Item 1.01 Entry into a Material Definitive Agreement.

Indenture. On August 15, 2012, Advanced Micro Devices, Inc. (the “*Company*”) issued \$500,000,000 aggregate principal amount of 7.50% Senior Notes due 2022 (the “*Notes*”). The terms and conditions of the Notes and related matters are set forth in the Indenture, dated as of August 15, 2012, by and between the Company and Wells Fargo Bank, National Association, as trustee (the “*Indenture*”). A copy of the Indenture, including the form of the Notes, is attached as Exhibit 4.1 hereto, the terms of which are incorporated herein by reference. The foregoing description of the Indenture is qualified in its entirety by reference to the full text of the Indenture. Additional information pertaining to the Notes is contained in Item 2.03 and is incorporated herein by reference.

Registration Rights Agreement. In connection with the issuance and sale of the Notes, the Company also entered into a registration rights agreement, dated August 15, 2012, with J.P. Morgan Securities LLC, as representative of the initial purchasers of the Notes (the “*Registration Rights Agreement*”). A copy of the Registration Rights Agreement is filed as Exhibit 10.1 hereto, the terms of which are incorporated herein by reference. Pursuant to the Registration Rights Agreement, the Company will file an exchange offer registration statement with the Securities and Exchange Commission (the “*SEC*”) with respect to an offer to exchange the Notes for notes (“*Exchange Notes*”) having identical terms in all material respects to the Notes and which will evidence the same continuing indebtedness of the Company (except that the Exchange Notes will not contain terms with respect to transfer restrictions or the interest rate increases described below). The Company will use its commercially reasonable efforts to cause the exchange offer registration statement to be declared effective by the SEC under the Securities Act of 1933, as amended, and to consummate the exchange offer by no later than August 15, 2013. If the Company does not meet any of the above deadlines (a “*Registration Default*”) then, subject to certain exceptions, the interest rate borne by the Notes will be increased by 0.25% per annum for the first 90-day period. Thereafter, the interest rate will be increased by an additional 0.25% per annum for each subsequent 90-day period that elapses until such Registration Default(s) is cured, provided that the aggregate increase in such annual interest rate may in no event exceed 1.00%.

The foregoing description of the Registration Rights Agreement is qualified in its entirety by reference to the full text of the Registration Rights Agreement.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

On August 15, 2012, the Company issued \$500,000,000 aggregate principal amount of 7.50% Senior Notes due 2022. The Notes are general unsecured senior obligations of the Company. Interest is payable on February 15 and August 15 of each year beginning February 15, 2013 until the maturity date of August 15, 2022. The Company’s obligations under the Notes are not guaranteed by any third party.

Certain events are considered “Events of Default,” which may result in the accelerated maturity of the Notes, including (i) a default in any interest, principal or premium amount payment; (ii) a merger, consolidation or sale of all or substantially all of its property; (iii) a breach of covenants in the Notes or the Indenture; (iv) a default in certain debts; (v) if the Company incurs

any judgment for the payment of money in an aggregate amount in excess of \$50 million; or (vi) if a court enters certain orders or decrees under any bankruptcy law. Upon occurrence of one of these events, the trustee or certain holders may declare the principal of and accrued interest on all of the Notes to be immediately due and payable. If certain events of bankruptcy, insolvency or reorganization with respect to the Company occur, all amounts on the Notes shall be due and payable immediately without any declaration or other act by the trustee or holders of the Notes.

Item 8.01 Other Events.

The Notes and the Trustee’s certificate of authentication with respect thereto shall be substantially in the form set forth in Exhibit A, which is incorporated in and forms a part of this Indenture. The Notes may have notations, legends or endorsements required by law, rule or usage to which the Company is subject. No Note shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose unless there appears on such Note a certificate of authentication substantially in the form provided for herein executed by the Trustee by manual signature, and such certificate upon any Note shall be conclusive evidence, and the only evidence, that such Note has been duly authenticated and delivered hereunder. Notwithstanding the foregoing, if any Note shall have been authenticated and delivered hereunder but never issued and sold by the Company, and the Company shall deliver such Note to the Trustee for cancellation as provided in Section 2.12, for all purposes of this Indenture such Note shall be deemed never to have been authenticated and delivered hereunder and shall never be entitled to the benefits of this Indenture.

The Notes shall be issuable only in fully registered form without coupons in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof.

SECTION 2.04 Registrar and Paying Agent.

The Company shall maintain an office or agency where Notes may be presented for registration of transfer or for exchange (the "Registrar"), and an office or agency where Notes may be presented for payment (the "Paying Agent") and an office or agency where notices and demands to or upon the Company, if any, in respect of the Notes and this Indenture may be served. The Registrar shall keep a register of the Notes and of their transfer and exchange. The Company may have one or more additional Paying Agents. The term "Paying Agent" includes any additional Paying Agent.

The agreement shall implement the provisions of this Indenture that relate to such Agent. The Company shall notify the Trustee of the name and address of any such Agent. If the Company fails to maintain a Registrar or Paying Agent, or fails to give the foregoing notice, the Trustee shall act as such and shall be entitled to appropriate compensation in accordance with Section 7.07.

The Company initially appoints the Trustee as Registrar, Paying Agent and Agent for service of notices and demands in connection with the Notes and this Indenture and the Company may change the Paying Agent without prior notice to the Holders. The Company may act as Paying Agent.

SECTION 2.05 Paying Agent To Hold Money in Trust.

Each Paying Agent shall hold in trust for the benefit of the Holders or the Trustee all money held by the Paying Agent for the payment of principal of or premium or interest on the Notes (whether such money has been paid to it by the Company or any other obligor on the Notes), and the Company and the Paying Agent shall notify the Trustee of any default by the Company (or any other obligor on the Notes)

in making any such payment. Money held in trust by the Paying Agent need not be segregated except as required by law and in no event shall the Paying Agent be liable for any interest on any money received by it hereunder; *provided* that if the Company or an Affiliate thereof acts as Paying Agent, it shall segregate the money held by it as Paying Agent and hold it as a separate trust fund. The Company at any time may require the Paying Agent to pay all money held by it to the Trustee and account for any funds disbursed and the Trustee may at any time during the continuance of any Event of Default specified in Section 6.01(1) or (2), upon written request to the Paying Agent, require such Paying Agent to pay forthwith all money so held by it to the Trustee and to account for any funds disbursed. Upon making such payment, the Paying Agent shall have no further liability for the money delivered to the Trustee.

SECTION 2.06 Holder Lists.

The Trustee shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of the Holders. If the Trustee is not the Registrar, the Company shall furnish to the Trustee at least five Business Days before each Interest Payment Date, and at such other times as the Trustee may request in writing, a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of the Holders, *provided* that, as long as the Trustee is the Registrar, no such list need be furnished.

SECTION 2.07 Transfer and Exchange.

Subject to Sections 2.16 and 2.17, when Notes are presented to the Registrar with a request from the Holder of such Notes to register a transfer or to exchange them for an equal principal amount of Notes of other authorized denominations, the Registrar shall register the transfer as requested. Every Note presented or surrendered for registration of transfer or exchange shall be duly endorsed or be accompanied by a written instrument of transfer in form satisfactory to the Company and the Registrar, duly executed by the Holder thereof or his attorneys duly authorized in writing. To permit registrations of transfers and exchanges, the Company shall issue and execute and the Trustee shall authenticate new Notes evidencing such transfer or exchange at the Registrar's request. No service charge shall be made to the Holder for any registration of transfer or exchange. The Company or the Trustee may require from the Holder payment of a sum sufficient to cover any transfer taxes or other governmental charge that may be imposed in relation to a transfer or exchange, but this provision shall not apply to any exchange pursuant to Section 2.11, 3.06, 3.07, 4.08, 4.12 or 8.05 (in which events the Company shall be responsible for the payment of such taxes). The Registrar shall not be required to exchange or register a transfer of any Note for a period of 15 days immediately preceding the redemption of Notes, except the unredeemed portion of any Note being redeemed in part.

Any Holder of the Global Note shall, by acceptance of such Global Note, agree that transfers of the beneficial interests in such Global Note may be effected only through a book-entry system maintained by the Holder of such Global Note (or its agent), and that ownership of a beneficial interest in the Global Note shall be required to be reflected in a book entry.

Neither the Trustee nor the Registrar shall have any duty to monitor the Company's compliance with or have any responsibility with respect to the Company's compliance with any Federal or state securities laws.

SECTION 2.08 Replacement Notes.

If a mutilated Note is surrendered to the Registrar or the Trustee, or if the Holder of a Note claims that the Note has been lost, destroyed or wrongfully taken, the Company shall issue and the Trustee shall

authenticate a replacement Note if the Holder of such Note furnishes to the Company and the Trustee evidence reasonably acceptable to them of the ownership and the destruction, loss or theft of such Note and if the requirements of Section 8-405 of the New York Uniform Commercial Code (the "UCC") as in effect on the date of this Indenture are met. If required by the Trustee or the Company, an indemnity bond shall be posted, sufficient in the judgment of the Company, the Trustee or any Paying Agent to protect the Company, the Trustee or any Paying Agent from any loss that any of them may suffer if such Note is replaced. The Company may charge such Holder for the Company's reasonable out-of-pocket expenses in replacing such Note, and the Trustee may charge the Company for the Trustee's expenses (including, without limitation, attorneys' fees and disbursements) in replacing such Note. Every replacement Note shall constitute a contractual obligation of the Company.

SECTION 2.09 Outstanding Notes.

The Notes outstanding at any time are all Notes that have been authenticated by the Trustee except for (a) those canceled by it, (b) those delivered to it for cancellation, (c) to the extent set forth in Sections 9.01 and 9.02, on or after the date on which the conditions set forth in Section 9.01 or 9.02 have been satisfied, those Notes theretofore authenticated and delivered by the Trustee hereunder and (d) those described in this Section 2.09 as not outstanding. Subject to Section 2.10, a Note does not cease to be outstanding because the Company or one of its Affiliates holds the Note.

If a Note is replaced pursuant to Section 2.08, it ceases to be outstanding unless the Trustee receives proof satisfactory to it that the replaced Note is held by a protected purchaser (within the meaning of Section 8-303 of the UCC) in whose hands such Note is a legal, valid and binding obligation of the Company.

If the Paying Agent holds, in its capacity as such, on any Maturity Date, money sufficient to pay all accrued and unpaid interest and principal with respect to the Notes payable on that date and is not prohibited from paying such money to the Holders thereof pursuant to the terms of this Indenture, then on and after that date such Notes cease to be outstanding and interest on them ceases to accrue.

SECTION 2.10 Treasury Notes.

In determining whether the Holders of the required principal amount of Notes have concurred in any declaration of acceleration or Notice of Default or direction, waiver or consent or any amendment, modification or other change to this Indenture, Notes owned by the Company or any other Affiliate of the Company shall be disregarded as though they were not outstanding, except that for the purposes of determining whether the Trustee shall be protected in relying on any such direction, waiver or consent or any amendment, modification or other change to this Indenture, only Notes as to which a Responsible Officer of the Trustee has actually received an Officers' Certificate stating that such Notes are so owned shall be so disregarded. Notes so owned which have been pledged in good faith shall not be disregarded if the pledgee established to the satisfaction of the Trustee the pledgee's right so to act with respect to the Notes and that the pledgee is not the Company, any other obligor on the Notes or any of their respective Affiliates.

SECTION 2.11 Temporary Notes.

Until definitive Notes are prepared and ready for delivery, the Company may prepare and the Trustee shall authenticate temporary Notes. Temporary Notes shall be substantially in the form of definitive Notes but may have variations that the Company considers appropriate for temporary Notes. Without unreasonable delay, the Company shall prepare and the Trustee shall authenticate definitive Notes in exchange for temporary Notes. Until such exchange, temporary Notes shall be entitled to the same rights, benefits and privileges as definitive Notes.

SECTION 2.12 Cancellation.

The Company at any time may deliver Notes to the Trustee for cancellation. The Registrar and the Paying Agent shall forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee shall cancel all Notes surrendered for registration of transfer, exchange, payment, replacement or cancellation in accordance with the Trustee's standard procedures and shall, upon the Company's written request, deliver certification of such canceled Notes to the Company. The Company may not reissue or resell, or issue new Notes to replace, Notes that the Company has redeemed or paid, or that have been delivered to the Trustee for cancellation.

SECTION 2.13 Defaulted Interest.

If the Company defaults on a payment of interest on the Notes, it shall pay the defaulted interest, plus (to the extent permitted by law) any interest payable on the defaulted interest, in accordance with the terms hereof, to the Persons who are Holders on a subsequent special record date, which date shall be at least five Business Days prior to the payment date. The Company shall fix such special record date and payment date in a manner satisfactory to the Trustee. At least ten days before such special record date, the Company shall mail to each Holder a notice that states the special record date, the payment date and the amount of defaulted interest, and interest payable on defaulted interest, if any, to be paid. The Company may make payment of any defaulted interest in any other lawful manner not inconsistent with the requirements (if applicable) of any securities exchange on which the Notes may be listed and, upon such notice as may be required by such exchange, if, after written notice given by the Company to the Trustee of the proposed payment pursuant to this sentence, such manner of payment shall be deemed practicable by the Trustee.

SECTION 2.14 CUSIP Number.

The Company in issuing the Notes may use a "CUSIP" number, and if so, such CUSIP number shall be included in notices of redemption or exchange as a convenience to Holders; *provided* that any such notice may state that no representation is made as to the correctness or accuracy of the CUSIP number printed in the notice or on the Notes, and that reliance may be placed only on the other identification numbers printed on the Notes. The Company shall promptly notify the Trustee in writing of any such CUSIP number used by the Company in connection with the issuance of the Notes and of any change in the CUSIP number.

SECTION 2.15 Deposit of Moneys.

Prior to 10:00 a.m., New York City time, on each Interest Payment Date and Maturity Date, the Company shall have deposited with the Paying Agent in immediately available funds money sufficient to make cash payments, if any, due on such Interest Payment Date or Maturity Date, as the case may be, in a timely manner which permits the Trustee to remit payment to the Holders on such Interest Payment Date or Maturity Date, as the case may be. The principal and interest on Global Notes shall be payable to the Depository or its nominee, as the case may be, as the sole registered owner and the sole Holder of the Global Notes represented thereby. The principal and interest on Physical Notes shall be payable, either in person or by mail, at the office of the Paying Agent.

SECTION 2.16 Book-Entry Provisions for Global Notes.

(a) Rule 144A Notes shall be represented by one or more Notes in registered, global form without interest coupons (collectively, the “Restricted Global Notes”). Regulation S Notes initially shall be represented by one or more Notes in registered, global form without interest coupons (collectively, the “Regulation S Global Note,” and, together with the Restricted Global Note and any other global notes representing Notes, the “Global Notes”). The Global Notes shall bear legends as set forth in Exhibit D-1. Each Global Note, whether or not an Exchange Note, shall also bear the legend set forth in Exhibit D-3 if such Note is issued with more than de minimis original issue discount for United States federal income tax purposes. The Global Notes initially shall (i) be registered in the name of the Depository or the nominee of such Depository, in each case for credit to an account of DTC or an Agent Member, (ii) be delivered to the Trustee as Custodian for such Depository and (iii) bear the Private Placement Legend.

Members of, or direct or indirect participants in, the Depository (“Agent Members”) shall have no rights under this Indenture with respect to any Global Note held on their behalf by the Depository, or the Trustee as its Custodian, or under the Global Notes, and the Depository may be treated by the Company, the Trustee and any agent of the Company or the Trustee as the absolute owner of the Global Note for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the Company, the Trustee or any agent of the Company or the Trustee from giving effect to any written certification, proxy or other authorization (which may be in electronic form) furnished by the Depository or impair, as between the Depository and its Agent Members, the operation of customary practices governing the exercise of the rights of a Holder of any Note.

(b) Transfers of Global Notes shall be limited to transfers in whole, but not in part, to the Depository, its successors or their respective nominees. Interests of beneficial owners in the Global Notes may be transferred or exchanged for Physical Notes in accordance with the rules and procedures of the Depository and the provisions of Section 2.17. In addition, a Global Note shall be exchangeable for Physical Notes if (i) the Depository (x) notifies the Company that it is unwilling or unable to continue as depository for such Global Note or (y) has ceased to be a clearing agency registered under the Exchange Act and with respect to (x) or (y) the Company thereupon fails to appoint a successor depository within 90 days of such notice or cessation, (ii) the Company, at its option, notifies the Trustee in writing that it elects to cause the issuance of such Physical Notes in exchange for any or all of the Notes represented by the Global Notes or (iii) there shall have occurred and be continuing an Event of Default with respect to the Notes. In all cases, Physical Notes delivered in exchange for any Global Note or beneficial interests therein shall be registered in the names, and issued in any approved denominations, requested by or on behalf of the Depository (in accordance with its customary procedures).

(c) In connection with any transfer or exchange of a portion of the beneficial interest in any Global Note to beneficial owners pursuant to paragraph (b), the Registrar shall (if one or more Physical Notes are to be issued) reflect on its books and records the date and a decrease in the principal amount of the Global Note in an amount equal to the principal amount of the beneficial interest in the Global Note to be transferred, and the Company shall execute, and the Trustee shall upon receipt of a written order from the Company authenticate and make available for delivery, one or more Physical Notes of like tenor and amount.

(d) In connection with the transfer of Global Notes as an entirety to beneficial owners pursuant to paragraph (b), the Global Notes shall be deemed to be surrendered to the Trustee for cancellation, and the Company shall execute, and the Trustee shall authenticate and deliver, to each beneficial owner identified by the Depository in writing in exchange for its beneficial interest in the Global Notes, an equal aggregate principal amount of Physical Notes of authorized denominations.

(e) Any Physical Note constituting a Restricted Note delivered in exchange for an interest in a Global Note pursuant to paragraph (b), (c) or (d) shall, except as otherwise provided by paragraphs (a) and (c) of Section 2.17, bear the Private Placement Legend, unless the Company determine otherwise in compliance with applicable law.

(f) Any beneficial interest in one of the Global Notes that is transferred to a Person who takes delivery in the form of an interest in another Global Note shall, upon transfer, cease to be an interest in such Global Note and become an interest in such other Global Note and, accordingly, shall thereafter be subject to all transfer restrictions and other procedures applicable to beneficial interests in such other Global Note for as long as it remains such an interest.

(g) The Holder of any Global Note may grant proxies and otherwise authorize any Person, including Agent Members and Persons that may hold interests through Agent Members, to take any action which a Holder is entitled to take under this Indenture or the Notes.

SECTION 2.17 Special Transfer Provisions.

(a) Transfers to QIBs. The following provisions shall apply with respect to the registration or any proposed registration of transfer of a Note constituting a Restricted Note to a QIB (excluding transfers to Non-U.S. Persons):

(1) the Registrar shall register the transfer if such transfer is being made by a proposed transferor who has checked the box provided on such Holder's Note stating, or to a transferee who has advised the Company and the Registrar in writing, that it is purchasing the Note for its own account or an account with respect to which it exercises sole investment discretion and that it and any such account is a QIB within the meaning of Rule 144A, and is aware that the sale to it is being made in reliance on Rule 144A and acknowledges that it has received such information regarding the Company as it has requested pursuant to Rule 144A or has determined not to request such information and that it is aware that the transferor is relying upon its foregoing representations in order to claim the exemption from registration provided by Rule 144A; and

(2) if the proposed transferee is an Agent Member, and the Notes to be transferred consist of Physical Notes which after transfer are to be evidenced by an interest in the Global Note, upon receipt by the Registrar of instructions given in accordance with the Depository's and the Registrar's procedures, the Registrar shall reflect on its books and records the date and an increase in the principal amount of the Global Note in an amount equal to the principal amount of the Physical Notes to be transferred, and the Trustee shall cancel the Physical Notes so transferred.

(b) Transfers to Non-QIB, Institutional Accredited Investors and Non-U.S. Persons. The following provisions shall apply with respect to the registration of any proposed transfer of a Note constituting a Restricted Note to any Institutional Accredited Investor which is not a QIB or to any Non-U.S. Person:

(1) the Registrar shall register the transfer of any Note constituting a Restricted Note whether or not such Note bears the Private Placement Legend, if (x) the requested transfer is after the second anniversary of the Issue Date (*provided, however*, that neither the Company nor any Affiliate of the Company has held any beneficial interest in such Note, or portion thereof, at any time on or prior to the second anniversary of the Issue Date) or (y)(1) in the case of a transfer to

an Institutional Accredited Investor which is not a QIB (excluding Non-U.S. Persons), the proposed transferee has delivered to the Registrar a certificate substantially in the form of Exhibit F hereto and any legal opinions and certifications required thereby or (2) in the case of a transfer to a Non-U.S. Person, the proposed transferor has delivered to the Registrar a certificate substantially in the form of Exhibit E hereto;

(2) if the proposed transferor is an Agent Member holding a beneficial interest in the Global Note, upon receipt by the Registrar of (x) the certificate, if any, required by Section 2.17(b)(1) and (y) written instructions given in accordance with the Depository's and the Registrar's procedures; whereupon (a) the Registrar shall reflect on its books and records the date and (if the transfer does not involve a transfer of outstanding Physical Notes) a decrease in the principal amount of such Global Note in an amount equal to the principal amount of the beneficial interest in the Global Note to be transferred and (b) the Company shall execute and the Trustee shall authenticate and deliver, one or more Physical Notes of like tenor and amount; and

(3) in the case of a transfer to a Non-U.S. Person, if the proposed transferee is an Agent Member, and the Notes to be transferred consist of Physical Notes which after transfer are to be evidenced by an interest in a Regulation S Global Note, upon receipt by the Registrar of written instructions given in accordance with the Depository's and the Registrar's procedures, the Registrar shall reflect on its books and records the date and an increase in the principal amount of such Regulation S Global Note in an amount equal to the principal amount of Physical Notes to be transferred, and the Trustee shall cancel the Physical Notes so transferred.

