Item 7.01. Regulation FD Disclosure.

On December 22, 2014, Global Eagle Entertainment Inc. (the “Company”) issued a press release announcing that the Company has received Supplemental Type Certificate (STC) approval to install its Ku-band satellite connectivity system on Boeing 777 aircraft. A copy of the press release is attached hereto as Exhibit 99.1 and incorporated by reference herein.

The information contained in this Current Report on Form 8-K shall not be deemed to be “filed” for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), or otherwise subject to the liabilities of that section, nor shall it be incorporated by reference into a filing under the Securities Act of 1933, as amended, or the Exchange Act, except as shall be expressly set forth by specific reference in such a filing.

Forward-Looking Statements

We make forward-looking statements in this report and the press release incorporated by reference herein within the meaning of the Private Securities Litigation Reform Act of 1995. These forward-looking statements relate to expectations or forecasts for future events, including, without limitation, the potential that airlines will equip their B777 aircraft with the Company’s connectivity system. These statements may be preceded by, followed by or include the words “may,” “might,” “will,” “will likely result,” “should,” “estimate,” “plan,” “project,” “forecast,” “intend,” “expect,” “anticipate,” “believe,” “seek,” “continue,” “target” or similar expressions. These forward-looking statements are based on information available to us as of the date they were made, and should not be relied upon as representing our views as of any subsequent date. These forward-looking statements are subject to a number of risks and uncertainties, including, without limitation, factors not anticipated by, or outside the control of, the Company, as well as those risks and uncertainties described in our most recent annual report on Form 10-K, as amended, and subsequently filed reports on Form 10-Q, as amended. As a result, our actual results or performance may be materially different from those expressed or implied by these forward-looking statements. We do not undertake any obligation to update forward-looking statements to reflect events or circumstances after the date they were made, whether as a result of new information, future events or otherwise, except as may be required under applicable securities laws.

Global Eagle Entertainment Announces STC Approval of its Connectivity System on Boeing 777 Aircraft

Los Angeles, Calif., (December 22nd, 2015) – Global Eagle Entertainment Inc. (Nasdaq: ENT), a worldwide leading provider of content, connectivity and digital media solutions to airlines, today announced that it has received Supplemental Type Certificate (STC) approval to install its Ku-band satellite connectivity system on Boeing 777 aircraft.

Beginning in January 2015, airlines can equip their B777 aircraft with GEE's connectivity system.

"This STC approval is a testament to GEE's technological leadership and expansion in the in-flight connectivity market," explained Aditya Chatterjee, Senior Vice President, Connectivity Systems and Chief Technology Officer at GEE. "The B777 has received more orders than any other wide-body aircraft, and GEE's STC approval is an important achievement in the growth of Ku-band satellite connectivity to airlines."
