MERRILL LYNCH & CO., INC.
 S&P 500 Market Index Target-Term Securities/SM/
 due September 28, 2005
 ("Securities")

Merrill Lynch & Co., Inc., a Delaware corporation (hereinafter referred to as the "Company", which term includes any successor corporation under the Indenture herein referred to), for value received, hereby promises to pay to CEDE & CO., or registered assigns, the principal sum of EIGHTY-TWO MILLION DOLLARS (\$82,000,000) (the "Principal Amount") plus the Supplemental Redemption Amount, as defined below, on September 28, 2005 (the "Stated Maturity").

Payment of the Principal Amount and the Supplemental Redemption Amount and any interest on any overdue amount thereof with respect to this Security shall be made at the office or agency of the Company maintained for that purpose in the Borough of Manhattan, The City of New York, in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts.

This Security is one of the series of S&P 500 Market Index Target-Term SecuritiesSM due September 28, 2005.

SUPPLEMENTAL REDEMPTION AMOUNT

The "Supplemental Redemption Amount" with respect to this Security equals:

Principal Amount	x	(Adjusted Ending Value - Starting Value)
		(-----)
		(Starting Value)

provided, however, that in no event will the Supplemental Redemption Amount be less than zero. The Starting Value equals 1,066.09. The Adjusted Ending Value will be determined by Merrill Lynch, Pierce, Fenner & Smith, Incorporated (the "Calculation Agent") and will equal the average (arithmetic mean) of the closing values of the S&P 500 Index (the "Index") as adjusted by the Adjustment Factor (as defined below) (the "Adjusted Index Value") determined on each of the first five Calculation Days (as defined below) during the Calculation Period (as defined below). If there are fewer than five Calculation Days, then the Adjusted Ending Value will equal the average (arithmetic mean) of the closing values of the Adjusted Index Value on such Calculation Days, and if there is only one Calculation Day, then the Adjusted Ending Value will equal the closing value of the Adjusted Index Value on such Calculation Day. If no Calculation Days occur during the Calculation Period, then the Adjusted Ending Value will equal the closing value of the Adjusted Index Value determined on the last scheduled Index Business Day (as defined below) in the Calculation Period, regardless of the occurrence of a Market Disruption Event (as defined below) on such day.

The "Adjustment Factor" equals 1.90% per annum and will be prorated based on a 365-day year and applied each calendar day during the term of the Securities to reduce the Index.

The "Calculation Period" means the period from and including the seventh scheduled Index Business Day prior to the Stated Maturity to and including the second scheduled Index Business Day prior to the Stated Maturity.

"Calculation Day" means any Index Business Day during the Calculation Period on which a Market Disruption Event has not occurred.

For purposes of determining the Adjusted Ending Value, an "Index Business

Day" is a day on which the New York Stock Exchange ("NYSE") and the American Stock Exchange are open for trading and the Index or any Successor Index, as defined below, is calculated and published. All determinations made by the Calculation Agent shall be at the sole discretion of the Calculation Agent and, absent a determination by the Calculation Agent of a manifest error, shall be conclusive for all purposes and binding on the Company and beneficial owners of the Securities.

2

ADJUSTMENTS TO THE INDEX; MARKET DISRUPTION EVENTS

If at any time the method of calculating the Index, or the value thereof, is changed in any material respect, or if the Index is in any other way modified so that such Index does not, in the opinion of the Calculation Agent, fairly represent the value of the Index had such changes or modifications not been made, then, from and after such time, the Calculation Agent shall, at the close of business in New York, New York, on each date that the closing value with respect to the Adjusted Ending Value is to be calculated, make such adjustments as, in the good faith judgment of the Calculation Agent, may be necessary in order to arrive at a calculation of a value of a stock index comparable to the Index as if such changes or modifications had not been made, and calculate such closing value with reference to the Index, as adjusted. Accordingly, if the method of calculating the Index is modified so that the value of such Index is a fraction or a multiple of what it would have been if it had not been modified (e.g., due to a split in the Index), then the Calculation Agent shall adjust such Index in order to arrive at a value of the Index as if it had not been modified (e.g., as if such split had not occurred).

"Market Disruption Event" means either of the following events; as determined by the Calculation Agent:

- (a) the suspension or material limitation (limitations pursuant to New York Stock Exchange Rule 80A (or any applicable rule or regulation enacted or promulgated by the NYSE or any other self regulatory organization or the Securities and Exchange Commission of similar scope as determined by the Calculation Agent) on trading during significant market fluctuations shall be considered "material" for purposes of this definition), in each case, for more than two hours of trading, or during the one-half hour period preceding the close of trading on the applicable exchange, in 20% or more of the stocks which then comprise the Index; or
- (b) the suspension or material limitation, in each case, for more than two hours of trading (whether by reason of movements in price otherwise exceeding levels permitted by the relevant exchange or otherwise) in (A) futures contracts related to the Index, or options on such futures contracts, which are traded on any major U.S. exchange or (B) option contracts related to the Index which are traded on any major U.S. exchange.