(c) Private Placement Legend. Upon the registration of transfer, exchange or replacement of Notes not bearing the Private Placement Legend, the Registrar shall deliver Notes that do not bear the Private Placement Legend. Upon the registration of transfer, exchange or replacement of Notes bearing the Private Placement Legend, the Registrar shall deliver only Notes that bear the Private Placement Legend unless (i) there is delivered to the Registrar an Opinion of Counsel reasonably satisfactory to the Company and the Trustee to the effect that neither such legend nor the related restrictions on transfer are required in order to maintain compliance with the provisions of the Securities Act or (ii) such Note has been sold pursuant to an effective registration statement under the Securities Act and the Registrar has received an Officers' Certificate from the Company to such effect or (iii) the requested transfer is after the second anniversary of the Issue Date (*provided, however*, that neither the Company nor an Affiliate of the Company has held any beneficial interest in such Note or portion thereof at any time since the Issue Date).

(d) General. By its acceptance of any Note bearing the Private Placement Legend, each Holder of such Note acknowledges the restrictions on transfer of such Note set forth in this Indenture and in the Private Placement Legend and agrees that it will transfer such Note only as provided in this Indenture.

(e) Certain Transfers in Connection with and After the Exchange Offer Under the Registration Rights Agreement. Notwithstanding any other provision of this Indenture:

(1) no Exchange Notes may be exchanged by the Holder thereof for a Note issued on the Issue Date;

(2) accrued and unpaid interest on the Notes issued on the Issue Date being exchanged in the Exchange Offer shall be due and payable on the next Interest Payment Date for the Exchange Notes following the Exchange Offer and shall be paid to the Holder on the relevant record date of the Exchange Notes issued in respect of the Note issued on the Issue Date being exchanged; and

(3) interest on the Note issued on the Issue Date being exchanged in the Exchange Offer shall cease to accrue on the date of completion of the Exchange Offer and interest on the Exchange Notes to be issued in the Exchange Offer shall accrue from the date of completion of the Exchange Offer.

The Registrar shall retain for a period of two years copies of all letters, notices and other written communications received pursuant to Section 2.16 or this Section 2.17. The Company shall have the right to inspect and make copies of all such letters, notices or other written communications at any reasonable time during normal business hours and upon the giving of reasonable notice to the Registrar.

ARTICLE THREE

SECTION 3.01 Election To Redeem; Notices to Trustee.

If the Company elects to redeem Notes pursuant to paragraph 5 of the Notes or is required to redeem Notes pursuant to paragraph 6 of the Notes, at least 45 days prior to the Redemption Date (unless a shorter notice shall be agreed to in writing by the Trustee) but not more than 60 days before the Redemption Date, the Company shall notify the Trustee in writing of the Redemption Date, the principal amount of Notes to be redeemed and the redemption price, and deliver to the Trustee, no later than two Business Days prior to the Redemption Date, an Officers' Certificate stating that such redemption will comply with the conditions contained in paragraph 5 or 6 of the Notes, as applicable. Notice given to the Trustee pursuant to this Section 3.01 may not be revoked after the time that notice is given to Holders pursuant to Section 3.03.

SECTION 3.02 Selection by Trustee of Notes To Be Redeemed.

The Trustee shall select the Notes to be redeemed by lot, on a *pro rata* basis or in accordance with DTC's applicable procedures that the Trustee deems fair and appropriate (with such adjustments as may be deemed appropriate by the Trustee so that only Notes in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof, shall be purchased). The Trustee shall promptly notify the Company of the Notes selected for redemption and, in the case of any Notes selected for partial redemption, the principal amount thereof to be redeemed. The Trustee may select for redemption portions of the principal of the Notes that have denominations larger than \$1,000. For redemptions pursuant to paragraphs 5 and 6 of the Notes, Notes and portions thereof that the Trustee selects shall be redeemed in amounts of \$2,000 and integral multiples of \$1,000 in excess thereof. For all purposes of this Indenture unless the context otherwise requires, provisions of this Indenture that apply to Notes called for redemption also apply to portions of Notes called for redemption. In the event the Company is requested to make a Change of Control Offer or Prepayment Offer and the amounts available for any such offer is not evenly divisible by \$1,000, the Trustee shall promptly refund to the Company any remaining funds, which in no event shall exceed \$1,000.

SECTION 3.03 Notice of Redemption.

The notice shall identify the Notes to be redeemed (including the CUSIP numbers thereof) and shall state:

- (a) the Redemption Date;
- (b) the appropriate calculation of the redemption price;
- (c) if fewer than all outstanding Notes are to be redeemed, the portion of the principal amount of such Note to be redeemed and that, after the Redemption Date and upon surrender of such Note, a new Note or Notes in principal amount equal to the unredeemed portion will be issued;
- (d) the name and address of the Paying Agent;
- (e) that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price;
- (f) that unless the Company defaults in making the redemption payment, interest on Notes called for redemption ceases to accrue on and after the Redemption Date;
- (g) which paragraph of the Notes, and in the case of paragraph 5 which subsection of paragraph 5, is the provision of the Notes pursuant to which the redemption is occurring; and
- (h) the aggregate principal amount of Notes that are being redeemed.

At the Company's written request made at least five Business Days prior to the date on which notice is to be given to the Trustee, the Trustee shall give the notice of redemption in the Company's name and at the Company's sole expense.

SECTION 3.04 Effect of Notice of Redemption.

Once the notice of redemption described in Section 3.03 is mailed, Notes called for redemption become due and payable on the Redemption Date and at the redemption price, including any premium, plus accrued and unpaid interest, if any, to but excluding the Redemption Date. Upon surrender to the Paying Agent, such Notes shall be paid at the redemption price, including any premium, plus accrued and unpaid interest, if any, to but excluding the Redemption Date; *provided* that if the Redemption Date is after a regular record date and on or prior to the Interest Payment Date, the accrued and unpaid interest, if any, shall be payable to the Holder of the redeemed Notes registered on the relevant record date; and *provided, further*, that if a Redemption Date is a Legal Holiday, payment shall be made on the next succeeding Business Day and no interest shall accrue for the period from such Redemption Date to such succeeding Business Day. Such notice, if mailed in the manner provided in Section 3.03 shall be conclusively presumed to have been given whether or not the Holder receives such notice.

SECTION 3.05 Deposit of Redemption Price.

On or prior to 10:00 a.m., New York City time, on each Redemption Date, the Company shall deposit with the Paying Agent in immediately available funds money sufficient to pay the redemption price of, including premium, if any, and accrued and unpaid interest, if any, on all Notes to be redeemed on that date other than Notes or portions thereof called for redemption on that date which have been delivered by the Company to the Trustee for cancellation.

On and after any Redemption Date, if money sufficient to pay the redemption price of, including premium, if any, and accrued and unpaid interest, if any, on, the Notes called for redemption shall have been made available in accordance with the immediately preceding paragraph, the Notes called for redemption will cease to accrue interest and the only right of the Holders of such Notes will be to receive payment of the redemption price of and, subject to the first proviso in Section 3.04, accrued and unpaid interest on such Notes to but excluding the Redemption Date. If any Note surrendered for redemption shall not be so paid, interest will be paid, from the Redemption Date until such redemption payment is made, on the unpaid principal of the Note and any interest not paid on such unpaid principal, in each case at the rate and in the manner provided in the Notes.

SECTION 3.06 Notes Redeemed in Part.

Upon surrender of a Note that is redeemed in part, the Company shall execute and the Trustee shall authenticate for the Holder thereof a new Note equal in principal amount to the unredeemed portion of the original Note in the name of the Holder upon cancellation of the original Note surrendered except that if a Global Note is so surrendered, the Company shall execute and the Trustee shall authenticate and deliver to the Depository, a new Global Note in denomination equal to and in exchange for the unredeemed portion of the principal of the Global Note so surrendered.

SECTION 3.07 Other Mandatory Redemption.

The Company is not required, other than pursuant to paragraph 6 of the Notes, to make mandatory redemption or sinking fund payments with respect to the Notes. Under certain circumstances, the Company may be required to offer to purchase Notes as described under Section 4.08 and Section 4.12. The Company may, at any time and from time to time, purchase Notes in the open market or otherwise.

The Company shall give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. (b) The Company may also from time to time designate one or more other offices or agencies where the Notes may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; *provided, however*, that no such designation or rescission shall in any manner relieve the Company of its obligation to maintain an office in the Borough of Manhattan, the City of New York or in the City of Minneapolis, Minnesota. The Company shall give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

(a) The Company shall, and shall cause each of its Restricted Subsidiaries to, at all times cause all material properties used or useful in the conduct of their respective businesses to be maintained and kept in good condition, repair and working order (reasonable wear and tear excepted) and supplied with all necessary equipment, and shall cause to be made all necessary repairs, renewals, replacements, betterments and improvements thereof, all as in the judgment of the Company may be necessary so that the business carried on in connection therewith may be properly and advantageously conducted at all times; *provided, however*, that nothing in this Section 4.04(a) shall prevent the Company or any of its Restricted Subsidiaries from discontinuing the operation or maintenance of any of such properties if such discontinuance is, in the reasonable judgment of the Company, desirable in the conduct of the business of the Company and its Subsidiaries taken as a whole and not adverse in any material respect to the Holders.

(b) The Company shall, and shall cause each of its Restricted Subsidiaries to, keep at all times all of their material properties which are of an insurable nature insured against such loss or damage with insurers believed by the Company to be responsible to the extent that Property of a similar character is usually so insured by corporations similarly situated and owning like Properties in accordance with good business practice. Subject to the proviso in Section 4.04(a), the Company shall, and shall cause each of its Restricted Subsidiaries to, use the proceeds from any such insurance policy to repair, replace or otherwise restore the Property to which such proceeds relate.

(c) The Company shall, and shall cause each of its Restricted Subsidiaries to, comply with all statutes, laws, ordinances or government rules and regulations to which they are subject, the non-compliance with which would materially adversely affect the business, financial condition or results of operations of the Company and its Restricted Subsidiaries taken as a whole.

SECTION 4.05 Waiver of Stay, Extension or Usury Laws.

The Company covenants (to the extent that it may lawfully do so) that it shall not at any time insist upon, or plead (as a defense or otherwise) or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law or any usury law or other law which may affect the covenants or the performance of this Indenture; and (to the extent that it may lawfully do so) the Company hereby expressly waives all benefit or advantage of any such law, and covenants that it will not hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted.

SECTION 4.06 Compliance Certificate.

(a) The Company shall deliver to the Trustee, within 120 days after the end of each fiscal year of the Company, commencing with the Company's fiscal year ending in December of 2012 an Officers' Certificate of the Company, stating whether or not to the best knowledge of the signers thereof the Company or any Restricted Subsidiary is in default in the performance and observance of any of the terms, provisions and conditions of Section 5.01 or Sections 4.01 to 4.18, inclusive, and if the Company shall be in Default, specifying all such Defaults, the nature and status thereof of which they may have knowledge and what action the Company is taking or proposes to take with respect thereto. Such determination shall be made without regard to notice requirements or periods of grace.

(b) The Company shall deliver to the Trustee, as soon as possible and in any event no later than ten Business Days after the Company becomes aware or should reasonably become aware of the occurrence of a Default or an Event of Default or an event which, with notice or the lapse of time or both, would constitute a Default or Event of Default, an Officers' Certificate setting forth the details of such Default or Event of Default, and the action which the Company is taking or proposes to take with respect to such Default or Event of Default.

(c) The Company shall deliver to the Trustee, within 120 days after the end of each fiscal year commencing with the Company's fiscal year ending December of 2012, a written statement by the Company's independent public accountants stating whether, in connection with their audit of the Company's financial statements, any event which would constitute an Event of Default as defined herein insofar as they relate to accounting matters has come to their attention and, if such an Event of Default has come to their attention, specifying the nature and period of the existence thereof.

SECTION 4.07 Payment of Taxes and Other Claims.

The Company shall, and shall cause each of its Restricted Subsidiaries to, pay or discharge or cause to be paid or discharged, before the same shall become delinquent, (1) all material taxes, assessments and governmental charges levied or imposed upon the Company or any of its Subsidiaries or upon the income, profits, capital or Property of the Company or any of its Subsidiaries, and (2) all material lawful claims for labor, materials and supplies which, if unpaid, might by law become a lien upon the Property of the Company or any of its Subsidiaries; *provided, however*, that the Company shall not be required to pay or discharge or cause to be paid or discharged any such tax, assessment, charge or claim whose amount, applicability or validity is being contested in good faith by appropriate proceedings.

SECTION 4.08 Repurchase at the Option of Holders upon Change of Control.

(a) Upon the occurrence of a Change of Control, each Holder of Notes shall have the right to require the Company to repurchase all or any part of such Holder's Notes pursuant to the offer described below (the "Change of Control Offer") at a purchase price (the "Change of Control Purchase Price") equal to 101% of the principal amount thereof, plus accrued and unpaid interest, if any, to but excluding the repurchase date (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date); *provided, however*, that notwithstanding the occurrence of a Change of Control, the Company shall not be obligated to purchase the Notes pursuant to this Section 4.08 in the event that it has mailed the notice to exercise its right to redeem all the Notes under the terms of paragraph 5 of the Notes at any time prior to the requirement to consummate the Change of Control Offer and redeems the Notes in accordance with such notice.

(b) Not later than 30 days following any Change of Control the Company shall (x) cause a notice of the Change of Control Offer to be sent at least once to the Dow Jones News Service or similar business news service in the United States, and (y) send, by first-class mail, with a copy to the Trustee, to each Holder of Notes, at such Holder's address appearing in the Note register, a notice stating:

(1) that a Change of Control has occurred or will occur and a Change of Control Offer is being made pursuant to this Section 4.08 and that all Notes timely tendered will be accepted for payment;

(2) the Change of Control Purchase Price and the repurchase date (the "Change of Control Payment Date"), which shall be, subject to any contrary requirements of applicable law, a Business Day no earlier than 30 days nor later than 60 days from the date such notice is mailed;

(3) the circumstances and relevant facts regarding the Change of Control; and

(4) the procedures that Holders of Notes must follow in order to tender their Notes (or portions thereof) for payment, and the procedures that Holders of Notes must follow in order to withdraw an election to tender Notes (or portions thereof) for payment.

Holders electing to have a Note purchased shall be required to surrender the Note, with an appropriate form duly completed, to the Company or its agent at the address specified in the notice at least three Business Days prior to the Change of Control Payment Date. Holders shall be entitled to withdraw their election if the Trustee or the Company receives, not later than one Business Day prior to the Change of Control Payment Date, a telegram, telex, facsimile transmission, electronic mail or letter setting forth the name of the Holder, the principal amount of the Note that was delivered for purchase by the Holder and a statement that such Holder is withdrawing its election to have such Note purchased.

(c) On or prior to 10:00 a.m. New York City time on the Change of Control Payment Date, the Company shall irrevocably deposit with the Trustee or with the Paying Agent (or, if the Company or any of its Subsidiaries is acting as the Paying Agent, segregate and hold in trust) in cash an amount equal to the Change of Control Purchase Price payable to the Holders entitled thereto, to be held for payment in accordance with this Section 4.08. On the Change of Control Payment Date, the Company or its Agent shall deliver to the Trustee the Notes or portions thereof that have been properly tendered to and are to be accepted by the Company for payment.

(d) The Trustee or the Paying Agent shall, on the Change of Control Payment Date, mail or deliver payment to each tendering Holder of the Change of Control Purchase Price. In the event that the aggregate Change of Control Purchase Price is less than the amount delivered by the Company to the Trustee or the Paying Agent, the Trustee or the Paying Agent, as the case may be, shall deliver the excess to the Company immediately after the Change of Control Payment Date.

(e) The Company shall comply, to the extent applicable, with the requirements of Rule 14e-1 of the Exchange Act and any other applicable securities laws or regulations in connection with the repurchase of the Notes pursuant to a Change of Control Offer, including any applicable securities laws of the United States. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Section 4.08, the Company will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under this Section 4.08 by virtue of such compliance with these securities laws or regulations.

(f) The Company shall not be required to make a Change of Control Offer upon a Change of Control if (i) a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Section 4.08 applicable to a Change of Control Offer made by the Company and purchases all Notes validly tendered and not withdrawn under such Change of Control Offer or (ii) notice of redemption has been given pursuant to this Indenture as described in paragraph 5 of the Notes, unless and until there is a default in payment of the applicable redemption price. Notwithstanding anything to the contrary contained herein, a Change of Control Offer may be made in advance of a Change of Control, conditioned upon the consummation of such Change of Control, if a definitive agreement is in place for the Change of Control at the time the Change of Control Offer is made.

SECTION 4.09 Limitation on Debt.

(a) The Company shall not, and shall not permit any Restricted Subsidiary to, Incur, directly or indirectly, any Debt unless, after giving effect to the application of the proceeds therefrom, no Default or Event of Default would occur as a consequence of such Incurrence or be continuing following such Incurrence and either:

(1) in the case of an Incurrence of Debt by the Company or a Guarantor (including any Restricted Subsidiary that becomes a Guarantor concurrently with the Incurrence of such Debt), after giving effect to the Incurrence of such Debt and the application of the proceeds thereof, the Consolidated Fixed Charge Coverage Ratio would be at least 2.0 to 1.0; or

(i) the aggregate principal amount of such Debt does not exceed the Fair Market Value (on the date of the Incurrence thereof) of the Property acquired, constructed or leased; and

(ii) the aggregate principal amount of all Debt Incurred and then outstanding pursuant to this Section 4.09(b)(3) (together with all Permitted Refinancing Debt Incurred and then outstanding in respect of Debt previously Incurred pursuant to this Section 4.09(b)(3)) does not exceed 15% of Total Assets;

(4) Debt of the Company owing to and held by any Restricted Subsidiary and Debt of a Restricted Subsidiary owing to and held by the Company or any Restricted Subsidiary; *provided* that if the Company or a Guarantor is the obligor on such Debt Incurred after the Issue Date, then such Debt is expressly subordinated by its terms to the prior payment in full in cash of the Notes or the Guarantee of such Guarantor, as the case may be; *provided, however*, that any subsequent issue or transfer of Capital Stock or other event that results in any such Restricted Subsidiary ceasing to be a Restricted Subsidiary or any subsequent transfer of any such Debt (except to the Company or a Restricted Subsidiary) shall be deemed, in each case, to constitute the Incurrence of such Debt by the issuer thereof;

(5) Debt of a Restricted Subsidiary outstanding on the date on which such Restricted Subsidiary is acquired by the Company or otherwise becomes a Restricted Subsidiary (other than Debt Incurred as consideration in, or to provide all or any portion of the funds or credit support utilized to consummate, the transaction or series of transactions pursuant to which such Restricted Subsidiary became a Subsidiary of the Company or was otherwise acquired by the Company); *provided* that after giving effect to the Incurrence of such Debt either (i) the Consolidated Fixed Charge Coverage Ratio for the Company would be at least 2.0 to 1.0 or (ii) the Consolidated Fixed Charge Coverage Ratio would be greater than such ratio immediately prior to such Incurrence;

(6) Debt under Interest Rate Agreements entered into by the Company or a Restricted Subsidiary for the purpose of managing interest rate risk in the ordinary course of the financial management of the Company or such Restricted Subsidiary and not for speculative purposes;

(7) Debt under Currency Exchange Protection Agreements entered into by the Company or a Restricted Subsidiary for the purpose of managing currency exchange rate risks in the ordinary course of business and not for speculative purposes;

(8) guarantees by (i) the Company of Debt or any other obligation of any Restricted Subsidiary otherwise permitted pursuant to this Section 4.09, (ii) any Restricted Subsidiary that is not a Guarantor of Debt or any other obligation of any Restricted Subsidiary that is not a Guarantor otherwise permitted pursuant to this Section 4.09, (iii) any Guarantor of Debt or any other obligation of the Company or any Restricted Subsidiary otherwise permitted pursuant to this Section 4.09 or (iv) any Restricted Subsidiary of Debt of the Company that is Incurred pursuant to clause (2) of this Section 4.09(b) or is secured by a Permitted Lien;

(9) Debt in connection with one or more standby letters of credit or performance or surety bonds issued by the Company or a Restricted Subsidiary in the ordinary course of business or pursuant to self-insurance obligations and not in connection with the borrowing of money or the obtaining of advances or credit not to exceed 2.5% of Total Assets at any time outstanding;

(10) Debt of the Company or a Restricted Subsidiary outstanding on the Issue Date not otherwise described in clauses (1) through (9) of this Section 4.09(b), including without limitation the Convertible Notes, the 2017 Notes and the 2020 Notes;

(11) Debt of the Company or a Guarantor in an aggregate principal amount outstanding at any one time not to exceed the sum of (i) \$500.0 million plus (ii) 5% of Consolidated Net Tangible Assets (which amount can include guarantees of Debt of Unrestricted Subsidiaries, *provided* such guarantee is Incurred in compliance with Section 4.10);

(12) Debt of the Company or a Restricted Subsidiary in connection with any customary receivables discounting, factoring or securitization facility that is Non-Recourse Debt (other than pursuant to customary undertakings (as determined in good faith by the Company) in connection with off-balance-sheet securitization and factoring facilities) outstanding at any one time not to exceed \$300.0 million; and

(13) Permitted Refinancing Debt Incurred in respect of Debt Incurred pursuant to Section 4.09(a)(1) and Sections 4.09(b)(1), (3), (5) and (10) above and this Section 4.09(b)(13).

