The Senior Medium-Term Notes will be issued under an Indenture dated as of January 1, 1992 between the Registrant and BankAmerica National Trust Company (formerly BankAmerica Trust Company of New York), as amended by a First Supplemental Indenture dated as of July 1, 1993. The Subordinated Medium-Term Notes will be issued under an Indenture dated as of November 1, 1992 between the Registrant and The Bank of New York, as amended, by a First Supplemental Indenture dated as of July 1, 1993. The resolutions of the Committee are included as Exhibit 99.1 hereto.

On December 20, 1994, the Registrant entered into a distribution agreement with the agents named therein (the "Distribution Agreement"), the terms of which will govern sales of the Medium-Term Notes. The Medium-Term Notes are described generally in the Prospectus dated August 12, 1993 constituting a part of the Registration Statement (hereinafter described), as supplemented by a Prospectus Supplement dated December 20, 1994. The Distribution Agreement is included as Exhibit 99.2 hereto.

The Medium-Term Notes will be issued from time to time pursuant to the Registrant's Registration Statement on Form S-3, Registration No. 33-49881 (the "Registration Statement"), on a

delayed basis pursuant to Rule 415 under the Securities Act of 1933, as amended. The Registration Statement registered up to \$4,000,000,000 aggregate initial offering price of the Registrant's unsecured debt securities (either senior or subordinated), shares of its preferred stock and shares of its common stock and was declared effective on August 12, 1993. Nine Months Ended September 30,	Year Ended December 31,					
----- 1994 -----	1993	1992	1991 (1)	1990	1989	(2) -----

Ratio of Earnings to Fixed Charges:

Excluding interest on deposits.....	1.9	2.3	2.4	1.1	1.3	1.7
Including interest on deposits.....	1.5	1.5	1.4	1.0	1.1	1.2

(1) Ratios include the 1991 restructuring expense of \$330 million recorded in connection with the merger of a subsidiary of the Registrant into C&S/Sovran Corporation, effective December 31, 1991. The Company will pay interest on the Interest Payment Dates specified above, commencing with the first Interest Payment Date next succeeding the Original Issue Date specified above, unless the Original Issue Date occurs between a Regular Record Date, as defined below, and the next succeeding Interest Payment Date, in which case commencing on the Interest Payment Date following the next succeeding Regular Record Date,

Interest on this Note will accrue from the Original Issue Date specified above until the principal amount is paid and will be computed as hereinafter described. Interest payable on this Note on any Interest Payment Date or the Maturity Date will include interest accrued from and including the next preceding Interest Payment Date in respect of which interest has been paid or duly provided for or, if no interest has been paid, from the Original Issue Date specified above, to but excluding such Interest Payment Date or Maturity Date, as the case may be; PROVIDED, HOWEVER, that if the Interest Rate Reset Period with respect to this Note is daily or weekly, interest payable on any Interest Payment Date or the Maturity Date will include interest accrued from but excluding the Regular Record Date through which interest has been paid to and including the Regular Record Date next preceding such Interest Payment Date, except that interest payable on any such Maturity Date will include interest accrued to, but excluding, such Maturity Date. If any Interest Payment Date falls on a day which is not a Business Day, as defined below, such Interest Payment Date shall be the following day that is a Business Day, except that if the Interest Rate Basis is LIBOR, if such next Business Day falls in the next succeeding calendar month, such Interest Payment Date will be the preceding day that is a Business Day; and if the Maturity Date falls on a day which is not a Business Day, principal or interest payable with respect to such Maturity Date will be paid on the next succeeding Business Day with the same force and effect as if made on such Maturity Date, and no additional interest shall accrue for the period from and after such Maturity Date. Any such interest not punctually paid or duly provided for shall be payable as provided in the Indenture. As used herein, "Business Day" means any day, other than a Saturday or Sunday, (i) on which banks in The City of New York are not authorized or required by law to be closed and (ii) if the Interest Rate Basis is LIBOR, is a day on which dealings in deposits on U.S. dollars are transacted in the London interbank market.

Notwithstanding the preceding sentence, payments of principal of and interest payable on the Maturity Date will be made by wire transfer of immediately available funds to a designated account maintained in the United States upon (i) receipt of written notice by the Issuing and Paying Agent from the holder hereof not less than one Business Day prior to the due date of such principal and (ii) presentation of this Note to the Issuing and Paying Agent at NationsBank of Georgia, National Association, as Issuing and Paying Agent, 600 Peachtree Street, Suite 900, Atlanta, Georgia 60608 (the "Corporate Trust Office").

NATIONSBANK CORPORATION
MEDIUM-TERM SUBORDINATED NOTE,
SERIES C
(Floating Rate)

This Medium-Term Note is one of a duly authorized series of Securities of the Company designated as its Subordinated Medium-Term Notes, Series C (herein called the "Notes"), limited in aggregate principal amount to \$1,000,000,000, issued and to be issued under an Indenture dated as of November 1, 1992 (herein called the "Indenture"), between the Company and The Bank of New York, as Trustee as amended by the First Supplemental Indenture thereto dated as of July 1, 1993 (herein called the "Trustee"), to which Indenture and all indentures supplemental thereto reference is hereby made for a statement of the respective rights thereunder of the Company, the Trustee and the holders of the Notes, and the terms upon which the Notes are, and are to be, authenticated and delivered. The Notes may bear different dates, mature at different times, bear interest at different rates and vary in such other ways as are provided in the Indenture.

The Indebtedness of the Company evidenced by the Notes, including the principal thereof and interest thereon, is, top the extent and in the manner set forth in the Indenture, subordinate and junior in right of payment to its obligations to holders of Senior Indebtedness, as defined in the Indenture, and each holder of the Notes, by the acceptance hereof, agrees to and shall be bound by such provisions of the Indenture.

This Note is not subject to any sinking fund.

This Note may be subject to repayment at the option of the holder only if Optional Repayment Date(s) are indicated on the face hereof. IF NO OPTIONAL REPAYMENT DATES ARE SET FORTH ON THE FACE HEREOF, THIS NOTE MAY NOT BE SO REPAID AT THE OPTION OF THE HOLDER HEREOF PRIOR TO THE STATED MATURITY DATE. On any Optional Repayment Date, this Note shall be repayable in whole or in part in increments of \$1,000 at the option of the holder hereof at a repayment price equal to 100% of the principal amount to be repaid, together with interest thereon payable to the date of repayment. For this Note to be repaid in whole or in part at the option of the holder hereof, this Note must be received, with the form below entitled "Option to Elect Repayment" duly completed, by the Issuing and Paying Agent at the Corporate Trust Office, or such other address of which the Company shall from time to time notify the holders of the Notes, not more than 60 nor less than 30 days prior to an Optional Repayment Date. Exercise of such repayment option by the holder hereof shall be irrevocable.

This Note may be redeemed at the option of the Company on any date on and after the Initial Redemption Date, if any,

specified on the face hereof (the "Redemption Date"). IF NO INITIAL REDEMPTION DATE IS SET FORTH ON THE FACE HEREOF, THIS NOTE MAY NOT BE REDEEMED AT THE OPTION OF THE COMPANY PRIOR TO THE STATED MATURITY DATE. On and after the Initial Redemption Date, if any, this Note may be redeemed at any time in whole or from time to time in part in increments of \$1,000 at the option of the Company at the applicable Redemption Price (as defined below) together with interest thereon payable to the Redemption Date, on notice given not more than 60 nor less than 30 days prior to the Redemption Date. In the event of redemption of this Note in part only, a new Note for the unredeemed portion hereof shall be issued in the name of the [Holder] hereof upon the surrender hereof.

If this Note is redeemable at the option of the Company, the "Redemption Price" shall initially be the Initial Redemption Percentage, specified on the face hereof, of the principal amount of this Note to be redeemed and shall decline at each anniversary of the Initial Redemption Date by the Annual Redemption Percentage Reduction, if any, specified on the face hereof, of the principal amount to be redeemed until the Redemption Price is 100% of such principal amount.

Accrued interest hereon shall be calculated by multiplying the face amount hereof by an accrued interest factor. Such accrued interest factor shall be computed by adding the interest factor calculated for each day from and including Original Issue Date, or from but excluding the last date to which interest has been paid, as the case may be, to and including the date for which accrued interest is being calculated. The interest factor (expressed as a decimal) for each such day shall be computed by dividing the interest rate in effect on such day by 360 or, in the case of Notes having the Treasury Rate as their Interest Rate Basis, by the actual number of days in the year.

Except as described below, this Note will bear interest at the rate determined by reference to the appropriate Interest Rate Basis and Index Maturity shown on the face hereof (i) plus or minus the Spread, if any, or (ii) multiplied by the Spread Multiplier, if any, specified on the face hereof. The interest rate in effect on each day shall be (a) if such day is an Interest Reset Date, the interest rate determined as of the Interest Determination Date (as defined below) pertaining to such Interest Reset Date or (b) if such day is not an Interest Reset Date, the interest rate determined as of the Interest Determination Date pertaining to the next preceding Interest Reset Date, provided that (i) the interest rate in effect from the Original Issue Date to the first Interest Reset Date shall be the Initial Interest Rate specified on the face hereof, and (ii) the interest rate in effect for the ten calendar days immediately prior to the Maturity Date shall be the rate in effect on the tenth calendar day preceding such Maturity Date. If any Interest Reset Date would otherwise be a day that is not a Business Day, such Interest Reset Date shall be postponed to the next day that is a Business Day, except that if the Interest Rate Basis specified on the face hereof is LIBOR, if such next Business Day is in the next succeeding calendar month, such Interest Reset Date shall be the immediately preceding Business Day. The term "Final Interest Payment Period" means the period from the final Interest Reset Date to the Maturity Date.

The Interest Determination Date with respect to any Note that has as its Interest Rate Basis the CD Rate, Commercial Paper Rate, the Federal Funds Rate or the Prime Rate will be the second Business Day preceding the Interest Reset Date. The Interest Determination Date with respect to LIBOR shall be the second London Banking Day (as defined below) preceding the Interest Reset Date. The Interest Determination Date with respect to the Treasury Rate shall be the day of the week in which the Interest Reset Date falls on which Treasury bills of the Index Maturity specified on the face hereof normally would be auctioned; PROVIDED, HOWEVER, that if as a result of a legal holiday an auction is held on the Friday of the week preceding the Interest Reset Date, the related Interest Determination Date shall be such preceding Friday; [and PROVIDED, FURTHER, that if an auction shall fall on any Interest Reset Date then the Interest Reset Date shall instead be the first Business Day following such auction.]

The "Calculation Date" pertaining to any Interest Determination Date shall be the earlier of (i) the tenth calendar day after such Interest Determination Date or, if such day is not a Business Day, the next succeeding Business Day, or (ii) the Business Day next preceding the applicable Interest Payment Date or Maturity Date, as the case may be.

All percentages resulting from any calculation on the Notes will be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point, with five one-millionths of a percentage point rounded upward, and all dollar amounts used in or resulting from such calculation on the Notes will be rounded to the nearest cent (with one-half cent being rounded upward).

DETERMINATION OF CD RATE. CD Rate means, with respect to an Interest Determination Date (a "CD Rate Interest Determination Date"), the rate on such CD Rate Interest Determination Date for negotiable certificates of deposit having the Index Maturity specified on the face hereof, as such rate is published by the Board of Governors of the Federal Reserve System (the "Federal Reserve Board") in "Statistical Release H.15(519), Selected Interest Rates," or any successor publication of the Federal Reserve Board ("H.15(519)"), under the heading "CDs (Secondary Market)," or, if not so published by 3:00 P.M., New York City time, on the Calculation Date pertaining to such CD Rate Interest Determination Date, the CD Rate will be the rate on such CD Rate Interest Determination Date for negotiable certificates of deposit of the Index Maturity specified on the face hereof, as published by the Federal Reserve Bank of New York in its daily statistical release "Composite 3:30 P.M. Quotations for U.S. Government Securities" ("Composite Quotations") under the heading "Certificates of Deposit." If such rate is not published in either H.15(519) or the Composite Quotations by 3:00 P.M., New York City time, on such Calculation Date, then the CD Rate on such CD Rate Interest Determination Date will be calculated by the Calculation Agent and will be the arithmetic mean of the secondary market offered rates as of 10:00 A.M., New York City time, on such CD Rate Interest Determination Date, of three leading nonbank dealers in negotiable U.S. dollar certificates of deposit in The City of New York selected by the Calculation Agent (after consultation with the Company) for negotiable certificates of deposit of major United States money center banks of the highest credit standing (in the market for negotiable certificates of deposit) with a remaining maturity closest to the Index Maturity specified on the face hereof in denominations of \$5,000,000; PROVIDED, HOWEVER, that if the dealers selected as aforesaid by the Calculation Agent are not quoting as set forth above, the CD Rate for such CD Rate Interest Determination Date will be the CD Rate in effect on such CD Rate Interest Determination Date.

DETERMINATION OF COMMERCIAL PAPER RATE. The Commercial Paper Rate means, with respect to an Interest Determination Date (a "Commercial Paper Rate Interest Determination Date"), the Money Market Yield (as defined below) of the rate on such date for commercial paper having the Index Maturity specified on the face hereof as published in H.15(519) under the heading "Commercial Paper." In the event such rate is not published by 3:00 P.M., New York City time, on the Calculation Date pertaining to such Commercial Paper Rate Interest Determination Date, the Commercial Paper Rate shall be the Money Market Yield on such Commercial Paper Rate Interest Determination Date of the rate for commercial paper having the Index Maturity specified on the face hereof as published in Composite Quotations under the heading "Commercial Paper." If such rate is not published in either H.15(519) or Composite Quotations by 3:00 P.M., New York City time, on such Calculation Date, the Commercial Paper Rate for that Commercial Paper Rate Interest Determination Date shall be calculated by the Calculation Agent and shall be the Money Market Yield of the arithmetic mean of the offered rates as of 11:00 A.M., New York City time, on such Commercial Paper Rate Interest Determination Date of three leading dealers of commercial paper in The City of New York selected by the Calculation Agent (after consultation with the Company) for commercial paper of the Index Maturity specified on the face hereof placed for an industrial issuer whose bond rating is "AA", or the equivalent, by a nationally recognized statistical rating agency; PROVIDED, HOWEVER, that if the dealers selected as aforesaid by the Calculation Agent are not quoting as set forth above, the Commercial Paper Rate with respect to such Commercial Paper Rate Interest Determination Date will be the Commercial Paper Rate then in effect on such Commercial Paper Rate Interest Determination Date.

"Money Market Yield" shall be the yield (expressed as a percentage rounded to the nearest one ten-thousandth of a percent, with five one hundred-thousandths of a percent rounded upward) calculated in accordance with the following formula:

$$\text{Money Market Yield} = \frac{360 - (D \times M)}{\quad} \times 100$$

where "D" refers to the per annum rate for commercial paper quoted on a bank discount basis and expressed as a decimal, and "M" refers to the actual number of days in the interest period for which interest is being calculated.

DETERMINATION OF FEDERAL FUNDS RATE. The Federal Funds Rate means, with respect to an Interest Determination Date (a "Federal Funds Rate Interest Determination Date"), the rate on that date for Federal Funds as published in H.15(519) under the heading "Federal Funds (Effective)." If H.15(519) is not so published by 3:00 P.M., New York City time, on the Calculation Date pertaining to such Federal Funds Rate Interest Determination Date, the Federal Funds Rate will be the rate on such Federal Funds Rate Interest Determination Date as published in Composite Quotations under the heading "Federal Funds/Effective Rate." If such rate is not yet published in either H.15(519) or Composite Quotations by 3:00 P.M., New York City time, on the Calculation Date pertaining to such Federal Funds Rate Interest Determination Date, the Federal Funds Rate for such Federal Funds Rate Interest Determination Date will be calculated by the Calculation Agent and will be the arithmetic mean of the rates for the last transaction in overnight Federal Funds as of 9:00 A.M., New York City time, on such Federal Funds Rate Interest Determination Date quoted by each of three leading brokers of Federal Funds transactions in The City of New York selected by the Calculation Agent (after consultation with the Company); PROVIDED, HOWEVER, that if fewer than three such brokers are so quoting such rates, the Federal Funds Rate with respect to such Federal Funds Rate Interest Determination Date will be the Federal Funds Rate then in effect on such Federal Funds Rate Interest Determination Date.

DETERMINATION OF LIBOR. LIBOR means the rate determined by the Calculation Agent in accordance with the following provisions:

(i) With respect to an Interest Determination Date (a "LIBOR Interest Determination Date"), LIBOR will be "LIBOR Telerate" unless "LIBOR Reuters" is specified in the applicable pricing supplement or LIBOR Telerate is not available. "LIBOR Telerate" is the rate for deposits in the LIBOR Currency (as defined below) having the Index Maturity specified on the face hereof that appears on the Designated LIBOR Page (as defined below) specified on the face hereof as of 11:00 A.M. London time, on that LIBOR Interest Determination Date. "LIBOR Reuters" is that rate which is the arithmetic mean of the offered rates (unless the specified Designated LIBOR Page by its terms provides only for a single rate, in which case such single rate shall be used) for deposits in the LIBOR Currency having the Index Maturity specified on the face hereof that appear on the Designated LIBOR Page specified on the face hereof as of 11:00 A.M. London time, on that LIBOR Interest Determination Date, if at least two such offered rates appear (unless, as aforesaid, only a single rate is required) on such Designated LIBOR Page. If LIBOR cannot be determined under this clause (i), LIBOR in respect of the related LIBOR Interest Determination Date will be determined as if the parties had specified the rate described in clause (ii) below.

(ii) With respect to a LIBOR Interest Determination Date on which LIBOR cannot be determined under clause (i) above, the Calculation Agent will request the principal London offices of each of four major reference banks in the London interbank market, as selected by the Calculation Agent (after consultation with the Company) to provide the Calculation Agent with its offered quotation for deposits in the LIBOR Currency for the period of the Index Maturity specified on the face hereof to prime banks in the London interbank market at approximately 11:00 A.M., London time, on such LIBOR Interest Determination Date and in a principal amount that is representative for a single transaction in such LIBOR Currency in such market at such time. If at least two such quotations are provided, LIBOR determined on such LIBOR Interest Determination Date will be the arithmetic mean of such quotations. If fewer than two such quotations are provided, LIBOR for such LIBOR Interest Determination Date will be the arithmetic mean of the rates quoted at approximately 11:00 A.M. in the applicable Principal Financial Center (as defined below), on such LIBOR Interest Determination Date by three major banks in such Principal Financial Center selected by the Calculation Agent

(after consultation with the Company) for loans in the LIBOR Currency to leading European banks, having the Index Maturity specified on the face hereof and in a principal amount that is representative for a single transaction in such LIBOR Currency in such market at such time; PROVIDED, HOWEVER, that if the banks so selected by the Calculation Agent are not quoting as mentioned in this sentence, LIBOR determined on such LIBOR Interest determination Date will be LIBOR then in effect on such LIBOR Interest Determination Date.

"LIBOR Currency" means the currency (including composite currencies) specified on the face hereof for which LIBOR shall be calculated. If no such currency is specified on the face hereof, the LIBOR Currency shall be U.S. dollars.

"Designated LIBOR Page" means either (a) if "LIBOR Reuters" is specified on the face hereof, the display on the Reuters Monitor Money Rates Service for the purpose of displaying the London interbank rates of major banks for the applicable LIBOR Currency, or (b) if "LIBOR Telerate" is specified on the face hereof, the display on the Dow Jones Telerate Service for the purpose of displaying the London interbank rates of major banks for the applicable LIBOR Currency. If neither LIBOR Reuters nor LIBOR Telerate is specified on the face hereof, LIBOR for the applicable LIBOR Currency will be determined as if LIBOR Reuters (and, if the U.S. dollar is the LIBOR Currency, LIBO Page) had been specified.

"Principal Financial Center" shall generally be the capital city of the country of the specified LIBOR Currency, except that with respect to U.S. dollars, Deutsche Marks and ECUs, the Principal Financial Center shall be The City of New York, Frankfurt and Luxembourg, respectively.

