange, and in the discretion of the proxy holders for any other matter that may come before the Special Meeting.

If you live in the United States or Canada, you may submit your proxy by following the Vote by Telephone instructions on the proxy card. If you have Internet access, you may submit your proxy from any location in the world by following the Vote by Internet instructions on the proxy card.

[Table of Contents](#)

15. Q: WHO CAN ATTEND THE SPECIAL MEETING?

A: Only stockholders as of the close of business on October 27, 2008, holders of proxies for those stockholders and other persons invited by us can attend. If your shares are held by your broker in “street name,” you must bring a letter from your broker to the meeting showing that you were the direct or indirect (“beneficial”) owner of the shares on October 27, 2008 to attend the Special Meeting.

16. Q: CAN I VOTE AT THE MEETING?

A: Yes. If you held your shares in your own name on the record date, you may vote your shares in person at the Special Meeting. If you wish to vote your shares in person at the Special Meeting and they are held by your broker in “street name,” you must obtain a proxy from the record holder and bring a letter from the broker to the meeting showing that you were the beneficial owner of the shares on October 27, 2008.

17. Q: CAN I CHANGE MY VOTE AFTER I HAVE SUBMITTED A PROXY?

A: Yes. You may change your vote at any time before the voting concludes at the Special Meeting. You may do so by submitting a proxy on a later date on the Internet or by telephone (only your latest Internet or telephone proxy submitted prior to the meeting will be counted), or by signing and returning a new proxy card with a later date, or by attending the Special Meeting and voting in person. However, your attendance at the Special Meeting will not automatically revoke your proxy unless you vote again at the Special Meeting or specifically request in writing that your prior proxy be revoked.

18. Q: HOW DO I VOTE MY SHARES IF THEY ARE HELD IN STREET NAME?

A: If your shares are held by your broker in “street name,” you will receive a form from your broker seeking instruction as to how your shares should be voted. We urge you to complete this form and instruct your broker how to vote on your behalf. You can also vote in person at the Special Meeting, but you must obtain a proxy from the record holder and bring a letter from the broker showing that you were the beneficial owner of your shares on October 27, 2008.

19. Q: WHAT IS A “QUORUM”?

A: For the purposes of the Special Meeting, a “quorum” is a majority of the outstanding shares. They may be present at the Special Meeting or represented by proxy. There must be a quorum for the Special Meeting to be held. If you submitted a proxy via the Internet, by telephone or by properly submitting a proxy card, even if you abstain from voting, your shares will be considered part of the quorum.

20. Q: HOW ARE MATTERS PASSED OR DEFEATED?

A: You may vote “FOR,” “AGAINST” or “ABSTAIN” with respect to the proposal to approve the issuance of the Shares, Warrants and Warrant Shares to WCH and the proposal to approve the Option Exchange. Each of the proposal to approve the issuance of the Shares, Warrants and Warrant Shares to WCH and the proposal to approve the Option Exchange requires the affirmative vote of a majority of the votes cast, provided that the total vote cast on the proposal represents over 50% of the outstanding common stock entitled to vote on the proposal. If you “ABSTAIN” from voting on a proposal, your shares will be counted for purposes of determining whether a quorum is present, but will not be counted as votes “FOR” or “AGAINST” that proposal. Broker non-votes will be counted for purposes of determining whether a quorum is present, but will not be counted as votes “FOR” or “AGAINST” the proposal. A broker non-vote occurs where the broker has not received instructions from the beneficial owner as to how such beneficial owner’s shares are to be voted on a proposal and does not have discretionary authority to vote on the proposal. Under the NYSE rules, brokers do not have discretionary authority to vote on the proposal to approve the issuance of the Shares, Warrants and Warrant Shares to WCH or the proposal to approve the Option Exchange. If you complete the voting

[Table of Contents](#)

instructions and submit your proxy, the persons named as proxies will follow your instructions. If you submit a proxy but do not specify your voting instructions, the persons named as proxies will vote your shares “**FOR**” the adoption of the proposals set forth in this proxy statement and in accordance with the discretion of the persons appointed as proxies on any other matters properly brought before the meeting for a vote.

21. Q: WHO WILL COUNT THE VOTES?

A: Proxies will be tabulated by Broadridge Financial Solutions, Inc., formerly known as ADP-ICS.

22. Q: IS MY VOTE CONFIDENTIAL?

A: Proxy cards, ballots and voting tabulations that identify individual stockholders are mailed or returned directly to Broadridge and handled in a manner that protects your voting privacy. Your vote will not be disclosed except (1) as needed to permit Broadridge to tabulate and certify the vote and (2) as required by law. However, comments written on the proxy card may be forwarded to management. In that case, your identity may not be kept confidential.

23. Q: WILL YOU WEBCAST THE SPECIAL MEETING?

A. Yes. The Special Meeting will be webcast live. You can access it by going to our Investor Relations Web site at: www.amd.com. The webcast will enable you to listen only to the Special Meeting. You will not be able to ask questions. The Special Meeting audio webcast will be available on our Web site for 10 days after the Special Meeting.

PROPOSAL 1—ISSUANCE OF SHARES, WARRANTS AND WARRANT SHARES

Unless the context otherwise requires, references in this proxy statement to “AMD,” “we,” “our” or “us” refer to Advanced Micro Devices, Inc. and its consolidated subsidiaries.

We are asking our stockholders to consider and approve the issuance of the Shares and Warrants to WCH pursuant to the Master Transaction Agreement and the issuance of the Warrant Shares upon exercise of the Warrants.

Purpose of Stockholder Approval of Our Issuance of the Shares, the Warrants and the Warrant Shares to WCH

The approval of AMD’s stockholders of the issuance of the Shares and the Warrants to WCH pursuant to the Master Transaction Agreement and the Warrant Shares upon the exercise of the Warrants is a condition to the Closing. The Master Transaction Agreement requires AMD to obtain stockholder approval in accordance with the NYSE rules because WCH currently owns approximately 8.1% of our outstanding common stock (based on 608,466,517 shares outstanding as of October 16, 2008) and thus is a “substantial security holder” as defined in the NYSE rules.

Effects on Our Stockholders of Our Issuance of the Shares, the Warrants and the Warrant Shares to WCH

Pursuant to the Master Transaction Agreement, WCH will purchase (i) 58,000,000 shares of our common stock and (ii) Warrants to purchase 30,000,000 shares of our common stock at an exercise price of \$0.01 per share (as adjusted pursuant to the terms of the Warrants) for an aggregate purchase price of approximately \$314 million. We will issue the Warrant Shares upon exercise by WCH of the Warrants. Upon issuance of the Shares at the Closing, WCH will own approximately 16.1% of the outstanding shares of our common stock, based on 608,466,517 shares outstanding as of October 16, 2008. If WCH exercises the Warrants in full when the Warrants become exercisable, WCH will own approximately 19.3% of our common stock on a fully diluted basis, based on 608,466,517 shares outstanding as of October 16, 2008. Stockholders should consider the following factors which may affect them, as well as the other information contained in this proxy statement, in evaluating the proposal to approve the issuance of the Shares and the Warrants pursuant to the Master Transaction Agreement and the issuance of the Warrant Shares upon exercise of the Warrants.

Possible effect on market price of our common stock. We are unable to predict the potential effects of the Transactions on the trading activity and market price of our common stock. We are also unable to predict the effects on the trading activity and market price of our common stock if the Transactions do not close. Sales by WCH of a substantial number of shares of our common stock in the public market, or the perception that such sales might occur, could cause the price of our common stock to decline. Other than securities law requirements, there are only limited restrictions on WCH’s sales of the Shares, Warrants and Warrant Shares. See “The Master Transaction Agreement—Transfer Restrictions” included elsewhere in this proxy statement.

WCH will increase its ownership in our common stock and will have a right to designate one person for election to our board of directors. Following the Closing and when the Warrants become exercisable, assuming exercise of the Warrants, WCH will beneficially own approximately 19.3% of our common stock on a fully diluted basis and would be our largest stockholder. As a result of the Transactions, WCH will increase its ability to influence matters submitted to our stockholders for a vote. Pursuant to the Master Transaction Agreement, for so long as WCH and its permitted transferees beneficially own at least 10% of our outstanding common stock, WCH has the right to designate one person for election to our board of directors.

Dilution. The issuance of the Shares and Warrant Shares to WCH will have a dilutive effect on an individual stockholder’s percentage voting power. Our issuance of the Shares to WCH will also have a dilutive effect on our future net income per common share. Our issuance of the Warrants to WCH will have a dilutive effect on our

[Table of Contents](#)

future net income per common share when the Warrants become exercisable, and after the Warrants are exercised, the Warrant Shares issuable upon exercise of the Warrants will have a dilutive effect on our future net income per common share. In addition, the standstill provisions in the Master Transaction Agreement permit WCH to acquire additional shares of our common stock up to a limit of 22.5% in the aggregate of our voting securities during the five years after the Closing, and this ownership percentage limitation terminates after this five-year period.

The Parties

AMD. We are a global semiconductor company with facilities around the world. Our products consist of (i) x86 microprocessors, for the commercial and consumer markets, embedded microprocessors for commercial, commercial client and consumer markets and chipsets for desktop and notebook personal computers, professional workstations and servers and (ii) graphics, video and multimedia products for desktop and notebook computers, including home media PCs, professional workstations and servers and technology for game consoles.

Mubadala and WCH. WCH is an exempted limited partnership organized under the laws of the Cayman Islands. Mubadala owns all of the partnership interests in WCH. AMD and WCH are parties to a stock purchase agreement dated as of November 15, 2007, pursuant to which AMD issued and sold to WCH 49,000,000 shares of our common stock for an aggregate purchase price of \$622.3 million, less an expense reimbursement of approximately \$14.6 million (the “**2007 Investment**”). As a result of the 2007 Investment, WCH owns approximately 8.1% of the outstanding shares of our common stock, based on 608,466,517 shares outstanding as of October 16, 2008.

Mubadala is an investment and development company wholly owned by the Government of Abu Dhabi. Mubadala’s mandate is to generate sustainable economic benefits for Abu Dhabi through prudent, commercially viable and profitable business ventures. Mubadala was established as an Abu Dhabi public joint stock company.

ATIC. ATIC is a limited liability company established under the laws of the Emirate of Abu Dhabi and wholly owned by the Government of Abu Dhabi. ATIC is focused on making significant investments in the advanced technology sector, both locally and internationally. Its mandate is to generate returns that deliver long-term benefits to the Emirate of Abu Dhabi. We have been informed by ATIC that it is anticipated that, prior to the Closing, ATIC will become an Abu Dhabi public joint stock company.

The Foundry Company. The Foundry Company, an exempted company incorporated under the laws of the Cayman Islands (“**The Foundry Company**”), will be a U.S.-headquartered, leading-edge semiconductor manufacturing joint venture between ATIC and AMD.

The Transactions

Pursuant to the Master Transaction Agreement, AMD and ATIC will form a manufacturing joint venture, The Foundry Company. AMD will contribute certain assets and liabilities to The Foundry Company in exchange for certain securities of The Foundry Company, ATIC will contribute cash to The Foundry Company and pay cash to AMD in exchange for certain securities of The Foundry Company, and WCH will purchase the Shares and the Warrants from AMD. The Foundry Company will manufacture semiconductor products and will provide certain foundry services to AMD and in the future will offer foundry services to other third-party customers.

The Master Transaction Agreement contemplates that AMD, ATIC and The Foundry Company will enter into a Shareholders’ Agreement (the “**Shareholders’ Agreement**”), which sets forth the rights and obligations of AMD and ATIC as shareholders of The Foundry Company. In addition, a Funding Agreement among AMD, ATIC and The Foundry Company (the “**Funding Agreement**”) will provide for further equity funding of The Foundry Company by ATIC of a minimum of \$3.6 billion and up to \$6.0 billion over the five years after the Closing, and a Wafer Supply Agreement between AMD and The Foundry Company (the “**Wafer Supply**”).

[Table of Contents](#)

Agreement) will govern the terms by which AMD will purchase products manufactured by The Foundry Company. The Foundry Company will manufacture semiconductor products using intellectual property transferred by AMD to The Foundry Company, and certain intellectual property licensed to AMD. For more information on these agreements, see “The Shareholders’ Agreement,” “The Funding Agreement,” “The Wafer Supply Agreement” and “Agreements Related to Intellectual Property” appearing elsewhere in this proxy statement.

Our Purpose and Reasons for the Transactions

The semiconductor industry is undergoing a profound transformation. Vertically integrated companies are abandoning plans to invest in new capacity and manufacturing technology while announcing plans to outsource a growing percentage of their wafer requirements. Captive volumes can no longer support the cost of building leading-edge capacity and process technology investments.

Our board of directors held various discussions and consulted with our management and financial, legal and other advisors and believes that the Transactions will benefit AMD stockholders in a number of ways:

- We will have a stronger balance sheet. On the basis of excluding The Foundry Company financials, our cash balance will increase with over \$1.0 billion of new cash, our aggregate debt will decrease by approximately \$1.2 billion and our net cash position will improve by approximately \$2.1 billion, including the approximately \$314 million of cash provided from the sale of the Shares and Warrants.
- We believe we will greatly reduce any future manufacturing capital expenditures as well as process technology costs. ATIC has committed to provide additional equity funding to The Foundry Company of at least \$3.6 billion and up to \$6.0 billion over the five years after the Closing. We will have the right, but not the obligation, to fund the capital requirements of The Foundry Company in an amount pro-rata to our interest in the fully converted shares of The Foundry Company.
- We will have a 50% voting interest (and approximately 44.4% fully converted to common interest) in The Foundry Company. The Foundry Company’s manufacturing capabilities will allow our management to focus on the research and development of products rather than manufacturing and processing.
- As a shareholder of The Foundry Company, we expect to be able to take advantage of the shift by integrated device manufacturers (“*IDMs*”) to a fabless business model. We believe the number of *IDMs* foregoing their own manufacturing capabilities will continue to increase, which would result in higher demand for foundry services. The Foundry Company should, and is designed to, be in a position to capitalize on this trend by meeting customers’ demand volumes.
- Merrill Lynch & Co. (“*Merrill Lynch*”) has provided an opinion to our board of directors that as of October 6, 2008 and based upon the assumptions made, matters considered and limits of its review, the Consideration to be received by AMD pursuant to the Master Transaction Agreement was fair from a financial point of view to AMD. “*Consideration*” for purposes of Merrill Lynch’s opinion consists of AMD’s receipt of Class A Preferred Shares of The Foundry Company and one Class A Ordinary Share of The Foundry Company, cash paid to AMD for the Shares and Warrants, cash paid to AMD from ATIC for Class B Preferred Shares of The Foundry Company, assumption of approximately \$1.2 billion of debt owed to third parties by AMD or a subsidiary of AMD (the “*Third-Party Debt*”) by The Foundry Company, and extinguishment of Business accounts receivable owed by AMD to the Business by The Foundry Company.
- Morgan Stanley & Co. Incorporated (“*Morgan Stanley*”) has provided an opinion to the Transaction Oversight Committee of our board of directors (the “*Transaction Oversight Committee*”) that as of October 6, 2008, and based upon and subject to the various considerations set forth in the opinion, the Consideration to be received by AMD in connection with the Transactions was fair from a financial point of view to AMD. For the purposes of Morgan Stanley’s opinion “*Consideration*” was defined as,

Table of Contents

in the aggregate: (i) the equity securities of The Foundry Company received by AMD and the extinguishment of certain intercompany accounts relating to AMD's semiconductor manufacturing business in exchange for the contribution by AMD of certain assets related to its semiconductor manufacturing business, and certain related liabilities including, without limitation, \$1.2 billion in third-party debt, to The Foundry Company; (ii) \$700 million in cash received by AMD from ATIC in exchange for the transfer of an approximately 18.5% interest in The Foundry Company from AMD to ATIC, resulting in AMD owning approximately 44.5% of The Foundry Company on a fully converted basis and a 50% voting interest in The Foundry Company; and (iii) approximately \$314 million received by AMD from WCH in exchange for the Shares and the Warrants (such amount representing the average closing price of AMD common stock for the 30-day period prior to the announcement of the Transactions, multiplied by 58,000,000 shares). The Transaction Oversight Committee was established by our board of directors to independently review and evaluate the Transactions. The Transaction Oversight Committee was comprised of independent (as defined under NYSE rules and regulations) and disinterested directors.

In its review of the proposed transactions, our board of directors also identified and considered a number of potentially negative factors and risks related to the Transactions, including:

- the risk that the Transactions might not be completed in a timely manner or at all, and the possible negative effect of public announcement and pendency of the Transactions on our business, results of operations and financial condition;
- the risk that the anticipated benefits and synergies of the joint venture might not be fully realized, might not be realized on a timely basis or might not be realized at all;
- the effect of public announcement of the Transactions on our stock price, including as a result of dilution in the percentage ownership of our existing stockholders as a result of the Transactions;
- the risk that provisions in the Master Transaction Agreement and related agreements may have the effect of discouraging other persons potentially interested in a business combination with us from pursuing that business combination, even if more favorable to our stockholders than the Transactions, including the restrictions on our ability to solicit offers for alternative business transactions and the requirement that we pay a termination fee of \$50 million to WCH upon termination of the Master Transaction Agreement as a result of change of control proposals for us;
- the restrictions imposed by the Master Transaction Agreement on the conduct of our business in the period prior to the Closing;
- we will no longer have direct control over the manufacture of our wafers now manufactured by The Foundry Company;
- the possibility of management and employee disruption associated with the Transactions and transfer of assets to The Foundry Company; and
- the right of WCH and ATIC to terminate the Master Transaction Agreement under certain circumstances, including a material adverse effect on us or on the proposed business of The Foundry Company, if the Closing has not occurred by March 7, 2009, or if the Transactions have not been approved by certain regulatory authorities, including the Committee on Foreign Investment in the United States ("*CFIUS*").

Financial Impact on Us of the Master Transaction Agreement, Including Our Issuance of the Shares, the Warrants and the Warrant Shares to WCH

The proceeds we receive from our issuance of the Shares and the Warrants to WCH will be recorded on our consolidated balance sheet as stockholders' equity. Our issuance of the Shares to WCH will have a dilutive effect on our future net income per common share. Our issuance of the Warrants to WCH will have dilutive effect on

[Table of Contents](#)

our future net income per common share when the Warrants become exercisable, and after the Warrants are exercised, the Warrant Shares issuable upon exercise of the Warrants will have a dilutive effect on our future net income per common share.

We will consolidate the accounts of The Foundry Company as required by FASB Interpretation No. 46R, *Consolidation of Variable Interest Entities, An Interpretation of ARB No. 51 ("FIN 46R")*. Based on the structure of the Transactions, pursuant to the guidance in FIN 46R, The Foundry Company is a variable-interest entity and we are deemed to be the primary beneficiary and are, therefore, required to consolidate the accounts of The Foundry Company. Upon the Closing, the accounts of The Foundry Company will include (i) the assets and liabilities we contributed to The Foundry Company, recorded at their historical costs, in exchange for securities of The Foundry Company and (ii) the cash invested by ATIC directly into The Foundry Company in exchange for securities of The Foundry Company. Upon consolidation, intercompany transactions and profits will be eliminated and ATIC's noncontrolling interest, represented by its equity interests in The Foundry Company, will not be recorded on our consolidated balance sheet as stockholders' equity due to the right that ATIC has to put those securities back to us in the event of a change of control of AMD.

Our net income per common share will consist of our consolidated net income adjusted for (i) the portion of The Foundry Company's earnings or losses attributable to ATIC, based on ATIC's proportional ownership interest in The Foundry Company's Class A Preferred Shares, and (ii) the non-cash cumulative dividend attributable to us, based on our proportional ownership interest in The Foundry Company's Class A Preferred Shares.

Opinion of Our Financial Advisor

AMD retained Merrill Lynch to act as its financial advisor with respect to the establishment of a joint venture, The Foundry Company, with ATIC and WCH under the terms of the Master Transaction Agreement. Pursuant to the Master Transaction Agreement (i) AMD would transfer certain assets to The Foundry Company, and The Foundry Company would assume certain liabilities, including the Third-Party Debt, in each case related to AMD's "front-end" semiconductor manufacturing or fabrication facilities, properties and assets (excluding assets, facilities and properties related to "back-end" manufacturing functions such as assembly, test, mark and packaging) (the "**Business**"), (ii) ATIC would contribute \$1.4 billion in cash to The Foundry Company and pay \$700 million in cash to AMD, (iii) The Foundry Company would issue to AMD Class A Preferred Shares of The Foundry Company representing approximately 44.4% of The Foundry Company's outstanding ordinary shares on a fully converted basis as well as one Class A Ordinary Share and would issue to ATIC Class A and Class B Preferred Shares of The Foundry Company and Class A and Class B Convertible Notes of The Foundry Company, in the principal amount of approximately \$420 million, which when taken together, on an as converted basis, would represent approximately 55.6% of The Foundry Company's outstanding ordinary shares, as well as one Class A Ordinary Share, (iv) AMD would issue to WCH 58,000,000 shares of AMD's common stock and AMD would receive from WCH approximately \$314 million in cash in exchange for such shares, (v) AMD would issue to WCH Warrants to purchase 30,000,000 shares of AMD's common stock with a \$0.01 per share exercise price and 10-year expiration, (vi) AMD would extinguish any and all intercompany liabilities between it and the Business on or prior to Closing, and (vii) AMD, ATIC, WCH and The Foundry Company would enter into a number of related commercial agreements, including, without limitation, the Funding Agreement that commits ATIC under certain conditions to fund the build-out of The Foundry Company's semiconductor manufacturing facilities in New York and Dresden and the Wafer Supply Agreement that governs the pricing, volume and other commitments (including exclusivity commitments by AMD) between AMD and The Foundry Company for the supply of wafers.

In connection with the Transactions, AMD requested that Merrill Lynch evaluate the fairness, from a financial point of view, of the Consideration (as defined below) to be received by AMD pursuant to the Transactions. "**Consideration**" for purposes of Merrill Lynch's opinion consists of AMD's receipt of Class A Preferred Shares of The Foundry Company and one Class A Ordinary Share, cash paid to AMD for shares of

[Table of Contents](#)

AMD Common Stock and the Warrants, cash paid to AMD from ATIC for Class B Preferred Shares of The Foundry Company, assumption of the Third-Party Debt by The Foundry Company, and extinguishment of Business accounts receivable owed by AMD to the Business by The Foundry Company. At the meeting of the AMD board of directors on October 6, 2008, Merrill Lynch rendered its oral opinion to the board of directors, which opinion was subsequently confirmed in writing, that as of October 6, 2008, based upon the assumptions made, matters considered and limits of such review, as set forth in its opinion, the Consideration to be received by AMD pursuant to the Transactions was fair from a financial point of view.

The full text of Merrill Lynch's opinion is attached as *Annex A* and is incorporated into this document by reference in its entirety. The opinion sets forth material information relating to such opinion, including the assumptions made, matters considered and qualifications and limitations on the scope of review undertaken by Merrill Lynch in rendering its opinion. We encourage you to read the entire opinion carefully. The summary of the opinion of Merrill Lynch set forth below is qualified in its entirety by reference to, and should be reviewed together with, the full text of the opinion.

Merrill Lynch's opinion is addressed to the AMD board of directors and addresses only the fairness, as of the date of the opinion, from a financial point of view, of the Consideration to be received by AMD pursuant to the Master Transaction Agreement. The opinion is for the use and benefit of AMD's board of directors, does not address the merits of the underlying decision by AMD to engage in the Master Transaction Agreement and does not constitute a recommendation to any stockholder as to how such stockholder should vote on the transaction or any matter related to the Master Transaction Agreement. In rendering the opinion, Merrill Lynch expressed no view or opinion with respect to the fairness (financial or otherwise) of the commercial agreements contemplated by the Master Transaction Agreement or of the amount or nature or any other aspect of any compensation payable to or to be received by any officers, directors, or employees of any parties to the Master Transaction Agreement, or any class of such persons, relative to the Consideration to be received by AMD pursuant to the Master Transaction Agreement.

In arriving at its opinion, Merrill Lynch, among other things:

- reviewed certain publicly available business and financial information relating to AMD and the Business that Merrill Lynch deemed to be relevant;
- reviewed certain information, including financial forecasts, relating to the business, earnings, cash flow, assets, liabilities and prospects of AMD, the Business and The Foundry Company furnished to Merrill Lynch by AMD;
- conducted discussions with members of senior management and representatives of AMD and the Business concerning the matters described in bullets 1 and 2 above;
- reviewed the market prices and valuation multiples for certain publicly traded companies that Merrill Lynch deemed to be relevant to AMD, the Business and The Foundry Company;
- reviewed the results of operations of AMD and the Business and the financial forecasts for AMD, the Business and The Foundry Company and compared them with those of certain publicly traded companies that Merrill Lynch deemed to be relevant;
- compared the proposed financial terms of the Master Transaction Agreement with the financial terms of certain other transactions that Merrill Lynch deemed to be relevant;
- participated in certain discussions and negotiations among representatives of AMD, the Business, The Foundry Company, ATIC and WCH and their financial and legal advisors;
- reviewed a draft dated October 6, 2008 of the Master Transaction Agreement as well as drafts of all Ancillary Agreements (as such term is defined in the Master Transaction Agreement); and
- reviewed such other financial studies and analyses and took into account such other matters as Merrill Lynch deemed necessary, including Merrill Lynch's assessment of general economic, market and monetary conditions.

Table of Contents

In preparing its opinion, Merrill Lynch assumed and relied on the accuracy and completeness of all information supplied or otherwise made available to it, discussed with or reviewed by or for it, or publicly available, and Merrill Lynch did not assume any responsibility for independently verifying such information or undertaking an independent evaluation or appraisal of any of the assets or liabilities of AMD or The Foundry Company, nor was Merrill Lynch furnished with any such evaluation or appraisal. Merrill Lynch did not evaluate the solvency or fair value of AMD or The Foundry Company under any state or federal laws relating to bankruptcy, insolvency or similar matters. In addition, Merrill Lynch did not assume any obligation to conduct any physical inspection of the properties or facilities of AMD or The Foundry Company. With respect to the financial forecast information furnished to or discussed with Merrill Lynch by AMD, Merrill Lynch assumed that such information was reasonably prepared and reflected the best currently available estimates and judgment of AMD's management as to the expected future financial performance of AMD, the Business and The Foundry Company, as the case may be. Merrill Lynch also assumed that the final form of the Master Transaction Agreement and Ancillary Agreements would be substantially similar to the last draft Merrill Lynch reviewed.

Merrill Lynch's opinion was necessarily based upon market, economic and other conditions as they existed and could be evaluated on the date of the opinion, and upon the information made available to Merrill Lynch as of the date of the opinion.

Merrill Lynch's Financial Analyses

At the meeting of AMD's board of directors held on October 6, 2008, Merrill Lynch presented certain financial analyses accompanied by delivery of its written materials in connection with the delivery of its oral opinion at that meeting and its subsequent written opinion. The following is a summary of the material financial analyses performed by Merrill Lynch in arriving at its opinion.

Comparable Public Trading Multiples Analysis

Merrill Lynch compared selected financial and trading data for four publicly traded semiconductor foundry companies that Merrill Lynch deemed to be relevant to its analysis of the Business and The Foundry Company. These companies were:

- Chartered Semiconductor Manufacturing Ltd.
- United Microelectronics Corporation
- Semiconductor Manufacturing Incorporated
- Taiwan Semiconductor Manufacturing Corporation, Ltd.

For each of the companies identified above, Merrill Lynch calculated various valuation multiples, including:

- The ratio of enterprise value to the estimated revenue, for calendar year 2009;
- The ratio of enterprise value to the estimated earnings before interest, taxes, depreciation and amortization ("**EBITDA**"), for calendar year 2009;
- The ratio of enterprise value to the book value of assets; and
- The ratio of market value to the book value of equity.

[Table of Contents](#)

Based upon its analysis of the full ranges of multiples calculated for the companies identified above and its consideration of various factors and judgments about current market conditions and the characteristics of such companies (including qualitative factors and judgments involving non-mathematical considerations), Merrill Lynch determined relevant ranges of multiples for such companies (which relevant ranges were narrower than the full ranges of such multiples). The relevant ranges of such multiples, as determined by Merrill Lynch, are set forth in the table below.

For purposes of its analysis, Merrill Lynch calculated the enterprise value as the market capitalization plus total debt, minority interests and preferred stock, less cash and cash equivalents. To calculate these trading multiples, Merrill Lynch used revenue and EBITDA projections reported by independent research analyst reports and First Call estimates and closing trading prices of equity securities of each identified company on October 3, 2008. First Call is an online aggregator of independent research analyst estimates managed by Thomson Financial. For book value of asset and book value of equity, Merrill Lynch used the latest public filings for each identified company. For the Business, Merrill Lynch used revenue, book value of assets, and book value of equity projections based, separately, on estimates reported by internal management projections.

	<u>Comparable Company Relevant Multiple Range</u>	<u>Implied Enterprise Value of the Business (\$ in billions)</u>	<u>Implied Multiple based on Consideration</u>
Research Estimates:			
CY2009 Enterprise Value / Revenue	0.80x – 1.10x	\$1.2 – \$1.6	2.46x
CY2009 Enterprise Value / EBITDA	2.0x – 3.0x	\$0.2 – \$0.3	38.7x
Enterprise Value / Book Value of Assets	0.35x – 0.55x	\$1.3 – \$2.0	0.99x
Market Value / Book Value of Equity	0.50x – 0.75x	\$1.9 – \$2.3	1.61x

Merrill Lynch observed that the implied multiples based on the Consideration to be received by AMD pursuant to the Master Transaction Agreement were above the range of the comparable public trading multiples projected for calendar year 2009 based on management's estimated revenue and EBITDA for the Business. In addition, Merrill Lynch observed that the implied multiples based on the Consideration to be received by AMD pursuant to the Master Transaction Agreement were above the range of the comparable trading multiples for book value of assets and book value of equity of the Business. Merrill Lynch also observed that the Consideration to be received by AMD pursuant to the Master Transaction Agreement was above the range of the implied enterprise value of the Business derived from the application of the relevant comparable public trading multiples projected for calendar year 2009 based on management's estimated revenue and EBITDA for the Business. In addition, Merrill Lynch observed that the Consideration to be received by AMD pursuant to the Master Transaction Agreement was above the range of the implied enterprise value of the Business derived from the application of the relevant transaction multiples to estimated book value of equity and book value of assets for the Business based on management estimates.

It should be noted that no company used in the above analysis is identical to the Business or The Foundry Company. In evaluating companies identified by Merrill Lynch as comparable to the Business or The Foundry Company, Merrill Lynch made judgments and assumptions with regard to industry performance, general business, economic, market and financial conditions and other matters, many of which are beyond the control of AMD or The Foundry Company, such as the impact of competition on the business of AMD or The Foundry Company and the industry generally, industry growth and the absence of any material change in the financial condition and prospects of AMD or The Foundry Company or the industry or in the financial markets in general. A complete analysis involves complex considerations and judgments concerning differences in financial and operating characteristics of the comparable companies and other factors that could affect the public trading values of such comparable companies.

Comparable Transaction Analysis

Using publicly available research analyst estimates and other publicly available information, Merrill Lynch examined the following transactions in the semiconductor manufacturing industry which Merrill Lynch deemed to be relevant. The precedent transactions that Merrill Lynch considered to be relevant were:

<u>Acquiror</u>	<u>Target</u>
Tower Semiconductor Ltd.	Jazz Technologies, Inc.
Chartered Semiconductor Manufacturing Ltd.	Hitachi Semiconductor—Singapore Fab
Vanguard International Semiconductor Corporation	Winbond Electronics
Acquicor Technology	Jazz Semiconductor
ON Semiconductor Corporation	LSI—Gresham Fab
Micron Technology	Toshiba DRAM

For each of the transactions identified above, Merrill Lynch calculated various valuation multiples, including the ratio of market value to the book value of equity for the identified target company based on the period in which the relevant transaction was announced.

Based upon its analysis of the full ranges of multiples calculated for the transactions identified above and its consideration of various factors and judgments about current market conditions and the characteristics of such transactions and the companies involved in such transactions (including qualitative factors and judgments involving non-mathematical considerations), Merrill Lynch determined relevant ranges of multiples for such transactions (which relevant ranges were narrower than the full ranges of such multiples). The relevant range of such multiples, as determined by Merrill Lynch, was 1.00x to 1.10x, as set forth in the table below.

All calculations of multiples paid in the transactions identified above were based on public information available at the time of public announcement of such transactions. Merrill Lynch's analysis did not take into account different market and other conditions during the period in which the selected transactions occurred.

The following table summarizes the derived relevant range of multiples for the transactions identified above and the ranges of enterprise value of the Business, implied by such multiples:

	<u>Multiple Range</u>	<u>Implied Enterprise Value of the Business (\$ in billions)</u>	<u>Implied Multiple based on Consideration</u>
Market Value / Book Value of Equity	1.00x – 1.10x	\$2.7 – \$2.9	1.61x

Merrill Lynch observed that the implied multiples based on the Consideration received by AMD pursuant to the Master Transaction Agreement were above the range of the comparable transaction multiples for book value of equity. Merrill Lynch also observed that the Consideration to be received by AMD was above the range of the implied enterprise value of the Business derived from the application of the relevant transaction multiples to estimated book value of equity for the Business based on management estimates.

It should be noted that no transaction utilized in the analysis above is identical to the Master Transaction Agreement. A complete analysis involves complex considerations and judgments concerning differences in financial and operating characteristics of the companies involved in these transactions and other factors that could affect the transaction multiples in such transactions to which the Master Transaction Agreement is being compared.

Discounted Cash Flow Analysis

Merrill Lynch performed a discounted cash flow analysis of The Foundry Company for the period January 1, 2009 through December 31, 2020 based on management projections. Merrill Lynch calculated ranges of enterprise value based upon the sum of the discounted net present value of The Foundry Company's eleven

[Table of Contents](#)

year stream of projected unlevered free cash flows plus the discounted net present value of the terminal value based on a range of multiples applied to The Foundry Company's projected 2020 EBITDA. In its discounted cash flow analysis, Merrill Lynch performed sensitivities based upon the attainment of varying amounts of third-party customer revenue and applied what it considered to be appropriate discount rates ranging from 20.0% to 30.0% and terminal value multiples of estimated calendar year 2020 EBITDA ranging from 3.0x to 6.0x, both of which ranges were based on attainment of third-party customer revenue.

Using the discount rates and terminal value multiples of estimated calendar year 2020 EBITDA referred to above, Merrill Lynch calculated the following range of discounted cash flow values for The Foundry Company (\$ in billions):

	<u>Low</u>	<u>High</u>
Implied discounted cash flow values for The Foundry Company	\$(0.2)	\$3.0

Merrill Lynch observed that the Consideration to be received by AMD pursuant to the Master Transaction Agreement was above the range of discounted cash flow values based on management's guidance.

General

The summary set forth above does not purport to be a complete description of the analyses performed by Merrill Lynch in arriving at its opinion. The fact that any specific analysis has been referred to in the summary above or in this proxy statement is not meant to indicate that such analysis was given more weight than any other analysis. The preparation of a fairness opinion is a complex process involving various determinations as to the most appropriate and relevant methods of financial analysis and the application of those methods to the particular circumstances; therefore, such an opinion is not readily susceptible to partial analysis or summary description. No company, business or transaction used in such analyses as a comparison is identical to the Business, The Foundry Company or the Master Transaction Agreement, nor is an evaluation of such analyses entirely mathematical. In arriving at its opinion, Merrill Lynch did not attribute any particular weight to any analysis or factor considered by it, but rather made qualitative judgments as to the significance and relevance of each analysis and factor. Accordingly, Merrill Lynch believes that its analyses must be considered as a whole and that selecting portions of its analyses and of the factors considered by it, without considering all factors and analyses, would, in the view of Merrill Lynch, create an incomplete and misleading view of the analyses underlying Merrill Lynch's opinion.

Some of the summaries of financial analyses above include information presented in tabular format. In order to fully understand Merrill Lynch's analyses, the tables must be read together with the text of each summary. The tables alone do not constitute a complete description of the analyses. Considering the data described above without considering the full narrative description of the financial analyses, including the methodologies and assumptions underlying the analyses, could create a misleading or incomplete view of Merrill Lynch's analyses.

The analyses performed by Merrill Lynch include analyses based upon forecasts of future results, which results may be significantly more or less favorable than those upon which Merrill Lynch's analyses were based. Because the analyses are inherently subject to uncertainty, being based upon numerous factors and events, including, without limitation, factors relating to general economic and competitive conditions beyond the control of the parties or their respective advisors, neither Merrill Lynch nor any other person assumes responsibility if future results or actual values are materially different from those contemplated above.

AMD retained Merrill Lynch based upon Merrill Lynch's experience and expertise. Merrill Lynch is an internationally recognized investment banking firm with substantial experience in transactions similar to the proposed transactions. Merrill Lynch, as part of its investment banking business, is continually engaged in the valuation of businesses and securities in connection with business combinations and acquisitions and for other purposes.

Under the terms of the engagement letter between Merrill Lynch and AMD, Merrill Lynch agreed to provide financial advisory services to AMD, including an opinion as to the fairness from a financial point of view of the Consideration to be received pursuant to the Master Transaction Agreement, and AMD agreed to pay Merrill Lynch a customary fee, a significant portion of which is contingent upon consummation of the Master Transaction Agreement. In addition, AMD has agreed to indemnify Merrill Lynch and its affiliates (and their respective directors, officers, agents, employees and controlling persons) against certain liabilities and expenses, including certain liabilities under the federal securities laws, related to or arising out of Merrill Lynch's engagement.

Merrill Lynch and its affiliates have, in the past, provided financial advisory and financing services to AMD and/or its affiliates and may continue to do so in the future and have received, and may receive, fees for the rendering of such services. In addition, in the ordinary course of its business, Merrill Lynch or its affiliates may actively trade AMD shares and its other securities for its own account and for the accounts of customers and, accordingly, may at any time hold a long or short position in such securities.

Opinion of the Financial Advisor of the Transaction Oversight Committee of Our Board of Directors

The Transaction Oversight Committee of AMD retained Morgan Stanley to provide it with financial advisory services and a financial opinion in connection with a possible joint venture related to its semiconductor foundry business. The Transaction Oversight Committee selected Morgan Stanley to act as its financial advisor based on Morgan Stanley's qualifications, expertise and reputation and its familiarity with AMD. At the meeting of the Transaction Oversight Committee on October 6, 2008, Morgan Stanley rendered its oral opinion, subsequently confirmed in writing, that as of October 6, 2008, and based upon and subject to the various considerations set forth in the opinion, the "**Consideration**" to be received by AMD in connection with the Transactions was fair from a financial point of view to AMD. For the purposes of Morgan Stanley's opinion and for this section of the proxy statement "**Consideration**" was and is, respectively, defined as, in the aggregate: (i) the equity securities of The Foundry Company received by AMD and the extinguishment of certain intercompany accounts relating to AMD's semiconductor manufacturing business in exchange for the contribution by AMD of certain assets related to its semiconductor manufacturing business, and certain related liabilities including, without limitation, \$1.2 billion in third-party debt, to The Foundry Company; (ii) \$700 million in cash received by AMD from ATIC in exchange for the transfer of an approximately 18.5% interest in The Foundry Company from AMD to ATIC, resulting in AMD owning approximately 44.5% of the Foundry Company on a fully converted basis and a 50% voting interest in The Foundry Company; and (iii) approximately \$314 million received by AMD from WCH in exchange for the Shares and the Warrants (such amount representing the average closing price of AMD common stock for the 30-day period prior to the announcement of the Transactions, multiplied by 58,000,000 shares).

The full text of Morgan Stanley's opinion is attached as *Annex B* and is incorporated into this proxy statement by reference in its entirety. The opinion sets forth, among other things, the assumptions made, procedures followed, matters considered and limitations on the scope of the review undertaken by Morgan Stanley in rendering its opinion. We encourage you to read the entire opinion carefully. Morgan Stanley's opinion is directed to the Transaction Oversight Committee and addresses only the fairness from a financial point of view of the Consideration to be received by AMD pursuant to the Transactions as of the date of the opinion. It does not address any other aspects of the Transactions and does not constitute a recommendation to any holder of AMD common stock as to how to vote at any stockholders' meeting to be held in connection with the Transactions. The summary of the opinion of Morgan Stanley set forth below is qualified in its entirety by reference to, and should be reviewed together with, the full text of the opinion.

In connection with rendering its opinion, Morgan Stanley, among other things:

- reviewed certain publicly available financial statements and other business and financial information of AMD;
- reviewed certain internal financial statements and other financial and operating data concerning AMD;

Table of Contents

- reviewed certain financial projections of AMD and The Foundry Company prepared by the management of AMD;
- reviewed certain financial projections of The Foundry Company jointly prepared by the managements of AMD and WCH, respectively;
- discussed the past and current operations and financial condition and the prospects of AMD and The Foundry Company, including information relating to certain strategic, financial and operational benefits anticipated from the Transactions, with senior executives of AMD and WCH, respectively;
- reviewed the pro forma impact of the Transactions on AMD's earnings per share, cash flow, consolidated capitalization and financial ratios;
- compared the operations and financial forecasts for The Foundry Company with that of certain publicly-traded companies comparable with The Foundry Company;
- reviewed the financial terms, to the extent publicly available, of certain transactions comparable to the Transactions;
- compared the financial performance of AMD and the prices and trading activity of the AMD Common Stock with that of certain other publicly-traded companies comparable with AMD, and their securities;
- participated in certain discussions and negotiations among representatives of AMD and WCH and their financial and legal advisors;
- reviewed the Master Transaction Agreement and certain related documents; and
- performed such other analyses and considered such other factors as it deemed appropriate.

In arriving at its opinion, Morgan Stanley assumed and relied upon, without independent verification, the accuracy and completeness of the information that was publicly available or supplied or otherwise made available to Morgan Stanley by AMD and WCH, and formed a substantial basis for its opinion. With respect to the financial projections, including information relating to certain strategic, financial and operational benefits anticipated from the Transactions, Morgan Stanley assumed that they had been reasonably prepared on bases reflecting the best currently available estimates and judgments of the respective managements of AMD and WCH of the future financial performance of AMD and The Foundry Company, as applicable. In addition, Morgan Stanley assumed that the Transactions will be consummated in accordance with the terms set forth in the Master Transaction Agreement without any waiver, amendment or delay of any terms or conditions, including, among other things, that ATIC will obtain financing in accordance with the terms set forth in the Master Transaction Agreement and related agreements. Morgan Stanley assumed that in connection with the receipt of all the necessary governmental, regulatory or other approvals and consents required for the proposed Transactions, no delays, limitations, conditions or restrictions will be imposed that would have a material adverse effect on the contemplated benefits expected to be derived in the proposed Transactions. Morgan Stanley relied upon, without independent verification, the assessment by AMD of:

- the future, potential financial performance of each of AMD and The Foundry Company;
- the likely terms and conditions of The Foundry Company's future customer contracts;
- the timing of, and risks associated with, the creation of The Foundry Company; and
- the validity of, and risks associated with, AMD's and The Foundry Company's existing and future technologies, intellectual property, products, services and business models.

In connection with the analysis of the Consideration, Morgan Stanley took into consideration the provision of certain future financing to The Foundry Company by ATIC and AMD and other factors deemed appropriate. Morgan Stanley is not a legal, tax or regulatory advisor. Morgan Stanley is a financial advisor only and relied upon, without independent verification, the assessment of AMD and WCH and their legal, tax or regulatory advisors with respect to legal, tax or regulatory matters. Morgan Stanley's opinion only addressed the fairness,

[Table of Contents](#)

from a financial point of view, of the Consideration to be received by AMD in connection with the Transactions. Morgan Stanley's opinion did not address the fairness of any non-financial aspects of the Transactions. Morgan Stanley expressed no opinion with respect to the fairness of the amount or nature of the compensation to any of AMD's, WCH's or ATIC's officers, directors or employees, or any class of such persons, relative to the Consideration to be received by AMD in the Transactions. Morgan Stanley did not make any independent valuation or appraisal of the assets or liabilities of AMD or The Foundry Company, nor was Morgan Stanley furnished with any such appraisals. Morgan Stanley's opinion was necessarily based on financial, economic, market and other conditions as in effect on, and the information made available to Morgan Stanley as of October 6, 2008. Events occurring after October 6, 2008 may affect this opinion and the assumptions used in preparing it, and Morgan Stanley did not assume any obligation to update, revise or reaffirm its opinion.

The following is a brief summary of the material analyses performed by Morgan Stanley in connection with its oral opinion and the preparation of its written opinion letter dated October 6, 2008. The various analyses summarized below were based on closing market prices as of October 3, 2008, the last full trading day prior to the meeting of the Transaction Oversight Committee to consider and approve the Transactions and each of the transaction documents and recommend, among other things, that the full board of directors of AMD approve the Transactions and the execution and delivery of the transaction documents to which AMD is a party. Some of these summaries of financial analyses include information presented in tabular format. In order to fully understand the financial analyses used by Morgan Stanley, the tables must be read together with the text of each summary. The tables alone do not constitute a complete description of the financial analyses. Rather, the analyses listed in the tables and described below must be considered as a whole; considering any portion of such analyses and of the factors considered, without considering all analyses and factors, could create a misleading or incomplete view of the process underlying Morgan Stanley's fairness opinion.

Comparable Company Analysis

Morgan Stanley performed a comparable company analysis, which attempts to provide a range of implied aggregate values for The Foundry Company by comparing it to similar companies. Morgan Stanley compared certain financial information of The Foundry Company with publicly available I/B/E/S consensus estimates for companies that shared similar business characteristics and/or offer semiconductor foundry services of the nature to be offered by The Foundry Company. These companies included the following:

- Taiwan Semiconductor Manufacturing Company Ltd.
- Chartered Semiconductor Manufacturing Ltd.
- Semiconductor Manufacturing International Corporation
- United Microelectronics Corporation

For purposes of this analysis, Morgan Stanley analyzed the following statistics of each of these companies for comparison purposes: (i) the ratio of aggregate value (defined as market capitalization plus total debt less cash and cash equivalents) to estimated revenue for calendar years 2009 and 2010, (ii) the ratio of aggregate value to EBITDA for calendar years 2009 and 2010, (iii) the ratio of price to book value, defined as shareholders' equity, and (iv) the ratio of price to net tangible assets, defined as shareholders' equity less goodwill and less other intangible assets.

[Table of Contents](#)

Based on the analysis of the relevant metrics for each of the comparable companies, Morgan Stanley selected representative ranges of financial multiples of the comparable companies and applied these ranges of multiples to the relevant The Foundry Company financial statistic. For purposes of estimated calendar years 2009 and 2010 The Foundry Company estimates, Morgan Stanley utilized AMD management projections. Based on The Foundry Company's expected capitalization as a result of the Transactions, Morgan Stanley calculated the estimated implied aggregate value of The Foundry Company as of October 3, 2008 as follows:

<u>Calendar Year End Financial Statistic</u>	<u>Comparable Company Representative Multiple Range</u>	<u>Implied Aggregate Value of The Foundry Company (\$ Billions)</u>
Aggregate Value to Estimated 2009 Revenue	0.6x – 1.5x	\$ 0.9 – \$2.2
Aggregate Value to Estimated 2010 Revenue	0.5x – 1.2x	\$ 1.1 – \$2.7
Aggregate Value to Estimated 2009 EBITDA	1.4x – 3.5x	\$ 0.1 – \$0.3
Aggregate Value to Estimated 2010 EBITDA	1.5x – 3.0x	\$ 0.9 – \$1.8
Price / Book Value	0.2x – 1.0x	\$ 1.4 – \$2.7
Price / Net Tangible Assets	0.2x – 1.0x	\$ 1.6 – \$3.2

The management of AMD informed Morgan Stanley, and Morgan Stanley noted for purposes of its analysis, that pursuant to the contemplated Transactions, the value of net tangible assets to be contributed by AMD to The Foundry Company was \$2.1 billion. Furthermore, the management of AMD informed Morgan Stanley, and Morgan Stanley noted for purposes of its analysis, that pursuant to the contemplated Transactions: (i) the net value of AMD's initial stake in The Foundry Company (calculated as 63% of the ordinary shares of the company on a fully converted basis), plus (ii) the cash to be received by AMD for the sale of approximately 18.5% of its initial stake in The Foundry Company (calculated on a fully converted basis) to ATIC, plus (iii) \$1.2 billion in third-party debt of AMD transferred to The Foundry Company, plus (iv) the value of certain intercompany accounts which will be retired, minus (v) the value of the warrants granted to WCH, would be \$3.7 billion in the aggregate (the "**Foundry Company Consideration**").

No company utilized in the comparable company analysis is identical to The Foundry Company. In evaluating comparable companies, Morgan Stanley made judgments and assumptions with regard to industry performance, general business, economic, market and financial conditions and other matters, many of which are beyond the control of The Foundry Company and AMD, such as the impact of competition on the businesses of AMD and The Foundry Company and the industry generally, industry growth and the absence of any adverse material change in the financial condition and prospects of AMD, The Foundry Company or the industry or in the financial markets in general. Mathematical analysis (such as determining the average or median) is not in itself a meaningful method of using peer group data.

Discounted Cash Flow Analysis

As part of its analysis, and in order to estimate a range of aggregate present values for The Foundry Company, Morgan Stanley performed a discounted cash flow analysis. A discounted cash flow analysis is designed to provide insight into the value of a company as a function of its future cash flows and terminal value. Morgan Stanley relied on cash flow projections for calendar years 2009 through 2013 for The Foundry Company provided by the management of AMD. Morgan Stanley estimated a range of terminal values calculated in 2013 based on EBITDA exit multiples of 3.5x to 4.5x applied to 2014 EBITDA. "Terminal value" refers to the estimate of the value of all future cash flows from an asset at a particular point in time. Morgan Stanley discounted the unlevered free cash flow streams and the estimated range of terminal values to a present value, as of December 31, 2008, based on (i) a discount rate of 14.25% for the portion of The Foundry Company's unlevered free cash flow associated with manufacturing AMD microprocessors, (ii) a discount rate of 22.5% for the unlevered free cash flow associated with The Foundry Company's business focused on third-party semiconductor customers other than AMD, and (iii) a discount rate of 20% for the terminal value. Based on these projections and assumptions, the discounted cash flow analysis of The Foundry Company yielded an implied aggregate valuation range of approximately \$1.6 billion to \$3.2 billion. Morgan Stanley noted that the value of

[Table of Contents](#)

net tangible assets contributed by AMD was \$2.1 billion and the value of the Foundry Company Consideration to be received by AMD pursuant to the Master Transaction Agreement was \$3.7 billion.

Analysis of Precedent Transactions

Morgan Stanley performed a precedent transactions analysis, which is designed to imply a range of aggregate values of a company based on publicly available financial terms of selected transactions that share certain characteristics with the planned Transactions, involving companies with some similarities to The Foundry Company. In connection with its analysis, Morgan Stanley compared publicly available statistics for two categories of transactions. The first category consisted of 5 selected semiconductor fabrication plant acquisition transactions occurring between January 1, 2004 and October 3, 2008, in which the target assets were involved in the manufacturing of semiconductor wafers. The following is a list of these transactions:

Selected Semiconductor Fabrication Plant Acquisitions	
Target	Acquiror
Fabrication Facilities of Winbond Electronics Corp. Gresham, Oregon Fabrication Facilities of LSI Logic Corporation	Vanguard International Semiconductor Corporation ON Semiconductor Corporation
Hitachi Semiconductor Singapore Pte Ltd	Chartered Semiconductor Manufacturing Ltd.
Jazz Technologies, Inc.	Acquiror Technology Inc.
Jazz Technologies, Inc.	Tower Semiconductor Ltd.

Morgan Stanley also compared publicly available statistics for 7 selected precedent transactions involving asset intensive semiconductor and technology manufacturing transactions between January 1, 2001 and October 3, 2008, for which the transaction values were greater than \$1 billion. The following is a list of these transactions:

Selected Asset Intensive Semiconductor and Technology Manufacturing Transactions	
Target	Acquiror
Agere Systems, Inc.	LSI Logic Corporation
ChipPAC, Inc.	ST Assembly Test Services Ltd.
Freescale Semiconductor, Inc.	Investor Group
International Rectifier Corporation	Vishay Intertechnology, Inc.
SCI Systems, Inc.	Sanmina Corporation
Siliconix, Inc.	Vishay Intertechnology, Inc.
Soletron Corporation	Flextronics International Ltd.

For each transaction listed above, Morgan Stanley noted the following financial statistics where available: (i) the ratio of aggregate value of the transaction to next twelve months estimated revenue; (ii) the ratio of aggregate value of the transaction to next twelve months estimated EBITDA; (iii) the ratio of aggregate value to total assets; and (iv) the ratio of price to book value.