Notwithstanding anything to the contrary in this covenant:

(i) the Company shall not Incur any Debt pursuant to this covenant if the proceeds thereof are used, directly or indirectly, to Refinance any Subordinated Obligations unless such Debt shall be subordinated to the Notes to at least the same extent as such Subordinated Obligations; and

(ii) accrual of interest, accretion or amortization of original issue discount and the payment of interest or dividends in the form of additional Debt will be deemed not to be an Incurrence of Debt for the purposes of this covenant.

For purposes of determining compliance with this Section 4.09, in the event that an item of Debt meets the criteria of more than one of the categories of Permitted Debt described in clauses (1) through (13) above or is entitled to be Incurred pursuant to Section 4.09(a)(1), the Company shall, in its sole discretion, classify (or later reclassify in whole or in part, in its sole discretion) such item of Debt in any manner that complies with this Section 4.09.

For purposes of determining compliance with any dollar-denominated restriction on the Incurrence of Debt, with respect to any Debt which is denominated in a foreign currency, the dollar-equivalent principal amount of such Debt Incurred pursuant thereto shall be calculated based on the relevant currency exchange rate in effect on the date that such Debt was Incurred, and any such foreign-denominated Debt may be Refinanced or replaced or subsequently Refinanced or replaced in an amount equal to the dollar equivalent principal amount of such Debt on the date of such refinancing or replacement whether or not such amount is greater or less than the dollar equivalent principal amount of the Debt on the date of initial Incurrence.

SECTION 4.10 Limitation on Restricted Payments.

(a) The Company shall not make, and shall not permit any Restricted Subsidiary to make, directly or indirectly, any Restricted Payment if at the time of, and after giving effect to, such proposed Restricted Payment,

(1) a Default or Event of Default shall have occurred and be continuing,

(2) the Company could not Incur at least \$1.00 of additional Debt pursuant to Section 4.09(a)(1) or

(3) the aggregate amount of such Restricted Payment and all other Restricted Payments declared or made since November 30, 2009 (the amount of any Restricted Payment, if made other than in cash, to be based upon Fair Market Value at the time of such Restricted Payment) would exceed an amount equal to the sum of:

(i) 50% of the aggregate amount of Consolidated Net Income accrued during the period (treated as one accounting period) from September 27, 2009 to the end of the most recently ended fiscal quarter for which internal financial statements are available (or if the aggregate amount of Consolidated Net Income for such period shall be a deficit, minus 100% of such deficit), plus

(ii) 100% of Capital Stock Sale Proceeds, plus

(iii) the sum of:

(A) the aggregate net cash proceeds received by the Company or any Restricted Subsidiary from the issuance or sale after November 30, 2009 of convertible or exchangeable Debt or Disqualified Stock that has been converted into or exchanged for Capital Stock (other than Disqualified Stock) of the Company; and

(B) the aggregate amount by which Debt (other than Subordinated Obligations) of the Company or any Restricted Subsidiary is reduced on the Company's consolidated balance sheet on or after November 30, 2009 upon the conversion or exchange of any such Debt issued or sold on or prior to November 30, 2009 that is convertible or exchangeable for Capital Stock (other than Disqualified Stock) of the Company,

excluding, in the case of clause (A) or (B):

(x) any such Debt issued or sold to the Company or a Subsidiary of the Company or an employee stock ownership plan or trust established by the Company or any such Subsidiary for the benefit of their employees, and

(y) the aggregate amount of any cash or other Property (other than Capital Stock of the Company which is not Disqualified Stock) distributed by the Company or any Restricted Subsidiary upon any such conversion or exchange, plus

(iv) an amount equal to the sum of:

(A) the net reduction in Investments in any Person other than the Company or a Restricted Subsidiary resulting from dividends, repayments of loans or advances or other transfers of Property, in each case to the Company or a Restricted Subsidiary from such Person;

(B) to the extent that any Investment (other than a Permitted Investment) that was made after November 30, 2009 is sold for cash or otherwise liquidated or repaid for cash, the cash return of capital to the Company or its Restricted Subsidiaries with respect to such Investment; and

(C) the portion (proportionate to the Company's equity interest in such Unrestricted Subsidiary) of the Fair Market Value of the net assets of an Unrestricted Subsidiary at the time such Unrestricted Subsidiary is designated a Restricted Subsidiary;

provided, however, that the amounts in (A), (B) and (C) shall not exceed, in the case of any Person, the amount of Investments previously made (and treated as a Restricted Payment) by the Company or any Restricted Subsidiary in such Person, plus

(v) \$100.0 million.

(b) Notwithstanding the foregoing limitation, the Company and its Restricted Subsidiaries, as applicable, may:

(1) pay dividends on its Capital Stock within 60 days of the declaration thereof if, on the declaration date, such dividends could have been paid in compliance with this Indenture; *provided, however*, that such dividend shall be included in the calculation of the amount of Restricted Payments at the time declared;

(2) purchase, repurchase, redeem, legally defease, acquire or retire for value Capital Stock of the Company or Subordinated Obligations in exchange for, or out of the proceeds of the substantially concurrent sale of, Capital Stock of the Company (other than Disqualified Stock and other than Capital Stock issued or sold to a Subsidiary of the Company or an employee stock ownership plan or trust established by the Company or any such Subsidiary for the benefit of their employees); *provided, however*, that

(x) such purchase, repurchase, redemption, legal defeasance, acquisition or retirement shall be excluded in the calculation of the amount of Restricted Payments, and

(y) the Capital Stock Sale Proceeds from such exchange or sale shall be excluded from the calculation pursuant to Section 4.10(a)(3)(ii);

(3) purchase, repurchase, redeem, legally defease, acquire or retire for value any Subordinated Obligations in exchange for, or out of the proceeds of the substantially concurrent sale of, Permitted Refinancing Debt; *provided, however*, that such purchase, repurchase, redemption, legal defeasance, acquisition or retirement shall be excluded in the calculation of the amount of Restricted Payments;

(4) repurchase shares of, or options to purchase shares of, common stock of the Company or any of its Subsidiaries from current or former officers, directors or employees of the Company or any of its Subsidiaries (or permitted transferees of such current or former officers, directors or employees), pursuant to the terms of agreements (including employment agreements) or plans (or amendments thereto) approved by the Board of Directors under which such individuals purchase or sell, or are granted the option to purchase or sell, shares of such common stock; *provided, however*, that:

(x) the aggregate amount of such repurchases shall not exceed \$10.0 million in any calendar year; and

(y) at the time of such repurchase, no other Default or Event of Default shall have occurred and be continuing (or result therefrom);

provided further, however, that such repurchases shall be excluded in the calculation of the amount of Restricted Payments;

(5) make payments on intercompany Debt, the Incurrence of which was permitted pursuant to Section 4.09, *provided* that such purchase, repurchase, redemption, legal defeasance, acquisition or retirement shall be excluded in the calculation of the amount of Restricted Payments;

(6) make cash payments, in lieu of issuance of fractional shares in connection with the exercise of warrants, options or other securities convertible into or exchangeable for the Capital Stock of the Company or a Restricted Subsidiary; *provided* that any such payments and dividends shall not be included in the calculation of the amount of Restricted Payments;

(7) repurchase Capital Stock to the extent such repurchase is deemed to occur upon a cashless exercise of stock options or warrants; *provided* that all such repurchases and dividends shall not be included in the calculation of the amount of Restricted Payments and no proceeds in respect of the issuance of Capital Stock shall be deemed to have been received for the purposes of Section 4.10(a)(3)(ii);

(8) repurchase or redeem, for nominal consideration, preferred stock purchase rights issued in connection with any shareholder rights plan of the Company; *provided* that any such payments shall not be included in the calculation of the amount of Restricted Payments;

(9) make cash payments in connection with any conversion of Convertible Debt in an aggregate amount since the Issue Date not to exceed the sum of (y) the principal amount of such Convertible Debt plus (z) any payments received by the Company or any of its Restricted Subsidiaries pursuant to the exercise, settlement or termination of any related Permitted Bond

Hedge Transaction; *provided* that any such payments shall not be included in the calculation of the amount of Restricted Payments;

(10) make any payments in connection with a Permitted Bond Hedge Transaction and the settlement of any related Permitted Warrant Transaction (y) by delivery of shares of the Company's common stock upon net share settlement thereof or (z) by (i) set-off against the related Permitted Bond Hedge Transaction and (ii) payment of an early termination amount thereof in common stock upon any early termination thereof; *provided* that any such payments shall not be included in the calculation of the amount of Restricted Payments; and

(11) make other Restricted Payments in an aggregate amount not to exceed \$100.0 million.

SECTION 4.11 Limitation on Liens

The Company shall not directly or indirectly Incur or permit any Guarantor to Incur or suffer to exist any Lien (other than Permitted Liens) upon any of the Property of the Company or a Guarantor (including Capital Stock of a Restricted Subsidiary), whether owned at the Issue Date or thereafter acquired, or any interest therein or any income or profits therefrom, unless it has made or will make effective provision whereby the Notes will be secured by such Lien equally and ratably with (or, if such other Debt constitutes Subordinated Obligations, prior to) all other Debt or other obligations of the Company or such Guarantor secured by such Lien for so long as such other Debt or other obligations are secured by such Lien; *provided, however*, that if the Debt or other obligations so secured are expressly subordinated to the Notes or the Guarantee of such Guarantor, then the Lien securing such Debt or other obligations shall be subordinated and junior to the Lien securing the Notes.

SECTION 4.12 Limitation on Asset Sales

(a) The Company shall not, and shall not permit any Restricted Subsidiary to, directly or indirectly, consummate any Asset Sale unless:

(1) the Company or such Restricted Subsidiary receives consideration at the time of such Asset Sale at least equal to the Fair Market Value of the Property subject to such Asset Sale;

(2) at least 75% of the consideration paid to the Company or such Restricted Subsidiary in connection with such Asset Sale is in the form of cash or Cash Equivalents; and

(3) the Company delivers an Officers' Certificate to the Trustee certifying that such Asset Sale complies with the foregoing Sections 4.12(a)(1) and (2).

Solely for the purposes of Section 4.12(a)(2), the following will be deemed to be cash:

(x) the assumption by the purchaser of liabilities of the Company or any Restricted Subsidiary (other than contingent liabilities or liabilities that are by their terms subordinated to the Notes) as a result of which the Company and the Restricted Subsidiaries are no longer obligated with respect to such liabilities;

(y) any securities, notes or other obligations received by the Company or any such Restricted Subsidiary from such purchaser to the extent they are promptly converted or monetized by the Company or such Restricted Subsidiary into cash (to the extent of the cash received); and

(z) Additional Assets.

(b) The Net Available Cash (or any portion thereof) from Asset Sales may be applied by the Company or a Restricted Subsidiary, to the extent the Company or such Restricted Subsidiary elects (or is required by the terms of any Debt) to:

(1) permanently prepay or permanently repay any (A) Debt under any Credit Facility permitted by clause (2) of Section 4.09(b), (B) Debt evidenced by the Convertible Notes, (C) Debt which had been secured by the assets sold in the relevant Asset Sale, and (D) Debt of a Restricted Subsidiary that is not a Guarantor; and/or

(2) to reinvest in Additional Assets (including by means of an Investment in Additional Assets by a Restricted Subsidiary with Net Available Cash received by the Company or another Restricted Subsidiary).

(c) Any Net Available Cash from an Asset Sale not applied in accordance with Section 4.12(b) within 365 days from the date of the receipt of such Net Available Cash shall constitute "Excess Proceeds." When the aggregate amount of Excess Proceeds exceeds \$25.0 million (taking into account income earned on such Excess Proceeds, if any), the Company will be required to make an offer to repurchase (the "Prepayment Offer") the Notes, which offer shall be in the amount of the Allocable Excess Proceeds (rounded to the nearest \$1,000), on a *pro rata* basis according to principal amount, at a purchase price equal to 100% of the principal amount thereof, plus accrued and unpaid interest, to, but excluding, the repurchase date (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date), in accordance with the procedures (including prorating in the event of oversubscription) set forth in this Indenture. To the extent that any portion of the amount of Net Available Cash remains after compliance with the preceding sentence and *provided* that all Holders of Notes have been given the opportunity to tender their Notes for repurchase in accordance with this Indenture, the Company or such Restricted Subsidiary may use such remaining amount for any purpose permitted by this Indenture, and the amount of Excess Proceeds will be reset to zero.

The term "Allocable Excess Proceeds" shall mean the product of:

(i) the Excess Proceeds; and

(ii) a fraction,

(A) the numerator of which is the aggregate principal amount of the Notes outstanding on the date of the Prepayment Offer, and

(B) the denominator of which is the sum of the aggregate principal amount of the Notes outstanding on the date of the Prepayment Offer and the aggregate principal amount of other Debt of the Company (other than Subordinated Obligations) outstanding on the date of the Prepayment Offer and subject to terms and conditions in respect of Asset Sales similar in all material respects to this Section 4.12 and requiring the Company to make an offer to repurchase such Debt at substantially the same time as the Prepayment Offer.

(d) Within five Business Days after the Company is obligated to make a Prepayment Offer as described in the preceding paragraph, the Company shall send a written notice, by first-class mail, to the Holders of Notes, accompanied by such information regarding the Company and its Subsidiaries as the

Company in good faith believes will enable such Holders to make an informed decision with respect to such Prepayment Offer. Such notice shall state, among other things, the purchase price and the repurchase date (the "Purchase Date"), which shall be, subject to any contrary requirements of applicable law, a Business Day no earlier than 30 days nor later than 60 days from the date such notice is mailed.

(e) Not later than the date upon which written notice of a Prepayment Offer is delivered to the Holders of the Notes as provided in Section 4.12(d), the Company shall deliver to the Trustee an Officers' Certificate as to (i) the amount of the Prepayment Offer to Holders of Notes (the "Offer Amount"), (ii) the allocation of the Net Available Cash from the Asset Sales pursuant to which such Prepayment Offer is being made and (iii) the compliance of such allocation with the provisions of Sections 4.12(b) and (c). On or before 10:00 a.m. New York City time on the Purchase Date, the Company shall also irrevocably deposit with the Trustee or with the Paying Agent (or, if the Company or a Restricted Subsidiary is the Paying Agent, shall segregate and hold in trust) in Cash Equivalents (other than in those enumerated in clause (c) of the definition of Cash Equivalents), maturing on the last day prior to the Purchase Date or on the Purchase Date if funds are immediately available by the opening of business, an amount equal to the Offer Amount to be held for payment in accordance with the provisions of this Section 4.12. Upon the expiration of the period for which the Prepayment Offer remains open (the "Offer Period"), the Company shall deliver to the Trustee for cancellation the Notes or portions thereof that have been properly tendered to and are to be accepted by the Company. The Trustee or the Paying Agent shall, on the Purchase Date, mail or deliver payment to each tendering Holder in the amount of the purchase price. In the event that the aggregate purchase price of the Notes delivered by the Company to the Trustee is less than the Offer Amount, the Trustee or the Paying Agent shall deliver the excess to the Company immediately after the expiration of the Offer Period for application in accordance with this Section 4.12.

(f) Holders electing to have a Note purchased shall be required to surrender the Note, with an appropriate form duly completed, to the Company or its agent at the address specified in the notice at least three Business Days prior to the Purchase Date. Holders shall be entitled to withdraw their election if the Trustee or the Company receives not later than one Business Day prior to the Purchase Date a telegram, telex, facsimile transmission, electronic mail or letter setting forth the name of the Holder, the principal amount of the Note that was delivered for purchase by the Holder and a statement that such Holder is withdrawing its election to have such Note purchased. If at the expiration of the Offer Period the aggregate principal of Notes surrendered by Holders exceeds the Offer Amount, the Company shall select the Notes to be purchased on *pro rata* basis for all Notes (with such adjustments as may be deemed appropriate by the Company so that only Notes in denominations of \$2,000, or integral multiples of \$1,000 in excess thereof, shall be purchased). Holders whose Notes are purchased only in part shall be issued new Notes equal in principal amount to the unpurchased portion of the Notes surrendered.

(g) At the time the Company or its agent delivers Notes to the Trustee that are to be accepted for purchase, the Company shall also deliver an Officers' Certificate stating that such Notes are to be accepted by the Company pursuant to and in accordance with the terms of this Section 4.12. A Note shall be deemed to have been accepted for purchase at the time the Trustee or the Paying Agent mails or delivers payment therefor to the surrendering Holder.

(h) The Company will comply, to the extent applicable, with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws or regulations in connection with the repurchase of Notes pursuant to this Section 4.12. To the extent that the provisions of any securities laws or regulations conflict with provisions of this Section 4.12, the Company will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under this Section 4.12 by virtue thereof.

SECTION 4.13 Limitation on Restrictions on Distributions from Restricted Subsidiaries.

(a) The Company shall not, and shall not permit any Restricted Subsidiary to, directly or indirectly, create or otherwise cause or suffer to exist any consensual restriction on the right of any Restricted Subsidiary to:

- (1) pay dividends, in cash or otherwise, or make any other distributions on or in respect of its Capital Stock, or pay any Debt or other obligation owed, to the Company or any other Restricted Subsidiary;
- (2) make any loans or advances to the Company or any other Restricted Subsidiary; or
- (3) transfer any of its Property to the Company or any other Restricted Subsidiary.

(b) The foregoing limitations will not apply:

(1) with respect to Section 4.13(a)(1), (2) and (3), to restrictions:

(A) in effect on the Issue Date (including, without limitation, restrictions pursuant to the Notes and this Indenture);

(B) relating to Debt of a Restricted Subsidiary and existing at the time it became a Restricted Subsidiary if such restriction was not created in connection with or in anticipation of the transaction or series of transactions pursuant to which such Restricted Subsidiary became a Restricted Subsidiary or was acquired by the Company;

(C) that result from the Refinancing of Debt Incurred pursuant to an agreement referred to in Section 4.13(b)(1)(A) or (B) above or in clause (b)(2)(A) or (B) below, *provided* such restrictions are not materially less favorable, taken as a whole, to the Holders of Notes than those under the agreement evidencing the Debt so Refinanced;

(D) relating to Debt Incurred after the Issue Date, so long as such restrictions (x) are not materially less favorable, taken as whole, to the Holders of Notes than those restrictions in effect on the Issue Date pursuant to the Notes and this Indenture, (y) will not, in the good faith judgment of the Company, materially impair the ability of the Company to make regularly scheduled payments of interest and principal on the Notes when due or (z) relate to Debt Incurred pursuant to Section 4.09(b)(3), so long as the respective restrictions apply only to specific Property or projects financed with the respective Incurrence of Debt and/or to any Subsidiary substantially of all whose assets consist of Property or a project financed with proceeds of such Debt;

(E) existing under or by reason of applicable law or governmental regulation; or

(F) that constitute customary restrictions contained in joint venture agreements, asset sale agreements, sale-leaseback agreements, stock sale agreements and other similar agreements entered into in good faith and not otherwise prohibited by this Indenture; and

(2) with respect to Section 4.13(a)(3) only, to restrictions:

(A) relating to Debt that is permitted to be Incurred and secured without also securing the Notes pursuant to Sections 4.09 and 4.11 that limit the right of the debtor to dispose of the Property securing such Debt;

(B) encumbering Property at the time such Property was acquired by the Company or any Restricted Subsidiary, so long as such restrictions relate solely to the Property so acquired and were not created in connection with or in anticipation of such acquisition;

(C) resulting from customary provisions restricting subletting or assignment of leases or customary provisions in other agreements that restrict assignment of such agreements or rights thereunder;

(D) restrictions on cash or other deposits or net worth imposed by customers under contracts entered into in the ordinary course of business; or

(E) customary restrictions contained in asset sale agreements limiting the transfer of such Property pending the closing of such sale.

SECTION 4.14 Limitation on Transactions with Affiliates.

(a) The Company shall not, and shall not permit any Restricted Subsidiary to, directly or indirectly, conduct any business or enter into or suffer to exist any transaction or series of related transactions (including the purchase, sale, transfer, assignment, lease, conveyance or exchange of any Property or the rendering of any service) with, or for the benefit of, any Affiliate of the Company (an "Affiliate Transaction"), unless:

(1) the terms of such Affiliate Transaction are:

(A) set forth in writing; and

(B) no less favorable to the Company or such Restricted Subsidiary, as the case may be, than those that could be obtained in a comparable arm's-length transaction with a Person that is not an Affiliate of the Company;

(2) if such Affiliate Transaction involves aggregate payments or value in excess of \$25.0 million, the Board of Directors (including at least a majority of the disinterested members of the Board of Directors) approves such Affiliate Transaction and, in its good faith judgment, believes that such Affiliate Transaction complies with Section 4.14(a)(1)(B) as evidenced by a Board Resolution; and

(3) if such Affiliate Transaction involves aggregate payments or value in excess of \$50.0 million, the Company obtains a written opinion from an Independent Financial Advisor to the effect that the consideration to be paid or received in connection with such Affiliate Transaction is fair, from a financial point of view, to the Company and any relevant Restricted Subsidiaries.