DETERMINATION OF PRIME RATE. Prime Rate means, with respect to an Interest Determination Date (a "Prime Rate Interest Determination Date"), the rate set forth on such date in H.15(519) under the heading "Bank Prime Loan," or if not so published prior to 9:00 A.M. New York City time, on the Calculation Date pertaining to such Prime Rate Interest Determination Date, then the Prime Rate will be determined by the Calculation Agent and will be the arithmetic mean of the rates of interest publicly announced by each bank that appears on the Reuters Screen NYMF Page (as defined below) as such bank's prime rate or base lending rates as in effect for that Prime Rate Interest Determination Date. If fewer than four such rates but more than one such rate appear on the Reuters Screen NYMF Page for the Prime Rate Interest Determination Date, the Prime Rate will be determined by the Calculation Agent and will be the arithmetic mean of the prime rates, quoted on the basis of the actual number of days in the year divided by a 360-day year, as of the close of business on such Prime Rate Interest Determination Date by four major money center banks in The City of New York as selected by the Calculation Agent (after consultation with the Company). If fewer than two such quotations are provided, the Prime Rate shall be determined by the Calculation Agent as of the close of business on the Prime Rate Interest Determination Date, on the basis of the prime rates, as of the close of business on such date, furnished in The City of New York by the appropriate number of substitute banks or trust companies organized and doing business under the laws of the United States, or any State thereof, having total equity capital of at least \$500 million and being subject to supervision or examination by Federal or State authority, selected by the Calculation Agent (after consultation with the Company) to provide such rate or rates; PROVIDED, HOWEVER, that if the banks selected as aforesaid are not quoting as mentioned in this sentence, the Prime Rate for such Prime Rate Interest Determination Date will be the Prime Rate then in effect on such Prime Rate Interest Determination Date.

"Reuters Screen NYMF Page" means the display designated as page "NYMF" on the Reuters Monitor Money Rates Service (or such other page as may replace the NYMF page on that service for the purpose of displaying prime rates or base lending rates of major United States banks).

DETERMINATION OF TREASURY RATE. Treasury Rate means, with respect to an Interest Determination Date (a "Treasury Rate Interest Determination Date"), the rate for the auction held on such Treasury Rate Interest Determination Date of direct obligations of the United States ("Treasury Bills") having the Index Maturity specified on the face hereof, as published in H.15(519) under the heading "U.S. Government Securities --

Treasury Bills -- auction average (investment)." If such rate is not published by 3:00 P.M., New York City time, on the Calculation Date pertaining to such Treasury Rate Interest Determination Date, the Treasury Rate will be the auction average rate (expressed as a bond equivalent on the basis of a year of 365 or 366 days, as applicable, and applied on a daily basis) on such Treasury Rate Interest Determination Date as otherwise announced by the United States Department of the Treasury. In the event that the results of the auction of Treasury bills having the Index Maturity specified on the face hereof are not reported as provided by 3:00 P.M., New York City time, on such Calculation Date, or if no such auction is held on such Treasury Rate Interest Determination Date, then the Treasury Rate for such Treasury Rate Interest Determination Date shall be a yield to maturity (expressed as a bond equivalent, on the basis of a year of 365 or 366 days, as applicable, and applied on a daily basis) of the arithmetic mean of the secondary market bid rates, as of approximately 3:30 P.M., New York City time, on such Treasury Rate Interest Determination Date, of three leading primary United States government securities dealers selected by the Calculation Agent (after consultation with the Company), for the issue of Treasury bills with a remaining maturity closest to the Index Maturity specified on the face hereof; PROVIDED, HOWEVER, that if the dealers selected as aforesaid by the Calculation Agent are not quoting as mentioned in this sentence, the Treasury Rate with respect to such Treasury Rate Interest Determination Date will be the Treasury Rate then in effect on such Treasury Rate Interest Determination Date.

Notwithstanding the foregoing, the interest rate hereon shall not be greater than the Maximum Interest Rate, if any, or less than the Minimum Interest Rate, if any, specified on the face hereof. The Calculation Agent shall calculate the interest rate hereon in accordance with the foregoing on or before each Calculation Date. The interest rate on this Note will in no event be higher than the maximum rate permitted by New York law, as the same may be modified by United States law of general application.

At the request of the holder hereof, the Calculation Agent will provide to the holder hereof the interest rate hereon then in effect and, if determined, the interest rate which will become effective as of the next Interest Reset Date.

If an Event of Default (defined in the Indenture as certain events involving the bankruptcy of the Company) shall occur with respect to the Notes, the principal of all the Notes may be declared due and payable in the manner and with the effect provided in the Indenture. There is no right of acceleration provided in the Indenture in case of a default in the payment of interest or the performance of any other covenant by the Company.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the rights of the holders of the Notes under the Indenture at any time by the Company with the consent of the holders of not less than 66 2/3% in aggregate principal amount of the Notes then outstanding and all other Securities then outstanding under the Indenture and affected by such amendment and modification. The Indenture also contains provisions permitting the holders of a majority in aggregate principal amount of the Notes then outstanding and all other Securities then outstanding under the Indenture and affected thereby, on behalf of the holders of all such Securities, to waive compliance by the Company with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences. Any such consent or waiver by the holder of this Note shall be conclusive and binding upon such holder and upon all future holders of this Note and of any Note issued upon the registration of transfer hereof or in exchange hereof or in lieu hereof whether or not notation of such consent or waiver is made upon this Note.

No reference herein to the Indenture and no provision of this Note or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of and interest on this Note at the time, place and rate, and in the coin or currency, herein prescribed.

No recourse shall be had for the payment of the principal of or the interest on this Note, or for any claim based hereon, or otherwise in respect hereof, or based on or in respect of the Indenture or any indenture supplemented thereto, against any incorporator, stockholder, officer or director, as such, past, present or future, of the Company or any predecessor or successor

corporation, whether by virtue of any constitution, statute or rule of law, or by the enforcement of any assessment or penalty or otherwise, all such liability being, by the acceptance hereof and as part of the consideration for issue hereof, expressly waived and released.

As provided in the Indenture and subject to certain limitations therein set forth, the transfer of this Note may be registered on the registry books of the Company relating to the Notes, upon surrender of this Note for registration of transfer at the office or agency of the Company designated by it pursuant to the Indenture, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Company and the Trustee duly executed by, the holder hereof or his attorney duly authorized in writing, and thereupon one or more new Notes, of authorized denominations and for the same aggregate principal amount, will be issued to the designated transferee or transferees.

The Notes are issuable only as registered Notes without coupons in denominations of \$1,000 and any integral multiple thereof. As provided in the Indenture, and subject to certain limitations therein set forth, Notes are exchangeable for a like aggregate principal amount of Notes of different authorized denominations, as requested by the holder surrendering the same.

No service charge will be made for any such registration of transfer or exchange, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

Prior to due presentment for registration of transfer of this Note, the Company, the Issuing and Paying Agent and any agent of the Company or the Issuing and Paying Agent may treat the [Person] in whose name this Note is registered as the absolute owner hereof for the purpose of receiving payment as herein provided and for all other purposes, whether or not this Note be overdue, and neither the Company, the Issuing and Paying Agent nor any such agent shall be affected by notice to the contrary.

All terms used in this Note which are defined in the Indenture shall have the meanings assigned to them in the Indenture.

The book-entry system maintained by Depository Trust Company ("DTC") will evidence ownership of the Notes, with transfers of ownership effected on the records of DTC and its participants pursuant to rules and procedures established by DTC and its participants. The Company will pay interest on the Interest Payment Dates specified above, commencing with the first Interest Payment Date next succeeding the Original Issue Date specified above, unless the Original Issue Date occurs between a Regular Record Date, as defined below, and the next succeeding Interest Payment Date, in which case commencing on the Interest Payment Date following the next succeeding Regular Record Date,

and on the Stated Maturity Date shown above (or any Redemption Date as defined on the reverse hereof or any Optional Repayment Date with respect to which such option has been exercised, each such Stated Maturity Date, Redemption Date and Optional Repayment Date being herein referred to as a "Maturity Date" with respect to the principal repayable on such date). Interest on this Note will accrue from the Original Issue Date specified above until the principal amount is paid and will be computed as hereinafter described. Interest payable on this Note on any Interest Payment Date or the Maturity Date will include interest accrued from and including the next preceding Interest Payment Date in respect of which interest has been paid or duly provided for or, if no interest has been paid, from the Original Issue Date specified above, to but excluding such Interest Payment Date or Maturity Date, as the case may be; PROVIDED, HOWEVER, that if the Interest Rate Reset Period with respect to this Note is daily or weekly, interest payable on any Interest Payment Date or the Maturity Date will include interest accrued from but excluding the Regular Record Date through which interest has been paid to and including the Regular Record Date next preceding such Interest Payment Date, except that interest payable on any such Maturity Date will include interest accrued to, but excluding, such Maturity Date. If any Interest Payment Date falls on a day which is not a Business Day, as defined below, such Interest Payment Date shall be the following day that is a Business Day, except that if the Interest Rate Basis is LIBOR, if such next Business Day falls in the next succeeding calendar month, such Interest Payment Date will be the preceding day that is a Business Day; and if the Maturity Date falls on a day which is not a Business Day, principal or interest payable with respect to such Maturity Date will be paid on the next succeeding Business Day with the same force and effect as if made on such Maturity Date, and no additional interest shall accrue for the period from and after such Maturity Date. Any such interest not punctually paid or duly provided for shall be payable as provided in the Indenture. NATIONSBANK CORPORATION
MEDIUM-TERM SUBORDINATED NOTE,
SERIES C
(Floating Rate)

This Medium-Term Note is one of a duly authorized series of Securities of the Company designated as its Subordinated Medium-Term Notes, Series C (herein called the "Notes"), limited in aggregate principal amount to \$1,000,000,000, issued and to be issued under an Indenture dated as of November 1, 1992 (herein called the "Indenture"), between the Company and The Bank of New York, as Trustee as amended by the First Supplemental Indenture thereto dated as of July 1, 1993 (herein called the "Trustee"), to which Indenture and all indentures supplemental thereto reference is hereby made for a statement of the respective rights thereunder of the Company, the Trustee and the holders of the Notes, and the terms upon which the Notes are, and are to be, authenticated and delivered. The Notes may bear different dates, mature at different times, bear interest at different rates and vary in such other ways as are provided in the Indenture.

The Indebtedness of the Company evidenced by the Notes, including the principal thereof and interest thereon, is, top the extent and in the manner set forth in the Indenture, subordinate and junior in right of payment to its obligations to holders of Senior Indebtedness, as defined in the Indenture, and each holder of the Notes, by the acceptance hereof, agrees to and shall be bound by such provisions of the Indenture.

This Note is not subject to any sinking fund.

This Note may be subject to repayment at the option of the holder only if Optional Repayment Date(s) are indicated on the face hereof. IF NO OPTIONAL REPAYMENT DATES ARE SET FORTH ON THE FACE HEREOF, THIS NOTE MAY NOT BE SO REPAID AT THE OPTION OF THE HOLDER HEREOF PRIOR TO THE STATED MATURITY DATE. On any Optional Repayment Date, this Note shall be repayable in whole or in part in increments of \$1,000 at the option of the holder hereof at a repayment price equal to 100% of the principal amount to be repaid, together with interest thereon payable to the date of repayment. For this Note to be repaid in whole or in part at the option of the holder hereof, this Note must be received, with the form below entitled "Option to Elect Repayment" duly completed, by the Issuing and Paying Agent at the Corporate Trust Office, or such other address of which the Company shall from time to time notify the holders of the Notes, not more than 60 nor less than 30 days prior to an Optional Repayment Date. Exercise of such repayment option by the holder hereof shall be irrevocable.

This Note may be redeemed at the option of the Company on any date on and after the Initial Redemption Date, if any,

specified on the face hereof (the "Redemption Date"). IF NO INITIAL REDEMPTION DATE IS SET FORTH ON THE FACE HEREOF, THIS NOTE MAY NOT BE REDEEMED AT THE OPTION OF THE COMPANY PRIOR TO THE STATED MATURITY DATE. On and after the Initial Redemption Date, if any, this Note may be redeemed at any time in whole or from time to time in part in increments of \$1,000 at the option of the Company at the applicable Redemption Price (as defined below) together with interest thereon payable to the Redemption Date, on notice given not more than 60 nor less than 30 days prior to the Redemption Date. In the event of redemption of this Note in part only, a new Note for the unredeemed portion hereof shall be issued in the name of the [Holder] hereof upon the surrender hereof.

If this Note is redeemable at the option of the Company, the "Redemption Price" shall initially be the Initial Redemption Percentage, specified on the face hereof, of the principal amount of this Note to be redeemed and shall decline at each anniversary of the Initial Redemption Date by the Annual Redemption Percentage Reduction, if any, specified on the face hereof, of the principal amount to be redeemed until the Redemption Price is 100% of such principal amount.

Accrued interest hereon shall be calculated by multiplying the face amount hereof by an accrued interest factor. Such accrued interest factor shall be computed by adding the interest factor calculated for each day from and including Original Issue Date, or from but excluding the last date to which interest has been paid, as the case may be, to and including the date for which accrued interest is being calculated. The interest factor (expressed as a decimal) for each such day shall be computed by dividing the interest rate in effect on such day by 360 or, in the case of Notes having the Treasury Rate as their Interest Rate Basis, by the actual number of days in the year.

Except as described below, this Note will bear interest at the rate determined by reference to the appropriate Interest Rate Basis and Index Maturity shown on the face hereof (i) plus or minus the Spread, if any, or (ii) multiplied by the Spread Multiplier, if any, specified on the face hereof. The interest rate in effect on each day shall be (a) if such day is an Interest Reset Date, the interest rate determined as of the Interest Determination Date (as defined below) pertaining to such Interest Reset Date or (b) if such day is not an Interest Reset Date, the interest rate determined as of the Interest Determination Date pertaining to the next preceding Interest Reset Date, provided that (i) the interest rate in effect from the Original Issue Date to the first Interest Reset Date shall be the Initial Interest Rate specified on the face hereof, and (ii) the interest rate in effect for the ten calendar days immediately prior to the Maturity Date shall be the rate in effect on the tenth calendar day preceding such Maturity Date. If any Interest Reset Date would otherwise be a day that is not a Business Day, such Interest Reset Date shall be postponed to the next day that is a Business Day, except that if the Interest Rate Basis specified on the face hereof is LIBOR, if such next Business Day is in the next succeeding calendar month, such Interest Reset Date shall be the immediately preceding Business Day. The term "Final Interest Payment Period" means the period from the final Interest Reset Date to the Maturity Date.

The Interest Determination Date with respect to any Note that has as its Interest Rate Basis the CD Rate, Commercial Paper Rate, the Federal Funds Rate or the Prime Rate will be the second Business Day preceding the Interest Reset Date. The Interest Determination Date with respect to LIBOR shall be the second London Banking Day (as defined below) preceding the Interest Reset Date. The Interest Determination Date with respect to the Treasury Rate shall be the day of the week in which the Interest Reset Date falls on which Treasury bills of the Index Maturity specified on the face hereof normally would be auctioned; PROVIDED, HOWEVER, that if as a result of a legal holiday an auction is held on the Friday of the week preceding the Interest Reset Date, the related Interest Determination Date shall be such preceding Friday; [and PROVIDED, FURTHER, that if an auction shall fall on any Interest Reset Date then the Interest Reset Date shall instead be the first Business Day following such auction.]

The "Calculation Date" pertaining to any Interest Determination Date shall be the earlier of (i) the tenth calendar day after such Interest Determination Date or, if such day is not a Business Day, the next succeeding Business Day, or (ii) the Business Day next preceding the applicable Interest Payment Date or Maturity Date, as the case may be.

All percentages resulting from any calculation on the Notes will be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point, with five one-millionths of a percentage point rounded upward, and all dollar amounts used in or resulting from such calculation on the Notes will be rounded to the nearest cent (with one-half cent being rounded upward).

DETERMINATION OF CD RATE. CD Rate means, with respect to an Interest Determination Date (a "CD Rate Interest Determination Date"), the rate on such CD Rate Interest Determination Date for negotiable certificates of deposit having the Index Maturity specified on the face hereof, as such rate is published by the Board of Governors of the Federal Reserve System (the "Federal Reserve Board") in "Statistical Release H.15(519), Selected Interest Rates," or any successor publication of the Federal Reserve Board ("H.15(519)"), under the heading "CDs (Secondary Market)," or, if not so published by 3:00 P.M., New York City time, on the Calculation Date pertaining to such CD Rate Interest Determination Date, the CD Rate will be the rate on such CD Rate Interest Determination Date for negotiable certificates of deposit of the Index Maturity specified on the face hereof, as published by the Federal Reserve Bank of New York in its daily statistical release "Composite 3:30 P.M. Quotations for U.S. Government Securities" ("Composite Quotations") under the heading "Certificates of Deposit." If such rate is not published in either H.15(519) or the Composite Quotations by 3:00 P.M., New York City time, on such Calculation Date, then the CD Rate on such CD Rate Interest Determination Date will be calculated by the Calculation Agent and will be the arithmetic mean of the secondary market offered rates as of 10:00 A.M., New York City time, on such CD Rate Interest Determination Date, of three leading nonbank dealers in negotiable U.S. dollar certificates of deposit in The City of New York selected by the Calculation Agent (after consultation with the Company) for negotiable certificates of deposit of major United States money center banks of the highest credit standing (in the market for negotiable certificates of deposit) with a remaining maturity closest to the Index Maturity specified on the face hereof in denominations of \$5,000,000; PROVIDED, HOWEVER, that if the dealers selected as aforesaid by the Calculation Agent are not quoting as set forth above, the CD Rate for such CD Rate Interest Determination Date will be the CD Rate in effect on such CD Rate Interest Determination Date.

DETERMINATION OF COMMERCIAL PAPER RATE. The Commercial Paper Rate means, with respect to an Interest Determination Date (a "Commercial Paper Rate Interest Determination Date"), the Money Market Yield (as defined below) of the rate on such date for commercial paper having the Index Maturity specified on the face hereof as published in H.15(519) under the heading "Commercial Paper." In the event such rate is not published by 3:00 P.M., New York City time, on the Calculation Date pertaining to such Commercial Paper Rate Interest Determination Date, the Commercial Paper Rate shall be the Money Market Yield on such Commercial Paper Rate Interest Determination Date of the rate for commercial paper having the Index Maturity specified on the face hereof as published in Composite Quotations under the heading "Commercial Paper." If such rate is not published in either H.15(519) or Composite Quotations by 3:00 P.M., New York City time, on such Calculation Date, the Commercial Paper Rate for that Commercial Paper Rate Interest Determination Date shall be calculated by the Calculation Agent and shall be the Money Market Yield of the arithmetic mean of the offered rates as of 11:00 A.M., New York City time, on such Commercial Paper Rate Interest Determination Date of three leading dealers of commercial paper in The City of New York selected by the Calculation Agent (after consultation with the Company) for commercial paper of the Index Maturity specified on the face hereof placed for an industrial issuer whose bond rating is "AA", or the equivalent, by a nationally recognized statistical rating agency; PROVIDED, HOWEVER, that if the dealers selected as aforesaid by the Calculation Agent are not quoting as set forth above, the Commercial Paper Rate with respect to such Commercial Paper Rate Interest Determination Date will be the Commercial Paper Rate then in effect on such Commercial Paper Rate Interest Determination Date.

"Money Market Yield" shall be the yield (expressed as a percentage rounded to the nearest one ten-thousandth of a percent, with five one hundred-thousandths of a percent rounded upward) calculated in accordance with the following formula:

$$\text{Money Market Yield} = \frac{360 - (D \times M)}{\quad} \times 100$$

where "D" refers to the per annum rate for commercial paper quoted on a bank discount basis and expressed as a decimal, and "M" refers to the actual number of days in the interest period for which interest is being calculated.