[Table of Contents](#)

Based on the analysis of the relevant metrics for each transaction listed above, Morgan Stanley selected representative ranges of implied financial multiples of the transactions and applied these ranges of financial multiples to the relevant financial statistic for The Foundry Company. For purposes of estimated next twelve month The Foundry Company estimates, Morgan Stanley utilized calendar year 2009 projections provided by AMD management. The following table summarizes Morgan Stanley's analysis:

<u>Precedent Transactions Financial Statistic</u>	<u>Representative Range</u>	<u>Implied Aggregate Value of The Foundry Company (\$ Billions)</u>
Aggregate Value to Estimated Next Twelve Months Revenue	0.9x – 1.5x	\$ 1.3 – \$2.2
Aggregate Value to Estimated Next Twelve Months EBITDA	5.0x – 8.0x	\$ 0.5 – \$0.8
Aggregate Value to Total Assets	0.7x – 1.2x	\$ 2.6 – \$4.4
Price to Book Value	0.9x – 1.5x	\$ 2.6 – \$3.5

Morgan Stanley noted that the value of net tangible assets contributed by AMD was \$2.1 billion and the value of the Foundry Company Consideration to be received by AMD pursuant to the Master Transaction Agreement was \$3.7 billion.

No company or transaction utilized in the precedent transactions analysis is identical to The Foundry Company or the Transactions. In evaluating the precedent transactions, Morgan Stanley made judgments and assumptions with regard to general business, market and financial conditions and other matters, which are beyond the control of AMD and The Foundry Company, such as the impact of competition on the business of AMD, The Foundry Company or the industry generally, industry growth and the absence of any adverse material change in the financial condition of AMD, The Foundry Company or the industry or in the financial markets in general, which could affect the public trading value of the companies and the aggregate value of the transactions to which they are being compared.

Miscellaneous

In connection with the review of the Transactions by AMD's Transaction Oversight Committee, Morgan Stanley performed a variety of financial and comparative analyses for purposes of rendering its opinion. The preparation of a financial opinion is a complex process and is not necessarily susceptible to a partial analysis or summary description. In arriving at its opinion, Morgan Stanley considered the results of all of its analyses as a whole and did not attribute any particular weight to any analysis or factor it considered. Morgan Stanley believes that selecting any portion of its analyses, without considering all analyses as a whole, would create an incomplete view of the process underlying its analyses and opinion. In addition, Morgan Stanley may have given various analyses and factors more or less weight than other analyses and factors, and may have deemed various assumptions more or less probable than other assumptions. As a result, the ranges of valuations resulting from any particular analysis described above should not be taken to be Morgan Stanley's view of the actual value of The Foundry Company. In performing its analyses, Morgan Stanley made numerous assumptions with respect to industry performance, general business and economic conditions and other matters. Many of these assumptions are beyond the control of AMD or The Foundry Company. Any estimates contained in Morgan Stanley's analyses are not necessarily indicative of future results or actual values, which may be significantly more or less favorable than those suggested by such estimates.

Morgan Stanley conducted the analyses described above solely as part of its analysis of the fairness of the Consideration to be received by AMD pursuant to the Transactions from a financial point of view to AMD and in connection with the delivery of its opinion dated October 6, 2008 to the Transaction Oversight Committee. These analyses do not purport to be appraisals or to reflect the prices at which shares of common stock of AMD might actually trade.

[Table of Contents](#)

The Consideration was determined through arm's length negotiations between AMD, WCH and ATIC and was approved by the Transaction Oversight Committee. Morgan Stanley provided advice to the Transaction Oversight Committee during these negotiations. Morgan Stanley did not, however, recommend any specific consideration to AMD or the Transaction Oversight Committee or that any specific consideration constituted the only appropriate consideration for the Transactions.

Morgan Stanley's opinion and its presentation to the Transaction Oversight Committee was one of many factors taken into consideration by the Transaction Oversight Committee in deciding to approve the Transactions and each of the transaction documents and recommend, among other things, that the full board of directors of AMD approve the Transactions and the execution and delivery of the transaction documents to which AMD is a party. Consequently, the analyses as described above should not be viewed as determinative of the opinion of the Transaction Oversight Committee with respect to the Consideration or of whether AMD's board of directors would have been willing to agree to different consideration.

AMD's Transaction Oversight Committee retained Morgan Stanley based upon Morgan Stanley's qualifications, experience and expertise. Morgan Stanley is an internationally recognized investment banking and advisory firm. Morgan Stanley, as part of its investment banking and financial advisory business, is continuously engaged in the valuation of businesses and securities in connection with mergers and acquisitions, joint ventures, negotiated underwritings, competitive biddings, secondary distributions of listed and unlisted securities, private placements and valuations for corporate, estate and other purposes. In the ordinary course of Morgan Stanley's trading, brokerage, investment management and financing activities, Morgan Stanley or its affiliates may at any time hold long or short positions, and may trade or otherwise effect transactions, for its own account or for the accounts of customers in the debt or equity securities or senior loans of AMD or any other parties, commodities or currencies involved in the Transactions. In the past, Morgan Stanley or its affiliates have provided financial advisory and financing services for AMD and funds affiliated with WCH and ATIC and have received fees in connection with such services. Morgan Stanley may also seek to provide such services to AMD, The Foundry Company, WCH and ATIC in the future and may receive fees for the rendering of these services.

Under the terms of its engagement letter, Morgan Stanley provided the Transaction Oversight Committee advisory services and a financial opinion in connection with the Transactions, and AMD has agreed to pay Morgan Stanley a fee for its services which was contingent upon the earliest to occur of the rendering of this financial opinion, the termination of discussions relating to the Transactions, the termination of the Transactions, the closing of the Transactions, or March 31, 2009. The Transaction Oversight Committee has also agreed to reimburse Morgan Stanley for its expenses, including attorneys' fees, incurred in connection with its services. In addition, AMD has agreed to indemnify Morgan Stanley and any of its affiliates, their respective directors, officers, agents and employees and each person, if any, controlling Morgan Stanley or any of its affiliates against certain liabilities and expenses, including certain liabilities under the federal securities laws, relating to or arising out of Morgan Stanley's engagement.

Between signing the Master Transaction Agreement and the earlier of Closing or termination of the Master Transaction Agreement, AMD has agreed that AMD will not solicit any other proposal or enter into any agreement with a third party relating to an alternative transaction or a change of control of AMD. However, our board of directors may (i) participate in discussions, conversations, negotiations or other communications with a third party regarding, and furnish information to, any person that has made, in writing, a bona fide AMD Change of Control Proposal (as defined below) and (ii) enter into an agreement with any third person relating to a change of control of AMD, if our board of directors has: (A) determined, in its good faith judgment that failure to furnish such information or enter into such discussions or such agreement would be inconsistent with its fiduciary obligations to AMD and our stockholders under applicable law; (B) provided written notice to ATIC and WCH of the identity of the person making, and the material terms of any such proposal, and of AMD's intent to furnish information or enter into discussions with such person at least three business days prior to taking any such action; (C) obtained from such person an executed confidentiality agreement on customary terms; and (D) promptly provided to ATIC and WCH any non-public information concerning AMD or any of our subsidiaries provided to any such person which was not previously provided to ATIC and WCH. "**AMD Change of Control Proposal**" means any proposal or offer made by any third person relating to a transaction between the third person and AMD, our stockholders or any of our subsidiaries with respect to (a) a merger, reorganization, share exchange, consolidation, business combination, recapitalization, dissolution, liquidation or similar transaction involving AMD in which AMD's stockholders immediately prior to such transaction will own less than 50% of the voting securities of the surviving corporation outstanding immediately after such transaction, (b) any purchase of an equity interest (including by means of a tender or exchange offer) representing an amount equal to or greater than a 50% voting or economic interest in AMD, or (c) any purchase of assets, securities or ownership interests representing an amount equal to or greater than 50% of the consolidated assets of AMD and our subsidiaries taken as a whole (including stock of our subsidiaries).

WCH Standstill Respecting AMD

For a period of five years (or sooner, if WCH and its transferees cease to own at least 10% of AMD's voting securities), WCH, ATIC and their transferees and affiliates will not, without AMD's consent, seek to acquire more than 22.5% of the voting securities of AMD, or initiate, or induce or attempt to induce any third person to initiate, any extraordinary corporate transaction involving AMD (including a merger, sale of assets, restructuring or liquidation), or to seek to or participate in any attempt to cause a change of control of the management or board of directors of AMD, or take any other similar actions, including a public announcement of any such plans, or advise, assist or encourage any other persons in connection with any of the foregoing.

ATIC and WCH also agree during such period not to request that AMD waive any of the foregoing provisions, although ATIC or WCH may ask AMD whether AMD would wish to entertain a proposal for the acquisition of AMD, but may not make such a proposal absent AMD's affirmative response to such question. The standstill does not prevent ATIC or WCH from voting any securities at their sole discretion on matters submitted to the stockholders of AMD for a vote, or from voting in favor of, or tendering any AMD securities held by any of them into, any extraordinary transaction involving AMD or a substantial portion of its securities or assets.

WCH Transfer Restrictions on AMD Securities

Until such time WCH and its permitted transferees beneficially own, in the aggregate, less than 10% of the outstanding shares of our common stock, WCH and such permitted transferees may only resell shares of our common stock (i) in connection with a bona fide pledge or transfer in connection with a financing transaction secured by a pledge of WCH's AMD common stock, (ii) by means of an underwritten public offering pursuant to an effective registration statement under the Securities Act of 1933, as amended (the "*Securities Act*"), or (iii) pursuant to Rule 144 promulgated under the Securities Act. Notwithstanding the foregoing, WCH or its permitted transferees may sell or transfer AMD common stock to any other permitted transferee.

Employees

The Foundry Company will extend, or will cause its applicable subsidiaries to extend, offers of employment to certain AMD employees (the "*Transferred Employees*") at least 30 days prior to Closing and will hire, or cause its applicable subsidiaries to hire, such Transferred Employees effective as of Closing. The Foundry Company will be responsible for all liabilities, salaries, benefits and similar employer obligations that arise after Closing under The Foundry Company's compensation and benefit plans and policies for all Transferred Employees.

Closing Conditions

The Closing is contingent upon the satisfaction by AMD of, or the waiver by ATIC and WCH of, among other things:

- the absence of a breach of representations, warranties or covenants that would result in a material adverse effect on AMD or The Foundry Company;
- receipt of material consents;
- receipt of certain government approvals, including Hart Scott Rodino antitrust approval from the United States and merger control clearances from certain foreign regulatory authorities;
- the absence of proceedings or litigation that would result in a material adverse effect on AMD or The Foundry Company;
- that the economic incentives and subsidies currently made available to AMD and its subsidiaries by governmental authorities in the European Union, the Federal Republic of Germany or the State of Saxony and the State of New York remain available to The Foundry Company and its subsidiaries

Table of Contents

without financial penalty or change that would be materially adverse to The Foundry Company and its subsidiaries and no governmental authority has notified any party that such governmental authority intends to seek to terminate the availability of such economic incentives and subsidies, and that, with respect to The Foundry Company's proposed facility in Saratoga County, New York, the economic development agreement between the State of New York and AMD will have been assigned to The Foundry Company, and The Foundry Company will have qualified for the same ongoing New York State tax benefits that have been previously approved for AMD;

- receipt of notice from CFIUS to the effect that a review or investigation of the Transactions has been concluded and that a determination has been made that there are no unresolved U.S. national security concerns, or the lack of action by the President of the United States to block or prevent the consummation of the Transactions under Exon-Florio, with the applicable time period for the President to take such action having expired;
- the receipt by ATIC of certain legal opinions by counsel to AMD;
- the continuing effectiveness of AMD's Participation Agreement with IBM;
- the absence of an agreement or ongoing discussions with a third party regarding a change of control of AMD;
- the absence of a material adverse effect on AMD or The Foundry Company;
- the requisite AMD stockholder approval of the issuance of the Shares, the Warrants and the Warrant Shares under NYSE rules and regulations; and
- the valid appointment or election of the representative designated by WCH to AMD's board of directors, effective as of Closing.

Indemnification

The representations and warranties of AMD generally survive until the two-year anniversary of the Closing. AMD agrees to indemnify ATIC and The Foundry Company for, among other things, (i) any breach of a representation, warranty or covenant, (ii) any third-party claim arising out of any AMD action, condition or obligation occurring or existing prior to Closing, (iii) claims arising out of AMD's Patent Cross-License Agreement with Intel Corporation, dated as of May 4, 2001 (as may be amended, the "**Intel Patent Cross License Agreement**"), and the Agreement between Intel Corporation and AMD dated October 1, 1976, as amended or supplemented to date, (iv) environmental claims relating to hazardous materials on the real property located in the towns of Malta and Stillwater, New York (commonly known as the Luther Forest Technology Campus) that is subject to an option agreement dated October 12, 2007 between AMD and the Luther Forest Technology Campus Economic Development Corporation, (v) environmental claims relating to hazardous materials on the Malta Rocket Fuel Area, a portion of the Luther Forest Technology Campus designated by the United States Environmental Protection Agency as a "Superfund" site, (vi) any amounts payable by The Foundry Company under guarantees related to indebtedness of certain transferred joint venture entities, (vii) any amounts payable by The Foundry Company or any of its subsidiaries following the Closing for the repayment of investment grants and subsidies received by AMD or any of its subsidiaries prior to the Closing if such repayment obligations relate to (A) a failure by AMD or any of its subsidiaries to make, prior to the Closing, capital expenditures required by such investment grants or subsidies or (B) a failure by AMD or any of its subsidiaries to maintain required fixed asset levels at or prior to the Closing and (viii) any retained liabilities. AMD's liability for breaches of representations and warranties is capped at \$700 million and AMD will have no such liability in the event that the aggregate amount of indemnifiable ATIC/The Foundry Company losses is less than \$21 million. The Foundry Company agrees to indemnify AMD and ATIC for any breach of a covenant or agreement by The Foundry Company, for any assumed liabilities and for the operation of The Foundry Company and its assets following Closing.

Termination/Break-up Fee

The Master Transaction Agreement may be terminated at any time prior to Closing:

- by either ATIC or WCH in the event that a material adverse effect on AMD or The Foundry Company occurs, AMD has breached a representation or warranty of AMD in a manner that is likely to cause a material adverse effect on AMD or The Foundry Company, AMD has not complied with the covenants contained in the Master Transaction Agreement in such a way that it results in a material adverse effect on AMD or The Foundry Company or AMD is involved in a liquidation, bankruptcy or insolvency proceeding;
- by any of AMD, ATIC or WCH if Closing has not occurred by March 7, 2009;
- by any of AMD, ATIC or WCH in the event that any governmental authority has issued a final and nonappealable order to restrain, enjoin or render illegal the Transactions;
- by ATIC or WCH upon a change of control of AMD;
- by ATIC or WCH if representatives of the U.S. Department of the Treasury and/or any other lead agency designated by CFIUS for the Transactions (at least one of whom serves at the rank of Deputy Assistant Secretary or higher), acting on behalf of CFIUS, inform the parties either that CFIUS will refer the transaction to the President of the United States for decision, or that the CFIUS clearance would be conditioned upon certain mitigation agreements with CFIUS containing terms that are inconsistent with the provisions of the Master Transaction Agreement; or
- by the mutual written consent of AMD, ATIC and WCH.

If the Master Transaction Agreement is terminated by reason of a change of control event of AMD or if a change of control of AMD occurs within 12 months of termination for other specified reasons, AMD will pay to WCH a fee of \$50 million. If the Master Transaction Agreement is terminated because of a material breach by AMD of its non-solicitation covenant, then AMD will pay WCH \$50 million plus WCH's and ATIC's respective expenses.

The foregoing description of the Master Transaction Agreement is qualified in its entirety by reference to the full text of the Master Transaction Agreement, attached hereto as *Exhibit A*.

THE SHAREHOLDERS' AGREEMENT

The rights and obligations of AMD and ATIC, as shareholders of The Foundry Company (each, a "*Foundry Company Shareholder*"), are set forth in the Shareholders' Agreement.

Board of Directors

The Foundry Company board of directors (the "*The Foundry Company Board*") will consist of eight directors, and, because AMD and ATIC each own 50% of the shares entitled to vote in the election of directors and pursuant to the Shareholders' Agreement, AMD and ATIC will each be entitled to designate for nomination four directors. The 50/50 ownership of the voting shares and rights of each of AMD and ATIC to designate four directors will not change until the occurrence of the Reconciliation Event.

"*Reconciliation Event*" means the earlier of (i) such time when AMD has secured for The Foundry Company the right to make unlimited volumes of products, including microprocessors, for AMD and its subsidiaries, regardless of whether The Foundry Company is a "Subsidiary" or "Affiliate" of AMD for purposes of the Intel Patent Cross License Agreement, or (ii) such time when The Foundry Company Board determines that The Foundry Company no longer needs to be a "Subsidiary" of AMD as defined in Section 1.22 of the Intel Patent Cross License Agreement. For the avoidance of doubt, notwithstanding any provision of the Shareholders' Agreement or any other document related to the Transactions, prior to the Reconciliation Event, The Foundry Company will in no event be under any obligation (contractually or otherwise) to directly or indirectly distribute more than 70% of its profits to any person or entity.

Only after a Reconciliation Event, the number of directors a Foundry Company Shareholder may designate will be adjusted as follows: (i) a Foundry Company Shareholder holding 30% or more but less than 40% of the fully diluted shares will be entitled to designate three directors; (ii) a Foundry Company Shareholder holding 20% or more but less than 30% of the fully diluted shares will be entitled to designate two directors; (iii) a Foundry Company Shareholder holding 10% or more but less than 20% of the fully diluted shares will be entitled to designate one director; and (iv) a Foundry Company Shareholder holding less than 10% of the fully diluted shares will have no right to designate any directors. To the extent the number of directors a Foundry Company Shareholder is entitled to nominate is reduced as a result of a decrease in such Foundry Company Shareholder's ownership of The Foundry Company, then, so long as the other Foundry Company Shareholder owns at least a majority of the fully diluted shares of The Foundry Company, such other Foundry Company Shareholder will be entitled to designate all of the remaining directors.

Officers

The initial Chief Executive Officer of The Foundry Company will be Douglas Grose, and ATIC will designate the initial Chief Financial Officer. The other officers of The Foundry Company will be appointed by a committee of The Foundry Company Board. Hector de J. Ruiz will be Chairman of The Foundry Company Board, which is a non-director and non-voting position.

Voting

The share capital of The Foundry Company at the Closing will consist of (i) Class A Ordinary Shares (the "*Class A Ordinary Shares*"), of which two shares will be outstanding (one issued to each of AMD and ATIC); (ii) Class B Ordinary Shares (the "*Class B Ordinary Shares*"); (iii) Class A Preferred Shares (the "*Class A Preferred Shares*") and (iv) Class B Preferred Shares (the "*Class B Preferred Shares*"). Prior to the Reconciliation Event, the Class A Preferred Shares, the Class B Preferred Shares and the Class B Ordinary Shares will be non-voting and only the Class A Ordinary Shares will have voting rights of one vote per Class A Ordinary Share. Following the Reconciliation Event, the Class A Ordinary Shares will be automatically redeemed and the voting rights of the Class A Preferred Shares, the Class B Preferred Shares and the Class B Ordinary Shares will be given effect.

Certain Corporate Actions

The Foundry Company will not take certain actions unless all of the members of The Foundry Company Board approve such actions, which include, but are not limited to:

- implementing material changes in the purpose or scope of The Foundry Company's activities or engaging in any material activity unrelated to The Foundry Company's business that materially adversely affects The Foundry Company's ability to perform its obligations to AMD under the Wafer Supply Agreement;
- changing the number of directors on The Foundry Company Board;
- amending The Foundry Company's charter or bylaws;
- entering into certain change of control transactions or any sale of all or substantially all of the assets of The Foundry Company and its subsidiaries, other than to The Foundry Company or any of its subsidiaries or, following termination of the earliest of (i) the date that is 10 years after Closing, (ii) such time as the Abu Dhabi cluster is meeting certain wafer production volume requirements or (iii) the termination of the Transition Period (as such term is defined in the Funding Agreement) under the Funding Agreement (the "**Restricted Period**"), to a permitted transferee; *provided, however*, that any such transaction with a permitted transferee is on terms that are fair from a financial point of view to all Foundry Company Shareholders;
- entering into certain acquisitions, joint ventures, transfers, sales or disposals of any assets with a value in excess of \$25 million singly or \$50 million in the aggregate, other than with The Foundry Company or any of its subsidiaries or, following termination of the Restricted Period, with a permitted transferee; *provided, however*, that any such transaction with a permitted transferee is on terms that are fair from a financial point of view to all Foundry Company Shareholders;
- approving any material amendment, modification or revision to The Foundry Company's initial five-year capital plan;
- approving any annual business plan or any material amendment, modification or revision of any annual business plan;
- issuing, repurchasing or redeeming any of The Foundry Company shares or other equity interest not reflected in the annual business plan, its Articles of Association or any incentive plan;
- declaring dividends or other distributions to Foundry Company Shareholders;
- entering into or amending the documents related to the Transactions, any incentive plan or any other Foundry Company contract worth more than \$15 million;
- selling, licensing, assigning, transferring or engaging in certain other activities with respect to The Foundry Company's intellectual property;
- prosecuting, commencing or settling litigation in excess of \$10 million;
- making any loan, investment or expenditure (or series of related expenditures) not reflected in the annual business plan involving more than \$5 million singly or \$10 million in the aggregate;
- incurring certain indebtedness or subjecting any of The Foundry Company's properties or assets to certain liens, claims or encumbrances which would result in an increase of 5% or more of the total indebtedness contemplated in the annual business plan;
- consummating any public offering of securities;
- appointing or terminating The Foundry Company's Chief Executive Officer or Chief Financial Officer;
- determining when the Reconciliation Event has occurred; and
- entering into any related party transactions involving more than \$25 million.

Table of Contents

In addition, the Shareholders' Agreement provides that if any Foundry Company Shareholder (and its permitted transferees) owns at least 75% of the fully diluted shares of The Foundry Company, then such Foundry Company Shareholder will be entitled to resolve any deadlock of The Foundry Company Board with respect to certain actions, and if any Foundry Company Shareholder (and its permitted transferees) owns at least 90% of the fully diluted shares of The Foundry Company, then such Foundry Company Shareholder will be entitled to resolve any deadlock with respect to certain additional actions. Notwithstanding the foregoing, a Foundry Company Shareholder will never be entitled to break a Foundry Company Board deadlock with respect to:

- changing the number of directors on The Foundry Company Board; or
- determining when the Reconciliation Event has occurred.

In addition, prior to the Reconciliation Event, a Foundry Company Shareholder will also not be entitled to break a Foundry Company Board deadlock with respect to:

- amending The Foundry Company's charter or bylaws;
- issuing, repurchasing or redeeming any of The Foundry Company shares or other equity interest not reflected in the annual business plan, its Articles of Association or any incentive plan; or
- declaring dividends or other distributions to Foundry Company Shareholders,

if, in each such case, such action would cause The Foundry Company to fail to constitute a "Subsidiary" of AMD under the Intel Patent Cross License Agreement.

Transfer Restrictions

Class A Ordinary Shares. Each of AMD and ATIC will own one Class A Ordinary Share. Class A Ordinary Shares are the only voting securities of The Foundry Company prior to the Reconciliation Event. The Foundry Company Class A Ordinary Shares are non-transferable.

Other Foundry Company Securities. With respect to the other securities of The Foundry Company (Class A Preferred Shares, Class B Preferred Shares, the Class B Ordinary Shares and the Convertible Notes), no Foundry Company Shareholder may sell any of such Foundry Company securities, without the consent of the other Foundry Company Shareholder, if (i) prior to the Reconciliation Event, the sale of such securities would cause The Foundry Company to fail to constitute a "Subsidiary" of AMD under the Intel Patent Cross License Agreement, (ii) such sale is made to Intel or any of its affiliates or (iii) such sale is made to a competitor of The Foundry Company.

In addition, each Foundry Company Shareholder agrees not to sell, transfer or encumber any such Foundry Company securities prior to the Restricted Period.

The following transfers of such securities of The Foundry Company are exempt from the above transfer restrictions: (a) transfers with the prior written consent of the other Foundry Company Shareholder; (b) a transfer to a permitted transferee or to the other Foundry Company Shareholder; (c) the sale of up to 25% of a Foundry Company Shareholder's fully diluted shares in an initial public offering of The Foundry Company ("*IPO*"); and (d) in each year following the IPO, the sale of up to 25% of a Foundry Company Shareholder's fully diluted shares through a public offering or Rule 144 under the Securities Act. However, AMD's rights to sell such securities of The Foundry Company as set forth in (c) and (d) above will be suspended until the Reconciliation Event has occurred.

Right of First Offer/Right of Last Look

Following the end of the Restricted Period, a Foundry Company Shareholder who wishes to sell securities of The Foundry Company to a third party must notify The Foundry Company and the other Foundry Company

[Table of Contents](#)

Shareholder of the offer, and the non-selling Foundry Company Shareholder will have 30 days to purchase the offered securities. In addition, a Foundry Company Shareholder cannot consummate a sale of securities of The Foundry Company to a third party without offering such securities for sale to the other Foundry Company Shareholder at least 10 business days prior to the contemplated consummation of the sale of such securities to the third party.

Tag-Along Rights

Following the end of the Restricted Period, no Foundry Company Shareholder may sell more than 10% of its fully diluted securities of The Foundry Company unless the other Foundry Company Shareholder is offered the right and option to sell the same percentage of securities held by it. This right terminates upon an IPO.

Drag-Along Rights

Following the end of the Restricted Period, if a Foundry Company Shareholder holding at least 75% of the fully diluted shares of The Foundry Company proposes to sell all of its securities of The Foundry Company to a third party, such Foundry Company Shareholder will have the right to require the other Foundry Company Shareholder to sell all of its securities of The Foundry Company to the third party for the same consideration and on the same terms. This right terminates upon an IPO.

AMD Change of Control

In the event of a change of control of AMD without ATIC's prior written consent: (i) all transfer restrictions with respect to securities of The Foundry Company held by ATIC and its permitted transferees will terminate; (ii) if such change of control occurs prior to the IPO, ATIC will have the right to require The Foundry Company to consummate the IPO and to register ATIC's securities of The Foundry Company in connection with such IPO; (iii) (A) ATIC will have a put right to sell all of its securities of The Foundry Company to AMD if the change of control occurs within 24 months of the Closing or (B) if the change of control occurs after the Reconciliation Event, ATIC will have the option to purchase all of the securities of The Foundry Company held by AMD and its permitted transferees, in each case at fair market value; (iv) until the end of 2013, as long as ATIC owns any securities of The Foundry Company, ATIC has the right to require AMD or any counterparty to an AMD change of control transaction to assume a portion of ATIC's funding commitment under the Funding Agreement based on the percentage of fully diluted shares held by AMD on each "Funding Date" (as such term is defined in the Funding Agreement); and (v) as long as ATIC owns any securities of The Foundry Company, ATIC has the right to require any counterparty to an AMD change of control transaction to guarantee all of AMD's obligations under the documents related to the Transactions.

Rights to Purchase New Shares

The Foundry Company must offer each Foundry Company Shareholder the right to purchase its pro rata share of any securities of The Foundry Company in the event The Foundry Company proposes to issue new shares to a third party. This right terminates upon an IPO.

Termination

The Shareholders' Agreement may be terminated (i) upon dissolution of The Foundry Company, (ii) by the written agreement of all parties to the Shareholders' Agreement, (iii) at the election of a Foundry Company Shareholder upon certain events of bankruptcy of the other Foundry Company Shareholder or (iv) with respect to any Foundry Company Shareholder, at such time a Foundry Company Shareholder ceases to own any securities of The Foundry Company.

The foregoing description of the Shareholders' Agreement is qualified in its entirety by reference to the full text of the Shareholders' Agreement, attached hereto as **Exhibit B**.

THE FUNDING AGREEMENT

The Funding Agreement provides for the further funding of The Foundry Company. Pursuant to the Funding Agreement, ATIC has committed to additional equity funding of a minimum of \$3.6 billion and up to \$6.0 billion over the five years after the Closing.

Annual Business Plan

The Foundry Company management team must present its annual business plan (the “*Annual Business Plan*”) to The Foundry Company Board for approval on or prior to mid-November of each fiscal year, which date will be prior to the end of the seventh fiscal week of the fourth fiscal quarter of The Foundry Company. The Annual Business Plan must include estimates of the sources and uses of funds necessary to conduct The Foundry Company’s business by fiscal quarter as well as estimated third-party debt financing. In the event The Foundry Company Board does not approve the Annual Business Plan within a certain time frame, the Funding Agreement sets forth procedures by which a resolution to any deadlock may be obtained, and the conditions under which ATIC may continue its funding commitments despite the deadlock.

Cash Reserve

The Foundry Company must maintain a cash reserve amount equal to at least \$1 billion at all times during the term of the Funding Agreement, provided, however, that this requirement shall no longer apply upon the earlier of (i) The Foundry Company entering into a Transition Period (as defined below) or (ii) the end of Phase II (as defined below).

Funding

At each equity funding, the equity securities to be issued by The Foundry Company will consist of 20% of Class A Preferred Shares and 80% of Class B Preferred Shares. See “Description of The Foundry Company Share Capital” elsewhere in this proxy statement. Under certain circumstances, The Foundry Company will issue convertible notes to ATIC in lieu of Class A and Class B Preferred Shares. See “Description of Foundry Company Convertible Subordinated Notes” elsewhere in this proxy statement. The aggregate amount of equity funding to be provided by the Foundry Company Shareholders in any fiscal year depends on the time period of such funding (Phase I, II or III) and the amounts set forth in the five-year capital plan of The Foundry Company. The Phases are defined as follows:

- Phase I: the period commencing on the date of the Funding Agreement and ending on the last day of the fiscal year ending in 2010.
- Phase II: the period commencing the first day of the fiscal year ending in 2011 and ending the last day of the fiscal year ending in 2013.
- Phase III: the period commencing the first day of the fiscal year ending in 2014 and ending on the date the Funding Agreement is terminated pursuant to the terms thereof.

The Foundry Company is required to obtain specified third-party debt in any given fiscal year, as set forth in the five-year capital plan. To the extent that The Foundry Company obtains more than the specified amount of third-party debt, ATIC may reduce its funding commitment accordingly. To the extent that The Foundry Company is not able to obtain the full amount of third-party debt, ATIC is not obligated to make up the difference.

AMD will have the right, but not the obligation, to provide additional capital funding to The Foundry Company in response to future capital calls on a pro rata basis with ATIC. To the extent that AMD chooses not to participate in an equity funding, subject to the satisfaction of certain conditions to funding, ATIC is obligated to purchase all of the securities of The Foundry Company in such equity funding that AMD was entitled to purchase.

[Table of Contents](#)

Conditions to Funding

ATIC's obligation to provide funding is subject to certain conditions, including, among other things, the accuracy, in all material respects, of The Foundry Company's representations and warranties in the Funding Agreement, the absence of a material adverse effect of The Foundry Company, the absence of a material adverse effect on AMD that could reasonably be expected to materially and adversely affect AMD's performance of its obligations under the Wafer Supply Agreement, and the absence of a material breach or default by The Foundry Company or AMD under the provisions of any document related to the Transactions (the "**General Funding Conditions**").

With respect to Phase I, ATIC's obligation to provide funding is subject to certain additional conditions, including, among other things: (i) the continuing effectiveness of AMD's IBM Participation Agreement; (ii) the availability of New York and Dresden subsidies in amounts not materially different than contemplated in the five-year capital plan; and (iii) if the Reconciliation Event has not occurred, AMD's continuing compliance with its covenants under the Shareholders' Agreement with respect to the Intel Patent Cross License Agreement (the "**Phase I Funding Conditions**").

With respect to Phase II, in addition to the conditions for Phase I, ATIC's obligation to provide funding is subject to certain additional conditions, including, among other things: (i) AMD will have secured for The Foundry Company "AMD-specific Have Made" rights (defined as the right of AMD to have unlimited volumes of products, including microprocessors, made for AMD and its subsidiaries by The Foundry Company); (ii) The Foundry Company will have achieved targets for cumulative revenue and cumulative gross margin; and (iii) The Foundry Company will have achieved certain strategic milestones relating to the groundbreaking and build out of the Abu Dhabi fab and to AMD technology and the timing of the receipt by The Foundry Company of third party customer interest and revenue (the "**Phase II Funding Conditions**").

With respect to Phase III, in addition to the conditions for Phase I, ATIC's obligation to provide funding is subject to the approval of the Annual Business Plan for the applicable fiscal year.

Annual Business Plan Deadlock Resolution

In the event the Foundry Company Shareholders have not approved the proposed Annual Business Plan on or prior to December 23rd of the fiscal year in which the proposed Annual Business Plan was submitted to The Foundry Company Board (a "**Business Plan Deadlock**"), the following resolution procedures will apply:

Phase I Business Plan Deadlock. In the event of a Business Plan Deadlock as a result of not being able to approve the Annual Business Plan for the fiscal year ending in 2010, ATIC will be obligated to, and AMD may if it elects to, continue to fund at the original funding level set forth in the five-year capital plan (the "**Original Funding Level**"), through the end of Phase I, subject to the satisfaction or waiver of the General Funding Conditions and the Phase I Funding Conditions. If at the end of such fiscal year, the Annual Business Plan for the fiscal year ending in 2011 is approved in accordance with the Funding Agreement and the Shareholders' Agreement, then funding will be at the Original Funding Level, subject to the satisfaction or waiver of the General Funding Conditions and the Phase I Funding Conditions. If at the end of such fiscal year, the Annual Business Plan for the Fiscal Year ending in 2011 is not so approved, then the provisions for Phase II Business Plan Deadlock will apply.

Phase II Business Plan Deadlock. In the event of a Business Plan Deadlock with respect to any fiscal year of Phase II, ATIC will continue to provide funding in an amount at least equal to an amount which is intended to be sufficient to both (i) continue to meet AMD's volume requirements as set forth in the Wafer Supply Agreement and (ii) continue to build out both Fab 38 in Dresden and Fab 4x in New York to the capacities required to ensure continued availability of 100% of the Dresden and New York subsidies (such amount not to exceed \$3.582 billion) (the "**Minimum Funding Level**") and up to the Original Funding Level, subject to satisfaction or waiver of the General Funding Conditions and the Phase II Funding Conditions, until either

Table of Contents

(A) approval of the Annual Business Plan, in which case ATIC's funding commitment will revert to the Original Funding Level, subject to satisfaction or waiver of General Funding Conditions and the Phase II Funding Conditions, or (B) ATIC notifies The Foundry Company that it has elected to have The Foundry Company enter into the transition period, which is the period beginning on the date of ATIC's election to have The Foundry Company enter into the transition period and ending on the later of (x) 12 months after such date and (y) the last day of fiscal year ending in 2013 (the "**Transition Period**"), in which case the Transition Period Business Plan Deadlock provisions (as set forth below) will become effective immediately upon such notice. In the event ATIC does not elect to have The Foundry Company enter into the Transition Period, ATIC will provide The Foundry Company with notice of the amount of funding ATIC is committing to fund for the following fiscal quarter, The Foundry Company will include such amount in any funding notice delivered with respect to such following fiscal quarter, and the general funding procedures set forth in the Funding Agreement will otherwise continue to apply.

Phase III Business Plan Deadlock. In the event of a Business Plan Deadlock with respect to any fiscal year of Phase III, ATIC will continue to provide funding in an amount at least equal to an amount sufficient to meet AMD's MPU volume requirements for such period (the "**Transition Funding Level**") and up to an amount equal to an amount sufficient to meet AMD's MPU volume requirements for such fiscal year as set forth in the Wafer Supply Agreement, including additional funding up to, at ATIC's election (i) the level of funding as set forth in the most recently approved Annual Business Plan or (ii) the level of funding sufficient to continue to build out the next fabs after Fab 4x, subject to satisfaction or waiver of the General Funding Conditions and the Phase III Funding Conditions (other than the approval of the Annual Business Plan), until either (A) approval of the Annual Business Plan, in which case ATIC's funding commitment will revert to the level set forth in such approved Annual Business Plan, subject to satisfaction or waiver of the General Funding Conditions and the Phase III Funding Conditions, or (B) ATIC notifies The Foundry Company that it has elected to have The Foundry Company enter into the Transition Period, in which case the Transition Period Business Plan Deadlock provisions (as set forth below) will become effective immediately upon such notice.

Transition Period Business Plan Deadlock. If ATIC elects to have The Foundry Company enter into the Transition Period: (i) prior to any request for equity funding from the Foundry Company Shareholders, The Foundry Company's management must first comply with the provisions relating to third-party debt financing set forth in the Funding Agreement; (ii) general funding procedures set forth in the Funding Agreement continue to apply; (iii) ATIC will only be obligated to provide funding through the Transition Period at the Minimum Funding Level in the case of a Transition Period during Phase II and at the Transition Funding Level in the case of a Transition Period during Phase III, in each case subject to the satisfaction or waiver of the General Funding Conditions and the Phase I Funding Conditions on or prior to any funding date; (iv) the Foundry Company Shareholders will jointly pursue, in good faith, transition options during the Transition Period, including without limitation, winding-down, selling or liquidating The Foundry Company; and (v) upon termination of the Transition Period, ATIC will have the option to purchase in cash any or all securities of The Foundry Company held by AMD and its permitted transferees at a price equal to their fair market value.

Termination

The Funding Agreement will terminate upon the earlier of (i) a written agreement by the parties and (ii) the termination of the Transition Period.

The foregoing description of the Funding Agreement is qualified in its entirety by reference to the full text of the Funding Agreement, attached hereto as **Exhibit C**.

THE WAFER SUPPLY AGREEMENT

AMD will purchase products manufactured by The Foundry Company pursuant to the terms of the Wafer Supply Agreement.

AMD Purchase Commitments

MPU Products. AMD will purchase all of its and its subsidiaries' microprocessor unit ("**MPU**") products from The Foundry Company sales subsidiaries, subject to limited exceptions. Notwithstanding the foregoing, if AMD acquires a third-party business that manufactures MPU products, AMD will have up to two years to transition the manufacture of such MPU products to The Foundry Company. Additionally, AMD and its subsidiaries may use another foundry company as a second source for certain of its quarterly MPU product wafer requirements, and may source additional amounts from such foundry company to the extent The Foundry Company is unable to deliver products to AMD sufficient to meet AMD's material customer commitments. AMD's ability to source MPU requirements with such foundry company terminates: (i) upon the occurrence of a specified event; or (ii) subject to a wind-down period, if such foundry company undergoes a change of control resulting in another entity controlling a majority of such company's assets or equity interests related to the manufacture of products on behalf of AMD.

GPU Products. Once The Foundry Company establishes a 32 nm qualified process, AMD will purchase from The Foundry Company sales entities, where competitive, specified percentages of its and its subsidiaries' graphics processor unit ("**GPU**") requirements, which percentage will increase linearly over a five-year period. AMD agrees not to sell, transfer or dispose of all or substantially all of its or its subsidiaries' assets related to GPU products and related technology to any third party without The Foundry Company's consent, unless the transferee agrees to be bound by the terms of the Wafer Supply Agreement, including its minimum purchase obligations, where competitive, with respect to GPU products.

The Foundry Company Capacity Commitment

After reviewing forecasts provided by AMD, as agreed by the parties, The Foundry Company will allocate such additional capacity sufficient to produce the MPU product volumes set forth in rolling, binding forecasts. The parties will establish capacity requirements in advance for GPU products. The Foundry Company will use commercially reasonable efforts to fill any capacity allocated to but unutilized by AMD with production for third parties so as to offset and reduce AMD's fixed cost reimbursement obligations to The Foundry Company; provided that such efforts will not be required if there exists any unutilized capacity that has not been allocated to AMD.

Management

A partnership committee comprised of an equal number of members appointed by each party will manage the relationship. Unresolved disputes will be escalated to executive officers of each party for resolution.

Sort Services

At AMD's request, The Foundry Company will provide sort services to AMD on a product by product basis. Sort equipment for MPU products will be assigned to The Foundry Company on the effective date; in the event any sort equipment is no longer usable to provide sort services to AMD or The Foundry Company's other customers, The Foundry Company will dispose of such equipment and the parties will determine the amount reimbursable to The Foundry Company or AMD. Additional AMD equipment may be consigned, and AMD will bear all the maintenance and operational costs for such equipment.

[Table of Contents](#)

Pricing

The price for MPU products is related to a certain percentage of The Foundry Company's MPU-specific total cost of goods sold. The price for GPU products will be determined on a product-by-product basis by the parties. AMD will also be responsible for certain other cost reimbursements to The Foundry Company.

Indemnification

The Foundry Company provides AMD and its affiliates, officers, directors, employees, agents, successors and assigns with an intellectual property infringement indemnity covering The Foundry Company's method of manufacturing the products, except for the methods specifically transferred to The Foundry Company on the effective date. AMD provides The Foundry Company and its affiliates, officers, directors, employees, agents, successors and assigns with an intellectual property infringement indemnity covering The Foundry Company's manufacture of wafers for AMD in compliance with any AMD product designs or specifications, use of AMD's equipment, materials, methods and technologies as used by AMD immediately prior to the effective date, and use of property furnished by AMD in accordance with applicable standards and instructions.

Intellectual Property

AMD grants The Foundry Company and applicable The Foundry Company subsidiaries and any permitted assignees a non-exclusive, non-transferable, royalty-free right and license to: (i) make products and import and sell such products to AMD; and (ii) reproduce any documentation provided by AMD to enable The Foundry Company to manufacture such products for AMD.

Term; Termination

The Wafer Supply Agreement will be in effect no longer than 15 years after the Closing. The Wafer Supply Agreement may be terminated at any time upon mutual written consent and may expire earlier upon the occurrence of certain events. The Wafer Supply Agreement may also be terminated if and when a business plan deadlock exists and ATIC elects to enter into a transition period pursuant to the Funding Agreement. The Foundry Company will use commercially reasonable efforts to assist AMD to transition the supply of products to another provider, and continue to fulfill purchase orders for up to two years following the termination or expiration of the Wafer Supply Agreement. During such transition period, pricing for MPU products will remain as set forth in the Wafer Supply Agreement, but AMD's purchase commitments to The Foundry Company will no longer apply.

The foregoing description of the Wafer Supply Agreement is qualified in its entirety by reference to the full text of the Wafer Supply Agreement, attached hereto as **Exhibit D**.

AGREEMENTS RELATED TO INTELLECTUAL PROPERTY

In connection with the Transactions, AMD and The Foundry Company will also enter into intellectual property related arrangements.

Patent Cross License Agreement

Pursuant to a Patent Cross License Agreement (the “*Patent Cross License Agreement*”), AMD and The Foundry Company will each grant to the other a non-exclusive license under patents which were filed by a party (or are otherwise acquired by a party) within a certain number of years following the effective date of the Patent Cross License Agreement. AMD and The Foundry Company are also entering into arrangements under which all issued patents and pending patent applications of AMD and its subsidiaries (other than patents and applications owned by ATI Technologies LLC and its wholly owned subsidiaries) will be divided between AMD and The Foundry Company. The Foundry Company will take ownership of its allocation of patents and applications subject to pre-existing rights, licenses or immunities granted to third parties relating to such patents and applications. The patents and patent applications owned by each party after the division will be licensed to the other party pursuant to the Patent Cross License Agreement.

Non-Patent Intellectual Property and Technology Transfer Agreement

Pursuant to a Non-Patent Intellectual Property and Technology Transfer Agreement, AMD will assign to The Foundry Company all of its right, title and interest in technology and non-patent intellectual property rights used exclusively in the manufacture, sorting and/or intermediate (WIP) testing of semiconductor products. Technology and non-patent intellectual property rights used exclusively in the design and/or post-delivery testing of semiconductor products will be retained by AMD. Technology and non-patent intellectual property rights used both in the manufacture, sorting and/or intermediate (WIP) testing of semiconductor products and in the design and/or post-delivery testing of semiconductor products will be jointly owned by AMD and The Foundry Company.

DESCRIPTION OF THE FOUNDRY COMPANY CONVERTIBLE SUBORDINATED NOTES

At Closing, in consideration for ATIC's cash contribution to The Foundry Company, The Foundry Company will issue convertible subordinated notes convertible into Class A Preferred Shares (the "**Class A Convertible Notes**") and Class B Preferred Shares (the "**Class B Convertible Notes**") to ATIC. In addition, prior to the Reconciliation Event, to the extent that the issuance of any securities to ATIC in connection with an equity funding of The Foundry Company would cause The Foundry Company to fail to constitute a "Subsidiary" of AMD, as such term is defined in the Intel Patent Cross License Agreement, The Foundry Company will instead issue to ATIC (i) additional Class A Convertible Notes in an aggregate principal amount equal to the aggregate purchase price for the Class A Preferred Shares that would have been issued to ATIC but for such provision, and (ii) additional Class B Convertible Notes in an aggregate principal amount equal to the aggregate purchase price for the Class B Preferred Shares that would have been issued to ATIC but for such provision. The principal terms of the Class A Convertible Notes and the Class B Convertible Notes are set forth below.

Class A Convertible Notes

Interest. The Class A Convertible Notes accrue interest at a rate of 4% per annum, compounded semiannually, and payable semiannually in additional Class A Convertible Notes.

Maturity. The Class A Convertible Notes mature upon the later of (i) 10 years from the date of issuance or (ii) the date of the Reconciliation Event.

Security. The Class A Convertible Notes are the unsecured obligations of The Foundry Company.

Ranking. The Class A Convertible Notes will constitute a subordinated obligation of The Foundry Company and will rank subordinated in right of payment to any current or future senior indebtedness of The Foundry Company.

Redemption. The Class A Convertible Notes are not redeemable by The Foundry Company without the noteholder's consent.

Conversion. The Class A Convertible Notes are convertible, in whole or in part, in multiples of \$1,000, into The Foundry Company Class A Preferred Shares at the option of the holder at any time prior to the close of business on the business day immediately preceding the maturity date, at the Conversion Ratio (as defined below) in effect on the date of conversion, if (i) such conversion would not cause The Foundry Company to fail to constitute a "Subsidiary" of AMD under the Intel Patent Cross License Agreement or (ii) the Reconciliation Event has occurred.

On or after the Reconciliation Event, the Class A Convertible Notes will automatically convert into Class A Preferred Shares of The Foundry Company upon the earlier of (i) a Foundry Company IPO, (ii) certain change of control transactions of The Foundry Company or (iii) the close of business on the business day immediately preceding the maturity date.

The "**Conversion Ratio**" for each \$1,000 principal amount of Class A Convertible Notes will be a number obtained by dividing (1) \$1,000 by (2) the applicable Class A Convertible Notes Conversion Price (as hereinafter defined) in effect at the time of conversion. The "**Class A Convertible Notes Conversion Price**" will initially be the per share price of the Class A Preferred Shares at the time the Class A Convertible Note was issued, subject to customary anti-dilution adjustments. The Foundry Company will deliver cash in lieu of any fractional shares upon conversion.

Events of Default. The following constitute an event of default under the Class A Convertible Notes:

- any default in the payment of principal or interest on the Class A Convertible Notes;
- any default in the delivery of Class A Preferred Shares upon the conversion of any Class A Convertible Notes, which default has not been cured within 10 days;

Table of Contents

- the liquidation, dissolution or winding up of The Foundry Company; or
- certain events of bankruptcy or insolvency.

If an event of default occurs and is continuing, then the outstanding principal amount of the Class A Convertible Notes, together with any accrued and unpaid interest, will become immediately due and payable at the request of the holder.

Class B Convertible Notes

Interest. The Class B Convertible Notes accrue interest at a rate of 11% per annum, compounded semiannually, and payable semiannually in additional Class B Convertible Notes.

Maturity. The Class B Convertible Notes mature upon the later of (i) 10 years from the date of issuance or (ii) the date of the Reconciliation Event.

Security. The Class B Convertible Notes are the unsecured obligations of The Foundry Company.

Ranking. The Class B Convertible Notes will constitute a subordinated obligation of The Foundry Company and will rank subordinated in right of payment to any current or future senior indebtedness of The Foundry Company.

Redemption. The Class B Convertible Notes are not redeemable by The Foundry Company without the noteholder's consent.

Conversion. The Class B Convertible Notes are convertible, in whole or in part, in multiples of \$1,000, into The Foundry Company Class B Preferred Shares at the option of the holder at any time prior to the close of business on the business day immediately preceding the maturity date, at the Conversion Ratio (as defined below) in effect on the date of conversion, if (i) such conversion would not cause The Foundry Company to fail to constitute a "Subsidiary" of AMD under the Intel Patent Cross License Agreement or (ii) the Reconciliation Event has occurred.

On or after the Reconciliation Event, the Class B Convertible Notes will automatically convert into The Foundry Company Class B Preferred Shares upon the earlier of (i) a Foundry Company IPO, (ii) certain change of control transactions of The Foundry Company or (iii) the close of business on the business day immediately preceding the maturity date.

The "**Conversion Ratio**" for each \$1,000 principal amount of Class B Convertible Notes will be a number obtained by dividing (1) \$1,000 by (2) the applicable Class B Convertible Notes Conversion Price (as hereinafter defined) in effect at the time of conversion. The "**Class B Convertible Notes Conversion Price**" will initially be the per share price of the Class B Preferred Shares at the time the Class B Convertible Note was issued, subject to customary anti-dilution adjustments. The Foundry Company will deliver cash in lieu of any fractional shares upon conversion.

Events of Default. The following constitute an event of default under the Class B Convertible Notes:

- any default in the payment of principal or interest on the Class B Convertible Notes;
- any default in the delivery of Class B Preferred Shares upon the conversion of any Class B Convertible Notes, which default has not been cured within 10 days;
- the liquidation, dissolution or winding up of The Foundry Company; or
- certain events of bankruptcy or insolvency.

If an event of default occurs and is continuing, then the outstanding principal amount of the Class B Convertible Notes, together with any accrued and unpaid interest, will become immediately due and payable at the request of the holder.

DESCRIPTION OF THE FOUNDRY COMPANY SHARE CAPITAL

Class A Ordinary Shares

The Foundry Company will issue two Class A Ordinary Shares, one to each of AMD and ATIC. The Class A Ordinary Shares will carry one vote each and will be the only voting securities of The Foundry Company prior to the Reconciliation Event. Following the Reconciliation Event, the Class A Ordinary Shares will be redeemed by The Foundry Company. The Class A Ordinary Shares are non-transferable.

Class B Ordinary Shares

The Foundry Company will issue Class B Ordinary Shares at the Closing. The Class B Ordinary Shares will be non-voting until the Reconciliation Event. Following the Reconciliation Event, each holder of Class B Ordinary Shares will be entitled to one vote per Class B Ordinary Share.

Class A Preferred Shares

The Class A Preferred Shares to be issued by The Foundry Company in connection with any equity funding under the Funding Agreement will have the following principal terms:

Ranking. The Class A Preferred Shares will rank senior in right of payment to the Ordinary Shares of The Foundry Company and junior in right of payment to the Class B Preferred Shares of The Foundry Company for purposes of dividends, distributions and upon a Liquidation Event (as defined below).

Accretion. The Class A Preferred Shares will not be entitled to any dividend or pre-determined accretion in value.

Liquidation Preference. In the event of the liquidation, dissolution or winding up of The Foundry Company (a "**Liquidation Event**"), each Class A Preferred Share will be entitled to receive, after the distribution to the holders of the Class B Preferred Shares but prior to any distribution to the holders of Ordinary Shares, out of the remaining assets of The Foundry Company, if any, an amount equal to the initial purchase price per share of the Class A Preferred Shares. Upon completion of the above distributions to the holders of Preferred Shares, all of the remaining assets of The Foundry Company, if any, will be distributed pro rata among the holders of Ordinary Shares.

Conversion. Each Class A Preferred Share will be convertible, at the option of the holder thereof, into Class B Ordinary Shares at the then applicable Class A Conversion Rate (as hereinafter defined) upon a Liquidation Event. Each Class A Preferred Share will automatically convert into Class B Ordinary Shares at the then applicable Class A Conversion Rate upon the earlier of (i) a Foundry Company IPO or (ii) a change of control transaction of The Foundry Company. The "**Class A Conversion Rate**" will initially be 100 Class B Ordinary Shares for each Class A Preferred Share converted, subject to customary anti-dilution adjustments.

Redemption. The Class A Preferred Shares will not be redeemable by The Foundry Company.

Voting Rights. The Class A Preferred Shares will be non-voting until the Reconciliation Event. Following the Reconciliation Event, each Class A Preferred Share will vote on an as-converted basis with the Ordinary Shares, voting together as a single class, with respect to any question upon which holders of Ordinary Shares have the right to vote.

[Table of Contents](#)

Class B Preferred Shares

The Class B Preferred Shares to be issued by The Foundry Company in connection with any equity funding will have the following principal terms:

Ranking. The Class B Preferred Shares will rank senior in right of payment to all other classes or series of equity securities of The Foundry Company for purposes of dividends, distributions and upon a Liquidation Event.