(b) Notwithstanding the foregoing limitation, the Company or any Restricted Subsidiary may enter into or suffer to exist the following:

- (1) any transaction or series of transactions between the Company and one or more Restricted Subsidiaries or between two or more Restricted Subsidiaries;
- (2) any Restricted Payment permitted to be made pursuant to Section 4.10 or any Permitted Investment;
- (3) any employment, indemnification or other similar agreement or employee benefit plan entered into by the Company or a Restricted Subsidiary with an employee, officer or director (and payments pursuant thereto) in the ordinary course of business and consistent with past practice that is not otherwise prohibited by this Indenture;
- (4) loans and advances to employees made in the ordinary course of business consistent with past practices of the Company or a Restricted Subsidiary, as the case may be; *provided* that such loans and advances do not exceed \$10.0 million in the aggregate at any one time outstanding;
- (5) payment of reasonable directors' fees to persons who are not otherwise Affiliates of the Company;
- (6) any issuances of Capital Stock (other than Disqualified Stock) of the Company to Affiliates of the Company; and
- (7) agreements (and the transactions contemplated thereunder) in effect on the Issue Date (including agreements with GLOBALFOUNDRIES) and any modifications, extensions or renewals thereto that are not materially less favorable, taken as a whole, to the Company or any Restricted Subsidiary than such agreements as in effect on the Issue Date.

SECTION 4.15 Designation of Restricted and Unrestricted Subsidiaries.

(a) The Board of Directors may designate any Subsidiary of the Company to be an Unrestricted Subsidiary if:

- (1) either (1) the Company or a Restricted Subsidiary, as the case may be, is permitted to make an Investment in such Subsidiary equal to the sum of the (A) Fair Market Value of the Capital Stock of such Subsidiary plus (B) the amount of any Debt owed by such Subsidiary to the Company, in each case pursuant to Section 4.10(a), or
- (2) such Investment constitutes a Permitted Investment;
- (2) immediately after giving *pro forma* effect to such designation, the Company could Incur at least \$1.00 of additional Debt pursuant to Section 4.09(a)(1); and
- (3) such Subsidiary does not own any Capital Stock or Debt of, or own or hold any Lien on any Property of, the Company or any Restricted Subsidiary and does not have any Debt other than Non-Recourse Debt.

Unless so designated as an Unrestricted Subsidiary, any Person that becomes a Subsidiary of the Company will be classified as a Restricted Subsidiary; *provided, however*, that such Subsidiary shall not

be designated a Restricted Subsidiary and shall be automatically classified as an Unrestricted Subsidiary if such Person is a Subsidiary of an Unrestricted Subsidiary.

(b) Except as provided in Section 4.15(a), no Restricted Subsidiary may be redesignated as an Unrestricted Subsidiary, and neither the Company nor any Restricted Subsidiary shall at any time be directly or indirectly liable for any Debt (other than Debt pursuant to this Indenture) that provides that the holder thereof may (with the passage of time or notice or both) declare a default thereon or cause the payment thereof to be accelerated or payable prior to its Stated Maturity upon the occurrence of a default with respect to any Debt, Lien or other obligation of any Unrestricted Subsidiary (including any right to take enforcement action against any such Unrestricted Subsidiary).

(c) The Board of Directors may designate any Unrestricted Subsidiary to be a Restricted Subsidiary if, immediately after giving *pro forma* effect to such designation,

(x) the Company could Incur at least \$1.00 of additional Debt pursuant to Section 4.09(a)(1), and

(y) no Default or Event of Default shall have occurred and be continuing or would result therefrom.

(d) Any such designation or redesignation by the Board of Directors will be evidenced to the Trustee by filing with the Trustee a Board Resolution giving effect to such designation or redesignation and an Officers' Certificate that:

(1) certifies that such designation or redesignation complies with this Section 4.15; and

(2) gives the effective date of such designation or redesignation,

such filing with the Trustee to occur within 60 days after the end of the fiscal quarter of the Company in which such designation or redesignation is made (or, in the case of a designation or redesignation made during the last fiscal quarter of the Company's fiscal year, within 90 days after the end of such fiscal year).

SECTION 4.16 Reports.

Notwithstanding that the Company may not be subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act, the Company shall file with the Commission and within 15 days after it is or would be required to file with the Commission, shall furnish to the Trustee and Holders of Notes with such annual reports and such information, documents and other reports as are specified in Sections 13 and 15(d) of the Exchange Act and applicable to a U.S. corporation subject to such Sections, such information, documents and reports to be so filed with the Commission and provided at the times specified for the filing of such information, documents and reports under such Sections; *provided, however*, that the Company shall not be so obligated to file such information, documents and reports with the Commission if the Commission does not permit such filings.

Delivery of such reports, information and documents to the Trustee is for informational purposes only, and the Trustee's receipt of such reports shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Company's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officers' Certificates).

SECTION 4.17 Covenant Suspension.

(a) During any period of time (such period, the “Suspension Period”) that:

- (1) the Notes have Investment Grade Ratings from both Rating Agencies; and
- (2) no Default or Event of Default has occurred and is continuing under this Indenture,

the Company and the Restricted Subsidiaries will not be subject to any of Sections 4.09, 4.10, 4.12, 4.13 and 4.14, clauses (1) and (2) of Section 4.15(a), clause (x) of Section 4.15(c) and clause (4) of Section 5.01(a) (collectively, the “Suspended Covenants”).

(b) In the event that the Company and the Restricted Subsidiaries are not subject to the Suspended Covenants for any period of time pursuant to Section 4.17(a) and, subsequently, one or both of the Rating Agencies withdraws its ratings or downgrades the ratings assigned to the Notes below the required Investment Grade Ratings or a Default or Event of Default occurs and is continuing (such date, the “Reversion Date”), then the Company and the Restricted Subsidiaries will thereafter again be subject to the Suspended Covenants and compliance with the Suspended Covenants with respect to Restricted Payments made after the time of such withdrawal, downgrade, Default or Event of Default will be calculated in accordance Section 4.10 as though such covenant had been in effect during the entire Suspension Period. On the Reversion Date, all Debt Incurred during the Suspension Period will be classified to have been Incurred pursuant to Section 4.09(a) or one of the clauses set forth in Section 4.09(b) (to the extent such Debt would be permitted to be Incurred thereunder as of the Reversion Date and after giving effect to the Debt Incurred prior to the Suspension Period and outstanding on the Reversion Date and, in the case of any clause set forth in Section 4.09(b) shall reduce amounts available to be Incurred under such clause thereafter). To the extent such Debt would not be so permitted to be Incurred pursuant to Section 4.09(a) or (b), such Debt will be deemed to have been outstanding on the Issue Date, so that it is classified as permitted under Section 4.09(b)(10).

SECTION 4.18 Payment for Consents.

The Company shall not, and shall not permit any of its Subsidiaries to, directly or indirectly, pay or cause to be paid any consideration, whether by way of interest, fee or otherwise, to any Holder of any Notes for or as an inducement to any consent, waiver or amendment of any of the terms or provisions of this Indenture or the Notes unless such consideration is offered to be paid or is paid to all Holders of the Notes that consent, waive or agree to amend in the time frame set forth in the solicitation documents relating to such consent, waiver or agreement.

SUCCESSOR CORPORATION

SECTION 5.01 Merger, Consolidation and Sale of Property.

(a) The Company shall not merge or consolidate with or into any other Person (other than a merger of a Wholly Owned Restricted Subsidiary and the Company) or sell, transfer, assign, lease,

convey or otherwise dispose of all or substantially all its Property (other than sales, transfers, assignments, leases, conveyances or dispositions to a Wholly Owned Restricted Subsidiary) in any one transaction or series of transactions unless:

(1) the Company shall be the Surviving Person in such merger or consolidation, or the Surviving Person (if other than the Company) formed by such merger or consolidation or to which such sale, transfer, assignment, lease, conveyance or disposition is made shall be a corporation organized and existing under the laws of the United States of America, any State thereof or the District of Columbia;

(3) immediately before and after giving effect to such transaction or series of transactions on a *pro forma* basis (and treating, for purposes of this Section 5.01(a)(3) and Section 5.01(a)(4) below, any Debt that becomes, or is anticipated to become, an obligation of the Surviving Person or any Restricted Subsidiary as a result of such transaction or series of transactions as having been Incurred by the Surviving Person or such Restricted Subsidiary at the time of such transaction or series of transactions), no Default or Event of Default shall have occurred and be continuing;

(4) immediately after giving effect to such transaction or series of transactions on a *pro forma* basis, (x) the Company or the Surviving Person, as the case may be, would be able to Incur at least \$1.00 of additional Debt under Section 4.09(a)(1), or (y) the Consolidated Fixed Charge Coverage Ratio for the Company or the Surviving Person would be greater than such ratio immediately prior to such transaction or series of transactions; and

(5) the Company shall deliver, or cause to be delivered, to the Trustee, in form and substance reasonably satisfactory to the Trustee, an Officers' Certificate and an Opinion of Counsel, each stating that such transaction or series of transactions and the supplemental indenture, if any, in respect thereto comply with this covenant and that all conditions precedent herein provided for relating to such transaction or series of transactions have been satisfied.

(b) The Surviving Person shall succeed to, and be substituted for, and may exercise every right and power of the Company under this Indenture; *provided* that the predecessor company in the case of:

(2) a lease,

shall not be released from any of the obligations or covenants under this Indenture, including with respect to the payment of the Notes.

ARTICLE SIX
DEFAULTS AND REMEDIES

SECTION 6.01 Events of Default.

The following events shall be “Events of Default”:

- (1) failure to make the payment of any interest on the Notes when the same becomes due and payable, and such failure continues for a period of 30 days;
- (2) failure to make the payment of any principal of, or premium, if any, on, any of the Notes when the same becomes due and payable at its Stated Maturity, upon acceleration, redemption, optional redemption, required repurchase or otherwise;
- (3) failure to comply with Section 5.01;
- (4) failure to comply with any other covenant or agreement in the Notes or in this Indenture (other than a failure that is the subject of the foregoing Section 6.01(1), (2) or (3)) and such failure continues for 45 days after written notice is given to the Company as specified in this Section 6.01;
- (5) a default under any Debt by the Company or any Restricted Subsidiary that results in acceleration of the maturity of such Debt, or failure to pay any such Debt at maturity, in an aggregate amount greater than \$50.0 million or its foreign currency equivalent at the time;
- (6) any judgment or judgments for the payment of money in an aggregate amount in excess of \$50.0 million (or its foreign currency equivalent at the time) that shall be rendered against the Company or any Significant Subsidiary and that shall not be waived, satisfied or discharged for any period of 60 consecutive days during which a stay of enforcement shall not be in effect;
- (7) the Company or any Significant Subsidiary pursuant to or within the meaning of any Bankruptcy Law:
 - (A) commences a voluntary insolvency proceeding or gives notice of intention to make a proposal under any Bankruptcy Law;
 - (B) consents to the entry of an order for relief against it in an involuntary insolvency proceeding or consents to its dissolution or winding-up;
 - (C) consents to the appointment of a Custodian of it or for any substantial part of its property; or
 - (D) makes a general assignment for the benefit of its creditors;

or takes any comparable action under any foreign laws relating to insolvency; *provided, however*, that the liquidation of any Restricted Subsidiary into the Company or another Restricted Subsidiary, other than as part of a credit reorganization, shall not constitute an Event of Default under this Section 6.01(7);

(8) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:

- (A) is for relief against any of the Company or any Significant Subsidiary in an involuntary insolvency proceeding;
- (B) appoints a Custodian of any of the Company or any Significant Subsidiary or for any substantial part of its property;
- (C) orders the winding-up, liquidation or dissolution of any of the Company or any Significant Subsidiary;
- (D) orders the presentation of any plan or arrangement, compromise reorganization of any of the Company or any Significant Subsidiary; or
- (E) grants any similar relief under any Bankruptcy Law or foreign laws;

and in each such case the order or decree remains unstayed and in effect for 90 days;

The foregoing will constitute Events of Default whatever the reason for any such Event of Default and whether it is voluntary or involuntary or is effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body

A Default under Section 6.01(4) is not an Event of Default until the Trustee or the Holders of not less than 25% in aggregate principal amount of the Notes then outstanding notify the Company of the Default and the Company does not cure such Default within 45 days after receipt of such notice. Such notice must specify the Default, demand that it be remedied and state that such notice is a "Notice of Default."

The Company shall deliver to the Trustee, within 30 days after the occurrence thereof, written notice in the form of an Officers' Certificate of any event that with the giving of notice or the lapse of time or both would become an Event of Default, its status and what action the Company is taking or proposes to take with respect thereto.

SECTION 6.02 Acceleration of Maturity; Rescission.

(a) If an Event of Default with respect to the Notes (other than an Event of Default specified in Section 6.01(7) and (8) with respect to the Company) shall have occurred and be continuing, the Trustee or the Holders of not less than 25% in aggregate principal amount of the Notes then outstanding may declare to be immediately due and payable the principal amount of all the Notes then outstanding, plus accrued but unpaid interest to the date of acceleration.

(b) In case an Event of Default resulting from Section 6.01(7) and (8) with respect to the Company shall occur, such amount with respect to all the Notes shall be due and payable immediately without any declaration or other act on the part of the Trustee or the Holders of the Notes. After any such acceleration, but before a judgment or decree based on acceleration is obtained by the Trustee, the Holders of at least a majority in aggregate principal amount of the Notes then outstanding may, under certain circumstances, rescind and annul such acceleration if (i) the rescission would not conflict with any judgment or decree, (ii) all existing Events of Default have been cured or waived except nonpayment of

principal or interest that has become due solely because of the acceleration, (iii) to the extent the payment of such interest is lawful, interest on overdue installments of interest and overdue principal, which has become due otherwise than by such declaration of acceleration, has been paid, (iv) the Company has paid the Trustee its reasonable compensation and reimbursed the Trustee for its expenses, disbursements and advances and all other amounts due to the Trustee under Section 7.07 and (v) in the event of the cure or waiver of an Event of Default of the type described in either Section 6.01(7) or (8), the Trustee shall have received an Officers' Certificate to the effect that such Event of Default has been cured or waived. No such rescission shall affect any subsequent Default or impair any right consequent thereto.

(c) In the event of a declaration of acceleration of the Notes because an Event of Default described in Section 6.01(5) has occurred and is continuing, the declaration of acceleration of the Notes shall be automatically annulled if the payment Default or other Default triggering such Event of Default pursuant to Section 6.01(5) shall be remedied or cured or waived by the Holders of the relevant Debt within the grace period applicable to such Default provided for in the documentation governing such Debt and if (1) the annulment of the acceleration of the Notes would not conflict with any judgment or decree of a court of competent jurisdiction, (2) all existing Events of Default, except nonpayment of principal, premium or interest on the Notes that became due solely because of the acceleration of the Notes, have been cured or waived and (3) all the other amounts due to the Trustee have been paid.

(d) Notwithstanding the foregoing, to the extent elected by the Company, the sole remedy for an Event of Default relating to the failure to file any documents or reports that the Company is required to file with the Commission pursuant to Section 13 or 15(d) of the Exchange Act and for any failure to comply with the requirements of TIA § 314(a)(1) or of Section 4.16 of this Indenture, shall for the first 60 days after the occurrence of such an Event of Default consist exclusively of the right to receive an extension fee on the Notes in an amount equal to 0.25% of the principal amount of the Notes. The extension fee shall be in addition to any Additional Interest that may accrue as a result of a registration default under the Registration Rights Agreement. If the Company so elects, such extension fee shall be payable on all outstanding Notes on or before the date on which such Event of Default first occurs. On the 61st day after such Event of Default (if the Event of Default relating to the reporting obligations is not cured or waived prior to such 61st day), the Notes shall be subject to acceleration as provided in this Section 6.02. The provisions of this Indenture described in this Section 6.02(d) shall not affect the rights of Holders of Notes in the event of the occurrence of any other Event of Default. In the event the Company does not elect to pay the extension fee in accordance with this Section 6.02(d), the Notes shall be subject to acceleration as provided in this Section 6.02.

(e) In order to elect to pay the extension fee as the sole remedy during the first 60 days after the occurrence of an Event of Default relating to the failure to comply with the reporting obligations in accordance with Section 6.02(d), the Company shall (i) deliver notice to all Holders of Notes and the Trustee and Paying Agent of such election and (ii) pay such extension fee on or before 5:00 p.m. New York City time on the date on which such Event of Default occurs. Upon the Company's failure to timely give such notice or pay the extension fee, the Notes shall be subject to acceleration as provided in this Section 6.02.

(f) Subject to the provisions of Section 7.01, in case an Event of Default shall occur and be continuing, the Trustee will be under no obligation to exercise any of its rights or powers under this Indenture at the request or direction of any of the Holders of the Notes, unless such Holders shall have offered to the Trustee reasonable indemnity. Subject to Section 7.07, the Holders of at least a majority in aggregate principal amount of the Notes then outstanding will have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee with respect to the Notes.

No Holder of Notes will have any right to institute any proceeding with respect to this Indenture, or for the appointment of a receiver or Trustee, or for any remedy thereunder, unless:

- (1) such Holder has previously given to the Trustee written notice of a continuing Event of Default;
- (2) the Holders of at least 25% in aggregate principal amount of the Notes then outstanding have made a written request and offered reasonable indemnity to the Trustee to institute such proceeding as Trustee; and
- (3) the Trustee shall not have received from the Holders of at least a majority in aggregate principal amount of the Notes then outstanding a direction inconsistent with such request and shall have failed to institute such proceeding, within 60 days.

However, such limitations do not apply to a suit instituted by a Holder of any Note for enforcement of payment of the principal of, and premium, if any, or interest on, such Note on or after the respective due dates expressed in such Note.

SECTION 6.03 Other Remedies.

If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy by proceeding at law or in equity to collect the payment of principal of, or premium, if any, and interest on the Notes or to enforce the performance of any provision of the Notes or this Indenture and may take any necessary action requested of it as Trustee to settle, compromise, adjust or otherwise conclude any proceedings to which it is a party.

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. Any such proceeding instituted by the Trustee may be brought in its own name and as trustee of an express trust, and any recovery of judgment shall, after provisions for the payment of the reasonable compensation, expenses, disbursements of the Trustee and its counsel, be for the ratable benefit of the Holders of the Notes in respect of which such judgment has been recovered. A delay or omission by the Trustee or any Holder in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. No remedy is exclusive of any other remedy. All available remedies are cumulative, to the extent permitted by law. Any costs associated with actions taken by the Trustee under this Section 6.03 shall be reimbursed to the Trustee by the Company.

SECTION 6.04 Waiver of Past Defaults and Events of Default.

Provided the Notes are not then due and payable by reason of a declaration of acceleration, the Holders of a majority in principal amount of Notes at the time outstanding may on behalf of the Holders of all the Notes waive any past Default with respect to such Notes and its consequences by providing written notice thereof to the Company and the Trustee, except a Default (1) in the payment of interest on or the principal of any Note or (2) in respect of a covenant or provision hereof which under this Indenture cannot be modified or amended without the consent of the Holder of each outstanding Note affected. In the case of any such waiver, the Company, the Trustee and the Holders of the Notes will be restored to their former positions and rights under this Indenture, respectively; *provided* that no such waiver shall extend to any subsequent or other Default or impair any right consequent thereto.

SECTION 6.05 Control by Majority.

The Holders of at least a majority in aggregate principal amount of the outstanding Notes may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee. However, the Trustee may refuse to follow any direction that conflicts with law or this Indenture, that may involve the Trustee in personal liability, or that the Trustee determines in good faith may be unduly prejudicial to the rights of Holders of the Notes not joining in the giving of such direction and may take any other action it deems proper that is not inconsistent with any such direction received from Holders of the Notes.

SECTION 6.06 Limitation on Suits.

No Holder of Notes will have any right to institute any proceeding with respect to this Indenture, or for the appointment of a receiver or trustee, or for any remedy hereunder unless:

- (1) the Holder gives the Trustee written notice of a continuing Event of Default;
- (2) the Holders of at least 25% in aggregate principal amount of outstanding Notes make a written request to the Trustee to institute such proceeding or to pursue such remedy as trustee;
- (3) such Holder or Holders offer the Trustee indemnity satisfactory to the Trustee against any costs, liability or expense;
- (4) the Trustee does not comply with the request within 60 days after receipt of the request and the offer of indemnity; and
- (5) during such 60-day period, the Holders of at least a majority in aggregate principal amount of the outstanding Notes do not give the Trustee a direction that is inconsistent with the request.

However, such limitations do not apply to a suit instituted by a Holder of any Note for enforcement of payment of the principal of, and premium, if any, or interest on, such Note on or after the respective due date expressed in such Note.

SECTION 6.07 No Personal Liability of Directors, Officers, Employees and Stockholders.

No director, officer, employee, incorporator or stockholder of the Company, as such, will have any liability for any obligations of the Company under the Notes or this Indenture for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder of Notes by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes. The waiver may not be effective to waive liabilities under federal securities laws.

SECTION 6.08 Rights of Holders To Receive Payment.

Notwithstanding any other provision of this Indenture, the right of any Holder of a Note to receive payment of the principal of or premium, if any, or interest, if any, on such Note or to bring suit for the enforcement of any such payment, on or after the due date expressed in the Notes shall not be impaired or affected without the consent of the Holder.

SECTION 6.09 Collection Suit by Trustee.

If an Event of Default in payment of principal, premium or interest specified in Section 6.01(1) or (2) occurs and is continuing, the Trustee may recover judgment in its own name and as trustee of an express trust against the Company (or any other obligor on the Notes) for the whole amount of unpaid principal and accrued interest remaining unpaid.

SECTION 6.10 Trustee May File Proofs of Claim.