DETERMINATION OF FEDERAL FUNDS RATE. The Federal Funds Rate means, with respect to an Interest Determination Date (a "Federal Funds Rate Interest Determination Date"), the rate on that date for Federal Funds as published in H.15(519) under the heading "Federal Funds (Effective)." If H.15(519) is not so published by 3:00 P.M., New York City time, on the Calculation Date pertaining to such Federal Funds Rate Interest Determination Date, the Federal Funds Rate will be the rate on such Federal Funds Rate Interest Determination Date as published in Composite Quotations under the heading "Federal Funds/Effective Rate." If such rate is not yet published in either H.15(519) or Composite Quotations by 3:00 P.M., New York City time, on the Calculation Date pertaining to such Federal Funds Rate Interest Determination Date, the Federal Funds Rate for such Federal Funds Rate Interest Determination Date will be calculated by the Calculation Agent and will be the arithmetic mean of the rates for the last transaction in overnight Federal Funds as of 9:00 A.M., New York City time, on such Federal Funds Rate Interest Determination Date quoted by each of three leading brokers of Federal Funds transactions in The City of New York selected by the Calculation Agent (after consultation with the Company); PROVIDED, HOWEVER, that if fewer than three such brokers are so quoting such rates, the Federal Funds Rate with respect to such Federal Funds Rate Interest Determination Date will be the Federal Funds Rate then in effect on such Federal Funds Rate Interest Determination Date.

DETERMINATION OF LIBOR. LIBOR means the rate determined by the Calculation Agent in accordance with the following provisions:

(i) With respect to an Interest Determination Date (a "LIBOR Interest Determination Date"), LIBOR will be "LIBOR Telerate" unless "LIBOR Reuters" is specified in the applicable pricing supplement or LIBOR Telerate is not available. "LIBOR Telerate" is the rate for deposits in the LIBOR Currency (as defined below) having the Index Maturity specified on the face hereof that appears on the Designated LIBOR Page (as defined below) specified on the face hereof as of 11:00 A.M. London time, on that LIBOR Interest Determination Date. "LIBOR Reuters" is that rate which is the arithmetic mean of the offered rates (unless the specified Designated LIBOR Page by its terms provides only for a single rate, in which case such single rate shall be used) for deposits in the LIBOR Currency having the Index Maturity specified on the face hereof that appear on the Designated LIBOR Page specified on the face hereof as of 11:00 A.M. London time, on that LIBOR Interest Determination Date, if at least two such offered rates appear (unless, as aforesaid, only a single rate is required) on such Designated LIBOR Page. If LIBOR cannot be determined under this clause (i), LIBOR in respect of the related LIBOR Interest Determination Date will be determined as if the parties had specified the rate described in clause (ii) below.

(ii) With respect to a LIBOR Interest Determination Date on which LIBOR cannot be determined under clause (i) above, the Calculation Agent will request the principal London offices of each of four major reference banks in the London interbank market, as selected by the Calculation Agent (after consultation with the Company) to provide the Calculation Agent with its offered quotation for deposits in the LIBOR Currency for the period of the Index Maturity specified on the face hereof to prime banks in the London interbank market at approximately 11:00 A.M., London time, on such LIBOR Interest Determination Date and in a principal amount that is representative for a single transaction in such LIBOR Currency in such market at such time. If at least two such quotations are provided, LIBOR determined on such LIBOR Interest Determination Date will be the arithmetic mean of such quotations. If fewer than two such quotations are provided, LIBOR for such LIBOR Interest Determination Date will be the arithmetic mean of the rates quoted at approximately 11:00 A.M. in the applicable Principal Financial Center (as defined below), on such LIBOR Interest Determination Date by three major banks in such Principal Financial Center selected by the Calculation Agent

(after consultation with the Company) for loans in the LIBOR Currency to leading European banks, having the Index Maturity specified on the face hereof and in a principal amount that is representative for a single transaction in such LIBOR Currency in such market at such time; PROVIDED, HOWEVER, that if the banks so selected by the Calculation Agent are not quoting as mentioned in this sentence, LIBOR determined on such LIBOR Interest determination Date will be LIBOR then in effect on such LIBOR Interest Determination Date.

"LIBOR Currency" means the currency (including composite currencies) specified on the face hereof for which LIBOR shall be calculated. If no such currency is specified on the face hereof, the LIBOR Currency shall be U.S. dollars.

"Designated LIBOR Page" means either (a) if "LIBOR Reuters" is specified on the face hereof, the display on the Reuters Monitor Money Rates Service for the purpose of displaying the London interbank rates of major banks for the applicable LIBOR Currency, or (b) if "LIBOR Telerate" is specified on the face hereof, the display on the Dow Jones Telerate Service for the purpose of displaying the London interbank rates of major banks for the applicable LIBOR Currency. If neither LIBOR Reuters nor LIBOR Telerate is specified on the face hereof, LIBOR for the applicable LIBOR Currency will be determined as if LIBOR Reuters (and, if the U.S. dollar is the LIBOR Currency, LIBO Page) had been specified.

"Principal Financial Center" shall generally be the capital city of the country of the specified LIBOR Currency, except that with respect to U.S. dollars, Deutsche Marks and ECUs, the Principal Financial Center shall be The City of New York, Frankfurt and Luxembourg, respectively.

DETERMINATION OF PRIME RATE. Prime Rate means, with respect to an Interest Determination Date (a "Prime Rate Interest Determination Date"), the rate set forth on such date in H.15(519) under the heading "Bank Prime Loan," or if not so published prior to 9:00 A.M. New York City time, on the Calculation Date pertaining to such Prime Rate Interest Determination Date, then the Prime Rate will be determined by the Calculation Agent and will be the arithmetic mean of the rates of interest publicly announced by each bank that appears on the Reuters Screen NYMF Page (as defined below) as such bank's prime rate or base lending rates as in effect for that Prime Rate Interest Determination Date. If fewer than four such rates but more than one such rate appear on the Reuters Screen NYMF Page for the Prime Rate Interest Determination Date, the Prime Rate will be determined by the Calculation Agent and will be the arithmetic mean of the prime rates, quoted on the basis of the actual number of days in the year divided by a 360-day year, as of the close of business on such Prime Rate Interest Determination Date by four major money center banks in The City of New York as selected by the Calculation Agent (after consultation with the Company). If fewer than two such quotations are provided, the Prime Rate shall be determined by the Calculation Agent as of the close of business on the Prime Rate Interest Determination Date, on the basis of the prime rates, as of the close of business on such date, furnished in The City of New York by the appropriate number of substitute banks or trust companies organized and doing business under the laws of the United States, or any State thereof, having total equity capital of at least \$500 million and being subject to supervision or examination by Federal or State authority, selected by the Calculation Agent (after consultation with the Company) to provide such rate or rates; PROVIDED, HOWEVER, that if the banks selected as aforesaid are not quoting as mentioned in this sentence, the Prime Rate for such Prime Rate Interest Determination Date will be the Prime Rate then in effect on such Prime Rate Interest Determination Date.

"Reuters Screen NYMF Page" means the display designated as page "NYMF" on the Reuters Monitor Money Rates Service (or such other page as may replace the NYMF page on that service for the purpose of displaying prime rates or base lending rates of major United States banks).

DETERMINATION OF TREASURY RATE. Treasury Rate means, with respect to an Interest Determination Date (a "Treasury Rate Interest Determination Date"), the rate for the auction held on such Treasury Rate Interest Determination Date of direct obligations of the United States ("Treasury Bills") having the Index Maturity specified on the face hereof, as published in H.15(519) under the heading "U.S. Government Securities --

Treasury Bills -- auction average (investment)." If such rate is not published by 3:00 P.M., New York City time, on the Calculation Date pertaining to such Treasury Rate Interest Determination Date, the Treasury Rate will be the auction average rate (expressed as a bond equivalent on the basis of a year of 365 or 366 days, as applicable, and applied on a daily basis) on such Treasury Rate Interest Determination Date as otherwise announced by the United States Department of the Treasury. In the event that the results of the auction of Treasury bills having the Index Maturity specified on the face hereof are not reported as provided by 3:00 P.M., New York City time, on such Calculation Date, or if no such auction is held on such Treasury Rate Interest Determination Date, then the Treasury Rate for such Treasury Rate Interest Determination Date shall be a yield to maturity (expressed as a bond equivalent, on the basis of a year of 365 or 366 days, as applicable, and applied on a daily basis) of the arithmetic mean of the secondary market bid rates, as of approximately 3:30 P.M., New York City time, on such Treasury Rate Interest Determination Date, of three leading primary United States government securities dealers selected by the Calculation Agent (after consultation with the Company), for the issue of Treasury bills with a remaining maturity closest to the Index Maturity specified on the face hereof; PROVIDED, HOWEVER, that if the dealers selected as aforesaid by the Calculation Agent are not quoting as mentioned in this sentence, the Treasury Rate with respect to such Treasury Rate Interest Determination Date will be the Treasury Rate then in effect on such Treasury Rate Interest Determination Date.

Notwithstanding the foregoing, the interest rate hereon shall not be greater than the Maximum Interest Rate, if any, or less than the Minimum Interest Rate, if any, specified on the face hereof. The Calculation Agent shall calculate the interest rate hereon in accordance with the foregoing on or before each Calculation Date. The interest rate on this Note will in no event be higher than the maximum rate permitted by New York law, as the same may be modified by United States law of general application.

At the request of the holder hereof, the Calculation Agent will provide to the holder hereof the interest rate hereon then in effect and, if determined, the interest rate which will become effective as of the next Interest Reset Date.

If an Event of Default (defined in the Indenture as certain events involving the bankruptcy of the Company) shall occur with respect to the Notes, the principal of all the Notes may be declared due and payable in the manner and with the effect provided in the Indenture. There is no right of acceleration provided in the Indenture in case of a default in the payment of interest or the performance of any other covenant by the Company.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the rights of the holders of the Notes under the Indenture at any time by the Company with the consent of the holders of not less than 66 2/3% in aggregate principal amount of the Notes then outstanding and all other Securities then outstanding under the Indenture and affected by such amendment and modification. The Indenture also contains provisions permitting the holders of a majority in aggregate principal amount of the Notes then outstanding and all other Securities then outstanding under the Indenture and affected thereby, on behalf of the holders of all such Securities, to waive compliance by the Company with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences. Any such consent or waiver by the holder of this Note shall be conclusive and binding upon such holder and upon all future holders of this Note and of any Note issued upon the registration of transfer hereof or in exchange hereof or in lieu hereof whether or not notation of such consent or waiver is made upon this Note.

No reference herein to the Indenture and no provision of this Note or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of and interest on this Note at the time, place and rate, and in the coin or currency, herein prescribed.

No recourse shall be had for the payment of the principal of or the interest on this Note, or for any claim based hereon, or otherwise in respect hereof, or based on or in respect of the Indenture or any indenture supplemented thereto, against any incorporator, stockholder, officer or director, as such, past, present or future, of the Company or any predecessor or successor

corporation, whether by virtue of any constitution, statute or rule of law, or by the enforcement of any assessment or penalty or otherwise, all such liability being, by the acceptance hereof and as part of the consideration for issue hereof, expressly waived and released.

As provided in the Indenture and subject to certain limitations therein set forth, the transfer of this Note may be registered on the registry books of the Company relating to the Notes, upon surrender of this Note for registration of transfer at the office or agency of the Company designated by it pursuant to the Indenture, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Company and the Trustee duly executed by, the holder hereof or his attorney duly authorized in writing, and thereupon one or more new Notes, of authorized denominations and for the same aggregate principal amount, will be issued to the designated transferee or transferees.

The Notes are issuable only as registered Notes without coupons in denominations of \$1,000 and any integral multiple thereof. As provided in the Indenture, and subject to certain limitations therein set forth, Notes are exchangeable for a like aggregate principal amount of Notes of different authorized denominations, as requested by the holder surrendering the same.

No service charge will be made for any such registration of transfer or exchange, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

Prior to due presentment for registration of transfer of this Note, the Company, the Issuing and Paying Agent and any agent of the Company or the Issuing and Paying Agent may treat the [Person] in whose name this Note is registered as the absolute owner hereof for the purpose of receiving payment as herein provided and for all other purposes, whether or not this Note be overdue, and neither the Company, the Issuing and Paying Agent nor any such agent shall be affected by notice to the contrary.

All terms used in this Note which are defined in the Indenture shall have the meanings assigned to them in the Indenture.

The book-entry system maintained by Depository Trust Company ("DTC") will evidence ownership of the Notes, with transfers of ownership effected on the records of DTC and its participants pursuant to rules and procedures established by DTC and its participants. Interest on this Note will accrue from the Original Issue Date specified above until the principal amount is paid and will be computed as hereinafter described. Interest payable on this Note on any Interest Payment Date or the Maturity Date will include interest accrued from and including the next preceding Interest Payment Date in respect of which interest has been paid or duly provided for or, if no interest has been paid, from the Original Issue Date specified above, to but excluding such Interest Payment Date or Maturity Date, as the case may be; PROVIDED, HOWEVER, that if the Interest Rate Reset Period with respect to this Note is daily or weekly, interest payable on any Interest Payment Date or the Maturity Date will include interest accrued from but excluding the Regular Record Date through which interest has been paid to and including the Regular Record Date next preceding such Interest Payment Date, except that interest payable on any such Maturity Date will include interest accrued to, but excluding, such Maturity Date. NATIONSBANK CORPORATION
MEDIUM-TERM SUBORDINATED NOTE,
SERIES C
(Floating Rate)

This Medium-Term Note is one of a duly authorized series of Securities of the Company designated as its Subordinated Medium-Term Notes, Series C (herein called the "Notes"), limited in aggregate principal amount to \$1,000,000,000, issued and to be issued under an Indenture dated as of November 1, 1992 (herein called the "Indenture"), between the Company and The Bank of New York, as Trustee as amended by the First Supplemental Indenture thereto dated as of July 1, 1993 (herein called the "Trustee"), to which Indenture and all indentures supplemental thereto reference is hereby made for a statement of the respective rights thereunder of the Company, the Trustee and the holders of the Notes, and the terms upon which the Notes are, and are to be, authenticated and delivered. The Notes may bear different dates, mature at different times, bear interest at different rates and vary in such other ways as are provided in the Indenture.

The Indebtedness of the Company evidenced by the Notes, including the principal thereof and interest thereon, is, top the extent and in the manner set forth in the Indenture, subordinate and junior in right of payment to its obligations to holders of Senior Indebtedness, as defined in the Indenture, and each holder of the Notes, by the acceptance hereof, agrees to and shall be bound by such provisions of the Indenture.

This Note is not subject to any sinking fund.

This Note may be subject to repayment at the option of the holder only if Optional Repayment Date(s) are indicated on the face hereof. IF NO OPTIONAL REPAYMENT DATES ARE SET FORTH ON THE FACE HEREOF, THIS NOTE MAY NOT BE SO REPAID AT THE OPTION OF THE HOLDER HEREOF PRIOR TO THE STATED MATURITY DATE. On any Optional Repayment Date, this Note shall be repayable in whole or in part in increments of \$1,000 at the option of the holder hereof at a repayment price equal to 100% of the principal amount to be repaid, together with interest thereon payable to the date of repayment. For this Note to be repaid in whole or in part at the option of the holder hereof, this Note must be received, with the form below entitled "Option to Elect Repayment" duly completed, by the Issuing and Paying Agent at the Corporate Trust Office, or such other address of which the Company shall from time to time notify the holders of the Notes, not more than 60 nor less than 30 days prior to an Optional Repayment Date. Exercise of such repayment option by the holder hereof shall be irrevocable.

This Note may be redeemed at the option of the Company on any date on and after the Initial Redemption Date, if any,

specified on the face hereof (the "Redemption Date"). IF NO INITIAL REDEMPTION DATE IS SET FORTH ON THE FACE HEREOF, THIS NOTE MAY NOT BE REDEEMED AT THE OPTION OF THE COMPANY PRIOR TO THE STATED MATURITY DATE. On and after the Initial Redemption Date, if any, this Note may be redeemed at any time in whole or from time to time in part in increments of \$1,000 at the option of the Company at the applicable Redemption Price (as defined below) together with interest thereon payable to the Redemption Date, on notice given not more than 60 nor less than 30 days prior to the Redemption Date. In the event of redemption of this Note in part only, a new Note for the unredeemed portion hereof shall be issued in the name of the [Holder] hereof upon the surrender hereof.

If this Note is redeemable at the option of the Company, the "Redemption Price" shall initially be the Initial Redemption Percentage, specified on the face hereof, of the principal amount of this Note to be redeemed and shall decline at each anniversary of the Initial Redemption Date by the Annual Redemption Percentage Reduction, if any, specified on the face hereof, of the principal amount to be redeemed until the Redemption Price is 100% of such principal amount.

Accrued interest hereon shall be calculated by multiplying the face amount hereof by an accrued interest factor. Such accrued interest factor shall be computed by adding the interest factor calculated for each day from and including Original Issue Date, or from but excluding the last date to which interest has been paid, as the case may be, to and including the date for which accrued interest is being calculated. The interest factor (expressed as a decimal) for each such day shall be computed by dividing the interest rate in effect on such day by 360 or, in the case of Notes having the Treasury Rate as their Interest Rate Basis, by the actual number of days in the year.

Except as described below, this Note will bear interest at the rate determined by reference to the appropriate Interest Rate Basis and Index Maturity shown on the face hereof (i) plus or minus the Spread, if any, or (ii) multiplied by the Spread Multiplier, if any, specified on the face hereof. The interest rate in effect on each day shall be (a) if such day is an Interest Reset Date, the interest rate determined as of the Interest Determination Date (as defined below) pertaining to such Interest Reset Date or (b) if such day is not an Interest Reset Date, the interest rate determined as of the Interest Determination Date pertaining to the next preceding Interest Reset Date, provided that (i) the interest rate in effect from the Original Issue Date to the first Interest Reset Date shall be the Initial Interest Rate specified on the face hereof, and (ii) the interest rate in effect for the ten calendar days immediately prior to the Maturity Date shall be the rate in effect on the tenth calendar day preceding such Maturity Date. If any Interest Reset Date would otherwise be a day that is not a Business Day, such Interest Reset Date shall be postponed to the next day that is a Business Day, except that if the Interest Rate Basis specified on the face hereof is LIBOR, if such next Business Day is in the next succeeding calendar month, such Interest Reset Date shall be the immediately preceding Business Day. The term "Final Interest Payment Period" means the period from the final Interest Reset Date to the Maturity Date.

The Interest Determination Date with respect to any Note that has as its Interest Rate Basis the CD Rate, Commercial Paper Rate, the Federal Funds Rate or the Prime Rate will be the second Business Day preceding the Interest Reset Date. The Interest Determination Date with respect to LIBOR shall be the second London Banking Day (as defined below) preceding the Interest Reset Date. The Interest Determination Date with respect to the Treasury Rate shall be the day of the week in which the Interest Reset Date falls on which Treasury bills of the Index Maturity specified on the face hereof normally would be auctioned; PROVIDED, HOWEVER, that if as a result of a legal holiday an auction is held on the Friday of the week preceding the Interest Reset Date, the related Interest Determination Date shall be such preceding Friday; [and PROVIDED, FURTHER, that if an auction shall fall on any Interest Reset Date then the Interest Reset Date shall instead be the first Business Day following such auction.]

The "Calculation Date" pertaining to any Interest Determination Date shall be the earlier of (i) the tenth calendar day after such Interest Determination Date or, if such day is not a Business Day, the next succeeding Business Day, or (ii) the Business Day next preceding the applicable Interest Payment Date or Maturity Date, as the case may be.

All percentages resulting from any calculation on the Notes will be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point, with five one-millionths of a percentage point rounded upward, and all dollar amounts used in or resulting from such calculation on the Notes will be rounded to the nearest cent (with one-half cent being rounded upward).

