The Reporting Persons have entered into a Joint Filing Agreement, a copy of which is attached as Exhibit 5 to this Schedule 13D.

Item 3. Source and Amount of Funds or Other Consideration

The securities of the Company to which this Schedule 13D relates were acquired by investment advisory clients ("Clients") of Wellington Management. Wellington Management

5

makes the investment decision on behalf of the Clients. As an investment adviser, Wellington Management may be deemed to beneficially own the securities held by the Clients. WHML is the managing general partner of certain of the Clients and, accordingly, may be deemed to beneficially own the securities held by such Clients. WHAL is the general partner of certain of the Clients and, accordingly, may be deemed to beneficially own the securities held by such Clients.

In April 2010, certain Clients made a capital investment in Row 44, Inc., a Delaware corporation ("Row 44"), for shares of Series B-1 Preferred Stock of Row 44. In August 2010, certain Clients made another capital investment in Row 44 for additional shares of Series B-1 Preferred Stock of Row 44. In December 2011, certain Clients made another capital investment in Row 44 for notes and warrants to purchase common stock of Row 44. In March 2012, certain Clients made another capital investment in Row 44 for additional notes and warrants to purchase common stock of Row 44. In June 2012, the notes previously purchased by the Clients were converted into shares of Series C-2 Preferred Stock of Row 44 and warrants to purchase shares of Series C-2 Preferred Stock. The aggregate amount of funds used to acquire such securities of Row 44 was \$29,500,000. These securities were acquired by the Clients in the ordinary course of business for investment purposes.

On January 25, 2013, in anticipation of the Merger (as defined below), the Clients exercised their warrants to purchase common stock of Row 44. The aggregate amount of funds used to acquire such securities of Row 44 was \$3,500.00.

On January 28, 2013, the Clients purchased in the open market an aggregate 472,993 shares of Common Stock at a price per share of \$9.97 and an aggregate 13,400 shares of Common Stock at a price per share of \$10.19. These transactions were effected on The Nasdaq Stock Market. The aggregate amount of funds used to acquire such shares of Common Stock was \$4,852,286.21. In addition to investment purposes, these acquisitions were made in support of the Merger.

Each of the Clients used its own assets to acquire such securities, which in some cases may have included funds borrowed in the ordinary course in margin accounts.

Item 4. Purpose of Transaction

On November 8, 2012, the Company, EAGL Merger Sub Corp., a Delaware corporation and a direct wholly-owned subsidiary of the Company ("Merger Sub"), Row 44 and PAR Investment Partners, L.P., a Delaware limited partnership ("PAR"), in its capacity as stockholders' agent and for other specific purposes, entered into an Agreement and Plan of Merger and Reorganization (the "Merger Agreement"). Upon the terms and subject to the conditions set forth in the Merger Agreement, Merger Sub merged with and into Row 44, with Row 44 continuing as the surviving corporation (the "Merger"). The Merger was completed on January 31, 2013.

Under the terms of the Merger Agreement, Row 44 stockholders, including the Clients, were entitled to receive newly issued shares of Common Stock based on the merger exchange ratio, of which 10% of the closing net merger shares were placed into escrow (the "indemnity escrow"), registered in the name of the escrow agent, to secure (i) any post-closing purchase

price adjustment due to the Company from Row 44 and (ii) Row 44's indemnification obligations under the Merger Agreement, all as further described in the Merger Agreement. In addition, in connection with the Merger, the Company agreed to assume all Row 44 warrants outstanding at the time of the Merger, which warrants would thereafter be exercisable for shares of Common Stock based on the merger exchange ratio, all as further described in the Merger Agreement.

Pursuant to the Merger, at the closing of the Merger on January 31, 2013, the Clients were entitled to receive, in the aggregate, 5,362,285 shares of Common Stock, of which 536,229 shares of Common Stock were placed into the indemnity escrow, registered in the name of the escrow agent, to secure any post-closing purchase price adjustment and the indemnity obligations. None of the Reporting Persons have voting power or investment power with respect to shares held in the indemnity escrow. In addition, in connection with the Merger, the Company assumed all Row 44 warrants held by the Clients at the time of the Merger, which warrants are now exercisable for an aggregate 257,058 shares of Common Stock at an exercise price of \$8.62 per share.