The Trustee may file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.07) and the Holders allowed in any judicial proceedings relative to the Company (or any other obligor upon the Notes), its creditors or its Property and, unless prohibited by law, shall be entitled and empowered to collect and receive any monies or other Property payable or deliverable on any such claims and to distribute the same after deduction of its charges and expenses to the extent that any such charges and expenses are not paid out of the estate in any such proceedings and any custodian in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee, and in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.07.

Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan or reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceedings. All rights of action and claims under this Indenture or the Notes may be prosecuted and enforced by the Trustee without the possession of any of the Notes thereof in any proceeding relating thereto, and any such proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall, after provision for the payment of the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, be for the ratable benefit of the Holders in respect of which such judgment has been recovered.

SECTION 6.11 Priorities.

If the Trustee collects any money pursuant to this Article Six, it shall pay out the money in the following order:

FIRST: to the Trustee for amounts due under Section 7.07;

SECOND: to Holders for amounts due and unpaid on the Notes for principal, premium, if any, and interest (including Additional Interest, if any) as to each, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes; and

THIRD: to the Company.

The Trustee may fix a record date and payment date for any payment to Holders pursuant to this Section 6.11.

SECTION 6.12 Undertaking for Costs.

In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees and expenses, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.12 does not apply to a suit by the Trustee, a suit by a Holder pursuant to Section 6.08 or a suit by Holders of more than 10% in principal amount of the Notes then outstanding.

ARTICLE SEVEN
TRUSTEE

SECTION 7.01 Duties of Trustee.

(a) If an Event of Default actually known to a Responsible Officer of the Trustee has occurred and is continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture and use the same degree of care and skill in their exercise as a prudent person would exercise or use under the circumstances in the conduct of such Person's own affairs.

(b) Except during the continuance of an Event of Default:

(1) The Trustee need perform only such duties as are specifically set forth in this Indenture.

(2) In the absence of bad faith or willful misconduct on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture but, in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they conform on their face to the requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein). Whenever in the administration of this Indenture the Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, conclusively rely upon an Officers' Certificate, subject to the requirement in the preceding sentence, if applicable.

(c) The Trustee may not be relieved from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(1) This paragraph does not limit the effect of Section 7.01(b).

(2) The Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer or Responsible Officers of the Trustee, unless it is proved that the Trustee was negligent in ascertaining the pertinent facts.

(3) The Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction of the Holders of a majority in aggregate principal amount of the Notes received by it pursuant to the terms hereof.

(4) No provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its rights, powers or duties if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity satisfactory to it against such risk or liability is not reasonably assured to it.

(d) Whether or not therein expressly so provided, Sections 7.01(a), (b), (c) and (e) shall govern every provision of this Indenture that in any way relates to the Trustee.

(e) The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders pursuant to this Indenture, unless such Holders shall have offered to the Trustee security or indemnity satisfactory to the Trustee against the costs, expenses and liabilities which might be incurred by it in compliance with such request.

(f) The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree in writing with the Company. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by the law.

SECTION 7.02 Rights of Trustee.

Subject to Section 7.01:

(a) The Trustee may conclusively rely on any document (whether in its original or facsimile form) reasonably believed by it to be genuine and to have been signed or presented by the proper person. The Trustee need not investigate any fact or matter stated in the document.

(b) Before the Trustee acts or refrains from acting, it may request an Officers' Certificate and an Opinion of Counsel which shall conform to the provisions of Section 10.05. The Trustee shall be protected and shall not be liable for any action it takes or omits to take in good faith in reliance on such certificate or opinion.

(c) The Trustee may act through its attorneys and agents and shall not be responsible for the misconduct or negligence of any agent appointed by it with due care.

(d) The Trustee shall not be liable for any action it takes or omits to take in good faith which it reasonably believes to be authorized or within its rights or powers; *provided* that the Trustee's conduct does not constitute willful misconduct, negligence or bad faith.

(e) The Trustee may consult with counsel of its selection, and the advice or opinion of such counsel with respect to legal matters relating to the Notes or this Indenture shall be full and complete authorization and protection from liability in respect of any action taken, omitted or suffered by it hereunder in good faith and in accordance with the advice or opinion of such counsel.

(f) The rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and each agent, Custodian and other person employed to act hereunder.

(g) The Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books records, and premises of the Company, personally or by agent or attorney at the sole cost of the Company and shall incur no liability or additional liability of any kind by reason of such inquiry or investigation.

(h) The Trustee shall not be liable for any action taken, suffered, or omitted to be taken by it in good faith and reasonably believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Indenture.

(i) The Trustee shall not be deemed to have notice of any Default or Event of Default unless a Responsible Officer of the Trustee has actual knowledge thereof or unless written notice of any event which is in fact such a Default is received by the Trustee at the Corporate Trust Office of the Trustee, and such notice references the Notes and this Indenture.

(j) The Trustee may request that the Company deliver an Officers' Certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture, which Officers' Certificate may be signed by any person authorized to sign an Officers' Certificate, including any person specified as so authorized in any such certificate previously delivered and not suspended.

(k) The Trustee shall not be charged with knowledge of any Default or Event of Default with respect to the Notes, unless either (1) a Responsible Officer shall have actual knowledge of such Default or Event of Default or (2) written notice of such default or Event of Default shall have been given to the Trustee by the Company or by any Holder of the Notes; and

(l) The permissive rights of the Trustee enumerated herein shall not be construed as duties.

(m) In no event shall the Trustee be responsible or liable for special, indirect, or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

SECTION 7.03 Individual Rights of Trustee.

The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may make loans to, accept deposits from, perform services for or otherwise deal with the Company, or any Affiliate thereof, with the same rights it would have if it were not Trustee. Any Agent may do the same with like rights. The Trustee, however, shall be subject to Sections 7.10 and 7.11.

SECTION 7.04 Trustee's Disclaimer.

The Trustee shall not be responsible for and makes no representation as to the validity or adequacy of this Indenture or the Notes, it shall not be accountable for the Company's use of the proceeds from the sale of Notes or any money paid to the Company pursuant to the terms of this Indenture and it shall not be responsible for any statement in the Notes or this Indenture other than its certificate of authentication, except that the Trustee represents that it is duly authorized to execute and deliver this Indenture, authenticate the Notes and perform its obligations hereunder and that the statements made by it in any Statement of Eligibility and Qualification on Form T-1 to be supplied to the Company will be true and accurate subject to the qualifications set forth therein.

SECTION 7.05 Notice of Defaults.

If a Default occurs and is continuing and if it is known to the Trustee, the Trustee shall give to each Holder a notice of the Default within 90 days after it occurs in the manner and to the extent provided in the TIA and otherwise as provided in this Indenture. Except in the case of a Default in payment of the principal of or interest on any Note (including payments pursuant to a redemption or repurchase of the Notes pursuant to the provisions of this Indenture), the Trustee may withhold the notice if and so long as a committee of its Responsible Officers in good faith determines that withholding the notice is in the interests of Holders.

SECTION 7.06 Reports by Trustee to Holders.

If required by TIA § 313(a), within 60 days after February 1 of any year, commencing 2013, the Trustee shall mail to each Holder a brief report dated as of such date that complies with TIA § 313(a). The Trustee also shall comply with TIA § 313(b)(2). The Trustee shall also transmit by mail all reports as required by TIA § 313(c) and TIA § 313(d).

Reports pursuant to this Section 7.06 shall be transmitted by mail:

- (1) to all Holders of Notes, as the names and addresses of such Holders appear on the Registrar's books; and
- (2) to such Holders of Notes as have, within the two years preceding such transmission, filed their names and addresses with the Trustee for that purpose.

A copy of each report at the time of its mailing to Holders shall be filed with the Commission and each stock exchange on which the Notes are listed. The Company shall promptly notify the Trustee when the Notes are listed on any stock exchange or delisted therefrom.

SECTION 7.07 Compensation and Indemnity.

The Company shall pay to the Trustee and Agents from time to time such compensation for their services hereunder (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust) as shall be agreed upon in writing. The Company shall reimburse the Trustee and Agents upon request for all reasonable disbursements, expenses and advances incurred or made by them in connection with the Trustee's duties under this Indenture, including the reasonable compensation, disbursements and expenses of the Trustee's agents and external counsel, except any expense disbursement or advance as may be attributable to its willful misconduct, negligence or bad faith.

The Company shall fully indemnify each of the Trustee, its officers, directors, Agents or employees and any predecessor Trustee for, and hold each of them harmless against, any and all loss, damage, claim, liability or expense, including without limitation taxes (other than taxes based on the income of the Trustee or such Agents) and reasonable attorneys' fees and expenses incurred by each of them in connection with the acceptance or performance of its duties under this Indenture including the reasonable costs and expenses of defending itself against any claim or liability in connection with the exercise or performance of any of its powers or duties hereunder (including, without limitation, settlement costs). The Trustee or Agent shall notify the Company in writing promptly of any claim (a "Claim") of which a Responsible Officer of the Trustee has actual knowledge asserted against the Trustee or Agent for which it may seek indemnity; *provided* that the failure by the Trustee or Agent to so notify the Company shall not relieve the Company of its obligations hereunder except to the extent the Company is actually prejudiced thereby. In the event that a conflict of interest exists, the Trustee may have separate counsel, which counsel must be reasonably acceptable to the Company and the Company shall pay the reasonable fees and expenses of such counsel.

Notwithstanding the foregoing, the Company need not reimburse the Trustee for any expense or indemnify it against any loss or liability to have been incurred by the Trustee through its own willful misconduct, negligence or bad faith.

To secure the payment obligations of the Company in this Section 7.07, the Trustee shall have a lien prior to the Notes on all money or Property held or collected by the Trustee and such money or Property held in trust to pay principal of and interest on particular Notes.

The obligations of the Company under this Section 7.07 to compensate and indemnify the Trustee, Agents and each predecessor Trustee and to pay or reimburse the Trustee, Agents and each predecessor Trustee for expenses, disbursements and advances shall be the liability of the Company and shall survive the resignation or removal of the Trustee and the satisfaction, discharge or other termination of this Indenture, including any termination or rejection hereof under any Bankruptcy Law.

When the Trustee incurs expenses or renders services after an Event of Default specified in Section 6.01(7) or (8) occurs, the expenses and the compensation for the services are intended to constitute expenses of administration under any Bankruptcy Law.

For purposes of this Section 7.07, the term "Trustee" shall include any trustee appointed pursuant to this Article Seven.

SECTION 7.08 Replacement of Trustee.

The Trustee shall comply with Section 313(b) of the TIA, to the extent applicable.

The Trustee may resign by so notifying the Company in writing no later than 15 Business Days prior to the date of the proposed resignation. The Holders of a majority in principal amount of the outstanding Notes may remove the Trustee by notifying the Company and the removed Trustee in writing and may appoint a successor Trustee with the Company's written consent, which consent shall not be unreasonably withheld. The Company may remove the Trustee at its election if:

- (a) the Trustee fails to comply with Section 7.10 of this Indenture or Section 310 of the TIA;

- (b) the Trustee is adjudged bankrupt or insolvent or an order for relief is entered with respect to the Trustee under Bankruptcy Law;
- (c) a receiver or other public officer takes charge of the Trustee or its Property; or
- (d) the Trustee otherwise becomes incapable of acting.

If the Trustee resigns or is removed or if a vacancy exists in the office of Trustee for any reason, the Company shall promptly appoint a successor Trustee.

If a successor Trustee does not take office within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee, the Company or the Holders of a majority in principal amount of the outstanding Notes may petition at the expense of the Company any court of competent jurisdiction for the appointment of a successor Trustee.

If the Trustee fails to comply with Section 7.10, any Holder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Company. Immediately following such delivery, the retiring Trustee shall, subject to its rights under Section 7.07, transfer all Property held by it as Trustee to the successor Trustee, the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. A successor Trustee shall mail notice of its succession to each Holder. Notwithstanding replacement of the Trustee pursuant to this Section 7.08, the Company's obligations under Section 7.07 shall continue for the benefit of the retiring Trustee.

SECTION 7.09 Successor Trustee by Consolidation, Merger, etc.

If the Trustee consolidates with, merges or converts into, or transfers all or substantially all of its corporate trust assets to, another corporation, subject to Section 7.10, the successor corporation without any further act shall be the successor Trustee; *provided* such entity shall be otherwise qualified and eligible under this Article Seven.

SECTION 7.10 Eligibility; Disqualification.

This Indenture shall always have a Trustee who satisfies the requirements of TIA § 310(a)(1), (2) and (5) in every respect. The Trustee (together with its corporate parent) shall have a combined capital and surplus of at least \$50 million as set forth in the most recent applicable published annual report of condition. The Trustee shall comply with TIA § 310(b), including the provision in § 310(b)(1).

SECTION 7.11 Preferential Collection of Claims Against Company.

The Trustee shall comply with TIA § 311(a), excluding any creditor relationship listed in TIA § 311(b). A Trustee who has resigned or been removed shall be subject to TIA § 311(a) to the extent indicated therein.

SECTION 7.12 Paying Agents.

The Company shall cause each Paying Agent other than the Trustee to execute and deliver to it and the Trustee an instrument in which such agent shall agree with the Trustee, subject to the provisions of this Section 7.12:

(A) (1) that it will hold all sums held by it as agent for the payment of principal of, or premium, if any, or interest on, the Notes (whether such sums have been paid to it by the Company or by any obligor on the Notes) in trust for the benefit of Holders of the Notes or the Trustee;

(2) that it will at any time during the continuance of any Event of Default, upon written request from the Trustee, deliver to the Trustee all sums so held in trust by it together with a full accounting thereof; and

(3) that it will give the Trustee written notice within three (3) Business Days of any failure of the Company (or by any obligor on the Notes) in the payment of any installment of the principal of, premium, if any, or interest on, the Notes when the same shall be due and payable.

(B) The Paying Agent shall comply with all U.S. withholding tax, backup withholding tax and information reporting requirements under the Code, and the Treasury Regulations issued thereunder, with respect to any payments under the Notes or hereunder (including the collection of U.S. Internal Revenue Service Forms W-8 and W-9 and the filing of U.S. Internal Revenue Service Forms 1042, 1042-S and 1099).

ARTICLE EIGHT
MODIFICATION AND WAIVER

SECTION 8.01 Without Consent of Holders.

Without the consent of any Holder of the Notes, the Company and the Trustee may amend this Indenture to:

(a) cure any ambiguity, omission, defect or inconsistency in any manner that is not adverse in any material respect to any Holder of the Notes;

(b) provide for the assumption by a Surviving Person of the obligations of the Company under this Indenture or the assumption by a Surviving Person in any merger or consolidation of any Guarantor, of the obligations of such Guarantor under its Guarantee;

(c) provide for uncertificated Notes in addition to or in place of certificated Notes (*provided* that the uncertificated Notes are issued in registered form for purposes of Section 163(f) of the Code, or in a manner such that the uncertificated Notes are described in Section 163(f)(2)(B) of the Code);

(d) add Guarantees with respect to the Notes;

(e) secure the Notes;

- (f) add to the covenants of the Company for the benefit of the Holders of the Notes or to surrender any right or power conferred upon the Company;
- (g) make any change that does not adversely affect the rights of any Holder of the Notes;
- (h) comply with any requirement of the Commission in connection with the qualification of this Indenture under the TIA;
- (i) provide for the issuance of Additional Notes in accordance with this Indenture; or
- (j) evidence and provide the acceptance of the appointment of a successor Trustee under this Indenture.

SECTION 8.02 With Consent of Holders.

(a) The Company and the Trustee with the consent of the Holders of at least a majority in aggregate principal amount of the Notes then outstanding (including consents obtained in connection with a tender offer or exchange offer for the Notes) may amend this Indenture, the Notes and the Guarantees, and the Holders of at least a majority in aggregate principal amount of the Notes outstanding may waive any past Default or compliance with any provisions of this Indenture and the Notes (except a Default in the payment of principal, premium, interest, and certain covenants and provisions of this Indenture which cannot be amended without the consent of each Holder of an outstanding Note).

(b) However, without the consent of each affected Holder of an outstanding Note, no amendment may, among other things:

- (1) reduce the amount of Notes whose Holders must consent to an amendment or waiver,
- (2) reduce the rate of, or extend the time for payment of, interest on any Note,
- (3) reduce the principal of, or extend the Stated Maturity of, any Note,
- (4) make any Note payable in money other than that stated in the Note,
- (5) impair the right of any Holder of the Notes to receive payment of principal of, premium, if any, and interest on, such Holder's Notes on or after the due dates therefor or to institute suit for the enforcement of any payment on or with respect to such Holder's Notes,
- (6) release any security interest that may have been granted in favor of the Holders of the Notes other than pursuant to the terms of such security interest,
- (7) subordinate the Notes to any other Obligation of the Company,
- (8) reduce the premium payable upon the redemption of any Note or change the time at which any Note may be redeemed, under paragraph 5 of the Notes,
- (9) reduce the premium payable upon a Change of Control or, at any time after a Change of Control has occurred, change the time at which the Change of Control Offer relating

thereto must be made or at which the Notes must be repurchased pursuant to such Change of Control Offer; *provided* that, prior to the occurrence of a Change of Control, the Holders of a majority in aggregate principal amount of the Notes then outstanding may waive the requirement to complete a Change of Control Offer, or

(10) at any time after the Company is obligated to make a Prepayment Offer with the Excess Proceeds from Asset Sales, change the time at which such Prepayment Offer must be made or at which the Notes must be repurchased pursuant thereto.

(c) The consent of the Holders of the Notes shall not be necessary to approve the particular form of any proposed amendment. It shall be sufficient if such consent approves the substance of the proposed amendment.

(d) After an amendment becomes effective, the Company is required to mail to each Holder of the Notes at such Holder's address appearing in the Note register a notice briefly describing such amendment. However, the failure to give such notice to all Holders of the Notes, or any defect therein, shall not impair or affect the validity of the amendment.

(e) Upon the written request of the Company accompanied by a Board Resolution authorizing the execution of any such supplemental indenture, and upon the receipt by the Trustee of evidence reasonably satisfactory to the Trustee of the consent of the Holders as aforesaid and upon receipt by the Trustee of the documents described in Section 8.06, the Trustee shall join with the Company in the execution of such supplemental indenture unless such supplemental indenture affect the Trustee's own rights, duties or immunities under this Indenture, in which case the Trustee may, but shall not be obligated to, enter into such supplemental indenture.

SECTION 8.03 Compliance with Trust Indenture Act.

Every amendment or supplement to this Indenture or the Notes shall comply with the TIA as then in effect.

SECTION 8.04 Revocation and Effect of Consents.

(a) After an amendment, supplement, waiver or other action becomes effective, a consent to it by a Holder of a Note is a continuing consent conclusive and binding upon such Holder and every subsequent Holder of the same Note or portion thereof, and of any Note issued upon the transfer thereof or in exchange therefor or in place thereof, even if notation of the consent is not made on any such Note.

(b) The Company may, but shall not be obligated to, fix a record date for the purpose of determining the Holders entitled to consent to any amendment, supplement, or waiver. If a record date is fixed, then, notwithstanding the preceding paragraph, those Persons who were Holders at such record date (or their duly designated proxies), and only such Persons, shall be entitled to consent to such amendment, supplement, or waiver or to revoke any consent previously given, whether or not such Persons continue to be Holders after such record date. No such consent shall be valid or effective for more than 90 days after such record date unless the consent of the requisite number of Holders has been obtained.

SECTION 8.05 Notation on or Exchange of Notes.

If an amendment, supplement or waiver changes the terms of a Note, the Trustee (in accordance with the specific written direction of the Company) shall request the Holder of the Note (in accordance

with the specific written direction of the Company) to deliver it to the Trustee. In such case, the Trustee shall place an appropriate notation on the Note about the changed terms and return it to the Holder. Alternatively, if the Company or the Trustee so determines, the Company in exchange for the Note shall issue and the Trustee shall authenticate a new Note that reflects the changed terms. Failure to make the appropriate notation or issue a new Note shall not affect the validity and effect of such amendment, supplement or waiver.

SECTION 8.06 Trustee To Sign Amendments, etc.

The Trustee shall sign any amendment, supplement or waiver authorized pursuant to this Article Eight if the amendment, supplement or waiver does not affect the rights, duties, liabilities or immunities of the Trustee. If it does affect the rights, duties, liabilities or immunities of the Trustee, the Trustee may, but need not, sign such amendment, supplement or waiver. In signing or refusing to sign such amendment, supplement or waiver the Trustee shall be entitled to receive and, subject to Section 7.01, shall be fully protected in relying upon an Officers' Certificate and an Opinion of Counsel stating, in addition to the documents required by Section 10.04, that such amendment, supplement or waiver is authorized or permitted by this Indenture and is a legal, valid and binding obligation of the Company, enforceable against the Company in accordance with its terms (subject to customary exceptions).

ARTICLE NINE

DISCHARGE OF INDENTURE; DEFEASANCE

SECTION 9.01 Discharge of Liability on Notes; Defeasance.