Accretion. Each Class B Preferred Share will be deemed to accrete in value at a rate of 12% per year, compounded semiannually, of the initial purchase price per such share (the sum of the initial purchase price per such share plus the amount of value accreted on such share is hereinafter referred to as the “*Accreted Value*”). Such Accreted Value will accrue daily from and after the issue date of such share and will be taken into account upon certain distributions to the holders of Class B Preferred Shares.

In the event that the aggregate Accreted Value in respect of all Class B Preferred Shares held by ATIC, when taken together with any Class A Preferred Shares held by ATIC, would cause the aggregate economic interest of ATIC in The Foundry Company to exceed thresholds required for The Foundry Company to remain a “Subsidiary” of AMD under the Intel Patent Cross License Agreement, such excess amount of the Accreted Value will be converted into Class B Convertible Notes that will only be payable in the event that Accreted Value is actually paid in the form of cash or Ordinary Shares and that any such payment does not cause the economic interest thresholds required for the Foundry Company to remain a “Subsidiary” of AMD under the Intel Patent Cross License Agreement to be exceeded.

Liquidation Preference. In the event of a Liquidation Event, each Class B Preferred Share will be entitled to receive, prior to any distribution to the holders of any other classes or series of equity securities, an amount equal to the Accreted Value of such share. Upon completion of the above distribution to the holders of Class B Preferred Shares, each Class A Preferred Share will be entitled to receive its liquidation preference amount out of any remaining assets of The Foundry Company. Upon completion of the above distributions to the holders of Preferred Shares, all of the remaining assets of The Foundry Company, if any, will be distributed pro rata among the holders of Ordinary Shares.

Conversion. Each Class B Preferred Share will be convertible, at the option of the holder thereof, into Class B Ordinary Shares at the then applicable Class B Conversion Rate (as hereinafter defined) upon a Liquidation Event. Each Class B Preferred Share will automatically convert into Class B Ordinary Shares at the then applicable Class B Conversion Rate upon the earlier of (i) a Foundry Company IPO or (ii) a change of control transaction of The Foundry Company. The “*Class B Conversion Rate*” will initially be 100 Class B Ordinary Shares for each Class B Preferred Share converted, subject to customary anti-dilution adjustments. Notwithstanding the foregoing, if the resulting fair market value of the Class B Ordinary Shares to be received upon such conversion would be less than the Accreted Value of such Class B Preferred Share, then the holder of such Class B Preferred Share will receive additional Class B Ordinary Shares upon such conversion in order to cause the fair market value of the total amount of Class B Ordinary Shares to be received upon such conversion to equal the Accreted Value of such Class B Preferred Share.

Redemption. The Class B Preferred Shares will not be redeemable by The Foundry Company.

Voting Rights. The Class B Preferred Shares will be non-voting until the Reconciliation Event. Following the Reconciliation Event, each Class B Preferred Share will vote on an as-converted basis with the Ordinary Shares, voting together as a single class, with respect to any question upon which holders of Ordinary Shares have the right to vote.

DESCRIPTION OF AMD COMMON STOCK

Pursuant to the Master Transaction Agreement, we will sell and issue, and WCH will purchase for approximately \$314 million, 58,000,000 shares of our common stock and warrants to purchase 30,000,000 shares of our common stock at an exercise price of \$0.01 per share (as adjusted pursuant to the terms of the Warrants).

Our authorized capital stock consists of 1,500,000,000 shares of common stock, par value \$0.01 per share, and 1,000,000 shares of preferred stock, \$0.10 par value per share. As of October 16, 2008, 608,466,517 shares of common stock were issued and outstanding. There are no shares of preferred stock issued and outstanding.

The holders of common stock are entitled to one vote per share on all matters to be voted on by stockholders, including the election of directors. Stockholders are not entitled to cumulative voting rights, and, accordingly, the holders of a majority of the shares voting for the election of directors can elect the entire board if they choose to do so and, in that event, the holders of the remaining shares will not be able to elect any person to the board of directors.

The holders of common stock are entitled to receive such dividends, if any, as may be declared from time to time by the board of directors, in its discretion, from funds legally available therefor and subject to prior dividend rights of holders of any shares of preferred stock which may be outstanding. However, the terms of certain of our borrowing arrangements restrict our ability to declare or pay dividends on our common stock in certain circumstances. Upon liquidation or dissolution of the company subject to prior liquidation rights of the holders of preferred stock, the holders of common stock are entitled to receive on a pro rata basis the remaining assets of the company available for distribution. Holders of common stock have no preemptive or other subscription rights, and there are no conversion rights or redemption or sinking fund provisions with respect to such shares. All outstanding shares of common stock are fully paid and non-assessable.

DESCRIPTION OF THE WARRANTS

Pursuant to the Master Transaction Agreement, we will sell and issue, and WCH will purchase for approximately \$314 million, 58,000,000 shares of our common stock and warrants to purchase 30,000,000 shares of our common stock at an exercise price of \$0.01 per share (as adjusted pursuant to the terms of the Warrants).

The following is a summary of the material terms and provisions of the Warrants.

Exercise of Warrants. The Warrants will be exercisable in whole or in part at the option of the warrantholder at any time after the earlier of (i) public ground-breaking of the New York wafer fab and (ii) 24 months from the date of their issuance; *provided, however*, that upon an AMD Change of Control Transaction (as hereinafter defined), the Warrants will become immediately exercisable and will automatically be exercised through a cashless exercise. “**AMD Change of Control Transaction**” means a transaction or a series of transactions with or among any third person, on the one hand, and AMD, its stockholders or any of its subsidiaries, on the other hand, with respect to (A) a consolidation or merger or similar transaction of AMD in which AMD stockholders immediately prior to such transaction own less than 50% of the voting securities of the surviving corporation outstanding immediately after such transaction, (B) any purchase of an equity interest resulting in any third person beneficially owning greater than a 50% voting or economic interest in AMD or (C) any purchase of assets, securities or ownership interests resulting in any third person owning greater than 50% of the consolidated assets of AMD and its subsidiaries taken as a whole.

The warrantholder may exercise the Warrants by delivery to AMD of a written notice of its intent to exercise the Warrants. The warrantholder then will purchase through a cashless exercise, and AMD will issue, such number of Warrant Shares indicated in such notice five business days after the delivery of such notice to AMD. Notwithstanding the foregoing, no notice of exercise will be required in connection with the automatic exercise of the Warrants upon an AMD Change of Control Transaction. In the case of an automatic exercise upon an AMD Change of Control Transaction, the warrantholder will purchase, and AMD will issue, the total number of Warrant Shares purchasable under the Warrants through a cashless exercise.

Exercise Price of the Warrants. The Warrants will be exercisable for common stock at a purchase price of \$0.01 per share of common stock (as adjusted pursuant to the terms of the Warrants).

Adjustments for Stock Splits and Combinations. If we at any time or from time to time after the date on which the Warrants were first issued (or, if any Warrant was issued upon partial exercise of, or in replacement of, another warrant of like tenor, then the date on which such original warrant was first issued) (either such date being referred to as the “**Original Issue Date**”) effect a subdivision of our outstanding common stock, the number of shares of common stock issuable upon exercise of the Warrants will be proportionately increased. If we at any time or from time to time after the Original Issue Date combine the outstanding shares of our common stock, the number of shares of common stock issuable upon exercise of the Warrants will be proportionately decreased.

Adjustment for Dividends and Distributions in Common Stock. In the event we at any time or from time to time after the Original Issue Date make or issue, or fix a record date for the determination of holders of our common stock entitled to receive, a dividend or other distribution payable in additional shares of our common stock, then and in each such event the number of shares of common stock issuable upon exercise of the Warrants will be adjusted as of the time of such issuance or, in the event such a record date will have been fixed, as of the close of business on such record date, so that, after giving effect to such adjustment, each holder of a Warrant will be entitled to receive an additional number of shares of our common stock upon exercise that such holder would have been entitled to receive had such Warrant been exercised immediately prior to such event.

Notwithstanding the foregoing, if such record date has been fixed and such dividend is not fully paid or if such distribution is not fully made on the date fixed therefor, the number of shares of common stock issuable

[Table of Contents](#)

upon exercise of the Warrants will be recomputed accordingly as of the close of business on such record date and thereafter the number of shares of common stock issuable upon exercise of the Warrants will be adjusted pursuant to this paragraph as of the time of actual payment of such dividends or distributions.

Adjustment for Other Dividends and Distributions. In the event we at any time or from time to time after the Original Issue Date make or issue, or fix a record date for the determination of holders of our common stock entitled to receive, a dividend or other distribution payable in our securities (other than a distribution of shares of our common stock) or in cash or other property, then and in each such event the number of shares of common stock issuable upon exercise of each Warrant will be increased as of the time of such issuance or, in the event such a record date has been fixed, as of the close of business on such record date, to a number determined by multiplying the number of shares of common stock issuable upon exercise of such Warrant immediately prior to such event by a fraction, the numerator of which will be the Current Market Value (as defined below) per share of common stock on the date of such event, and the denominator of which will be such Current Market Value per share of common stock less the fair market value (as determined in the reasonable good faith discretion of our board of directors) of such securities, cash or other property to be distributed with respect to each share of common stock on the date of such event. “**Current Market Value**” will mean the average of the daily closing prices on the NYSE of our common stock over the ten consecutive trading day period ending on the business day immediately preceding such event.

Notwithstanding the foregoing, if such record date has been fixed and such dividend is not fully paid or if such distribution is not fully made on the date fixed therefor, the number of shares of common stock issuable upon exercise of the Warrants will be recomputed accordingly as of the close of business on such record date and thereafter the number of shares of common stock issuable upon exercise of the Warrants will be adjusted pursuant to this paragraph as of the time of actual payment of such dividends or distributions.

Adjustment for Reclassification, Exchange or Subdivision. If our common stock is changed into the same or a different number of shares of any class or classes of stock, whether by capital reorganization, reclassification, or otherwise (other than a subdivision or combination of shares or stock dividend provided for above), then and in each such event the holder of each Warrant will have the right thereafter to exercise such Warrant into the kind and amount of shares of stock and other securities and property receivable upon such reorganization, reclassification or other change by holders of the number of shares of common stock into which such Warrant might have been exercised immediately prior to such reorganization, reclassification or change, all subject to further adjustment as provided herein.

Adjustment in Exercise Price. Upon each adjustment in the number of shares of common stock issuable upon exercise of a Warrant, the exercise price for such Warrant will be adjusted to the product obtained by multiplying the applicable exercise price immediately prior to such adjustment by a fraction, the numerator of which will be the number of shares of common stock issuable upon exercise of such Warrant immediately prior to such adjustment and the denominator of which will be the number of shares of common stock issuable upon exercise of such Warrant immediately thereafter; *provided, however*, that in no event will the exercise price be less than the par value of the common stock.

Registration Rights. The issuance and sale of the Warrants and Warrant Shares will not be registered under the Securities Act, and these securities will bear a legend specifying that such securities may not be transferred, sold or otherwise disposed of unless a registration statement relating to such securities is in effect under applicable federal and state securities laws or pursuant to an available exemption from registration. At or prior to the Closing, AMD will put up a resale registration statement (the “**Shelf Registration Statement**”) registering the resale of the Shares and the Warrant Shares by WCH and its permitted transferees, as well as the shares of our common stock acquired by WCH in November 2007, pursuant to a registration rights agreement between AMD and WCH (the “**Registration Rights Agreement**”). Pursuant to the Registration Rights Agreement, AMD will use its reasonable best efforts to keep the Shelf Registration Statement effective under the Securities Act until all such securities are sold to the public, whether pursuant to the Shelf Registration Statement or pursuant to Rule 144. AMD will bear all fees and expenses incurred in connection with the filing of the Shelf Registration

[Table of Contents](#)

Statement and its obligations under the Registration Rights Agreement. In addition, AMD will indemnify WCH, or any person who controls WCH, and each affiliate of WCH, against any losses caused by any untrue statement or alleged untrue statement of a material fact contained in the Shelf Registration Statement caused by any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading.

Notice of Certain Events. If at any time after the Warrants are first issued, AMD (i) enters into an AMD Change of Control Transaction, (ii) authorizes the voluntary dissolution, liquidation or winding up of the affairs of AMD or (iii) declares a dividend on its common stock payable in cash or other property, then, in each case, AMD will provide the warrant holder with at least 30 days' prior written notice before the applicable record date or effective date of such transaction, as the case may be, in order to provide the warrant holder the ability to exercise the Warrants and participate in such transaction as a holder of common stock.

Expiration. The Warrants expire upon the 10th anniversary of their issuance.

The foregoing description of the Warrants is qualified in its entirety by reference to the full text of the form of Warrant, attached hereto as *Exhibit E*.

PROPOSAL TWO—OPTION EXCHANGE

We have historically granted stock options as a critical component of our employees' compensation. Stock options were granted to encourage our employees to act as owners, which helps align their interests with those of stockholders. The objectives of our 2004 Equity Incentive Plan, as amended (the "*2004 Equity Incentive Plan*") are to motivate and reward personnel whose long-term employment is considered essential to our continued progress and to encourage them to continue their employment by us. Stock options were granted to encourage recipients to act in the stockholders' interests and share in our success.

Our stock price has declined because of both an overall stock market downturn and execution challenges. Unfortunately, adverse economic conditions have had an even larger impact on the technology sector, including markets in which we operate. As a result, approximately 99% of our stock options are underwater.

This means that the vast majority of the historically granted stock options no longer are effective as incentives to motivate and retain employees. Employees perceive that these options have little or no value. In addition, although these stock options are not likely to be exercised as long as our stock price is lower than the applicable exercise price, they will remain on our books with the potential to dilute stockholders' interests for up to the full term of the options, while delivering little or no retentive or incentive value, unless they are surrendered or cancelled.

Our board of directors has determined that it would be in the best interests of AMD and our stockholders to provide for a one-time exchange of employee stock options that have an exercise price greater than the 52-week high trading price of our common stock on the NYSE at the commencement of our tender offer to our employees (other than options granted within the 12-month period preceding the commencement date of our tender offer to our employees) (the "*Option Exchange*"). Named executive officers and independent members of our board of directors will be excluded from participating in the Option Exchange. If options are exchanged, employees will receive new stock options to purchase fewer shares in accordance with a specified exchange ratio.

The Option Exchange will begin within six months of the date stockholders approve the program. If stockholders approve the Option Exchange and the Compensation Committee decides to commence the Option Exchange, eligible employees will be offered the opportunity to participate in the Option Exchange under a Tender Offer Statement to be filed with the SEC and distributed to all eligible employees. Employees will be given at least twenty (20) business days in which to accept the offer of the new options in exchange for the surrender of their eligible options. The surrendered options will be cancelled on the first business day following this election period. The new options will be granted on the date of cancellation of the old options and such new options will have an exercise price equal to the fair market value of our common stock on the date of the new grant.

The exchange ratios for the Option Exchange (that is, how many current options an employee must surrender in order to receive one new option) were and will be determined using the Binomial option valuation model. We chose to use this model to derive exchange ratios that were intended to be cost neutral to AMD. New option grants calculated according to the exchange ratios will be rounded down to the nearest whole share on a grant-by-grant basis. Options will not be issued for fractional shares. The actual exchange ratio will be determined at the time the tender offer commences.

STOCK OPTION EXCHANGE PROGRAM

Under the proposed Option Exchange, participating employees would surrender unexercised employee stock options they currently hold with an exercise price greater than the 52-week high trading price of our common stock on the NYSE at the commencement of our tender offer to our employees (other than options granted within the 12-month period preceding the commencement date of our tender offer to our employees). Named executive officers and independent members of our board of directors will be excluded from participating in the Option Exchange. If options are surrendered for exchange, employees will receive new stock options to purchase fewer shares, in accordance with a specified exchange ratio. The new options will be granted on the date of cancellation of the old options and such new options will have an exercise price equal to the fair market value of our common stock on the new option grant date. The ratios of surrendered options to new options will vary depending upon the exercise price of the surrendered options, as further described below. The exchange ratios and the minimum eligible exercise price, if applicable, for the exchange will be re-calculated before any Option Exchange begins using then-current data.

Of the outstanding options held by eligible employees as of October 6, 2008, the maximum number of shares of common stock underlying options which could be surrendered for exchange is 23,793,823 and the maximum number of shares of common stock underlying the new options which would be issued under the proposed Option Exchange, using the exchange ratios below, would be 9,940,367.

Objectives of Program

- The Option Exchange will provide renewed incentives and motivate the eligible employees to contribute to achieving future stock price growth. By realigning the exercise prices of previously granted stock options with the current value of our common stock, based on the exchange ratios described below, we believe that the new stock options will become an important tool to help motivate our eligible employees to continue to create stockholder value.
- The exchange program will also enable us to recapture value from compensation costs that we already are incurring with respect to outstanding equity awards that currently have very little motivational impact. We believe it is not an efficient use of our resources to recognize compensation expense on awards that do not provide value to our employees. Under applicable accounting rules, we are required to recognize compensation expense related to these awards, even if these awards are never exercised because the majority remain underwater. By replacing options that have little or no retentive or incentive value with a lesser number of new options with an exercise price equal to the fair market value of our common stock on the date of the new grant, we will dramatically increase the retentive and incentive values. In addition, replacing these options will not create additional compensation expense (other than immaterial expenses that might result from fluctuations in our stock price after the exchange ratios have been set but before the exchange actually occurs).

Background

We believe that stock options are a valuable tool to align employees' interests with those of stockholders. We have historically granted stock options to recognize, reward and motivate employees' performance and to encourage them to continue their employment with us.

As of October 6, 2008, there were a total of 49,378,113 shares underlying options outstanding under our 2004 Equity Incentive Plan and 15,602,344 shares available for grant. Of the outstanding options, as of October 6, 2008, options to purchase 23,793,823 shares of common stock would be eligible for exchange under the proposed Option Exchange. If 100% of eligible options were to be exchanged and new grants of options made in accordance with the exchange ratios set out below, the number of shares underlying options outstanding would be reduced by 13,853,456 shares, or approximately 28% of all outstanding options. 4,681 employees will be eligible to participate in the Option Exchange. The fair market value of the common stock underlying the options that would be entitled to be surrendered for exchange was \$4.11 as of October 20, 2008.

Details of the Option Exchange Program

Implementing the Stock Option Exchange Program

Our board of directors authorized the Option Exchange on October 6, 2008, upon the recommendation of the Compensation Committee and subject to stockholder approval. If this proposal is approved, this one-time offer to surrender eligible options in exchange for new options under the Option Exchange may commence at any time after the Special Meeting at the discretion of our Compensation Committee. The program will begin within six months of the date stockholders approve the program.

If stockholders approve the Option Exchange and the Compensation Committee decides to commence the Option Exchange, eligible employees will be offered the opportunity to participate in the Option Exchange under a Tender Offer Statement to be filed with the SEC and distributed to all eligible employees. Employees will be given at least twenty (20) business days in which to accept the offer of the new options in exchange for the surrender of their eligible options. The surrendered options will be cancelled on the first business day following this election period. The new options will be granted on the date of cancellation of the old options. Surrendered options will be returned to the 2004 Equity Incentive Plan, and will be available for grant under the terms of the 2004 Equity Incentive Plan.

Eligibility

If implemented, the Option Exchange program will be open to all employees of AMD and any of its majority-owned subsidiaries who hold options, worldwide, where feasible and practical under local regulations as determined by AMD, except that the Option Exchange will not be available to the independent members of our board of directors or our named executive officers. The program also will not be available to any former employees. An employee who tenders his or her options for exchange must also have been continuously employed with AMD or any of its majority-owned subsidiaries, and be an eligible employee on the date of the new grant in order to receive the new options. If an optionee is no longer an employee with AMD or any of its majority-owned subsidiaries for any reason, including layoff, termination, voluntary resignation, death or disability, on the date that the Option Exchange commences, that optionee cannot participate in the program. If an optionee is no longer an employee with AMD or any of its majority-owned subsidiaries for any reason on the date that the new grants are made, even if he or she had elected to participate and had tendered his or her options for exchange, such employee's tender will automatically be deemed withdrawn and he or she will not participate in the Option Exchange program. Such employee will retain his or her outstanding options in accordance with their current terms and conditions, and he or she may exercise them during a limited period of time following the termination of employment in accordance with their terms to the extent that they are vested. A vote by an employee in favor of this proposal at the Special Meeting does not constitute an election to participate in the Option Exchange.

Exchange Ratios

The exchange ratios set out below for the Option Exchange (that is, how many current options an employee must surrender in order to receive one new option) were and will be determined using the Binomial option pricing model. We chose to use this model to minimize stockholder dilution, avoiding the dilution that occurs when all options are exchanged on a one-for-one basis. New option grants calculated according to the exchange ratios will be rounded down to the nearest whole share on a grant-by-grant basis. Options to purchase fractional shares will not be issued.

The ratios set out below were established based on the AMD stock price at October 6, 2008, and are intended to be “cost neutral” for AMD. The actual exchange rate will be determined at the time the tender offer commences:

Exchange ratio for Option for Option exchange:

<u>Exercise Price Range (assuming 52-week high of \$10.00)</u>	<u>Exchange Ratio (Cancelled Option to New Option)</u>
\$10.01 to \$14.99	2.0-1
\$15.00 to \$19.99	2.5-1
\$20.00 and above	3.25-1

Election to Participate

Participation in the Option Exchange program will be voluntary. Under the Option Exchange, eligible employees may make a one-time election to surrender stock options that have an exercise price higher than the 52-week high, at the commencement of the tender offer (other than options granted within the 12-month period preceding the commencement date of our tender offer to employees) in exchange for new options in accordance with the exchange ratios set out above.

Exercise Price of New Options

All new options will be granted with an exercise price equal to the fair market value of our common stock on the date of the new grant.

Vesting of New Options

Except in certain countries outside of the United States, such countries to be determined by AMD, the new options will vest beginning one year from the date of the new option grant, dependent upon continued employment with AMD or any of its majority-owned subsidiaries. This means that all new options would be completely unvested at the time of the new grant, regardless of whether the surrendered options were partially or wholly vested. New options replacing surrendered options that were fully vested at the time they were surrendered for cancellation will fully vest on the first year anniversary of the new option grant date (or, replacement grant date). New options replacing surrendered options that were not vested at the time they were surrendered for cancellation will vest as to 50% on the first year anniversary of the replacement grant date and as to the remaining 50% on the second year anniversary of the replacement grant date.

New options will only vest if the optionee remains an employee with AMD or any of its majority-owned subsidiaries and the new options may only be exercised by an employee of AMD or any of its majority-owned subsidiaries. New options that are not vested at termination of employment cannot be exercised and will be forfeited. As described above, the new options will be completely unvested on the date of grant, regardless of whether the surrendered options were partially or completely vested.

[Table of Contents](#)

Term of New Options

The term of an option is the length of time during which it may be exercised. Except in certain countries outside of the United States as determined by AMD, under the Option Exchange, each new option will retain the same expiration date as the surrendered options subject to earlier expiration of the option upon termination of the employment of the optionee.

Other Conditions of New Options

The other terms and conditions of the new options will be governed by the 2004 Equity Incentive Plan. New options will be non-qualified stock options under U.S. tax laws. The shares of common stock for which the new options will be exercisable have already been registered with the SEC as part of our stock plan registrations.

U.S. Federal Income Tax Consequences

The exchange of options pursuant to the Option Exchange should be treated as a non-taxable exchange and AMD and participating employees should recognize no income for U.S. federal income tax purposes upon the grant of the new options. All new options granted under the Option Exchange program will be non-qualified stock options for U.S. federal income tax purposes.

Accounting Impact

The intent of the program is that it will not result in AMD incurring any additional compensation expense. Based on this objective, the average fair value of each new stock option award granted to employees in exchange for surrendered stock options, measured as of the date such awards are granted, will be “cost neutral” (other than immaterial incremental compensation expense that might result from fluctuations in our stock price after the exchange ratios have been set but before the exchange actually occurs). The unamortized compensation expense from the surrendered options and incremental compensation expense, if any, associated with the new stock option awards under the Option Exchange program will be recognized over the service period of the new awards. If any portion of the new stock option awards granted is forfeited prior to the completion of the service condition due to termination of employment, the compensation cost for the forfeited portion of the award will not be recognized.

Potential Modification to Terms to Comply with Governmental Requirements

The terms of the Option Exchange will be described in a Tender Offer Statement that will be filed with the SEC. Although we do not anticipate that the SEC would require us to modify the terms materially, it is possible that we will need to alter the terms of the Option Exchange to comply with potential SEC comments. In addition, it is currently our intention to make the program available to eligible employees of AMD and its majority-owned subsidiaries who are located outside of the United States, where permitted by local law and where we determine it is practical to do so. It is possible that we may need to make modifications to the terms offered to employees in countries outside the United States to comply with local requirements, or for tax or accounting reasons.

Benefits of the Option Exchange Program to Eligible Employees

Because the decision whether to participate in the Option Exchange is completely voluntary, we are not able to predict who will participate, how many options any particular group of employees will elect to exchange, nor the number of replacement options that we may grant. As noted above, however, the independent members of our board of directors and our named executive officers are not eligible to participate in the Option Exchange. The Option Exchange program also will not be available to any former employees of AMD or its majority-owned subsidiaries.

[Table of Contents](#)

Effect on Stockholders

The Option Exchange was designed to provide renewed incentives and motivate the eligible employees to continue to create stockholder value and reduce the number of shares currently subject to outstanding options, thereby avoiding the dilution in ownership that normally results from supplemental grants of new stock options. While we cannot predict which or how many employees will elect to participate in the Option Exchange, please see the “Background” section above for the approximate reduction of the number of shares underlying options outstanding assuming that 100% of eligible options are exchanged and replacement options are made in accordance with the exchange ratios set out above.

Effect on the 2004 Equity Incentive Plan

As of October 6, 2008, 15,602,344 shares of common stock were available for future grant under the 2004 Equity Incentive Plan. Assuming all of the 23,793,823 eligible options are surrendered and cancelled pursuant to the Option Exchange program and 9,940,367 new options are granted in accordance with the applicable exchange ratios, the number of shares available for issuance under the 2004 Equity Incentive Plan would be approximately 29,455,800 shares.

Required Vote

If a quorum for the Special Meeting is present, the affirmative vote of the majority of the votes cast by holders of our common stock present in person or represented by proxy at the Special Meeting will be required to approve the Option Exchange, provided that the total votes cast on the proposal represent over 50% of the outstanding stock entitled to vote on the proposal.

- (1) Consists of the annual retainer, additional fees for directors who chair a board committee and attendance fees, where applicable.
- (2) The amounts shown do not reflect compensation actually received by the directors or the actual value that may be recognized by the directors with respect to these awards in the future. The actual value realized from these awards, if any, will only be recognized by our directors upon the earlier of vesting of the award or the occurrence of events described under "Acceleration of Vesting," below, and for Dr. Barnes, Messrs. Claflin and Palmer and Ms. Eberhart, also upon retirement. The actual value will fluctuate depending upon the price of AMD's common stock. Instead, the dollar value reflected in the table above is the compensation expense recognized for financial statement reporting purposes for the fiscal year ended December 29, 2007 in accordance with the provisions of Statement of Financial Accounting Standards No. 123R, *Share-based Payments* ("**SFAS 123R**"), but excluding any estimate of future forfeitures and reflecting the effect of any actual forfeitures. The compensation expense reflects equity awards granted between 2004-2007, and the related expense over each award's service period. No stock option awards were forfeited by any of our non-employee directors in fiscal 2007. See Note 12 of the consolidated financial statements in our Annual Report on Form 10-K for the year ended December 29, 2007 regarding the assumptions underlying the valuation of equity awards.
- (3) The aggregate number of stock awards (which consisted solely of restricted stock units ("**RSUs**") and the aggregate number of option awards outstanding at December 29, 2007 end were as follows:

Name	RSUs Outstanding as of December 29, 2007	Option Awards Outstanding as of December 29, 2007
W. Michael Barnes	12,500	103,710
John E. Caldwell	12,500	50,000
Bruce L. Claflin	12,500	117,500
Frank M. Clegg	12,500	0
H. Paulett Eberhart	12,500	72,224
James D. Fleck	12,500	50,000
Robert B. Palmer	12,500	107,890
Leonard M. Silverman	0	114,167
Morton L. Topfer	12,500	75,000

- (4) In May 2007, we amended our Outside Directors Equity Compensation Policy to, among other things, provide that all of a non-employee director's equity awards would become fully vested upon retirement if the non-employee director served as a member of the Board for at least three years prior to the date of

retirement and satisfied our equity ownership guidelines. Because Dr. Barnes, Messrs. Claffin and Palmer and Ms. Eberhart were retirement-eligible as of December 29, 2007, the compensation expense under SFAS 123R set forth above includes the compensation expense associated with the unvested portion of all their equity awards. The original vesting schedule of these awards is through 2010. For Messrs. Caldwell, Clegg and Topfer, the compensation expense under SFAS 123R for their equity awards is recognized over the shorter of either: (i) the period through the first date that they are retirement-eligible, or (ii) the original vesting schedule of the equity award. For Messrs. Caldwell and Topfer, the 2007 SFAS 123R compensation expense reflected above is higher than what it would have been had the compensation expense been recognized over the original vesting schedule.

- (5) Mr. Clegg was appointed to our board of directors effective May 24, 2007.
- (6) Dr. Fleck retired from our board of directors effective May 3, 2007. The fees of \$21,418 represent the amount paid to Dr. Fleck for serving as a director. Since May 3, 2007, Dr. Fleck has been an AMD Board observer. Dr. Fleck retired from this role effective May 8, 2008.
- (7) Amount shown includes compensation expense allocated to Dr. Fleck's services to us after his retirement as a member our board of directors.
- (8) Dr. Silverman retired from our board of directors effective May 3, 2007. In gratitude and recognition of his service on our board of directors since 1994, we provided Dr. Silverman with a retirement gift. The cost of the gift to AMD was \$11,429.

Our directors play a critical role in guiding our strategic direction and overseeing our management. In order to compensate them for their substantial time commitment, we provide a mix of cash and equity-based compensation. In order to align the long-term interests of our directors with those of stockholders, a substantial portion of director compensation is provided in the form of equity. We do not provide pension or retirement plans for non-employee directors. Our employee directors, Hector de J. Ruiz and Derrick R. Meyer, do not receive separate compensation for Board service.

Determining Director Compensation. In 2007, Mercer (US) Inc. ("**Mercer**") advised the Compensation Committee on a variety of compensation-related issues, including Board member compensation levels. To assist the Board in its annual review of director compensation, the Compensation Committee engaged Mercer to compile a "peer group" as benchmarks for determining Board compensation. The director peer group consists of companies within the semiconductor, graphics and technology sectors generally considered comparable to AMD. The director peer group consists of the following companies:

Agilent Technologies, Inc.	Lexmark International, Inc.
Applied Materials, Inc.	Micron Technology, Inc.
Avaya Inc.	Nvidia Corporation
Broadcom Corporation	Qualcomm Incorporated
Corning Incorporated	SanDisk Corporation
EMC Corporation	Seagate Technology LLC
Harris Corporation	Texas Instruments Incorporated

The board of directors reviews the Compensation Committee's recommendations and determines the amount of director compensation.

Cash Retainer and Meeting Fees for Non-Employee Directors. During fiscal year 2007, each of our non-employee directors received an annual retainer of \$65,000 for serving as a director and each of the applicable fees and retainers set forth below for serving as a chair of one of the committees of the board of directors.

Annual Retainers for Committee Chairs:	
Audit Committee	\$ 20,000
Lead Independent Director	\$ 20,000
Compensation Committee	\$ 10,000
Finance Committee	\$ 10,000

Table of Contents

In addition, when the board of directors or a committee has met more than eight times during the year, we pay an attendance fee to our non-employee directors for each additional meeting attended, in the following amounts:

Board meeting attendance	\$ 2,000
Committee meeting attendance	\$ 1,200

Stock Options. Non-employee directors also participate in our 2004 Equity Incentive Plan. Prior to May 3, 2007, under a formula contained in a policy adopted by the Board, we granted initial options to purchase 50,000 shares of common stock to non-employee directors on their first election to the board of directors. These initial options were granted in four installments of 12,500 during the initial year of service, of which 4,166 shares in each installment vested on the first anniversary of the first installment of the grant, with the balance vesting monthly over the next two years. If a director was re-elected to the board of directors, we automatically granted annual supplemental options to purchase 25,000 shares of common stock. These annual options were granted in four installments of 6,250 during the year of re-election, of which 2,083 shares in each installment vested on the first anniversary of the first installment of the grant, with the balance vesting monthly over the next two years.

The exercise price of each option is the fair market value of our common stock on the grant date. The options expire on the earlier of ten years from the grant date or 12 months (for options granted before April 26, 2001) or 24 months (for options granted on or after April 26, 2001) following termination of a director's service on the board of directors.

Restricted Stock Units. Effective May 3, 2007, the date of our 2007 annual meeting of stockholders, our director equity compensation was revised such that non-employee directors' initial annual equity awards are made in the form of RSUs rather than stock options. At each annual meeting of our stockholders, provided that the director has served on the Board for at least six months prior to the annual meeting, the non-employee director is granted RSUs having a value equal to \$225,000 divided by the trailing average closing trading prices of our common stock for the 180-day period preceding and ending with the date of the RSU grant. The number of RSUs is limited so that in no event will each annual grant be for greater than 125% or less than 75% of the prior year's number of granted RSUs. New non-employee directors appointed to the Board other than at an annual meeting of our stockholders become entitled to an initial RSU grant equal to the RSU grant made to each non-employee director at the immediately preceding annual meeting of our stockholders. The non-employee directors' RSUs vest in equal one-third installments over three years from the date of grant. At a director's election, the issuance of the underlying shares subject to the RSUs may be deferred until the termination of his or her directorship.

Acceleration of Vesting. In the event of a change of control of AMD, all of the non-employee directors' equity compensation awards will become fully vested. In the event of the termination of a non-employee director's service to the board of directors as a result of death, disability or retirement, all of the non-employee director's equity compensation awards will become fully vested, provided that the non-employee director served as a member of the board of directors for at least three years prior to the date of termination and the non-employee director satisfied our equity ownership guidelines during his or her service as a Board member.

Other Benefits. We reimburse the directors for their travel and related expenses in connection with attending Board meetings and Board-related activities, such as AMD site visits and sponsored events, as well as for continuing education programs. From time to time, we also invite our directors' spouses to accompany them to our board of directors meetings, and we reimburse travel and incidental expenses related to their attendance.

Stock Ownership Guidelines. Under our stock ownership guidelines in effect during 2007, each non-employee director was required to acquire and hold, within five years of the establishment of the stock ownership guidelines in 2004, or being elected to the board of directors, 50% of the number of shares that constituted their annual grant of stock options following re-election, 12,500 shares. In February 2008, we amended our stock ownership guidelines to increase the stock ownership requirement for non-employee directors to 15,000 shares. The time frame for compliance was extended to five years from the establishment of the new guidelines, which is the first quarter of 2013, or five years from the director's first appointment to the board of directors.

COMPENSATION DISCUSSION AND ANALYSIS

Compensation Committee

The Compensation Committee regularly reviews the alignment of AMD's compensation programs with the strategy and needs of the business, market trends, changes in competitive practices and linkage with the interests of stockholders. Based on those reviews, the Compensation Committee makes specific decisions as well as recommendations to the board of directors with respect to the compensation of AMD's officers, including base salary, annual incentives, long term incentives, and benefits and perquisites.

The Compensation Committee retained Mercer as its consultant in order to get objective, expert advice. Mercer was selected as the consultant to the Compensation Committee in 2004 after an interview process with several compensation consulting firms. In 2007, the Compensation Committee requested Mercer to advise it on a variety of compensation-related issues, including:

- Compensation strategy development;
- Officer pay levels;
- Board of director pay levels;
- Long-Term Incentive Plan (LTIP);
- Peer group review and refinement;
- Stock ownership guidelines for management and Board members;
- The Compensation Discussion and Analysis report; and
- The Compensation Committee agenda and annual calendar.

In the course of conducting its activities, Mercer attended five meetings of the Compensation Committee and presented its findings and recommendations for discussion. During the course of the year, Mercer met with management to obtain and validate data, and review materials.

In order to maintain an objective external perspective, Mercer does not earn a material amount of money from services to AMD outside of its support to the Compensation Committee. In addition to input from Mercer, the Compensation Committee also considers external perspectives, feedback from human resources and input from management. Further, in 2007, Mr. Clafin attended an Executive Education Program at Harvard Business School that was dedicated to compensation committee issues.

The Compensation Committee charter includes an overview of the membership, purpose, goals and responsibilities, structure and operations of the Compensation Committee, and is available at www.amd.com or by contacting AMD's Corporate Secretary. Information contained on the AMD website is not incorporated by reference in, or considered to be a part of, this document.

Compensation Program

The commentary below is intended to answer the following questions regarding AMD's compensation programs for the Named Executive Officers set forth in the Summary Compensation Table on page 79 ("**Officers**"):

- What are the objectives of our compensation programs?
- What is the compensation program designed to reward?
- What is each element of compensation?
- Why do we choose to pay each element?

Table of Contents

- How do we determine the amount (and where applicable, the formula) for each element?
- How do each element and our decisions regarding that element fit into our overall compensation objectives and affect decisions regarding other elements?

Pay Objectives, Philosophy and Design Principles

The Compensation Committee's compensation philosophy is to provide compensation and benefit programs that enable us to attract, retain and motivate high caliber employees, provide significant opportunity to reward superior individual and Company performance and to support career development and succession goals.

To implement this philosophy, the Compensation Committee has established the following principles:

- Encourage Officer equity ownership to align Officer interests with the interests of stockholders;
- Link rewards to achievement of business objectives;
- Provide significant rewards for significant performance and support career development and succession goals;
- Be competitive with local market practices while maintaining a global framework;
- Reflect a total rewards perspective, balancing fixed and variable pay; and
- Provide an appropriate return on investment on the overall program spending.

In designing and implementing the elements of compensation for Officers, the Compensation Committee considers several foundational factors to guide specific compensation decisions.

Factor

Competitive compensation is crucial in attracting, retaining and motivating high caliber employees.

Discussion

The Compensation Committee annually reviews market compensation levels to determine whether the total compensation opportunity for its Officers remains in the targeted pay range and makes adjustments when needed. This assessment includes evaluation of base salary, annual incentives and long-term incentives against a peer group of high-technology companies provided by Mercer, and evaluation of published data on compensation in the high-technology industry as detailed in the Towers Perrin Compensation Databank Executive Compensation survey. Both peer groups are described below. In addition, benefits such as health benefits and the 401(k) retirement program and perquisites are regularly assessed relative to the market. The Compensation Committee also reviews our business performance as compared to our peers to establish performance targets for incentive plans and to assess appropriate payout levels for performance. Because total compensation for Officers is determined based on market compensation levels, differences in compensation among the CEO and other Officers are due to differences of compensation among similarly situated executive officers in the market.

The basis for selection of companies in the proxy peer groups included such factors as revenue, industry and competitive landscape.

- Revenue—Peer companies should be similarly sized to AMD for appropriate compensation benchmarking.
- Industry—Peer companies should be within similar industry sectors.
- Competitive Landscape—Peer companies should be competing with AMD for executive talent.

Mercer weighted the proxy peer group data and the Towers Perrin Compensation Databank Executive Compensation survey data peer group equally to derive the individual market data for each Officer.

Specific market positioning and other competitive reference points are discussed under each element of compensation below. References to “market” refer to the review of the proxy peer group and Towers Perrin Compensation Databank Executive Compensation survey peer group, as discussed above.

Pay-for-Performance is fundamental.

The Compensation Committee places an emphasis on “at-risk” pay, which is delivered through our annual cash bonus plan and long-term incentive equity grants. Such performance-based grants vary from year to year based on Company and individual performance.

The annual cash bonus plan links a portion of the Officers’ cash compensation to the financial performance of AMD. More details of the plan are described below under *Elements of Compensation—Annual Incentive Plan*.

It is our belief that equity compensation, combined with stock ownership guidelines, align the perspectives of Officers with stockholder interests. To that end, the majority of incentive compensation and total compensation in general is delivered in equity. More details of equity compensation are described below under *Elements of Compensation—Long-Term Incentive Compensation*.

Factor
Section 162(m) of the Internal Revenue Code (the “Code”) is a factor.

Discussion
Section 162(m) of the Code limits the deductibility of non-performance based compensation paid to our CEO and any of our three other most highly compensated executive officers, other than our chief financial officer, to \$1 million. In establishing total compensation for such officers, the Compensation Committee considers the effect of Section 162(m). Corporate objectives may not always be consistent with the requirements for full deductibility. Therefore, deductibility is not be the sole factor used in setting the appropriate levels or modes of basic compensation, and certain compensation paid by AMD in the future may not be fully deductible under Section 162(m).

Elements of Compensation: AMD’s executive compensation program is comprised of several components. The combination and allocation of the components and the amount of each component is influenced by the role of the Officer in AMD, including scope of the job and the impact the role has on the organization, market practices, the total value of all the compensation, benefits and perquisites available to the person, past earnings and the employment contracts with our President and CEO and our Executive Chairman. The Compensation Committee reviews and considers each component for each Officer before making compensation decisions. In accordance with the Compensation Committee’s compensation philosophy, a majority of the total compensation paid to Officers is comprised of incentive compensation that is “at-risk,” or performance-based. In supporting this philosophy, there will be little or no payout unless performance goals are achieved or the stock price appreciates. The charts below depict the average pay mix for our Officers for the 2007 fiscal year based on grant value at the time of the Compensation Committee’s approval.

Performance vs. Non-Performance Based Compensation Pay Mix

Equity vs. Non-Equity Based Compensation Pay Mix

Performance based compensation includes the Annual Incentive Plan, Long-Term Incentive Plan equity awards and stock options. Non-performance based compensation includes base salary, restricted stock units and time-based vesting stock option awards.

Presented below is summary information about each pay element of compensation:

<u>Pay Element</u>	<u>Key Objective and Role of Pay Element</u>	<u>Basis of Design</u>
Base Salary	<p>Salaries are provided to Officers as compensation for day-to-day responsibilities and services to AMD and to meet the objective of attracting and retaining the talent needed to run the business.</p> <p>Salaries provide a consistent cash flow to employees assuming acceptable levels of performance and ongoing employment.</p>	<p>Base salaries are targeted at the 67th percentile of market levels to attract and retain key talent, given the highly competitive nature of AMD's labor market.</p> <p>The decision to increase Officer salaries is based on an analysis of competitive salary levels within AMD's pay peer groups, overall company budgets, individual performance, experience and potential. The Compensation Committee annually reviews Officer performance and market compensation levels in order to determine an appropriate level of base salary for the year. In addition, the Compensation Committee considers the input of the CEO in determining appropriate base salary increases for non-CEO Officers.</p> <p>At the time of the annual base salary review in 2007, no Officers received increases due to AMD's business results.</p> <p>In November 2007, Mr. Meyer received a base salary increase of approximately 22% as a result of the Compensation Committee's evaluation of Mr. Meyer's increased duties and responsibilities in his position as well as internal pay equity and base salaries of similarly situated executives in the market. In July 2008, Mr. Meyer entered into an employment agreement (the "<i>Meyer Employment Agreement</i>") pursuant to which Mr. Meyer succeeded Dr. Ruiz as AMD's Chief Executive Officer. Mr. Meyer is currently AMD's President and Chief Executive Officer. Mr. Meyer received a base salary increase of approximately 9% as a result of his promotion.</p> <p>In 2007, car allowances paid to the Officers' ceased, and their salaries were increased by the amount of their former car allowance.</p>

<u>Pay Element</u>	<u>Key Objective and Role of Pay Element</u>	<u>Basis of Design</u>
Annual Incentive Plan (AIP)	<p>The use of this measure is intended to focus participants on generating profitability, both through maximizing revenues and controlling costs.</p> <p>The Annual Incentive Plan (AIP) is a cash-based incentive plan designed to encourage Officers and other participants to focus on short-term (annual) targets. The AIP is intended to provide a balance between fixed pay (e.g., base salary and benefits) and long-term pay (e.g., equity-based plans).</p>	<p>Individual incentive targets are based on the 50th percentile of the market. The annual payout is determined by the achievement of objectives over two six-month performance periods, subject to the application of negative discretion by the Compensation Committee. Officers can earn between 0% and 300% of their target opportunity based on the achievement of progressively more aggressive performance objectives. Pursuant to the Meyer Employment Agreement, Mr. Meyer is eligible for an annual performance bonus in a target amount of 200% of his base salary and a maximum amount of 400% of his base salary, to be payable upon his achievement of certain performance goals and objectives to be determined by the board of directors.</p> <p>In the first six-month performance period of 2007, Officer payouts from the AIP were based on the achievement of pre-determined operating income goals. The threshold operating income level was set at the beginning of the performance period and was \$100 million. Our first half 2007 financial results were below the threshold goal.</p> <p>Management and the Compensation Committee have also determined that Officers were not eligible for a payout for the second half 2007.</p> <p>Due to AMD's financial performance, no AIP payouts were made to Officers for 2007.</p> <p>For fiscal year 2008, the annual payout is determined by the achievement of pre-determined operating income goals over two six-month performance periods. The bonus funding weighted 30% in the first half of fiscal year 2008 and 70% in the second half, when AMD's financial results are expected to support a more significant bonus opportunity.</p> <p>Due to the cancellation of the AMD 2005 Long-Term Incentive Plan, as to existing and future cycles (as discussed further below), the second half of fiscal year 2008 bonus targets were increased such that there is no overall decrease in the variable pay opportunity.</p>

Long-Term Incentive Compensation: Prior to March 2008, we utilized three types of long-term incentive programs for Officers, each having specific objectives as described below. Each of the three vehicles comprise approximately one-third of the long-term incentive value at time of grant for Officers. The target for Officer long-term incentive grants (in aggregate) is the 67th percentile of the market. In March 2008, the AMD 2005 Long-Term Incentive Plan was cancelled as to existing and future cycles.

<u>Pay Element</u>	<u>Key Objective and Role of Pay Element</u>	<u>Basis of Design</u>
Performance-Based Restricted Stock Units (Performance-Based RSUs)	<p>Prior to March 2008, under the AMD 2005 Long-Term Incentive Plan (LTIP), we granted Performance-Based RSUs to Officers to focus them on long-term, competitive operating results and the creation of stockholder value.</p> <p>In March 2008, the LTIP was cancelled as to existing and future cycles. The Compensation Committee determined that the high volatility of AMD's industry combined with the three-year cycle design of the LTIP resulted in a disconnect between pay and performance. The Compensation Committee determined that the AIP for incentive compensation payments better managed the connection between pay and performance. Due to this, the LTIP's annual target opportunity was transferred into the AIP bonus target (as discussed above). There is no overall increase in variable pay opportunity.</p>	<p>Under the LTIP, the grant size of Performance-Based RSUs is based on consistent historical value of the LTIP at time of grant (value divided by average price over the preceding 180 days). Using the average price over the preceding 180 days provides the best estimate of AMD's stock price at the start of the performance period and limits the exposure to day-to-day stock price volatility. The LTIP consists of overlapping three-year performance periods. A three-year performance period begins each year and ends three years later. Subsequently, a three-year performance period ends at the close of each year.</p> <p>Performance-based RSUs are approved by the Compensation Committee and granted within the first 90 days of the three-year performance period, the intent of which is to ensure compliance with Section 162(m) of the Code regarding performance-based pay. Vesting of the performance-based RSUs is contingent upon achieving specific financial goals for the three-year performance period. Actual vesting of performance-based RSUs can range from 0% to 200% of the target. Goals for the 2005-2007 performance period consisted of three-year compound annual sales growth relative to the "LTIP performance peer group" (listed below) and three-year average operating income margin. The target sales growth was 4% above the aggregate of the peer companies over the three year period. The target operating income margin goal was 7%, averaged over three years. These goals apply to current cycles and the cycle that ended in 2007 (2005-2007). See <i>LTIP Goals—Three-year performance period ending December 29, 2007</i> below for the financial goals associated with the 2005-2007 performance period.</p>

		<p>The “LTIP performance peer group” consists of the S&P 500 Semiconductor Index, which provides an external stockholder view of expected levels of performance in the semiconductor industry. This group includes:</p> <p>Cypress Semiconductor Corp. Freescale Semiconductor Intel Corp. LSI Logic Corp. National Semiconductor ST Microelectronics Texas Instruments Inc.</p> <p>For the 2005-2007 performance period, the difference between our three-year revenue annual compounded growth rate and our peer group’s three-year revenue annual compounded growth rate, or the sales growth spread, was 8.1% and our operating income margin was 3.7%. Based on these performance levels and the LTIP goals for the three-year performance period ending December 29, 2007, as shown below, the LTIP generated 1.585x target awards.</p>

LTIP Goals—Three-year performance period ending December 29, 2007

Operating Income Margin	Sales Growth Spread				
	< Threshold	Threshold	Target	Maximum	
< Threshold	<0%	0.00x	0.00x	0.00x	0.00x
Threshold	3%	0.00x	0.25x	0.75x	1.50x
Target	7%	0.00x	0.33x	1.00x	2.00x
Maximum	11%	0.00x	0.41x	1.25x	2.00x

For the 2005-2007 LTIP performance period, we achieved a compounded annual sales growth of 11.5%, which resulted in an 8.1% sales growth spread when compared with a compounded annual growth rate of 3.4% for our peer group over the same time period. For comparability purposes, throughout the performance period we excluded from the sales growth calculation the revenue of our former Memory Products segment that consisted of the results of operations of our former majority-owned subsidiary, Spansion Inc. Moreover, as a result of the ATI acquisition, we only included the incremental ATI sales activity from 2006 to 2007.

In 2005, 2006, and 2007 our operating income margin was 13.9%, 10.4% and -13.3%, respectively, which resulted in a three-year average for the 2005 – 2007 LTIP performance period of 3.7%. For comparability purposes throughout the performance period, these operating results exclude the results of our former Memory Products segment, ATI acquisition related charges and stock compensation expense.

The number of performance-based RSUs that represents 1.585x target is as follows:

Dr. Ruiz	116,498
Mr. Meyer	33,285
Mr. Rivet	33,285
Mr. McCoy	22,190

Table of Contents

Because Mr. Rivas was promoted to an executive officer in December 2006, he did not receive an LTIP equity grant for the 2005-2007 cycle. Instead, Mr. Rivas received a cash payment of \$178,875 under the LTIP for this performance cycle. Mr. Rivas resigned from the position of Executive Vice President, Computation Products Group, effective May 9, 2008. Because the closing stock price of our common stock on February 6, 2008, the date of the Compensation Committee meeting to certify the LTIP awards for the 2005-2007 performance period, was \$6.74, while the closing price of our common stock on December 27, 2004, the beginning of the 2005-2007 performance period, was \$21.90, the resulting dollar value of the awards was approximately 49% of the target grant dollar value at the beginning of the LTIP performance period. Given the decline in the price of our common stock since the commencement of the performance period, the 2005-2007 LTIP performance period payout was actually below the target dollar value set at the beginning of the 2005-2007 performance cycle.

As discussed above, in March 2008, the LTIP was cancelled as to existing and future cycles. No further payments or grants will be made under the LTIP for existing and future cycles.

<u>Pay Element</u>	<u>Key Objective and Role of Pay Element</u>	<u>Basis of Design</u>
Stock Options	The objective and role of granting stock options are to create long-term incentive and to align Officer interests with stockholders interests because there is no financial gain to an Officer unless our stock price appreciates.	<p>Stock options are granted at 100% of the fair market value of AMD's common stock on the date of grant. Stock options vest over three years, one-third each year, and expire after seven years.</p> <p>Pursuant to the Meyer Employment Agreement, AMD granted Mr. Meyer a stock option to purchase 280,000 shares of AMD's common stock effective as of August 15, 2008 (the "Grant Date"). One-third of the shares subject to the stock option shall vest on the first anniversary of the Grant Date, and the remaining shares subject to the stock option shall vest in equal monthly installments so that all shares subject to the stock option shall be vested on the third anniversary of the Grant Date. In addition, pursuant to the Meyer Employment Agreement, AMD granted Mr. Meyer stock options to purchase an aggregate of 316,000 shares of AMD's common stock in four equal installments, with the first installment to be granted on the Grant Date and each remaining installment to be granted on successive quarterly anniversaries of the Grant Date. One-third of the shares subject to such stock option shall vest on the first anniversary of the Grant Date, and one-twelfth of the shares subject to the stock option shall thereafter vest on each quarterly anniversary of the Grant Date.</p>
Restricted Stock Units (RSUs)	The objective and role of RSUs are to recognize the highly cyclical nature of our business, recognize individual performance, encourage employee retention, manage dilution and provide a long-term incentive that is strongly aligned with stockholders interests, while aligning the potential value of the award to the overall AMD market value.	<p>RSUs vest over three years, one-third each year.</p> <p>Pursuant to the Meyer Employment Agreement, AMD granted Mr. Meyer 158,000 RSUs on the Grant Date, which RSUs will vest in three substantially equal annual installments from the Grant Date based on Mr. Meyer's continued service to AMD through each such vesting date.</p>

Size of Stock Option and Restricted Stock Unit Awards	Prior to March 2008, performance-based RSUs are approved and granted in the first 90 days of the performance period. RSUs are approved by the Compensation Committee and granted in May while stock options are approved by the Compensation Committee in May and granted in four separate installments throughout the year with the first installment in May, allowing them to be priced throughout the year. Prior to approving the grants, the Compensation Committee conducts a thorough assessment of competitive market data (proxy peer group data and market survey data), as well as Company and executive performance. The assessment of competitive market data and Company and executive performance results in a targeted long term incentive market position. Prior to March 2008, the size of the stock option and RSU award is derived from the difference between the targeted long term incentive market position and the value of the performance-based RSUs granted earlier in the year. One-half of the difference is awarded in the form of stock options. The value of the stock options is determined using the Black-Scholes valuation methodology. One-half of the difference is awarded in RSUs, using a 2.5 to 1 stock option to RSU value ratio. The stock option to RSU value ratio was based on external competitive practices.