Prior to the closing of the Merger, Wellington Management, WHML, WHAL, Wellington Management Investment, Inc. and the Clients (collectively, the "Wellington Entities") and the Company entered into an agreement, dated January 31, 2013 (the "Letter Agreement"), pursuant to which the Wellington Entities expressly disclaimed and relinquished any right to exercise voting power or investment power with respect to any shares of Common Stock issued in the Merger to the extent (but only to the extent) that ownership of such shares would otherwise cause any Wellington Entity to beneficially own in excess of 9.9% (the "Maximum Percentage") of the Common Stock (such shares in excess of the Maximum Percentage, the "Excess Shares"). Such Excess Shares will be held in escrow, registered in the name of the escrow agent, pursuant to an escrow agreement, dated January 31, 2013 (the "Escrow Agreement"), among the Company, American Stock Transfer & Trust Company LLC, as escrow agent, Wellington Management and the Clients. Pursuant to the Escrow Agreement, the escrow agent shall distribute Excess Shares to a Client only upon receipt of and only in accordance with the terms of a copy of an executed certification signed by Wellington Management, in its capacity as investment adviser to the Clients, and addressed to the Company and the escrow agent certifying that, based on the number of shares of Common Stock outstanding in the Company's most recent report filed under the Securities Exchange Act of 1934, as amended, or as otherwise provided by the Company to Wellington Management, the exercise of voting power or investment power with respect to such Excess Shares by any Wellington Entity

shall not cause a violation of the Maximum Percentage limitation. In order to ensure compliance with the Maximum Percentage limitation under the Letter Agreement, Wellington Management, in its capacity as investment adviser to the Clients, intends to direct the exchange agent in the Merger to deposit 2,543,546 shares of Common Stock otherwise issuable to the Clients in connection with the Merger with the escrow agent under the Escrow Agreement. None of the Reporting Persons have voting power or investment power with respect to such shares to the extent such shares would otherwise cause a violation of the Maximum Percentage limitation.

Pursuant to the letters of transmittal to be delivered by former Row 44 stockholders to exchange their shares of capital stock of Row 44 for shares of Common Stock to be issued in the

CUSIP No. 37951D102

SCHEDULE 13D

Merger, the former Row 44 stockholders, including the Clients, will covenant not to sell (a) (i) 40% of the Common Stock held by such holder (including shares underlying any warrants), and (ii) any of the shares held in the indemnity escrow for such stockholders' benefit until the earlier to occur of (A) the six-month anniversary of the closing of the Merger, or (B) if the last sales price of Common Stock exceeds \$12.00 per share for any 20 trading days within any 30-trading day period commencing at least 45 days after the closing of the Merger, the last day of such 30-trading day period, and (b) the remaining Common Stock until the earlier to occur of (i) the first anniversary of the closing of the Merger, or (ii) if the last sales price of Common Stock exceeds \$12.00 per share for any 20 trading days within any 30-trading day period commencing at least six months after the closing of the Merger, the last day of such 30-trading day period.

Within 90 days after closing of the Merger, the Company will submit to PAR, in its capacity as stockholders' agent, an actual closing balance sheet of Row 44 as of 12:01 a.m. on the closing date of the Merger, together with its calculations of Row 44's actual indebtedness and working capital as of such time, as well as the respective upward or downward adjustment to the number of shares of Common Stock issuable to the former Row 44 stockholders in the Merger. Subject to the dispute resolution procedures described in the Merger Agreement, to the extent that there is an increase to the number of shares of Common Stock to be issued to the former Row 44 stockholders, the Company shall deliver such number of shares to the exchange agent for distribution to the former Row 44 stockholders, and to the extent that the number of shares of Common Stock issued to the former Row 44 stockholders should be reduced, the Company and Row 44 will instruct the escrow agent for the indemnity escrow to release to the Company such number of shares of Common Stock in the indemnity escrow.

Upon consummation of the Merger, the Company entered into an amended and restated registration rights agreement (the "Registration Rights Agreement") with respect to, among other shares, shares of Common Stock issued in the Merger and shares of Common Stock underlying the assumed Row 44 warrants (all shares subject to the Registration Rights Agreement, the "registrable securities"). Under the Registration Rights Agreement, the Company has agreed to file a registration statement with the Securities and Exchange Commission within seven (7) business days after the Merger covering the resale of the registrable securities. Under certain circumstances, the Company may also be required to undertake an underwritten public offering of all or a portion of the registrable securities pursuant to an effective registration statement. Holders of registrable securities also have certain "piggy-back" registration rights with respect to registration statements filed subsequent to the Merger.

On January 28, 2013, the Clients purchased in the open market an aggregate 472,993 shares of Common Stock at a price per share of \$9.97 and an aggregate 13,400 shares of Common Stock at a price per share of \$10.19. These transactions were effected on The Nasdaq Stock Market. In addition to investment purposes, these acquisitions were made in support of the Merger.

The foregoing description is qualified in its entirety by reference to the Merger Agreement, the Letter Agreement, the Escrow Agreement and the Registration Rights Agreement.