(a) This Indenture will be discharged and will cease to be of further effect as to all Notes, issued hereunder when:

(i) either (x) all Notes that have been authenticated, except lost, stolen or destroyed Notes that have been replaced or paid and Notes for whose payment money has been deposited in trust and thereafter repaid to the Company, have been delivered to the Trustee for cancellation, or (y) all Notes that have not been delivered to the Trustee for cancellation have become due and payable by reason of the mailing of a notice of redemption or otherwise or will become due and payable within one year, and the Company has irrevocably deposited or caused to be deposited with the Trustee as trust funds in trust solely for the benefit of the Holders, cash in U.S. dollars, U.S. Government Obligations, or a combination of cash in U.S. dollars and U.S. Government Obligations, in such amounts as will be sufficient without consideration of any reinvestment of interest, to pay and discharge the entire indebtedness on the Notes not delivered to the Trustee for cancellation for principal, premium and accrued interest to the date of maturity or redemption;

(ii) no Default or Event of Default has occurred and is continuing on the date of the deposit or will occur as a result of the deposit and the deposit will not result in a breach or violation of, or constitute a default under, any other instrument to which the Company is a party or by which the Company is bound;

(iii) the Company has paid or caused to be paid all sums payable by it under this Indenture; and

(iv) the Company has delivered irrevocable instructions to the Trustee under this Indenture to apply the deposited money toward the payment of the Notes at maturity or the Redemption Date, as the case may be.

In addition, the Company must deliver an Officers' Certificate and an Opinion of Counsel to the Trustee stating that all conditions precedent to satisfaction and discharge have been satisfied.

(b) Subject to Sections 9.01(e) and 9.02, the Company at any time may terminate all of its obligations under the Notes and this Indenture and the obligations of any Guarantors under any Guarantees ("Legal Defeasance"), including those obligations under the TIA. The Company at any time may terminate (i) its obligations under Section 4.08 through Section 4.15; (ii) Sections 6.01(5), (6), (7) and (8) (with respect only to the Significant Subsidiaries in the case of Sections 6.01(7) and (8)); and (iii) Section 5.01(a)(4) ("Covenant Defeasance") and thereafter any omission to comply with any covenant referred to in clause (i) or (iii) above will not constitute a Default or an Event of Default with respect to the Notes.

The Company may exercise its Legal Defeasance option notwithstanding its prior exercise of its Covenant Defeasance option.

(c) If the Company exercises its Legal Defeasance option, payment of the Notes may not be accelerated because of an Event of Default with respect thereto. If the Company exercises its Covenant Defeasance option, payment of the Notes may not be accelerated because of an Event of Default specified in Section 6.01(3) (but only to the extent of an omission to comply with clause (4) of Section 5.01(a) or 6.01(4) (with respect to the covenants listed under Section 9.01(b)(i)), or Sections 6.01(5), (6), (7) and (8) (with respect only to Significant Subsidiaries in the case of Sections 6.01(7) and (8)).

(d) Upon satisfaction of the conditions set forth herein and upon request of the Company, the Trustee shall acknowledge in writing the discharge of those obligations that the Company terminates.

(e) Notwithstanding clauses (a) and (b) above, the Company's obligations in Sections 2.02, 2.03, 2.04, 2.06, 2.07, 2.08, 2.18, 7.07, 9.03, 9.04, 9.05 and 9.06 shall survive until such time as the Notes have been paid in full. Thereafter, the Company's obligations in Sections 7.07, 9.03, 9.04, 9.05 and 9.06 shall survive.

SECTION 9.02 Conditions to Defeasance.

The Legal Defeasance option or the Covenant Defeasance option may be exercised only if:

(a) the Company irrevocably deposits in trust with the Trustee money or U.S. Government Obligations for the payment of principal of, premium, if any, and interest on the Notes to maturity or redemption, as the case may be;

(b) the Company delivers to the Trustee a certificate from a nationally recognized investment bank, appraisal firm or firm of independent certified public accountants expressing their opinion that the payments of principal, premium, if any, and interest when due and without reinvestment on the deposited U.S. Government Obligations plus any deposited money without investment will provide cash at such times and in such amounts as will be sufficient to pay principal, premium, if any, and interest when due on all the Notes to be defeased to maturity or redemption, as the case may be;

(c) 123 days pass after the deposit is made and during the 123-day period no Default described in Section 6.01(7) and (8) occurs with respect to the Company or any other Person making such deposit which is continuing at the end of the period;

(d) no Default or Event of Default has occurred and is continuing on the date of such deposit and after giving effect thereto;

(e) such deposit does not constitute a default under any other material agreement or material instrument binding on the Company;

(f) the Company delivers to the Trustee an Opinion of Counsel to the effect that the trust resulting from the deposit does not constitute, or is qualified as, a regulated investment company under the Investment Company Act of 1940;

(g) in the case of the Legal Defeasance option, the Company delivers to the Trustee an Opinion of Counsel stating that:

(1) the Company has received from the Internal Revenue Service a ruling; or

(2) since the date of this Indenture there has been a change in the applicable U.S. federal income tax law,

to the effect, in either case, that, and based thereon such Opinion of Counsel shall confirm that, the Holders of the Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same time as would have been the case if such defeasance had not occurred;

(h) in the case of the Covenant Defeasance option, the Company delivers to the Trustee an Opinion of Counsel to the effect that the Holders of the Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such covenant defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such covenant defeasance had not occurred; and

(i) the Company delivers to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent to the defeasance and discharge of the Notes have been complied with as required by this Indenture.

SECTION 9.03 Deposited Money and Government Obligations To Be Held in Trust; Other Miscellaneous Provisions.

All money and U.S. Government Obligations (including the proceeds thereof) deposited with the Trustee pursuant to Section 9.02(a) in respect of the outstanding Notes shall be held in trust and applied by the Trustee, in accordance with the provisions of such Notes and this Indenture, to the payment, either directly or through any Paying Agent, to the Holders of such Notes, of all sums due and to become due thereon in respect of principal, premium, if any, and accrued interest, but such money need not be segregated from other funds except to the extent required by law.

The Company shall pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the U.S. Government Obligations deposited pursuant to Section 9.02(a) or the principal, premium, if any, and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders of the outstanding Notes.

Anything in this Article Nine to the contrary notwithstanding, the Trustee shall deliver or pay to the Company from time to time upon a request of the Company any money or U.S. Government Obligations held by it as provided in Section 9.02(a) which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee, are in excess of the amount thereof which would then be required to be deposited to effect an equivalent Legal Defeasance or Covenant Defeasance.

SECTION 9.04 Reinstatement.

If the Trustee or Paying Agent is unable to apply any money or U.S. Government Obligations in accordance with Section 9.01 by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Company's obligations under this Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to this Article Nine until such time as the Trustee or Paying Agent is permitted to apply all such money or U.S. Government Obligations in accordance with Section 9.01; *provided* that if the Company has made any payment of principal of, premium, if any, or accrued interest on any Notes because of the reinstatement of its obligations, the Company shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money or Government Obligations held by the Trustee or Paying Agent.

SECTION 9.05 Moneys Held by Paying Agent.

In connection with the satisfaction and discharge of this Indenture, all moneys then held by any Paying Agent under the provisions of this Indenture shall, upon written demand of the Company, be paid to the Trustee, or if sufficient moneys have been deposited pursuant to Section 9.02(a), to the Company upon a request of the Company, and thereupon such Paying Agent shall be released from all further liability with respect to such moneys.

SECTION 9.06 Moneys Held by Trustee.

Any moneys deposited with the Trustee or any Paying Agent or then held by the Company in trust for the payment of the principal of or premium, if any, or interest on any Note that are not applied but remain unclaimed by the Holder of such Note for two years after the date upon which the principal of or premium, if any, or interest on such Note shall have respectively become due and payable shall be repaid to the Company upon a request of the Company, or if such moneys are then held by the Company in trust, such moneys shall be released from such trust; and the Holder of such Note entitled to receive such payment shall thereafter, as an unsecured general creditor, look only to the Company for the payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money shall thereupon cease; *provided* that the Trustee or any such Paying Agent, before being required to make any such repayment, may, at the expense of the Company, either mail to each Holder affected, at the address shown in the Note register maintained by the Registrar pursuant to Section 2.04, or cause to be published once a week for two successive weeks, in a newspaper published in the English language, customarily published each Business Day and of general circulation in the City of New York, New York, a notice that such money remains unclaimed and that, after a date specified therein, which shall not be less than 30 days from the date of such mailing or publication, any unclaimed balance of such moneys then remaining will be repaid to the Company. After payment to the Company or the release of any money held in trust by the Company, Holders entitled to the money must look only to the Company for payment as general creditors unless applicable abandoned property law designates another Person.

SECTION 10.12 Consent to Jurisdiction and Service; Waiver of Immunity.

The Company revocably appoints Corporation Service Company as its agent for service of process in any suit, action or proceeding with respect to this Indenture or the Notes and for actions brought under federal or state securities laws in any federal or state court located in the Borough of Manhattan in the City of New York and submits to such non-exclusive jurisdiction.

To the extent that the Company has or hereafter may acquire any immunity (sovereign or otherwise) from any legal action, suit or proceeding, from jurisdiction of any court or from set-off or any legal process (whether service or notice, attachment in aid or otherwise) with respect to itself or any of its property, the Company hereby irrevocably waives and agrees not to plead or claim such immunity in respect of its obligations under this Indenture or under the Notes.

SECTION 10.13 Conversion of Currency.

The Company covenants and agrees that the following provisions shall apply to conversion of currency in the case of the Notes and this Indenture:

(a) (i) If, for the purpose of obtaining judgment in, or enforcing the judgment of, any court in any country, it becomes necessary to convert into a currency (the "Judgment Currency") an amount due in any other currency (the "Base Currency"), then the conversion shall be made at the rate of exchange prevailing on the Business Day before the day on which the judgment is given or the order of enforcement is made, as the case may be (unless a court shall otherwise determine).

(ii) If there is a change in the rate of exchange prevailing between the Business Day before the day on which the judgment is given or an order of enforcement is made, as the case may be (or such other date as a court shall determine), and the date of receipt of the amount due, the Company will pay such additional (or, as the case may be, such lesser) amount, if any, as may be necessary so that the amount paid in the Judgment Currency when converted at the rate of exchange prevailing on the date of receipt will produce the amount in the Base Currency originally due.

(b) In the event of the winding-up of the Company at any time while any amount or damages owing under the Notes and/or this Indenture, or any judgment or order rendered in respect thereof, shall remain outstanding, the Company shall indemnify and hold the Holders and the Trustee harmless against any deficiency arising or resulting from any variation in rates of exchange between (1) the date as of which the equivalent of the amount in U.S. Dollars due or contingently due under the Notes and/or this Indenture (other than under this Section 10.13(b)) is calculated for the purposes of such winding-up and (2) the final date for the filing of proofs of claim in such winding-up. For the purpose of this Section 10.13(b), the final date for the filing of proofs of claim in the winding-up of the Company shall be the date fixed by the liquidator or otherwise in accordance with the relevant provisions of applicable law as being the latest practicable date as at which liabilities of the Company may be ascertained for such winding-up prior to payment by the liquidator or otherwise in respect thereto.

(c) The obligations contained in Section 10.13(a)(ii) and (b) shall constitute obligations of the Company separate and independent from its other respective obligations under the Notes and this Indenture, shall give rise to separate and independent causes of action against the Company, shall apply irrespective of any waiver or extension granted by any Holder or the

Trustee or any of them from time to time and shall continue in full force and effect notwithstanding any judgment or order or the filing of any proof of claim in the winding-up of the Company for a liquidated sum in respect of amounts due hereunder (other than under Section 10.13(b) above) or under any such judgment or order. Any such deficiency as aforesaid shall be deemed to constitute a loss suffered by the Holders or the Trustee, as the case may be, and no proof or evidence of any actual loss shall be required by the Company or the liquidator or otherwise any of them. In the case of Section 10.13(b) above, the amount of such deficiency shall not be deemed to be reduced by any variation in rates of exchange occurring between the said final date and the date of any liquidating distribution.

(d) The term “rate(s) of exchange” shall mean the rate of exchange quoted by Citicorp North America, Inc. (or its relevant affiliate(s)) at its central foreign exchange desk at its head office in New York at 12:00 noon New York time for purchases of the Base Currency with the Judgment Currency other than the Base Currency referred to in subsections (a) and (b) above and includes any premiums and costs of exchange payable.

(e) The Trustee shall have no duty or liability with respect to monitoring or enforcing this Section 10.13.

SECTION 10.14 Table of Contents, Headings, etc.

The table of contents, cross-reference sheet and headings of the Articles and Sections of this Indenture have been inserted for convenience of reference only, are not to be considered a part hereof, and shall in no way modify or restrict any of the terms or provisions hereof.

SECTION 10.15 Force Majeure.

In no event shall the Trustee be responsible or liable for any failure or delay in the performance of its obligations hereunder arising out of or caused by, directly or indirectly, forces beyond its control, including, without limitation, strikes, work stoppages, accidents, acts of war or terrorism, civil or military disturbances, nuclear or natural catastrophes or acts of God, and interruptions, loss or malfunctions of utilities, communications or computer (software and hardware) services; it being understood that the Trustee shall use reasonable efforts which are consistent with accepted practices in the banking industry to resume performance as soon as practicable under the circumstances.

SECTION 10.16 Separability.

Each provision of this Indenture shall be considered separable and if for any reason any provision which is not essential to the effectuation of the basic purpose of this Indenture or the Notes shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

SECTION 10.17 U.S.A. Patriot Act.

The parties hereto acknowledge that in accordance with Section 326 of the U.S.A. Patriot Act, the Trustee, like all financial institutions and in order to help fight the funding of terrorism and money laundering, is required to obtain, verify and record information that identifies each person or legal entity that establishes a relationship or opens an account with the Trustee. The parties to this Indenture agree that they will provide the Trustee with such information as it may request in order for the Trustee to satisfy the requirements of the U.S.A. Patriot Act.

Interest hereon will accrue from the date of original issuance or, if interest has already been paid, from the date it was most recently paid or, if no interest has been paid, from and including August 15, 2012 to but excluding the date on which interest is paid. Interest shall be payable semi-annually in arrears on each February 15 and August 15, commencing February 15, 2013.^a Interest will be computed on the basis of a 360-day year comprised of twelve 30-day months. The Company shall pay interest on overdue principal and on overdue interest (to the full extent permitted by law) at the rate borne by the Notes.

2. Method of Payment. The Company will pay interest hereon (except defaulted interest) to the Persons who are registered Holders at the close of business on February 1 and August 1 immediately preceding the interest payment date (whether or not a Business Day). Holders must surrender Notes to a Paying Agent to collect principal payments. The Company will pay to the Paying Agent principal and interest in money of the United States of America that at the time of payment is legal tender for payment of public and private debt, *provided* that if a Holder of at least \$1,000,000 aggregate principal amount of Notes has given wire transfer instructions to the Company no later than 15 days immediately preceding the relevant due date for payment (or such other date as the Trustee may accept in its discretion), the Company will pay, or cause to be paid by the Paying Agent, all principal, interest and Additional Interest (as defined herein), if any, on the Holder's Notes in accordance with those instructions. All other payments on the Notes will be made by check mailed to the Holders at their address set forth in the register of Holders.

3. Paying Agent and Registrar. Initially, Wells Fargo Bank, National Association (the "Trustee") will act as a Paying Agent and Registrar. The Company may change any Paying Agent or Registrar without notice to the Holders. The Company may act as Paying Agent or Registrar.

4. Indenture. The Company issued the Notes under an Indenture dated as of August 15, 2012 (the "Indenture"), between the Company and the Trustee. This is one of an issue of Notes of the Company issued, or to be issued, under the Indenture. The terms of the Notes include those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act of 1939 (15 U.S. Code §§ 77aaa-77bbb), as amended from time to time. The Notes are subject to all such terms, and Holders are referred to the Indenture and such Act for a statement of them. Each Holder of a Note agrees to and shall be bound by such provisions. Capitalized and certain other terms used herein and not otherwise defined have the meanings set forth in the Indenture.

^a With respect to Additional Notes, interest will accrue from and including the most recent date to which interest has been paid or, if no interest has been paid, from and including the date such Additional Notes are issued.

5. Optional Redemption.

(a) The Company may elect to redeem all or any portion of the Notes, after giving the notice required under the Indenture, at a redemption price equal to the sum of:

(1) 100% of the principal amount of Notes to be redeemed; and

(2) the excess of

(a) the sum of the present values of (1) the principal amount of the Notes to be redeemed and (2) the remaining scheduled payments of interest (based on the rate of interest in effect on the date notice of redemption is provided) from the Redemption Date to August 15, 2022, but excluding accrued and unpaid interest to the Redemption Date, discounted to the date of redemption on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate plus 50 basis points, over

(b) 100% of the principal amount of the Notes to be redeemed,

plus accrued and unpaid interest to but excluding the Redemption Date (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date).

(b) At any time and from time to time, prior to August 15, 2015, the Company may redeem up to a maximum of 35% of the aggregate principal amount of the Notes (including any Additional Notes) with the proceeds of one or more Qualified Equity Offerings, at a redemption price equal to 107.500% of the principal amount, plus accrued and unpaid interest, to but excluding, the Redemption Date (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date); *provided, however*, that after giving effect to any such redemption, at least 65% of the aggregate principal amount of the Notes (including any Additional Notes) remains outstanding. Any such redemption shall be made within 90 days of such Qualified Equity Offering upon not less than 30 nor more than 60 days' prior notice.

(c) If less than all of the Notes are to be redeemed at any time, the Trustee will select Notes called for redemption pursuant to this paragraph 5 by lot, on a *pro rata* basis or in accordance with DTC's applicable procedures that the Trustee deems fair and appropriate, in each case as set forth in the Indenture (with such adjustments as may be deemed appropriate by the Trustee so that only Notes in denominations of \$2,000, or integral multiples of \$1,000 in excess thereof shall be purchased); *provided* that no Notes of \$2,000 or less shall be redeemed in part. A new Note in principal amount equal to the unredeemed portion thereof will be issued in the name of the Holder thereof upon cancellation of the original Note. Notes called for redemption pursuant to this paragraph 5 become due on the date fixed for redemption. On and after the Redemption Date, interest stops accruing on Notes or portions of them called for redemption as, and to the extent, provided in Section 3.05 of the Indenture.

6. Notice of Redemption. Notices of redemption shall be mailed by first class mail at least 30 but not more than 60 days before the Redemption Date to each Holder of Notes to be redeemed at its registered address. Notices of redemption may not be conditional. If any Note is to be redeemed in part only, the notice of redemption that relates to such Note shall state the portion of the principal amount thereof to be redeemed.

7. Offers To Purchase. The Indenture provides that upon the occurrence of a Change of Control or an Asset Sale and subject to further limitations contained therein, the Company shall make an offer to purchase outstanding Notes in accordance with the procedures set forth in the Indenture.

8. Registration Rights. (a) Pursuant to a Registration Rights Agreement among the Company and the Initial Purchasers named therein (the "Registration Rights Agreement") and subject to the further limitations and conditions set forth therein, the Company will be obligated to consummate an exchange offer (the "Exchange Offer") pursuant to which the Holder of this Note shall have the right to exchange this Note for Notes which have been registered under the Securities Act, in like principal amount and having substantially identical terms as the Notes.

(b) [The Holders of the Notes are entitled to the benefits of the Registration Rights Agreement.]^{aa}

9. Denominations, Transfer, Exchange. The Notes are in registered form without coupons in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof. A Holder may transfer or exchange Notes in accordance with the Indenture. The Registrar may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and to pay to it any taxes and fees required by law or permitted by the Indenture. The Registrar shall not be required to exchange or register a transfer of any Note for a period of 15 days immediately preceding the redemption of Notes, except the unredeemed portion of any Note being redeemed in part.

10. Persons Deemed Owners. The registered Holder of this Note may be treated as the owner of this Note for all purposes.

11. Unclaimed Money. If money for the payment of principal or interest remains unclaimed for two years, the Trustee or Paying Agent will pay the money back to the Company at its written request. After that, Holders entitled to the money must look to the Company for payment as general creditors unless an "abandoned property" law designates another Person.

12. Amendment, Supplement, Waiver, Etc. The Company and the Trustee (if a party thereto) may, without the consent of the Holders of any outstanding Notes, amend, waive or supplement the Indenture or the Notes for certain specified purposes, including, among other things, curing ambiguities, omissions, defects or inconsistencies, maintaining the qualification of the Indenture under the Trust Indenture Act of 1939, as amended, providing for the assumption by a successor to the Company of its obligations under the Indenture or the assumption by a surviving Person in any merger or consolidation of any Guarantor, of the obligations of such Guarantor under its Guarantee, and making any change that does not materially and adversely affect the rights of any Holder. Other amendments and modifications of the Indenture, the Notes and the Guarantees may be made by the Company and the Trustee with the consent of the Holders of not less than a majority of the aggregate principal amount of the outstanding Notes, subject to certain exceptions requiring the consent of the Holders of the particular Notes to be affected.

^{aa} Only to be included in a Restricted Note.

13. Restrictive Covenants. The Indenture imposes certain limitations on the ability of the Company and its Restricted Subsidiaries to, among other things, Incur additional Debt, pay dividends on, redeem or repurchase its Capital Stock, make certain investments, sell assets, create restrictions on the payment of dividends or other amounts to the Company from any Restricted Subsidiaries, enter into transactions with Affiliates, expand into unrelated businesses, create liens or consolidate, merge or sell all or substantially all of the assets of the Company and its Restricted Subsidiaries and requires the Company to provide reports to Holders of the Notes. Such limitations are subject to a number of important qualifications and exceptions. Pursuant to Section 4.06 of the Indenture, the Company must annually report to the Trustee on compliance with such limitations.

14. Successor Corporation. When a successor corporation assumes all the obligations of its predecessor under the Notes and the Indenture and the transaction complies with the terms of Article Five of the Indenture, the predecessor corporation will, except as provided in Article Five, be released from those obligations.