DETERMINATION OF CD RATE. CD Rate means, with respect to an Interest Determination Date (a "CD Rate Interest Determination Date"), the rate on such CD Rate Interest Determination Date for negotiable certificates of deposit having the Index Maturity specified on the face hereof, as such rate is published by the Board of Governors of the Federal Reserve System (the "Federal Reserve Board") in "Statistical Release H.15(519), Selected Interest Rates," or any successor publication of the Federal Reserve Board ("H.15(519)"), under the heading "CDs (Secondary Market)," or, if not so published by 3:00 P.M., New York City time, on the Calculation Date pertaining to such CD Rate Interest Determination Date, the CD Rate will be the rate on such CD Rate Interest Determination Date for negotiable certificates of deposit of the Index Maturity specified on the face hereof, as published by the Federal Reserve Bank of New York in its daily statistical release "Composite 3:30 P.M. Quotations for U.S. Government Securities" ("Composite Quotations") under the heading "Certificates of Deposit." If such rate is not published in either H.15(519) or the Composite Quotations by 3:00 P.M., New York City time, on such Calculation Date, then the CD Rate on such CD Rate Interest Determination Date will be calculated by the Calculation Agent and will be the arithmetic mean of the secondary market offered rates as of 10:00 A.M., New York City time, on such CD Rate Interest Determination Date, of three leading nonbank dealers in negotiable U.S. dollar certificates of deposit in The City of New York selected by the Calculation Agent (after consultation with the Company) for negotiable certificates of deposit of major United States money center banks of the highest credit standing (in the market for negotiable certificates of deposit) with a remaining maturity closest to the Index Maturity specified on the face hereof in denominations of \$5,000,000; PROVIDED, HOWEVER, that if the dealers selected as aforesaid by the Calculation Agent are not quoting as set forth above, the CD Rate for such CD Rate Interest Determination Date will be the CD Rate in effect on such CD Rate Interest Determination Date.

DETERMINATION OF COMMERCIAL PAPER RATE. The Commercial Paper Rate means, with respect to an Interest Determination Date (a "Commercial Paper Rate Interest Determination Date"), the Money Market Yield (as defined below) of the rate on such date for commercial paper having the Index Maturity specified on the face hereof as published in H.15(519) under the heading "Commercial Paper." In the event such rate is not published by 3:00 P.M., New York City time, on the Calculation Date pertaining to such Commercial Paper Rate Interest Determination Date, the Commercial Paper Rate shall be the Money Market Yield on such Commercial Paper Rate Interest Determination Date of the rate for commercial paper having the Index Maturity specified on the face hereof as published in Composite Quotations under the heading "Commercial Paper." If such rate is not published in either H.15(519) or Composite Quotations by 3:00 P.M., New York City time, on such Calculation Date, the Commercial Paper Rate for that Commercial Paper Rate Interest Determination Date shall be calculated by the Calculation Agent and shall be the Money Market Yield of the arithmetic mean of the offered rates as of 11:00 A.M., New York City time, on such Commercial Paper Rate Interest Determination Date of three leading dealers of commercial paper in The City of New York selected by the Calculation Agent (after consultation with the Company) for commercial paper of the Index Maturity specified on the face hereof placed for an industrial issuer whose bond rating is "AA", or the equivalent, by a nationally recognized statistical rating agency; PROVIDED, HOWEVER, that if the dealers selected as aforesaid by the Calculation Agent are not quoting as set forth above, the Commercial Paper Rate with respect to such Commercial Paper Rate Interest Determination Date will be the Commercial Paper Rate then in effect on such Commercial Paper Rate Interest Determination Date.

"Money Market Yield" shall be the yield (expressed as a percentage rounded to the nearest one ten-thousandth of a percent, with five one hundred-thousandths of a percent rounded upward) calculated in accordance with the following formula:

$$\text{Money Market Yield} = \frac{\quad}{360 - (D \times M)} \times 100$$

where "D" refers to the per annum rate for commercial paper quoted on a bank discount basis and expressed as a decimal, and "M" refers to the actual number of days in the interest period for which interest is being calculated.

DETERMINATION OF FEDERAL FUNDS RATE. The Federal Funds Rate means, with respect to an Interest Determination Date (a "Federal Funds Rate Interest Determination Date"), the rate on that date for Federal Funds as published in H.15(519) under the heading "Federal Funds (Effective)." If H.15(519) is not so published by 3:00 P.M., New York City time, on the Calculation Date pertaining to such Federal Funds Rate Interest Determination Date, the Federal Funds Rate will be the rate on such Federal Funds Rate Interest Determination Date as published in Composite Quotations under the heading "Federal Funds/Effective Rate." If such rate is not yet published in either H.15(519) or Composite Quotations by 3:00 P.M., New York City time, on the Calculation Date pertaining to such Federal Funds Rate Interest Determination Date, the Federal Funds Rate for such Federal Funds Rate Interest Determination Date will be calculated by the Calculation Agent and will be the arithmetic mean of the rates for the last transaction in overnight Federal Funds as of 9:00 A.M., New York City time, on such Federal Funds Rate Interest Determination Date quoted by each of three leading brokers of Federal Funds transactions in The City of New York selected by the Calculation Agent (after consultation with the Company); PROVIDED, HOWEVER, that if fewer than three such brokers are so quoting such rates, the Federal Funds Rate with respect to such Federal Funds Rate Interest Determination Date will be the Federal Funds Rate then in effect on such Federal Funds Rate Interest Determination Date.

DETERMINATION OF LIBOR. LIBOR means the rate determined by the Calculation Agent in accordance with the following provisions:

(i) With respect to an Interest Determination Date (a "LIBOR Interest Determination Date"), LIBOR will be "LIBOR Telerate" unless "LIBOR Reuters" is specified in the applicable pricing supplement or LIBOR Telerate is not available. "LIBOR Telerate" is the rate for deposits in the LIBOR Currency (as defined below) having the Index Maturity specified on the face hereof that appears on the Designated LIBOR Page (as defined below) specified on the face hereof as of 11:00 A.M. London time, on that LIBOR Interest Determination Date. "LIBOR Reuters" is that rate which is the arithmetic mean of the offered rates (unless the specified Designated LIBOR Page by its terms provides only for a single rate, in which case such single rate shall be used) for deposits in the LIBOR Currency having the Index Maturity specified on the face hereof that appear on the Designated LIBOR Page specified on the face hereof as of 11:00 A.M. London time, on that LIBOR Interest Determination Date, if at least two such offered rates appear (unless, as aforesaid, only a single rate is required) on such Designated LIBOR Page. If LIBOR cannot be determined under this clause (i), LIBOR in respect of the related LIBOR Interest Determination Date will be determined as if the parties had specified the rate described in clause (ii) below.

(ii) With respect to a LIBOR Interest Determination Date on which LIBOR cannot be determined under clause (i) above, the Calculation Agent will request the principal London offices of each of four major reference banks in the London interbank market, as selected by the Calculation Agent (after consultation with the Company) to provide the Calculation Agent with its offered quotation for deposits in the LIBOR Currency for the period of the Index Maturity specified on the face hereof to prime banks in the London interbank market at approximately 11:00 A.M., London time, on such LIBOR Interest Determination Date and in a principal amount that is representative for a single transaction in such LIBOR Currency in such market at such time. If at least two such quotations are provided, LIBOR determined on such LIBOR Interest Determination Date will be the arithmetic mean of such quotations. If fewer than two such quotations are provided, LIBOR for such LIBOR Interest Determination Date will be the arithmetic mean of the rates quoted at approximately 11:00 A.M. in the applicable Principal Financial Center (as defined below), on such LIBOR Interest Determination Date by three major banks in such Principal Financial Center selected by the Calculation Agent

(after consultation with the Company) for loans in the LIBOR Currency to leading European banks, having the Index Maturity specified on the face hereof and in a principal amount that is representative for a single transaction in such LIBOR Currency in such market at such time; PROVIDED, HOWEVER, that if the banks so selected by the Calculation Agent are not quoting as mentioned in this sentence, LIBOR determined on such LIBOR Interest determination Date will be LIBOR then in effect on such LIBOR Interest Determination Date.

"LIBOR Currency" means the currency (including composite currencies) specified on the face hereof for which LIBOR shall be calculated. If no such currency is specified on the face hereof, the LIBOR Currency shall be U.S. dollars.

"Designated LIBOR Page" means either (a) if "LIBOR Reuters" is specified on the face hereof, the display on the Reuters Monitor Money Rates Service for the purpose of displaying the London interbank rates of major banks for the applicable LIBOR Currency, or (b) if "LIBOR Telerate" is specified on the face hereof, the display on the Dow Jones Telerate Service for the purpose of displaying the London interbank rates of major banks for the applicable LIBOR Currency. If neither LIBOR Reuters nor LIBOR Telerate is specified on the face hereof, LIBOR for the applicable LIBOR Currency will be determined as if LIBOR Reuters (and, if the U.S. dollar is the LIBOR Currency, LIBO Page) had been specified.

"Principal Financial Center" shall generally be the capital city of the country of the specified LIBOR Currency, except that with respect to U.S. dollars, Deutsche Marks and ECUs, the Principal Financial Center shall be The City of New York, Frankfurt and Luxembourg, respectively.

DETERMINATION OF PRIME RATE. Prime Rate means, with respect to an Interest Determination Date (a "Prime Rate Interest Determination Date"), the rate set forth on such date in H.15(519) under the heading "Bank Prime Loan," or if not so published prior to 9:00 A.M. New York City time, on the Calculation Date pertaining to such Prime Rate Interest Determination Date, then the Prime Rate will be determined by the Calculation Agent and will be the arithmetic mean of the rates of interest publicly announced by each bank that appears on the Reuters Screen NYMF Page (as defined below) as such bank's prime rate or base lending rates as in effect for that Prime Rate Interest Determination Date. If fewer than four such rates but more than one such rate appear on the Reuters Screen NYMF Page for the Prime Rate Interest Determination Date, the Prime Rate will be determined by the Calculation Agent and will be the arithmetic mean of the prime rates, quoted on the basis of the actual number of days in the year divided by a 360-day year, as of the close of business on such Prime Rate Interest Determination Date by four major money center banks in The City of New York as selected by the Calculation Agent (after consultation with the Company). If fewer than two such quotations are provided, the Prime Rate shall be determined by the Calculation Agent as of the close of business on the Prime Rate Interest Determination Date, on the basis of the prime rates, as of the close of business on such date, furnished in The City of New York by the appropriate number of substitute banks or trust companies organized and doing business under the laws of the United States, or any State thereof, having total equity capital of at least \$500 million and being subject to supervision or examination by Federal or State authority, selected by the Calculation Agent (after consultation with the Company) to provide such rate or rates; PROVIDED, HOWEVER, that if the banks selected as aforesaid are not quoting as mentioned in this sentence, the Prime Rate for such Prime Rate Interest Determination Date will be the Prime Rate then in effect on such Prime Rate Interest Determination Date.

"Reuters Screen NYMF Page" means the display designated as page "NYMF" on the Reuters Monitor Money Rates Service (or such other page as may replace the NYMF page on that service for the purpose of displaying prime rates or base lending rates of major United States banks).

DETERMINATION OF TREASURY RATE. Treasury Rate means, with respect to an Interest Determination Date (a "Treasury Rate Interest Determination Date"), the rate for the auction held on such Treasury Rate Interest Determination Date of direct obligations of the United States ("Treasury Bills") having the Index Maturity specified on the face hereof, as published in H.15(519) under the heading "U.S. Government Securities --

Treasury Bills -- auction average (investment)." If such rate is not published by 3:00 P.M., New York City time, on the Calculation Date pertaining to such Treasury Rate Interest Determination Date, the Treasury Rate will be the auction average rate (expressed as a bond equivalent on the basis of a year of 365 or 366 days, as applicable, and applied on a daily basis) on such Treasury Rate Interest Determination Date as otherwise announced by the United States Department of the Treasury. In the event that the results of the auction of Treasury bills having the Index Maturity specified on the face hereof are not reported as provided by 3:00 P.M., New York City time, on such Calculation Date, or if no such auction is held on such Treasury Rate Interest Determination Date, then the Treasury Rate for such Treasury Rate Interest Determination Date shall be a yield to maturity (expressed as a bond equivalent, on the basis of a year of 365 or 366 days, as applicable, and applied on a daily basis) of the arithmetic mean of the secondary market bid rates, as of approximately 3:30 P.M., New York City time, on such Treasury Rate Interest Determination Date, of three leading primary United States government securities dealers selected by the Calculation Agent (after consultation with the Company), for the issue of Treasury bills with a remaining maturity closest to the Index Maturity specified on the face hereof; PROVIDED, HOWEVER, that if the dealers selected as aforesaid by the Calculation Agent are not quoting as mentioned in this sentence, the Treasury Rate with respect to such Treasury Rate Interest Determination Date will be the Treasury Rate then in effect on such Treasury Rate Interest Determination Date.

Notwithstanding the foregoing, the interest rate hereon shall not be greater than the Maximum Interest Rate, if any, or less than the Minimum Interest Rate, if any, specified on the face hereof. The Calculation Agent shall calculate the interest rate hereon in accordance with the foregoing on or before each Calculation Date. The interest rate on this Note will in no event be higher than the maximum rate permitted by New York law, as the same may be modified by United States law of general application.

At the request of the holder hereof, the Calculation Agent will provide to the holder hereof the interest rate hereon then in effect and, if determined, the interest rate which will become effective as of the next Interest Reset Date.

If an Event of Default (defined in the Indenture as certain events involving the bankruptcy of the Company) shall occur with respect to the Notes, the principal of all the Notes may be declared due and payable in the manner and with the effect provided in the Indenture. There is no right of acceleration provided in the Indenture in case of a default in the payment of interest or the performance of any other covenant by the Company.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the rights of the holders of the Notes under the Indenture at any time by the Company with the consent of the holders of not less than 66 2/3% in aggregate principal amount of the Notes then outstanding and all other Securities then outstanding under the Indenture and affected by such amendment and modification. The Indenture also contains provisions permitting the holders of a majority in aggregate principal amount of the Notes then outstanding and all other Securities then outstanding under the Indenture and affected thereby, on behalf of the holders of all such Securities, to waive compliance by the Company with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences. Any such consent or waiver by the holder of this Note shall be conclusive and binding upon such holder and upon all future holders of this Note and of any Note issued upon the registration of transfer hereof or in exchange hereof or in lieu hereof whether or not notation of such consent or waiver is made upon this Note.

No reference herein to the Indenture and no provision of this Note or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of and interest on this Note at the time, place and rate, and in the coin or currency, herein prescribed.

No recourse shall be had for the payment of the principal of or the interest on this Note, or for any claim based hereon, or otherwise in respect hereof, or based on or in respect of the Indenture or any indenture supplemented thereto, against any incorporator, stockholder, officer or director, as such, past, present or future, of the Company or any predecessor or successor

corporation, whether by virtue of any constitution, statute or rule of law, or by the enforcement of any assessment or penalty or otherwise, all such liability being, by the acceptance hereof and as part of the consideration for issue hereof, expressly waived and released.

As provided in the Indenture and subject to certain limitations therein set forth, the transfer of this Note may be registered on the registry books of the Company relating to the Notes, upon surrender of this Note for registration of transfer at the office or agency of the Company designated by it pursuant to the Indenture, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Company and the Trustee duly executed by, the holder hereof or his attorney duly authorized in writing, and thereupon one or more new Notes, of authorized denominations and for the same aggregate principal amount, will be issued to the designated transferee or transferees.

The Notes are issuable only as registered Notes without coupons in denominations of \$1,000 and any integral multiple thereof. As provided in the Indenture, and subject to certain limitations therein set forth, Notes are exchangeable for a like aggregate principal amount of Notes of different authorized denominations, as requested by the holder surrendering the same.

No service charge will be made for any such registration of transfer or exchange, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

Prior to due presentment for registration of transfer of this Note, the Company, the Issuing and Paying Agent and any agent of the Company or the Issuing and Paying Agent may treat the [Person] in whose name this Note is registered as the absolute owner hereof for the purpose of receiving payment as herein provided and for all other purposes, whether or not this Note be overdue, and neither the Company, the Issuing and Paying Agent nor any such agent shall be affected by notice to the contrary.

All terms used in this Note which are defined in the Indenture shall have the meanings assigned to them in the Indenture.

[NOTES ISSUED AND OUTSTANDING PURSUANT TO A BOOK-ENTRY SYSTEM SHALL BE DEEMED TO CONTAIN THE FOLLOWING PARAGRAPH: The Notes are being issued by means of a book-entry system with no physical distribution of certificates to be made except as provided in the Indenture. The book-entry system maintained by Depository Trust Company ("DTC") will evidence ownership of the Notes, with transfers of ownership effected on the records of DTC and its participants pursuant to rules and procedures established by DTC and its participants. The Company will pay interest on the Interest Payment Dates specified above, commencing with the first Interest Payment Date next succeeding the Original Issue Date specified above, unless the Original Issue Date occurs between a Regular Record Date, as defined below, and the next succeeding Interest Payment Date, in which case commencing on the Interest Payment Date following the next succeeding Regular Record Date,

and on the Stated Maturity Date shown above (or any Redemption Date as defined on the reverse hereof or any Optional Repayment Date with respect to which such option has been exercised, each such Stated Maturity Date, Redemption Date and Optional Repayment Date being herein referred to as a "Maturity Date" with respect to the principal repayable on such date). Interest on this Note will accrue from the Original Issue Date specified above until the principal amount is paid and will be computed as hereinafter described. Interest payable on this Note on any Interest Payment Date or the Maturity Date will include interest accrued from and including the next preceding Interest Payment Date in respect of which interest has been paid or duly provided for or, if no interest has been paid, from the Original Issue Date specified above, to but excluding such Interest Payment Date or Maturity Date, as the case may be; PROVIDED, HOWEVER, that if the Interest Rate Reset Period with respect to this Note is daily or weekly, interest payable on any Interest Payment Date or the Maturity Date will include interest accrued from but excluding the Regular Record Date through which interest has been paid to and including the Regular Record Date next preceding such Interest Payment Date, except that interest payable on any such Maturity Date will include interest accrued to, but excluding, such Maturity Date. If any Interest Payment Date falls on a day which is not a Business Day, as defined below, such Interest Payment Date shall be the following day that is a Business Day, except that if the Interest Rate Basis is LIBOR, if such next Business Day falls in the next succeeding calendar month, such Interest Payment Date will be the preceding day that is a Business Day; and if the Maturity Date falls on a day which is not a Business Day, principal or interest payable with respect to such Maturity Date will be paid on the next succeeding Business Day with the same force and effect as if made on such Maturity Date, and no additional interest shall accrue for the period from and after such Maturity Date. Any such interest not punctually paid or duly provided for shall be payable as provided in the Indenture. NATIONSBANK CORPORATION
MEDIUM-TERM SUBORDINATED NOTE,
SERIES C
(Floating Rate)

This Medium-Term Note is one of a duly authorized series of Securities of the Company designated as its Subordinated Medium-Term Notes, Series C (herein called the "Notes"), limited in aggregate principal amount to \$1,000,000,000, issued and to be issued under an Indenture dated as of November 1, 1992 (herein called the "Indenture"), between the Company and The Bank of New York, as Trustee as amended by the First Supplemental Indenture thereto dated as of July 1, 1993 (herein called the "Trustee"), to which Indenture and all indentures supplemental thereto reference is hereby made for a statement of the respective rights thereunder of the Company, the Trustee and the holders of the Notes, and the terms upon which the Notes are, and are to be, authenticated and delivered. The Notes may bear different dates, mature at different times, bear interest at different rates and vary in such other ways as are provided in the Indenture.

The Indebtedness of the Company evidenced by the Notes, including the principal thereof and interest thereon, is, top the extent and in the manner set forth in the Indenture, subordinate and junior in right of payment to its obligations to holders of Senior Indebtedness, as defined in the Indenture, and each holder of the Notes, by the acceptance hereof, agrees to and shall be bound by such provisions of the Indenture.

This Note is not subject to any sinking fund.