Stock Ownership Guidelines. The purpose of the stock ownership guidelines is to strengthen the alignment of Officer interests with stockholder interests and to increase visibility of Officer stock ownership. Through 2007, each Officer was required to acquire and hold, within five years of the establishment of the stock ownership requirements in 2004, or of becoming an Officer, 50% of the number of shares that constituted their target annual grant of stock options or other equity awards. The ownership guideline could only be satisfied by direct ownership of common shares. We have a stock trading policy that prohibits Officers from short sales and buying or selling puts or calls. Although hedging transactions are not expressly prohibited, any hedging must be accomplished in compliance with the stock trading policy. As of December 29, 2007, Hector de J. Ruiz and Thomas M. McCoy, were in compliance with the ownership guidelines and the other Officers were on target to meet their ownership guideline within the appropriate timeframe. In February 2008, we amended our stock ownership guidelines to include all officers subject to the filing requirements of Section 16(a) of the Securities Exchange Act of 1934 and to increase the stock ownership requirement for these officers by 25%. Specifically, Section 16 officers with the title of Senior Vice President are required to acquire and hold 35,000 shares; Section 16 officers with the title of Executive Vice President are required to acquire and hold 78,125 shares; our President and CEO is required to acquire and hold 312,500 shares. We also extended the timeframe for compliance to five years from the establishment of the new guidelines, which is the first quarter of 2013, or five years from becoming a Section 16 officer.

Total Compensation. In aggregate, the key elements above provide for an emphasis on performance and at-risk pay, with a significant upside based on exceptional Company and individual performance. Based on Company and individual performance, the aggregate target is between the 50th and 75th percentile of the market. Compensation decisions are normally made at the first and second Compensation Committee meetings of the fiscal year. Annual Incentive Plan and Long Term Incentive Plan awards are approved at the Compensation Committee meeting shortly after the commencement of the applicable performance period, the intent of which is to ensure compliance with Section 162(m) of the Code regarding performance-based pay. Stock option, RSU, and base salary decisions are approved at the second Compensation Committee meeting of the fiscal year, following the annual review of individual performance and competitive market data, to ensure consistency with the rest of AMD. The target aggregate value of total compensation at the time of Compensation Committee approval was within the targeted range, as described above.

Other Benefits. We offer additional benefits designed to be competitive with overall market practices, and to attract and retain the talent needed in AMD. All United States salaried employees, including Officers, are eligible to participate in our U.S. benefit programs, which include a Section 401(k) plan (with Company matching contributions), Employee Stock Purchase Plan, health care coverage, life insurance, disability, paid time-off and paid holidays, which are targeted at the 50th percentile of the market. In addition, Officers are eligible to receive certain other benefits described below.

<u>Pay Element</u>	<u>Key Objective and Role of Pay Element</u>	<u>Basis of Design</u>
Deferred Compensation	The deferred compensation plan is intended to assist Officers in their retirement planning. Additionally, because the plan also provides company 'restoration' contributions, the deferred compensation plan is intended to restore company contributions lost due to IRS limits on the tax-qualified Section 401(k) plan.	<p>In addition to participation in our Section 401(k) plan, Officers are eligible to participate in a nonqualified deferred compensation program, the "Deferred Income Account Plan." The plan allows deferral of up to 50% of salary and up to 100% of commissions and bonuses into selected funds. Earnings on deferrals are based on the performance of the funds selected by participants. Officer contributions and year-end account balances for 2007 can be found in the 2007 Nonqualified Deferred Compensation table.</p> <p>In the event that the Officer participates in our Deferred Income Account Plan, we make a matching contribution equal to the amount that would have been made absent the IRS limit on the covered compensation amount.</p>
Nonqualified Defined Benefit Arrangements	The nonqualified defined benefit arrangements for Dr. Ruiz and Mr. Rivet are intended to replace former employer benefits that were forfeited upon joining AMD.	<p>Pursuant to his employment agreement, Dr. Ruiz will receive:</p> <ol style="list-style-type: none">(1) the average of the three highest annual base salaries for the last 10 years of the period beginning April 26, 2002 and ending on the date of retirement (for purposes of this formula, however, annual base salary cannot exceed \$1,000,000 annually compounded by 3% from January 1, 2002);(2) that average is then multiplied by the product of 4% and Dr. Ruiz' number of full years of service with AMD (not to exceed 10 years of service).(3) the resulting product is then reduced by any other defined benefit plan benefits he will receive, but not for social security payments. Currently, we do not maintain any defined benefit retirement plan.

		<p>Given these benefits, Dr. Ruiz' projected level of total retirement benefits is competitive with levels among AMD's pay peer group. Details of Dr. Ruiz' benefits and the amounts accrued are found in the 2007 Pension Benefits table. Dr. Ruiz' employment agreement was amended and restated on December 12, 2007, primarily to ensure that certain payments to be made under the employment agreement will be exempt from or comply with the requirements of Section 409A of the Code. As amended and restated, the employment agreement gave Dr. Ruiz the opportunity to elect to have his annual retirement benefit paid in a single lump sum payment, as long as Dr. Ruiz made the election on or before December 31, 2007. Dr. Ruiz elected the single lump sum payment.</p> <p>Mr. Rivet will receive a lump sum retirement benefit. The lump sum payment will be determined by discounting to present value on the date of determination a stream of lifetime payments equal to no more than 70% of his base salary then in effect, and then deducting from that present value the value of certain other retirement payments from AMD and his former employer. Mr. Rivet's projected level of total retirement benefits is competitive with levels among peer group companies. Additional details of Mr. Rivet's benefits and the amounts accrued are found in the 2007 Pension Benefits table.</p> <p>Pursuant to an individual agreement, Mr. Rivet receives full vesting of his accrued retirement benefit upon the earlier of: (1) age 55; (2) termination of employment following a change in control; (3) termination other than for cause, after age 54; and (4) an event of disability.</p> <p>These benefits are intended to serve as a replacement for Dr. Ruiz' and Mr. Rivet's arrangements with their former employer.</p>

Post-Employment Compensation. Post-employment compensation elements that are not offered to salaried employees in general are summarized below.

<u>Pay Element</u>	<u>Key Objective and Role of Pay Element</u>	<u>Basis of Design</u>
Severance Arrangements	Severance arrangements were entered into by AMD to help assure the retention of the CEO and other Officers' experience, skills, knowledge and background for the benefit of AMD. These arrangements also reinforce and encourage continued attention and dedication to duties without the distraction arising from the possibility of a change in control of AMD and provide our business with a smooth transition in the event of a change in control of AMD. In addition, these arrangements provide the Officers with a severance amount to help financially ease their transition from AMD.	<p>Pursuant to Dr. Ruiz' employment agreement, which was entered into pursuant to individual negotiations with the Compensation Committee at the time of Dr. Ruiz' initial employment with AMD, we have a severance arrangement with Dr. Ruiz. Under the agreement, Dr. Ruiz receives certain severance benefits upon termination unless the termination is for cause or is a voluntary termination without good reason. For a detailed description of Dr. Ruiz' severance benefits please see the "Executive Compensation - Employment Agreements" section below. On July 17, 2008, Dr. Ruiz' employment agreement was amended to provide that Dr. Ruiz' position with AMD changed from Chief Executive Officer to Executive Chairman of AMD and to provide that Dr. Ruiz may be eligible for retirement or severance benefits, as applicable, in the event he terminates employment with AMD but continues in service with an entity that is less than 80% owned by AMD.</p> <p>On July 17, 2008, we entered into an employment agreement with Derrick R. Meyer pursuant to which Mr. Meyer succeeded Dr. Ruiz as AMD's Chief Executive Officer. Mr. Meyer is currently our President and Chief Executive Officer. Pursuant to Mr. Meyer's employment agreement, in the event of Mr. Meyer's involuntary termination without cause or constructive termination, Mr. Meyer receives certain severance benefits.</p> <p>In the event of Mr. Meyer's involuntary termination without cause or constructive termination, AMD will pay Mr. Meyer a single lump sum amount calculated by multiplying the Severance Multiplier (as hereinafter defined) times the sum of Mr. Meyer's base salary and the target amount of his annual bonus. The "Severance Multiplier" will be (i) three, in the event of said termination of employment on or prior to the fourth anniversary of the effective date of Mr. Meyer's employment agreement, and (ii) two, in the event of said termination of</p>

		<p>employment after the fourth anniversary of such effective date. AMD will provide Mr. Meyer health and welfare benefits for a period of 18 months following the date of termination, including, at AMD's election, COBRA premiums for 18 months, and AMD will pay Mr. Meyer an amount calculated to pay income taxes due, if any, as a result of AMD's payment on his behalf for such welfare benefits. In addition, in the event of said termination of employment prior to or more than 24 months after a change of control (as defined in the employment agreement) of AMD, all non-performance vesting awards will accelerate and become fully vested and the exercise period for such equity awards will be extended to the earlier of the fifth anniversary of the date of termination or the expiration of such awards. In the event of said termination of employment within 24 months of a change of control, all equity awards then held by Mr. Meyer will accelerate and become fully vested. The exercise period for all such equity awards will also be extended to the earlier of the fifth anniversary of the date of Mr. Meyer's termination or the expiration of such awards.</p> <p>Mr. Meyer's employment agreement was entered into pursuant to individual negotiations with the Compensation Committee.</p> <p>We entered into an offer letter agreement with Mr. Orton that became effective upon the closing of the acquisition of ATI (Effective Date), pursuant to individual negotiations with the Compensation Committee. The offer letter agreement provides for certain severance benefits upon termination without cause or by mutual agreement within two years following the Effective Date. For a detailed description of Mr. Orton's severance benefits please see the "Executive Compensation—Employment Agreements" section below. Mr. Orton resigned from the position of Executive Vice President, Visual and Media Business, effective July 31, 2007.</p>

Management Continuity Agreements	<p>We entered into management continuity agreements with each of our Officers, except Dr. Ruiz and Mr. Orton, designed to encourage their continued services in the event of a change in control. In July 2008, AMD entered into an employment agreement with Mr. Meyer. Mr. Meyer's employment agreement supersedes his management continuity agreement.</p> <p>The management continuity agreements were implemented to allow for a smooth transition in the event of a change in control of AMD and to provide the Officers with a severance amount to help financially ease their transition AMD. The management continuity agreements were implemented also to provide incentives to the Officers to execute the wishes of the Board, even in the event that the board of directors takes an action that may result in the elimination of the Officer's position with AMD. We believe this structure strikes a balance between incentives and executive hiring and retention without providing the benefits to Officers who continue to enjoy employment with an acquiring company in the event of a change in control.</p>	<p>Officers will receive certain incremental amounts in the event of termination of employment in connection with a change in control of AMD, as described in the "Executive Compensation—Change in Control Arrangements" section below.</p> <p>Under AMD's 2005 Long-Term Incentive Plan, a pro-rated performance-adjusted payment is paid to Officers upon termination at the discretion of the Compensation Committee.</p> <p>AMD is under no contractual obligations with respect to severance with any of the other Officers other than those described above.</p> <p>For purposes of Dr. Ruiz' and Mr. Meyer's employment agreements and the management continuity agreements, a change in control includes any change of a nature that would be required to be reported in response to Item 6(e) of Schedule 14A of Regulation 14A promulgated under the Securities Exchange Act of 1934, as amended. A change in control is described in the section entitled "Executive Compensation—Change in Control Arrangements" below.</p> <p>The management continuity agreements provide for termination benefits following a change in control if within two years after the change in control an Officer's employment is terminated or the Officer is constructively discharged. In those circumstances, the Officer would receive:</p> <ul style="list-style-type: none">• A severance benefit equal to three times the sum of his rate of annual base compensation plus the average of his two highest bonuses in the last five years;• Payment of the pro-rated amount of his accrued bonus;• Twelve months' continuation of other incidental benefits; and• Full and immediate vesting of all unvested stock options, stock appreciation rights and restricted stock units and awards.

		<p>In addition, for Mr. Rivet, if a change in control occurs, he will receive a lump sum payment of his retirement benefit. Mr. Rivet's individual agreement was determined pursuant to individual negotiations with the Compensation Committee at the time of his initial employment with AMD.</p> <p>The terms and conditions of the management continuity agreements were reviewed by Mercer in 2006, and Mercer and the Compensation Committee determined that the agreement design, conditions, and payout amounts were appropriate and competitive within the market.</p>

- (1) Amounts shown do not reflect compensation actually received by the Named Executive Officer or the actual value that may be recognized by the Named Executive Officer with respect to these awards in the future. The actual value realized from these awards, if any, will only be recognized by a Named Executive Officer upon the earlier of vesting of the award or the occurrence of events described under "Employment Agreements" or "Change in Control Arrangements," below. Instead the dollar value of these awards is the compensation cost recognized for financial statement reporting purposes for the fiscal year ended December 29, 2007 in accordance with the provisions of SFAS 123R, but excluding any estimate of future forfeitures and reflecting the effect of any actual forfeitures. These compensation costs reflect equity awards granted in and prior to fiscal year 2007 as applicable, and the related expense over each award's service period. See Note 12 of the consolidated financial statements in our Annual Report on Form 10-K for the year ended December 29, 2007 regarding the assumptions underlying the valuation of equity awards.
- (2) None of the amounts in this column is above-market or preferential earnings on compensation that is deferred on a basis that is not tax-qualified.

(6) Includes \$6,935, which represents the value of a sales achiever's trip attended by Mr. Meyer at AMD's request.

(7) Because Mr. Rivas was not a Named Executive Officer during 2006, we only included compensation information for Mr. Rivas for 2007. Mr. Rivas resigned from the position of Executive Vice President, Computing Solutions Group, effective May 9, 2008.

(8) Because Mr. Orton was not a Named Executive Officer during 2006, we only included compensation information for Mr. Orton for 2007. Mr. Orton resigned from the position of our Executive Vice President, Visual and Media Business, effective July 31, 2007.

(9) During 2007, a family member accompanied Dr. Ruiz on certain business trips. Flights related to these trips were on an airplane leased by Dr. Ruiz and paid for by AMD. There was no incremental cost to AMD for these trips. Therefore, no amounts related to these trips have been included in "All Other Compensation" for Dr. Ruiz. However, for tax purposes, the imputed income to Dr. Ruiz for the flights by his family members was \$3,829. Dr. Ruiz received a tax gross up for this amount of \$2,303, which is included in "All Other Compensation." In addition, the cost of meals, local transportation and services for one of the business trips paid by AMD for the family member was \$489. This amount is included in "All Other Compensation" for Dr. Ruiz.

(10) During 2007, Mr. McCoy's spouse accompanied him on a business trip where her participation was desired by AMD. This trip consisted of a flight on a commercial airline where the \$7,014 fare was paid by AMD and two flights, at no incremental cost to AMD, on an airplane leased by Dr. Ruiz and paid for by AMD. The cost to AMD of the commercial airline fare of \$7,014 is included in "All Other Compensation." The imputed income to Mr. McCoy for the commercial airline fare was \$7,014 and the imputed income to Mr. McCoy for the two flights in the leased airplane was \$1,852. Mr. McCoy received a tax gross up of \$6,924 for the aggregate imputed income amount of \$8,866. The tax gross up payment amount is included in "All Other Compensation."

- (1) Of the amounts shown, \$60,129 for Mr. Rivet and \$39,000 for Mr. McCoy are included in the "Salary" column of the 2007 Summary Compensation Table; the remaining amounts shown represent non-equity incentive compensation earned in fiscal year 2006 that would have been paid to the Officer during fiscal year 2007 if it had not been deferred under the Deferred Income Account Plan.
- (2) These amounts are included in the 2007 Summary Compensation Table in the "All Other Compensation" column.
- (3) None of the earnings in this column is included in the 2007 Summary Compensation Table because they were not preferential or above market.
- (4) Of the amounts shown, \$86,504 for Mr. Rivet, and \$39,000 for Mr. McCoy were reported in the "Salary" column of the 2006 Summary Compensation Table.

We maintain a non-qualified deferred compensation plan, the Deferred Income Account Plan (DIA), formerly named the Executive Investment Account Plan, which allows eligible employees, including Officers, to voluntarily defer receipt of a portion of their salary and annual bonus until the date or dates selected by the participant. Participants may defer up to 50% of annual base salary and/or 100% of commissions and bonuses. Participants make a deferral election prior to the year in which the compensation is earned that may not be terminated or changed during the year for which it was made. We make a contribution to the participant's account if his/her annual base salary before the deferral is greater than the compensation limit for 401(k) plans. The contribution is equal to the lesser of (i) 50% of the deferred compensation credited to the participant's account for the year and (ii) 3% of the participant's salary in excess of the eligible 401(k) compensation limit for the year. Participants are 100% vested in the value of their accounts. Participants may select their desired benchmark investment fund(s) in which their accounts are deemed to be invested and may change their investment elections at any time, with such change effective from the next business day. The amount of investment gain or loss that is credited to the participant's account depends on the participant's investment election. Currently, we are utilizing the investment funds, except the Lifestyle Funds, available under variable life insurance policies insured by John Hancock Life as the benchmark investment funds. For the 2007 fiscal year, the investment return credited to the accounts of Messrs. Rivet, Meyer and McCoy were 2.35%, 8.69% and 4.24%, based on their investment elections for their accounts.

The deferral accounts are distributed following a participant's termination of employment with us unless the participant has elected an in-service withdrawal (scheduled or hardship withdrawal). At the time a participant makes his/her deferral election, he/she may elect a different form of distribution for such year's deferred compensation. The participant may elect a single lump sum distribution or annual installment distributions over three to ten years. The default form of distribution is a single lump sum. A participant may change the form of distribution election, subject to the terms of the DIA.

A participant may elect to withdraw all or part of his/her account while employed by us, subject to the terms of the DIA. The in-service withdrawal date must be at least two years after the plan year in which the election was made. An in-service withdrawal date may be changed, subject to the terms under the DIA. An unscheduled payment may also be made, subject to the terms of the DIA.

- (2) The value of the stock award is based on the fair value per share as of the grant date of the award (determined pursuant to SFAS 123R) multiplied by the number of shares. Where a threshold, target and maximum award is reported, the fair value per share is multiplied by the maximum number of shares that could be earned. See Note 12 of the consolidated financial statements in our Annual Report on Form 10-K for the year ended December 29, 2007. The option exercise price has not been deducted from the amounts in column (f). Regardless of the value on the grant date, the actual value will depend on the market value of our common stock on a date in the future when an award vests or a stock option is exercised.

Retirement Benefit Arrangements

The following table shows the pension benefits for Dr. Ruiz and Mr. Rivet. The material terms of their arrangements are described below. There are no retirement arrangements for the other Officers.

2007 PENSION BENEFITS

Robert J. Rivet	Rivet Plan	7.2	\$ 7,709,452	\$ 0

Replacement Retirement Benefit Arrangement For Dr. Ruiz

The amount of the annual retirement benefit for Dr. Ruiz is calculated as follows: (1) the average of the three highest annual base salaries for the last 10 years of the period beginning April 26, 2002 and ending on the date of retirement (for purposes of this formula, however, annual base salary cannot exceed \$1,000,000 annually

[Table of Contents](#)

compounded by 3% from January 1, 2002); (2) that average is then multiplied by the product of 4% and Dr. Ruiz' number of full years of service with us (not to exceed 10 years of service); (3) the resulting product is then reduced by any other defined benefit plan benefits he will receive (currently, we do not maintain any defined benefit retirement plan), but not for Social Security payments. Dr. Ruiz has elected to have his annual retirement benefit paid in a single lump sum payment.

Replacement Retirement Benefit Arrangement for Mr. Rivet

To replace certain retirement benefits that Mr. Rivet forfeited when he joined us, we agreed to pay Mr. Rivet a lump sum payment on the earliest of the following: (1) age 55; (2) termination of employment following a change in control; (3) becoming disabled; and (4) our termination of Mr. Rivet's employment without cause after age 54.

Mr. Rivet's lump sum payment will be determined by discounting to present value on the date of determination a stream of lifetime payments equal to no more than 70 % of his base salary then in effect, and then deducting from that present value the value of certain other retirement payments from us and his former employer. If Mr. Rivet becomes permanently and totally disabled prior to age 55, he will receive such benefits but we will deduct the present value of any payments he will receive after age 55 under our executive long-term disability policy. Mr. Rivet will also receive a supplemental payment to cover federal income and Medicare taxes and any state income taxes due as a result of the lump sum payment.

Employment Agreements

Dr. Ruiz' Employment Agreement. We entered into an employment agreement with Dr. Ruiz pursuant to which he became AMD's President and Chief Executive Officer on April 26, 2002. The agreement was amended and restated on December 12, 2007. The primary purpose of the amendment was to ensure that certain payments to be made under the employment agreement will be exempt from or comply with the requirements of Section 409A of the Code so that Dr. Ruiz does not incur any additional income taxes under that provision. The agreement gave Dr. Ruiz the opportunity to elect to have his annual retirement benefit paid in a single lump sum payment, as long as Dr. Ruiz made the election on or before December 31, 2007. Dr. Ruiz elected the single lump sum payment. In the case of certain terminations following a change of control, for purposes of his retirement benefit, we may be required to credit Dr. Ruiz with an additional two years of service.

The employment agreement provides for Dr. Ruiz' tenure as Chief Executive Officer through April 25, 2007, subject to automatic renewal for one-year periods unless we notify Dr. Ruiz that we will not renew (notice of non-renewal). The agreement provides for an annual base salary of \$1,124,000 subject to increases at the discretion of the Compensation Committee.

The employment agreement provides that Dr. Ruiz is eligible to receive a target annual incentive bonus equal to 150% of his annual base salary, with a maximum annual incentive bonus opportunity not to exceed 450% of Dr. Ruiz' annual base salary. This bonus is paid only upon Dr. Ruiz' achievement of certain identified performance goals established by the Compensation Committee. Dr. Ruiz is also eligible to receive discretionary bonuses, in amounts determined by the Compensation Committee. Dr. Ruiz was not paid an annual bonus for 2007.

The employment agreement provides that Dr. Ruiz is also eligible to participate in our LTIP. Under the LTIP, Dr. Ruiz is eligible for an annual target LTIP incentive opportunity of 200% of his annual base salary and a maximum LTIP incentive opportunity not to exceed 400% of his annual base salary. For the three-year cycle ended December 29, 2007, Dr. Ruiz was vested in 116,498 shares of stock underlying the performance-based RSUs granted pursuant to the LTIP.

The employment agreement provides that Dr. Ruiz continued to be eligible for our long-term incentive plans in effect for the three-year award cycles ending 2004, 2005 and 2006 (Former LTIP). Under the Former LTIP,

[Table of Contents](#)

25% (or such lower percentage as may be determined by the Compensation Committee) of any payment to Dr. Ruiz is paid in restricted stock issued under our 2004 Equity Incentive Plan. Dr. Ruiz was paid in cash \$1,650,000 for the Former LTIP award cycle that ended December 31, 2006.

The aggregate of all cash bonus payments and all LTIP payments in cash and stock to Dr. Ruiz is capped at the highest of \$10 million per year, such other limit as may be specified in the 2006 Executive Incentive Plan (the "Executive Incentive Plan") or the amount deductible by us for federal tax purposes, with any excess carried over for three years or until such time as the \$10 million bonus payment limitation under our Executive Incentive Plan is increased (the Carryover Bonus). Dr. Ruiz is eligible to participate in our other benefit plans. Dr. Ruiz is also entitled to out-of-pocket reimbursement of up to \$25,000 annually for financial planning, tax planning, estate planning, and tax return preparation. Dr. Ruiz received an automobile allowance through April 2007, which was discontinued beginning in May 2007.

Dr. Ruiz will be reimbursed by us in the event that any income taxes are payable to the State of California in connection with income attributable to payments or benefits under his employment agreement and the exercise of any stock option granted by us along with any federal and state income taxes payable with respect to this reimbursement (the California Tax Reimbursement). Total payments made will not exceed \$400,000 per year (or \$800,000 per year in the case of termination without cause or constructive termination). No tax reimbursements have been made to date.

Under Dr. Ruiz' original employment agreement, we granted Dr. Ruiz options for 1,200,000 shares with an exercise price of \$16.05 per share, the fair market value of our common stock on the date of grant in 2002. These options have vested. Options granted under the original agreement are referred to in this proxy statement as Prior Options. The Prior Options may be exercised after termination of employment for a period of: (i) five years in the case of a termination for death or disability, retirement, or termination without cause or constructive termination on or following a change in control; and (ii) two years in the case of a constructive termination or a termination without cause prior to a change in control. Dr. Ruiz is eligible for the grant of additional equity compensation awards at a level no less than other executives receive.

If we terminate Dr. Ruiz without cause (or constructively terminate Dr. Ruiz) prior to a change in control, Dr. Ruiz will receive his accrued annual base salary, pro-rated annual bonus and pro-rated LTIP through the date of termination and an amount equal to two times his annual base salary plus the sum of his highest (i) annual bonus, (ii) discretionary bonus, and (iii) LTIP payments paid for any of the last three years, provided that payment of such bonuses and LTIP incentive payments will not exceed the highest of \$10 million, such other limit as may be specified in the Executive Incentive Plan or the amount deductible by us for federal tax purposes (the sum of these amounts is referred to as the Recent Annual Bonus). Dr. Ruiz will receive any Carryover Bonus. Dr. Ruiz, his spouse and any eligible dependents will be provided with health benefits for 24 months, and Dr. Ruiz will be entitled to the California Tax Reimbursement. In addition, all of Dr. Ruiz' stock options will vest and become fully exercisable and all restrictions on any other equity awards will lapse and become nonforfeitable (other than the restricted stock units granted pursuant to the LTIP). Dr. Ruiz is entitled to an accrued "Retirement Benefit" that is described above in the section entitled, "Replacement Retirement Benefit Arrangement For Dr. Ruiz." Dr. Ruiz is entitled to continued indemnification for 10 years following his termination.

If we terminate Dr. Ruiz without cause (or constructively terminate Dr. Ruiz) on, within 12 months following, or to effect a change in control, Dr. Ruiz will receive payment in an amount equal to three times his annual base salary. Dr. Ruiz will also receive his accrued annual base salary, pro-rated annual bonus and pro-rated LTIP through the date of termination. Dr. Ruiz will receive the Carryover Bonus and the Recent Annual Bonus. We will also be required to provide health benefits for the life of Dr. Ruiz and his spouse, and Dr. Ruiz will be entitled to the California Tax Reimbursement. In addition, all of Dr. Ruiz' unvested stock options will vest and become fully exercisable and all restrictions on any other equity awards will lapse and become nonforfeitable (other than the restricted stock units granted pursuant to the LTIP). Dr. Ruiz will be

[Table of Contents](#)

entitled to the accrued Retirement Benefit and will be credited for two additional years of service for purposes of calculating the accrued Retirement Benefit. Dr. Ruiz will also receive an additional payment to reimburse him for federal excise taxes (and taxes on those taxes, if any are payable).

If we do not renew Dr. Ruiz' employment agreement with us after the end of any renewal term, generally Dr. Ruiz will receive his accrued annual base salary, pro-rated annual bonus, pro-rated LTIP through the date of termination, the Carryover Bonus and, additionally, an amount equal to two times his annual base salary. Dr. Ruiz, his spouse and any eligible dependents will be provided with health benefits for 24 months, and Dr. Ruiz will be entitled to the California Tax Reimbursement. In addition, all of Dr. Ruiz' unvested stock options will vest and all restrictions on any other equity awards will lapse and become nonforfeitable (other than the restricted stock units granted pursuant to the LTIP). Dr. Ruiz will be entitled to the accrued Retirement Benefit. Dr. Ruiz will also be entitled to continued indemnification for 10 years following his termination.

In the event of Dr. Ruiz' retirement, Dr. Ruiz will receive the accrued Retirement Benefit, his accrued annual base salary, pro-rated annual bonus and pro-rated LTIP through the date of termination, and the Carryover Bonus. We will provide health benefits for the life of Dr. Ruiz and his spouse, and Dr. Ruiz will be entitled to the California Tax Reimbursement. In addition, all of Dr. Ruiz' unvested stock options will vest and all restrictions on any other equity awards will lapse and become nonforfeitable (other than the restricted stock units granted pursuant to the LTIP). Dr. Ruiz will also be entitled to continued indemnification for 10 years following his termination.

In the event Dr. Ruiz' employment is terminated due to his death or disability, Dr. Ruiz or his beneficiary will be entitled to the accrued Retirement Benefit. Dr. Ruiz or his beneficiary also will receive Dr. Ruiz' accrued annual base salary, pro-rated annual bonus and pro-rated LTIP through the date of termination. In addition, Dr. Ruiz or his beneficiary will receive the Carryover Bonus. We will provide health benefits for the life of Dr. Ruiz and his spouse, and Dr. Ruiz will be entitled to the California Tax Reimbursement. In addition, all of Dr. Ruiz' unvested options that would have become vested within 24 months of the date of Dr. Ruiz' termination of employment will vest and become fully exercisable and all restrictions on any other awards will lapse and become nonforfeitable (other than the restricted stock units granted pursuant to the LTIP). Dr. Ruiz will also be entitled to continued indemnification for 10 years following his termination.

In the event Dr. Ruiz voluntarily terminates his employment with AMD, he is entitled to continued indemnification by us for 10 years, his annual base salary accrued through the date of termination, his accrued Retirement Benefit and the Carryover Bonus.

Mr. Orton's Offer Letter Agreement. We entered into an offer letter agreement with Mr. Orton that became effective upon the closing of our acquisition of ATI (Effective Date). The offer letter agreement provided that if Mr. Orton's employment was terminated during the first 12 months of employment from the Effective Date, Mr. Orton would have been provided with 24 months of severance (Severance Period). In the event that Mr. Orton's employment was terminated by mutual agreement or without cause between the 13th and 24th month of employment from the Effective Date, the Severance Period would be reduced by one month for each month of service completed during this period. Mr. Orton's severance would have included (i) base salary, (ii) corporate bonus at target, which is 100% of base compensation, and (iii) pro-rated payment of his contribution bonus for the applicable fiscal period between the Effective Date and the termination of employment, which is a payment of \$412,500 on the first and second year anniversary of his employment. Mr. Orton would also have been eligible for the vesting of any ATI equity awards granted prior to the acquisition (converted into AMD equity at the closing of the acquisition of ATI) that would have vested during the applicable Severance Period. Mr. Orton would also have been eligible for medical and dental insurance continuance and outplacement assistance. Mr. Orton resigned from his position as our Executive Vice President, Visual and Media Business effective July 31, 2007.

Change in Control Arrangements

Management Continuity Agreements. We entered into management continuity agreements with each of our Officers except Dr. Ruiz and Mr. Orton, designed to encourage their continued services in the event of a change in control. For purposes of Dr. Ruiz' employment agreement and the management continuity agreements, a change in control includes any change of a nature that would be required to be reported in response to Item 6(e) of Schedule 14A of Regulation 14A promulgated under the Securities Exchange Act of 1934. A change in control is conclusively presumed to have occurred on:

- The acquisition by any person, other than us or any employee benefit plan of ours, of beneficial ownership of more than 20% of the combined voting power of our then-outstanding securities. In Dr. Ruiz' employment agreement, the 20% threshold excludes securities acquired directly from us. Dr. Ruiz' employment agreement also includes a 35% threshold, consummated merger or consolidation of AMD with or into any other entity (other than a merger or consolidation, which would result in the holders of our voting securities outstanding prior to the transaction holding securities that represent immediately after the transaction more than 50% of the combined voting power of the voting securities of either us or the surviving entity), an approved plan of complete liquidation of AMD or consummated sale or disposition by us of all or substantially all of our assets (other than a sale or disposition by us of all or substantially all of our assets to an entity at least 65% of the combined voting power of the voting securities of which are owned by persons in substantially the same proportions as their ownership of AMD immediately prior to the sale) as additional presumed change of control events;
- A change of the majority of the Board of Directors during any two consecutive years, unless certain conditions of Board approval are met; or
- A determination by certain members of the Board of Directors within one year after an event that such event constitutes a change in control.

The management continuity agreements provide that, if within two years after a change in control the Officer's employment is terminated by us or the Officer is constructively discharged, he will receive:

- A severance benefit equal to three times the sum of his rate of annual base compensation plus the average of his two highest bonuses in the last five years;
- Payment of his accrued bonus;
- Twelve months' continuation of health and welfare comparable to those in effect on the date of termination and other incidental benefits;
- Payment of any income taxes due as a result of the payment by us for health and welfare benefits to the Officer; and
- Full and immediate vesting of all unvested equity awards.

In addition, for Mr. Rivet, if a change in control occurs, he will receive a lump sum payment of his retirement benefit, see page 89.

Payments under Long-Term Incentive Plan. Under our 2005 Long-Term Incentive Plan, a pro-rated performance adjusted payment is paid to Officers upon termination at the discretion of the Compensation Committee.

Vesting of Stock Options. All stock options granted and restricted stock awarded under our equity incentive plans become fully vested upon termination of employment (other than for misconduct) or constructive termination within one year following a change in control, as defined in the plans.

The following table quantifies the amount that would be payable to Officers (except for Dr. Ruiz and Mr. Orton) assuming the termination of employment without cause by AMD or with good reason by the Officers

occurred within 24 months of a change in control. The amounts shown assume that the termination was effective as of December 29, 2007, and includes amounts earned through that time and are estimates of the amounts, which would be paid out to the Officers upon their termination. The actual amounts to be paid out can only be determined at the time of the Officer's separation from us after the occurrence of a change in control.

See "Replacement Retirement Benefit Arrangement for Mr. Rivet" on page 89.
- (4) We determined the amount of the excise tax payment in accordance with the provisions of Section 280G of the Code. We utilized the following key assumptions to determine the tax gross-up payment: (i) the interest rate assumption was 120% of the applicable federal rate effective for the month of December 2007, compounded semiannually; (ii) a statutory federal income tax rate of 35%, Medical tax rate of 1.45% and no state income tax rate except for Mr. McCoy, which state income tax rate is assumed to be the California income tax rate of 10.3%; (iii) Section 280G "base amount" was determined based on average W-2 compensation for the period from 2002-2006 (or the period of the executive's employment with us, if shorter); and (iv) equity grants made within one year of transaction were in the ordinary course of business and were not in contemplation of a transaction.
- (5) Mr. Meyer entered into an employment agreement as of July 17, 2008. See "Compensation Discussion and Analysis—Post-Employment Compensation" beginning on page 74.

As of December 27, 2007, we did not have employment agreements with any of our Officers other than Dr. Ruiz. We entered into an offer letter agreement with Mr. Orton that became effective upon our acquisition of ATI in October 2006. Mr. Orton resigned from his position as our Executive Vice President, Visual Media Business effective July 31, 2007. Dr. Ruiz' employment agreement and Mr. Orton's offer letter agreement are discussed above in the section entitled, "Employment Agreements," beginning on page 89. Table 1, below, reflects the amount of compensation and benefits payable to Dr. Ruiz under his employment agreement in the event of (i) voluntary termination, (ii) for cause termination, (iii) retirement, (iv) non-renewal of his Employment Agreement, (v) termination without cause or with good reason (without a change in control), (vi) termination without cause or with good reason within 12 months after a change of control and (vii) in the event of Dr. Ruiz' disability or death. The amounts shown assume that the termination was effective as of December 29, 2007, and includes amounts earned through that time and are estimates of the amounts which would be paid out to Dr. Ruiz upon his termination. Dr. Ruiz entered into an amendment to his employment agreement as of July 17, 2008. See

Table 2, below, reflects the amount of compensation and benefits that would have been payable to Mr. Orton under his letter agreement as of December 29, 2007 in the event of (i) termination without cause following a change in control, (ii) termination without cause (without a change in control) and (iii) termination by mutual agreement.

Board of Directors
Advanced Micro Devices, Inc.
One AMD Place
Sunnyvale, CA 94088-3453

Members of the Board of Directors:

Advanced Micro Devices, Inc. (“Discovery”), Advanced Technology Investment Company LLC (“Oyster”), West Coast Hitech L.P. (“Pearl”) and FoundryCo (as defined below) propose to enter into a Master Transaction Agreement dated as of October 6, 2008 (the “Agreement”) pursuant to which (i) Discovery would transfer certain assets to a newly-formed corporation incorporated under the laws of the Cayman Islands (“FoundryCo”), and FoundryCo would assume certain liabilities, including approximately \$1.2 billion of debt owed to third parties by Discovery or a subsidiary of Discovery (the “Third-Party Debt), in each case related to Discovery’s “front-end” semiconductor manufacturing or fabrication facilities, properties and assets (excluding assets, facilities and properties related to “back-end” manufacturing functions such as assembly, test, mark and packaging) (the “Business”), (ii) Oyster would contribute \$1.4 billion in cash to FoundryCo and pay \$700 million in cash to Discovery, (iii) FoundryCo would issue to Discovery FoundryCo Class A Preferred Shares representing approximately 44.4% of FoundryCo’s outstanding ordinary shares on a fully-converted basis as well as one Class A Ordinary Share and would issue to Oyster FoundryCo Class A and Class B Preferred Shares and FoundryCo Class A and Class B Convertible Notes, in the principal amount of approximately \$420 million, which when taken together, on an as converted basis, would represent approximately 55.6% of FoundryCo’s outstanding ordinary shares as well as one Class A Ordinary Share, (iv) Discovery would issue to Pearl 58 million shares of Discovery’s common stock at \$5.41 per share (based on the average closing price of Discovery’s common stock for the 30 trading days prior to announcement of the transaction) and Discovery would receive from Pearl \$314 million in cash in exchange for such shares (the “Common Stock Sale”), (v) Discovery would issue to Pearl warrants to purchase 30 million shares of Discovery’s common stock with a \$0.01 per share exercise price and 10 year expiration (the “Warrants”), (vi) Discovery would extinguish any and all intercompany liabilities between it and the Business on or prior to closing, and (vii) Discovery, Oyster, Pearl and FoundryCo would enter into a number of related commercial agreements (the “Commercial Agreements”), including, without limitation, the FoundryCo Funding Agreement that commits Oyster under certain conditions to fund the build-out of FoundryCo’s semiconductor manufacturing facilities in New York and Dresden and the Wafer Supply Agreement that governs the pricing, volume and other commitments (including exclusivity commitments by Discovery) between Discovery and FoundryCo for the supply of wafers.

You have asked us whether, in our opinion, the Consideration (as defined below) to be received by Discovery pursuant to the transactions contemplated by the Agreement is fair from a financial point of view to Discovery. Consideration for this purpose consists of Discovery’s receipt of FoundryCo Class A Preferred Shares and the one Class A Ordinary Share, cash paid to Discovery for shares of Discovery Common Stock and the Warrants, cash paid to Discovery from Oyster for FoundryCo Class B Preferred Shares, assumption of the Third-Party Debt by FoundryCo, and extinguishment of Business accounts receivable owed by Discovery to the Business by FoundryCo.

In arriving at the opinion set forth below, we have, among other things:

- (1) Reviewed certain publicly available business and financial information relating to Discovery and the Business that we deemed to be relevant;
- (2) Reviewed certain information, including financial forecasts, relating to the business, earnings, cash flow, assets, liabilities and prospects of Discovery, the Business and FoundryCo furnished to us by Discovery;

Table of Contents

- (3) Conducted discussions with members of senior management and representatives of Discovery and the Business concerning the matters described in clauses 1 and 2 above;
- (4) Reviewed the market prices and valuation multiples for certain publicly traded companies that we deemed to be relevant to Discovery, Business and FoundryCo;
- (5) Reviewed the results of operations of Discovery and the Business and the financial forecasts for Discovery, the Business and FoundryCo and compared them with those of certain publicly traded companies that we deemed to be relevant;
- (6) Compared the proposed financial terms of the Agreement with the financial terms of certain other transactions that we deemed to be relevant;
- (7) Participated in certain discussions and negotiations among representatives of Discovery, the Business, FoundryCo, Pearl and Oyster and their financial and legal advisors;
- (8) Reviewed a draft dated October 6, 2008 of the Agreement as well as drafts of all Ancillary Agreements, as defined in the Agreement; and
- (9) Reviewed such other financial studies and analyses and took into account such other matters as we deemed necessary, including our assessment of general economic, market and monetary conditions.

In preparing our opinion, we have assumed and relied on the accuracy and completeness of all information supplied or otherwise made available to us, discussed with or reviewed by or for us, or publicly available, and we have not assumed any responsibility for independently verifying such information or undertaken an independent evaluation or appraisal of any of the assets or liabilities of Discovery or been furnished with any such evaluation or appraisal, nor have we evaluated the solvency or fair value of Discovery or FoundryCo under any state or federal laws relating to bankruptcy, insolvency or similar matters. In addition, we have not assumed any obligation to conduct any physical inspection of the properties or facilities of Discovery or FoundryCo. With respect to the financial forecast information furnished to or discussed with us by Discovery, we have assumed, at your direction, that they have been reasonably prepared and reflect the best currently available estimates and judgment of Discovery's management as to the expected future financial performance of Discovery, the Business and FoundryCo. We have also assumed that the final form of the Agreement and the Ancillary Agreements will be substantially similar to the last drafts reviewed by us.

Our opinion is necessarily based upon market, economic and other conditions as they exist and can be evaluated on, and on the information made available to us as of, the date hereof.

We are acting as financial advisor to Discovery in connection with the Transaction and will receive a fee from Discovery for our services, a significant portion of which is contingent upon the consummation of the Agreement. In addition, Discovery has agreed to indemnify us for certain liabilities arising out of our engagement.

We have, in the past, provided financial advisory and financing services to Discovery and may continue to do so and have received, and may receive, fees for the rendering of such services. Merrill Lynch was financial advisor to Discovery in Pearl's common stock investment in Discovery in November 2007, co-manager in Discovery's convertible notes offering in April 2007, and sole manager in Discovery's common stock offering in January 2006. In addition, in the ordinary course of our business, we or our affiliates may actively trade Discovery shares and other securities of Discovery for our own account and for the accounts of customers and, accordingly, may at any time hold a long or short position in such securities.

This opinion is for the use and benefit of the Board of Directors of Discovery. Our opinion does not address the merits of the underlying decision by Discovery to engage in the Agreement and does not constitute a recommendation to any stockholder as to how such stockholder should vote on any matter related to the transactions contemplated by the Agreement. In addition, you have not asked us to address, and this opinion does

not address, the fairness to, or any other consideration of, the holders of any class of securities, creditors or other constituencies of Discovery. In rendering this opinion, we express no view or opinion with respect to the fairness (financial or otherwise) of the amount or nature or any other aspect of any compensation payable to or to be received by any officers, directors, or employees of any parties to the Agreement, or any class of such persons, relative to the Consideration. We also express no view or opinion with respect to the fairness (financial or otherwise) of the Commercial Agreements. Our opinion has been authorized for issuance by the U.S. Fairness Opinion (and Valuation Letter) Committee of Merrill Lynch.

On the basis of and subject to the foregoing, we are of the opinion that, as of the date hereof, the Consideration to be received by Discovery pursuant to the Agreement is fair from a financial point of view.

Very truly yours,

Transaction Oversight Committee of the
Board of Directors
Advanced Micro Devices, Inc.
One AMD Place
Sunnyvale, CA 94088-3453

Members of the Transaction Oversight Committee of the Board:

We understand that Advanced Micro Devices, Inc. (“AMD” or the “Company”), Advanced Technology Investment Company LLC (“Oyster”), an entity wholly owned by the Government of the Emirate of Abu Dhabi, and West Coast Hitech L.P., (“Pearl”), an entity affiliated with Mubadala Development Company and controlled by the Government of the Emirate of Abu Dhabi, propose to enter into a Master Transaction Agreement, substantially in the form of the draft dated October 4, 2008 (the “Master Agreement”), which provides, among other things, for: (i) the contribution by AMD of certain assets related to its semiconductor manufacturing business (the “FoundryCo Assets”), and certain related liabilities including, without limitation, \$1.2 billion in third-party debt (the “FoundryCo Liabilities”) to a subsidiary to be formed by AMD (“FoundryCo”), in exchange for an approximately 63% initial interest and a 50% voting interest in FoundryCo, and the extinguishment of certain intercompany accounts relating to such business; (ii) the contribution by Oyster of \$1.4 billion in cash to FoundryCo in exchange for a 37% initial economic interest and a 50% voting interest in FoundryCo; (iii) the contribution by Oyster of \$700 million in cash to AMD in exchange for the transfer of an approximately 18.5% interest in FoundryCo from AMD to Oyster, resulting in AMD owning 44.5% on a fully converted basis, and a 50% voting interest in FoundryCo and Oyster owning 55.5% on a fully converted basis, and a 50% voting interest in FoundryCo; (iv) the issuance by AMD to Pearl of 58 million newly issued shares of common stock, par value \$0.01 per share, of AMD (the “AMD Common Stock”) and warrants to purchase 30 million shares of AMD Common Stock for \$0.01 per share for \$314 million; (v) the provision of certain future financing to FoundryCo by Oyster and AMD (the “Funding Commitment”); and (vi) the execution of certain related commercial agreements including, among other things, with respect to the provision of certain wafer fabrication foundry services by FoundryCo to AMD and certain related purchase and exclusivity commitments by AMD to FoundryCo. The actions contemplated by clauses (i) through (vi) above are referred to collectively herein as the “Transaction”. The consideration received by AMD pursuant to the actions described in clauses (i), (iii) and (iv) are referred to herein in the aggregate as the “Consideration”. The terms of the Transaction are more fully described in the Master Agreement.

You have asked for our opinion as to whether the Consideration to be received by AMD in connection with the Transaction is fair from a financial point of view to AMD.

For purposes of the opinion set forth herein, we have:

- 1) reviewed certain publicly available financial statements and other business and financial information of AMD;
- 2) reviewed certain internal financial statements and other financial and operating data concerning AMD;
- 3) reviewed certain financial projections of AMD and FoundryCo prepared by the management of AMD;
- 4) reviewed certain financial projections of FoundryCo jointly prepared by the managements of AMD and Pearl, respectively;
- 5) discussed the past and current operations and financial condition and the prospects of AMD and FoundryCo, including information relating to certain strategic, financial and operational benefits anticipated from the Transaction, with senior executives of AMD and Pearl, respectively;

Table of Contents

- 6) reviewed the pro forma impact of the Transaction on AMD's earnings per share, cash flow, consolidated capitalization and financial ratios;
- 7) compared the operations and financial forecasts for FoundryCo with that of certain publicly-traded companies comparable with FoundryCo;
- 8) reviewed the financial terms, to the extent publicly available, of certain transactions comparable to the Transaction;
- 9) compared the financial performance of AMD and the prices and trading activity of the AMD Common Stock with that of certain other publicly-traded companies comparable with AMD, and their securities;
- 10) participated in certain discussions and negotiations among representatives of AMD and Pearl and their financial and legal advisors;
- 11) reviewed the Master Agreement and certain related documents; and
- 12) performed such other analyses and considered such other factors as we have deemed appropriate.

We have assumed and relied upon, without independent verification, the accuracy and completeness of the information that was publicly available or supplied or otherwise made available to us by AMD and Pearl, and formed a substantial basis for this opinion. With respect to the financial projections, including information relating to certain strategic, financial and operational benefits anticipated from the Transaction, we have assumed that they have been reasonably prepared on bases reflecting the best currently available estimates and judgments of the respective managements of AMD and Pearl of the future financial performance of AMD and FoundryCo, as applicable. In addition, we have assumed that the Transaction will be consummated in accordance with the terms set forth in the Master Agreement without any waiver, amendment or delay of any terms or conditions, including, among other things, that Oyster will obtain financing in accordance with the terms set forth in the Master Agreement and related agreements. Morgan Stanley has assumed that in connection with the receipt of all the necessary governmental, regulatory or other approvals and consents required for the proposed Transaction, no delays, limitations, conditions or restrictions will be imposed that would have a material adverse effect on the contemplated benefits expected to be derived in the proposed Transaction. We have relied upon, without independent verification, the assessment by the Company of (i) the future, potential financial performance of each of AMD and FoundryCo; (ii) the likely terms and conditions of FoundryCo's future customer contracts, if any; (iii) the ability of FoundryCo to acquire and retain customers; (iv) the timing of, and risks associated with, the creation of FoundryCo; and (v) the validity of, and risks associated with, FoundryCo's existing and future technologies, intellectual property, products, services and business models. In connection with our analysis of the Consideration, we have taken into consideration the Funding Commitment and other factors that we deemed appropriate. We are not legal, tax or regulatory advisors. We are financial advisors only and have relied upon, without independent verification, the assessment of AMD and Pearl and their legal, tax or regulatory advisors with respect to legal, tax or regulatory matters. Our opinion only addresses the fairness, from a financial point of view, of the Consideration to be received by the Company in connection with the Transaction. Our opinion does not address the fairness of any non-financial aspects of the Transaction. We express no opinion with respect to the fairness of the amount or nature of the compensation to any of AMD's, Pearl's or Oyster's officers, directors or employees, or any class of such persons, relative to the Consideration to be received by AMD in the Transaction. We have not made any independent valuation or appraisal of the assets or liabilities of the Company, nor have we been furnished with any such appraisals. Our opinion is necessarily based on financial, economic, market and other conditions as in effect on, and the information made available to us as of, the date hereof. Events occurring after the date hereof may affect this opinion and the assumptions used in preparing it, and we do not assume any obligation to update, revise or reaffirm this opinion.

We have acted as financial advisor to the Transaction Oversight Committee of the Board of Directors of AMD in connection with the Transaction and will receive a fee for our services, which is contingent upon the earliest to occur of the rendering of this financial opinion, the termination of discussions relating to the Transaction, the termination of the Transaction, the closing of the Transaction, or March 31, 2009. In the two

years prior to the date hereof, we have provided financial advisory and financing services for AMD and Pearl and have received fees in connection with such services. Morgan Stanley may also seek to provide such services to AMD and Pearl in the future and expects to receive fees for the rendering of these services.

Please note that Morgan Stanley is a global financial services firm engaged in the securities, investment management and individual wealth management businesses. Our securities business is engaged in securities underwriting, trading and brokerage activities, foreign exchange, commodities and derivatives trading, prime brokerage, as well as providing investment banking, financing and financial advisory services. Morgan Stanley, its affiliates, directors and officers may at any time invest on a principal basis or manage funds that invest, hold long or short positions, finance positions, and may trade or otherwise structure and effect transactions, for their own account or the accounts of its customers, in debt or equity securities or loans of Pearl, AMD, Oyster or any other company, or any currency or commodity, that may be involved in this Transaction, or any related derivative instrument.

This opinion has been approved by a committee of Morgan Stanley investment banking and other professionals in accordance with our customary practice. This opinion is for the information of the Transaction Oversight Committee of the Board of Directors of AMD and may not be used for any other purpose without our prior written consent, except that a copy of this opinion may be included in its entirety in any filing the Company is required to make with the Securities and Exchange Commission in connection with this Transaction if such inclusion is required by applicable law. In addition, this opinion does not in any manner address the prices at which the AMD Common Stock will trade following consummation of the Transaction and Morgan Stanley expresses no opinion or recommendation as to how the stockholders of AMD should vote at the stockholders' meeting to be held in connection with the Transaction.

Based on and subject to the foregoing, we are of the opinion on the date hereof that the Consideration to be received by AMD in connection with the Transaction is fair from a financial point of view to AMD.