15. Defaults and Remedies. Events of Default are set forth in the Indenture. Subject to certain limitations in the Indenture, if an Event of Default (other than an Event of Default specified in Sections 6.01(7) and 6.01(8) of the Indenture with respect to the Company) occurs and is continuing, the Trustee or the registered Holders of not less than 25% of the principal amount of the Notes then outstanding, may, and the Trustee at the written request of such Holders shall, declare due and payable, if not already due and payable, the principal of and any accrued and unpaid interest on all of the Notes by notice in writing to the Company and the Trustee specifying the applicable Event of Default and that it is a “notice of acceleration”, and the same shall immediately become due and payable. If an Event of Default specified in Sections 6.01(7) and 6.01(8) of the Indenture occurs with respect to the Company, then the principal of and any accrued and unpaid interest on all of the Notes shall immediately become due and payable without any declaration or other act on the part of the Trustee or any Holder. Holders may not enforce the Indenture or the Notes except as provided in the Indenture. The Trustee may require indemnification satisfactory to it before it enforces the Indenture or the Notes. Subject to certain limitations, Holders of a majority in principal amount of the then outstanding Notes may direct the Trustee in its exercise of any trust or power. The Trustee may withhold from Holders notice of any continuing default (except a default in payment of principal of, or interest on, the Notes) if it determines that withholding notice is in their best interests.

Notwithstanding the foregoing, to the extent elected by the Company, the sole remedy for an Event of Default relating to the failure to file any documents or reports that the Company is required to file with the Commission pursuant to Section 13 or 15(d) of the Exchange Act and for any failure to comply with the requirements of TIA § 314(a)(1) or Section 4.16 of the Indenture, shall for the first 60 days after the occurrence of such an Event of Default consist exclusively of the right to receive an extension fee on the Notes in an amount equal to 0.25% of the principal amount of the Notes. The extension fee shall be in addition to any Additional Interest that may accrue as a result of a registration default under the Registration Rights Agreement. If the Company so elects, such extension fee shall be payable on all outstanding Notes on or before the date on which such Event of Default first occurs. On the 61st day after such Event of Default (if the Event of Default relating to the reporting obligations is not cured or waived prior to such 61st day), the Notes shall be subject to acceleration as provided in Section 6.02 of the Indenture. The provisions of the Indenture described in Section 6.02(d) of the Indenture shall not affect the rights of Holders of Notes in the event of the occurrence of any other Event of Default. In the event the Company does not elect to pay the extension fee in accordance with Section 6.02(d) of the Indenture, the Notes shall be subject to acceleration as provided in Section 6.02 of the Indenture.

In order to elect to pay the extension fee as the sole remedy during the first 60 days after the occurrence of an Event of Default relating to the failure to comply with the reporting obligations in accordance with Section 6.02(d) of the Indenture, the Company shall (i) deliver notice to all Holders of Notes and the Trustee and Paying Agent of such election and (ii) pay such extension fee on or before 5:00 p.m. New York City time on the date on which such Event of Default occurs. Upon the Company's failure to timely give such notice or pay the extension fee, the Notes shall be subject to acceleration as provided in Section 6.02 of the Indenture.

16. Trustee Dealings with Company. Subject to certain limitations imposed by the Trust Indenture Act, the Trustee, in its individual or any other capacity, may make loans to, accept deposits from, and perform services for the Company or its Affiliates, and may otherwise deal with the Company or its Affiliates, as if it were not Trustee.

17. No Recourse Against Others. No past, present or future director, officer, employee, incorporator or stockholder of the Company, as such, shall have any liability for any obligations of the Company under the Notes or the Indenture or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder of Notes by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of this Note.

18. Discharge. The Company's obligations pursuant to the Indenture will be discharged, except for obligations pursuant to certain sections thereof, subject to the terms of the Indenture, upon the payment of all the Notes or upon the irrevocable deposit with the Trustee of United States dollars or U.S. Government Obligations sufficient to pay when due principal of and interest on the Notes to maturity or redemption, as the case may be.

19. Authentication. This Note shall not be valid until the Trustee signs the certificate of authentication on the other side of this Note.

20. Governing Law. THIS NOTE SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK, WITHOUT GIVING EFFECT TO APPLICABLE PRINCIPLES OF CONFLICTS OF LAW TO THE EXTENT THAT THE APPLICATION OF THE LAW OF ANOTHER JURISDICTION WOULD BE REQUIRED THEREBY. The Trustee and the Company agree to submit to the jurisdiction of the courts of the State of New York in any action or proceeding arising out of or relating to the Indenture or the Notes.

2. Registration Under the Securities Act.

(a) To the extent not prohibited by any applicable law or applicable interpretations of the Staff, the Company and any Guarantor shall (i) cause to be filed an Exchange Offer Registration Statement covering an offer to the Holders to exchange all the Registrable Securities for Exchange Securities, (ii) use their commercially reasonable efforts to cause such Registration Statement to become effective, (iii) commence the Exchange Offer promptly after the Exchange Offer Registration Statement is declared effective by the SEC and (iv) use their commercially reasonable efforts to complete the Exchange Offer not later than 365 days after the Issue Date. The Company and any Guarantor shall cause the Exchange Offer Registration Statement to be effective continuously and shall keep the Exchange Offer open for a period of not less than the minimum period required under applicable federal and state securities laws to consummate the Exchange Offer; *provided, however*, that in no event shall such period be less than 20 Business Days after the date notice of the Exchange Offer is mailed to the Holders.

The Company and any Guarantor shall commence the Exchange Offer by mailing the related Prospectus, appropriate letters of transmittal and other accompanying documents to each Holder stating, in addition to such other disclosures as are required by applicable law, substantially the following:

(i) that the Exchange Offer is being made pursuant to this Agreement and that all Registrable Securities validly tendered and not properly withdrawn will be accepted for exchange;

(ii) the dates of acceptance for exchange (which shall be a period of at least 20 Business Days from the date such notice is mailed) (the “Exchange Dates”);

(iii) that any Registrable Security not tendered will remain outstanding and continue to accrue interest but will not retain any rights under this Agreement, except as otherwise specified herein;

(iv) that any Holder electing to have a Registrable Security exchanged pursuant to the Exchange Offer will be required to (A) surrender such Registrable Security, together with the appropriate letters of transmittal, to the institution and at the address and in the manner specified in the notice, or (B) effect such exchange otherwise in compliance with the applicable procedures of the depository for such Registrable Security, in each case prior to the close of business on the last Exchange Date; and

(v) that any Holder will be entitled to withdraw its election, not later than the close of business on the last Exchange Date, by (A) sending to the institution and at the address specified in the notice, a telegram, telex, facsimile transmission or letter setting forth the name of such Holder, the principal amount of Registrable Securities delivered for exchange and a statement that such Holder is withdrawing its election to have such Securities exchanged or (B) effecting such withdrawal in compliance with the applicable procedures of the depository for the Registrable Securities.

As a condition to participating in the Exchange Offer, a Holder will be required to represent to the Company and any Guarantor that (i) any Exchange Securities to be received by it will be acquired in the ordinary course of its business, (ii) at the time of the commencement of the Exchange Offer it has no arrangement or understanding with any Person to participate in the distribution (within the meaning of the Securities Act) of the Exchange Securities in violation of the provisions of the Securities Act, (iii) it is not an "affiliate" (within the meaning of Rule 405 promulgated under the Securities Act) of the Company or any Guarantor (iv) if such holder is not a broker-dealer, that it is not engaged in, and does not intend to engage in, the distribution of Exchange Securities and (v) if such Holder is a broker-dealer that will receive Exchange Securities for its own account in exchange for Registrable Securities that were acquired as a result of market-making or other trading activities, then such Holder will deliver a Prospectus (or, to the extent permitted by law, make available a Prospectus to purchasers) in connection with any resale of such Exchange Securities.

As soon as practicable after the last Exchange Date, the Company and any Guarantor shall:

- (i) accept for exchange Registrable Securities or portions thereof validly tendered and not properly withdrawn pursuant to the Exchange Offer; and
- (ii) deliver, or cause to be delivered, to the Trustee for cancellation all Registrable Securities or portions thereof so accepted for exchange by the Company and issue, and cause the Trustee to promptly authenticate and deliver to each Holder, Exchange Securities equal in principal amount to the principal amount of the Registrable Securities tendered by such Holder.

The Company and any Guarantor shall use their commercially reasonable efforts to complete the Exchange Offer as provided above and shall comply with the applicable requirements of the Securities Act, the Exchange Act and other applicable laws and regulations in connection with the Exchange Offer. The Exchange Offer shall not be subject to any conditions, other than that the Exchange Offer does not violate any applicable law or applicable interpretations of the Staff.

(b) In the event that (i) the Company and any Guarantor determine that the Exchange Offer Registration provided for in Section 2(a) above is not available or may not be completed as soon as reasonably practicable after the last Exchange Date because it would violate any applicable law or applicable interpretations of the Staff, (ii) the Exchange Offer is not for any other reason completed on or before the 365th day after the Issue Date (or if such 365th day is not a Business Day, the next succeeding Business Day) or (iii) upon receipt of a written request (a "Shelf Request") from any Initial Purchaser representing that it holds Registrable Securities that are or were ineligible to be exchanged in the Exchange Offer, the Company and any Guarantor shall use their commercially reasonable efforts to cause to be filed as soon as practicable after such determination, date or Shelf Request, as the case may be, a Shelf Registration Statement providing for the sale of all the Registrable Securities by the Holders thereof and to have such Shelf Registration Statement become effective.

In the event that the Company and any Guarantor are required to file a Shelf Registration Statement pursuant to clause (iii) of the preceding sentence, the Company and any Guarantor shall use their reasonable best efforts to file and have become effective both an Exchange Offer Registration Statement pursuant to Section 2(a) with respect to all Registrable Securities and a Shelf Registration Statement (which may be a combined Registration Statement with the Exchange Offer Registration Statement) with respect to offers and sales of Registrable Securities held by the Initial Purchasers after completion of the Exchange Offer.

The Company and any Guarantor agree to use their commercially reasonable efforts to keep the Shelf Registration Statement continuously effective until the second anniversary of the Issue Date or such shorter period that will terminate when all the Registrable Securities covered by the Shelf Registration Statement have been sold pursuant to the Shelf Registration Statement (the "Shelf Effectiveness Period"). The Company and any Guarantor further agree to supplement or amend the Shelf Registration Statement and the related Prospectus if required by the rules, regulations or instructions applicable to the registration form used by the Company for such Shelf Registration Statement or by the Securities Act or by any other rules and regulations thereunder or if reasonably requested by a Holder of Registrable Securities with respect to information relating to such Holder, and to use their commercially reasonable efforts to cause any such amendment to become effective, if required, and such Shelf Registration Statement and Prospectus to become usable as soon as thereafter practicable. Upon the written request of Holders of Registrable Securities, the Company and any Guarantor agree to furnish to such Holders copies of any such supplement or amendment promptly after its being used or filed with the SEC.

(c) The Company and any Guarantor shall pay all Registration Expenses in connection with any registration pursuant to Section 2(a) or Section 2(b) hereof. Each Holder shall pay all underwriting discounts and commissions, brokerage commissions and transfer taxes, if any, relating to the sale or disposition of such Holder's Registrable Securities pursuant to the Shelf Registration Statement.

(d) An Exchange Offer Registration Statement pursuant to Section 2(a) hereof will not be deemed to have become effective unless it has been declared effective by the SEC. A Shelf Registration Statement pursuant to Section 2(b) hereof will not be deemed to have become effective unless it has been declared effective by the SEC or is automatically effective upon filing with the SEC as provided by Rule 462 under the Securities Act.

In the event that either the Exchange Offer is not completed or the Shelf Registration Statement, if required pursuant to Section 2(b)(i) or 2(b)(ii) hereof, has not become effective on or prior to the 365th day after the Issue Date (the "Target Registration Date"), the interest rate on the Registrable Securities will be increased by (i) 0.25% per annum for the first 90-day period immediately following the Target Registration Date and (ii) an additional 0.25% per annum for each subsequent 90-day period that elapses, in each case until the Exchange Offer is completed or the Shelf Registration Statement, if required hereby, becomes effective, up to a maximum increase of 1.00% per annum. Following the completion of the Exchange Offer or upon the effectiveness of such Shelf Registration Statement with respect to any particular Registrable Securities, the interest rate borne by the relevant Registrable Securities will be reduced to the original interest rate borne by such Registrable Securities; *provided, however*, that, if after any such reduction in interest rate, a different event occurs that would give rise to such an increase, the interest rate borne by the relevant Registrable Securities shall again be increased pursuant to the foregoing provisions.

In the event that the Company receives a Shelf Request pursuant to Section 2(b)(iii), and the Shelf Registration Statement required to be filed thereby has not become effective by the later of the Target Registration Date and (y) 90 days after delivery of such Shelf Request (such later date, the "Shelf Additional Interest Date"), then the interest rate on the Registrable Securities will be increased by (i) 0.25% per annum for the first 90-day period payable commencing from one day after the Shelf Additional Interest Date and (ii) an additional 0.25% per annum for each subsequent 90-day period that elapses, in each case until the Shelf Registration Statement becomes effective, up to a maximum increase of 1.00% per annum.

If the Shelf Registration Statement, if required hereby, has become effective and thereafter either ceases to be effective or the Prospectus contained therein ceases to be usable, in each case whether or not permitted by this Agreement, at any time during the Shelf Effectiveness Period, and such failure to remain effective or usable exists for more than 60 days (whether or not consecutive), then the interest rate on the Registrable Securities will be increased by (i) 0.25% per annum for the first 90-day period commencing on the 61st day after such Shelf Registration Statement cease to be effective or the Prospectus ceases to be useable and (ii) an additional 0.25% per annum with respect to each subsequent 90-day period, up to a maximum increase of 1.00% per annum, in each case until and ending on such date that the Shelf Registration Statement has again become effective or the Prospectus again becomes usable.

(e) Without limiting the remedies available to the Initial Purchasers and the Holders, the Company and any Guarantor acknowledge that any failure by the Company or any Guarantor to comply with their obligations under Section 2(a) and Section 2(b) hereof may result in material irreparable injury to the Initial Purchasers or the Holders for which there is no adequate remedy at law, that it will not be possible to measure damages for such injuries precisely and that, in the event of any such failure, the Initial Purchasers or any Holder may obtain such relief as may be required to specifically enforce the Company's and any Guarantor's obligations under Section 2(a) and Section 2(b) hereof.

(f) The Company represents, warrants and covenants that it (including its agents and representatives) will not prepare, make, use, authorize, approve or refer to any Free Writing Prospectus.

3. Registration Procedures.

(a) In connection with their obligations pursuant to Section 2(a) and Section 2(b) hereof, the Company and any Guarantor shall as expeditiously as possible:

(i) prepare and file with the SEC a Registration Statement on the appropriate form under the Securities Act, which form (x) shall be selected by the Company and any Guarantor (y) shall, in the case of a Shelf Registration, be available for the sale of the Registrable Securities by the Holders thereof and (z) shall comply as to form in all material respects with the requirements of the applicable form and include all financial statements required by the SEC to be filed therewith; and use their commercially reasonable efforts to cause such Registration Statement to become effective and remain effective for the applicable period in accordance with Section 2 hereof;

(ii) prepare and file with the SEC such amendments and post-effective amendments to each Registration Statement as may be necessary to keep such Registration Statement effective for the applicable period in accordance with Section 2 hereof and cause each Prospectus to be supplemented by any required prospectus supplement and, as so supplemented, to be filed pursuant to Rule 424 under the Securities Act; and keep each Prospectus current during the period described in Section 4(3) of and Rule 174 under the Securities Act that is applicable to transactions by brokers or dealers with respect to the Registrable Securities or Exchange Securities;

(iii) in the case of a Shelf Registration, furnish to each Holder of Registrable Securities, to counsel for the Initial Purchasers, to counsel for such Holders and to each Underwriter of an Underwritten Offering of Registrable Securities, if any, without charge, as many copies of each Prospectus or preliminary prospectus, and any amendment or supplement thereto, as such Holder, counsel or Underwriter may reasonably request in order to facilitate the sale or other disposition of the Registrable Securities thereunder; and the Company and any Guarantor consent to the use of such Prospectus, preliminary prospectus and any amendment or supplement thereto in accordance with applicable law by each of the Holders of Registrable Securities and any such Underwriters in connection with the offering and sale of the Registrable Securities covered by and in the manner described in such Prospectus, preliminary prospectus or any amendment or supplement thereto in accordance with applicable law;

(iv) use their commercially reasonable efforts to register or qualify the Registrable Securities under all applicable state securities or blue sky laws of such jurisdictions as any Holder of Registrable Securities covered by a Registration Statement shall reasonably request in writing by the time the applicable Registration Statement becomes effective; cooperate with such Holders in connection with any filings required to be made with the Financial Industry Regulatory Authority, Inc.; and do any and all other acts and things that may be reasonably necessary or advisable to enable each Holder to complete the disposition in each such jurisdiction of the Registrable Securities owned by such Holder; *provided* that neither the Company nor any Guarantor shall be required to (1) qualify as a foreign corporation or other entity or as a dealer in securities in any such jurisdiction where it would not otherwise be required to so qualify, (2) file any general consent to service of process in any such jurisdiction or (3) subject itself to taxation in any such jurisdiction if it is not so subject;

(v) notify counsel for the Initial Purchasers and, in the case of a Shelf Registration, notify each Holder of Registrable Securities and counsel for such Holders promptly and, if requested by any such Holder or counsel, confirm such advice in writing (1) when a Registration Statement has become effective, when any post-effective amendment thereto has been filed and becomes effective and when any amendment or supplement to the Prospectus has been filed, (2) of any request by the SEC or any state securities authority for amendments and supplements to a Registration Statement or Prospectus or for additional information after the Registration Statement has become effective, (3) of the issuance by the SEC or any state securities authority of any stop order

suspending the effectiveness of a Registration Statement or the initiation of any proceedings for that purpose, including the receipt by the Company of any notice of objection of the SEC to the use of a Shelf Registration Statement or any post-effective amendment thereto pursuant to Rule 401(g)(2) under the Securities Act, (4) if, between the applicable effective date of a Shelf Registration Statement and the closing of any sale of Registrable Securities covered thereby, the representations and warranties of the Company or any Guarantor contained in any underwriting agreement, securities sales agreement or other similar agreement, if any, relating to an offering of such Registrable Securities cease to be true and correct in all material respects or if the Company or any Guarantor receives any notification with respect to the suspension of the qualification of the Registrable Securities for sale in any jurisdiction or the initiation of any proceeding for such purpose, (5) of the happening of any event during the period a Registration Statement is effective that makes any statement made in such Registration Statement or the related Prospectus untrue in any material respect or that requires the making of any changes in such Registration Statement or Prospectus in order to make the statements therein not misleading and (6) of any determination by the Company or any Guarantor that a post-effective amendment to a Registration Statement or any amendment or supplement to the Prospectus would be appropriate;

(vi) use their commercially reasonable efforts to obtain the withdrawal of any order suspending the effectiveness of a Registration Statement or, in the case of a Shelf Registration, the resolution of any objection of the SEC pursuant to Rule 401(g)(2), including by filing an amendment to such Shelf Registration Statement on the proper form, at the earliest practicable date and provide prompt notice to each Holder of the withdrawal of any such order or such resolution;

(vii) in the case of a Shelf Registration, upon the written request of Holders of Registrable Securities, furnish to such Holders, without charge, at least one conformed copy of each Registration Statement and any post-effective amendment thereto (without any documents incorporated therein by reference or exhibits thereto, unless requested);

(viii) in the case of a Shelf Registration, unless any Registrable Securities shall be in book-entry only form, cooperate with the Holders of Registrable Securities to facilitate the timely preparation and delivery of certificates representing Registrable Securities to be sold and not bearing any restrictive legends and enable such Registrable Securities to be issued in such denominations and registered in such names (consistent with the provisions of the Indenture) as such Holders may reasonably request at least two Business Days prior to the closing of any sale of Registrable Securities;

(ix) in the case of a Shelf Registration, upon the occurrence of any event contemplated by Section 3(a)(v)(5) hereof, use their commercially reasonable efforts to prepare and file with the SEC a supplement or post-effective amendment to such Shelf Registration Statement or the related Prospectus or any document incorporated therein by reference or file any other required document so that, as thereafter delivered (or, to the extent permitted by law, made available) to purchasers of the Registrable Securities, such Prospectus will not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; and the Company and any Guarantor shall

notify the Holders of Registrable Securities to suspend use of the Prospectus as promptly as practicable after the occurrence of such an event, and such Holders hereby agree to suspend use of the Prospectus until the Company and any Guarantor have amended or supplemented the Prospectus to correct such misstatement or omission;

(x) a reasonable time prior to the filing of any Registration Statement, any Prospectus, any amendment to a Registration Statement or amendment or supplement to a Prospectus after initial filing of a Registration Statement, provide copies of such document to the Initial Purchasers and their counsel (and, in the case of a Shelf Registration Statement, to the Holders of Registrable Securities and their counsel) and make such of the representatives of the Company and any Guarantor as shall be reasonably requested by the Initial Purchasers or their counsel (and, in the case of a Shelf Registration Statement, the Holders of Registrable Securities or their counsel) available for discussion of such document; and the Company and any Guarantor shall not, at any time after initial filing of a Registration Statement, use or file any Prospectus, any amendment of or supplement to a Registration Statement or a Prospectus, of which the Initial Purchasers and their counsel (and, in the case of a Shelf Registration Statement, the Holders of Registrable Securities and their counsel) shall not have previously been advised and furnished a copy or to which the Initial Purchasers or their counsel (and, in the case of a Shelf Registration Statement, the Holders of Registrable Securities or their counsel) shall object; *provided* that the immediately foregoing sentence shall not prohibit the Company from making any filing that is, in the opinion of counsel to the Company, necessary to comply with applicable law;