This Note may be subject to repayment at the option of the holder only if Optional Repayment Date(s) are indicated on the face hereof. IF NO OPTIONAL REPAYMENT DATES ARE SET FORTH ON THE FACE HEREOF, THIS NOTE MAY NOT BE SO REPAID AT THE OPTION OF THE HOLDER HEREOF PRIOR TO THE STATED MATURITY DATE. On any Optional Repayment Date, this Note shall be repayable in whole or in part in increments of \$1,000 at the option of the holder hereof at a repayment price equal to 100% of the principal amount to be repaid, together with interest thereon payable to the date of repayment. For this Note to be repaid in whole or in part at the option of the holder hereof, this Note must be received, with the form below entitled "Option to Elect Repayment" duly completed, by the Issuing and Paying Agent at the Corporate Trust Office, or such other address of which the Company shall from time to time notify the holders of the Notes, not more than 60 nor less than 30 days prior to an Optional Repayment Date. Exercise of such repayment option by the holder hereof shall be irrevocable.

This Note may be redeemed at the option of the Company on any date on and after the Initial Redemption Date, if any,

specified on the face hereof (the "Redemption Date"). IF NO INITIAL REDEMPTION DATE IS SET FORTH ON THE FACE HEREOF, THIS NOTE MAY NOT BE REDEEMED AT THE OPTION OF THE COMPANY PRIOR TO THE STATED MATURITY DATE. On and after the Initial Redemption Date, if any, this Note may be redeemed at any time in whole or from time to time in part in increments of \$1,000 at the option of the Company at the applicable Redemption Price (as defined below) together with interest thereon payable to the Redemption Date, on notice given not more than 60 nor less than 30 days prior to the Redemption Date. In the event of redemption of this Note in part only, a new Note for the unredeemed portion hereof shall be issued in the name of the [Holder] hereof upon the surrender hereof.

If this Note is redeemable at the option of the Company, the "Redemption Price" shall initially be the Initial Redemption Percentage, specified on the face hereof, of the principal amount of this Note to be redeemed and shall decline at each anniversary of the Initial Redemption Date by the Annual Redemption Percentage Reduction, if any, specified on the face hereof, of the principal amount to be redeemed until the Redemption Price is 100% of such principal amount.

Accrued interest hereon shall be calculated by multiplying the face amount hereof by an accrued interest factor. Such accrued interest factor shall be computed by adding the interest factor calculated for each day from and including Original Issue Date, or from but excluding the last date to which interest has been paid, as the case may be, to and including the date for which accrued interest is being calculated. The interest factor (expressed as a decimal) for each such day shall be computed by dividing the interest rate in effect on such day by 360 or, in the case of Notes having the Treasury Rate as their Interest Rate Basis, by the actual number of days in the year.

Except as described below, this Note will bear interest at the rate determined by reference to the appropriate Interest Rate Basis and Index Maturity shown on the face hereof (i) plus or minus the Spread, if any, or (ii) multiplied by the Spread Multiplier, if any, specified on the face hereof. The interest rate in effect on each day shall be (a) if such day is an Interest Reset Date, the interest rate determined as of the Interest Determination Date (as defined below) pertaining to such Interest Reset Date or (b) if such day is not an Interest Reset Date, the interest rate determined as of the Interest Determination Date pertaining to the next preceding Interest Reset Date, provided that (i) the interest rate in effect from the Original Issue Date to the first Interest Reset Date shall be the Initial Interest Rate specified on the face hereof, and (ii) the interest rate in effect for the ten calendar days immediately prior to the Maturity Date shall be the rate in effect on the tenth calendar day preceding such Maturity Date. If any Interest Reset Date would otherwise be a day that is not a Business Day, such Interest Reset Date shall be postponed to the next day that is a Business Day, except that if the Interest Rate Basis specified on the face hereof is LIBOR, if such next Business Day is in the next succeeding calendar month, such Interest Reset Date shall be the immediately preceding Business Day. The term "Final Interest Payment Period" means the period from the final Interest Reset Date to the Maturity Date.

The Interest Determination Date with respect to any Note that has as its Interest Rate Basis the CD Rate, Commercial Paper Rate, the Federal Funds Rate or the Prime Rate will be the second Business Day preceding the Interest Reset Date. The Interest Determination Date with respect to LIBOR shall be the second London Banking Day (as defined below) preceding the Interest Reset Date. The Interest Determination Date with respect to the Treasury Rate shall be the day of the week in which the Interest Reset Date falls on which Treasury bills of the Index Maturity specified on the face hereof normally would be auctioned; PROVIDED, HOWEVER, that if as a result of a legal holiday an auction is held on the Friday of the week preceding the Interest Reset Date, the related Interest Determination Date shall be such preceding Friday; [and PROVIDED, FURTHER, that if an auction shall fall on any Interest Reset Date then the Interest Reset Date shall instead be the first Business Day following such auction.]

The "Calculation Date" pertaining to any Interest Determination Date shall be the earlier of (i) the tenth calendar day after such Interest Determination Date or, if such day is not a Business Day, the next succeeding Business Day, or (ii) the Business Day next preceding the applicable Interest Payment Date or Maturity Date, as the case may be.

All percentages resulting from any calculation on the Notes will be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point, with five one-millionths of a percentage point rounded upward, and all dollar amounts used in or resulting from such calculation on the Notes will be rounded to the nearest cent (with one-half cent being rounded upward).

DETERMINATION OF CD RATE. CD Rate means, with respect to an Interest Determination Date (a "CD Rate Interest Determination Date"), the rate on such CD Rate Interest Determination Date for negotiable certificates of deposit having the Index Maturity specified on the face hereof, as such rate is published by the Board of Governors of the Federal Reserve System (the "Federal Reserve Board") in "Statistical Release H.15(519), Selected Interest Rates," or any successor publication of the Federal Reserve Board ("H.15(519)"), under the heading "CDs (Secondary Market)," or, if not so published by 3:00 P.M., New York City time, on the Calculation Date pertaining to such CD Rate Interest Determination Date, the CD Rate will be the rate on such CD Rate Interest Determination Date for negotiable certificates of deposit of the Index Maturity specified on the face hereof, as published by the Federal Reserve Bank of New York in its daily statistical release "Composite 3:30 P.M. Quotations for U.S. Government Securities" ("Composite Quotations") under the heading "Certificates of Deposit." If such rate is not published in either H.15(519) or the Composite Quotations by 3:00 P.M., New York City time, on such Calculation Date, then the CD Rate on such CD Rate Interest Determination Date will be calculated by the Calculation Agent and will be the arithmetic mean of the secondary market offered rates as of 10:00 A.M., New York City time, on such CD Rate Interest Determination Date, of three leading nonbank dealers in negotiable U.S. dollar certificates of deposit in The City of New York selected by the Calculation Agent (after consultation with the Company) for negotiable certificates of deposit of major United States money center banks of the highest credit standing (in the market for negotiable certificates of deposit) with a remaining maturity closest to the Index Maturity specified on the face hereof in denominations of \$5,000,000; PROVIDED, HOWEVER, that if the dealers selected as aforesaid by the Calculation Agent are not quoting as set forth above, the CD Rate for such CD Rate Interest Determination Date will be the CD Rate in effect on such CD Rate Interest Determination Date.

DETERMINATION OF COMMERCIAL PAPER RATE. The Commercial Paper Rate means, with respect to an Interest Determination Date (a "Commercial Paper Rate Interest Determination Date"), the Money Market Yield (as defined below) of the rate on such date for commercial paper having the Index Maturity specified on the face hereof as published in H.15(519) under the heading "Commercial Paper." In the event such rate is not published by 3:00 P.M., New York City time, on the Calculation Date pertaining to such Commercial Paper Rate Interest Determination Date, the Commercial Paper Rate shall be the Money Market Yield on such Commercial Paper Rate Interest Determination Date of the rate for commercial paper having the Index Maturity specified on the face hereof as published in Composite Quotations under the heading "Commercial Paper." If such rate is not published in either H.15(519) or Composite Quotations by 3:00 P.M., New York City time, on such Calculation Date, the Commercial Paper Rate for that Commercial Paper Rate Interest Determination Date shall be calculated by the Calculation Agent and shall be the Money Market Yield of the arithmetic mean of the offered rates as of 11:00 A.M., New York City time, on such Commercial Paper Rate Interest Determination Date of three leading dealers of commercial paper in The City of New York selected by the Calculation Agent (after consultation with the Company) for commercial paper of the Index Maturity specified on the face hereof placed for an industrial issuer whose bond rating is "AA", or the equivalent, by a nationally recognized statistical rating agency; PROVIDED, HOWEVER, that if the dealers selected as aforesaid by the Calculation Agent are not quoting as set forth above, the Commercial Paper Rate with respect to such Commercial Paper Rate Interest Determination Date will be the Commercial Paper Rate then in effect on such Commercial Paper Rate Interest Determination Date.

"Money Market Yield" shall be the yield (expressed as a percentage rounded to the nearest one ten-thousandth of a percent, with five one hundred-thousandths of a percent rounded upward) calculated in accordance with the following formula:

$$\text{Money Market Yield} = \frac{\quad}{360 - (D \times M)} \times 100$$

where "D" refers to the per annum rate for commercial paper quoted on a bank discount basis and expressed as a decimal, and "M" refers to the actual number of days in the interest period for which interest is being calculated.

DETERMINATION OF FEDERAL FUNDS RATE. The Federal Funds Rate means, with respect to an Interest Determination Date (a "Federal Funds Rate Interest Determination Date"), the rate on that date for Federal Funds as published in H.15(519) under the heading "Federal Funds (Effective)." If H.15(519) is not so published by 3:00 P.M., New York City time, on the Calculation Date pertaining to such Federal Funds Rate Interest Determination Date, the Federal Funds Rate will be the rate on such Federal Funds Rate Interest Determination Date as published in Composite Quotations under the heading "Federal Funds/Effective Rate." If such rate is not yet published in either H.15(519) or Composite Quotations by 3:00 P.M., New York City time, on the Calculation Date pertaining to such Federal Funds Rate Interest Determination Date, the Federal Funds Rate for such Federal Funds Rate Interest Determination Date will be calculated by the Calculation Agent and will be the arithmetic mean of the rates for the last transaction in overnight Federal Funds as of 9:00 A.M., New York City time, on such Federal Funds Rate Interest Determination Date quoted by each of three leading brokers of Federal Funds transactions in The City of New York selected by the Calculation Agent (after consultation with the Company); PROVIDED, HOWEVER, that if fewer than three such brokers are so quoting such rates, the Federal Funds Rate with respect to such Federal Funds Rate Interest Determination Date will be the Federal Funds Rate then in effect on such Federal Funds Rate Interest Determination Date.

DETERMINATION OF LIBOR. LIBOR means the rate determined by the Calculation Agent in accordance with the following provisions:

(i) With respect to an Interest Determination Date (a "LIBOR Interest Determination Date"), LIBOR will be "LIBOR Telerate" unless "LIBOR Reuters" is specified in the applicable pricing supplement or LIBOR Telerate is not available. "LIBOR Telerate" is the rate for deposits in the LIBOR Currency (as defined below) having the Index Maturity specified on the face hereof that appears on the Designated LIBOR Page (as defined below) specified on the face hereof as of 11:00 A.M. London time, on that LIBOR Interest Determination Date. "LIBOR Reuters" is that rate which is the arithmetic mean of the offered rates (unless the specified Designated LIBOR Page by its terms provides only for a single rate, in which case such single rate shall be used) for deposits in the LIBOR Currency having the Index Maturity specified on the face hereof that appear on the Designated LIBOR Page specified on the face hereof as of 11:00 A.M. London time, on that LIBOR Interest Determination Date, if at least two such offered rates appear (unless, as aforesaid, only a single rate is required) on such Designated LIBOR Page. If LIBOR cannot be determined under this clause (i), LIBOR in respect of the related LIBOR Interest Determination Date will be determined as if the parties had specified the rate described in clause (ii) below.

(ii) With respect to a LIBOR Interest Determination Date on which LIBOR cannot be determined under clause (i) above, the Calculation Agent will request the principal London offices of each of four major reference banks in the London interbank market, as selected by the Calculation Agent (after consultation with the Company) to provide the Calculation Agent with its offered quotation for deposits in the LIBOR Currency for the period of the Index Maturity specified on the face hereof to prime banks in the London interbank market at approximately 11:00 A.M., London time, on such LIBOR Interest Determination Date and in a principal amount that is representative for a single transaction in such LIBOR Currency in such market at such time. If at least two such quotations are provided, LIBOR determined on such LIBOR Interest Determination Date will be the arithmetic mean of such quotations. If fewer than two such quotations are provided, LIBOR for such LIBOR Interest Determination Date will be the arithmetic mean of the rates quoted at approximately 11:00 A.M. in the applicable Principal Financial Center (as defined below), on such LIBOR Interest Determination Date by three major banks in such Principal Financial Center selected by the Calculation Agent

(after consultation with the Company) for loans in the LIBOR Currency to leading European banks, having the Index Maturity specified on the face hereof and in a principal amount that is representative for a single transaction in such LIBOR Currency in such market at such time; PROVIDED, HOWEVER, that if the banks so selected by the Calculation Agent are not quoting as mentioned in this sentence, LIBOR determined on such LIBOR Interest determination Date will be LIBOR then in effect on such LIBOR Interest Determination Date.

"LIBOR Currency" means the currency (including composite currencies) specified on the face hereof for which LIBOR shall be calculated. If no such currency is specified on the face hereof, the LIBOR Currency shall be U.S. dollars.

"Designated LIBOR Page" means either (a) if "LIBOR Reuters" is specified on the face hereof, the display on the Reuters Monitor Money Rates Service for the purpose of displaying the London interbank rates of major banks for the applicable LIBOR Currency, or (b) if "LIBOR Telerate" is specified on the face hereof, the display on the Dow Jones Telerate Service for the purpose of displaying the London interbank rates of major banks for the applicable LIBOR Currency. If neither LIBOR Reuters nor LIBOR Telerate is specified on the face hereof, LIBOR for the applicable LIBOR Currency will be determined as if LIBOR Reuters (and, if the U.S. dollar is the LIBOR Currency, LIBO Page) had been specified.

"Principal Financial Center" shall generally be the capital city of the country of the specified LIBOR Currency, except that with respect to U.S. dollars, Deutsche Marks and ECUs, the Principal Financial Center shall be The City of New York, Frankfurt and Luxembourg, respectively.

DETERMINATION OF PRIME RATE. Prime Rate means, with respect to an Interest Determination Date (a "Prime Rate Interest Determination Date"), the rate set forth on such date in H.15(519) under the heading "Bank Prime Loan," or if not so published prior to 9:00 A.M. New York City time, on the Calculation Date pertaining to such Prime Rate Interest Determination Date, then the Prime Rate will be determined by the Calculation Agent and will be the arithmetic mean of the rates of interest publicly announced by each bank that appears on the Reuters Screen NYMF Page (as defined below) as such bank's prime rate or base lending rates as in effect for that Prime Rate Interest Determination Date. If fewer than four such rates but more than one such rate appear on the Reuters Screen NYMF Page for the Prime Rate Interest Determination Date, the Prime Rate will be determined by the Calculation Agent and will be the arithmetic mean of the prime rates, quoted on the basis of the actual number of days in the year divided by a 360-day year, as of the close of business on such Prime Rate Interest Determination Date by four major money center banks in The City of New York as selected by the Calculation Agent (after consultation with the Company). If fewer than two such quotations are provided, the Prime Rate shall be determined by the Calculation Agent as of the close of business on the Prime Rate Interest Determination Date, on the basis of the prime rates, as of the close of business on such date, furnished in The City of New York by the appropriate number of substitute banks or trust companies organized and doing business under the laws of the United States, or any State thereof, having total equity capital of at least \$500 million and being subject to supervision or examination by Federal or State authority, selected by the Calculation Agent (after consultation with the Company) to provide such rate or rates; PROVIDED, HOWEVER, that if the banks selected as aforesaid are not quoting as mentioned in this sentence, the Prime Rate for such Prime Rate Interest Determination Date will be the Prime Rate then in effect on such Prime Rate Interest Determination Date.

"Reuters Screen NYMF Page" means the display designated as page "NYMF" on the Reuters Monitor Money Rates Service (or such other page as may replace the NYMF page on that service for the purpose of displaying prime rates or base lending rates of major United States banks).

DETERMINATION OF TREASURY RATE. Treasury Rate means, with respect to an Interest Determination Date (a "Treasury Rate Interest Determination Date"), the rate for the auction held on such Treasury Rate Interest Determination Date of direct obligations of the United States ("Treasury Bills") having the Index Maturity specified on the face hereof, as published in H.15(519) under the heading "U.S. Government Securities --

Treasury Bills -- auction average (investment)." If such rate is not published by 3:00 P.M., New York City time, on the Calculation Date pertaining to such Treasury Rate Interest Determination Date, the Treasury Rate will be the auction average rate (expressed as a bond equivalent on the basis of a year of 365 or 366 days, as applicable, and applied on a daily basis) on such Treasury Rate Interest Determination Date as otherwise announced by the United States Department of the Treasury. In the event that the results of the auction of Treasury bills having the Index Maturity specified on the face hereof are not reported as provided by 3:00 P.M., New York City time, on such Calculation Date, or if no such auction is held on such Treasury Rate Interest Determination Date, then the Treasury Rate for such Treasury Rate Interest Determination Date shall be a yield to maturity (expressed as a bond equivalent, on the basis of a year of 365 or 366 days, as applicable, and applied on a daily basis) of the arithmetic mean of the secondary market bid rates, as of approximately 3:30 P.M., New York City time, on such Treasury Rate Interest Determination Date, of three leading primary United States government securities dealers selected by the Calculation Agent (after consultation with the Company), for the issue of Treasury bills with a remaining maturity closest to the Index Maturity specified on the face hereof; PROVIDED, HOWEVER, that if the dealers selected as aforesaid by the Calculation Agent are not quoting as mentioned in this sentence, the Treasury Rate with respect to such Treasury Rate Interest Determination Date will be the Treasury Rate then in effect on such Treasury Rate Interest Determination Date.

Notwithstanding the foregoing, the interest rate hereon shall not be greater than the Maximum Interest Rate, if any, or less than the Minimum Interest Rate, if any, specified on the face hereof. The Calculation Agent shall calculate the interest rate hereon in accordance with the foregoing on or before each Calculation Date. The interest rate on this Note will in no event be higher than the maximum rate permitted by New York law, as the same may be modified by United States law of general application.

At the request of the holder hereof, the Calculation Agent will provide to the holder hereof the interest rate hereon then in effect and, if determined, the interest rate which will become effective as of the next Interest Reset Date.

If an Event of Default (defined in the Indenture as certain events involving the bankruptcy of the Company) shall occur with respect to the Notes, the principal of all the Notes may be declared due and payable in the manner and with the effect provided in the Indenture. There is no right of acceleration provided in the Indenture in case of a default in the payment of interest or the performance of any other covenant by the Company.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the rights of the holders of the Notes under the Indenture at any time by the Company with the consent of the holders of not less than 66 2/3% in aggregate principal amount of the Notes then outstanding and all other Securities then outstanding under the Indenture and affected by such amendment and modification. The Indenture also contains provisions permitting the holders of a majority in aggregate principal amount of the Notes then outstanding and all other Securities then outstanding under the Indenture and affected thereby, on behalf of the holders of all such Securities, to waive compliance by the Company with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences. Any such consent or waiver by the holder of this Note shall be conclusive and binding upon such holder and upon all future holders of this Note and of any Note issued upon the registration of transfer hereof or in exchange hereof or in lieu hereof whether or not notation of such consent or waiver is made upon this Note.

No reference herein to the Indenture and no provision of this Note or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of and interest on this Note at the time, place and rate, and in the coin or currency, herein prescribed.

No recourse shall be had for the payment of the principal of or the interest on this Note, or for any claim based hereon, or otherwise in respect hereof, or based on or in respect of the Indenture or any indenture supplemented thereto, against any incorporator, stockholder, officer or director, as such, past, present or future, of the Company or any predecessor or successor

corporation, whether by virtue of any constitution, statute or rule of law, or by the enforcement of any assessment or penalty or otherwise, all such liability being, by the acceptance hereof and as part of the consideration for issue hereof, expressly waived and released.