Assets included on Schedule 2.08. During the preparation of the Closing Statement of Initial Valuation Net Tangible Assets, and during the period for resolution of disputes set forth in Section 2.08(b), Discovery, Oyster and their respective representatives (including their independent accountants) shall have the right to review FoundryCo's, Discovery's, and any of their respective consolidated Subsidiaries' books and records, accounting policies, internal controls processes, and other information relevant to the preparation of the Reference Statement of Initial Valuation Net Tangible Assets or the Closing Statement of Initial Valuation Net Tangible Assets. In connection with such review, each of FoundryCo and Discovery agrees that it will reasonably cooperate and cause its respective Subsidiaries to reasonably cooperate with Oyster, and in the case of FoundryCo, with Discovery, and the respective representatives of Oyster and Discovery, as the case may be, to provide all such requested information, and to make available during normal business hours FoundryCo's, Discovery's and their respective Subsidiaries' management and employees, in each case as reasonably deemed necessary and appropriate by Discovery or Oyster or their respective representatives in order to perform such review.

(b) *Disputes*. (i) Subject to clause (ii) of this Section 2.08(b), the Closing Statement of Initial Valuation Net Tangible Assets delivered by FoundryCo to Discovery and Oyster shall be final, conclusive and binding on the parties hereto.

- (ii) Either Discovery or Oyster may dispute any amounts reflected on the Closing Statement of Initial Valuation Net Tangible Assets if the dispute, if resolved completely in favor of Discovery or Oyster, as applicable, would result in the Initial Valuation Net Tangible Assets reflected on the Closing Statement of Initial Valuation Net Tangible Assets being greater or less than the Initial Valuation Net Tangible Assets reflected on the Reference Statement of Initial Valuation Net Tangible Assets by more than the Designated Amount, but only on the basis that the amounts reflected on the Closing Statement of Initial Valuation Net Tangible Assets were not arrived at in accordance with the Statement of Principles for Initial Valuation Net Tangible Assets and the Reference Statement of Initial Valuation Net Tangible Assets or were arrived at based on mathematical or clerical error; provided, however, that Discovery or Oyster, as applicable, shall have notified the other Party in writing of each disputed item, specifying the estimated amount thereof in dispute and setting forth, in reasonable detail, the basis for such dispute, within thirty (30) Business Days of FoundryCo's delivery of the Closing Statement of Initial Valuation Net Tangible Assets to Discovery and Oyster. In the event of such a dispute, Discovery and Ernst & Young LLP, on the one hand, and Oyster and KPMG LLP, on the other hand, shall attempt to reconcile their differences, and any resolution by them as to any disputed amounts shall be final, conclusive and binding on the Parties hereto. If any such resolution leaves in dispute amounts the net effect of which in the aggregate would not result in the Initial Valuation Net Tangible Assets reflected on the Closing Statement of Initial Valuation Net Tangible Assets being greater or less than the Initial Valuation Net Tangible Assets reflected on the Reference Statement of Initial Valuation Net Tangible Assets by more than the Designated Amount, all such amounts remaining in dispute shall then be deemed to have been resolved in favor of the Closing Statement of Initial Valuation Net Tangible Assets delivered by FoundryCo to Discovery and Oyster. If Discovery and Oyster are unable to reach a resolution with such effect within twenty (20) Business Days after the receipt by Discovery or Oyster, as applicable, of the other Party's written notice of dispute, Discovery and Oyster shall submit the items remaining in dispute for resolution to PricewaterhouseCoopers LLP (or, if such firm shall decline or is unable to act or is not, at the time of such submission, independent of Discovery, Oyster and FoundryCo, to another independent accounting firm of international reputation mutually acceptable to Discovery and Oyster) (either PricewaterhouseCoopers LLP or such other accounting firm being referred to herein as the "*Independent Accounting Firm*"), which shall, within thirty (30) Business Days after such submission, determine and report to Discovery and Oyster upon such remaining disputed items, and such report shall be final, conclusive and binding on Discovery and Oyster. The fees and disbursements of the Independent Accounting Firm shall be allocated between Discovery and Oyster in the same proportion that the aggregate amount of such remaining disputed items so

submitted to the Independent Accounting Firm that is unsuccessfully disputed by each such Party (as finally determined by the Independent Accounting Firm) bears to the total amount of such remaining disputed items so submitted. The scope of the disputes to be resolved by the Independent Accounting Firm, and the scope of the Independent Accounting Firm's review, shall be limited to disputes concerning whether the amounts reflected on the Closing Statement of Initial Valuation Net Tangible Assets were not arrived at on a basis consistent with the Statement of Principles for Initial Valuation Net Tangible Assets, or were arrived at based on mathematical or clerical error, and the Independent Accounting Firm shall not make any other determination.

- (iii) In acting under this Agreement, Ernst & Young LLP, KPMG LLP and the Independent Accounting Firm shall be entitled to the privileges and immunities of arbitrators.
- (iv) No adjustment to the Purchase Price pursuant to Section 2.08(c) shall be made with respect to amounts disputed by Discovery or Oyster pursuant to this Section 2.08(b), unless the net effect of the amounts successfully disputed by Discovery or Oyster, as the case may be, in the aggregate, results in the Initial Valuation Net Tangible Assets reflected on the Closing Statement of Initial Valuation Net Tangible Assets being greater or less than the Initial Valuation Net Tangible Assets reflected on the Reference Statement of Initial Valuation Net Tangible Assets by more than the Designated Amount, in which case such adjustment to the Purchase Price pursuant to Section 2.08(c) shall only be made in an amount equal to any excess over the Designated Amount.

- (i) In the event that the amount of the Initial Valuation Net Tangible Assets reflected on the Reference Statement of Initial Valuation Net Tangible Assets exceeds the amount of the Initial Valuation Net Tangible Assets reflected on the Closing Statement of Initial Valuation Net Tangible Assets by more than the Designated Amount, then the Purchase Price shall be adjusted downward in an amount equal to 1.13 times such excess over the Designated Amount, and FoundryCo shall make such adjustment by issuing to Oyster an additional Class A Convertible Note and an additional Class B Convertible Note with an aggregate principal amount equal to the amount of such adjustment and in the same proportion, by principal amount, as the Class A Convertible Note and Class B Convertible Note, respectively, issued to Oyster at Closing.
- (ii) In the event that the amount of the Initial Valuation Net Tangible Assets reflected on the Closing Statement of Initial Valuation Net Tangible Assets exceeds the amount of the Initial Valuation Net Tangible Assets reflected on the Reference Statement of Initial Valuation Net Tangible Assets by more than the Designated Amount, then the Purchase Price shall be adjusted upward in an amount equal to 1.13 times such excess over the Designated Amount, and FoundryCo shall make such adjustment by canceling an aggregate principal amount of the Class A Convertible Note and the Class B Convertible Note issued to Oyster at Closing equal to the amount of such adjustment and in the same proportion, by principal amount, as the Class A Convertible Note and Class B Convertible Note, respectively, issued to Oyster at Closing.
- (iii) No purchase price adjustment shall be made in respect of any amount of Taxes reflected on the Closing Statement of Initial Valuation Net Tangible Assets that exceeds the amount of Taxes reflected on the Reference Statement of Initial Valuation Net Tangible Assets (which differences shall be the subject of indemnification pursuant to the Tax Matters Agreement), and no such excess shall be considered in the determination of whether the amount of Initial Valuation Net

Discovery and each of its Subsidiaries has performed all material obligations required to be performed by it under, is not in any material respect in default under or in violation of, and has no knowledge of any material default or violation by any party to, any Plan. No Action is pending or, to the knowledge of Discovery, threatened with respect to any Plan (other than claims for benefits in the ordinary course) and no fact or event exists that could give rise to any such Action. With respect to the Plans, no event has occurred and, to its knowledge, there exists no condition or set of circumstances, in connection with which it or any of its Subsidiaries could be subject to any material liability under the terms of the Plans, ERISA, the Code or any other applicable Law.

(d) *Qualification of Certain Plans.* Each Plan that is intended to be qualified under Section 401(a) of the Code or Section 401(k) of the Code has received a favorable determination letter from the IRS covering all of the provisions applicable to the Plan for which determination letters are currently available, and no fact or event has occurred since the date of such determination letter from the IRS to adversely affect the qualified status of any such Plan or the exempt status of any such trust. Each Plan that is a “nonqualified deferred compensation plan” subject to Section 409A of the Code has been operated in all material respects in good faith compliance with Section 409A of the Code and the regulations and other guidance promulgated thereunder since January 1, 2005.

Neither Discovery nor any of its ERISA Affiliates has incurred any liability for any penalty or tax arising under Section 4971, 4972, 4980, 4980B or 6652 of the Code or any liability under Section 502 of ERISA, and no fact or event exists that could give rise to any such liability. rise to any such liability. No complete or partial termination has occurred within the five (5) years preceding the date hereof with respect to any Plan. (g) *Effect of Transactions.* Neither its execution of this Agreement or the Ancillary Agreements by Discovery, the performance of its obligations hereunder or thereunder, the consummation of the transactions contemplated hereby and thereby, the termination of the employment of any of its employees within a specified time of the Closing Date nor stockholder approval of the transactions covered by this Agreement, will either alone or in combination with another event (A) entitle any employees of Discovery or its Subsidiaries to severance pay or any increase in severance pay, (B) accelerate the time of payment or vesting or trigger any payment or funding (through a grantor trust or otherwise) of compensation or benefits under, increase the amount payable or trigger any other material obligation pursuant to, any of Plan, (C) limit or restrict the right of Discovery or any of its Subsidiaries to merge, amend or terminate any Plan, or (D) result in payments under any of Plans which would not be deductible under Section 162(m) of the Code. None of Plans in effect immediately prior to the Closing (A) would result, separately or in the aggregate (including as a result of its execution of this Agreement or consummation of the transactions contemplated hereby), in the payment of any “excess parachute payment” within the meaning of Section 280G of the Code or (B) provides for a “gross up” or similar payments in respect of any Taxes or interest that may become payable under Section 409A of the Code as a result of its execution of this Agreement or consummation of the transactions contemplated hereby.

(c) Oyster and Pearl shall cooperate and use their commercially reasonable efforts to assist Discovery in seeking to obtain all Required Authorizations and Required Consents, and such other third party consents and estoppel certificates; provided, however, that neither Oyster nor Pearl shall have any obligation to give any guarantee or other consideration of any nature in connection with any such notice, consent or estoppel certificate or to consent to any change in the terms of any agreement or arrangement which Oyster or Pearl, in their reasonable sole discretion, may deem adverse to their respective interests or which Oyster or Pearl, after consultation with FoundryCo's management, may deem adverse to the interests of FoundryCo.

(d) Each Party agrees to engage in commercially reasonable efforts to secure CFIUS Clearance. Such efforts shall include, to the extent necessary, the execution of Mitigation Agreements containing any terms customarily included in such Mitigation Agreements; provided, however, that no Party shall be required to enter into any agreement that: (i) requires Pearl to hold its ownership interests in Discovery indirectly, such as through proxy holders or in a voting trust; (ii) materially interferes with Oyster's ability to participate in the management of FoundryCo pursuant to the terms of this Agreement or the Ancillary Agreements; (iii) requires Discovery or FoundryCo to dispose of any material portion of their respective businesses, operations, assets or product lines (or any combination thereof) other than any disposition that is contemplated in this Agreement or the Ancillary Agreements; or (iv) otherwise is reasonably likely to result in a Material Adverse Effect after giving effect to the transactions contemplated by this Agreement or the Ancillary Agreements.

SECTION 8.08. *Notice of Developments.* Prior to the Closing, Discovery shall promptly notify Oyster and Pearl in writing of (a) all events, circumstances, facts and occurrences arising subsequent to the date of this Agreement which have resulted in any misrepresentation or breach of a warranty or covenant of Discovery in this Agreement or which have had the effect of making any representation or warranty of Discovery in this Agreement untrue or incorrect in any respect and (b) all other material developments affecting the FoundryCo Assets or the Assumed Liabilities, the Transferred FoundryCo Subsidiaries or the business, financial condition, operations, results of operations, customer or supplier relations, employee relations, projections or prospects of the Discovery Business, or, to the extent Discovery has knowledge, the Transferred FoundryCo JV Entities.

SECTION 8.09. *No Solicitation.* (a) Discovery agrees that between the date of this Agreement and the earlier of the Closing or the termination of this Agreement in accordance with the provisions hereof, neither Discovery nor any of its Subsidiaries shall, nor shall Discovery or any of its Subsidiaries authorize or permit any of its or their officers, directors, employees, investment bankers, attorneys, accountants, consultants or other agents or advisors to, directly or indirectly:

- (iii) release any third party from, or waive any provision of, any standstill or similar agreement to which Discovery or any of its Subsidiaries is a party.

(b) Notwithstanding anything to the contrary in this Section 8.09, the board of directors of Discovery, directly or indirectly through advisors, agents or other intermediaries, may (i) participate in discussions, conversations, negotiations or other communications with a Third Person regarding, and furnish information to, a Third Person that has made, in writing, a bona fide Discovery Change of Control Proposal and (ii) enter into an agreement with any Third Person relating to a Discovery Change of Control Transaction, if, and only if the board of directors of Discovery has: (A) determined, in its good faith judgment after considering advice from its outside legal counsel, that failure to furnish such information or enter into such discussions or such agreement would be

inconsistent with its fiduciary obligations to Discovery and its stockholders under applicable Law; (B) provided written notice to Oyster and Pearl of the identity of the Third Person making, and the material terms of any such proposal, and of Discovery's intent to furnish information or enter into discussions with such Third Person at least three (3) Business Days prior to taking any such action; (C) obtained from such Third Person an executed confidentiality agreement on customary terms (it being understood that such confidentiality agreement and any related agreements shall not include any provision calling for any exclusive right to negotiate with such party or having the effect of prohibiting Discovery from satisfying its obligations under this Agreement); and (D) promptly provided to Oyster and Pearl any non-public information concerning Discovery or any of its Subsidiaries provided to any such Third Person which was not previously provided to Oyster and Pearl. Discovery shall keep Oyster and Pearl informed on a prompt basis of any material changes in the terms or status of any Discovery Change of Control Proposal.

SECTION 8.10. *Discovery Indebtedness.* Discovery shall use its commercially reasonable efforts to ensure that (i) the transactions contemplated by this Agreement and the Ancillary Agreements do not constitute an event or events of default under the Term Loan Facility Agreement or other Indebtedness of Discovery, and (ii) to the extent the transactions contemplated under this Agreement and the Ancillary Agreements may constitute an event or events of default under the Term Loan Facility Agreement or other Indebtedness of Discovery, to secure the necessary waivers or consents of the lenders thereunder, or their agents, as necessary to ensure that no event or events of default shall occur or continue unremedied as of the Closing.

SECTION 8.11. *Bulk Transfer Laws.* Prior to the Closing, Discovery shall comply with the requirements of all applicable bulk sale, bulk transfer or similar laws in all jurisdictions.

SECTION 8.12. *Related Party Transactions.* Prior to the Closing, Discovery shall cause any contract or arrangement that is disclosed (or should have been disclosed) in Section 4.13(a)(ix) of the Disclosure Schedule to be terminated or otherwise addressed in a manner satisfactory to Oyster.

SECTION 8.13. *Conveyance Taxes.* Notwithstanding any provision of this Agreement to the contrary, all Conveyance Taxes incurred in connection with this Agreement and the transactions contemplated hereby shall be paid either by Discovery or on behalf of Discovery by FoundryCo, with a corresponding adjustment pursuant to Section 2.08(d). The Parties shall cooperate in timely making all filings, Tax Returns, reports and forms as may be required to comply with the provisions of Laws related to Conveyance Taxes.

SECTION 8.14. *Further Action.* Each of the Parties shall use its commercially reasonable efforts to take, or cause to be taken, all appropriate action, do or cause to be done all things necessary, proper or advisable under applicable Law, and to execute and deliver such documents and other papers, as may be required to carry out the provisions of this Agreement and the Ancillary Agreements to which it is a party and consummate and make effective the transactions contemplated hereby and thereby.

SECTION 8.15. *Risk of Loss.* (a) Discovery assumes the risk of loss or damage by fire or other casualty to any Owned Real Property, any Leased Real Property or any Tangible Personal Property prior to the Closing. In the event that any Owned Real Property or Leased Real Property shall suffer any material fire, casualty or injury prior to the Closing, Discovery agrees to (i) repair the damage at its sole cost and expense before the date set for delivery of the instrument of transfer or assignment, as applicable, hereunder, or (ii) make an appropriate reduction in the Purchase Price based on a reasonable approximation of the cost of such repair as agreed by the Parties, or (iii) assign to FoundryCo the proceeds of any insurances covering such fire, casualty or injury, provided that any deficiency in such proceeds shall result in an appropriate reduction in the Purchase Price based on a reasonable approximation of the cost of such repair as agreed by the Parties or, in the event the Parties cannot agree on the amount of such deficiency or reduction, an adjustment in the Purchase Price pursuant to Section 2.08. Notwithstanding the foregoing, no mitigation of any casualty loss to any Owned Real Property, any Leased Real Property or any Tangible Personal Property before delivery of the applicable instrument of transfer or assignment shall limit the ability of Pearl or Oyster to pursue any remedies under this Agreement to the extent

[Table of Contents](#)

that such casualty loss would cause Discovery to be in breach of any representation, warranty or covenant under this Agreement or to the extent that any such casualty loss would otherwise cause the failure of any condition to the obligations of Pearl or Oyster to consummate the transactions contemplated by this Agreement.

(b) The risk of loss or damage to the Owned Real Property or the Leased Real Property by condemnation prior to the Closing is assumed by Discovery. In the event any condemnation proceeding is commenced prior to the Closing, Discovery shall assign to FoundryCo at the Closing all of Discovery's right, title and interest in and to all awards made in respect of such condemnation and shall pay over to FoundryCo all amounts theretofore received by Discovery in connection with such condemnation.

POST-CLOSING COVENANTS

SECTION 9.01. *Pearl Director Designee.* For so long as Pearl and its Permitted Transferees beneficially own, in the aggregate, at least ten percent (10%) of the outstanding shares of Discovery Common Stock, it is the intention of the Parties that Pearl shall have the right to designate a representative (the "*Pearl Director Designee*") to the board of directors of Discovery. Discovery shall, upon Pearl's request, cause the Pearl Director Designee to be promptly appointed or elected to the board of directors of Discovery including, if necessary, by amending its by-laws to increase the number of authorized directors, or securing the resignation of an incumbent director as necessary to enable the Pearl Director Designee to be elected or appointed by the board of directors of Discovery to the vacant seat created thereby. For so long as Pearl shall have the right to designate the Pearl Director Designee pursuant to this Section 9.01, Discovery shall, subject to applicable Law, cause the board of directors of Discovery (or a nominating committee thereof) to nominate the Pearl Director Designee to stand for election at any meeting of the stockholders (or pursuant to the solicitation of written consents in lieu thereof) of Discovery at which the seat available for or held by the Pearl Director Designee is up for election at such meeting (or is the subject of such solicitation for action by written consent of the stockholders of Discovery). Discovery shall, subject to Section 14(f) of the Exchange Act and Rule 14f-1 promulgated thereunder, take all actions required pursuant to Section 14(f) and Rule 14f-1 as is necessary to enable the Pearl Director Designee to be elected to the board of directors of Discovery. The provisions of this Section 9.01 are in addition to and shall not limit any rights that Pearl or any of its Permitted Transferees may have as a holder or beneficial owner of Discovery Common Stock as a matter of Law with respect to the election of directors or otherwise.

SECTION 9.02. *Access to Information.* (a) For a period of ten (10) years after the Closing, the Parties shall cause FoundryCo to, and FoundryCo shall, (i) retain the books and records relating to the FoundryCo Assets, the Transferred FoundryCo Subsidiaries and the Transferred FoundryCo JV Entities relating to periods prior to the Closing in a manner reasonably consistent with the prior practice of Discovery and (ii) upon reasonable notice, afford the officers, employees, agents and representatives of Discovery and Oyster reasonable access (including the right to make, at the requesting Party's expense, photocopies), during normal business hours, to such books and records, including employment records.

(b) For a period of ten years following the Closing, Discovery shall (i) retain the books and records including electronic data (e.g. relevant financial data in the ERP system) of Discovery which relate to the FoundryCo Assets and the Assumed Liabilities, the Transferred FoundryCo Subsidiaries and the Transferred FoundryCo JV Entities and their operations for periods prior to the Closing and which shall not otherwise have been delivered to FoundryCo and (ii) upon reasonable notice, afford the officers, employees, agents and representatives of FoundryCo and Oyster reasonable access (including access to electronic data and including the right to make photocopies, at the requesting Party's expense), during normal business hours, to such books and records, including employment records.

SECTION 9.03. *Further Assurances.* (a) Each of the Parties shall use its commercially reasonable efforts to take, or cause to be taken, all appropriate action, do or cause to be done all the things necessary, proper or advisable under applicable Law, and to execute and deliver such documents and other papers, as may be required

Table of Contents

to carry out the provisions of this Agreement and the Ancillary Agreements to which it is a party and consummate and make effective the transactions contemplated hereby and thereby.

(b) Without limiting the generality of the provisions of Section 9.03(a), Discovery agrees that, in the event that any consent, approval or authorization necessary or desirable to preserve for the benefit of FoundryCo any right or benefit under any lease, license, contract, commitment or other agreement or arrangement to which Discovery or any Subsidiary is a party is not obtained prior to the Closing, Discovery shall, subsequent to the Closing, cooperate with FoundryCo in attempting to obtain such consent, approval or authorization as promptly thereafter as practicable. If such consent, approval or authorization cannot be obtained, Discovery shall use its commercially reasonable efforts to provide FoundryCo with the rights and benefits of the affected lease, license, contract, commitment or other agreement or arrangement for the term of such lease, license, contract or other agreement or arrangement, and, if Discovery provides such rights and benefits, FoundryCo, as the case may be, shall assume the obligations and burdens thereunder.

SECTION 9.04. *Authorization for Listing.* Upon issuance of the Discovery Shares and the Warrant Shares, Discovery shall file a notice of issuance to cause the Discovery Shares and the Warrant Shares to be listed on the New York Stock Exchange.

SECTION 9.05. *Standstill.* Oyster and Pearl agree that from the date hereof until the earlier of (a) the fifth (5th) anniversary of the Closing Date, or (b) such time as Oyster and Pearl, together with their respective Affiliates and Permitted Transferees, beneficially own in the aggregate less than ten percent (10%) of the outstanding voting securities of Discovery, neither Oyster, Pearl, nor their respective Affiliates or Permitted Transferees shall, except as expressly contemplated by this Agreement or unless specifically invited in writing by the board of directors of Discovery, in any manner, directly or indirectly:

- (i) acquire or offer to acquire, seek, propose or agree to acquire, by means of a purchase, tender or exchange offer, merger, business combination or in any other manner, beneficial ownership as defined in Rule 13d-3 under the Exchange Act of any securities of Discovery or ownership of any material assets, indebtedness or business of Discovery, including, in each case, any rights or options to acquire such ownership (including from any third person), if such direct or indirect acquisition would cause Oyster and Pearl, together with their respective Affiliates and Permitted Transferees, to beneficially own more than twenty-two-and-one-half percent (22.5%) of the outstanding voting securities of Discovery;
- (ii) initiate, or induce or attempt to induce any other Third Person to initiate, any shareholder proposal or tender offer for any securities of Discovery, any change of control of Discovery or the convening of a shareholders' meeting of Discovery;

- (v) make any public disclosure, or take any action (including making any non-public communication to Discovery) which would be reasonably likely to require Discovery to make any public disclosure, with respect to any of the matters set forth in paragraphs (i), (ii) or (iii) of this Section;

- (vi) contact, or enter into any discussions or arrangements with, any Third Person who has filed, or will, within ten (10) days thereafter, be required to file, a statement containing the information required by Rule 13d-1 under the Exchange Act, concerning any of the matters set forth in this Section 9.05; or
- (vii) advise, assist or encourage any other Persons in connection with any of the foregoing.

Oyster and Pearl also agree during such period not to request that Discovery or any of its representatives, directly or indirectly, amend or waive any provision of this paragraph (including this sentence), provided, that either Oyster or Pearl may ask Discovery whether it would wish to entertain a proposal for the acquisition of Discovery, but may not make such a proposal absent Discovery's affirmative response to such question. Nothing in this Section 9.05 shall prohibit or prevent Oyster, Pearl or any of their respective Affiliates and Permitted Transferees from voting any securities at their sole discretion on matters submitted to the stockholders of Discovery for a vote, or from voting in favor of, or tendering any Discovery securities held by any of them into, any extraordinary transaction involving Discovery or a substantial portion of its securities or assets.

SECTION 9.06. *Restrictions on Resale of Discovery Shares.* From and after the Closing Date, until such time as Pearl (together with any Permitted Transferees to whom Pearl has transferred beneficial ownership of Discovery Common Stock) shall beneficially own (within the meaning of the Exchange Act), in the aggregate, less than ten percent (10%) of the Discovery Common Stock then outstanding, regardless of whether Pearl is an "affiliate" of Discovery (as defined in Rule 144(a)(1), promulgated by the SEC under the Securities Act), Pearl and such Permitted Transferees may only resell shares of Discovery Common Stock (i) in connection with a bona fide pledge or other hypothecation or transfer in connection with a financing transaction secured by a pledge of Pearl's Discovery Common Stock, (ii) by means of an underwritten public offering pursuant to an effective registration statement under the Securities Act, or (iii) pursuant to Rule 144. Notwithstanding the foregoing, Pearl or its Permitted Transferees may sell or transfer, including transfer by operation of law, shares of Discovery Common Stock to any Permitted Transferee. Pearl shall provide Discovery with notice of such sale or transfer, and upon such sale or transfer, any such Permitted Transferee shall be bound by the provisions of this Section 9.06 and shall provide a written agreement or undertaking to such effect, in form and substance reasonably satisfactory to Discovery.

SECTION 9.07. *Confidentiality of Proprietary Information.* (a) Each Party (i) shall, and shall cause its officers, directors, employees, attorneys, accountants, auditors and agents, to the extent such Persons have received any Confidential Information (as defined herein) (collectively "*Representatives*") and its Affiliates and their Representatives, to the extent such Persons have received any Confidential Information, to maintain in strictest confidence any and all confidential information relating to FoundryCo, any other Party, or any of their respective Subsidiaries that is proprietary to FoundryCo, any other Party, or any of their respective Subsidiaries as applicable, or otherwise not available to the general public, including information about properties, employees, finances, businesses and operations of FoundryCo, any other Party, or any of their respective Subsidiaries and all notes, analyses, compilations, studies, forecasts, interpretations or other documents prepared by a receiving Party or its Representatives which contain, reflect or are based upon, in whole or in part, the information furnished to or acquired by such Party ("*Confidential Information*") and (ii) shall not disclose, and shall cause its Representatives, not to disclose, Confidential Information to any Person other than to another Party, FoundryCo and their respective Subsidiaries (including the agents, employees and attorneys thereof and the members of the board of directors of FoundryCo), except only to the extent such disclosure is required by applicable Law, or legal process (including pursuant to any listing agreement with, or the rules or regulations of, any national securities exchange on which any securities of such Party (or any Affiliate thereof) are listed or traded) in which event the Party making such disclosure or whose Affiliates or Representatives are making such disclosure shall so notify the other Parties as promptly as practicable (and, if possible, prior to making such disclosure) and shall seek confidential treatment of such information if reasonably requested.

(b) Notwithstanding Section 9.07(a):

- (i) Any Party or any Representative thereof may disclose any Confidential Information for bona fide business purposes on a strict “need to know” basis to its Affiliates, its board of directors (or equivalent governing body), its Representatives and its lenders, provided, however, that in each such case each such Person is bound by a legal duty to or otherwise agrees to keep such Confidential Information confidential in the manner set forth in this Section 9.07.
- (ii) The provisions of this Section 9.07 shall not apply to, and Confidential Information shall not include:
 - (A) any information that is or has become generally available to the public other than as a result of a disclosure by any Party or any Affiliate or Representative thereof in breach of any of the provisions of this Section 9.07;
 - (B) any information that has been independently developed by such Party (or any Affiliate thereof) without violating any of the provisions of this Agreement or any other similar contract to which such Party, or any Affiliate thereof or their respective Representatives, is bound;
 - (C) any information made available to such Party (or any Affiliate thereof), on a non-confidential basis by any third party who is not prohibited from disclosing such information to such Party by a legal, contractual or fiduciary obligation to any other Party or any of its Representatives; or
 - (D) any information already possessed by such Party (or any Affiliate thereof) and not obtained pursuant or subject to a confidentiality agreement.

(c) Except as otherwise provided for in this Section 9.07, Confidential Information received hereunder shall be used by each Party and its Affiliates solely for use in connection with such Party’s investment in FoundryCo and with respect to FoundryCo and its Subsidiaries.

(d) The obligations of each of Oyster and Discovery under this Section 9.07 shall survive for as long as such Party remains a shareholder of FoundryCo, and for two (2) years after such Party ceases to be a shareholder of FoundryCo, notwithstanding such Party’s ceasing to be a shareholder of FoundryCo or any Person ceasing to be an Affiliate of such Party. The obligations of Pearl under this Section 9.07 shall survive for as long as the obligations of Oyster survive hereunder.

SECTION 9.08. *Settlement of Claims by Discovery.* From and after the date hereof, Discovery shall not settle, or make any binding offer to settle, any material Claim or Action related to the FoundryCo Assets, the Transferred FoundryCo Subsidiaries or the Transferred FoundryCo JV Entities, including Claims or Actions related to Excluded Liabilities, unless such settlement would not result in any Encumbrances or Liabilities on any of the FoundryCo Assets, or on any member of the FoundryCo Group or any Encumbrance on the conduct of the business of the FoundryCo Group as proposed to be conducted by this Agreement, the Ancillary Agreements or the FoundryCo Business Plan, or include any acknowledgment of validity or invalidity, enforceability or lack thereof, infringement or lack thereof, or interpretation of any claim with regard to any of the Intellectual Property related to such Claim or Action. Except as otherwise prohibited by applicable law, Discovery agrees to (i) promptly notify FoundryCo when it engages in settlement discussions with respect to any such Claims or Actions, and (ii) keep FoundryCo regularly apprised with respect to any such settlement discussions. The provisions of this Section shall apply to any antitrust or unfair competition Claims or Actions by Discovery against or involving Intel Corporation (including its Affiliates), and notwithstanding herein to the contrary, any such Claim or Action involving Intel Corporation may not be settled without the prior, written consent of FoundryCo, which consent shall not be unreasonably withheld.

(a) *Transferred Employees in the United States.* At least thirty (30) days prior to the Closing Date (or such lesser time as may be appropriate for employees who are hired or return from a leave of absence within thirty (30) days of the Closing Date or as Discovery and FoundryCo may otherwise agree), FoundryCo shall extend, or shall cause its applicable Subsidiaries to extend an offer of employment to each Transferred Employee providing services in the United States listed on Section 10.01(a) of the Disclosure Schedule (the “*U.S. Transferred Employees*”), which schedule may be updated from time to time as may reasonably be agreed by the parties. Effective as of the Closing Date, FoundryCo shall hire, or shall cause its applicable Subsidiaries to hire each U.S. Transferred Employee who timely accepts the offer of employment extended by FoundryCo.

(b) *Transferred Employees Outside of the United States.* (A) Effective as of the Closing Date, FoundryCo agrees to employ in the particular jurisdiction, or cause its applicable Subsidiaries to employ, (A) each Transferred Employee providing services outside of the United States listed Section 10.01(b) of the Disclosure Schedule who accepts an offer of employment from FoundryCo and (B) each Transferred Employee providing services outside of the United States listed on Section 10.01(b) of the Disclosure Schedule, which schedule may be updated from time to time as may reasonably be agreed by the parties (together with the Transferred Employees referenced in clause (A), the “*Non-U.S. Transferred Employees*”), who becomes employed by FoundryCo pursuant to applicable Law, applicable transfer Laws, including the European Union Acquired Rights Directive (as amended and as implemented from country to country from time to time) (such transfer laws and regulations, collectively, the “*Transfer Laws*”). Discovery and FoundryCo further agree to fully and timely cooperate in the transition activities and also to comply (and cause their applicable Subsidiaries to comply) with the Transfer Laws, which cooperation may include the execution of further agreements between appropriate Subsidiaries of Discovery and FoundryCo on a country by country basis.

SECTION 10.02. *Transferred Employees.* To the greatest extent permitted by applicable Law, FoundryCo shall provide service credit for all periods of service by the U.S. Transferred Employees and Non-U.S. Transferred Employee who accept an offer of employment with, or whose employment otherwise transfers to, FoundryCo (collectively, the “*Transferred Employees*”) under FoundryCo’s employee policies and plans except to the extent such service credit would result in the duplication of benefit accrual for the same period of service. FoundryCo shall be responsible for all Liabilities, salaries, benefits and similar employer obligations that arise after Closing under FoundryCo’s compensation and benefit plans and policies for all Transferred Employees. Except as may otherwise be agreed in writing among the Parties, FoundryCo shall be responsible for liabilities with respect to the termination of employment of any Transferred Employees by FoundryCo after the Closing, including health care continuation coverage with respect to plans established or maintained by FoundryCo after the Closing to the extent that the Transferred Employees participate therein, and damages or settlements arising out of any Claims of wrongful, constructive or illegal termination or dismissal by FoundryCo following the Closing, and for complying with the requirements of all applicable Laws with respect to any such termination by FoundryCo after the Closing.

FoundryCo shall pay the Transferred Employees who hold such Transferred Employee Stock Options the cash payments described in this Section 10.03(a) within ninety (90) days following the Closing (or if such day is not a Business Day, the next Business Day that follows thereafter), but in no event later than December 31 of the year in which the Closing occurs, subject to the Transferred Employee remaining in the continuous employ of FoundryCo through the payment date.

(b) Restricted Stock Units. Each Transferred Employee who holds, immediately prior to the Closing, an unvested restricted stock unit granted under the Stock Option Plans that is cancelled or expires in accordance with its terms at or immediately after the Closing (each, a “*Transferred Employee RSU*”), shall, to the extent permitted by applicable Law, be entitled to be paid by FoundryCo, with respect to each Transferred Employee RSU, an amount in cash equal to the closing price for a share of Discovery Common Stock on the Business Day immediately prior to the Closing, less such amounts as are required to be withheld or deducted under the Code or any provision of U.S. state or local tax Law with respect to the making of such payment. FoundryCo shall pay the Transferred Employees who hold such Transferred Employee RSUs the cash payments described in this Section 10.03(b) within ninety (90) days following the Closing (or if such day is not a Business Day, the next Business Day that follows thereafter), but in no event later than December 31 of the year in which the Closing occurs, subject to the Transferred Employee remaining in the continuous employ of FoundryCo through the payment date.

(a) The representations and warranties of Discovery contained in Article IV of this Agreement, and the representations and warranties of Discovery contained in the Ancillary Agreements that relate to the FoundryCo Assets, the Transferred FoundryCo Subsidiaries and the Transferred FoundryCo JV Entities, shall survive the Closing until the second (2nd) anniversary of the Closing; provided, however, that (i) the representations and warranties made pursuant to Sections 4.01, 4.02, 4.03 and 4.04 shall survive indefinitely, (ii) the representations and warranties set forth in Sections 3.17, 3.20, 4.12, 4.18, 4.19 and 4.24 shall survive until one hundred twenty (120) days after the expiration of the relevant statute of limitations for any Claims or Liabilities related to such representations and warranties, and (iii) any Claim arising out of the fraudulent misrepresentation by Discovery shall survive until the expiration of the applicable statute of limitations. Neither the period of survival nor the liability of Discovery with respect to Discovery's representations and warranties shall be reduced by any investigation made at any time by or on behalf of Oyster or FoundryCo. If written notice of a Claim has been given by Oyster or FoundryCo to Discovery prior to the expiration of the applicable representations and warranties, then the relevant representations and warranties shall survive as to such Claim, until such Claim has been finally resolved.

warranty by Discovery that is qualified by “Material Adverse Effect,” Discovery shall be deemed to have made such misrepresentation or breached such warranty if the representation or warranty is untrue or incorrect, regardless of whether such misrepresentation or breach has resulted in a Material Adverse Effect, and (ii) for the purpose of determining the amount of Losses attributable to any misrepresentation or breach, such representations and warranties shall be interpreted without giving effect to any limitations or qualifications as to “materiality” (including the word “material”) or “Material Adverse Effect” set forth therein);

(e) with respect to Claims that relate to conditions existing at any time period prior to the Closing (i) any Hazardous Material at, on, under, migrating to or from, or transported to or from the Luther Forest Site excluding any portion thereof that is included in the Malta Rocket Fuel Area, (ii) any Environmental Claim arising at any time that relates in any way to the Luther Forest Site excluding any portion thereof that is included in the Malta Rocket Fuel Area, or (iii) any noncompliance with or violation of any applicable Environmental Law or Environmental Permit relating in any way to the Luther Forest Site excluding any portion thereof that is included in the Malta Rocket Fuel Area, except, in each case, to the extent such Oyster/FoundryCo Losses result from the negligence or willful misconduct of FoundryCo;

(f) with respect to any Claims, whether such Claims relate to conditions that exist or arise prior to or after the Closing (i) any Hazardous Material at, on, under, migrating to or from, or transported to or from the Malta Rocket Fuel Area, (ii) any Environmental Claim arising at any time that relates in any way to the Malta Rocket Fuel Area, or (iii) any noncompliance with or violation of any applicable Environmental Law or Environmental Permit relating in any way to the Malta Rocket Fuel Area, except, in each case to the extent such Oyster/FoundryCo Losses result from the gross negligence or willful misconduct of FoundryCo;

(i) the Excluded Liabilities.

To the extent that Discovery's undertakings set forth in this Section 12.02 may be unenforceable, Discovery shall contribute the maximum amount that it is permitted to contribute under applicable Law to the payment and satisfaction of all Oyster/FoundryCo Losses.

To the extent that Discovery's undertakings set forth in this Section 12.03 may be unenforceable, Discovery shall contribute the maximum amount that it is permitted to contribute under applicable Law to the payment and satisfaction of all Pearl Losses.

(a) the breach of any covenant or agreement by FoundryCo contained in the Transaction Documents;

Table of Contents

The indemnification obligations of this Section 12.04 shall be in addition to FoundryCo's obligations to indemnify directors and officers, including directors appointed by Discovery, pursuant to the Memorandum and Articles of Association and the Shareholders' Agreement. To the extent that FoundryCo's undertakings set forth in this Section 12.04 may be unenforceable, FoundryCo shall contribute the maximum amount that it is permitted to contribute under applicable Law to the payment and satisfaction of all Discovery Losses.

SECTION 12.05. *Indemnification of Oyster by FoundryCo.* Oyster and its Affiliates, officers, directors, employees, agents, successors and assigns (each an "Oyster Indemnified Party"), shall be indemnified and held harmless by FoundryCo for and against any and all Losses (any Loss by such Persons, an "Oyster Loss") arising out of or resulting from or incurred by reason of or in connection with:

(a) the breach of any covenant or agreement by FoundryCo contained in the Transaction Documents;

(b) Assumed Liabilities (other than Oyster Losses caused by a breach of a representation or warranty by Oyster or non-fulfillment of any covenant or agreement of Oyster contained in any Transaction Document); or

(c) the operation of FoundryCo, the FoundryCo Assets, the Transferred FoundryCo Subsidiaries, and the Transferred FoundryCo JV Entities after the Closing.

The indemnification obligations of this Section 12.05 shall be in addition to FoundryCo's obligations to indemnify directors, including directors appointed by Oyster, pursuant to the Memorandum and Articles of Association and the Shareholders' Agreement. SECTION 12.06. *Limits on Indemnification.* (a) Notwithstanding anything to the contrary contained in this Agreement or the Shareholders' Agreement, FoundryCo shall not submit any notice of Claim to Discovery or directly pursue any Claim for indemnification against Discovery for Oyster/FoundryCo Losses suffered by FoundryCo, in any case, pursuant to Section 12.02. Any such notice of claim shall be given, and any such Claim against Discovery shall be made, prosecuted, and if applicable, settled by Oyster in the name of FoundryCo. FoundryCo shall cooperate with Oyster in the investigation and prosecution of any such Claim, and shall make available to Oyster all witnesses, pertinent records, materials and information in FoundryCo's possession or under FoundryCo's control relating thereto as is reasonably required by Oyster in connection with such Claim or any Action related to such Claim. In the event that Oyster shall pursue a Claim against Discovery on behalf of FoundryCo, such indemnification shall be made directly to FoundryCo, provided that Oyster may recover all Oyster/FoundryCo Losses consisting of expenses (including reasonable attorneys' and consultants' fees and expenses) actually incurred by Oyster in connection with the investigation and prosecution of any such Claim or Action related to such Claim.

(b) In the event that Oyster has a Claim for indemnification against Discovery pursuant to Section 12.02 that is based on Oyster/FoundryCo Losses suffered or incurred by FoundryCo, and Oyster suffers or incurs such Oyster/FoundryCo Losses only indirectly as a result of a diminution in the value of Oyster's debt or equity securities of FoundryCo, then Oyster may pursue a Claim for indemnification by Discovery pursuant to the provisions of Section 12.02 only on behalf of FoundryCo. Upon discharge and satisfaction by Discovery of the full amount of its indemnification obligations to FoundryCo for such Losses, Discovery's indemnification obligations for such Losses shall be deemed satisfied with respect to Oyster.

(c) Notwithstanding anything to the contrary contained in this Agreement:

- (i) Discovery shall not be liable for any Claim for indemnification pursuant to Section 12.02(a) or (c) (to the extent also constituting a misrepresentation or a breach of warranty contained in this Agreement), or Section 12.03(a) or (c) (to the extent also constituting a misrepresentation or a breach of warranty contained in this Agreement), unless and until the aggregate amount of

indemnifiable Oyster/FoundryCo Losses and Pearl Losses which may be recovered from Discovery equals or exceeds, in the aggregate, twenty-one million dollars (\$21,000,000) whereupon the Oyster/FoundryCo Indemnified Parties and the Pearl Indemnified Parties shall be entitled to indemnification for the full amount of such Oyster/FoundryCo Losses and Pearl Losses, as the case may be; and

- (ii) the maximum amount of indemnifiable Oyster/FoundryCo Losses and Pearl Losses which may be recovered by the Oyster/FoundryCo Indemnified Parties and Pearl Indemnified Parties arising out of or resulting from the causes set forth in Section 12.02(a) or (c) (to the extent also constituting a misrepresentation or a breach of warranty contained in this Agreement), and Section 12.03(a) or (c) (to the extent also constituting a misrepresentation or a breach of warranty contained in this Agreement), shall be, in the aggregate, seven hundred million dollars (\$700,000,000).

The limitations of this Section 12.06(c) shall not apply with respect to indemnification for Taxes pursuant to Section 12.02(a).

(d) The Parties shall make appropriate adjustments for insurance proceeds actually received, net of all reasonable and documented costs and expenses of recovery, in calculating Losses under this Article XII. Any insurance proceeds actually recovered by an Indemnified Party to the extent relating to any Losses previously paid by an Indemnifying Party shall be paid over promptly to such Indemnifying Party.

(e) No Party (or any other Indemnified Party) shall seek or be entitled to receive any consequential damages, including but not limited to loss of revenue or income, cost of capital, or loss of business reputation or opportunity, relating to any misrepresentation or breach of any warranty or covenant set forth in this Agreement or any Ancillary Agreement; nor shall any Party or Indemnified Party seek or be entitled to receive punitive damages as to any matter under, relating to or arising out of the transaction contemplated by this Agreement or the Ancillary Agreements.

SECTION 12.07. *Notice of Loss; Third Party Claims.* (a) An Indemnified Party shall give the Indemnifying Party notice of any matter that an Indemnified Party has determined has given or could give rise to a right of indemnification under this Agreement, within one hundred eighty (180) days of such determination, stating the amount of the Loss, if known, and method of computation thereof, and containing a reference to the provisions of this Agreement in respect of which such right of indemnification is claimed or arises.

(b) If an Indemnified Party shall receive notice of any Action, audit, demand or assessment (each, a "*Third Party Claim*") against it or which may give rise to a Claim for a Loss under this Article XII, within ninety (90) days of the receipt of such notice, the Indemnified Party shall give the Indemnifying Party notice of such Third Party Claim; provided, however, that the failure to provide such notice shall not release the Indemnifying Party from any of its obligations under this Article XII except to the extent that the Indemnifying Party is materially prejudiced by such failure and shall not relieve the Indemnifying Party from any other obligation or Liability that it may have to any Indemnified Party otherwise than under this Article XII. If the Indemnifying Party acknowledges in writing its obligation to indemnify the Indemnified Party hereunder against any Losses that may result from such Third Party Claim, then the Indemnifying Party shall be entitled to assume and control the defense of such Third Party Claim at its expense and through counsel of its choice if it gives notice of its intention to do so to the Indemnified Party within thirty (30) days of the receipt of notice from the Indemnified Party of such Third Party Claim; provided, however, that if there exists or is reasonably likely to exist a conflict of interest that would make it inappropriate in the judgment of the Indemnified Party in its sole and absolute discretion for the same counsel to represent both the Indemnified Party and the Indemnifying Party, then the Indemnified Party shall be entitled to retain its own counsel in each jurisdiction for which the Indemnified Party determines counsel is required, at the expense of the Indemnifying Party. In the event that the Indemnifying Party exercises the right to undertake any such defense against any such Third Party Claim as provided above, the Indemnified Party shall cooperate with the Indemnifying Party in such defense and make available to the Indemnifying Party, at the Indemnifying Party's expense, all witnesses, pertinent records, materials and information in the Indemnified Party's possession or under the Indemnified Party's control relating thereto as is

[Table of Contents](#)

reasonably required by the Indemnifying Party. Similarly, in the event the Indemnified Party is, directly or indirectly, conducting the defense against any such Third Party Claim, the Indemnifying Party shall cooperate with the Indemnified Party in such defense and make available to the Indemnified Party, at the Indemnifying Party's expense, all such witnesses, records, materials and information in the Indemnifying Party's possession or under the Indemnifying Party's control relating thereto as is reasonably required by the Indemnified Party. No such Third Party Claim may be settled by the Indemnifying Party without the prior written consent of the Indemnified Party.

SECTION 12.08. *Tax Treatment.* The Parties agree that all payments made by either Discovery or Oyster to or for the benefit of the other under this Article XII, under other indemnity provisions of the Transaction Documents unless otherwise stated in the other Transaction Documents, and for any misrepresentations or breaches of warranties or covenants under the Transaction Documents, shall be treated as adjustments to the purchase price for Tax purposes and that such treatment shall govern for purposes hereof except to the extent that the Laws of a particular jurisdiction provide otherwise, in which case such payments shall be made in an amount sufficient to indemnify the relevant Party on an after-Tax basis. The Parties further agree that all payments made by either Discovery or Oyster to or for the benefit of FoundryCo under this Article XII, under other indemnity provisions of the Transaction Documents unless otherwise stated in the other Transaction Documents, and for any misrepresentations or breaches of warranties or covenants under the Transaction Documents, shall be treated as a contribution to the capital of FoundryCo by the indemnifying Party, and the Loss of FoundryCo that gives rise to such indemnification obligation shall be specially allocated to the indemnifying Party pursuant to the penultimate sentence of Section 2.2 of Exhibit C to the Tax Matters Agreement. Neither such contribution nor such special allocation of the Loss shall increase or decrease a Party's percentage interest, allocations, or distributions in respect of its equity interest in FoundryCo.

ARTICLE XIII

TERMINATION

SECTION 13.01. *Termination.* This Agreement may be terminated at any time prior to the Closing:

(a) by either Oyster or Pearl if, between the date hereof and the Closing: (i) an event or condition occurs that has resulted in a Material Adverse Effect, (ii) any representations and warranties of Discovery contained in this Agreement (A) that are not qualified by "materiality" or "Material Adverse Effect" shall not have been true and correct in all material respects when made and the result thereof is reasonably likely to cause a Material Adverse Effect or (B) that are qualified by "materiality" or "Material Adverse Effect" shall not have been true and correct when made and the result thereof is reasonably likely to cause a Material Adverse Effect, (iii) Discovery shall not have complied in all material respects with the covenants or agreements contained in this Agreement to be complied with by it and the result thereof is reasonably likely to cause a Material Adverse Effect, (iv) Discovery shall have failed to comply in any material respect with its covenants contained in Section 8.09, or (v) Discovery makes a general assignment for the benefit of creditors, or any proceeding shall be instituted by or against Discovery seeking to adjudicate it a bankrupt or insolvent, or seeking its liquidation, winding up or reorganization, or seeking any arrangement, adjustment, protection, relief or composition of its debts under any Law relating to bankruptcy, insolvency or reorganization;

(b) by any of Discovery, Oyster or Pearl if the Closing shall not have occurred by March 7, 2009 (the "*Termination Date*"); provided, however, that the right to terminate this Agreement under this Section 13.01(b) shall not be available to any Party whose failure to fulfill any obligation under this Agreement shall have been the cause of, or shall have resulted in, the failure of the Closing to occur on or prior to the Termination Date, and provided further, that, if as of the Termination Date, Discovery has received and there is pending a Discovery Change of Control Proposal, the Termination Date shall be extended to the earlier of (i) sixty (60) days following the receipt by Discovery of such Discovery Change of Control Proposal or (ii) the occurrence of a Discovery Change of Control Triggering Event;

(c) by any of Discovery, Oyster or Pearl in the event that any Governmental Authority shall have issued an order, decree or ruling or taken any other action restraining, enjoining or otherwise prohibiting or rendering illegal the transactions contemplated by this Agreement and such order, decree, ruling or other action shall have become final and nonappealable;

(d) by Oyster or Pearl upon the occurrence of a Discovery Change of Control Triggering Event;

(e) by Oyster or Pearl if representatives of the U.S. Department of the Treasury and/or any other lead agency designated by the CFIUS for this transaction (at least one of whom serves at the rank of Deputy Assistant Secretary or higher), acting on behalf of the CFIUS, inform the Parties either that the CFIUS will refer the transaction to the President of the United States for decision, or that the CFIUS Clearance would be conditioned upon Mitigation Agreements that would be inconsistent with Section 8.07(d); or

(f) by the mutual written consent of Discovery, Oyster and Pearl.

SECTION 13.02. *Effect of Termination.* In the event of termination of this Agreement as provided in Section 13.01, this Agreement shall forthwith become void and there shall be no liability on the part of either Party except (a) as set forth in Section 13.03, and (b) that nothing herein shall relieve any Party from liability for any breach of this Agreement.

SECTION 13.03. *Expenses.* (a) Except as set forth in this Section 13.03, all expenses incurred in connection with this Agreement and the transactions contemplated by this Agreement shall be paid by the Party incurring such expenses, whether or not the transactions contemplated by this Agreement are consummated; provided, however, that immediately after the Closing, Discovery agrees to reimburse Pearl for up to ten million dollars (\$10,000,000) of out-of-pocket expenses incurred by Pearl in connection with the transactions contemplated by this Agreement.

(b) Discovery agrees that if Oyster or Pearl shall terminate this Agreement pursuant to Section 13.01(d), then Discovery shall pay to Pearl, promptly (but in any event no later than one business day after the first of such events shall have occurred) a fee of fifty million dollars (\$50,000,000) (the "*Pearl Termination Fee*"), which amount shall be payable in immediately available funds. In the event that any party has terminated this Agreement pursuant to Section 13.01(b) and on the Termination Date (including any extension thereof pursuant to Section 13.01(b)), the conditions contained in Section 11.02(f) and Section 11.03(g) were not satisfied, then for a period of twelve (12) months following such termination, if Discovery shall enter into a definitive written agreement for a Discovery Change of Control Transaction, or if a Discovery Change of Control Transaction shall have occurred, Discovery shall promptly pay to Pearl, in immediately available funds, the Pearl Termination. In the event that this Agreement shall be terminated for any reason following a material breach by Discovery of the covenants set forth in Section 8.09, then upon such termination Discovery shall promptly pay, in immediately available funds, the Pearl Termination Fee to Pearl, plus an amount payable to each of Oyster and Pearl, respectively, equal to the amount of Oyster's and Pearl's respective Purchaser Expenses.

(c) Discovery acknowledges that the agreements contained in this Section 13.03 are an integral part of the transactions contemplated by this Agreement. In the event that Discovery shall fail to pay the Pearl Termination Fee, or any Purchaser Expenses when due, the definition of the term "Purchaser Expenses" shall be deemed to include the costs and expenses actually incurred or accrued by Oyster and Pearl (including, without limitation, fees and expenses of counsel) in connection with the collection under and enforcement of this Section 13.03. Payment of the Pearl Termination Fee or any Purchaser Expenses as described in this Section 13.03 shall not be in lieu of any damages incurred in the event of any breach of this Agreement.

SECTION 14.02. *Public Announcements*. No Party shall make, or cause to be made, any press release or public announcement in respect of this Agreement or the transactions contemplated hereby or otherwise communicate with any news media without the prior consent of the other Parties unless otherwise required by Law or applicable stock exchange regulation, and the Parties shall cooperate as to the timing and contents of any such press release, public announcement or communication.