(xi) obtain a CUSIP number for all Exchange Securities or Registrable Securities, as the case may be, not later than the initial effective date of a Registration Statement;

(xii) cause the Indenture to be qualified under the Trust Indenture Act in connection with the registration of the Exchange Securities or Registrable Securities, as the case may be; cooperate with the Trustee and the Holders to effect such changes to the Indenture as may be required for the Indenture to be so qualified in accordance with the terms of the Trust Indenture Act; and execute, and use their commercially reasonable efforts to cause the Trustee to execute, all documents as may be required to effect such changes and all other forms and documents required to be filed with the SEC to enable the Indenture to be so qualified in a timely manner;

(xiii) in the case of a Shelf Registration, make available for inspection by a representative of the Holders of the Registrable Securities (an "Inspector"), any Underwriter participating in any disposition pursuant to such Shelf Registration Statement, any attorneys and accountants designated by a majority of the Holders of Registrable Securities to be included in such Shelf Registration and any attorneys and accountants designated by such Underwriter, at reasonable times and in a reasonable manner, all pertinent financial and other records, documents and properties of the Company and its subsidiaries, and cause the respective officers, directors and employees of the Company and any Guarantor to supply all information reasonably requested by any such Inspector, Underwriter, attorney or accountant in connection with a Shelf Registration Statement; *provided* that if any such information is identified by the Company or any Guarantor as being confidential or proprietary, each Person shall be entitled to receive such information only after entering into a non-disclosure agreement in a form acceptable to the Company;

(xiv) if reasonably requested by any Holder of Registrable Securities covered by a Shelf Registration Statement, promptly include in a Prospectus supplement or post-effective amendment such information with respect to such Holder as such Holder reasonably requests to be included therein and make all required filings of such Prospectus supplement or such post-effective amendment promptly after the Company has received notification of the matters to be so included in such filing, and in any event within 30 days of the Company's receipt of such notification;

(xv) in the case of a Shelf Registration, enter into such customary agreements and take all such other reasonable actions in connection therewith (including those reasonably requested by the Holders of a majority in principal amount of the Registrable Securities covered by the Shelf Registration Statement) in order to expedite or facilitate the disposition of such Registrable Securities including, but not limited to, an Underwritten Offering and in such connection, (1) to the extent possible, make such representations and warranties to the Holders and any Underwriters of such Registrable Securities with respect to the business of the Company and its subsidiaries and the Registration Statement, Prospectus and documents incorporated by reference or deemed incorporated by reference, if any, in each case, in form, substance and scope as are customarily made by issuers to underwriters in underwritten offerings and confirm the same if and when requested, (2) use commercially reasonable efforts to obtain opinions of counsel to the Company and any Guarantor (which counsel and opinions, in form, scope and substance, shall be reasonably satisfactory to the Holders and such Underwriters and their respective counsel), addressed to each selling Holder and Underwriter of Registrable Securities, covering the matters customarily covered in opinions requested in underwritten offerings, (3) use commercially reasonable efforts to obtain "comfort" letters from the independent certified public accountants of the Company and any Guarantor (and, if necessary, any other certified public accountant of any subsidiary of the Company or any Guarantor, or of any business acquired by the Company or any Guarantor for which financial statements and financial data are or are required to be included in the Registration Statement) addressed to each selling Holder (to the extent permitted by applicable professional standards) and Underwriter of Registrable Securities, such letters to be in customary form and covering matters of the type customarily covered in "comfort" letters in connection with underwritten offerings, including but not limited to financial information contained in any preliminary prospectus or Prospectus and (4) deliver such documents and certificates as may be reasonably requested by the Holders of a majority in principal amount of the Registrable Securities being sold or the Underwriters, and which are customarily delivered in underwritten offerings, to evidence the continued validity of the representations and warranties of the Company and any Guarantor made pursuant to clause (1) above and to evidence compliance with any customary conditions contained in an underwriting agreement; and

(xvi) so long as any Registrable Securities remain outstanding, cause each Guarantor to execute a counterpart to this Agreement in the form attached hereto as Annex A and to deliver such counterpart to the Initial Purchasers no later than five Business Days following the execution thereof.

(b) In the case of a Shelf Registration Statement, the Company may require each Holder of Registrable Securities to furnish to the Company such information regarding such Holder and the proposed disposition by such Holder of such Registrable Securities as the Company and any Guarantor may from time to time reasonably request in writing.

(c) In the case of a Shelf Registration Statement, each Holder of Registrable Securities covered in such Shelf Registration Statement agrees that, upon receipt of any notice from the Company and any Guarantor of the happening of any event of the kind described in Section 3(a)(v)(3) or 3(a)(v)(5) hereof, such Holder will forthwith discontinue disposition of Registrable Securities pursuant to the Shelf Registration Statement until such Holder's receipt of the copies of the supplemented or amended Prospectus contemplated by Section 3(a)(ix) hereof and, if so directed by the Company and any Guarantor such Holder will deliver to the Company and any Guarantor all copies in its possession, other than permanent file copies then in such Holder's possession, of the Prospectus covering such Registrable Securities that is current at the time of receipt of such notice.

(d) If the Company and any Guarantor shall give any notice to suspend the disposition of Registrable Securities pursuant to a Registration Statement, the Company and any Guarantor shall extend the period during which such Registration Statement shall be maintained effective pursuant to this Agreement by the number of days during the period from and including the date of the giving of such notice to and including the date when the Holders of such Registrable Securities shall have received copies of the supplemented or amended Prospectus necessary to resume such dispositions. Such suspensions shall not exceed 45 days in any three-month period or 90 days in any twelve-month period.

(e) The Holders of Registrable Securities covered by a Shelf Registration Statement who desire to do so may sell such Registrable Securities in an Underwritten Offering. In any such Underwritten Offering, the investment bank or investment banks and manager or managers (each an "Underwriter") that will administer the offering will be selected by the Holders of a majority in principal amount of the Registrable Securities included in such offering.

4. Participation of Broker-Dealers in Exchange Offer.

(a) The Staff has taken the position that any broker-dealer that receives Exchange Securities for its own account in the Exchange Offer in exchange for Securities that were acquired by such broker-dealer as a result of market-making or other trading activities (a "Participating Broker-Dealer") may be deemed to be an "underwriter" within the meaning of the Securities Act and must deliver a prospectus meeting the requirements of the Securities Act in connection with any resale of such Exchange Securities.

The Company and any Guarantor understand that it is the Staff's position that if the Prospectus contained in the Exchange Offer Registration Statement includes a plan of distribution containing a statement to the above effect and the means by which Participating Broker-Dealers may resell the Exchange Securities, without naming the Participating Broker-Dealers or specifying the amount of Exchange Securities owned by them, such Prospectus may be delivered by Participating Broker-Dealers (or, to the extent permitted by law, made available to purchasers) to satisfy their prospectus delivery obligation under the Securities Act in connection with resales of Exchange Securities for their own accounts, so long as the Prospectus otherwise meets the requirements of the Securities Act.

(b) In light of the above, and notwithstanding the other provisions of this Agreement, the Company and any Guarantor agree to amend or supplement the Prospectus contained in the Exchange Offer Registration Statement for a period of up to 180 days after the last Exchange Date (as such period may be extended pursuant to Section 3(d) of this Agreement), in order to expedite or facilitate the disposition of any Exchange Securities by Participating Broker-Dealers consistent with the positions of the Staff recited in Section 4(a) above. The Company and any Guarantor further agree that Participating Broker-Dealers shall be authorized to deliver such Prospectus (or, to the extent permitted by law, make available) during such period in connection with the resales contemplated by this Section 4.

(c) The Initial Purchasers shall have no liability to the Company, any Guarantor or any Holder with respect to any request that they may make pursuant to Section 4(b) above.

5. Indemnification and Contribution.

(a) The Company and any Guarantor, jointly and severally, agree to indemnify and hold harmless each Initial Purchaser and each Holder, their respective affiliates, directors and officers and each Person, if any, who controls any Initial Purchaser or any Holder within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act, from and against any and all losses, claims, damages and liabilities (including, without limitation, legal fees and other expenses incurred in connection with any suit, action or proceeding or any claim asserted, as such fees and expenses are incurred promptly following receipt of a request therefor), joint or several, that arise out of, or are based upon, (1) any untrue statement or alleged untrue statement of a material fact contained in any Registration Statement or any omission or alleged omission to state therein a material fact required to be stated therein or necessary in order to make the statements therein not misleading, or (2) any untrue statement or alleged untrue statement of a material fact contained in any Prospectus, any Free Writing Prospectus used in violation of this Agreement or any "issuer information" ("Issuer Information") filed or required to be filed pursuant to Rule 433(d) under the Securities Act, or any omission or alleged omission to state therein a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading, in each case except insofar as such losses, claims, damages or liabilities arise out of, or are based upon, any untrue statement or omission or alleged untrue statement or omission made in reliance upon and in conformity with any information relating to any Initial Purchaser or information relating to any Holder furnished to the Company in writing through JPMorgan or any selling Holder, respectively expressly for use therein. In connection with any Underwritten Offering permitted by Section 3, the Company and any Guarantor, jointly and severally, will also indemnify the Underwriters, if any, selling brokers, dealers and similar securities industry professionals participating in the distribution, their respective affiliates and each Person who controls such Persons (within the meaning of the Securities Act and the Exchange Act) to the same extent as provided above with respect to the indemnification of the Holders, if requested in connection with any Registration Statement, any Prospectus, any Free Writing Prospectus or any Issuer Information.

(b) Each Holder agrees, severally and not jointly, to indemnify and hold harmless the Company, any Guarantor the Initial Purchasers and the other selling Holders, the directors of the Company and any Guarantor, each officer of the Company and any Guarantor who signed the Registration Statement and each Person, if any, who controls the Company, any Guarantor, any Initial Purchaser and any other selling Holder within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act to the same extent as the indemnity set forth in paragraph (a) above, but only with respect to any losses, claims, damages or liabilities that arise out of, or are based upon, any untrue statement or omission or alleged untrue statement or omission made in reliance upon and in conformity with any information relating to such Holder furnished to the Company in writing by such Holder expressly for use in any Registration Statement and any Prospectus.

(c) If any suit, action, proceeding (including any governmental or regulatory investigation), claim or demand shall be brought or asserted against any Person in respect of which indemnification may be sought pursuant to either paragraph (a) or (b) above, such Person (the "Indemnified Person") shall promptly notify the Person against whom such indemnification may be sought (the "Indemnifying Person") in writing; *provided* that the failure to notify the Indemnifying Person shall not relieve it from any liability that it may have under this Section 5 except to the extent that it has been materially prejudiced (through the forfeiture of substantive rights or defenses) by such failure; and *provided, further*, that the failure to notify the Indemnifying Person shall not relieve it from any liability that it may have to an Indemnified Person otherwise than under this Section 5. If any such proceeding shall be brought or asserted against an Indemnified Person and it shall have notified the Indemnifying Person thereof, the Indemnifying Person shall retain counsel reasonably satisfactory to the Indemnified Person to represent the Indemnified Person and any others entitled to indemnification pursuant to this Section 5 that the Indemnifying Person may designate in such proceeding and shall pay the fees and expenses of such proceeding and shall pay the fees and expenses of such counsel related to such proceeding, as incurred. In any such proceeding, any Indemnified Person shall have the right to retain its own counsel, but the fees and expenses of such counsel shall be at the expense of such Indemnified Person unless (i) the Indemnifying Person and the Indemnified Person shall have mutually agreed to the contrary; (ii) the Indemnifying Person has failed within a reasonable time to retain counsel reasonably satisfactory to the Indemnified Person; (iii) the Indemnified Person shall have reasonably concluded that there may be legal defenses available to it that are different from or in addition to those available to the Indemnifying Person; or (iv) the named parties in any such proceeding (including any impleaded parties) include both the Indemnifying Person and the Indemnified Person and representation of both parties by the same counsel would be inappropriate due to actual or potential differing interests between them. It is understood and agreed that the Indemnifying Person shall not, in connection with any proceeding or related proceeding in the same jurisdiction, be liable for the fees and expenses of more than one separate firm (in addition to any local counsel) for all Indemnified Persons, and that all such fees and expenses shall be reimbursed as they are incurred. Any such separate firm (x) for any Initial Purchaser, its affiliates, directors and officers and any control Persons of such Initial Purchaser shall be designated in writing by JPMorgan, (y) for any Holder, its directors and officers and any control Persons of such Holder shall be designated in writing by the Majority Holders and (z) in all other cases shall be designated in writing by the Company. The Indemnifying Person shall not be liable for any settlement of any proceeding effected without its written consent, but if settled with such consent or if there be a final judgment for the plaintiff, the Indemnifying Person agrees to indemnify each

Indemnified Person from and against any loss or liability by reason of such settlement or judgment. Notwithstanding the foregoing sentence, if at any time an Indemnified Person shall have requested that an Indemnifying Person reimburse the Indemnified Person for fees and expenses of counsel as contemplated by this paragraph, the Indemnifying Person shall be liable for any settlement of any proceeding effected without its written consent if (i) such settlement is entered into more than 30 days after receipt by the Indemnifying Person of such request and (ii) the Indemnifying Person shall not have reimbursed the Indemnified Person in accordance with such request prior to the date of such settlement. No Indemnifying Person shall, without the written consent of the Indemnified Person, effect any settlement of any pending or threatened proceeding in respect of which any Indemnified Person is or could have been a party and indemnification could have been sought hereunder by such Indemnified Person, unless such settlement (A) includes an unconditional release of such Indemnified Person, in form and substance reasonably satisfactory to such Indemnified Person, from all liability on claims that are the subject matter of such proceeding and (B) does not include any statement as to or any admission of fault, culpability or a failure to act by or on behalf of any Indemnified Person.

(d) To the extent the indemnification provided for in paragraphs (a) and (b) above is unavailable to an Indemnified Person or insufficient in respect of any losses, claims, damages or liabilities referred to therein, then each Indemnifying Person under such paragraph, in lieu of indemnifying such Indemnified Person thereunder, shall contribute to the amount paid or payable by such Indemnified Person as a result of such losses, claims, damages or liabilities (i) in such proportion as is appropriate to reflect the relative benefits received by the Company and any Guarantor from the offering of the Securities and the Exchange Securities, on the one hand, and by the Holders from receiving Securities or Exchange Securities registered under the Securities Act, on the other hand, or (ii) if the allocation provided by clause (i) is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) but also the relative fault of the Company and any Guarantor on the one hand and the Holders on the other in connection with the statements or omissions that resulted in such losses, claims, damages or liabilities, as well as any other relevant equitable considerations. The relative fault of the Company and any Guarantor on the one hand and the Holders on the other shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company and any Guarantor or by the Holders and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission.

(e) The Company, any Guarantor and the Holders agree that it would not be just and equitable if contribution pursuant to this Section 5 were determined by *pro rata* allocation (even if the Holders were treated as one entity for such purpose) or by any other method of allocation that does not take account of the equitable considerations referred to in paragraph (d) above. The amount paid or payable by an Indemnified Person as a result of the losses, claims, damages and liabilities referred to in paragraph (d) above shall be deemed to include, subject to the limitations set forth above, any legal or other expenses reasonably incurred by such Indemnified Person in connection with any such action or claim. Notwithstanding the provisions of this Section 5, in no event shall a Holder be required to contribute any amount in excess of the amount by which the total price at which the Securities or Exchange Securities sold by such Holder exceeds the amount of any damages that such Holder has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No Person

guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any Person who was not guilty of such fraudulent misrepresentation. The Holders' obligations to contribute pursuant to this Section 5 are several and not joint.

(f) The remedies provided for in this Section 5 are not exclusive and shall not limit any rights or remedies that may otherwise be available to any Indemnified Person at law or in equity.

(g) The indemnity and contribution provisions contained in this Section 5 shall remain operative and in full force and effect regardless of (i) any termination of this Agreement, (ii) any investigation made by or on behalf of the Initial Purchasers or any Holder or any Person controlling any Initial Purchaser or any Holder, or by or on behalf of the Company or any Guarantor or the officers or directors of or any Person controlling the Company or any Guarantor, (iii) acceptance of any of the Exchange Securities and (iv) any sale of Registrable Securities pursuant to a Shelf Registration Statement.

6 General.

(a) *No Inconsistent Agreements.* The Company and any Guarantor represent, warrant and agree that (i) the rights granted to the Holders hereunder do not in any way conflict with and are not inconsistent with the rights granted to the holders of any other outstanding securities issued or guaranteed by the Company or any Guarantor under any other agreement and (ii) neither the Company nor any Guarantor has entered into, or on or after the date of this Agreement will enter into, any agreement that is inconsistent with the rights granted to the Holders of Registrable Securities in this Agreement or otherwise conflicts with the provisions hereof.

(b) *Amendments and Waivers.* The provisions of this Agreement, including the provisions of this sentence, may not be amended, modified or supplemented, and waivers or consents to departures from the provisions hereof may not be given unless the Company and any Guarantor have obtained the written consent of Holders of at least a majority in aggregate principal amount of the outstanding Registrable Securities affected by such amendment, modification, supplement, waiver or consent; *provided* that no amendment, modification, supplement, waiver or consent to any departure from the provisions of Section 5 hereof shall be effective as against any Holder of Registrable Securities unless consented to in writing by such Holder. Notwithstanding the foregoing, a waiver or consent to departure from the provisions hereof with respect to a matter that relates exclusively to the rights of Holders whose Registrable Securities are being tendered pursuant to the Exchange Offer, and that does not affect directly or indirectly the rights of other Holders whose Registrable Securities are not being tendered pursuant to such Exchange Offer, may be given by the Holders of a majority of the outstanding principal amount of Registrable Securities subject to such Exchange Offer. Any amendments, modifications, supplements, waivers or consents pursuant to this Section 6(b) shall be by a writing executed by each of the parties hereto.

(c) *Notices.* All notices and other communications provided for or permitted hereunder shall be made in writing by hand-delivery, registered first-class mail, telex, telecopier, or any courier guaranteeing overnight delivery (i) if to a Holder, at the most current address given by such Holder to the Company by means of a notice given in accordance with the provisions

of this Section 6(c), which address initially is, with respect to the Initial Purchasers, the address set forth in the Purchase Agreement; (ii) if to the Company and any Guarantor, initially at the Company's address set forth in the Purchase Agreement and thereafter at such other address, notice of which is given in accordance with the provisions of this Section 6(c); and (iii) to such other persons at their respective addresses as provided in the Purchase Agreement and thereafter at such other address, notice of which is given in accordance with the provisions of this Section 6(c). All such notices and communications shall be deemed to have been duly given: at the time delivered by hand, if personally delivered; five Business Days after being deposited in the mail, postage prepaid, if mailed; when answered back, if telexed; when receipt is acknowledged, if telecopied; and on the next Business Day if timely delivered to an air courier guaranteeing overnight delivery. Copies of all such notices, demands or other communications shall be concurrently delivered by the Person giving the same to the Trustee, at the address specified in the Indenture.

(d) *Successors and Assigns.* This Agreement shall inure to the benefit of and be binding upon the successors, assigns and transferees of each of the parties, including, without limitation and without the need for an express assignment, subsequent Holders; *provided* that nothing herein shall be deemed to permit any assignment, transfer or other disposition of Registrable Securities in violation of the terms of the Purchase Agreement or the Indenture. If any transferee of any Holder shall acquire Registrable Securities in any manner, whether by operation of law or otherwise, such Registrable Securities shall be held subject to all the terms of this Agreement, and by taking and holding such Registrable Securities such Person shall be conclusively deemed to have agreed to be bound by and to perform all of the terms and provisions of this Agreement and such Person shall be entitled to receive the benefits hereof. The Initial Purchasers (in their capacity as Initial Purchasers) shall have no liability or obligation to the Company or any Guarantor with respect to any failure by a Holder to comply with, or any breach by any Holder of, any of the obligations of such Holder under this Agreement.

(e) *Third Party Beneficiaries.* Each Holder shall be a third party beneficiary to the agreements made hereunder between the Company and any Guarantor, on the one hand, and the Initial Purchasers, on the other hand, and shall have the right to enforce such agreements directly to the extent it deems such enforcement necessary or advisable to protect its rights or the rights of other Holders hereunder.

(f) *Counterparts.* This Agreement may be executed in any number of counterparts and by the parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

(g) *Headings.* The headings in this Agreement are for convenience of reference only, are not a part of this Agreement and shall not limit or otherwise affect the meaning hereof.

(h) *Governing Law.* This Agreement, and any claim, controversy or dispute arising under or related to this Agreement, shall be governed by and construed in accordance with the laws of the State of New York without regard to conflict of law principles that would result in the application of any laws other than the laws of the State of New York.

(j) *Entire Agreement; Severability.* This Agreement contains the entire agreement between the parties relating to the subject matter hereof and supersedes all oral statements and prior writings with respect thereto. If any term, provision, covenant or restriction contained in this Agreement is held by a court of competent jurisdiction to be invalid, void or unenforceable or against public policy, the remainder of the terms, provisions, covenants and restrictions contained herein shall remain in full force and effect and shall in no way be affected, impaired or invalidated. The Company, any Guarantor and the Initial Purchasers shall endeavor in good faith negotiations to replace the invalid, void or unenforceable provisions with valid provisions the economic effect of which becomes as close as possible to that of the invalid, void or unenforceable provisions.

IN WITNESS WHEREOF, the parties have executed this Agreement as of the date first written above.