As provided in the Indenture and subject to certain limitations therein set forth, the transfer of this Note may be registered on the registry books of the Company relating to the Notes, upon surrender of this Note for registration of transfer at the office or agency of the Company designated by it pursuant to the Indenture, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Company and the Trustee duly executed by, the holder hereof or his attorney duly authorized in writing, and thereupon one or more new Notes, of authorized denominations and for the same aggregate principal amount, will be issued to the designated transferee or transferees.

The Notes are issuable only as registered Notes without coupons in denominations of \$1,000 and any integral multiple thereof. As provided in the Indenture, and subject to certain limitations therein set forth, Notes are exchangeable for a like aggregate principal amount of Notes of different authorized denominations, as requested by the holder surrendering the same.

No service charge will be made for any such registration of transfer or exchange, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

Prior to due presentment for registration of transfer of this Note, the Company, the Issuing and Paying Agent and any agent of the Company or the Issuing and Paying Agent may treat the [Person] in whose name this Note is registered as the absolute owner hereof for the purpose of receiving payment as herein provided and for all other purposes, whether or not this Note be overdue, and neither the Company, the Issuing and Paying Agent nor any such agent shall be affected by notice to the contrary.

All terms used in this Note which are defined in the Indenture shall have the meanings assigned to them in the Indenture.

[NOTES ISSUED AND OUTSTANDING PURSUANT TO A BOOK-ENTRY SYSTEM SHALL BE DEEMED TO CONTAIN THE FOLLOWING PARAGRAPH: The Notes are being issued by means of a book-entry system with no physical distribution of certificates to be made except as provided in the Indenture. The book-entry system maintained by Depository Trust Company ("DTC") will evidence ownership of the Notes, with transfers of ownership effected on the records of DTC and its participants pursuant to rules and procedures established by DTC and its participants. The Company will recognize Cede & Co., as nominee of DTC, while the registered Owner of the Notes, as the owner of the Notes for all purposes, including payment of principal and interest, notices and voting. NATIONSBANK CORPORATION

Medium-Term Notes Due From
9 Months to 30 Years from Date of Issue

MASTER DISTRIBUTION AGREEMENT

December 20, 1994

To the Agents listed on
Exhibit A hereto and to
each additional person
that shall become an Agent
as provided in Section 12
of this Agreement.

Dear Sirs:

NationsBank Corporation, a North Carolina corporation (the "Company"), confirms its agreement with each of you (individually, as "Agent" and collectively, the "Agents") with respect to the issue and sale by the Company of its Senior Medium-Term Notes, Series C (the "Senior Notes") and its Subordinated Medium-Term Notes, Series C (the "Subordinated Notes," and together with the Senior Notes, the "Notes"). The Senior Notes are to be issued pursuant to an Indenture dated as of January 1, 1992 between the Company and BankAmerica National Trust Company (successor to BankAmerica Trust Company of New York), as trustee (the "Senior Trustee"), as amended by the First Supplemental Indenture thereto dated as of July 1, 1993 (as so amended, the "Senior Indenture"), and resolutions of the Board of Directors of the Corporation (or a committee thereof). The Subordinated Notes are to be issued pursuant to an Indenture dated as of November 1, 1992 between the Company and The Bank of New York, as trustee (the "Subordinated Trustee"), as amended by the First Supplemental Indenture thereto dated as of July 1, 1993 (as so amended, the "Subordinated Indenture"), and resolutions of the Board of Directors of the Corporation (or a committee thereof). The Senior Trustee and the Subordinated Trustee are collectively referred to herein as the "Trustees," and the Senior Indenture and the Subordinated Indenture are collectively referred to herein as the "Indentures."

This Agreement provides both for the sale of Notes by the Company to one or more of the Agents as principal for resale to purchasers and (as may from time to time be agreed to by the Company and the Agent or Agents) directly to purchasers, in which case the Agent or Agents may act as an agent of the Company in soliciting Note purchases.

The Company has filed with the Securities and Exchange Commission (the "SEC") a registration statement on Form S-3 (No. 33-49881) for the registration of debt securities (both senior and subordinated), preferred shares and common shares under the Securities Act of 1933, as amended (the "1933 Act"), and the offering thereof from time to time in accordance with Rule 415 of the rules and regulations of the SEC under the 1933 Act (the "1933 Act Regulations"). Such registration statement has been declared effective by the SEC, and the Trustees have been qualified under the Trust Indenture Act of 1939, as amended (the "1939 Act"). Such registration statement (and any further registration statements which may be filed by the Company for the purpose of registering additional Notes and in connection with which this Agreement is included or incorporated by reference as an exhibit) and the prospectus constituting a part thereof, and any prospectus supplements relating to the Notes, including all documents incorporated therein by reference, as from time to time amended or supplemented by the filing of documents pursuant to the Securities Exchange Act of 1934, as amended (the "1934 Act"), or the 1933 Act or otherwise, are referred to herein as the "Registration Statement" and the "Prospectus," respectively, except that if any revised prospectus shall be provided to the Agent by the Company for use in connection with the offering of the Notes which is not required to be filed by the Company pursuant to Rule 424(b) of the 1933 Act Regulations, the term "Prospectus" shall refer to such revised prospectus from and after the time it is first provided to the Agent for such use.

SECTION 1. APPOINTMENT AS AGENT.

(a) APPOINTMENT. Subject to the terms and conditions stated herein including the reservation by the Company of the right to sell Notes directly on its own behalf as set forth in Section 3(c) hereof, the Company hereby appoints the Agents as its agents for the sale of the Notes and agrees that Notes will

be sold exclusively to or through the Agents. The Agents are authorized to engage the services of any other broker or dealer in connection with the offer or sale of the Notes purchased by an Agent as principal for resale to others, but are not authorized to appoint sub-agents in connection with the sale of Notes through an Agent as agent.

(b) SALE OF NOTES. The Company shall not sell or approve the solicitation of purchases of Notes in excess of the amount which shall be authorized by the Company from time to time or in excess of the principal amount of Notes registered pursuant to the Registration Statement. The Agents will have no responsibility for maintaining records with respect to the aggregate principal amount of Notes sold, or otherwise monitoring the availability of Notes for sale under the Registration Statement.

(c) PURCHASES AS PRINCIPAL. The Agents shall not have any obligation to purchase Notes from the Company as principal, but an Agent and the Company may agree from time to time that such Agent shall purchase Notes as principal. Any such purchase of Notes by an Agent as principal shall be made in accordance with Section 3(a) hereof.

(d) SOLICITATIONS AS AGENT. If agreed upon by an Agent and the Company, the Agent, acting solely as agent for the Company and not as principal, will solicit purchases of the Notes. Such Agent will communicate to the Company, orally, each offer to purchase Notes solicited by such Agent on an agency basis, other than those offers rejected by the Agent. The Agent shall have the right, in its discretion reasonably exercised, to reject any proposed purchase of Notes by persons solicited by the Agent, as a whole or in part, and any such rejection shall not be deemed a breach of the Agent's agreement contained herein. The Company may accept or reject any proposed purchase of the Notes, in whole or in part, and any such rejection shall not be deemed a breach of the Company's agreement herein. The Agent shall make reasonable efforts to assist the Company in obtaining performance by each purchaser whose offer to purchase Notes has been solicited by such Agent and accepted by the Company. The Agent shall not have any liability to the Company in the event any such agency purchase is not consummated for any reason other than the negligence of the Agent. If the Company shall default on its obligation to deliver Notes to a purchaser whose offer it has accepted, the Company shall (i) hold the Agent for such purchase harmless against any loss, claim or damage arising from or as a result of such default by the Company and (ii) notwithstanding such default, pay to such Agent any commission to which it would be entitled in connection with such sale.

(e) RELIANCE. The Company and the Agents agree that any Notes the placement of which an Agent arranges shall be placed by such Agent, and any Notes purchased by such Agent shall be purchased, in reliance on the representations, warranties, covenants and agreements of the Company contained herein and on the terms and conditions and in the manner provided herein.

SECTION 2. REPRESENTATIONS AND WARRANTIES.

(a) The Company represents and warrants to the Agents as of the date hereof, as of the date of each acceptance by the Company of an offer for the purchase of Notes (whether through an Agent as agent or to an Agent as principal), as of the date of each delivery of Notes (whether through an Agent as agent or to an Agent as principal) (the date of each such delivery to an Agent as principal being hereafter referred to as a "Settlement Date"), and as of any time that the Registration Statement or the Prospectus shall be amended or supplemented or there is filed with the SEC any document incorporated by reference into the Prospectus (other than any Current Report on Form 8-K relating exclusively to the issuance of debt securities under the Registration Statement) (each of the times referenced above being referred to herein as a "Representation Date") as follows:

(i) The Company meets the requirements for use of Form S-3 under the 1933 Act and has filed with the SEC the Registration Statement, which has become effective. Such Registration Statement meets the requirements of Rule 415(a)(1) under the 1933 Act and complies in all other material respects with said Rule.

(ii) As of the date hereof, when the Prospectus as supplemented with respect to the Notes is first filed pursuant to Rule 424 under the 1933 Act, when any amendment to the Registration Statement becomes effective (including

the filing of any document incorporated by reference in the Registration Statement) and as of the applicable Representation Date, (a) the Registration Statement, as amended or supplemented as of any such time, the Prospectus, when filed, and the applicable Indenture will comply in all material respects with the applicable requirements of the 1933 Act, the 1939 Act and the 1934 Act and the respective rules thereunder, (b) the Registration Statement, as amended as of any such time, will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein not misleading, and (c) the Prospectus, as amended or supplemented as of any such time, will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading; PROVIDED, HOWEVER, that the Company makes no representations or warranties as to (x) that part of the Registration Statement which shall constitute the Statement of Eligibility and Qualification of the Trustee (Form T-1) under the 1939 Act of either of the Trustees or (y) the information contained in or omitted from the Registration Statement or the Prospectus or any amendment thereof or supplement thereto in reliance upon and in conformity with information furnished in writing to the Company by or on behalf of any Agent specifically for use in connection with the preparation of the Registration Statement and the Prospectus.

(iii) The Company has complied and will comply with all the provisions of Florida H.B. 1771, codified as Section 517.075 of the Florida Statutes, 1987, as amended, and all regulations promulgated thereunder relating to issuers doing business in Cuba; PROVIDED, HOWEVER, that in the event that such Section 517.075 shall be repealed, or amended such that issuers shall no longer be required to disclose in prospectuses information regarding business activities in Cuba or that a broker, dealer or agent shall no longer be required to obtain a statement from issuers regarding such compliance, then this representation and agreement shall be of no further force and effect.

(b) ADDITIONAL CERTIFICATIONS. Any certificate signed by any director or officer of the Company and delivered to an Agent or to counsel for such Agent in connection with an offering of Notes or the sale of Notes to an Agent as principal shall be deemed a representation and warranty by the Company to such Agent as to the matters covered thereby on the date of such certificate and at each Representation Date subsequent thereto.

SECTION 3. PURCHASES AS PRINCIPAL; SOLICITATIONS AS AGENT.

(a) PURCHASES AS PRINCIPAL. Unless otherwise agreed by an Agent and the Company, Notes shall be purchased by such Agent as principal. Each purchase of Notes, unless otherwise agreed, shall be at a discount equivalent to the applicable commissions set forth in Exhibit C hereto. Such purchases shall be made in accordance with terms agreed upon by the Agent and the Company (which shall be agreed upon orally, with written confirmation prepared by the Agent and delivered to the Company within two business days of such oral agreement). The Agent's commitment to purchase Notes as principal shall be deemed to have been made on the basis of the representations and warranties of the Company herein contained and shall be subject to the terms and conditions herein set forth. An Agent may engage the services of any other broker or dealer in connection with the resale of the Notes purchased as principal and may reallow any portion of the discount received in connection with such purchases from the Company to such brokers and dealers.

(b) SOLICITATIONS AS AGENT. On the basis of the representations and warranties herein contained, but subject to the terms and conditions herein set forth, when agreed by the Company and an Agent, such Agent, as an agent of the Company, will use its reasonable efforts to solicit offers to purchase the Notes upon the terms and conditions set forth herein and in the Prospectus. All Notes sold through an Agent as agent will be sold at 100% of their principal amount unless otherwise agreed to by the Company and such Agent.

The Company reserves the right, in its sole discretion, to suspend solicitation of purchases of the Notes through the Agents, as agent, commencing at any time for any period of time or permanently. Upon receipt of instructions from the Company,

the Agents will forthwith suspend solicitation of purchases from the Company until such time as the Company has advised the Agents that such solicitation may be resumed.

The Company agrees to pay each Agent a commission, in the form of a discount, equal to the applicable percentage of the principal amount of each Note sold by the Company as a result of a solicitation made by such Agent as set forth in Exhibit C hereto.

(c) COMPANY SALES TO UNSOLICITED PURCHASERS. Notwithstanding any provision herein to the contrary, the Company reserves the right to sell Notes, at any time, directly on its own behalf to any unsolicited purchaser, whether directly to such purchaser or through the agent of such purchaser. Upon the sale of any Notes to an unsolicited purchaser, no Agent shall be entitled to any commission pursuant to this Agreement.

(d) ADMINISTRATIVE PROCEDURES. The purchase price, interest rate, maturity date and other terms of the Notes (as applicable) specified in Exhibit B hereto shall be agreed upon by the Company and the applicable Agent and set forth in a pricing supplement to the Prospectus to be prepared following each acceptance by the Company of an offer for the purchase of Notes. Administrative procedures with respect to the sale of Notes shall be agreed upon from time to time by the Agents and the Company (the "Procedures"). Initial Administrative Procedures dated December 20, 1994 shall remain in effect until changed by the Agents and the Company. The Agents and the Company agree to perform the respective duties and obligations specifically provided to be performed by them in the Procedures.

(c) COPIES OF THE REGISTRATION STATEMENT AND THE PROSPECTUS AND 1934 ACT FILINGS. The Company will deliver to the Agents as many signed and conformed copies of the Registration Statement (as originally filed) and of each amendment thereto (including exhibits filed therewith or incorporated by reference therein and documents incorporated by reference in the Prospectus) as the Agents may reasonably request. The Company will furnish to the Agents as many copies of the Prospectus (as amended or supplemented) as the Agents shall reasonably request so long as the Agents are required to deliver a Prospectus in connection with sales or solicitations of offers to purchase the Notes under

the Act. The Company will furnish to the Agents copies of any Annual Report on Form 10-K, Quarterly Report on Form 10-Q or Current Report on Form 8-K filed by the Company with the Commission pursuant to the 1934 Act as soon as practicable after the filing thereof.

(f) PROSPECTUS REVISIONS -- PERIODIC FINANCIAL INFORMATION.

Except as otherwise provided in subsection (k) of this Section, on or prior to the date on which there shall be released to the general public interim financial statement information related to the Company with respect to each of the first three quarters of any fiscal year or preliminary financial statement information with respect to any fiscal year, the Company shall furnish such information to the Agents, confirmed in writing, and thereafter shall cause the Prospectus to be amended or supplemented to include or incorporate by reference financial information with respect thereto, as well as such other information and explanations as shall be necessary for an understanding thereof, as may be required by the 1933 Act or the 1934 Act or otherwise.

(h) EARNINGS STATEMENTS. The Company will make generally available to its security holders as soon as practicable, but not later than 90 days after the close of the period covered thereby, an earnings statement (in form complying with the provisions of Rule 158 under the 1933 Act) covering each twelve-month period beginning, in each case, not later than the first day of the Company's fiscal quarter next following the "effective date" (as defined in such Rule 158) of the Registration Statement with respect to each sale of Notes.

(i) BLUE SKY QUALIFICATIONS. The Company will endeavor, in cooperation with the Agents, to qualify the Notes for offering and sale under the applicable securities laws of such states and other jurisdictions of the United States as the Agents may

designate and will maintain such qualifications in effect for as long as may be required for the distribution of the Notes; PROVIDED, HOWEVER, that the Company shall not be obligated to file any general consent to service of process or to qualify as a foreign corporation in any jurisdiction in which it is not so qualified. The Company will file such statements and reports as may be required by the laws of each jurisdiction in which the Notes have been qualified as above provided. The Company will promptly advise the Agents of the receipt by the Company of any notification with respect to the suspension of the qualification of the Notes for sale in any such state or jurisdiction or the initiating or threatening of any proceeding for such purpose.

(j) 1934 ACT FILINGS. The Company, during the period when the Prospectus is required to be delivered under the 1933 Act, will file promptly all documents required to be filed with the SEC pursuant to Sections 13(a), 13(c), 14 or 15(d) of the 1934 Act.

(k) SUSPENSION OF CERTAIN OBLIGATIONS. If any condition specified in this Section 5 shall not have been fulfilled in all material respects when and as required to be fulfilled, this Agreement may be terminated by the Agents by notice to the Company at any time and any such termination shall be without liability of any party to any other party, except that the covenant regarding provision of an earnings statement set forth in Section 4(h) hereof, the provisions concerning payment of expenses under Section 9 hereof, the indemnity and contribution agreements set forth in Section 8 hereof, the provisions concerning the representations, warranties and agreements to survive delivery set forth in Section 10 hereof and the provisions regarding parties set forth under Section 15 hereof shall remain in effect.

In the event that a purchaser shall fail either to accept delivery of or to make payment for a Note on the date fixed for settlement, the Agent shall promptly notify the Company and deliver the Note to the Company, and, if the Agent has theretofore paid the Company for such Note, the Company will promptly return such funds to the Agent. If such failure occurred for any reason other than default by the Agent in the performance of its obligations hereunder, the Company will reimburse the Agent on an equitable basis for its loss of the use of the funds for the period such funds were credited to the Company's account. Unless otherwise agreed between the Company and the Agent, all Notes will be issued in book-entry only form and will be represented by one or more fully registered global securities.

(c) SUBSEQUENT DELIVERY OF LEGAL OPINIONS. Each time that (i) there is filed with the SEC any Annual Report on Form 10-K, (ii) if required by the Agents, there is filed any Quarterly Report on Form 10-Q, or (iii) if required by the Agents, the Registration Statement or the Prospectus shall be amended or supplemented (other than by an amendment or supplement providing solely for a change in the interest rates or maturity dates of the Notes or similar changes or solely for the inclusion of additional financial information, an amendment or supplement which relates exclusively to an offering of securities other than the Notes or, except as hereinbefore described, an amendment or supplement resulting from the filing of any document incorporated by reference therein), the Company shall furnish or cause to be furnished forthwith to the Agents and to counsel to the Agents the written opinions of Smith Helms Mulliss & Moore, L.L.P., Counsel to the Company, and Paul J. Polking, General Counsel to the Company, or other counsel satisfactory to the Agents, dated the date of filing with the SEC of such supplement or document or the date of effectiveness of such amendment, as the case may be, in form and substance satisfactory to the Agents, of the same tenor as the opinions referred to in Section 5(a) (1) hereof, but modified, as necessary, to relate to the Registration Statement and the Prospectus as amended and supplemented to the time of delivery of such opinions; or, in lieu of such opinions, counsel last furnishing such opinions to the Agents shall furnish the Agents with a letter substantially to the effect that the Agents may rely on such last opinion to the same extent as though it was dated the date of such letter authorizing reliance (except that statements in such last opinion shall be deemed to relate to the Registration Statement and the Prospectus as amended and supplemented to the time of delivery of such letter authorizing reliance).