SECTION 14.03. *Severability*. If any term or other provision of this Agreement is invalid, illegal or incapable of being enforced by any Law or public policy, all other terms and provisions of this Agreement shall nevertheless remain in full force and effect for so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner materially adverse to either Party. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the Parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the Parties as closely as possible in an acceptable manner in order that the transactions contemplated hereby are consummated as originally contemplated to the greatest extent possible.

SECTION 14.04. *Entire Agreement*. This Agreement and the Ancillary Agreements constitute the entire agreement of the Parties with respect to the subject matter hereof and thereof and supersede all prior agreements and undertakings, both written and oral, among the Parties with respect to the subject matter hereof and thereof.

SECTION 14.05. *Assignment*. This Agreement may not be assigned by operation of law or otherwise without the express written consent of each Party (which consent may be granted or withheld in the sole discretion of such Party) and any such assignment or attempted assignment without such consent shall be void. Neither the transfer of ownership interests in Pearl to an Affiliate of Mubadala, nor the transfer of ownership interests in Oyster to any entity owned by the Government of the Emirate of Abu Dhabi shall be deemed to be an assignment, by operation of law or otherwise, of this Agreement or of any of the Ancillary Agreements. Notwithstanding the foregoing, prior to the Closing, Oyster may transfer by novation all of its rights, liabilities, duties and obligations relative to, and in connection with this Agreement and the Ancillary Agreements to which it is a party, to Advanced Technology Investment Company PJSC, a public joint stock company to be organized under the laws of the United Arab Emirates and wholly owned by the Government of the Emirate of Abu Dhabi ("Oyster Parent"), which novation shall become effective upon the written undertaking, in form reasonably satisfactory to Discovery, by Oyster Parent to perform all of the liabilities and obligations of Oyster under this Agreement and each Ancillary Agreement to which Oyster is a party. Upon the effectiveness of such novation, without any other action by the Parties, Oyster Parent shall be deemed to be Oyster for all purposes under this Agreement and each Ancillary Agreement to which Oyster is a party.

SECTION 14.06. *Amendment*. This Agreement may not be amended or modified except (a) by an instrument in writing signed by, or on behalf of, each Party or (b) by a waiver in accordance with Section 14.07.

SECTION 14.07. *Waiver*. Any Party to this Agreement may (a) extend the time for the performance of any of the obligations or other acts of any other Party, (b) waive any inaccuracies in the representations and warranties of other Parties contained herein or in any document delivered by other Parties pursuant hereto, or (c) waive compliance with any of the agreements of other Parties or conditions to such Party's obligations contained herein. Any such extension or waiver shall be valid only if set forth in an instrument in writing signed by the Party to be bound thereby. Any waiver of any term or condition shall not be construed as a waiver of any subsequent breach or a subsequent waiver of the same term or condition, or a waiver of any other term or condition of this Agreement. The failure of any Party to assert any of its rights hereunder shall not constitute a waiver of any of such rights. All rights and remedies existing under this Agreement are cumulative to, and not exclusive of, any rights or remedies otherwise available.

SECTION 14.08. *Third Party Beneficiaries*. Except for the provisions of Article XII relating to Indemnified Parties, this Agreement shall be binding upon and inure solely to the benefit of the Parties and their respective successors and permitted assigns and nothing herein, express or implied, is intended to or shall confer upon any

other Person, including any union or any employee or former employee of any Party, any legal or equitable right, benefit or remedy of any nature whatsoever, including any rights of employment for any specified period, under or by reason of this Agreement.

SECTION 14.09. *Governing Law; Arbitration.*

(a) This Agreement shall be governed by, and construed in accordance with, the Laws of the State of New York applicable to contracts executed in and to be performed in that State, without regard to principles of the conflict of laws.

(b) Any dispute arising out of, or in connection with this Agreement or any of the Ancillary Agreements or any transactions contemplated hereby or thereby, including any question regarding the existence, validity, interpretation, breach or termination of this Agreement or any of the Ancillary Agreements (a “*Dispute*”), shall be referred, upon written notice (a “*Dispute Notice*”) given by one Party to the other(s), to a senior executive from each Party. The senior executives shall seek to resolve the Dispute on an amicable basis within thirty (30) days of the Dispute Notice being received

(c) Any Dispute not resolved within thirty (30) days of the Dispute Notice being received shall be referred to, and shall be finally and exclusively resolved by, arbitration under the LCIA Rules then in effect, as amended by this Section 14.09, which LCIA Rules are deemed to be incorporated by reference into this Section 14.09. The seat, or legal place, of the arbitration shall be London, England. The language of the arbitration shall be English. The number of arbitrators shall be three (3). Each Party shall nominate one arbitrator and the two arbitrators nominated by the Parties shall, within thirty (30) days of the appointment of the second arbitrator, agree upon and nominate a third arbitrator who shall act as Chairman of the Tribunal. If no agreement is reached within thirty (30) days, the LCIA Court shall appoint a third arbitrator to act as Chairman of the Tribunal. The Chairman of the arbitration panel should not be a citizen or a resident of the country of an arbitrator nominated by, or appointed on behalf of, a Party nor should the Chairman be a citizen or a resident of the United States of America or the United Arab Emirates. It is hereby expressly agreed that if there is more than one claimant party or more than one respondent party, the claimant parties shall together nominate one arbitrator and the respondent parties shall together nominate one arbitrator. In the event that a sole claimant or the claimant parties, on the one side, or a sole respondent or the respondent parties, on the other side, fails to nominate its/their arbitrator, such arbitrator shall be appointed by the LCIA Court. Any award issued by the arbitrators shall be final and binding upon the Parties, and, subject to this Section 14.09(c) and to Section 14.09(d), may be entered and enforced in any court of competent jurisdiction by any of the Parties. In the event any Party subject to such final and binding award desires to have it confirmed by a final order of a court, the only court which may do so shall be a court of competent jurisdiction located in London, England; provided however, that nothing in this sentence shall prejudice or prevent a Party from enforcing the arbitrators’ final and binding award in any court of competent jurisdiction. The Parties hereto acknowledge and agree that any breach of the terms of this Agreement or any of the Ancillary Agreements could give rise to irreparable harm for which money damages would not be an adequate remedy. Accordingly, the Parties agree that, prior to the formation of the Tribunal, the Parties have the right to apply exclusively to any court of competent jurisdiction or other judicial authority located in London, England for interim or conservatory measures, including, without limitation, to compel arbitration (an “*Interim Relief Proceeding*”). Furthermore, the Parties agree that, after the formation of the Tribunal, the arbitrators shall have the sole and exclusive power to grant temporary, preliminary and permanent relief, including injunctive relief and specific performance, and any then pending Interim Relief Proceeding shall be discontinued without prejudice to the rights of any of the parties thereto. Unless otherwise ordered by the arbitrators pursuant to the terms hereof, the arbitrators’ expenses shall be shared equally by the Parties. In furtherance of the foregoing, each of the Parties hereto irrevocably submits to: (i) the exclusive jurisdiction of the courts of England located in London, England in relation to any Interim Relief Proceeding and; (ii) the non-exclusive jurisdiction of the courts of England located in London, England with respect to the enforcement of any arbitral award rendered in accordance with this Section 14.09; and, with respect to any such suit, action or proceeding, waives any objection that it may have to the courts of England located in London, England on the grounds of inconvenient forum. For the avoidance of doubt, where an arbitral tribunal is appointed under this Agreement, the whole of its award shall

[Table of Contents](#)

be deemed for the purposes of the New York Convention on the Recognition and Enforcement of Foreign Arbitral Awards of 1958 to be contemplated by this Agreement or any of the Ancillary Agreements, as the case may be (and judgment on any such award may be entered in accordance with the provisions set forth in this Section 14.09).

(d) Each of Oyster and Pearl hereby irrevocably waives to the fullest extent permitted by applicable Law whatever defense it may have of sovereign immunity against suit or enforcement, for itself and its property (presently owned or subsequently acquired, and whether related to this Agreement or any of the Ancillary Agreements, as the case may be, or not), in: (i) any arbitration proceedings commenced and held in London, England in accordance with this Section 14.09(c); (ii) any Interim Relief Proceeding commenced and held in a court of competent jurisdiction in London, England, in accordance with Section 14.09(c); (iii) any proceedings in a court of competent jurisdiction located in London, England to confirm an award rendered by the arbitrators in accordance with this Section 14.09; and (iv) any proceedings in a court of competent jurisdiction to enforce an award, and each of Oyster and Pearl agrees that it will not raise, claim or cause to be pleaded any such immunity at or in respect of any such action or proceeding.

(e) The Parties hereto agree that the process by which any arbitral or other proceedings in London, England are begun may be served on them by being delivered to Law Debenture Corporate Services Limited or their registered offices for the time being and by giving notice in accordance with Section 14.01. If Law Debenture Corporate Services Limited is not or ceases to be effectively appointed to accept service of process in England on any Party's behalf, such Party shall immediately appoint a further person in England to accept service of process on its behalf. If within fifteen (15) days of notice from a Party requiring another Party to appoint a person in England to accept service of process on its behalf the other Party fails to do so, the Party shall be entitled to appoint such a person by written notice to the other Party. Nothing in this paragraph shall affect the right of the Parties to serve process in any other manner permitted by Law.

SECTION 14.10. *Currency.* Unless otherwise specified in this Agreement, all references to currency, monetary values and dollars set forth herein shall mean United States (U.S.) dollars and all payments hereunder shall be made in United States dollars.

SECTION 14.11. *No Presumption Against Drafting Party.* Each Party acknowledges and agrees it has had the opportunity to draft, review and edit the language of this Agreement and the Transaction Documents and that each of the Parties has been represented by counsel in connection with the negotiation and execution of this Agreement and the other Transaction Documents. Accordingly, any rule of law or any legal decision that would require interpretation of any claimed ambiguities in this Agreement against the drafting party has no application and is expressly waived.

SECTION 14.12. *Counterparts.* This Agreement may be executed and delivered (including by facsimile transmission) in one or more counterparts, and by the different Parties in separate counterparts, each of which when executed shall be deemed to be an original, but all of which taken together shall constitute one and the same agreement.

If such change of status is not known until after its occurrence, the former Permitted Transferee shall make such transfer to such transferring Shareholder as soon as practicable after the former Permitted Transferee receives notice thereof.

(b) Each Permitted Transferee shall enter into a joinder agreement pursuant to *Section 3.09(a)*.

During the Offer Period, the Other Shareholder shall have the right to accept such offer as to any or all of the Offered Securities by giving a written notice of acceptance (the “*Notice of Acceptance*”) to the Prospective Seller prior to the expiration of the Offer Period, which notice shall specify the number of Offered Securities to be purchased by the Other Shareholder. Alternatively, if the threshold set forth in *Section 3.07(b)* is met, the Other Shareholder shall have the right and option to notify the Prospective Seller of the Other Shareholder’s interest in selling along with the Prospective Seller to a Third Party (the “*Tag Along Offer*”) pursuant to *Section 3.07*.

(d) The consummation of any such purchase by and sale to the Other Shareholder shall take place not later than ten (10) days after the expiration of the Offer Period (unless a later date shall be required under the HSR Act or other applicable Law). Upon the consummation of such purchase and sale, the Prospective Seller shall (i) deliver to the Other Shareholder the Securities purchased, free and clear of any Encumbrances (other than this Agreement and applicable Law) and (ii) assign all of its rights and obligations under this Agreement with respect to such Securities against payment of the purchase price contained in the Offer.

SECTION 3.06 *Right of Last Look*

(a) The provisions of this *Section 3.06* shall survive the IPO.

(b) Following the end of the Restricted Period, except as provided for in *Section 3.03(b)*, a Prospective Seller shall not consummate any Sale of Securities to a Third Party without offering in writing at least ten (10) Business Days prior to the consummation of the Sale of Securities, the Other Shareholder the right to acquire the Offered Securities for the purchase price set forth in this *Section 3.06* and otherwise on the terms and conditions offered by the Third Party (the “*Last Look Notice*”). (c) To the extent that the Other Shareholder elects not to exercise its purchase right under this *Section 3.06* or does not timely deliver a Last Look Acceptance Notice, the Prospective Seller shall be permitted to consummate its transaction with the Third Party not later than five (5) Business Days after the expiration of the period of time for the Other Shareholder to deliver the Last Look Acceptance Notice. Alternatively, if the Other Shareholder timely delivers the Last Look Acceptance Notice, the Other Shareholder must consummate the acquisition of Securities on or before the proposed closing date identified in the Last Look Notice.

SECTION 3.07 *Tag-Along Rights*

(a) The provisions of this *Section 3.07* shall terminate upon the IPO.

Fully Diluted Shares, unless each Other Shareholder is provided the Offer Notice set forth in *Section 3.05* and is offered the right and option to sell pursuant to such disposition up to the same percentage of Securities held by it as the percentage of Securities held by the Prospective Seller as the Prospective Seller proposes to sell.

(ii) The Other Shareholder desiring to exercise such option shall, prior to the expiration of the Offer Period, provide the Prospective Seller with a written notice specifying the number of Securities as to which such Other Shareholder (the “*Tag-Along Offered Securities*”) has an interest in selling pursuant to the Tag-Along Offer (a “*Tag-Along Notice of Interest*”), and shall cooperate in such manner as the Prospective Seller shall reasonably request to permit the sale of such Securities pursuant to the Tag-Along Offer.

(iii) If the Third Party is unwilling to buy all of the Offered Securities, then the allocation of the Securities to be sold in the Tag-Along Offer shall be made pro rata based on the number of Securities each Shareholder proposes to sell.

(iv) Promptly after the consummation of the Sale of Securities of the Prospective Seller and the Other Shareholder to the Third Party or Parties pursuant to the Tag-Along Offer, the Prospective Seller shall remit to the Other Shareholder the total sales price of the Securities of the Other Shareholder sold pursuant thereto less the *pro rata* portion (based on sales price of Securities being sold by the respective parties) of the out-of-pocket expenses (including reasonable legal expenses) incurred by the Prospective Seller in connection with such sale; *provided, however*, that the Other Shareholder shall not be liable for any such expenses in the event that such sale is not consummated.

(v) If at the end of the Offer Period the Other Shareholder shall not have given a Tag-Along Notice of Interest, the Other Shareholder shall be deemed to have waived its rights under this *Section 3.07* with respect to the sale pursuant to the Tag-Along Offer with respect to which a Tag-Along Notice of Interest shall not have been given.

(vi) If, at the end of the twenty (20)-day period following the giving of the Offer Notice (or such later date as is required under the HSR Act or other applicable Law), the Prospective Seller has not completed the sale of all the Tag-Along Offered Securities made available to the Prospective Seller pursuant to *Section 3.07(b)(ii)*, the Prospective Seller shall return to the Other Shareholder all certificates and documents provided to the Prospective Seller by the Other Shareholder pursuant to *Section 3.07(b)(ii)*; *provided, however*, that the Prospective Seller shall not be relieved of its obligation to sell the Securities of the Other Shareholder in the event that such sale is ultimately completed with such Third Party or Parties.

(vii) Except as expressly provided in this *Section 3.07*, no Prospective Seller shall have any obligation to the Other Shareholder with respect to the sale of any Securities held by the Other Shareholder in connection with this *Section 3.07*. No Other Shareholder shall be entitled to sell and transfer Securities directly to any Third Party pursuant to a Tag-Along Offer (it being understood that all such sales shall be made only on the terms and pursuant to the procedures set forth in this *Section 3.07*).

SECTION 3.08 *Drag-Along Rights*

(a) The provisions of this *Section 3.08* shall terminate upon the IPO.

In such event, the Dragging-Along Shareholder may, at its option, require the other Shareholder (the “*Dragged-Along Shareholder*”) to sell all of the Securities then held by or registered in the names of such Dragged-Along Shareholder and its Permitted Transferees (“*Drag-Along Offered Securities*”) to the Third Party or Parties in the Drag-Along Transaction for the same consideration and otherwise on the same terms and conditions upon which the Dragging-Along Shareholder sells its Securities, subject to

Section 3.08(f). Each Shareholder hereby agrees that it will vote in favor of (or execute any written resolutions with respect to) any transaction required by this *Section 3.08(b)* and to take such further actions as may be reasonably required to effect such transaction, in each case, to the extent not inconsistent with this Agreement. In the event of a Drag-Along Transaction, none of the provisions of *Sections 3.02(b)(i)* and *(b)(iii)*, *3.05*, *3.06*, and *3.07* shall apply.

(c) The Dragging-Along Shareholder shall provide a written notice (the “*Drag-Along Notice*”) of such Drag-Along Transaction (the “*Drag-Along Offer*”) to the Dragged-Along Shareholder not later than thirty (30) days prior to the consummation of the sale contemplated by the Drag-Along Offer. The Drag-Along Notice shall contain written notice of the exercise of the Dragging-Along Shareholder’s rights pursuant to *Section 3.08(b)*, and shall identify the Third Party or Parties making the Drag-Along Offer, the consideration offered per Share and all other material terms and conditions of the Drag-Along Offer. Within twenty (20) days following the date the Drag-Along Notice is given, the Dragged-Along Shareholder shall cooperate in such manner as the Dragging-Along Shareholder shall reasonably request to permit the sale of the Securities requested from each such Dragged-Along Shareholder pursuant to the Drag-Along Offer, and shall enter into a sale agreement with respect to the sale of the Securities of the Dragging-Along Shareholder and the Dragged-Along Shareholder pursuant to the Drag-Along Offer and shall reasonably cooperate in the transfer of these Securities to the relevant Third Party; *provided, however*, that the Dragged-Along Shareholder shall not be required to make any representations and warranties in such sale agreement other than with respect to the Dragged-Along Shareholder’s authority to enter into the sale agreement and ownership of the Securities to be sold by the Dragged-Along Shareholder. The Company shall in connection with the transfer of the relevant Securities to the relevant Third Party request the Board to adopt a resolution to grant the approval for such transfer of Securities pursuant to the Memorandum and Articles of Association.

(d) Promptly after the consummation of the sale of Securities pursuant to the Drag-Along Offer and receipt of consideration therefor, the Dragging-Along Shareholder shall remit to the Dragged-Along Shareholder the sales proceeds received by the Dragging-Along Shareholders of the Securities of such Dragged-Along Shareholder sold pursuant thereto less a pro rata portion of the out-of-pocket expenses (including reasonable legal expenses) incurred by the Dragging-Along Shareholder in connection with such sale; *provided, however*, that the Dragged-Along Shareholder shall not be liable for any such expenses in the event that such sale is not consummated.

(e) If, at the end of the sixty (60)-day period following the giving of the Drag-Along Notice, the Dragging-Along Shareholder has not completed the sale of all its Securities and the Securities of the Dragged-Along Shareholder pursuant to *Section 3.08(b)*, the Dragging-Along Shareholder shall return to the Dragged-Along Shareholder such documents as it shall reasonably request, and the Dragged-Along Shareholder shall no longer be obligated to cooperate in such sale and transfer pursuant to *Section 3.08(b)* with respect to such Drag-Along Offer.

(f) Except as expressly provided in *Section 3.08(d)*, the Dragging-Along Shareholder shall have no obligation to the Dragged-Along Shareholder with respect to the contemplated sale of any Securities held by such Dragged-Along Shareholder in connection with this *Section 3.08*. The Dragging-Along Shareholder shall have no obligation to the Dragged-Along Shareholder to sell and transfer any Drag-Along Offered Securities pursuant to this *Section 3.08* or as a result of any decision by the Dragging-Along Shareholder not to accept or consummate any Drag-Along Offer (it being understood that any and all such decisions shall be made by the Dragging-Along Shareholder in its sole discretion). No Dragged-Along Shareholder shall be entitled to sell and transfer Securities directly to any Third Party pursuant to a Drag-Along Offer (it being understood that all such sales shall be made only on the terms and pursuant to the procedures set forth in this *Section 3.08*).

(g) Upon the consummation of a Drag-Along Transaction, all of the holders of the Securities shall receive the same form and amount of consideration per Security, respectively, taking into account and giving effect to any accrued interest, conversion ratios, liquidation preference and other provisions relating to the nature of

consideration, to which the holders of Securities are entitled in accordance with the terms thereof in effect immediately prior to the Drag-Along Transaction, and if any holders of Preferred Shares or Ordinary Shares are given an option as to the form and amount of consideration to be received, all holders shall be given the same option. In addition, such Shareholder shall not be required to accept consideration in a Drag-Along Transaction other than cash and/or freely-tradable equity securities registered under the Exchange Act and listed on the New York Stock Exchange or NASDAQ Stock Market and/or any other securities exchange or automated quotation system of similar caliber in the United States or elsewhere.

SECTION 3.09 *Certain Persons to Execute Agreement*

(a) Each Shareholder agrees that it will not, directly or indirectly, make any Sale of Securities to any Permitted Transferee or otherwise unless, prior to the consummation of any such Sale of Securities, the Person to whom such Sale of Securities is proposed to be made (a “*Prospective Transferee*”) executes and delivers to FoundryCo and each Shareholder an agreement in the form attached hereto as *Exhibit A* whereby such Prospective Transferee confirms that, with respect to the Securities that are the subject of such Sale of Securities, it shall be deemed to be a “Shareholder” for all purposes of this Agreement and agrees to be bound by all the terms of this Agreement as a “Shareholder”; *provided, however,* that such Prospective Transferee shall not be entitled to the benefits of this Agreement until such time as such Sale of Securities to such Person has been completed.

(b) The provisions of this *Section 3.09* shall not apply to any Sale of Securities pursuant to a Public Offering or, following the IPO, pursuant to an offering exempt from registration pursuant to Rule 144 under the Securities Act, or similar non-U.S. applicable Law (each such Sale of Securities, a “*Public Sale*”).

SECTION 3.10 *Equivalent Rights*

The Shareholders acknowledge that the Board may determine that it is in the best interests of FoundryCo to effect its IPO on a securities exchange located outside of the United States. The Shareholders and FoundryCo agree that prior to any such IPO each of them shall use their commercially reasonable efforts to amend this Agreement as may be necessary to ensure that the rights of the Shareholders with respect to any Public Offerings in and following the IPO and the sale of Securities in any such Public Offerings are at least equivalent to the rights set forth in this Agreement in respect of sales of Securities in the United States.

SECTION 3.11 *Put and Call Options; Fair Market Valuation*

(a) Unless otherwise agreed by the Parties, in the event that a Shareholder’s option pursuant to the terms of this Agreement or the Funding Agreement is triggered (i) to put any or all of the Securities held by such Shareholder and its Permitted Transferees to the other Shareholder, or (ii) to purchase any or all of the Securities held by the other Shareholder and its Permitted Transferees, such Shareholder shall have thirty (30) days from the date that it receives notification of the triggering event by the other Shareholder to deliver a written notice (the “*Election Notice*”) to the other Shareholder electing to exercise such put or call option, as appropriate, and if not so exercised within such thirty (30)-day period, such option shall lapse.

(b) Each Shareholder hereby covenants and agrees that where the provisions of this Agreement and the Funding Agreement indicate that the “Fair Market Value” of the Shares of FoundryCo is to be determined, such Shareholder will take all actions reasonably necessary to determine the Fair Market Value of such Shares in accordance with this *Section 3.11(b)*.

(i) The Shareholder wishing to exercise its put or call option pursuant to *Section 3.11(a)* shall designate an investment banking firm of recognized international standing within fifteen (15) days of the date of the delivery of the Election Notice to determine the Fair Market Value of such Shares. The other Shareholder shall also designate an investment banking firm of recognized international standing within the same time

period. Within thirty (30) days after appointment of both investment banking firms, each investment banking firm shall determine its initial view as to the Fair Market Value of such Shares and shall consult with one another with respect thereto. Within forty-five (45) days after appointment of both investment banking firms, each investment banking firm shall have determined its final view as to the Fair Market Value of such Shares and shall have delivered such final view to the Shareholders.

(ii) If the difference between the higher of the respective final views of the two investment banking firms and the lower of the respective final views of the two investment banking firms is less than 10% of the higher Fair Market Value, then the Fair Market Value determined shall be the average of those two views.

(iii) If the difference between the higher Fair Market Value and the lower Fair Market Value is equal to or greater than 10%, then the Shareholders shall instruct the investment banking firms to jointly designate a third investment banking firm of recognized international standing (the “*Mutually Designated Appraiser*”). The Mutually Designated Appraiser shall be designated within ten (10) days after the delivery of the final views of the investment banking firms pursuant to *Section 3.11(b)(i)* and shall within fifteen (15) days of such designation determine its final view as to the Fair Market Value. The final Fair Market Value determination shall be the Fair Market Value of the Mutually Designated Appraiser.

(iv) Notwithstanding the foregoing, in the event a Shareholder does not appoint an investment banking firm within the time periods specified above, such Shareholder shall have waived its rights to appoint an investment firm and determination of the Fair Market Value shall be made solely by the Shareholder who did appoint an investment banking firm.

(c) FoundryCo shall provide reasonable access to each of the designated investment banking firms to members of management of FoundryCo and its Subsidiaries and to the books and records of FoundryCo and its Subsidiaries in order to allow such investment banking firms to conduct due diligence examinations in scope and duration as are customary in valuations of this kind. Each of the Shareholders and any Permitted Transferees agree to cooperate with each of the investment banking firms to provide such information as may be reasonably requested. Costs of the appraisals shall be borne equally by the Shareholders.

Such books of account, together with a certified copy of this Agreement and of the constituent documents of FoundryCo, shall at all times be maintained at the principal place of business of FoundryCo. The books of account and the records of FoundryCo shall be examined by and reported upon as of the end of each fiscal year by an internationally recognized independent registered public accounting firm (the “*Auditors*”). (b) For as long as Discovery is required to consolidate the financial results of FoundryCo, the following financial information, in reasonable detail and prepared in accordance with GAAP, shall be transmitted by FoundryCo to Discovery (with a copy to Oyster) to permit Discovery to timely consolidate FoundryCo’s results

(vi) Other data and representations as may be necessary to allow Discovery to timely comply with SEC rules and regulations, GAAP and the reasonable requirements of Discovery's auditors; *provided, however*, that FoundryCo shall not be obligated to provide to Discovery the individual names, cost or pricing information for any of FoundryCo's customers, vendors or accounts, unless Discovery is required to disclose such information by SEC rules and regulations.

SECTION 5.01 *Discovery Change of Control Transaction*

In the event of a Discovery Change of Control Transaction without Oyster's prior written consent,

(a) Discovery shall promptly notify Oyster in writing thereof, setting forth the date and circumstances of the Discovery Change of Control Transaction and the identity of the Third Party that has acquired control of Discovery;

(b) all transfer restrictions set forth herein shall cease to be applicable with respect to all Securities held by Oyster and its Permitted Transferees; *provided, however*, that the restrictions on transfer set forth in *Section 3.02(b)(ii)* shall remain applicable;

(c) if the Discovery Change of Control Transaction occurs prior to the IPO, Oyster shall have the right (x) to require FoundryCo to consummate the IPO and (y) to register the number of Securities held by Oyster and its Permitted Transferees in connection with the IPO. Upon such request, each Shareholder shall vote all Shares for which such Shareholder is the registered holder or for which such Shareholder shall otherwise have the ability to control or direct the voting thereof, in favor of such matters as are necessary for approval of the shareholders of FoundryCo to effect the IPO, and FoundryCo shall be obligated to file and have declared effective a Registration Statement under the Securities Act (the "*Registration Statement*") as promptly as practicable following receipt of notice from Oyster of its intention to exercise its IPO demand (the "*IPO Demand Request*") pursuant to this *Section 5.01(c)*. In the event of an IPO pursuant to this *Section 5.01(c)*, at Oyster's election, any Securities to be included on behalf of Oyster and its Permitted Transferees in the IPO shall be given first priority, including for the avoidance of doubt, priority over any Securities to be included on behalf of FoundryCo, Discovery and its Permitted Transferees, other Shareholders and any employees of FoundryCo or any of its Subsidiaries;

(d)(A) Oyster shall have the right to put, in accordance with *Section 3.11*, any or all of the Securities (valued at their Fair Market Value) held by Oyster and its Permitted Transferees to Discovery in exchange for cash, if the announcement of a Discovery Change of Control Transaction occurs during the 24-month period commencing on the date hereof; or (B) if the Discovery Change of Control Transaction occurs after the Reconciliation Event, Oyster shall have the option to purchase in cash, in accordance with *Section 3.11*, any or all Securities (valued at their Fair Market Value) held by Discovery and its Permitted Transferees;

(e) Until the end of 2013, as long as Oyster continues to own Securities, Oyster shall have the right to require Discovery or the counterparty to the Discovery Change of Control Transaction, at Oyster's election, to

assume such portion of Oyster's funding commitment under the Funding Agreement based on the percentage of Fully Diluted Shares held by Discovery on each "Funding Date" thereunder; *provided, however*, that any such counterparty shall guarantee such commitment if it does not directly assume it; and

(f) as long as Oyster continues to own Securities, Oyster shall have the right to require the counterparty to the Discovery Change of Control Transaction to guarantee all of Discovery's obligations under the Transaction Documents, including Discovery's MPU exclusivity commitments and Discovery's commitments to purchase minimum GPU volumes under the Wafer Supply Agreement.

SECTION 5.02 *New Investors to Execute Agreement Regarding Restrictions*

FoundryCo shall not, and the Board shall not adopt any resolution to, at any time prior to the IPO, issue any Securities, or resell any Securities held in its treasury, or issue or resell any security convertible or exchangeable into Securities, unless, prior to the consummation of any such issuance or Sale of Securities, each Person to whom such security is proposed to be issued or sold executes and delivers an agreement, in a form reasonably acceptable to Oyster and Discovery, to FoundryCo and each Shareholder, whereby such Person confirms that, with respect to the Securities that are the subject of such Sale of Securities, it shall be deemed to be a "Shareholder" for the purposes of this Agreement and agrees to be bound by all such provisions and any other provisions reasonably required by Oyster and Discovery.

SECTION 5.03 *Further Assurances*

(b) Notwithstanding *Section 5.04(a)*:

(i) Any Restricted Party or any Representative thereof may disclose any Confidential Information for bona fide business purposes on a strict “need to know” basis to its Affiliates, its board of directors (or equivalent governing body), its Representatives and its lenders, *provided, however*, that in each such case each such Person is bound by a legal duty to or otherwise agrees to keep such Confidential Information confidential in the manner set forth in this *Section 5.04*.

(ii) The provisions of *Section 5.04(a)* shall not apply to, and Confidential Information shall not include:

(A) any information that is or has become generally available to the public other than as a result of a disclosure by any Restricted Party or any Affiliate or Representative thereof in breach of any of the provisions of this *Section 5.04*;

(B) any information that has been independently developed by such Restricted Party (or any Affiliate thereof) without violating any of the provisions of this Agreement or any other similar contract to which such Restricted Party, or any Affiliate thereof or their respective Representatives, is bound;

(C) any information made available to such Restricted Party (or any Affiliate thereof), on a non-confidential basis by any third party who is not prohibited from disclosing such information to such Shareholder by a legal, contractual or fiduciary obligation to any other Shareholder or any of its Representatives; or

(D) any information already possessed by such Restricted Party (or any Affiliate thereof) and not obtained pursuant or subject to a confidentiality agreement.

(c) Except as otherwise provided for in this *Section 5.04*, Confidential Information received hereunder shall be used by each Shareholder and its Affiliates solely for use in connection with such Shareholder’s investment in FoundryCo and with respect to FoundryCo and its Subsidiaries.

(d) The obligations of each Shareholder under this *Section 5.04* shall survive for as long as such Party remains a Shareholder, respectively, and for two years after such Shareholder ceases to be a Shareholder, notwithstanding such Shareholder’s Sale of Securities, and/or any Person ceasing to be an Affiliate of such Shareholder.

SECTION 5.05 Directors’ and Officers’ Liability Insurance and Indemnification Agreements

FoundryCo shall purchase and maintain directors and officers insurance in an amount equal to not less than \$25 million prior to the IPO and \$50 million immediately following the IPO, and the members of the Board and of any similar governing bodies of any Subsidiaries of FoundryCo appointed or designated by the Shareholders shall each be named as covered insureds thereunder. FoundryCo shall maintain the insurance contemplated hereby in effect from the date hereof until six (6) years from the last date upon which any member of the Board nominated by any of the Shareholders held office on the Board. In addition, FoundryCo shall enter into indemnification agreements with each member of the Board, in the form of *Exhibit B* or in such other form as is approved by the Board. In the event FoundryCo or any of its successors or assigns (i) consolidates with or merges into any other person and shall not be the continuing or surviving corporation or entity of such consolidation or merger or (ii) transfers all or substantially all of the properties and assets of FoundryCo and its Subsidiaries taken as a whole to any person, then, and in each such case, proper provision shall be made so that the successors and assigns of FoundryCo shall assume the obligations set forth in this *Section 5.05*.

SECTION 5.06 Export Controls

(a) FoundryCo shall comply with all applicable export laws, registrations, international treaties or orders in effect on the date of the Agreement and as may be amended from time to time, including, but not limited to, all

such laws, registrations and treaties applicable to the export of goods and services from one country to another. Without limiting the foregoing, FoundryCo shall not export or transfer any product, exchange, supply, disclose or provide access to any technical data, or otherwise provide any service contrary to the applicable laws and regulations of the United States, or to any country, entity or other party which is ineligible to receive such items under U.S. laws and regulations, including regulations of the U.S. Department of Commerce (the Export Administration Regulations at 15 C.F.R. Pts. 730 to 774), U.S. Department of State (the International Traffic in Arms Regulations at 22 C.F.R. Pts. 120-130), or the U.S. Department of the Treasury (the trade sanctions regulations at 31 C.F.R. Pts. 500 to 598).

(b) FoundryCo shall adopt a written policy for compliance with applicable U.S. export control and foreign trade control laws in the form of *Exhibit C*.

SECTION 5.07 *Rights to Purchase New Shares*

(a) The provisions of this Section 5.07 shall terminate upon the IPO.

(b) At any time, in the event that FoundryCo proposes to issue new Shares to a Person, each of Discovery and Oyster shall have the right to purchase, in lieu of any Person to whom FoundryCo proposed to issue such new Shares, in accordance with paragraph (c) below, a number of new Shares equal to the product of (i) the total number of new Shares which FoundryCo proposes to issue at such time and (ii) a fraction, the numerator of which shall be the total number of Fully Diluted Shares which such Shareholder owns at such time and the denominator of which shall be the total number of Fully Diluted Shares then Outstanding at the purchase price set forth in the Notice of Issuance; *provided, however*, that, prior to the Reconciliation Event, to the extent the issuance of any such Shares to Oyster or its designee(s) would cause FoundryCo to fail to constitute a “subsidiary” of Discovery, as such term is defined in the Intel Patent Cross License Agreement, FoundryCo shall instead issue to Oyster or its designee(s) Additional Convertible Notes in an aggregate principal amount equal to the aggregate purchase price for such Shares that would have been issued to Oyster or its designees but for this proviso. The rights given by FoundryCo under this *Section 5.07* shall terminate if unexercised within thirty (30) days after receipt of the Notice of Issuance referred to in paragraph (c) below.

(c) In the event that FoundryCo proposes to undertake an issuance of new Shares to a Person, FoundryCo shall give written notice (a “*Notice of Issuance*”) of its intention to each of Discovery and Oyster, describing all material terms of the new Shares and the purchase price. Each of Discovery and Oyster shall have thirty (30) days from the Notice of Issuance to agree to purchase all or a portion of its pro rata share of such new Shares (as determined pursuant to paragraph (b) above) for the same consideration.

(d) If either or both of Discovery and Oyster elect to purchase any new Shares to be issued by FoundryCo, each such Shareholder electing to purchase the new Shares to be issued by FoundryCo shall select a date not later than twenty (20) days (or longer if required by applicable Law) after the expiration of the thirty (30)-day notice period referenced in paragraph (c) for the issue of the new Shares. Any new Shares not elected to be purchased by Discovery or Oyster may be sold by FoundryCo to the Person to which FoundryCo intended to sell such new Shares on terms and conditions no less favorable to FoundryCo than those offered to Discovery and Oyster.

(e) Notwithstanding anything to the contrary contained herein, the right to purchase new Shares pursuant to this Section 5.07 shall not apply to (i) the issuance of any equity-based awards (and the underlying Shares) under any Incentive Plan, (ii) the issuance of any Shares pursuant to the conversion or exchange of any outstanding Securities of FoundryCo, or (iii) the issuance of any Shares pursuant to the terms of the Funding Agreement.

SECTION 5.08 *Intel Patent Cross License Agreement*

Discovery may not amend, supplement, modify, terminate or extend the Intel Patent Cross License Agreement (as it exists at Closing) in any way adverse to the current rights of FoundryCo, without the prior written consent of FoundryCo.

SECTION 6.01 *Deadlock Resolution Efforts*

(a) All matters within the scope of the Funding Agreement requiring Board or Shareholder action shall be resolved in accordance with the deadlock provisions set forth therein.

(b) With respect to all other matters requiring Board action hereunder, if a matter properly submitted to the Board fails to be resolved by the Board, then during the twenty-one (21) day period following such deadlock, the Board shall seek in good faith to hold at least three (3) additional meetings in an attempt to resolve such deadlock. The additional meetings shall be held at the time and place (including by telephonic conference) agreed to by the members of the Board. If after such twenty-one (21) day period such deadlock shall not have been resolved, then the Board shall submit the specific items that are the subject of such deadlock to Discovery and Oyster, each acting through their chief executive officers, respectively, for resolution. A deadlock event shall be deemed to have lapsed if not resolved within thirty (30) days of referral to Discovery and Oyster and FoundryCo shall continue to operate in accordance with the terms of this Agreement and in the manner which existed prior to the deadlock event occurring; *provided, however*, that the Shareholders agree that if:

(i) any Shareholder (together with its Permitted Transferees) owns at least 75% of the Fully Diluted Shares, then such Shareholder shall be entitled to resolve the deadlock upon such lapse with respect to any action requiring a Majority Vote prior to the Reconciliation Event and with respect to each of the following:

(A) the amendment or restatement of its constituent documents, so long as, prior to the Reconciliation Event, such amendment or restatement would not cause FoundryCo to fail to constitute a "subsidiary" of Discovery, as such term is defined in the Intel Patent Cross License Agreement;

(B) following the termination of the Restricted Period, any transaction resulting in a change of control of FoundryCo or any sale of all or substantially all of the assets of FoundryCo and its Subsidiaries; *provided, however*, that any such transaction with a Permitted Transferee is on terms that are fair from a financial point of view to all Shareholders;

(C) the entering into of any acquisition, joint venture, divestiture, transfer, sale, assignment, lease, license or disposal of any property or asset, real, personal or mixed (including leasehold interests and intangible assets), which have a value in excess of \$5 million singly or \$10 million in the aggregate; *provided, however*, that any such transaction with a Permitted Transferee is on terms that are fair from a financial point of view to all Shareholders and does not materially adversely affect FoundryCo's ability to perform its obligations to Discovery under the Wafer Supply Agreement;

(D) approval of any Annual Business Plan or any material amendment, modification or revision thereto; *provided* that such approval, amendment, modification or revision does not materially adversely affect FoundryCo's ability to perform its obligations to Discovery under the Wafer Supply Agreement;

(E) the authorization, issuance, sale, acquisition, conversion, repurchase or redemption of any Shares or other equity interest (or option, warrant, conversion or similar right with respect to any equity interest) in or of FoundryCo or its Subsidiaries to the extent not reflected in the Annual Business Plan, the Memorandum and Articles of Association or any Incentive Plan, so long as, prior to the Reconciliation Event, such authorization, issuance, sale, acquisition, conversion, repurchase or

redemption would not cause FoundryCo to fail to constitute a “subsidiary” of Discovery, as such term is defined in the Intel Patent Cross License Agreement;

(F) the declaration, making or payment of any dividend, distribution or transfer (whether in cash, securities or other property) to shareholders, so long as, prior to the Reconciliation Event, such declaration, making or payment would not cause FoundryCo to fail to constitute a “subsidiary” of Discovery, as such term is defined in the Intel Patent Cross License Agreement;

(G) the entering into or the amendment of (i) any of the Transaction Documents, (ii) any Incentive Plan or (iii) any agreement, contract or arrangement by FoundryCo or any of its Subsidiaries pursuant to which FoundryCo or any of its Subsidiaries is obligated to pay or is entitled to receive payments in excess of \$5 million over the term of such contract;

(I) the prosecution, commencement or settlement of any litigation or administrative action for an amount in excess of \$2 million in any such prosecution, commencement or settlement or series of related prosecutions, commencements or settlements or waiving or relinquishing any material rights or claims;

(J) the making of any loan, investment or expenditure (or series of related expenditures) not reflected in the Annual Business Plan involving more than \$2 million singly or \$5 million in the aggregate;

(K) the incurrence of any indebtedness or subjecting any of its properties or assets to any lien, claim or encumbrance or the giving of any material guarantee or indemnity, in each case to the extent not reflected in the Annual Business Plan, which would result in an increase of 5% or more of the total indebtedness contemplated in the Annual Business Plan;

(L) the consummation of any Public Offering of securities;

(M) the appointment or termination of FoundryCo’s Chief Executive Officer or Chief Financial Officer;

(N) the entering into any transaction, agreement or arrangement between FoundryCo or any of its Subsidiaries, on the one hand, and any Officer, Director, Affiliate or Shareholder, on the other hand, (other than the transactions provided for in or contemplated by the Transaction Documents) unless the total consideration expected to be paid or received by FoundryCo and its Subsidiaries taken as whole as a result of such transaction or proposed change or waiver shall not exceed \$2 million; and

ARTICLE VII
DISSOLUTION

SECTION 7.01 *Dissolution.*

(a) The Shareholders shall pass a special resolution approving the dissolution of FoundryCo upon the occurrence of any of the following:

- (i) by virtue of a written agreement to that effect, signed by Discovery and Oyster;
- (ii) the occurrence of any material event that makes it unlawful or illegal to carry on FoundryCo's business, which event is not able to be cured after written notice has been given to the Shareholders specifying the details of such event; or
- (iii) at the election by the other Shareholder (the "*Non-Affected Shareholder*"), (A) if either Discovery or Oyster (the "*Affected Shareholder*"):
 - (1) commences a voluntary case under any Bankruptcy Law,
 - (2) consents to the entry of an order for relief against it in an involuntary case under any Bankruptcy Law,
 - (3) consents to the appointment of a Custodian of it or for all or substantially all of its property,
 - (4) makes a general assignment for the benefit of its creditors,
 - (5) generally is unable to pay its debts as the same become due, or

(B) if a court of competent jurisdiction enters an order or decree, and such order or decree remains unstayed and in effect for sixty (60) days, under any Bankruptcy Law that:

- (1) is for relief against the Affected Shareholder in an involuntary case,
- (2) appoints a Custodian of the Affected Shareholder or for all or substantially all of its property, or
- (3) orders the liquidation of the Affected Shareholder.

For the purposes of this *Section 7.01*, the term "*Bankruptcy Law*" means title 11, U.S. Code or any similar foreign, federal or state law for the relief of debtors. The term "*Custodian*" means any receiver, trustee, assignee, liquidation or similar official under any Bankruptcy Law.

(b) Upon the occurrence of any of the events set forth in *Section 7.01(a)(iii) (A) and (B)*, the Non-Affected Shareholder may elect in lieu of triggering the dissolution of FoundryCo pursuant to *Section 7.01(a)(iii)* any or all of the following actions:

(i) upon notice to FoundryCo by the Non-Affected Shareholder, the rights of the Directors designated by the Affected Shareholder (each an "*Affected Director*") under *Section 2.08(b)* shall terminate and all actions set forth under *Section 2.08(b)* shall require the approval of each Director designated by the Non-Affected Shareholder (each a "*Non-Affected Director*") with each Affected Director recusing themselves from such vote and upon such approval, the matter shall be deemed approved by the Board; *provided, however*, that the rights of each Affected Director under *Section 2.08(b)(i)* shall survive if, prior to

[Table of Contents](#)

the Reconciliation Event, the action to be approved by the Board would cause FoundryCo to fail to constitute a “subsidiary” of Discovery, as such term is defined in the Intel Patent Cross License Agreement; and/or

(ii) the Non-Affected Shareholder shall have the option to purchase in cash, in accordance with *Section 3.11*, any or all of the Securities (valued at their Fair Market Value) held by the Affected Shareholder and its Permitted Transferees.

(c) Upon the dissolution of FoundryCo, the Person or Persons approved by the Shareholders holding a majority of the Fully Diluted Shares to carry out the winding-up of FoundryCo shall immediately commence to wind up FoundryCo’s affairs in accordance with applicable Law and the Memorandum and Articles of Association; *provided, however*, that a reasonable time shall be allowed for the orderly liquidation of the assets of FoundryCo and the satisfaction of liabilities to creditors so as to enable the Shareholders to minimize the normal losses attendant upon a liquidation.

ARTICLE VIII
MISCELLANEOUS

SECTION 8.01 *Termination*

This Agreement shall terminate only:

(a) upon dissolution of FoundryCo in accordance with *Article VII*;

(b) by virtue of a written agreement to that effect, signed by all Parties hereto then possessing any rights hereunder; or

(c) with respect to any Shareholder (subject to *Section 5.04(d)*), at such time as such Shareholder (together with its Permitted Transferees) no longer owns or holds any Securities.

If this Agreement is terminated pursuant to *Section 8.01*, all rights and obligations of the Parties hereunder (except for this paragraph, *Section 5.04* (Confidential Information), *Section 8.02* (Notices), *Section 8.10* (Governing Law; Arbitration), *Section 8.13* (Expenses) and *Appendix A* (Definitions)) shall terminate. Nothing contained in this *Section 8.01* shall relieve any Party for any breach of any agreement or covenant contained in this Agreement that occurred prior to the date of termination of this Agreement.

SECTION 8.02 *Notices*

All notices, requests, claims, demands and other communications hereunder shall be given or made in accordance with Section 14.01 of the Master Transaction Agreement.

SECTION 8.03 *Public Announcements*

No Party hereto shall make, or cause to be made, any press release or public announcement or otherwise communicate with any news media in respect of this Agreement or the transactions contemplated hereby without the prior consent of the other Parties unless otherwise required by Law or applicable stock exchange regulation, and the Parties hereto shall cooperate as to the timing and contents of any such press release, public announcement or communication.

[Table of Contents](#)

SECTION 8.04 *Severability*

If any term or other provision of this Agreement is invalid, illegal or incapable of being enforced by any Law or public policy, all other terms and provisions of this Agreement shall nevertheless remain in full force and effect for so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner materially adverse to any Party hereto. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the Parties hereto shall negotiate in good faith to modify this Agreement so as to effect the original intent of the Parties as closely as possible in an acceptable manner in order that the transactions contemplated hereby are consummated as originally contemplated to the greatest extent possible.

SECTION 8.05 *Entire Agreement*

This Agreement and the other Transaction Documents constitute the entire agreement of the Parties hereto with respect to the subject matter hereof and thereof and supersede all prior agreements and undertakings, both written and oral, between Discovery, Oyster and FoundryCo with respect to the subject matter hereof and thereof.

SECTION 8.06 *Assignment*

This Agreement may not be assigned by operation of law or otherwise without the express written consent of each Party hereto (which consent may be granted or withheld in the sole discretion of such Party) and any such assignment or attempted assignment without such consent shall be void.

SECTION 8.07 *Amendment*

This Agreement may not be amended or modified except (a) by an instrument in writing signed by, or on behalf of, each Party hereto or (b) by a waiver in accordance with *Section 8.08*.

SECTION 8.08 *Waiver*

Either Discovery or Oyster may (a) extend the time for the performance of any of the obligations or other acts of the other Party, (b) waive any inaccuracies in the representations and warranties of the other Party contained herein or in any document delivered by the other Party pursuant hereto, or (c) waive compliance with any of the agreements of the other Party or conditions to such Party's obligations contained herein. Any such extension or waiver shall be valid only if set forth in an instrument in writing signed by the Party to be bound thereby. Any waiver of any term or condition shall not be construed as a waiver of any subsequent breach or a subsequent waiver of the same term or condition, or a waiver of any other term or condition of this Agreement. The failure of either Party hereto to assert any of its rights hereunder shall not constitute a waiver of any of such rights. All rights and remedies existing under this Agreement are cumulative to, and not exclusive of, any rights or remedies otherwise available.

SECTION 8.09 *Third Party Beneficiaries*

This Agreement shall be binding upon and inure solely to the benefit of the Parties hereto and their respective successors and permitted assigns and nothing herein, express or implied, is intended to or shall confer upon any other Person, including any union or any employee or former employee of Discovery, any legal or equitable right, benefit or remedy of any nature whatsoever, including any rights of employment for any specified period, under or by reason of this Agreement.

[Table of Contents](#)

SECTION 8.10 *Governing Law; Arbitration*

(a) This Agreement shall be governed by, and construed in accordance with, the Laws of the State of New York applicable to contracts executed in and to be performed in that State, without regard to principles of the conflict of laws.

(b) Any dispute arising out of, or in connection with this Agreement or any transactions contemplated hereby, including any question regarding the existence, validity, interpretation, breach or termination of this Agreement (a “*Dispute*”), shall be referred, upon written notice (a “*Dispute Notice*”) given by one Party to the other(s), to a senior executive from each Party. The senior executives shall seek to resolve the Dispute on an amicable basis within thirty (30) days of the Dispute Notice being received.

(c) Any Dispute not resolved within thirty (30) days of the Dispute Notice being received shall be referred to, and shall be finally and exclusively resolved by, arbitration under the Rules of the London Court of International Arbitration (the “*LCIA Rules*”) then in effect, as amended by this Section 8.10, which LCIA Rules are deemed to be incorporated by reference into this Section 8.10. The seat, or legal place, of the arbitration shall be London, England. The language of the arbitration shall be English. The number of arbitrators shall be three (3). Each Party shall nominate one arbitrator and the two (2) arbitrators nominated by the Parties shall, within thirty (30) days of the appointment of the second arbitrator, agree upon and nominate a third arbitrator who shall act as Chairman of the Tribunal (as such terms are defined in the LCIA Rules). If no agreement is reached within thirty (30) days, the LCIA Court (as such term is defined in the LCIA Rules) shall appoint a third arbitrator to act as Chairman of the Tribunal. The Chairman of the arbitration panel should not be a citizen or a resident of the country of an arbitrator nominated by, or appointed on behalf of, a Party nor should the Chairman be a citizen or a resident of the United States of America or the United Arab Emirates. It is hereby expressly agreed that if there is more than one claimant party or more than one respondent party, the claimant parties shall together nominate one arbitrator and the respondent parties shall together nominate one arbitrator. In the event that a sole claimant or the claimant parties, on the one side, or a sole respondent or the respondent parties, on the other side, fails to nominate its/their arbitrator, such arbitrator shall be appointed by the LCIA Court. Any award issued by the arbitrators shall be final and binding upon the Parties, and, subject to this Section 8.10(c) and to Section 8.10(d), may be entered and enforced in any court of competent jurisdiction by any of the Parties. In the event any Party subject to such final and binding award desires to have it confirmed by a final order of a court, the only court which may do so shall be a court of competent jurisdiction located in London, England; provided however, that nothing in this sentence shall prejudice or prevent a Party from enforcing the arbitrators’ final and binding award in any court of competent jurisdiction. The Parties hereto acknowledge and agree that any breach of the terms of this Agreement could give rise to irreparable harm for which money damages would not be an adequate remedy. Accordingly, the Parties agree that, prior to the formation of the Tribunal, the Parties have the right to apply exclusively to any court of competent jurisdiction or other judicial authority located in London, England for interim or conservatory measures, including, without limitation, to compel arbitration (an “*Interim Relief Proceeding*”). Furthermore, the Parties agree that, after the formation of the Tribunal, the arbitrators shall have the sole and exclusive power to grant temporary, preliminary and permanent relief, including injunctive relief and specific performance, and any then pending Interim Relief Proceeding shall be discontinued without prejudice to the rights of any of the Parties thereto. Unless otherwise ordered by the arbitrators pursuant to the terms hereof, the arbitrators’ expenses shall be shared equally by the Parties. In furtherance of the foregoing, each of the Parties hereto irrevocably submits to: (i) the exclusive jurisdiction of the courts of England located in London, England in relation to any Interim Relief Proceeding and; (ii) the non-exclusive jurisdiction of the courts of England located in London, England with respect to the enforcement of any arbitral award rendered in accordance with this Section 8.10; and, with respect to any such suit, action or proceeding, waives any objection that it may have to the courts of England located in London, England on the grounds of inconvenient forum. For the avoidance of doubt, where an arbitral tribunal is appointed under this Agreement, the whole of its award shall be deemed for the purposes of the New York Convention on the Recognition and Enforcement of Foreign Arbitral Awards of 1958 to be contemplated by this Agreement (and judgment on any such award may be entered in accordance with the provisions set forth in this Section 8.10).