For the purposes of this definition, a limitation on the hours in a trading day and/or number of days of trading will not constitute a Market Disruption Event if it results from an announced change in the regular business hours of the relevant exchange.

3

DISCONTINUANCE OF THE INDEX

If Standard & Poor's ("S&P") discontinues publication of the Index and S&P or another entity publishes a successor or substitute index that the Calculation Agent determines, in its sole discretion, to be comparable to such Index (any such index being referred to herein as a "Successor Index"), then, upon the Calculation Agent's notification of such determination to the Trustee and the Company, the Calculation Agent will substitute the Successor Index as calculated by S&P or such other entity for the Index. Upon any selection by the Calculation Agent of a Successor Index, the Company shall cause notice thereof to be given to Holders of the Securities.

If S&P discontinues publication of the Index and a Successor Index is not selected by the Calculation Agent or is no longer published on any of the Calculation Days, the value to be substituted for the Index for any such Calculation Day used to calculate the Supplemental Redemption Amount at maturity will be a value computed by the Calculation Agent for each Calculation Day in accordance with the procedures last used to calculate the Index prior to such discontinuance. If a Successor Index is selected or the Calculation Agent calculates a value as a substitute for the Index as described below, such Successor Index or value shall be substituted for the Index for all purposes, including for purposes of determining whether a Market Disruption Event exists. If the Calculation Agent calculates a value as a substitute for the Index, "Index Calculation Day" shall mean any day on which the Calculation Agent is able to calculate such value.

If S&P discontinues publication of the Index prior to the period during

which the Supplemental Redemption Amount is to be determined and the Calculation Agent determines that no Successor Index is available at such time, then on each Business Day until the earlier to occur of (a) the determination of the Adjusted Ending Value and (b) a determination by the Calculation Agent that a Successor Index is available, the Calculation Agent shall determine the value that would be used in computing the Supplemental Redemption Amount as described in the preceding paragraph as if such day were a Calculation Day. The Calculation Agent will cause notice of each such value to be published not less often than once each month in The Wall Street Journal (or another newspaper of general circulation), and arrange for information with respect to such values to be made available by telephone.

GENERAL

This Security is one of a duly authorized issue of securities of the Company, issued and to be issued under an Indenture, dated as of April 1, 1983, as amended and restated (herein referred to as the "Indenture"), between the Company and The Chase Manhattan Bank (successor by merger to Manufacturers Hanover Trust Company), as Trustee (herein referred to as the "Trustee", which term includes any successor trustee under the Indenture), to which Indenture and all indentures supplemental thereto reference is hereby made for a statement of the respective rights thereunder of the Company, the Trustee and the Holders of the Securities, and the terms upon which the Securities are, and are to be, authenticated and delivered.

4

The Company hereby covenants for the benefit of the Holders of the Securities, to the extent permitted by applicable law, not to claim voluntarily the benefits of any laws concerning usurious rates of interest against a Holder of the Securities.

The Securities are not subject to redemption by the Company or at the option of the Holder prior to the Stated Maturity.

In case an Event of Default with respect to any Securities shall have occurred and be continuing, the amount payable to a beneficial owner of a Security upon any acceleration permitted by the Securities, with respect to each \$10 principal amount thereof, will be equal to the Principal Amount and the Supplemental Redemption Amount, if any, calculated as though the date of early repayment were the Stated Maturity of the Securities.

In case of default in payment of the Securities (whether at the Stated Maturity or upon acceleration), from and after the maturity date the Securities shall bear interest, payable upon demand of the beneficial owners thereof, at the rate 5.78% per annum (to the extent that payment of such interest shall be legally enforceable) on the unpaid amount due and payable on such date in accordance with the terms of the Securities to the date payment of such amount has been made or duly provided for.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the rights of the Holders of the Securities of each series to be affected under the Indenture at any time by the Company and the Trustee with the consent of the Holders of not less than 66 2/3% in aggregate principal amount of the Securities at the time Outstanding, as defined in the Indenture, of each series affected thereby. The Indenture also contains provisions permitting the Holders of specified percentages in aggregate principal amount of the Securities of each series at the time Outstanding, on behalf of the Holders of all Securities of each series, to waive compliance by the Company with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences. Any such consent or waiver by the Holder of this Security shall be conclusive and binding upon such Holder and upon all future Holders of this Security and of any Security issued upon the registration of transfer hereof or in exchange herefor or in lieu hereof whether or not notation of such consent or waiver is made upon this Security.