(d) SUBSEQUENT DELIVERY OF COMFORT LETTERS. Each time that (i) there is filed with the SEC any Annual Report on Form 10-K, (ii) if required by the Agents, there is filed with the SEC any Quarterly Report on Form 10-Q or (iii) if required by the Agents, the Registration Statement or the Prospectus shall be amended or supplemented to include additional financial information (other than an amendment or supplement resulting from the filing of a Current Report on Form 8-K that is incorporated by reference therein), the Company shall cause Price Waterhouse forthwith to furnish the Agents a letter, dated the date of effectiveness of such amendment, supplement or document filed with the SEC, as the

case may be, in form satisfactory to the Agents, of the same tenor as the portions of the letter referred to in clauses (i) and (ii) of Section 5(c) hereof but modified to relate to the Registration Statement and Prospectus, as amended and supplemented to the date of such letter, and of the same general tenor as the portions of the letter referred to in clauses (iii) and (iv) of said Section 5(c) with such changes as may be necessary to reflect changes in the financial statements and other information derived from the accounting records of the Company; PROVIDED, HOWEVER, that if the Registration Statement or the Prospectus is amended or supplemented solely to include financial information as of and for a fiscal quarter, Price Waterhouse may limit the scope of such letter to the unaudited financial statements included in such amendment or supplement. If any other information included therein is of an accounting, financial or statistical nature, the Agents may request procedures be performed with respect to such other information. If Price Waterhouse is willing to perform and report on the requested procedures, such letter should cover such other information. Any letter required to be provided by Price Waterhouse hereunder shall be provided within five business days of the filing of the Annual Report on Form 10-K or, with respect to any letter required by the Agents pursuant to subparagraph (ii) or (iii) hereof, the request by the Agents.

SECTION 8. INDEMNIFICATION AND CONTRIBUTION.

(a) The Company agrees to indemnify and hold harmless each Agent and each person who controls any Agent within the meaning of either the 1933 Act or the 1934 Act against any and all losses, claims, damages or liabilities, joint or several, to which they or any of them may become subject under the 1933 Act, the 1934 Act or other Federal or state statutory law or regulation, at common law or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement as originally filed or in any amendment thereof, or arise out of or are based upon any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, or arise out of or are based upon any untrue statement or alleged untrue statement of a material fact contained in the Prospectus, or any amendment or supplement thereof, or arise out of or are based upon any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, and agrees to reimburse each such indemnified party for any legal or other expenses reasonably incurred by them in connection with investigating or defending any such loss, claim, damage, liability or action; PROVIDED, HOWEVER, that (i) the Company will not be liable in any such case to the extent that any such loss, claim, damage or liability arises out of or is based upon any such untrue statement or alleged untrue statement or omission or alleged omission made therein in reliance upon and in conformity with written information furnished to the Company by or on behalf of any Agent specifically for use in connection with the preparation thereof, and (ii) such indemnity with respect to the Prospectus shall not inure to the benefit of any Agent (or any person controlling such Agent) from whom the person asserting any such loss, claim, damage or liability purchased the Notes which are the subject thereof if such person did not receive a copy of the Prospectus as amended or supplemented in connection with the sale of such Notes excluding documents incorporated therein by reference at or prior to the confirmation of the sale of such Notes to such person in any case where such delivery is required by the 1933 Act and the untrue statement or omission of a material fact contained in the Prospectus was corrected in the Prospectus as amended or supplemented. This indemnity agreement will be in addition to any liability which the Company may otherwise have.

(b) Each Agent severally agrees to indemnify and hold harmless the Company, each of its directors, each of its officers who signs the Registration Statement and each person who controls the Company within the meaning of either the 1933 Act or the 1934 Act, to the same extent as the foregoing indemnity from the Company to each Agent, but only with reference to written information relating to such Agent furnished to the Company by or on behalf of such Agent specifically for use in the preparation of the documents referred to in the foregoing indemnity. This indemnity agreement will be in addition to any liability which any Agent may otherwise have. The Company acknowledges that the statements set forth in the last paragraph on the cover page and under the heading "Plan of Distribution" in the Prospectus, as

supplemented or amended, constitute the only information furnished in writing by or on behalf of the several Agents for inclusion in the documents referred to in the foregoing indemnity, and you, as the Agents, confirm that such statements are correct.

(c) Promptly after receipt by an indemnified party under this Section 8 of notice of the commencement of any action, such indemnified party will, if a claim in respect thereof is to be made against the indemnifying party under this Section 8, notify the indemnifying party in writing of the commencement thereof; but the omission so to notify the indemnifying party will not relieve it from any liability which it may have to any indemnified party otherwise than under this Section 8. In case any such action is brought against any indemnified party, and it notifies the indemnifying party of the commencement thereof, the indemnifying party will be entitled to participate therein, and, to the extent that it may elect by written notice delivered to the indemnified party promptly after receiving the aforesaid notice from such indemnified party, to assume the defense thereof, with counsel satisfactory to such indemnified party; PROVIDED, HOWEVER, that if the defendants in any such action include both the indemnified party and the indemnifying party and the indemnified party shall have reasonably concluded that there may be legal defenses available to it and/or other indemnified parties which are different from or additional to those available to the indemnifying party, the indemnified party or parties shall have the right to select separate counsel to assert such legal defenses and to otherwise participate in the defense of such action on behalf of such indemnified party or parties. Upon receipt of notice from the indemnifying party to such indemnified party of its election so to assume the defense of such action and approval by the indemnified party of counsel, the indemnifying party will not be liable to such indemnified party under this Section 8 for any legal or other expenses subsequently incurred by such indemnified party in connection with the defense thereof unless (i) the indemnified party shall have employed separate counsel in connection with the assertion of legal defenses in accordance with the proviso to the next preceding sentence (it being understood, however, that the indemnifying party shall not be liable for the expenses of more than one separate counsel, approved by the Agent in the case of subparagraph (a), representing the indemnified parties under subparagraph (a) who are parties to such action), (ii) the indemnifying party shall not have employed counsel satisfactory to the indemnified party to represent the indemnified party within a reasonable time after notice of commencement of the action or (iii) the indemnifying party has authorized the employment of counsel for the indemnified party at the expense of the indemnifying party; and except that if clause (i) or (iii) is applicable, such liability shall be only in respect of the counsel referred to in such clause (i) or (iii).

(d) To provide for just and equitable contribution in circumstances in which the indemnification provided for in paragraph (a) of this Section 8 is due in accordance with its terms but is for any reason held by a court to be unavailable from the Company on the grounds of policy or otherwise, the Company and the Agents shall contribute to the aggregate losses, claims, damages and liabilities (including legal or other expenses reasonably incurred in connection with investigating or defending same) to which the Company and one or more of the Agents may be subject in such proportion so that each Agent is responsible for that portion represented by the percentage that the total commissions and underwriting discounts received by such Agent bears to the total sales price from the sale of Notes sold to or through the Agents to the date of such liability, and the Company is responsible for the balance; PROVIDED, HOWEVER, that no person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the 1933 Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. For purposes of this Section 8, each person who controls any Agent within the meaning of the 1933 Act shall have the same rights to contribution as such Agent, and each person who controls the Company within the meaning of either the 1933 Act or the 1934 Act, each officer of the Company who shall have signed the Registration Statement and each director of the Company shall have the same rights to contribution as the Company, subject in each case to the provisions of this paragraph (d). Any party entitled to contribution will, promptly after receipt of notice of commencement of any action, suit or proceeding against such party in respect of which a claim for contribution may be made against another party or parties under this paragraph (d), notify such party or parties from whom contribution may be sought, but the omission to so notify such

party or parties shall not relieve the party or parties from whom contribution may be sought from any other obligation it or they may have hereunder or otherwise than under this paragraph (d).

SECTION 9. PAYMENT OF EXPENSES.

The Company will pay all expenses incident to the performance of its obligations under this Agreement, including:

- (a) The preparation and filing of the Registration Statement and all amendments thereto and the Prospectus and any amendments or supplements thereto;
- (b) The preparation, filing and reproduction of this Agreement;
- (c) The preparation, printing, issuance and delivery of the Notes, including any fees and expenses relating to the use of book-entry notes;
- (d) The fees and disbursements of the Company's accountants and counsel, of the Trustees and their counsel, and of any Calculation Agent;
- (e) The reasonable fees and disbursements of counsel to the Agents incurred from time to time in connection with the transactions contemplated hereby;
- (f) The qualification of the Notes under state securities or insurance laws in accordance with the provisions of Section 4(i) hereof, including filing fees and the reasonable fees and disbursements of counsel for the Agents in connection therewith and in connection with the preparation of any Blue Sky Survey and any Legal Investment Survey;
- (g) The printing and delivery to the Agent in quantities as hereinabove stated of copies of the Registration Statement and any amendments thereto, and of the Prospectus and any amendments or supplements thereto, and the delivery by the Agent of the Prospectus and any amendments or supplements thereto in connection with solicitations or confirmations of sales of the Notes;
- (h) The preparation, printing, reproducing and delivery to the Agents of copies of the Indentures and all supplements and amendments thereto;
- (i) Any fees charged by rating agencies for the rating of the Notes;
- (j) The fees and expenses incurred in connection with the listing of the Notes on any securities exchange;
- (k) The fees and expenses, if any, incurred with respect to any filing with the National Association of Securities Dealers, Inc.;
- (l) Any advertising and other out-of-pocket expenses of the Agents incurred with the approval of the Company;
- (m) The cost of providing any CUSIP or other identification numbers for the Notes; and
- (n) The fees and expenses of any depository and any nominees thereof in connection with the Notes.

SECTION 10. REPRESENTATIONS, WARRANTIES AND AGREEMENTS TO SURVIVE DELIVERY.

All representations, warranties and agreements contained in this Agreement or in certificates of officers of the Company submitted pursuant hereto shall remain operative and in full force and effect, regardless of any investigation made by or on behalf of any Agent or any controlling person of any Agent, or by or on behalf of the Company, and shall survive each delivery of and payment for any of the Notes.

SECTION 11. TERMINATION.

- (a) TERMINATION OF THIS AGREEMENT. This Agreement (excluding any agreement hereunder by an Agent to purchase Notes as principal) may be terminated for any reason, with respect to one or more, or all, of the Agents, at any time by either the Company or one or more of the Agents upon the giving of 30 days' written notice of such termination to the other party hereto.

Any termination by the Company of this Agreement with respect to one or more, but less than all, of the Agents shall be effective with respect to such designated Agents only, and the Agreement will remain in force and effect with respect to any other Agents who remain parties hereto.

(b) TERMINATION OF AGREEMENT TO PURCHASE NOTES AS PRINCIPAL. An Agent may terminate any agreement hereunder by such Agent to purchase Notes as principal, immediately upon notice to the Company at any time prior to the Settlement Date relating thereto (i) if there has been, since the date of such agreement or since the respective dates as of which information is given in the Registration Statement, any material adverse change in the condition, financial or otherwise, or in the earnings, business affairs or business prospects of the Company and its subsidiaries considered as one enterprise, or (ii) if there shall have occurred, since the date of such agreement, any outbreak or material escalation of hostilities or other national or international calamity or crisis the effect of which is such as to make it, in the judgment of such Agent, impracticable to market the Notes or enforce contracts for the sale of the Notes, or (iii) if, since the date of such agreement, trading in securities generally on the New York Stock Exchange shall have been suspended or limited, or (iv) if, since the date of such agreement, a banking moratorium shall have been declared by either Federal or New York authorities.

If, after the date of an agreement hereunder to purchase Notes as principal and prior to the Settlement Date with respect to such agreement, the rating assigned by Standard & Poor's Ratings Group, a division of McGraw Hill, Inc. or Moody's Investors Service, Inc. as the case may be, to any debt securities of the Company shall have been lowered or if either of such rating agencies shall have publicly announced that it has under surveillance or review, with possible negative implications, its rating of any debt securities of the Company, then the Company and the Agent mutually shall determine whether the terms of such agreement to purchase Notes shall need to be renegotiated and, if so, shall so negotiate in good faith the revised terms of such agreement to purchase Notes. In the event that the Company and the Agent reasonably fail to agree on any such revised terms, then either the Company or the Agent may terminate such agreement to purchase Notes.

(c) GENERAL. In the event of a termination under this Section 11, or following the Settlement Date in connection with a sale to or through an Agent appointed on a one-time basis, neither party will have any liability to the other party hereto, except that (i) the Agents shall be entitled to any commission earned in accordance with the third paragraph of Section 3(b) hereof, (ii) if at the time of termination (a) any Agent shall own any Notes purchased by it as principal with the intention of reselling them or (b) an offer to purchase any of the Notes has been accepted by the Company but the time of delivery to the purchaser or his agent of the Note or Notes relating thereto has not occurred, the covenants set forth in Sections 4 and 7 hereof shall remain in effect until such Notes are so resold or delivered, as the case may be, and (iii) the covenant set forth in Section 4(h) hereof, the provisions of Section 9 hereof, the indemnity and contribution agreements set forth in Section 8 hereof, and the provisions of Sections 10, 14 and 15 hereof shall remain in effect.

SECTION 12. ADDITIONAL AGENTS.

The Company may from time to time designate additional agents to participate in the sale of Notes as principal or agent hereunder. Such agency participation may be either on an ongoing basis or on a one time basis for a single transaction. Such agents shall become a party to this Agreement and shall thereafter be subject to the provisions hereof and entitled to the benefits hereunder upon the execution of a counterpart hereof or other form of acknowledgement of its appointment hereunder and delivery to the Company of addresses for notice hereunder and under the Procedures. After the time an Agent is appointed, the Company shall deliver to the Agent copies of these documents earlier delivered to other Agents under Sections 5(a), 5(b), 5(c), 7(b), 7(c) and 7(d) hereof.

SECTION 13. NOTICES.

Unless otherwise provided herein, all notices required under the terms and provisions hereof shall be in writing, either delivered by hand, by mail or by telex, telecopier or telegram. Notices to the Company shall be delivered to it at the address

This Agreement may be executed in counterparts and the executed counterparts shall together constitute a single instrument.

SECTION 15. PARTIES.

This Agreement shall inure to the benefit of and be binding upon the Agents and the Company and their respective successors. Nothing expressed or mentioned in this Agreement is intended or shall be construed to give any person, firm or corporation, other than the parties hereto and their respective successors and the controlling persons and officers and directors referred to in Section 8 and their heirs and legal representatives, any legal or equitable right, remedy or claim under or in respect of this Agreement or any provision herein contained. This Agreement and all conditions and provisions hereof are intended to be for the sole and exclusive benefit of the parties hereto and respective successors and said controlling persons and officers and directors and their heirs and legal representatives, and for the benefit of no other person, firm or corporation. No purchaser of Notes shall be deemed to be a successor by reason merely of such purchase.

NATIONSBANK CORPORATION

Medium-Term Notes Due From
9 Months to 30 Years from Date of Issue

MASTER DISTRIBUTION AGREEMENT

December 20, 1994

To the Agents listed on
Exhibit A hereto and to
each additional person
that shall become an Agent
as provided in Section 12
of this Agreement.

Dear Sirs:

NationsBank Corporation, a North Carolina corporation (the "Company"), confirms its agreement with each of you (individually, as "Agent" and collectively, the "Agents") with respect to the issue and sale by the Company of its Senior Medium-Term Notes, Series C (the "Senior Notes") and its Subordinated Medium-Term Notes, Series C (the "Subordinated Notes," and together with the Senior Notes, the "Notes"). The Senior Notes are to be issued pursuant to an Indenture dated as of January 1, 1992 between the Company and BankAmerica National Trust Company (successor to BankAmerica Trust Company of New York), as trustee (the "Senior Trustee"), as amended by the First Supplemental Indenture thereto dated as of July 1, 1993 (as so amended, the "Senior Indenture"), and resolutions of the Board of Directors of the Corporation (or a committee thereof). The Subordinated Notes are to be issued pursuant to an Indenture dated as of November 1, 1992 between the Company and The Bank of New York, as trustee (the "Subordinated Trustee"), as amended by the First Supplemental Indenture thereto dated as of July 1, 1993 (as so amended, the "Subordinated Indenture"), and resolutions of the Board of Directors of the Corporation (or a committee thereof). The Senior Trustee and the Subordinated Trustee are collectively referred to herein as the "Trustees," and the Senior Indenture and the Subordinated Indenture are collectively referred to herein as the "Indentures."

This Agreement provides both for the sale of Notes by the Company to one or more of the Agents as principal for resale to purchasers and (as may from time to time be agreed to by the Company and the Agent or Agents) directly to purchasers, in which case the Agent or Agents may act as an agent of the Company in soliciting Note purchases.

The Company has filed with the Securities and Exchange Commission (the "SEC") a registration statement on Form S-3 (No. 33-49881) for the registration of debt securities (both senior and subordinated), preferred shares and common shares under the Securities Act of 1933, as amended (the "1933 Act"), and the offering thereof from time to time in accordance with Rule 415 of the rules and regulations of the SEC under the 1933 Act (the "1933 Act Regulations"). Such registration statement has been declared effective by the SEC, and the Trustees have been qualified under the Trust Indenture Act of 1939, as amended (the "1939 Act"). Such registration statement (and any further registration statements which may be filed by the Company for the purpose of registering additional Notes and in connection with which this Agreement is included or incorporated by reference as an exhibit) and the prospectus constituting a part thereof, and any prospectus supplements relating to the Notes, including all documents incorporated therein by reference, as from time to time amended or supplemented by the filing of documents pursuant to the Securities Exchange Act of 1934, as amended (the "1934 Act"), or the 1933 Act or otherwise, are referred to herein as the "Registration Statement" and the "Prospectus," respectively, except that if any revised prospectus shall be provided to the Agent by the Company for use in connection with the offering of the Notes which is not required to be filed by the Company pursuant to Rule 424(b) of the 1933 Act Regulations, the term "Prospectus" shall refer to such revised prospectus from and after the time it is first provided to the Agent for such use.

SECTION 1. APPOINTMENT AS AGENT.

(a) APPOINTMENT. Subject to the terms and conditions stated herein including the reservation by the Company of the right to sell Notes directly on its own behalf as set forth in Section 3(c) hereof, the Company hereby appoints the Agents as its agents for the sale of the Notes and agrees that Notes will

be sold exclusively to or through the Agents. The Agents are authorized to engage the services of any other broker or dealer in connection with the offer or sale of the Notes purchased by an Agent as principal for resale to others, but are not authorized to appoint sub-agents in connection with the sale of Notes through an Agent as agent.

(b) SALE OF NOTES. The Company shall not sell or approve the solicitation of purchases of Notes in excess of the amount which shall be authorized by the Company from time to time or in excess of the principal amount of Notes registered pursuant to the Registration Statement. The Agents will have no responsibility for maintaining records with respect to the aggregate principal amount of Notes sold, or otherwise monitoring the availability of Notes for sale under the Registration Statement.

(c) PURCHASES AS PRINCIPAL. The Agents shall not have any obligation to purchase Notes from the Company as principal, but an Agent and the Company may agree from time to time that such Agent shall purchase Notes as principal. Any such purchase of Notes by an Agent as principal shall be made in accordance with Section 3(a) hereof.

(d) SOLICITATIONS AS AGENT. If agreed upon by an Agent and the Company, the Agent, acting solely as agent for the Company and not as principal, will solicit purchases of the Notes. Such Agent will communicate to the Company, orally, each offer to purchase Notes solicited by such Agent on an agency basis, other than those offers rejected by the Agent. The Agent shall have the right, in its discretion reasonably exercised, to reject any proposed purchase of Notes by persons solicited by the Agent, as a whole or in part, and any such rejection shall not be deemed a breach of the Agent's agreement contained herein. The Company may accept or reject any proposed purchase of the Notes, in whole or in part, and any such rejection shall not be deemed a breach of the Company's agreement herein. The Agent shall make reasonable efforts to assist the Company in obtaining performance by each purchaser whose offer to purchase Notes has been solicited by such Agent and accepted by the Company. The Agent shall not have any liability to the Company in the event any such agency purchase is not consummated for any reason other than the negligence of the Agent. If the Company shall default on its obligation to deliver Notes to a purchaser whose offer it has accepted, the Company shall (i) hold the Agent for such purchase harmless against any loss, claim or damage arising from or as a result of such default by the Company and (ii) notwithstanding such default, pay to such Agent any commission to which it would be entitled in connection with such sale.

(e) RELIANCE. The Company and the Agents agree that any Notes the placement of which an Agent arranges shall be placed by such Agent, and any Notes purchased by such Agent shall be purchased, in reliance on the representations, warranties, covenants and agreements of the Company contained herein and on the terms and conditions and in the manner provided herein.

SECTION 2. REPRESENTATIONS AND WARRANTIES.