Table of Contents

(d) Oyster hereby irrevocably waives to the fullest extent permitted by applicable Law whatever defense it may have of sovereign immunity against suit or enforcement, for itself and its property (presently owned or subsequently acquired, and whether related to this Agreement or not), in: (i) any arbitration proceedings commenced and held in London, England in accordance with Section 8.10(c); (ii) any Interim Relief Proceeding commenced and held in a court of competent jurisdiction in London, England, in accordance with Section 8.10(c); (iii) any proceedings in a court of competent jurisdiction located in London, England to confirm an award rendered by the arbitrators in accordance with this Section 8.10; and (iv) any proceedings in a court of competent jurisdiction to enforce an award, and Oyster agrees that it will not raise, claim or cause to be pleaded any such immunity at or in respect of any such action or proceeding.

(e) The Parties hereto agree that the process by which any arbitral or other proceedings in London, England are begun may be served on them by being delivered to Law Debenture Corporate Services Limited or their registered offices for the time being and by giving notice in accordance with Section 8.02. If Law Debenture Corporate Services Limited is not or ceases to be effectively appointed to accept service of process in England on any Party's behalf, such Party shall immediately appoint a further person in England to accept service of process on its behalf. If within fifteen (15) days of notice from a Party requiring another Party to appoint a person in England to accept service of process on its behalf the other Party fails to do so, the Party shall be entitled to appoint such a person by written notice to the other Party. Nothing in this paragraph shall affect the right of the Parties to serve process in any other manner permitted by Law.

SECTION 8.11 *Currency*

Unless otherwise specified in this Agreement, all references to currency, monetary values and dollars set forth herein shall mean United States (U.S.) dollars and all payments hereunder shall be made in United States dollars.

SECTION 8.12 *Counterparts*

This Agreement may be executed and delivered (including by facsimile transmission) in one or more counterparts, and by the different Parties hereto in separate counterparts, each of which when executed shall be deemed to be an original, but all of which taken together shall constitute one and the same agreement.

SECTION 8.13 *Expenses*

Except as otherwise specified in this Agreement, all costs and expenses, including fees and disbursements of counsel, financial advisors and accountants, incurred in connection with this Agreement and in closing and carrying out the transactions contemplated hereby shall be paid by the Party incurring such cost or expense.

SECTION 8.14 *No Presumption Against Drafting Party*

Each Party hereto acknowledges and agrees it has had the opportunity to draft, review and edit the language of this Agreement and that each of the Parties hereto has been represented by counsel in connection with the negotiation and execution of this Agreement and the other Transaction Documents. Accordingly, any rule of law or any legal decision that would require interpretation of any claimed ambiguities in this Agreement against the drafting Party has no application and is expressly waived.

This FUNDING AGREEMENT (this “*Funding Agreement*” and as referred to herein, this “*Agreement*”), dated as of [] [], 200[], is entered into by and among Discovery, a Delaware corporation (“*Discovery*”), Oyster, a limited liability company established under the laws of the Emirate of Abu Dhabi and wholly-owned by the Government of Abu Dhabi (“*Oyster*”) (each of Discovery and Oyster being a “*Shareholder*” and together the “*Shareholders*”) and FoundryCo, an exempted company incorporated under the laws of the Cayman Islands (“*FoundryCo*”). Discovery, Oyster and FoundryCo are sometimes referred to herein as the “*Parties*,” and each individually as a “*Party*.”

RECITALS

WHEREAS, Discovery, Oyster and the other parties thereto are parties to the Master Transaction Agreement that provides, among other things, for the formation of FoundryCo under the laws of the Cayman Islands to act as the holding company for a joint venture between Discovery and Oyster; and

WHEREAS, pursuant to the terms and subject to the conditions set forth in this Agreement, the Parties wish to provide for the funding of FoundryCo from the period commencing on the date hereof and ending on the date this Agreement is terminated.

NOW, THEREFORE, in consideration of the premises and the mutual agreements and covenants hereinafter set forth, and intending to be legally bound, the Parties hereby agree as follows:

ARTICLE II

PROCEDURES PRIOR TO EACH FUNDING NOTICE

SECTION 2.01. *Approval of Annual Business Plan.*

(a) On or prior to mid-November of each year (which date shall be prior to the end of the seventh fiscal week of the fourth fiscal quarter of such year of FoundryCo), or the next succeeding Business Day if such date is not a Business Day, the Management Team shall prepare and present to the Board for its approval a proposed Annual Business Plan for the subsequent Fiscal Year. The Annual Business Plan for the Fiscal Year ending on December 26, 2009 (the “*First Annual Business Plan*”) is attached hereto as *Appendix B*. Each proposed Annual Business Plan shall address, among other things, each of the line items set forth in the First Annual Business Plan.

(b) In connection with the preparation of each proposed Annual Business Plan, the Management Team shall retain such advisors and take such actions as will enable it to estimate whether and to what extent third-party debt financing (“*Debt Financing*”) would then be available to FoundryCo, with the aim that such Debt Financing would be at least sufficient to meet the projected Debt Funding Level for such Fiscal Year as set forth in the Five-Year Capital Plan. Each proposed Annual Business Plan shall include either a proposed commitment letter for such Debt Financing or a summary of indicative terms from at least two financial institutions (or, if in the good faith determination of the Management Team, no reputable and established financial institutions would provide such Debt Financing on commercially reasonable terms, a statement to such effect). Each of Discovery and Oyster shall use its commercially reasonable efforts to assist FoundryCo in obtaining any Debt Financing, and either Shareholder shall have the option, but not the obligation, to provide guarantees or other similar means of financial support in connection with any Debt Financing.

(c) Such proposed Annual Business Plan shall specifically include an estimate, by fiscal quarter, of sources and uses of funds for FoundryCo for such subsequent Fiscal Year, at all times after giving effect to the cash reserve requirement in *Section 2.02*. After due consideration of such proposed Annual Business Plan, the Board shall vote on whether to approve (with such changes as the Board shall determine) such proposed Annual Business Plan in accordance with the approvals required by the Shareholders’ Agreement. If the Board approves such proposed Annual Business Plan in accordance with the approvals required by the Shareholders’ Agreement, such proposed Annual Business Plan shall immediately become effective as the Annual Business Plan for the subsequent Fiscal Year.

(d) If the Board has not approved such proposed Annual Business Plan on or prior to the earlier of (i) the first Business Day after November 29 and (ii) the last day of the ninth (9th) fiscal week of the fourth fiscal quarter

[Table of Contents](#)

of Foundry Co, then within three (3) Business Days thereafter FoundryCo shall deliver a notice that shall detail the specific items that are the subject of such non-approval to the chief executive officer of each Shareholder. During the period following receipt of such notice through December 23 of that Fiscal Year, the chief executive officers, acting on behalf of their respective Shareholder, shall seek in good faith and shall use their commercially reasonable efforts to hold at least three (3) additional meetings with the goal of approving the proposed Annual Business Plan (with such changes as the chief executive officers shall determine). If (i) the Board approves such proposed Annual Business Plan (with such changes as the chief executive officers, acting on behalf of their respective Shareholder, shall determine) in accordance with the approvals required by the Shareholders' Agreement, or (ii) a Shareholder unilaterally approves such proposed Annual Business Plan (with such changes as such Shareholder shall determine) pursuant to the rights granted under Section 6.01(b) of the Shareholders' Agreement, such proposed Annual Business Plan shall immediately become effective as the Annual Business Plan for such subsequent Fiscal Year.

(e) If the Shareholders, acting through their respective chief executive officers, have not approved such proposed Annual Business Plan on or prior to December 23rd of the Fiscal Year in which the proposed Annual Business Plan was submitted to the Board and the chief executive officers, a "Business Plan Deadlock" shall be deemed to have occurred and the Parties shall follow the deadlock resolution procedures set forth in Article VIII.

SECTION 2.02. *Cash Reserve.* The Parties agree that at all times during the term of this Agreement, the FoundryCo Group shall maintain Cash and Cash Equivalents in an amount equal to at least \$1.0 billion, *provided, however,* that this requirement shall no longer apply upon the earlier of (i) FoundryCo entering into a Transition Period in accordance with Article VIII hereunder and (ii) the end of Phase II.

ARTICLE III
FUNDING PROCEDURES

SECTION 3.01. *Funding Notices.*

(a) From time to time during the term of this Agreement, FoundryCo may provide a notice requesting equity funding (the "First Funding Notice") to both Shareholders in substantially the form attached hereto as Appendix D. The First Funding Notice shall be provided at least thirty (30) Business Days prior to the date of any contemplated equity funding hereunder (unless otherwise agreed in writing by the Shareholders) (each, a "Funding Date").

(b) On any Funding Date, the aggregate number of Securities to be issued shall consist of twenty percent (20%) in the form of Class A Preferred Shares and eighty percent (80%) in the form of Class B Preferred Shares, *provided, however,* that, prior to the Reconciliation Event, to the extent the issuance of any such Securities to Oyster would cause FoundryCo to fail to constitute a "subsidiary" of Discovery, as such term is defined in the Intel Patent Cross License Agreement, FoundryCo shall instead issue to Oyster (i) a Class A Convertible Note in an aggregate principal amount equal to the aggregate purchase price for the Class A Preferred Shares that would have been issued to Oyster but for this proviso, and (ii) a Class B Convertible Note in an aggregate principal amount equal to the aggregate purchase price for the Class B Preferred Shares that would have been issued to Oyster but for this proviso.

(c) Subject to the satisfaction or waiver of the applicable conditions precedent set forth in Article VI, unless otherwise agreed by the Shareholders, the aggregate amount of equity funding to be provided by the Shareholders in any Fiscal Year pursuant to this Agreement shall be as follows:

(i) during Phase I, such amount shall be equal to the Original Funding Level for such Fiscal Year as set forth in the Five-Year Capital Plan, *provided, however,* that such Original Funding Level shall be reduced to the extent any Debt Financing obtained by FoundryCo during such Fiscal Year exceeds the projected Debt

Table of Contents

Funding Level for such Fiscal Year, and *provided further*, that, subject to *Section 3.01(c)(iv)*, to the extent such Debt Financing is less than any such projected Debt Funding Level, the Original Funding Level shall not be increased to make up any such difference;

(ii) during Phase II, such amount shall be equal to the Original Funding Level for such Fiscal Year as set forth in the Five-Year Capital Plan, *provided, however*, that such amount may be reduced (A) to the Minimum Funding Level pursuant to *Section 6.02(b)*, (B) to a level between the Original Funding Level and the Minimum Funding Level pursuant to *Section 8.02(a)* and (C) to the Minimum Funding Level pursuant to *Section 8.04(c)*. Such amount shall also be reduced to the extent any Debt Financing obtained by FoundryCo during such Fiscal Year exceeds the projected Debt Funding Level for such Fiscal Year, *provided, however*, that, subject to *Section 3.01(c)(iv)*, to the extent such Debt Financing is less than any such projected Debt Funding Level, such amount shall not be increased to make up any such difference. For the avoidance of doubt, if the Minimum Funding Level applies, then (x) the projected Debt Funding Level shall be reduced to the Minimum Debt Funding Level, and (y) if the level of Debt Financing is less than any such projected Minimum Debt Funding Level, the minimum level of equity funding shall be equal to the Minimum Funding Level;

(iii) during Phase III, such amount shall be equal to the equity funding level set forth in the approved Annual Business Plan for such Fiscal Year, *provided, however*, that such amount may be reduced (A) to a level between the Phase III Alternate Funding Level and the Transition Funding Level pursuant to *Section 8.03(a)* and (B) to the Transition Funding Level pursuant to *Section 8.04(c)*. Such amount shall also be reduced to the extent any Debt Financing obtained by FoundryCo during such Fiscal Year exceeds the projected Debt Funding Level for such Fiscal Year, *provided, however*, that to the extent such Debt Financing is less than any such projected Debt Funding Level, such amount shall not be increased to make up any such difference. For the avoidance of doubt, if the Transition Funding Level applies and such Debt Financing is less than any such projected Debt Funding Level, the minimum level of equity funding shall be equal to the Transition Funding Level; and

(iv) notwithstanding anything to the contrary in *Section 3.01(c)(i)* or *(ii)*, if (A) any equity funding has been reduced during Phase I or Phase II as a result of Debt Financing obtained during any Fiscal Year exceeding the projected Debt Funding Level for such Fiscal Year (the cumulative amount of such equity funding reduction being referred to as the “*Rollover Amount*”) and (B) during any subsequent Fiscal Year during Phase I or Phase II the amount of any Debt Financing is less than the projected Debt Funding Level for such Fiscal Year, then the amount of equity funding for such Fiscal Year or for any subsequent Fiscal Year during Phase I or Phase II may be increased up to the Rollover Amount, *provided, however*, that in no event shall the aggregate amount of equity funding to be provided by Oyster during Phase I and Phase II exceed the aggregate amount of equity funding for Phase I and Phase II as set forth in the Five-Year Capital Plan.

(d) Subject to the satisfaction or waiver of the applicable conditions precedent set forth in *Article VI*, Oyster shall be obligated to purchase its Pro Rata Portion of the Securities offered pursuant to any First Funding Notice. Discovery shall have the right, but not the obligation, to purchase its Pro Rata Portion of the Securities offered pursuant to any First Funding Notice. Within ten (10) Business Days of receipt of a First Funding Notice, Discovery shall advise FoundryCo and Oyster, in writing, whether it elects to purchase any of the Securities offered. To the extent that Discovery elects not to purchase all of its Pro Rata Portion of any Securities offered pursuant to any First Funding Notice, Oyster shall be obligated, subject to the satisfaction or waiver of the applicable conditions precedent set forth in *Article VI*, to purchase all of such unpurchased Securities. Oyster may also elect at any time to purchase additional Securities in excess of those offered pursuant to any First Funding Notice.

(e) On or prior to the tenth (10th) Business Day prior to a Funding Date, FoundryCo shall provide a notice (the “*Second Funding Notice*”) to each Shareholder in substantially the form attached hereto as *Appendix E* which shall detail each Shareholder’s allocable portion of the Securities offered.

[Table of Contents](#)

SECTION 3.02. *Purchase and Sale of Securities.*

(a) Pursuant to the terms and subject to the conditions of this Agreement, on each Funding Date, FoundryCo shall issue to each purchasing Shareholder and such Shareholder shall purchase, accept and acquire from FoundryCo the allocated Securities as set forth in the Second Funding Notice for such Funding Date.

(b) On each Funding Date, the purchase price per Class A Preferred Share shall be the same as the purchase price per Class B Preferred Share and shall be determined by dividing (i) the Net Tangible Assets of the FoundryCo Group (derived from the most recent Fiscal Year-end audited consolidated balance sheet of FoundryCo that has been approved by the Board and calculated in accordance with the Statement of Principles set forth in *Appendix F* attached hereto) by (ii) the Number of Outstanding Preferred Shares (as of the date of the balance sheet referred to in clause (i) above), and multiplying such quotient by 1.1.

(c) On each Funding Date, the aggregate principal amount of Convertible Notes to be issued shall be determined in accordance with *Section 3.01(b)*.

SECTION 3.03. *Closing Deliveries by FoundryCo.* On each Funding Date, FoundryCo shall deliver or cause to be delivered to Oyster and Discovery, if applicable, or their respective designated custodians:

(a) if requested, physical certificates evidencing the number of Class A Preferred Shares to be purchased by such Shareholder on such Funding Date, rounded to the nearest whole share;

(b) if requested, physical certificates evidencing the number of Class B Preferred Shares, to be purchased by such Shareholder on such Funding Date, rounded to the nearest whole share;

(c) if applicable, a Class A Convertible Note to Oyster for an aggregate principal amount in accordance with *Section 3.01(b)*;

(d) if applicable, a Class B Convertible Note to Oyster for an aggregate principal amount in accordance with *Section 3.01(b)*;

(e) an updated Register of Members reflecting the issuance of the Securities on such Funding Date;

(f) a certificate, dated as of such Funding Date, executed by an authorized officer of FoundryCo certifying as to the matters set forth in *Article IV, Section 6.01* and *Section 6.02(a), 6.02(b)* or *6.02(c)*, as applicable; and

(g) receipt(s) for the aggregate consideration paid by such Shareholder for the Securities issued to it on such Funding Date.

SECTION 3.04. *Closing Deliveries by the Shareholders.* On each Funding Date, to the extent a Shareholder is purchasing Securities, such Shareholder shall deliver to FoundryCo:

(a)(i) a wire transfer of the aggregate consideration for the Securities to be issued to such Shareholder on such Funding Date, payable in United States dollars and in immediately available funds to the bank account designated by FoundryCo in the First Funding Notice, or (ii) if the Board so agrees in advance, the aggregate consideration for such Securities payable in Cash and Cash Equivalents acceptable to the Board; and

(b) a certificate, dated as of such Funding Date, executed by an authorized officer of such Shareholder certifying as to the matters set forth in *Article V*.

(c) *No Material Adverse Effect.* No event or events shall have occurred, or be reasonably likely to occur, which, individually or in the aggregate, have, or are reasonably likely to have, (i) a FoundryCo Material Adverse Effect or (ii) a Discovery Material Adverse Effect that could reasonably be expected to materially and adversely affect Discovery’s performance of its obligations under the Wafer Supply Agreement, including a sustained material decrease in Discovery’s MPU forecasts, or Discovery’s MPU purchase orders under the Wafer Supply Agreement being materially below its MPU forecasts thereunder on a sustained basis.

ARTICLE IX
MISCELLANEOUS

SECTION 9.01. *Termination.* This Agreement shall terminate upon the earlier of (i) a written agreement to that effect, signed by all Parties hereto then possessing any rights hereunder, and (ii) the termination of the Transition Period. If this Agreement is terminated pursuant to this *Section 9.01* (Termination), all rights and obligations of the Parties hereunder (except for *Section 7.03* (Confidentiality), this *Section 9.01*, *Section 9.02* (Notices), *Section 9.10* (Governing Law; Arbitration), *Section 9.13* (Expenses) and *Appendix A* (Defined Terms)) shall terminate.

SECTION 9.02. *Notices.* All notices, requests, claims, demands and other communications hereunder shall be given or made in accordance with *Section 14.01* of the Master Transaction Agreement.

SECTION 9.03. *Severability.* If any term or other provision of this Agreement is invalid, illegal or incapable of being enforced by any Law or public policy, all other terms and provisions of this Agreement shall nevertheless remain in full force and effect for so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner materially adverse to any Party hereto. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the Parties hereto shall negotiate in good faith to modify this Agreement so as to effect the original intent of the Parties as closely as possible in an acceptable manner in order that the transactions contemplated hereby are consummated as originally contemplated to the greatest extent possible.

SECTION 9.04. *Entire Agreement.* This Agreement constitutes the entire agreement of the Parties hereto with respect to the subject matter hereof and supersedes all prior agreements and undertakings, both written and oral, among the Parties with respect to the subject matter hereof.

SECTION 9.05. *Assignment.* This Agreement may not be assigned by operation of law or otherwise without the express written consent of each Party hereto (which consent may be granted or withheld in the sole discretion of such Party) and any such assignment or attempted assignment without such consent shall be void, *provided, however*, that Oyster may assign all of its rights and obligations under this Agreement without any consent to any Permitted Transferee.

SECTION 9.06. *Amendment.* This Agreement may not be amended or modified except (a) by an instrument in writing signed by, or on behalf of, each Party hereto or (b) by a waiver in accordance with *Section 9.07*.

[Table of Contents](#)

SECTION 9.07. *Waiver*. Any Party to this Agreement may (a) extend the time for the performance of any of the obligations or other acts of any other Party, (b) waive any inaccuracies in the representations and warranties of other Parties contained herein or in any document delivered by other Parties pursuant hereto or (c) waive compliance with any of the agreements of other Parties or conditions to such Party's obligations contained herein. Any such extension or waiver shall be valid only if set forth in an instrument in writing signed by the Party to be bound thereby. Any waiver of any term or condition shall not be construed as a waiver of any subsequent breach or a subsequent waiver of the same term or condition, or a waiver of any other term or condition of this Agreement. The failure of any Party hereto to assert any of its rights hereunder shall not constitute a waiver of any of such rights. All rights and remedies existing under this Agreement are cumulative to, and not exclusive of, any rights or remedies otherwise available.

SECTION 9.08. *Third Party Beneficiaries*. This Agreement shall be binding upon and inure solely to the benefit of the Parties hereto and their respective successors and permitted assigns and nothing herein, express or implied, is intended to or shall confer upon any other Person, including any union or any employee or former employee of any Party, any legal or equitable right, benefit or remedy of any nature whatsoever, including any rights of employment for any specified period, under or by reason of this Agreement.

SECTION 9.09. *Further Assurances*. Each of the Parties hereto shall use commercially reasonable efforts to take, or cause to be taken, all appropriate action, and to do, or cause to be done, all things necessary, proper or advisable under applicable Law to consummate and make effective the transactions contemplated pursuant to this Agreement.

SECTION 9.10. *Governing Law; Arbitration*.

(a) This Agreement shall be governed by, and construed in accordance with, the Laws of the State of New York applicable to contracts executed in and to be performed in that State, without regard to principles of the conflict of laws.

(b) Any dispute arising out of, or in connection with this Agreement or any transactions contemplated hereby, including any question regarding the existence, validity, interpretation, breach or termination of this Agreement (a "*Dispute*"), shall be referred, upon written notice (a "*Dispute Notice*") given by one Party to the other(s), to a senior executive from each Party. The senior executives shall seek to resolve the Dispute on an amicable basis within thirty (30) days of the Dispute Notice being received.

(c) Any Dispute not resolved within thirty (30) days of the Dispute Notice being received shall be referred to, and shall be finally and exclusively resolved by, arbitration under the Rules of the London Court of International Arbitration (the "*LCIA Rules*") then in effect, as amended by this Section 9.10, which LCIA Rules are deemed to be incorporated by reference into this Section 9.10. The seat, or legal place, of the arbitration shall be London, England. The language of the arbitration shall be English. The number of arbitrators shall be three. Each Party shall nominate one arbitrator and the two arbitrators nominated by the Parties shall, within thirty (30) days of the appointment of the second arbitrator, agree upon and nominate a third arbitrator who shall act as Chairman of the Tribunal (as such terms are defined in the LCIA Rules). If no agreement is reached within thirty (30) days, the LCIA Court (as such term is defined in the LCIA Rules) shall appoint a third arbitrator to act as Chairman of the Tribunal. The Chairman of the arbitration panel should not be a citizen or a resident of the country of an arbitrator nominated by, or appointed on behalf of, a Party nor should the Chairman be a citizen or a resident of the United States of America or the United Arab Emirates. It is hereby expressly agreed that if there is more than one claimant party or more than one respondent party, the claimant parties shall together nominate one arbitrator and the respondent parties shall together nominate one arbitrator. In the event that a sole claimant or the claimant parties, on the one side, or a sole respondent or the respondent parties, on the other side, fails to nominate its/their arbitrator, such arbitrator shall be appointed by the LCIA Court. Any award issued by the arbitrators shall be final and binding upon the Parties, and, subject to this Section 9.10(c) and to Section 9.10(d), may be entered and enforced in any court of competent jurisdiction by any of the Parties. In the event any Party

[Table of Contents](#)

subject to such final and binding award desires to have it confirmed by a final order of a court, the only court which may do so shall be a court of competent jurisdiction located in London, England; provided however, that nothing in this sentence shall prejudice or prevent a Party from enforcing the arbitrators' final and binding award in any court of competent jurisdiction. The Parties hereto acknowledge and agree that any breach of the terms of this Agreement could give rise to irreparable harm for which money damages would not be an adequate remedy. Accordingly, the Parties agree that, prior to the formation of the Tribunal, the Parties have the right to apply exclusively to any court of competent jurisdiction or other judicial authority located in London, England for interim or conservatory measures, including, without limitation, to compel arbitration (an "*Interim Relief Proceeding*"). Furthermore, the Parties agree that, after the formation of the Tribunal, the arbitrators shall have the sole and exclusive power to grant temporary, preliminary and permanent relief, including injunctive relief and specific performance, and any then pending Interim Relief Proceeding shall be discontinued without prejudice to the rights of any of the parties thereto. Unless otherwise ordered by the arbitrators pursuant to the terms hereof, the arbitrators' expenses shall be shared equally by the Parties. In furtherance of the foregoing, each of the Parties hereto irrevocably submits to: (i) the exclusive jurisdiction of the courts of England located in London, England in relation to any Interim Relief Proceeding and; (ii) the non-exclusive jurisdiction of the courts of England located in London, England with respect to the enforcement of any arbitral award rendered in accordance with this Section 9.10; and, with respect to any such suit, action or proceeding, waives any objection that it may have to the courts of England located in London, England on the grounds of inconvenient forum. For the avoidance of doubt, where an arbitral tribunal is appointed under this Agreement, the whole of its award shall be deemed for the purposes of the New York Convention on the Recognition and Enforcement of Foreign Arbitral Awards of 1958 to be contemplated by this Agreement (and judgment on any such award may be entered in accordance with the provisions set forth in this Section 9.10).

(d) Oyster hereby irrevocably waives to the fullest extent permitted by applicable Law whatever defense it may have of sovereign immunity against suit or enforcement, for itself and its property (presently owned or subsequently acquired, and whether related to this Agreement or not), in: (i) any arbitration proceedings commenced and held in London, England in accordance with Section 9.10(c); (ii) any Interim Relief Proceeding commenced and held in a court of competent jurisdiction in London, England, in accordance with Section 9.10(c); (iii) any proceedings in a court of competent jurisdiction located in London, England to confirm an award rendered by the arbitrators in accordance with this Section 9.10; and (iv) any proceedings in a court of competent jurisdiction to enforce an award, and Oyster agrees that it will not raise, claim or cause to be pleaded any such immunity at or in respect of any such action or proceeding.

(e) The Parties hereto agree that the process by which any arbitral or other proceedings in London, England are begun may be served on them by being delivered to Law Debenture Corporate Services Limited or their registered offices for the time being and by giving notice in accordance with Section 9.02. If Law Debenture Corporate Services Limited is not or ceases to be effectively appointed to accept service of process in England on any Party's behalf, such Party shall immediately appoint a further person in England to accept service of process on its behalf. If within fifteen (15) days of notice from a Party requiring another Party to appoint a person in England to accept service of process on its behalf the other Party fails to do so, the Party shall be entitled to appoint such a person by written notice to the other Party. Nothing in this paragraph shall affect the right of the Parties to serve process in any other manner permitted by Law.

SECTION 9.11. *Currency.* Unless otherwise specified in this Agreement, all references to currency, monetary values and dollars set forth herein shall mean United States (U.S.) dollars and all payments hereunder shall be made in United States dollars.

SECTION 9.12. *No Presumption Against Drafting Party.* Each Party hereto acknowledges and agrees it has had the opportunity to draft, review and edit the language of this Agreement and that each of the Parties hereto has been represented by counsel in connection with the negotiation and execution of this Agreement and the other Transaction Documents. Accordingly, any rule of law or any legal decision that would require interpretation of any claimed ambiguities in this Agreement against the drafting party has no application and is expressly waived.

[Table of Contents](#)

SECTION 9.13. *Expenses.* Except as otherwise specified in this Agreement, all costs and expenses, including fees and disbursements of counsel, financial advisors and accountants, incurred in connection with this Agreement and in closing and carrying out the transactions contemplated hereby shall be paid by the Party incurring such costs or expenses.

SECTION 9.14. *Counterparts.* This Agreement may be executed and delivered (including by facsimile transmission) in one or more counterparts, and by the different Parties hereto in separate counterparts, each of which when executed shall be deemed to be an original, but all of which taken together shall constitute one and the same agreement.

1.98 **“Wafers”** shall mean Engineering Wafers, Production Wafers, or both, as applicable.

1.99 **“Wafer Outs”** shall mean completed Wafers processed for delivery to AMD.

1.100 **“Wafer Price”** shall mean the price of Wafers quoted by FoundryCo Sales Entities to AMD on a Product by Product basis and thereafter set forth on a purchase order from AMD to the FoundryCo Sales Entities.

1.101 **“Wafer Starts”** shall mean Wafers that have started the manufacturing process.

1.102 **“Warranty Period”** shall mean the time following delivery of a Product when the performance warranty set forth in Section 9.1 is available for such Product. This Warranty Period shall be reviewed and approved by the Partnership Committee on a Product by Product basis, but in the absence of a specific Warranty Period approved by the Partnership Committee, the default Warranty Period for a Product will be [****].

1.103 **“Yield”** shall mean the actual percentage of Die on a Wafer that conform to the Specifications as measured at Wafer sort.

1.104 **“Yield Loss”** shall mean the percentage of Die on a Wafer that do not conform with the Specifications as measured at Wafer sort.

2. PURCHASE AND CAPACITY COMMITMENTS

2.1 Purchase Commitments.

(a) *MPU Products.* During the term of this Agreement and subject to Section 2.1(b), AMD agrees to purchase all of AMD’s and the Remaining Discovery Subsidiaries’ MPU Product requirements from FoundryCo Sales Entities in accordance with the terms and conditions of this Agreement, provided that if FoundryCo is not in compliance with its obligations to provide the agreed to capacity or to provide all of the MPU Products pursuant to the Binding Forecasts and applicable purchase orders in a timely manner, within the Yield requirements, on Qualified Processes and in accordance with the Specifications, then the parties agree to meet, discuss and implement a mutually acceptable corrective action plan to address such non-compliance as well as a mutually acceptable plan to allow FoundryCo to provide the agreed to capacity and to provide all of the MPU Products pursuant to the Binding Forecasts and applicable purchase orders in a timely manner, within the Yield requirements, on Qualified Processes and in accordance with the Specifications going forward. Notwithstanding the foregoing, in the event that AMD acquires a business from a third party that either manufactures or has manufactured MPU Products, then AMD shall have a commercially reasonable period of time to transition manufacture of such MPU Products to FoundryCo; provided that such period of time to transition shall not exceed two (2) years from the date of such acquisition, unless consented to by FoundryCo (which consent shall not be unreasonably withheld).

(b) *Second Sourcing.*

i. Notwithstanding Section 2.1(a), AMD may source up to [****] percent ([****]%) of AMD's and the Remaining Discovery Subsidiaries' quarterly MPU Product Wafer requirements with [****] at Process Nodes of [****] or [****], until [****].

ii. If at any time while AMD may purchase the applicable MPU Products from [****], FoundryCo cannot deliver in a timely manner Qualified Products produced on Qualified Processes that meet the Specifications in accordance with Binding Forecasts, the Partnership Committee shall promptly address the situation, including conducting a prompt review process and implementing a corrective action plan. If, however, such failure to so deliver such Products is causing AMD to fail to meet its material commitments to its customers, and AMD as a result needs to purchase greater MPU Product volumes from [****] than otherwise set forth above, AMD may increase its purchases at [****] for the affected MPU Products above the [****] percent ([****]%) maximum to meet such customer requirements. AMD may thereafter continue to purchase MPU Products over the [****] percent ([****]%) maximum until such time as FoundryCo demonstrates, as mutually agreed upon, that FoundryCo can meet the relevant Specifications and Yields for such MPU Product in a manner reasonably comparable or better than those of [****], as well as meet the applicable supply commitments set forth in this Agreement or as actually required by AMD.

iii. Upon request from AMD and [****], FoundryCo agrees to use commercially reasonable efforts to provide technical assistance to [****] with respect to an agreed upon plan to enable [****]'s efforts to manufacture the applicable MPU Products, including, subject to any applicable third-party sublicensing and disclosure restrictions, granting access and rights to necessary process technology, provided that [****] agrees to use such assistance solely to manufacture applicable MPU Products for AMD and to enter into a confidentiality agreement reasonably satisfactory to FoundryCo. AMD agrees to bear the reasonable expenses approved in advance by AMD and actually incurred by FoundryCo to provide such assistance.

iv. Notwithstanding any of the foregoing, upon the occurrence of [****] Change of Control Transaction, AMD shall not be permitted thereafter to engage [****] as a second source manufacturer of any MPU Products, subject to a reasonable wind-down period to move the production of the applicable MPU Products to Qualified Processes at the FoundryCo Manufacturing Entities without materially affecting AMD's supply obligations to its customers. FoundryCo agrees, in good faith, to work with AMD to resolve any issues related to AMD's ongoing customer relationship as a result of AMD's inability to engage [****] as a second source manufacturer. Notwithstanding the foregoing and except for the reasonable transition period contemplated in the final sentence of Section 2.1(a), to the extent the relevant MPU Products were being made by [****] or [****] at the time AMD acquired the applicable business pursuant to the final sentence of Section 2.1(a), AMD agrees not to second source any MPU Products from [****] or [****] or any company controlled by [****] or [****].

(c) *GPU Products.*

i. AMD commits to, and the parties agree to work together, to establish FoundryCo's ability to manufacture GPU Products via a high volume bulk 32 nm process with Specifications to be agreed upon in advance by the parties in writing.

ii. At such time as FoundryCo has established a 32 nm Qualified Process, AMD agrees, subject to this Section 2.1(c), that it will purchase from FoundryCo Sales Entities at least [****] percent ([****]%) of AMD's and the Remaining Discovery Subsidiaries' monthly Wafer requirements for the GPU Products at all Process Nodes, as further detailed in Exhibit C, ramping up linearly over a five (5) year period beginning with the fiscal month in which the initial [****] percent ([****]%) GPU

Product volume sourcing commitment has been met, to at least [****] percent ([****]%) of AMD's Wafer requirements of its GPU Products (such minimum percentage, the "GPU Minimum Percentage"). If for an applicable quarter it is determined that AMD has not placed the GPU Minimum Percentage of AMD's and the Remaining Discovery Subsidiaries' GPU Products for manufacture by FoundryCo as set forth herein, the parties agree to meet, discuss and implement a mutually acceptable corrective action plan to address such non-compliance and to enable FoundryCo to manufacture higher volumes of the GPU Products in future.

iii. For each GPU Product (including the first-tape out of such GPU Product), FoundryCo shall have a [****] in accordance with the process set forth in Exhibit B to manufacture such GPU Product. For the avoidance of doubt, the parties agree that FoundryCo shall have such [****] in accordance with the process set forth in Exhibit B with respect to each GPU Product (whether or not such GPU Product is first GPU Product) at [****].

iv. AMD agrees not to sell, transfer or otherwise dispose of all or substantially all of its or the Remaining Discovery Subsidiaries' assets related to GPU Products and related technology (including the equity interests of ATI Technologies ULC or its other subsidiaries that own such assets) to any person (other than to AMD or another Remaining Discovery Subsidiaries) without the consent of FoundryCo, unless the transferee (A) agrees to be bound by the provisions of this Agreement with respect to GPU Products, [****] and the GPU volume commitment set forth in this section 2.1(c), and (B) agrees to purchase, on an annual basis, GPU Products in an amount equal to the GPU Minimum Percentage (determined at the time of such transfer) of AMD's volume of total GPU Products purchased from any foundry during the one (1) year period before such transfer, or if such transfer takes place less than one (1) year from the Effective Date, then the annualized volume for the period from the Effective Date to such transfer date.

(d) *Embedded Products.* FoundryCo shall continue to manufacture the Embedded Products (other than such Products on [****] technology), in accordance with the terms of this Agreement, that AMD is manufacturing as of the Effective Date so long as AMD gives FoundryCo commercially viable volumes, as determined by the Partnership Committee.

(e) *Other Future Products.* AMD shall have no purchase commitment with respect to any Other Future Products; provided, however, that in the event AMD introduces a tape-out of any Other Future Products, FoundryCo shall have a right of first refusal in accordance with the process set forth in Exhibit B to manufacture such Other Future Product (including the first tape-out of such Other Future Product), subject to Qualification of such Other Future Product at such Process Node.

2.2 Capacity Commitment. The parties agree to work in good faith to review the forecast with respect to MPUs provided by AMD pursuant to Section 5.1, including a review of all incremental [****] and [****] expected to [****] by FoundryCo resulting from any [****] in the MPU Product volumes pursuant to the MPU Product forecasts. Upon completion of such review, and to the extent agreed to by the parties regarding the implementation of any additional capacity at FoundryCo Manufacturing Entities, FoundryCo shall allocate such additional capacity sufficient to produce the MPU Product volumes indicated in the relevant Binding Forecasts. The parties agree to act in good faith and in reasonable manner in connection with such review and any agreement to allocate such capacity. The parties agree to establish capacity requirements in writing in advance for the manufacture and supply of GPU Products. Notwithstanding the foregoing, FoundryCo will use commercially reasonable efforts to fill any unutilized capacity at FoundryCo Manufacturing Entity facilities that has been allocated to AMD as set forth in this Agreement with production on behalf of third parties, and FoundryCo will offset AMD's obligations to reimburse FoundryCo's fixed costs for such unutilized capacity by the percentage of such unutilized capacity FoundryCo uses to manufacture products for third parties; provided that FoundryCo shall not be required to fill such unutilized capacity that has been allocated to AMD if there exists unutilized capacity at FoundryCo Manufacturing Entity facilities that has not been allocated to AMD.

3. PROCESS IMPLEMENTATION

3.1 **Operational Coordination.** The parties will maintain communication via applicable technical personnel to ensure production and delivery of Products in accordance with the requirements as set forth in this Agreement.

3.2 Partnership Committee.

(a) *Partnership Committee Composition.* The parties hereto shall create a partnership committee (the “**Partnership Committee**”) which shall have responsibility for the implementation of this Agreement and for the relationship between FoundryCo and AMD. The Partnership Committee shall be comprised of at least four (4) members, with each of AMD and FoundryCo appointing an equal number of representatives. The Partnership Committee will create or approve general guidelines, policies, and procedures governing the process for determining any specific parameters to be mutually established by the parties (e.g., production volume forecast, customer feedback, Specifications, Target Yields). The Partnership Committee will meet (a) on a quarterly basis, (b) at the request of any party in connection with the resolution of a dispute, and (c) at the reasonable request of any party to address significant issues with respect to this Agreement. The Partnership Committee or its designees will also conduct QBRs and QTRs.

(b) *Dispute Escalation.* If at any point the Partnership Committee members are deadlocked and cannot reach agreement on an issue, the Partnership Committee will notify the relevant executive officer (each, a “**Relevant Executive Officer**”) of AMD and FoundryCo of the issue. If the Relevant Executive Officers reasonably determine that the issue warrants further escalation, the Relevant Executive Officers will then discuss the issue in person or by telephone and the parties shall attempt in good faith to resolve the issue for a period of ten (10) Business Days. If the issue is not resolved, as agreed by AMD and FoundryCo, within such ten (10) Business Day period, the issue will be escalated to the chief executive officers of AMD and FoundryCo.

3.3 **New Processes.** The parties will discuss in good faith the details of the introduction of new process technologies, technology roadmaps and new Process Nodes at FoundryCo (subject to, in each case, any applicable constraints to which FoundryCo may be subject pursuant to any confidentiality obligations (whether oral or in writing) to or confidentiality agreements with third parties) for use to manufacture Products, including production capacity, ramp time, dependencies and Wafer Prices. As between FoundryCo and AMD, FoundryCo will bear all expenses for introducing new process technology and new Process Nodes, as further described in Exhibit A, other than AMD-Specific Manufacturing Process Technologies.

3.4 **New Products.** If the parties agree, pursuant to Section 2.1 or otherwise, to add new non-MPU Products for FoundryCo to manufacture on AMD’s behalf, AMD and FoundryCo shall agree in writing in advance on the Specifications, the AMD-Specific Product Qualification Plan and the price for such new non-MPU Products.

3.5 **Product Development Wafer Production Run.** Upon the agreement of the parties pursuant to a purchase order, FoundryCo will produce Product Development Wafers, using the applicable FoundryCo manufacturing process, and deliver the Product Development Wafers to AMD in accordance with the AMD-Specific Qualification Plan or the Qualification Plan agreed upon by the parties.

3.6 **Process Evaluation.** AMD shall evaluate the Wafers provided by FoundryCo in accordance with the AMD-Specific Qualification Plan or the Qualification Plan, as applicable. The parties will then assess in accordance with the procedures set forth in Exhibit G whether the applicable manufacturing process fulfills the necessary requirements to manufacture the applicable Products in commercial production quantities in accordance with all applicable Specifications and requirements.

3.7 Yield Calculation Process and Yield Improvements.

(a) *Existing Products on Existing Processes.* On a fiscal quarter basis within thirty (30) days following the end of the previous fiscal quarter, the parties will meet and review the actual Yields achieved by

FoundryCo on a Product by Product basis. The parties will agree in writing on a Product by Product basis for the Target Yields for each Product that will apply to orders placed in the subsequent fiscal quarter. For the first [****] fiscal quarters following the Effective Date, the lot average actual Yields measured over the last completed fiscal quarter prior to the Effective Date for the Products calculated by AMD and provided to FoundryCo shall be used for the Target Yields.

(b) *New Products on New Processes.* For instances where AMD and FoundryCo have agreed that FoundryCo will manufacture a new Product for AMD and will do so on a new process that has not previously been Qualified to manufacture Products for AMD, the Partnership Committee may set a Target Yield, but Yield and Yield Loss percentages will not be calculated until the parties mutually agree that a sufficient number of Wafers have been produced to generate Target Yield data. The parties will establish in advance mutually-acceptable test criteria for determining conformance of the applicable Die to the applicable Specifications so that the Target Yield data will be determined objectively.

(c) *New Products on Existing Processes.* For instances where AMD and FoundryCo have agreed that FoundryCo will manufacture a new Product for AMD and will do so on an existing FoundryCo process that has previously been Qualified to manufacture Products for AMD, the Partnership Committee may set a Target Yield, but the Target Yield will not be calculated until the parties mutually agree that a sufficient number of Wafers have been produced to generate Target Yield data, with a presumption that fewer Wafers will need to be produced to calculate such Target Yield data than would be required for new Products on new processes. The parties will establish in advance mutually-acceptable test criteria for determining conformance of the applicable Die to the applicable Specifications so that the Target Yield data will be determined objectively.

(d) *Yield Improvements.* FoundryCo shall use commercially reasonable efforts to continuously improve Yields and to decrease Yield Losses for all Products. AMD understands and accepts that design and test program changes instigated by AMD (for instance, by moving test from system level test to wafer sort test) may decrease the Wafer sort Yield and reasonably decrease the Target Yield, and agrees to reset the relevant Target Yield and Wafer sort Yield accordingly. FoundryCo shall notify AMD with respect to such decrease in the Wafer sort Yield and decrease in the Target Yield.

3.8 Notice of Engineering Change.

(a) *Engineering Change Approval.* FoundryCo shall not remove, destroy, cease production on, or make any Major Changes to, any Qualified Process, or the controlled process parameters or sources, types or grade classifications of materials used on any Qualified Process, with respect to any Product, except (i) in accordance with FoundryCo's then-standard, reasonable engineering change notification process as generally applied to its customers; (ii) as reviewed and approved by the Partnership Committee on a case-by-case basis; or (iii) in accordance with a mutually agreed-upon process for implementing end-of-life procedures at the request of AMD.

(b) *Engineering Change Requests from AMD.* AMD may request Engineering Changes to a Qualified Process with respect to any Product from time to time. AMD agrees to provide FoundryCo reasonable specifications and rationales for making the process change, as well as propose an effective date for such Engineering Changes. FoundryCo shall respond within a reasonable period of time with a change order advising AMD as to whether it can support such change, and if it can support such change, the impact of such change on Product price, Yield, schedule, materials and work in progress. FoundryCo shall implement the requested Engineering Changes upon written agreement by AMD and FoundryCo of the terms of the change order.

3.9 Information. To the extent that it is able to do so based on disclosure obligations to third parties, and upon a specific request from AMD and the receipt by FoundryCo of each relevant consent from its third party

customers, FoundryCo agrees to share with AMD the necessary technical and manufacturing information to ensure successful performance and production ramp of Products. Without limiting the foregoing, FoundryCo agrees to provide AMD the information listed in Exhibit D in accordance with the delivery schedules specified in Exhibit D for the applicable information.

3.10 Technical Assistance to Enable FoundryCo to Implement New Processes and New Process Nodes. The parties acknowledge and agree that it is in the best interest of each party that FoundryCo design and implement new processes and new Process Nodes to enable FoundryCo to manufacture Products on behalf of AMD and to obtain additional customers for its services. Therefore, AMD agrees to use reasonable efforts to provide FoundryCo information and assistance to enable FoundryCo to implement manufacturing processes at Process Nodes that are equivalent to or better than similar manufacturing processes at the same or higher Process Nodes in the marketplace. This information sharing between AMD and FoundryCo will be conducted through the Quarterly Technical Reviews and Quarterly Business Reviews or as otherwise agreed by the parties.

4. PRODUCTION

4.1 General. Upon the successful completion of Qualification, the FoundryCo Manufacturing Entities will manufacture the Products, utilizing the applicable Qualified Processes, for AMD in accordance with the terms and conditions of this Agreement.

4.2 Sort Services and Sort Equipment.

(a) *Sort Services.* As part of the Wafer supply services performed by FoundryCo for AMD under this Agreement, FoundryCo agrees to provide the Sort Services on a Product by Product basis as requested by AMD. Unless otherwise agreed to by the parties, AMD shall consign to the FoundryCo Manufacturing Entities all equipment and tooling (other than the Sort Equipment described below in Section 4.2(b), but including any upgrade to then existing equipment and tooling) necessary for the FoundryCo Manufacturing Entities to provide Sort Services, and such equipment and tooling shall be considered AMD Furnished Property subject to Section 4.3 below.

(b) *Sort Equipment.* The Sort Equipment will be owned by FoundryCo pursuant to the Master Agreement. The parties will meet and discuss in good faith with respect to any proposal from FoundryCo or AMD to modify or dispose of any of the Sort Equipment. In the event any or all of the Sort Equipment is no longer useable for providing Sort Services for MPU Products or for products of FoundryCo's other customers due to AMD changes in its test platforms or otherwise, FoundryCo may dispose of such Sort Equipment in any reasonable manner and AMD agrees to reimburse FoundryCo for the [****] between (i) the [****] of (A) [****] percent ([****]%) of the [****] of the disposed Sort Equipment, (B) [****] to dispose of the Sort Equipment, (C) all [****] and [****] (and any [****] related to such [****] and [****]) required to be [****] as a result of such disposition, and (D) [****] incurred by FoundryCo on such disposition, and (ii) the [****] from the [****] of Sort Equipment [****] by FoundryCo. Notwithstanding the foregoing, if the [****] resulting from the [****] of such Sort Equipment, [****] the [****] to be [****] by AMD as set forth above, including the [****] of [****] or [****] results in a [****] from such disposal of the Sort Equipment, then FoundryCo agrees to [****] AMD the [****] resulting from such disposal of the Sort Equipment.

4.3 AMD Furnished Property. AMD may provide FoundryCo AMD Furnished Property from time to time to enable FoundryCo to provide the services specified under this Agreement. All such AMD Furnished Property shall be itemized and agreed upon in writing by the parties from time to time. All equipment and tooling included in the AMD Furnished Property shall be installed at the locations agreed upon in writing in advance and shall not be serviced without the prior written consent of AMD on a case-by-case basis, except that AMD's prior written consent shall not be required if the AMD Furnished Property is serviced by appropriate FoundryCo

Manufacturing Entity personnel, by the manufacturer of the AMD Furnished Property, or by an AMD pre-approved vendor. [****] shall bear all reasonable maintenance and other operational costs for all equipment consigned by AMD as part of the AMD Furnished Property. The parties will agree from time to time regarding the nature, quantity and location for all AMD Furnished Property and FoundryCo shall be responsible for the proper storage of the AMD Furnished Property, at [****] reasonable expense, and for FoundryCo's use of the AMD Furnished Property, ordinary wear and tear excepted. Upon completion of use, or upon termination of this Agreement, FoundryCo shall return such AMD Furnished Property to AMD at [****] reasonable expense in accordance with AMD's reasonable packing and shipment instructions.

4.4 AMD Activities at FoundryCo Facilities. It is anticipated by the parties that AMD may undertake activities as needed at FoundryCo Manufacturing Entity facilities (i) to work with FoundryCo Manufacturing Entities to enhance and to improve engineering and quality initiatives with respect to the manufacture of Products for AMD and (ii) to verify maintenance of the AMD-Specific Qualified Processes and the manufacturing of the Products for AMD in accordance with the Specifications. AMD agrees to comply with all applicable safety, security and environmental policies and procedures implemented by FoundryCo at such facilities. In addition, AMD will comply with all confidentiality procedures that separate AMD activities at FoundryCo facilities from other activities related to other FoundryCo customers. FoundryCo agrees to implement reasonable safety, security and environmental procedures at all of its facilities, including reasonable security procedures to protect the confidentiality of AMD's technical information and AMD's personnel for AMD-Specific Manufacturing Process Technology and AMD's Confidential Information.

4.5 Provision of Reticles. The parties will obtain and manage the reticles for the Products as further specified in Section 5.9 and Exhibit H.

4.6 Quick Turn Module Assembly Line Services. As part of the Wafer supply services performed by FoundryCo for AMD under this Agreement, FoundryCo agrees to provide quick turn module assembly line services on a Product by Product basis as reasonably requested by AMD.

4.7 Treatment of Gain on Sale of Specific FoundryCo Equipment. When FoundryCo delivers certain specific [****] equipment that was sold to [****] prior to the Effective Date and recognizes the gain on the sale of such equipment, to the extent such gain reduces [****], the gain shall be reversed in calculating [****] or [****] for the Period in which such gain was recognized by FoundryCo. For the avoidance of doubt, [****] or [****] shall not be reduced in that Period as a result of such gain.

5. ORDER AND SHIPMENT

5.1 MPU Product Forecasts. Beginning on the Effective Date, AMD shall provide FoundryCo, in writing on a monthly basis a non-binding, rolling [****] month forecast of its monthly volume requirements for MPU Products on a Product by Product basis, identified by specific technology and Process Node for the MPU Products listed. Notwithstanding the foregoing, upon the agreement of the parties with respect to any additional capacity requirements as specified in Section 2.2, the forecasts for capacity requirements for MPU Products shall be binding on each party regarding the Binding Forecast Period. AMD shall be required to [****] FoundryCo for [****], as part of the MPU Product pricing calculation in Exhibit A, [****]. Notwithstanding anything to the contrary, the parties agree that the binding capacity for the first [****] years after the Effective Date shall be [****] percent ([****]%) of the capacity at [****] plus [****] and any [****] at the request of AMD to [****] during such [****] years per mutual written agreement by the parties.

(a) In the event that during the Binding Forecast Period AMD requests additional capacity and FoundryCo provides such capacity, AMD shall also [****] FoundryCo for the [****], as part of the MPU pricing calculation in Exhibit A, for such additional capacity.

[****] = Certain confidential information contained in this document, marked by brackets, has been omitted and filed separately with the Securities and Exchange Commission pursuant to Rule 24b-2 of the Securities Exchange Act of 1934, as amended. Confidential treatment has been requested with respect to the omitted portions.

(b) FoundryCo shall, upon receipt of the relevant [****] month rolling forecast, provide AMD, on a quarterly basis, with a non-binding forecast of the [****], [****], [****] and [****] (for [****]) at a reasonable level of detail required to produce and maintain the capacity requirements contained in such forecast.

(c) FoundryCo agrees to make a good faith effort to provide additional capacity to meet AMD requirements in excess of the capacity allocated to AMD pursuant to this Section 5.1 and Section 2.2; provided, however, that FoundryCo shall not be required to reallocate any capacity that has been committed to its other customers.

5.2 GPU Products. AMD shall provide FoundryCo, in writing and updated on a monthly basis, a rolling [****] month forecast of its Forecasted GPU Wafer Demand on a Product by Product basis, identified by specific technology and Process Node for the GPU Products listed.

5.3 Embedded Products. AMD shall provide FoundryCo, in writing and updated on a monthly basis, a non-binding, rolling [****] month forecast of its monthly volume requirements for Wafers for Embedded Products on a Product by Product basis, identified by specific technology and Process Node for the Embedded Products listed.

5.4 [**] Principles.**

(a) The [****] set forth in Exhibit A are based on the assumption that in the early years of this Agreement following the Effective Date, AMD will likely be the primary customer of FoundryCo, and that it will take time for FoundryCo to establish additional customers to fill capacity at its facilities not used to manufacture Products on behalf of AMD. However, subject to Section 2.2, FoundryCo agrees (i) to make a good faith effort to fill any capacity at its facilities allocated to AMD that is not required to meet FoundryCo's supply commitments under this Agreement by providing foundry services to additional customers and (ii) to offset AMD's obligations to [****] FoundryCo's [****] for such capacity by the [****] of such capacity FoundryCo uses to manufacture products for third party customers.