No reference herein to the Indenture and no provision of this Security or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the Principal Amount plus the Supplemental Redemption Amount with respect to this Security and any interest on any overdue amount thereof at the time, place, and rate, and in the coin or currency, herein prescribed.

5

As provided in the Indenture and subject to certain limitations set forth therein and on the first page hereof, the transfer of this Security may be registered on the Security Register of the Company, upon surrender of this Security for registration of transfer at the office or agency of the Company in the Borough of Manhattan, The City of New York, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Company duly executed by, the Holder hereof or by his attorney duly authorized in writing, and thereupon one or more new Securities, of authorized denominations and for the same aggregate principal amount, will be issued to the designated transferee

or transferees.

The Securities are issuable only in registered form without coupons in denominations of \$10 and integral multiples thereof. As provided in the Indenture and subject to certain limitations set forth therein and on the first page hereof, the Securities are exchangeable for a like aggregate principal amount of Securities in authorized denominations, as requested by the Holder surrendering the same. If (x) any Depository is at any time unwilling or unable to continue as Depository and a successor depository is not appointed by the Company within 60 days, (y) the Company executes and delivers to the Trustee a Company Order to the effect that this Security shall be exchangeable or (z) an Event of Default has occurred and is continuing with respect to the Securities, this Security shall be exchangeable for Securities in definitive form of like tenor and of an equal aggregate principal amount, in denominations of \$10 and integral multiples thereof. Such definitive Securities shall be registered in such name or names as the Depository shall instruct the Trustee. If definitive Securities are so delivered, the Company may make such changes to the form of this Security as are necessary or appropriate to allow for the issuance of such definitive Securities.

No service charge shall be made for any such registration of transfer or exchange, but the Company may require payment of a sum sufficient to cover any tax or governmental charge payable in connection therewith.

Prior to due presentment of this Security for registration of transfer, the Company, the Trustee and any agent of the Company or the Trustee may treat the Person in whose name this Security is registered as the owner hereof for all purposes, whether or not this Security be overdue, and neither the Company, the Trustee nor any such agent shall be affected by notice to the contrary.

6

All terms used in this Security which are defined in the Indenture but not in this Security shall have the meanings assigned to them in the Indenture.

Unless the certificate of authentication hereon has been executed by The Chase Manhattan Bank, the Trustee under the Indenture, or its successor thereunder, by the manual signature of one of its authorized officers, this Security shall not be entitled to any benefits under the Indenture or be valid or obligatory for any purpose.

IN WITNESS WHEREOF, the Company has caused this instrument to be duly executed under its corporate seal.

Dated: September 29, 1998

Gentlemen:

As your counsel, we have examined a copy of the Restated Certificate of Incorporation, as amended, of Merrill Lynch & Co., Inc. (hereinafter called the "Company"), certified by the Secretary of State of the State of Delaware. We are familiar with the corporate proceedings had in connection with the proposed issuance and sale by the Company to the Underwriter named in the Terms Agreement referred to below, pursuant to an Underwriting Agreement dated August 5, 1998 (the "Underwriting Agreement"), between the Company and Merrill Lynch & Co., Merrill Lynch, Pierce, Fenner & Smith Incorporated ("MLPF&S"), as supplemented by the Terms Agreement dated September 23, 1998 (the "Terms Agreement") between the Company and MLPF&S (the "Underwriter"), of \$82,000,000 aggregate principal amount of the Company's S&P 500 Market Index Target-Term Securities SM due September 28, 2005 (the "Securities"). We have also examined a copy of the Indenture between the Company and The Chase Manhattan Bank as Trustee, dated as of April 1, 1983, as amended and restated (the "Indenture"), and the Company's Registration Statement on Form S-3 (File No. 333-59997) relating to the Securities (the "Registration Statement").

Based upon the foregoing and upon such further investigation as we deemed relevant in the premises, we are of the opinion that:

1. The Company has been duly incorporated under the laws of the State of Delaware.

2. The Securities have been duly and validly authorized by the Company and when the Securities have been duly executed and authenticated in accordance with the terms of the Indenture and delivered against payment therefor as set forth in the Underwriting Agreement, as supplemented by the Terms Agreement, the Securities will constitute valid and legally binding obligations of the Company, enforceable against the Company in accordance with their terms, except to the extent that enforcement thereof may be limited by bankruptcy, moratorium, insolvency, reorganization or similar laws relating to or affecting creditors' rights generally and except as enforcement thereof is subject to general principles at equity (regardless of whether enforcement is considered in a proceeding in equity or at law).

We consent to the filing of this opinion as an exhibit to the Registration Statement and as an exhibit to the Current Report of the Company on Form 8-K dated September 29, 1998.

Very truly yours,

Brown & Wood LLP