(a) The Company represents and warrants to the Agents as of the date hereof, as of the date of each acceptance by the Company of an offer for the purchase of Notes (whether through an Agent as agent or to an Agent as principal), as of the date of each delivery of Notes (whether through an Agent as agent or to an Agent as principal) (the date of each such delivery to an Agent as principal being hereafter referred to as a "Settlement Date"), and as of any time that the Registration Statement or the Prospectus shall be amended or supplemented or there is filed with the SEC any document incorporated by reference into the Prospectus (other than any Current Report on Form 8-K relating exclusively to the issuance of debt securities under the Registration Statement) (each of the times referenced above being referred to herein as a "Representation Date") as follows:

(i) The Company meets the requirements for use of Form S-3 under the 1933 Act and has filed with the SEC the Registration Statement, which has become effective. Such Registration Statement meets the requirements of Rule 415(a)(1) under the 1933 Act and complies in all other material respects with said Rule.

(ii) As of the date hereof, when the Prospectus as supplemented with respect to the Notes is first filed pursuant to Rule 424 under the 1933 Act, when any amendment to the Registration Statement becomes effective (including

the filing of any document incorporated by reference in the Registration Statement) and as of the applicable Representation Date, (a) the Registration Statement, as amended or supplemented as of any such time, the Prospectus, when filed, and the applicable Indenture will comply in all material respects with the applicable requirements of the 1933 Act, the 1939 Act and the 1934 Act and the respective rules thereunder, (b) the Registration Statement, as amended as of any such time, will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein not misleading, and (c) the Prospectus, as amended or supplemented as of any such time, will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading; PROVIDED, HOWEVER, that the Company makes no representations or warranties as to (x) that part of the Registration Statement which shall constitute the Statement of Eligibility and Qualification of the Trustee (Form T-1) under the 1939 Act of either of the Trustees or (y) the information contained in or omitted from the Registration Statement or the Prospectus or any amendment thereof or supplement thereto in reliance upon and in conformity with information furnished in writing to the Company by or on behalf of any Agent specifically for use in connection with the preparation of the Registration Statement and the Prospectus.

(b) ADDITIONAL CERTIFICATIONS. Any certificate signed by any director or officer of the Company and delivered to an Agent or to counsel for such Agent in connection with an offering of Notes or the sale of Notes to an Agent as principal shall be deemed a representation and warranty by the Company to such Agent as to the matters covered thereby on the date of such certificate and at each Representation Date subsequent thereto.

SECTION 3. PURCHASES AS PRINCIPAL; SOLICITATIONS AS AGENT.

Each purchase of Notes, unless otherwise agreed, shall be at a discount equivalent to the applicable commissions set forth in Exhibit C hereto. Such purchases shall be made in accordance with terms agreed upon by the Agent and the Company (which shall be agreed upon orally, with written confirmation prepared by the Agent and delivered to the Company within two business days of such oral agreement). The Agent's commitment to purchase Notes as principal shall be deemed to have been made on the basis of the representations and warranties of the Company herein contained and shall be subject to the terms and conditions herein set forth. An Agent may engage the services of any other broker or dealer in connection with the resale of the Notes purchased as principal and may reallow any portion of the discount received in connection with such purchases from the Company to such brokers and dealers.

On the basis of the representations and warranties herein contained, but subject to the terms and conditions herein set forth, when agreed by the Company and an Agent, such Agent, as an agent of the Company, will use its reasonable efforts to solicit offers to purchase the Notes upon the terms and conditions set forth herein and in the Prospectus. All Notes sold through an Agent as agent will be sold at 100% of their principal amount unless otherwise agreed to by the Company and such Agent.

The Company reserves the right, in its sole discretion, to suspend solicitation of purchases of the Notes through the Agents, as agent, commencing at any time for any period of time or permanently. Upon receipt of instructions from the Company,

the Agents will forthwith suspend solicitation of purchases from the Company until such time as the Company has advised the Agents that such solicitation may be resumed.

The Company agrees to pay each Agent a commission, in the form of a discount, equal to the applicable percentage of the principal amount of each Note sold by the Company as a result of a solicitation made by such Agent as set forth in Exhibit C hereto.

(c) COMPANY SALES TO UNSOLICITED PURCHASERS. Notwithstanding any provision herein to the contrary, the Company reserves the right to sell Notes, at any time, directly on its own behalf to any unsolicited purchaser, whether directly to such purchaser or through the agent of such purchaser. Upon the sale of any Notes to an unsolicited purchaser, no Agent shall be entitled to any commission pursuant to this Agreement.

(d) ADMINISTRATIVE PROCEDURES. The purchase price, interest rate, maturity date and other terms of the Notes (as applicable) specified in Exhibit B hereto shall be agreed upon by the Company and the applicable Agent and set forth in a pricing supplement to the Prospectus to be prepared following each acceptance by the Company of an offer for the purchase of Notes. Administrative procedures with respect to the sale of Notes shall be agreed upon from time to time by the Agents and the Company (the "Procedures"). Initial Administrative Procedures dated December 20, 1994 shall remain in effect until changed by the Agents and the Company. The Agents and the Company agree to perform the respective duties and obligations specifically provided to be performed by them in the Procedures.

designate and will maintain such qualifications in effect for as long as may be required for the distribution of the Notes; PROVIDED, HOWEVER, that the Company shall not be obligated to file any general consent to service of process or to qualify as a foreign corporation in any jurisdiction in which it is not so qualified. The Company will file such statements and reports as may be required by the laws of each jurisdiction in which the Notes have been qualified as above provided. The Company will promptly advise the Agents of the receipt by the Company of any notification with respect to the suspension of the qualification of the Notes for sale in any such state or jurisdiction or the initiating or threatening of any proceeding for such purpose.

If any condition specified in this Section 5 shall not have been fulfilled in all material respects when and as required to be fulfilled, this Agreement may be terminated by the Agents by notice to the Company at any time and any such termination shall be without liability of any party to any other party, except that the covenant regarding provision of an earnings statement set forth in Section 4(h) hereof, the provisions concerning payment of expenses under Section 9 hereof, the indemnity and contribution agreements set forth in Section 8 hereof, the provisions concerning the representations, warranties and agreements to survive delivery set forth in Section 10 hereof and the provisions regarding parties set forth under Section 15 hereof shall remain in effect.

(d) SUBSEQUENT DELIVERY OF COMFORT LETTERS. Each time that (i) there is filed with the SEC any Annual Report on Form 10-K, (ii) if required by the Agents, there is filed with the SEC any Quarterly Report on Form 10-Q or (iii) if required by the Agents, the Registration Statement or the Prospectus shall be amended or supplemented to include additional financial information (other than an amendment or supplement resulting from the filing of a Current Report on Form 8-K that is incorporated by reference therein), the Company shall cause Price Waterhouse forthwith to furnish the Agents a letter, dated the date of effectiveness of such amendment, supplement or document filed with the SEC, as the

case may be, in form satisfactory to the Agents, of the same tenor as the portions of the letter referred to in clauses (i) and (ii) of Section 5(c) hereof but modified to relate to the Registration Statement and Prospectus, as amended and supplemented to the date of such letter, and of the same general tenor as the portions of the letter referred to in clauses (iii) and (iv) of said Section 5(c) with such changes as may be necessary to reflect changes in the financial statements and other information derived from the accounting records of the Company; PROVIDED, HOWEVER, that if the Registration Statement or the Prospectus is amended or supplemented solely to include financial information as of and for a fiscal quarter, Price Waterhouse may limit the scope of such letter to the unaudited financial statements included in such amendment or supplement. If any other information included therein is of an accounting, financial or statistical nature, the Agents may request procedures be performed with respect to such other information. If Price Waterhouse is willing to perform and report on the requested procedures, such letter should cover such other information. Any letter required to be provided by Price Waterhouse hereunder shall be provided within five business days of the filing of the Annual Report on Form 10-K or, with respect to any letter required by the Agents pursuant to subparagraph (ii) or (iii) hereof, the request by the Agents.

SECTION 8. INDEMNIFICATION AND CONTRIBUTION.

(a) The Company agrees to indemnify and hold harmless each Agent and each person who controls any Agent within the meaning of either the 1933 Act or the 1934 Act against any and all losses, claims, damages or liabilities, joint or several, to which they or any of them may become subject under the 1933 Act, the 1934 Act or other Federal or state statutory law or regulation, at common law or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement as originally filed or in any amendment thereof, or arise out of or are based upon any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, or arise out of or are based upon any untrue statement or alleged untrue statement of a material fact contained in the Prospectus, or any amendment or supplement thereof, or arise out of or are based upon any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, and agrees to reimburse each such indemnified party for any legal or other expenses reasonably incurred by them in connection with investigating or defending any such loss, claim, damage, liability or action; PROVIDED, HOWEVER, that (i) the Company will not be liable in any such case to the extent that any such loss, claim, damage or liability arises out of or is based upon any such untrue statement or alleged untrue statement or omission or alleged omission made therein in reliance upon and in conformity with written information furnished to the Company by or on behalf of any Agent specifically for use in connection with the preparation thereof, and (ii) such indemnity with respect to the Prospectus shall not inure to the benefit of any Agent (or any person controlling such Agent) from whom the person asserting any such loss, claim, damage or liability purchased the Notes which are the subject thereof if such person did not receive a copy of the Prospectus as amended or supplemented in connection with the sale of such Notes excluding documents incorporated therein by reference at or prior to the confirmation of the sale of such Notes to such person in any case where such delivery is required by the 1933 Act and the untrue statement or omission of a material fact contained in the Prospectus was corrected in the Prospectus as amended or supplemented. This indemnity agreement will be in addition to any liability which the Company may otherwise have.

(b) Each Agent severally agrees to indemnify and hold harmless the Company, each of its directors, each of its officers who signs the Registration Statement and each person who controls the Company within the meaning of either the 1933 Act or the 1934 Act, to the same extent as the foregoing indemnity from the Company to each Agent, but only with reference to written information relating to such Agent furnished to the Company by or on behalf of such Agent specifically for use in the preparation of the documents referred to in the foregoing indemnity. This indemnity agreement will be in addition to any liability which any Agent may otherwise have. The Company acknowledges that the statements set forth in the last paragraph on the cover page and under the heading "Plan of Distribution" in the Prospectus, as

supplemented or amended, constitute the only information furnished in writing by or on behalf of the several Agents for inclusion in the documents referred to in the foregoing indemnity, and you, as the Agents, confirm that such statements are correct.

(c) Promptly after receipt by an indemnified party under this Section 8 of notice of the commencement of any action, such indemnified party will, if a claim in respect thereof is to be made against the indemnifying party under this Section 8, notify the indemnifying party in writing of the commencement thereof; but the omission so to notify the indemnifying party will not relieve it from any liability which it may have to any indemnified party otherwise than under this Section 8. In case any such action is brought against any indemnified party, and it notifies the indemnifying party of the commencement thereof, the indemnifying party will be entitled to participate therein, and, to the extent that it may elect by written notice delivered to the indemnified party promptly after receiving the aforesaid notice from such indemnified party, to assume the defense thereof, with counsel satisfactory to such indemnified party; PROVIDED, HOWEVER, that if the defendants in any such action include both the indemnified party and the indemnifying party and the indemnified party shall have reasonably concluded that there may be legal defenses available to it and/or other indemnified parties which are different from or additional to those available to the indemnifying party, the indemnified party or parties shall have the right to select separate counsel to assert such legal defenses and to otherwise participate in the defense of such action on behalf of such indemnified party or parties. Upon receipt of notice from the indemnifying party to such indemnified party of its election so to assume the defense of such action and approval by the indemnified party of counsel, the indemnifying party will not be liable to such indemnified party under this Section 8 for any legal or other expenses subsequently incurred by such indemnified party in connection with the defense thereof unless (i) the indemnified party shall have employed separate counsel in connection with the assertion of legal defenses in accordance with the proviso to the next preceding sentence (it being understood, however, that the indemnifying party shall not be liable for the expenses of more than one separate counsel, approved by the Agent in the case of subparagraph (a), representing the indemnified parties under subparagraph (a) who are parties to such action), (ii) the indemnifying party shall not have employed counsel satisfactory to the indemnified party to represent the indemnified party within a reasonable time after notice of commencement of the action or (iii) the indemnifying party has authorized the employment of counsel for the indemnified party at the expense of the indemnifying party; and except that if clause (i) or (iii) is applicable, such liability shall be only in respect of the counsel referred to in such clause (i) or (iii).

(d) To provide for just and equitable contribution in circumstances in which the indemnification provided for in paragraph (a) of this Section 8 is due in accordance with its terms but is for any reason held by a court to be unavailable from the Company on the grounds of policy or otherwise, the Company and the Agents shall contribute to the aggregate losses, claims, damages and liabilities (including legal or other expenses reasonably incurred in connection with investigating or defending same) to which the Company and one or more of the Agents may be subject in such proportion so that each Agent is responsible for that portion represented by the percentage that the total commissions and underwriting discounts received by such Agent bears to the total sales price from the sale of Notes sold to or through the Agents to the date of such liability, and the Company is responsible for the balance; PROVIDED, HOWEVER, that no person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the 1933 Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. For purposes of this Section 8, each person who controls any Agent within the meaning of the 1933 Act shall have the same rights to contribution as such Agent, and each person who controls the Company within the meaning of either the 1933 Act or the 1934 Act, each officer of the Company who shall have signed the Registration Statement and each director of the Company shall have the same rights to contribution as the Company, subject in each case to the provisions of this paragraph (d). Any party entitled to contribution will, promptly after receipt of notice of commencement of any action, suit or proceeding against such party in respect of which a claim for contribution may be made against another party or parties under this paragraph (d), notify such party or parties from whom contribution may be sought, but the omission to so notify such

party or parties shall not relieve the party or parties from whom contribution may be sought from any other obligation it or they may have hereunder or otherwise than under this paragraph (d).

SECTION 9. PAYMENT OF EXPENSES.

The Company will pay all expenses incident to the performance of its obligations under this Agreement, including:

- (a) The preparation and filing of the Registration Statement and all amendments thereto and the Prospectus and any amendments or supplements thereto;
- (b) The preparation, filing and reproduction of this Agreement;
- (c) The preparation, printing, issuance and delivery of the Notes, including any fees and expenses relating to the use of book-entry notes;
- (d) The fees and disbursements of the Company's accountants and counsel, of the Trustees and their counsel, and of any Calculation Agent;
- (e) The reasonable fees and disbursements of counsel to the Agents incurred from time to time in connection with the transactions contemplated hereby;
- (f) The qualification of the Notes under state securities or insurance laws in accordance with the provisions of Section 4(i) hereof, including filing fees and the reasonable fees and disbursements of counsel for the Agents in connection therewith and in connection with the preparation of any Blue Sky Survey and any Legal Investment Survey;
- (g) The printing and delivery to the Agent in quantities as hereinabove stated of copies of the Registration Statement and any amendments thereto, and of the Prospectus and any amendments or supplements thereto, and the delivery by the Agent of the Prospectus and any amendments or supplements thereto in connection with solicitations or confirmations of sales of the Notes;
- (h) The preparation, printing, reproducing and delivery to the Agents of copies of the Indentures and all supplements and amendments thereto;
- (i) Any fees charged by rating agencies for the rating of the Notes;
- (j) The fees and expenses incurred in connection with the listing of the Notes on any securities exchange;
- (k) The fees and expenses, if any, incurred with respect to any filing with the National Association of Securities Dealers, Inc.;
- (l) Any advertising and other out-of-pocket expenses of the Agents incurred with the approval of the Company;
- (m) The cost of providing any CUSIP or other identification numbers for the Notes; and
- (n) The fees and expenses of any depository and any nominees thereof in connection with the Notes.

SECTION 10. REPRESENTATIONS, WARRANTIES AND AGREEMENTS TO SURVIVE DELIVERY.

All representations, warranties and agreements contained in this Agreement or in certificates of officers of the Company submitted pursuant hereto shall remain operative and in full force and effect, regardless of any investigation made by or on behalf of any Agent or any controlling person of any Agent, or by or on behalf of the Company, and shall survive each delivery of and payment for any of the Notes.

SECTION 11. TERMINATION.

(a) TERMINATION OF THIS AGREEMENT. This Agreement (excluding any agreement hereunder by an Agent to purchase Notes as principal) may be terminated for any reason, with respect to one or more, or all, of the Agents, at any time by either the Company or one or more of the Agents upon the giving of 30 days' written notice of such termination to the other party hereto.

Any termination by the Company of this Agreement with respect to one or more, but less than all, of the Agents shall be effective with respect to such designated Agents only, and the Agreement will remain in force and effect with respect to any other Agents who remain parties hereto.

(b) TERMINATION OF AGREEMENT TO PURCHASE NOTES AS PRINCIPAL. An Agent may terminate any agreement hereunder by such Agent to purchase Notes as principal, immediately upon notice to the Company at any time prior to the Settlement Date relating thereto (i) if there has been, since the date of such agreement or since the respective dates as of which information is given in the Registration Statement, any material adverse change in the condition, financial or otherwise, or in the earnings, business affairs or business prospects of the Company and its subsidiaries considered as one enterprise, or (ii) if there shall have occurred, since the date of such agreement, any outbreak or material escalation of hostilities or other national or international calamity or crisis the effect of which is such as to make it, in the judgment of such Agent, impracticable to market the Notes or enforce contracts for the sale of the Notes, or (iii) if, since the date of such agreement, trading in securities generally on the New York Stock Exchange shall have been suspended or limited, or (iv) if, since the date of such agreement, a banking moratorium shall have been declared by either Federal or New York authorities.

If, after the date of an agreement hereunder to purchase Notes as principal and prior to the Settlement Date with respect to such agreement, the rating assigned by Standard & Poor's Ratings Group, a division of McGraw Hill, Inc. or Moody's Investors Service, Inc. as the case may be, to any debt securities of the Company shall have been lowered or if either of such rating agencies shall have publicly announced that it has under surveillance or review, with possible negative implications, its rating of any debt securities of the Company, then the Company and the Agent mutually shall determine whether the terms of such agreement to purchase Notes shall need to be renegotiated and, if so, shall so negotiate in good faith the revised terms of such agreement to purchase Notes. In the event that the Company and the Agent reasonably fail to agree on any such revised terms, then either the Company or the Agent may terminate such agreement to purchase Notes.

(c) GENERAL. In the event of a termination under this Section 11, or following the Settlement Date in connection with a sale to or through an Agent appointed on a one-time basis, neither party will have any liability to the other party hereto, except that (i) the Agents shall be entitled to any commission earned in accordance with the third paragraph of Section 3(b) hereof, (ii) if at the time of termination (a) any Agent shall own any Notes purchased by it as principal with the intention of reselling them or (b) an offer to purchase any of the Notes has been accepted by the Company but the time of delivery to the purchaser or his agent of the Note or Notes relating thereto has not occurred, the covenants set forth in Sections 4 and 7 hereof shall remain in effect until such Notes are so resold or delivered, as the case may be, and (iii) the covenant set forth in Section 4(h) hereof, the provisions of Section 9 hereof, the indemnity and contribution agreements set forth in Section 8 hereof, and the provisions of Sections 10, 14 and 15 hereof shall remain in effect.

SECTION 12. ADDITIONAL AGENTS.

The Company may from time to time designate additional agents to participate in the sale of Notes as principal or agent hereunder. Such agency participation may be either on an ongoing basis or on a one time basis for a single transaction. Such agents shall become a party to this Agreement and shall thereafter be subject to the provisions hereof and entitled to the benefits hereunder upon the execution of a counterpart hereof or other form of acknowledgement of its appointment hereunder and delivery to the Company of addresses for notice hereunder and under the Procedures. After the time an Agent is appointed, the Company shall deliver to the Agent copies of these documents earlier delivered to other Agents under Sections 5(a), 5(b), 5(c), 7(b), 7(c) and 7(d) hereof.

This Agreement may be executed in counterparts and the executed counterparts shall together constitute a single instrument.

SECTION 15. PARTIES.

This Agreement and all conditions and provisions hereof are intended to be for the sole and exclusive benefit of the parties hereto and respective successors and said controlling persons and officers and directors and their heirs and legal representatives, and for the benefit of no other person, firm or corporation.