(b) In addition, subject to Section 2.2, if AMD notifies FoundryCo in writing that despite the binding MPU Product forecast AMD issued pursuant to Section 5.1 above, AMD's actual requirements for MPU Product production will be less than initially forecasted for the applicable Binding Forecast Period, FoundryCo agrees to use commercially reasonable efforts to find customers to fill the unneeded capacity and to the extent that FoundryCo does engage alternative customers to fill such capacity no longer needed by AMD, then FoundryCo agrees not to charge AMD for the forecasted, but no longer necessary, capacity for which FoundryCo has found alternative purchasers, provided that the price paid by such alternative purchasers is equal to or greater than the purchase price for the MPU Products to have been manufactured for AMD pursuant to the applicable forecast.

(c) The parties agree to use commercially reasonable efforts to work together to reduce [****] and [****], including by improving [****].

5.5 Purchase Orders.

(a) AMD will purchase Products from FoundryCo Sales Entities pursuant to valid purchase orders referencing this Agreement that specify the purchase order number, type and quantity of Products ordered, the applicable price for such Products, the place(s) of delivery, and required delivery date(s). Purchase orders may take the form of electronic submissions in a mutually-acceptable format (including submissions currently referred to by AMD as "B+B+B files") so long as they contain the same information specified above for purchase orders, even if such submissions may not be referred to specifically as "purchase orders" when transmitted. The applicable FoundryCo Sales Entity shall provide written order acknowledgements by

[****] = Certain confidential information contained in this document, marked by brackets, has been omitted and filed separately with the Securities and Exchange Commission pursuant to Rule 24b-2 of the Securities Exchange Act of 1934, as amended. confirmed facsimile, electronic transmission, or other mutually-agreed means as soon as reasonably practicable; provided that such purchase orders shall not be binding until accepted in writing by the applicable FoundryCo Sales Entity. Notwithstanding the foregoing, no FoundryCo Sales Entity may reject an MPU Product purchase order submitted in accordance with Binding Forecasts and Lead Times, and will not unreasonably delay purchase order acknowledgments or unreasonably reject purchase orders submitted in accordance with applicable forecasts and Lead Times for all other Products. In the event of any discrepancy between any pre-printed terms on a purchase order or sales acknowledgment form or notice and the terms of this Agreement, this Agreement shall prevail and any different or additional terms shall be deemed rejected.

(b) Minimum Batch Sizes for Production Wafers shall be determined by FoundryCo on a commercially reasonable basis. Lead Times will be determined by the parties on a Product-by-Product basis. Lead Times shall take into account manufacturing process cycle times, capacity commitment times, materials ordering times, and the like.

5.6 **Acceleration.** It is anticipated that from time to time there may be instances where an accelerated lead and cycle time is required to serve the needs of AMD. AMD shall have the right to request change orders to existing purchase orders to accelerate production and delivery of specified Products by providing written notice to FoundryCo prior to the delivery of the Products impacted by such change order and FoundryCo shall use commercially reasonable efforts to meet such request; provided that, unless otherwise agreed to by the parties, such lot acceleration shall be limited to [****] percent ([****]%) of AMD's [****] at [****].

5.7 **Cancellations.** Subject to AMD's purchase volume commitments set forth in this Agreement, including the MPU Product purchase requirements set forth in Section 5.1, AMD may cancel any purchase order or portion thereof for Products, without charge, upon [****] days advance written notice to FoundryCo prior to the applicable Wafer Start date. If AMD provides notice of cancellation on or after the applicable Wafer Start date for a Product order, then AMD agrees to pay FoundryCo [****], per a mutually-agreed scrap calculation as further described in Exhibit F, for [****] incurred by FoundryCo for the ordered Products under the cancelled purchase order, provided that such [****] may not be reasonably used by FoundryCo in fulfilling subsequent purchase orders.

5.8 **Lot Splits and Lot Holds.** The parties agree to work in good faith with respect to any lot splits and lot holds requested by AMD; provided that, unless otherwise agreed to by the parties, no lot hold may extend for a period exceeding [****] days and the total number of Wafers on hold cannot exceed [****] percent ([****]%) of total work in process for AMD.

5.9 **Reticle Holds.** FoundryCo agrees to retain reticles for Products for at least [****] months following the last applicable Product delivery for the applicable reticle. At the end of such [****] month period, upon agreement by the parties, FoundryCo may return such reticles to AMD at AMD's expense if no applicable Product has been forecasted by AMD.

5.10 **Product End of Life Procedures.** If AMD decides that it will no longer offer for sale and sell a particular Product, AMD will give FoundryCo reasonable prior written notice, and the parties will mutually agree upon and implement an end of life process for the applicable Products, including any Wafers specific to that Product that may still be on hold in accordance with Section 5.8 above. As part of such discussions, the parties will determine the disposition of any reticles specific to that Product.

6. DELIVERY

6.1 **Packaging.** The FoundryCo Manufacturing Entities will package the Products for shipment to AMD in accordance with the applicable industry standard specifications, unless otherwise agreed to by the parties.

6.2 Delivery and Risk of Loss. Unless otherwise agreed to by the applicable FoundryCo Sales Entity and AMD, the Products will be delivered EXW the applicable FoundryCo Manufacturing Entity (Incoterms 2000). Title to Products will pass from the applicable FoundryCo Sales Entity to AMD upon receipt of the Products by AMD or its carrier at the FoundryCo Manufacturing Entity shipping dock, unless the applicable FoundryCo Sales Entity and AMD agree to another location. 9. LIMITED WARRANTY; WARRANTY DISCLAIMER

9.1 **Limited Warranty.** FoundryCo represents and warrants that the Products delivered hereunder (other than Engineering Wafers) shall meet the applicable Specifications, and shall be free from defects in material and workmanship, under normal use and service during the Warranty Period. If, during the Warranty Period, (i) AMD notifies FoundryCo promptly in writing upon discovery of any defect in the applicable Products, including a reasonable description of the alleged defect, or if Yield Losses exceed pre-established limits, (ii) AMD returns samples of such Products to FoundryCo pursuant to the RMA procedures described in Exhibit E, and (iii) FoundryCo determines in good faith that such Product is defective or corroborates the low Yields and that such defect or low Yield was not caused by any accident, abuse, misuse, neglect, improper installation, repair, alteration or some other action by someone other than FoundryCo, improper testing or use contrary to any instructions issued by FoundryCo, or by any other reason not attributable to FoundryCo, then FoundryCo shall undertake the actions specified in Exhibit F. The warranty in this Section 9.1 does not apply to any failure in conformance or defect to the extent arising as a result of AMD's design nor for any other cause not attributable to defective materials or workmanship or failure to meet Specifications on the part of FoundryCo. 10.2 FoundryCo Indemnity. Except as provided for in Section 10.1, FoundryCo shall, at its own expense, indemnify, defend and hold AMD and its Affiliates, officers, directors, employees, agents, successors and assigns ("AMD Indemnified Parties") harmless from and against any liabilities, losses, damages, costs or expenses, including reasonable attorneys' fees, arising from any third party action, claim, suit or proceeding alleging infringement or misappropriation of such third party's patent, trademark, copyright, mask work or other intellectual property rights to the extent arising from FoundryCo's method of manufacturing the applicable Products, providing the Sort Services, or from IP blocks (e.g., standard cell libraries), (except as a result of the use by FoundryCo of the same equipment, materials, manufacturing methods and process technologies as those used by AMD or its subsidiaries at the relevant facilities immediately prior to the Effective Date); provided that such indemnity shall not apply to such liabilities, losses, damages, costs or expenses arising from fraud, willful misconduct or gross negligence of AMD Indemnified Parties.

10.3 Notice of Loss; Third Party Claims. The provisions of Section 12.07 of the Master Agreement shall apply in connection with any claim for a loss under this Section 10 as it relates to the indemnified party and the indemnifying party under this Section 10.

11. INTELLECTUAL PROPERTY

11.1 License Grant. Subject to the terms and conditions of this Agreement, AMD grants FoundryCo and the applicable FoundryCo subsidiaries (and any permitted assignees) a non-exclusive, non-transferable, royalty-free right and license to make Products on behalf of AMD and to import and sell such Products to AMD. Subject to the terms and conditions of this Agreement, AMD also grants FoundryCo and the applicable FoundryCo subsidiaries (and any permitted assignees) a non-exclusive, non-transferable, royalty-free right and license to reproduce any documentation provided by AMD hereunder to enable FoundryCo and the applicable FoundryCo subsidiaries (or such permitted assignees) to manufacture the Products on behalf of AMD. The pricing for MPU Products during the Transition Period shall be based on pricing specified in Section 7, and the exclusivity provision in Section 2.1(a) shall be waived from the beginning of the Transition Period in order to enable AMD to find and qualify a new manufacturing partner or to otherwise obtain manufacturing capabilities for MPU Products. For the avoidance of doubt, during the Transition Period (i) AMD shall continue to provide MPU Product forecasts pursuant to Section 5.1 and (ii) AMD shall be required to [****] FoundryCo for all [****], as part of the MPU Product pricing calculation in Exhibit A, regardless of the amount of [****] manufactured during the Transition Period.

13.3 **Duration.** The obligations of the parties set forth in this Section 13 with respect to the protection of Confidential Information shall remain in effect until the later of (a) five (5) years after the date of disclosure and (b) two (2) years after the termination of this Agreement.

15.5 Severability. If any term or other provision of this Agreement is invalid, illegal or incapable of being enforced by any law or public policy, all other terms and provisions of this Agreement shall nevertheless remain in full force and effect for so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner materially adverse to any party hereto. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the parties hereto shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in an acceptable manner in order that the transactions contemplated hereby are consummated as originally contemplated to the greatest extent possible.

15.6 Entire Agreement. This Agreement, the Master Agreement and the other Ancillary Agreements constitute the entire agreement of the parties hereto with respect to the subject matter hereof and thereof and supersedes all prior agreements and undertakings, both written and oral, among the parties with respect to the subject matter hereof and thereof.

15.7 Assignment. This Agreement may not be assigned by operation of law or otherwise without the express written consent of the other parties hereto (which consent may be granted or withheld in the sole discretion of such parties (provided that USOpCo shall have no such consent right)) and any such assignment or attempted assignment without such consent shall be void; provided, however, that FoundryCo may assign or delegate all or some of its rights and obligations under this Agreement to one or more of its subsidiaries, including USOpCo, any other applicable FoundryCo Sales Entity, or any FoundryCo Manufacturing Entity, without any such consent if FoundryCo guarantees the performance of the obligations that have been so assigned or delegated. Without limiting FoundryCo's guarantee of performance pursuant to this Section 15.7, the parties intend that FoundryCo shall assign or delegate all such rights and obligations, directly or indirectly, to USOpCo to the extent the retention of such rights or obligations could give rise to income to FoundryCo that is treated as effectively connected with the conduct of a trade or business within the United States within the meaning of Section 864 of the U.S. Internal Revenue Code of 1986, as amended.

15.8 Amendment. This Agreement may not be amended or modified except (a) by an instrument in writing signed by, or on behalf of, each party hereto or (b) by a waiver in accordance with Section 15.9.

15.9 Waiver. Any party may (a) extend the time for the performance of any of the obligations or other acts of any other party or (b) waive compliance with any of the agreements of the other parties or conditions to such party's obligations contained herein. Any such extension or waiver shall be valid only if set forth in an instrument in writing signed by the party to be bound thereby. Any waiver of any term or condition shall not be construed as a waiver of any subsequent breach or a subsequent waiver of the same term or condition, or a waiver of any other term or condition of this Agreement. The failure of any party hereto to assert any of its rights hereunder shall not constitute a waiver of any of such rights. All rights and remedies existing under this Agreement are cumulative to, and not exclusive of, any rights or remedies otherwise available.

15.10 Third Party Beneficiaries. Except for the provisions of Section 10 relating to indemnified parties, this Agreement shall be binding upon and inure solely to the benefit of the parties hereto and their respective successors and permitted assigns and delegates and nothing herein, express or implied, is intended to or shall confer upon any other person, including any union or any employee or former employee of any party, any legal or equitable right, benefit or remedy of any nature whatsoever, including any rights of employment for any specified period, under or by reason of this Agreement.

15.11 Governing Law; Dispute Resolution.

(a) This Agreement shall be governed by, and construed in accordance with, the laws of the State of New York applicable to contracts executed in and to be performed in that State, without regard to conflict of law principles.

(b) Any dispute arising out of, or in connection with this Agreement or any transactions contemplated hereby or thereby, including any question regarding the existence, validity, interpretation, breach or termination of this Agreement (a "**Dispute**"), shall be referred, upon written notice (a "**Dispute Notice**") given by one party to the other parties, to a senior executive from each party. The senior executives shall seek to resolve the Dispute on an amicable basis within thirty (30) days of the Dispute Notice being received.

(c) Any Dispute not resolved within thirty (30) days of the Dispute Notice being received shall be referred to, and shall be finally and exclusively resolved by, arbitration under the LCIA Rules then in effect, as amended by this Section 15.11, which LCIA Rules are deemed to be incorporated by reference into this Section 15.11. The seat, or legal place, of the arbitration shall be London, England. The language of the arbitration shall be English. The number of arbitrators shall be three. Each party shall nominate one arbitrator and the two arbitrators nominated by the parties shall, within thirty (30) days of the appointment of the second arbitrator, agree upon and nominate a third arbitrator who shall act as Chairman of the Tribunal. If no agreement is reached within thirty (30) days, the LCIA Court shall appoint a third arbitrator to act as Chairman of the Tribunal. Chairman be a citizen or a resident of the United States of America or the United Arab Emirates. It is hereby expressly agreed that if there is more than one claimant party or more than one respondent party, the claimant parties shall together nominate one arbitrator and the respondent parties shall together nominate one arbitrator. In the event that a sole claimant or the claimant parties, on the one side, or a sole respondent or the respondent parties, on the other side, fails to nominate its/their arbitrator, such arbitrator shall be appointed by the LCIA Court. Any award issued by the arbitrators shall be final and binding upon the parties, and, subject to this Section 15.11, may be entered and enforced in any court of competent jurisdiction by any of the parties. In the event any party subject to such final and binding award desires to have it confirmed by a final order of a court, the only court which may do so shall be a court of competent jurisdiction located in London, England; provided however, that nothing in this sentence shall prejudice or prevent a party from enforcing the arbitrators' final and binding award in any court of competent jurisdiction. The parties hereto acknowledge and agree that any breach of the terms of this Agreement could give rise to irreparable harm for which money damages would not be an adequate remedy. Accordingly, the parties agree that, prior to the formation of the Tribunal, the parties have the right to apply exclusively to any court of competent jurisdiction or other judicial authority located in London, England for interim or conservatory measures, including, without limitation, to compel arbitration (an "**Interim Relief Proceeding**"). Furthermore, the parties agree that, after the formation of the Tribunal, the arbitrators shall have the sole and exclusive power to grant temporary, preliminary and permanent relief, including injunctive relief and specific performance, and any then pending Interim Relief Proceeding shall be discontinued without prejudice to the rights of any of the parties thereto. Unless otherwise ordered by the arbitrators pursuant to the terms hereof, the arbitrators' expenses shall be shared equally by the parties. In furtherance of the foregoing, each of the parties hereto irrevocably submits to: (i) the exclusive jurisdiction of the courts of England located in London, England in relation to any Interim Relief Proceeding and; (ii) the non-exclusive jurisdiction of the courts of England located in London, England with respect to the enforcement of any arbitral award rendered in accordance with this Section 15.11; and, with respect to any such suit, action or proceeding, waives any objection that it may have to the courts of England located in London, England on the grounds of inconvenient forum. For the avoidance of doubt, where an arbitral tribunal is appointed under this Agreement, the whole of its award shall be deemed for the purposes of the New York Convention on the Recognition and Enforcement of Foreign Arbitral Awards of 1958 to be contemplated by this Agreement, as the case may be (and judgment on any such award may be entered in accordance with the provisions set forth in this Section 15.11).

(d) The parties hereto agree that the process by which any arbitral or other proceedings in London, England are begun may be served on them by being delivered to Law Debenture Corporate Services Limited or their registered offices for the time being and by giving notice in accordance with Section 15.4. If Law Debenture Corporate Services Limited is not or ceases to be effectively appointed to accept service of process in England on any party's behalf, such party shall immediately appoint a further person in England to accept service of process on its behalf. If within fifteen (15) days of notice from a party requiring another party to appoint a person in England to accept service of process on its behalf the other party fails to do so, the party shall be entitled to appoint such a person by written notice to the other party. Nothing in this paragraph shall affect the right of the parties to serve process in any other manner permitted by law.

15.12 No Presumption Against Drafting Party. Each party hereto acknowledges and agrees it has had the opportunity to draft, review and edit the language of this Agreement and that each party hereto has been represented by counsel in connection with the negotiation and execution of this Agreement. Accordingly, any rule of law or any legal decision that would require interpretation of any claimed ambiguities in this Agreement against the drafting party has no application and is expressly waived.

15.13 Counterparts. This Agreement may be executed and delivered (including by facsimile transmission) in one or more counterparts, and by the different parties hereto in separate counterparts, each of which when executed shall be deemed to be an original, but all of which taken together shall constitute one and the same agreement.

2. **Charges for [****].** The charge for [****] shall be determined as follows:

[****] by the following [****] (such [****], the “[****]”):

- (i) [****] during the first [****] full fiscal months after the Effective Date
- (ii) [****] during the remainder of fiscal year [****]
- (iii) [****] during fiscal year [****]
- (iv) [****] during fiscal year [****]
- (v) [****] during fiscal year [****]
- (vi) [****] during fiscal year [****]

Notwithstanding the foregoing, FoundryCo shall pay [****], [****], [****] and [****], unless otherwise agreed by the parties.

3. **Charges for Process Development Wafers.** The charge for Process Development Wafers shall be determined as follows:

- a. AMD-Specific Process Engineering Wafers containing [****] – Pursuant to Section 2 above.
- b. Process Engineering Wafers containing [****] (other than [****]) – [****].
- c. Process Engineering Wafers (not containing [****]) – [****].

4. **Price for Product Development Wafers Containing [MPU Products].** The price for Product Development Wafers containing [****] shall be determined as follows:

The parties expect that any products produced for other customers using AMD-Specific Manufacturing Process Technologies are likely to be based on such technology put in place in prior years. Therefore, the parties agree that any rebate amount paid to AMD as specified above at the [****] of any relevant [****] should be based on the [****] for the immediately prior [****].

As an example, if (a) [****] with respect to [****] is [****], (b) the [****] of wafer starts using AMD-Specific Manufacturing Process Technology for AMD (in [****] total wafer starts using AMD-Specific Manufacturing Process Technology for any customer) in [****] is [****] (thus, such [****] of wafer starts for third party customers is [****]) and (c) [****] for [****] is \$[****], then the rebate amount AMD will receive at the [****] of [****] is ([****]) (\$[****]) or \$[****].

EXHIBIT B: [**]**

Subject to Section 2.1(c) of this Agreement, AMD will continually provide FoundryCo with the opportunity to respond to GPU Product business opportunities and Other Future Product business opportunities. AMD agrees to invite FoundryCo to participate in the RFQ process for any and all GPU Products and Other Future Products that are being developed within AMD (including the first tape-out of such GPU Product or Other Future Product) that could potentially be manufactured at FoundryCo.

AMD agrees to share [****] and [****] with FoundryCo so that FoundryCo can adequately respond to any RFQ requests coming from AMD. This will be accomplished through Quarterly Technical Reviews and Quarterly Business Reviews.

In the process of awarding business [****], AMD will execute a benchmarking process on a product-by-product basis across a number of potential foundry partners (including FoundryCo), covering AMD's technical requirements and design system requirements, along with commercial terms. This benchmarking process can occur at any point in time and may or may not be coincident with the QTR or QBR meetings already occurring. Notwithstanding the foregoing, this benchmarking process shall not be undertaken by AMD with regards to MPU Products.

Confidential treatment has been requested with respect to the omitted portions.

EXHIBIT C: CAPACITY COMMITMENTS

As described in Section 5 of this Agreement, AMD will provide to FoundryCo, on a monthly basis, a rolling [****] month wafer forecast for MPU Products, a rolling [****] month wafer forecast for GPU Products, and a rolling [****] month forecast for Embedded Products.

For those Products other than MPU Products for which FoundryCo has received, and agreed to, purchase orders from AMD in accordance with Section 5.5, FoundryCo agrees to provide adequate capacity to produce such Products. In addition, FoundryCo agrees to allocate capacity to AMD as described in Section 2.2 of this Agreement.

For Embedded Products, so long as AMD gives FoundryCo commercially viable volume, FoundryCo agrees to maintain the process and equipment set required to manufacture these products for a period of [****] years, or if earlier, until the termination or expiration of this Agreement. The [****] year duration is measured from the qualification date of each specific Embedded Product and any extensions to the [****] year duration will be negotiated in good faith between AMD and FoundryCo.

For GPU Products, the Forecasted GPU Wafer Demand will be calculated on a monthly basis along with the Forecasted Total GPU Wafer Demand. The Forecasted GPU Wafer Demand Percentage will then be reviewed monthly as part of the Partnership Committee meeting as well as reviewed quarterly as part of the Quarterly Business Review. The Forecasted GPU Wafer Demand Percentage will be calculated based on the [****] fiscal months following and including the month that the Forecasted GPU Wafer Demand Percentage is shared with FoundryCo.

Also for GPU Products, the Actual Quarterly GPU Wafers Shipped will be calculated on a quarterly basis, along with the Actual Quarterly Total GPU Wafer Demand. The Actual Quarterly GPU Wafer Demand Percentage will then be reviewed with FoundryCo as part of the Quarterly Business Review. The Actual Quarterly GPU Wafer Demand Percentage will be calculated based on the most recent fiscal quarter prior to the date that the Actual Quarterly GPU Wafer Demand Percentage is shared with FoundryCo.

FoundryCo and AMD jointly agree that if, at any time, either the Forecasted GPU Wafer Demand Percentage or the Actual Quarterly GPU Wafer Demand Percentage falls below the designated levels as described in Section 2.1(c) of this Agreement that both companies will use commercially reasonable efforts to restore the percentage levels to their agreed upon values.

The technical information that AMD may request from FoundryCo may include:

Confidential treatment has been requested with respect to the omitted portions.

EXHIBIT E: RMA PROCESS

IN GENERAL

Wafers that sort to less than the RMA Threshold may not be scrapped without providing AMD with prior written notice and shall be subject to the procedures set forth in Exhibit F. FoundryCo must, at AMD's option, either credit the amounts paid for the rejected Wafers or replace the defective Wafers as set forth in this Exhibit E or Exhibit F, as applicable.

FoundryCo shall bear all packing, transportation, insurance and other costs incurred in connection with the return and replacement of defective Products. For MPU Products, in no event may FoundryCo charge AMD for replacement Wafers pursuant to this Exhibit E.

For all Wafers whose Yields fall below the RMA Threshold, FoundryCo will provide a credit or will deliver additional Wafers for the affected Products to make up for the shortfall of good Die in a manner to be determined by the Partnership Committee.

EPIDEMIC FAILURE

If an Epidemic Failure occurs, or if FoundryCo or AMD believes it may be necessary to conduct a Recall, the parties will work together to promptly diagnose the problem resulting in an Epidemic Failure or requiring the Recall and establish a corrective action plan to fix the problem with the affected Products and to implement such plan immediately upon the parties' agreement regarding the corrective action plan. If the parties cannot promptly agree upon a corrective action plan, the corrective action plan will be submitted to the Partnership Committee for resolution, or if the Partnership Committee cannot resolve the issue promptly, the parties will escalate the issue for resolution as set forth in Section 3.2 of this Agreement.

In the event of any Recall required due to (i) a manufacturing error, (ii) a breach of this Agreement by FoundryCo, or (iii) negligence or willful misconduct by FoundryCo, FoundryCo shall, subject to the terms of this Agreement: (a) replace the affected Products; or credit amounts previously paid by AMD for the affected Products against future payment obligations of AMD; and (b) reimburse (or at the election of AMD, credit) AMD for the actual costs and expenses incurred by AMD in respect of such recalled Products. Any Recall required because of a negligent act or omission in the additional manufacturing or testing, handling, storage, marketing, promotion, sale or distribution of Products, or as a result of AMD's designs or Specifications, or other breach of this Agreement by AMD shall be at AMD's sole expense.

[****] = Certain confidential information contained in this document, marked by brackets, has been omitted and filed separately with the Securities and Exchange Commission pursuant to Rule 24b-2 of the Securities Exchange Act of 1934, as amended. Confidential treatment has been requested with respect to the omitted portions.

EXHIBIT F: PRODUCT SCRAPPING PROCESS

Product scrapping occurs when the manufacturing of a Product is discontinued before the Product has completed all of its processing steps in the facility.

Product scrapping can be requested by FoundryCo only if the manufacturing process has fallen out of Specification and the delivered Products are expected to not meet the desired performance range or Yield. In this occurrence, the Partnership Committee will review the factory performance excursion and AMD will decide if the Product should be scrapped. If the decision is for such Product to be scrapped, at AMD's request, FoundryCo shall replace the affected Products or credit amounts previously paid by AMD for the affected Products against future payment obligations of AMD. In the event that AMD elects to run Products that are known to be out of Specification through the complete fabrication process, these Products will be taken from FoundryCo "AS IS", without any warranty of any kind, and there will be no RMA or profit-sharing variances performed on the purchase order value of those scrapped Products with FoundryCo.

In addition, AMD can request Product scrapping on a case-by-case basis at AMD's discretion. There is no limit to the number of Products that AMD can request to be scrapped. In the event that AMD requests Products to be scrapped, the Products will immediately be put on-hold at FoundryCo and an assessment will be made of where in the process the Products to be scrapped are located. The location in the process is defined by the last numerical masking step that the Products to be scrapped have been subjected to. For instance, if FoundryCo is running a process with 50 masking steps, and AMD requests a lot of Products to be scrapped, and those Products have been determined to have passed masking step 36 but have not yet passed masking step 37, the location in the process is defined as masking step 36.

In the event that AMD requests FoundryCo to scrap Products, AMD will render partial payment for the scrapped Products to FoundryCo relative to where in the process those scrapped Products are located. Using the example above, if a Product is requested by AMD to be scrapped, and the Product is determined to be at masking step 35 out of total of 50 masking steps in the technology, the Raw Wafer Cost was \$200, and the Wafer Price of the Product was \$1000, the scrap cost is calculated as $[\text{Wafer Price} - \text{Raw Wafer Cost}] \times [\text{percentage of total mask levels fabricated}] + \text{Raw Wafer Cost}$, which would be calculated as $(\$1000 - \$200) \times (35/50) + \$200$ which equals \$760.

It is AMD's decision whether the scrap cost is rendered to FoundryCo as an adjustment of the original purchase order pricing or through a credit note to FoundryCo, or through some other means.

[****] = Certain confidential information contained in this document, marked by brackets, has been omitted and filed separately with the Securities and Exchange Commission pursuant to Rule 24b-2 of the Securities Exchange Act of 1934, as amended. Confidential treatment has been requested with respect to the omitted portions.

EXHIBIT G: MANUFACTURING PROCESS QUALIFICATION PROCEDURES

Process Qualification Requirements will be reviewed on a Product-by-Product basis. In the situation where FoundryCo is making a technology offering that is not yet Qualified (for instance, in the early stages of the development of a new technology node), the parties will discuss and agree upon Specifications, the process technology to be employed, and the allowable variations in each of the following evaluation areas during the development and production phases of that technology or a specific Product.

The areas of evaluation will include at least the following:

1. **Die pricing.** The die pricing is calculated from the [****], [****] per [****] ([****]), and [****].
2. **Yields.** AMD and FoundryCo will agree on a consistent manner in which Target Yield predictions will be made and may also monitor other parameters (such as defect densities) that are used in the calculation of Yield.
3. **Alignment with 3rd party assembly houses.** The manufacturing process performed by FoundryCo will adhere to the applicable sections of the Specifications that address AMD's need to take the Wafers manufactured by FoundryCo through the die assembly process within industry acceptable quality levels.
4. **Wafer-in-process Monitoring.** For each process, FoundryCo must provide the ability for AMD to continuously monitor the position of Wafer orders as they progress through the FoundryCo manufacturing processes. It is expected that, starting in [****], this ability will be rendered from FoundryCo to AMD through a secure internet portal. Until the internet portal is available, FoundryCo will provide Wafer monitoring reports consistent with Exhibit D at a frequency to be agreed upon by the parties.
5. **Product Life Test Procedures.** AMD will perform product life tests on Products delivered from FoundryCo and will run tests including but not limited to short-term life, long-term life, and HAST (Highly Accelerated Stress Tests). The successful completion of these product life tests will be a gating item for the release of the Product to volume production at FoundryCo.

Confidential treatment has been requested with respect to the omitted portions.

EXHIBIT H: RETICLES/MASK

Upon request from AMD, FoundryCo shall provide mask manufacturing services to AMD, including mask data prep, at [****]. As of the Effective Date, FoundryCo shall provide mask data prep services to AMD utilizing hardware and software owned or leased by AMD. The parties agree to secure alternative hardware and software going forward. AMD acknowledges that for each new technology, mask manufacturing research and development and mask data prep may require [****] that will be deemed to be [****] pursuant to the terms of this Agreement.

Any additional mask sets required specifically (a) for FoundryCo in connection with its technology learning, (b) for process changes introduced by FoundryCo, (c) for replacements by FoundryCo to account for normal wear and tear or (d) to enable FoundryCo to manufacture a particular Product at more than one FoundryCo location, will be at FoundryCo's expense. AMD acknowledges that for the purpose of MPU Product pricing, [****] may become part of the [****].

Any new masks required by (a) design or Specification changes, (b) design learning desired by AMD, (c) process changes requested by AMD or (d) second sourcing requested by AMD or its customers will be paid by AMD at [****].

AMD and FoundryCo shall mutually agree on mask suppliers for the purpose of meeting all the required technical criteria at reasonable cost and fulfilling the [****] obligations in the Advanced Mask Technology Center. The parties acknowledge that for initial designs at each new technology node or at each process within a technology node, AMD may request, and FoundryCo may reasonably consider, early adopter incentives that may include discounted engineering, prototyping or production mask sets to AMD.

[****] = Certain confidential information contained in this document, marked by brackets, has been omitted and filed separately with the Securities and Exchange Commission pursuant to Rule 24b-2 of the Securities Exchange Act of 1934, as amended. Confidential treatment has been requested with respect to the omitted portions.

Warrant No.

Date of Issuance: [], 200[8]

Advanced Micro Devices, Inc.

Warrant to Purchase Shares of Common Stock

Advanced Micro Devices, Inc., a Delaware corporation (the “*Company*”), for value received, hereby certifies that Pearl, or its registered permitted assigns (“*Warrantholder*”), is entitled, subject to the terms and conditions set forth herein, to purchase from the Company 30,000,000 shares of Common Stock, par value \$0.01 per share (the “*Common Stock*”), of the Company (such number of shares, as adjusted pursuant to the terms hereof, the “*Warrant Shares*”) at a purchase price per share of \$0.01 (such purchase price, as adjusted pursuant to the terms hereof, the “*Warrant Price*”), at any time or from time to time not later than 5:00 p.m., Eastern time, on [], 201[8]. The number of Warrant Shares purchasable upon exercise of this Warrant and the Warrant Price shall be subject to adjustment from time to time as described herein. This Warrant is being issued pursuant to the terms of the Master Transaction Agreement, dated as of October 6, 2008, by and among the Company, Oyster and the other parties thereto (the “*Master Transaction Agreement*”). Terms used herein, but not otherwise defined herein, shall have the meanings assigned to them in the Master Transaction Agreement.

1. *Exercise.* This Warrant shall be exercisable in whole or in part at the option of the Warrantholder at any time or from time to time after the earlier of (i) public ground-breaking of Fab 4x and (ii) 24 months from the date of its issuance; *provided, however*, that upon any transaction or series of transactions with or among any Third Person, on the one hand, and the Company, its stockholders, or any of its Subsidiaries, on the other hand, with respect to (A) a merger, reorganization, share exchange, consolidation, business combination, recapitalization, dissolution, liquidation or similar transaction involving the Company in which the shareholders of the Company immediately prior to such transaction shall own less than fifty percent (50%) of the voting securities of the surviving corporation outstanding immediately after such transaction, (B) any purchase of an equity interest (including by means of a tender or exchange offer) resulting in any Third Person beneficially owning greater than a fifty percent (50%) voting or economic interest in the Company, or (C) any purchase of assets, securities or ownership interests resulting in any Third Person owning greater than fifty percent (50%) of the consolidated assets of the Company and its Subsidiaries taken as a whole (including stock of the Company’s Subsidiaries) (each, a “*Fundamental Change Transaction*”), this Warrant shall become immediately exercisable and shall automatically be exercised through a Cashless Exercise (as defined below).

2. *Manner of Exercise.* (a) To exercise this Warrant or any portion thereof, the Warrantholder shall surrender this Warrant, together with the duly executed Warrant exercise form attached hereto as Exhibit A, to the Company at its principal executive office (or such other office or agency of the Company as the Company may designate) and by having canceled a portion of this Warrant in payment of the Warrant Price payable in respect of the number of Warrant Shares purchased upon such exercise (a “*Cashless Exercise*”). Notwithstanding the foregoing, no surrender of this Warrant or the Warrant exercise form shall be required in connection with the automatic exercise of this Warrant upon a Fundamental Change Transaction. In the case of an automatic exercise upon a Fundamental Change Transaction, this Warrant shall automatically be exercised through a Cashless Exercise, and the Company shall issue to the Warrantholder the maximum number of Warrant Shares

Table of Contents

purchasable under this Warrant through a Cashless Exercise. The number of Warrant Shares issued to the Warrantholder upon a Cashless Exercise shall be determined according to the following formula:

$$X = \frac{Y(A-B)}{A}$$

- Where:
- X = the number of Warrant Shares that shall be issued to the Warrantholder;
 - Y = the number of Warrant Shares for which this Warrant is being exercised (which shall include both the number of Warrant Shares issued to the Warrantholder and the number of Warrant Shares subject to the portion of the Warrant being cancelled in payment of the Warrant Price);
 - A = the Fair Market Value (as defined below) of one share of Common Stock; and
 - B = the Warrant Price then in effect under this Warrant.

“Fair Market Value” as of the Exercise Date (as defined below) shall mean the following: (1) if the Common Stock is then listed on the New York Stock Exchange or another national securities exchange, the closing sale price of one share of Common Stock on such exchange on the last trading day prior to the Exercise Date; (2) if the Common Stock is then traded over-the-counter, but not on the New York Stock Exchange or another national securities exchange, the average of the closing bid prices over the 30-day period ending immediately prior to the Exercise Date; or (3) if the Common Stock is not then listed on a national securities exchange and is not then traded over-the-counter, the Fair Market Value of one share of Common Stock as of the Exercise Date shall be determined in good faith by the Board of Directors of the Company (the “Board of Directors”) and the Warrantholder. The Board of Directors shall respond promptly, in writing, to any inquiry by the Warrantholder prior to the exercise hereunder as to the Fair Market Value of a share of Common Stock as determined by the Board of Directors. If the Board of Directors and the Warrantholder are unable to reach agreement within a reasonable period of time, such Fair Market Value shall be determined by an independent appraiser experienced in valuing securities jointly selected by the Board of Directors and the Warrantholder. The determination of the appraiser shall be final and binding upon the parties and the Company shall pay the fees and expenses of such appraiser.

(b) *Exercise Date.* Each exercise of this Warrant shall be deemed to have been effected immediately prior to the close of business on the day on which this Warrant shall have been surrendered to the Company as provided in this Section 2 or, in the case of an automatic exercise of this Warrant upon a Fundamental Change Transaction, immediately prior to the consummation of the Fundamental Change Transaction (the “Exercise Date”). At such time, the person or persons in whose name or names any certificates for Warrant Shares shall be issuable upon such exercise as provided in subsection 2(c) below shall be deemed to have become the holder or holders of record of the Warrant Shares represented by such certificates.

(c) *Issuance of Certificates.* As soon as practicable after the exercise of this Warrant in whole or in part, and in any event within five business days thereafter, the Company, at its expense, will cause to be issued in the name of, and delivered to, the Warrantholder, or as the Warrantholder (upon payment by the Warrantholder of any applicable transfer taxes) may direct:

- (i) a certificate or certificates for the number of full Warrant Shares to which the Warrantholder shall be entitled upon such exercise plus, in lieu of any fractional share to which the Warrantholder would otherwise be entitled, cash in an amount determined pursuant to Section 4 hereof; and
- (ii) in case such exercise is in part only, a new warrant or warrants (dated the date hereof) of like tenor, calling in the aggregate on the face or faces thereof for the number of Warrant Shares equal (without giving effect to any adjustment therein) to the number of such shares called for on the face of this Warrant minus the number of Warrant Shares for which this Warrant was so exercised (which shall include both the number of Warrant Shares issued to the Warrantholder pursuant to such partial exercise and the number of Warrant Shares subject to the portion of the Warrant being cancelled in payment of the Warrant Price).

Table of Contents

3. *Adjustments.* The Warrant Price and the number of shares of Warrant Shares purchasable upon exercise of the Warrant are subject to adjustment as follows:

(a) *Adjustment for Stock Splits and Combinations.* If the Company shall at any time or from time to time after the date on which this Warrant was first issued (or, if any Warrant was issued upon partial exercise of, or in replacement of, another warrant of like tenor, then the date on which such original warrant was first issued) (either such date being referred to as the “*Original Issue Date*”) effect a subdivision of the outstanding Common Stock, the number of shares of Common Stock issuable upon exercise of this Warrant shall be proportionately increased. If the Company shall at any time or from time to time after the Original Issue Date combine the outstanding shares of Common Stock, the number of shares of Common Stock issuable upon exercise of this Warrant shall be proportionately decreased. Any adjustment under this paragraph shall become effective at the close of business on the date the subdivision or combination becomes effective.

(b) *Adjustment for Dividends and Distributions in Common Stock.* In the event the Company at any time or from time to time after the Original Issue Date shall make or issue, or fix a record date for the determination of holders of Common Stock entitled to receive, a dividend or other distribution payable in additional shares of Common Stock, then and in each such event the number of shares of Common Stock issuable upon exercise of this Warrant shall be adjusted as of the time of such issuance or, in the event such a record date shall have been fixed, as of the close of business on such record date, so that, after giving effect to such adjustment, each holder of a Warrant shall be entitled to receive an additional number of shares of Common Stock upon exercise that such holder would have been entitled to receive had such Warrant been exercised immediately prior to such event.

Notwithstanding the foregoing, if such record date shall have been fixed and such dividend is not fully paid or if such distribution is not fully made on the date fixed therefor, the number of shares of Common Stock issuable upon exercise of this Warrant shall be recomputed accordingly as of the close of business on such record date and thereafter the number of shares of Common Stock issuable upon exercise of this Warrant shall be adjusted pursuant to this paragraph as of the time of actual payment of such dividends or distributions.

(c) *Adjustment for Other Dividends and Distributions.* In the event the Company at any time or from time to time after the Original Issue Date shall make or issue, or fix a record date for the determination of holders of Common Stock entitled to receive, a dividend or other distribution payable in securities of the Company (other than a distribution of shares of Common Stock) or in cash or other property, then and in each such event the number of shares of Common Stock issuable upon exercise of this Warrant shall be increased as of the time of such issuance or, in the event such a record date shall have been fixed, as of the close of business on such record date, to a number determined by multiplying the number of shares of Common Stock issuable upon exercise of this Warrant immediately prior to such event by a fraction, the numerator of which shall be the Current Market Value (as defined below) per share of Common Stock on the date of such event, and the denominator of which shall be such Current Market Value per share of Common Stock less the fair market value (as determined in the reasonable good faith discretion of the Board of Directors) of such securities, cash or other property to be distributed with respect to each share of Common Stock on the date of such event. “*Current Market Value*” shall mean the average of the daily closing prices on the New York Stock Exchange of the Common Stock over the ten consecutive trading day period ending on the trading day immediately preceding such event.

Notwithstanding the foregoing, if such record date shall have been fixed and such dividend is not fully paid or if such distribution is not fully made on the date fixed therefor, the number of shares of Common Stock issuable upon exercise of the Warrants shall be recomputed accordingly as of the close of business on such record date and thereafter the number of shares of Common Stock issuable upon exercise of this Warrant shall be adjusted pursuant to this paragraph as of the time of actual payment of such dividends or distributions.

(d) *Adjustment for Reclassification, Exchange or Subdivision.* If the Common Stock shall be changed into the same or a different number of shares of any class or classes of stock, whether by capital reorganization, reclassification, or otherwise (other than a subdivision or combination of shares or stock dividend provided for above), then and in each such event the holder of this Warrant shall have the right thereafter to exercise this Warrant into the kind and amount of shares of stock and other securities and property receivable upon such reorganization, reclassification or other change by holders of the number of shares of Common Stock into which this Warrant might have been exercised immediately prior to such reorganization, reclassification or change, all subject to further adjustment as provided herein.

(e) *Adjustment in Warrant Price.* Upon each adjustment in the number of shares of Common Stock issuable upon exercise of this Warrant, the Warrant Price for such Warrant shall be adjusted to the product obtained by multiplying the applicable Warrant Price immediately prior to such adjustment by a fraction, the numerator of which shall be the number of shares of Common Stock issuable upon exercise of such Warrant immediately prior to such adjustment and the denominator of which shall be the number of shares of Common Stock issuable upon exercise of such Warrant immediately thereafter; *provided, however*, that in no event shall the Warrant Price be less than the par value of the Common Stock.

(f) *Certificate as to Adjustments.* Upon the occurrence of each adjustment or readjustment of the number of shares of Common Stock issuable upon exercise of this Warrant or of the Warrant Price pursuant to this Section 3, the Company at its expense shall, as promptly as reasonably practicable but in any event not later than ten days thereafter, compute such adjustment or readjustment in accordance with the terms hereof and furnish to the Warrantholder a certificate setting forth such adjustment or readjustment (including the kind and amount of securities, cash or other property for which this Warrant shall be exercisable and the Warrant Price) and showing in detail the facts upon which such adjustment or readjustment is based. The Company shall, as promptly as reasonably practicable after the written request at any time of the Warrantholder (but in any event not later than ten days thereafter), furnish or cause to be furnished to the Warrantholder a certificate setting forth (i) the Warrant Price then in effect and (ii) the number of shares of Common Stock and the amount, if any, of other securities, cash or property which then would be received upon the exercise of this Warrant.

4. *Fractional Shares.* The Company shall not be required upon the exercise of this Warrant to issue any fractional shares, but shall pay the value thereof to the Warrantholder in cash on the basis of the Fair Market Value per share of Common Stock, as determined pursuant to subsection 2(a) above.

5. *Company Covenants.* The Company covenants and agrees that all Warrant Shares that may be issued upon the exercise of the rights represented by this Warrant will, when issued and paid for pursuant to the provisions of this Warrant, be duly authorized, validly issued, fully paid and non-assessable, and free of any liens, encumbrances, charges, taxes (other than any applicable transfer taxes) or preemptive rights. The Company further covenants and agrees that it will at all times reserve and keep available, solely for issuance and delivery upon the exercise of this Warrant, such number of Warrant Shares and other securities, cash and/or property, as from time to time shall be issuable upon the exercise of this Warrant.

6. *Transfers, etc*

(a) Until such time as Pearl (together with any Permitted Transferees to whom Pearl has transferred beneficial ownership of the Common Stock of Discovery) shall beneficially own (within the meaning of the Securities Exchange Act of 1934, as amended), in the aggregate, less than ten percent (10%) of the Common Stock of Discovery then outstanding, regardless of whether Pearl is an "affiliate" of Discovery (as defined in Rule 144(a)(1), promulgated by the Securities and Exchange Commission under the Securities Act of 1933, as amended (the "*Securities Act*")), the Warrantholder may only resell this Warrant or the Warrant Shares (i) in connection with a bona fide pledge or other hypothecation or transfer in connection with a financing transaction secured by a pledge of this Warrant or the Warrant Shares, (ii) by means of an underwritten public offering pursuant to an effective registration statement under the Securities Act, or (iii) pursuant to Rule 144 under the Securities Act. Notwithstanding the foregoing, the Warrantholder shall be permitted to

transfer this Warrant or the Warrant Shares to any of its Affiliates (as defined below); *provided, however*, that if Pearl is the Warrantholder, then Pearl shall be permitted to transfer this Warrant or the Warrant Shares to any of its Permitted Transferees. In addition, this Warrant or the Warrant Shares shall be transferable, in compliance with securities laws, at any time that Pearl beneficially owns less than 10% of the Common Stock of Discovery then outstanding. With respect to transfers that are made in accordance with the terms of this Warrant, the rights and obligations of a Warrantholder hereunder shall be automatically assigned by such Warrantholder to any transferee of the Warrantholder's securities (including the Warrant Shares); provided, however, that (i) the Company is provided written notice of the transfer including the name and address of the transferee and the number of Warrants and/or Warrant Shares, as applicable, to be transferred; and (ii) such transferee agrees in writing to be bound by the terms of this Warrant as if such transferee were the Warrantholder. Upon any transfer permitted by this Section 6, the Company shall be obligated to such transferee to perform all of its covenants under this Warrant as if such transferee was the Warrantholder upon receipt of (i) and (ii) of the prior sentence. "Affiliate" means, with respect to any specified Person, any other Person that directly, or indirectly through one or more intermediaries, controls, is controlled by, or is under common control with such specified Person; *provided, however*, that with respect to Oyster and Pearl, Affiliate shall mean any direct or indirect Subsidiary of Oyster or Pearl, respectively, and not any direct or indirect parent or sister entity of either Oyster or Pearl, as the case may be, unless such parent or sister entity is acting as a member of a "group" (as defined in Section 13(d)(3) of the Exchange Act) with Oyster or Pearl, respectively, for the purposes of acquiring, holding or disposing of securities of Discovery.

(b) The Company will maintain a register containing the name and address of the Warrantholder. The Warrantholder may change its address as shown on the warrant register by written notice to the Company requesting such change.

(c) Subject to the provisions of Section 6 hereof, this Warrant and all rights hereunder are transferable, in whole or in part, upon surrender of this Warrant with a properly executed assignment (in the form of *Exhibit B* hereto) at the principal office of the Company (or, if another office or agency has been designated by the Company for such purpose, then at such other office or agency).

7. *No Impairment.* The Company will not, by amendment of its charter or through any reorganization, transfer of assets, consolidation, merger, dissolution, issue or sale of securities or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms of this Warrant, but will at all times in good faith assist in the carrying out of all such terms and in the taking of all such action as may be necessary or appropriate in order to protect the rights of the Warrantholder against impairment. Without limiting the generality of the foregoing, the Company will not increase the par value of any shares of stock receivable upon the exercise of this Warrant above the amount payable therefor upon such exercise, and at all times will take all action as may be necessary or appropriate in order that the Company may validly and legally issue fully paid and non-assessable stock upon the exercise of this Warrant.

8. *Notices of Record date, etc.* In the event:

(a) the Company shall take a record of the holders of its Common Stock (or other stock or securities at the time deliverable upon the exercise of this Warrant) for the purpose of entitling or enabling them to receive any dividend or other distribution, or to receive any right to subscribe for or purchase any shares of stock of any class or any other securities, or to receive any other right; or

(b) of any capital reorganization of the Company, any reclassification of the Common Stock of the Company, any consolidation, merger, recapitalization or similar business combination of the Company with or into another entity (other than a consolidation, merger, recapitalization or similar business combination in which the Company is the surviving entity and its Common Stock is not converted into or exchanged for any other securities or property), or any transfer of all or substantially all of the assets of the Company; or

15. *Governing Law; Arbitration.*

(a) This Warrant shall be governed by, and construed in accordance with, the Laws of the State of New York applicable to contracts executed in and to be performed in that State, without regard to principles of the conflict of laws.

(b) Any dispute arising out of, or in connection with this Warrant or any transactions contemplated hereby, including any question regarding the existence, validity, interpretation, breach or termination of this Warrant (a “*Dispute*”), shall be referred, upon written notice (a “*Dispute Notice*”) given by one party to the other(s), to a senior executive from each party. The senior executives shall seek to resolve the Dispute on an amicable basis within thirty (30) days of the Dispute Notice being received.

(c) Any Dispute not resolved within thirty (30) days of the Dispute Notice being received shall be referred to, and shall be finally and exclusively resolved by, arbitration under the Rules of the London Court of International Arbitration (the “*LCIA Rules*”) then in effect, as amended by this Section 15, which LCIA Rules are deemed to be incorporated by reference into this Section 15. The seat, or legal place, of the arbitration shall be London, England. The language of the arbitration shall be English. The number of arbitrators shall be three. Each party shall nominate one arbitrator and the two arbitrators nominated by the parties shall, within thirty (30) days of the appointment of the second arbitrator, agree upon and nominate a third arbitrator who shall act as Chairman of the Tribunal (as such terms are defined in the LCIA Rules). If no agreement is reached within thirty (30) days, the LCIA Court (as such term is defined in the LCIA Rules) shall appoint a third arbitrator to act as Chairman of the Tribunal. The Chairman of the arbitration panel should not be a citizen or a resident of the country of an arbitrator nominated by, or appointed on behalf of, a party nor should the Chairman be a citizen or a resident of the United States of America or the United Arab Emirates. It is hereby expressly agreed that if there is more than one claimant party or more than one respondent party, the claimant parties shall together nominate one arbitrator and the respondent parties shall together nominate one arbitrator. In the event that a sole claimant or the claimant parties, on the one side, or a sole respondent or the respondent parties, on the other side, fails to nominate its/their arbitrator, such arbitrator shall be appointed by the LCIA Court. Any award issued by the arbitrators shall be final and binding upon the parties, and, subject to this Section 15(c) and to Section 15(d), may be entered and enforced in any court of competent jurisdiction by any of the parties. In the event any party subject to such final and binding award desires to have it confirmed by a final order of a court, the only court which may do so shall be a court of competent jurisdiction located in London, England; provided however, that nothing in this sentence shall prejudice or prevent a party from enforcing the arbitrators’ final and binding award in any court of competent jurisdiction. The parties hereto acknowledge and agree that any breach of the terms of this Warrant could give rise to irreparable harm for which money damages would not be an adequate remedy. Accordingly, the parties agree that, prior to the formation of the Tribunal, the parties have the right to apply exclusively to any court of competent jurisdiction or other judicial authority located in London, England for interim or conservatory measures, including, without limitation, to compel arbitration (an “*Interim Relief Proceeding*”). Furthermore, the parties agree that, after the formation of the Tribunal, the arbitrators shall have the sole and exclusive power to grant temporary, preliminary and permanent relief, including injunctive relief and specific performance, and any then pending Interim Relief Proceeding shall be discontinued without prejudice to the rights of any of the parties thereto. Unless otherwise ordered by the arbitrators pursuant to the terms hereof, the arbitrators’ expenses shall be shared equally by the parties. In furtherance of the foregoing, each of the parties hereto irrevocably submits to: (i) the exclusive jurisdiction of the courts of England located in London, England in relation to any Interim Relief Proceeding and; (ii) the non-exclusive jurisdiction of the courts of England located in London, England with respect to the enforcement of any arbitral award rendered in accordance with this Section 15; and, with respect to any such suit, action or proceeding, waives any objection that it may have to the courts of England located in London, England on the grounds of inconvenient forum. For the avoidance of doubt, where an arbitral tribunal is appointed under this Warrant, the whole of its award shall be deemed for the purposes of the New York Convention on the Recognition and Enforcement of Foreign Arbitral Awards of 1958 to be contemplated by this Warrant (and judgment on any such award may be entered in accordance with the provisions set forth in this Section 15).

(d) Pearl hereby irrevocably waives to the fullest extent permitted by applicable Law whatever defense it may have of sovereign immunity against suit or enforcement, for itself and its property (presently owned or subsequently acquired, and whether related to this Warrant or not), in: (i) any arbitration proceedings commenced and held in London, England in accordance with Section 15(c); (ii) any Interim Relief Proceeding commenced and held in a court of competent jurisdiction in London, England, in accordance with Section 15(c); (iii) any proceedings in a court of competent jurisdiction located in London, England to confirm an award rendered by the arbitrators in accordance with this Section 15; and (iv) any proceedings in a court of competent jurisdiction to enforce an award, and Pearl agrees that it will not raise, claim or cause to be pleaded any such immunity at or in respect of any such action or proceeding.

(e) The parties hereto agree that the process by which any arbitral or other proceedings in London, England are begun may be served on them by being delivered to Law Debenture Corporate Services Limited or their registered offices for the time being and by giving notice in accordance with Section 10. If Law Debenture Corporate Services Limited is not or ceases to be effectively appointed to accept service of process in England on any party's behalf, such party shall immediately appoint a further person in England to accept service of process on its behalf. If within fifteen (15) days of notice from a party requiring another party to appoint a person in England to accept service of process on its behalf the other party fails to do so, the party shall be entitled to appoint such a person by written notice to the other party. Nothing in this paragraph shall affect the right of the parties to serve process in any other manner permitted by Law.
