MBNA Master Credit Card Trust II

We have examined management's assertion that MBNA America Bank, N.A. ("MBNA" or "the Company"), a wholly owned subsidiary of MBNA Corporation, complied with the covenants and conditions of sections 2.05(e), 2.06, 2.07, 2.08(a), 2.09, 3.02, 3.04, 3.05, 3.06(b), 4.02(a), 4.03(a), (c) and (d) and 13.02(d) of the Pooling and Servicing Agreement dated as of August 4, 1994, as amended (the "PSA") and the sections specified in Attachment A of the applicable Series' Pooling and Servicing Agreement Supplement (the "PSA Supplement"), between MBNA and The Bank of New York, during the compliance periods specified in Attachment A. In addition, we have examined management's assertion that MBNA complied with the covenants and conditions of sections 310(a), 402(a), 701(a) and (b), 907, 908(a) and 1201 of the MBNA Credit Card Master Note Trust Indenture dated as of May 24, 2001 (the "Indenture") and sections 2.02(i)-(iv), 3.16 and 4.01(a) of the MBNA Credit Card Master Note Trust MBNA Series Indenture Supplement dated May 24, 2001 (the "Indenture Supplement" together with the PSA, PSA Supplement and Indenture, the "Agreements" as filed with the Securities and Exchange Commission), between the MBNA Credit Card Master Note Trust and The Bank of New York, during the compliance periods specified in Attachment A.

Management's assertion is included in the accompanying report by management titled, "Report of Management on Credit Card and Consumer Loan Trust Internal Control and Pooling and Servicing Agreement/Indenture Compliance" (the "Report"). Management is responsible for MBNA's compliance with those requirements. Our responsibility is to express an opinion on management's assertions about the Company's compliance based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and, accordingly, included examining, on a test basis, evidence about MBNA's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our examination provides a reasonable basis for our opinion. Our examination does not provide a legal determination on MBNA's compliance with specified requirements.

In our opinion, management's assertion that MBNA complied with the covenants and conditions of the Agreements, referred to above, during the compliance periods specified in Attachment A, is fairly stated, in all material respects.

MBNA Master Credit Card Trust II

We have examined management's assertion that MBNA America Bank, N.A.'s ("MBNA"), a wholly owned subsidiary of MBNA Corporation, controls over the functions performed as servicer of the MBNA Master Credit Card Trust II (the "Master Trust"), including all Series of the Master Trust, as well as all MBNAseries Notes issued from the MBNA Master Credit Card Note Trust (the "Note Trust," together with the Master Trust, the "Trust") as specified in Attachment A, are effective, as of June 30, 2004, in providing reasonable assurance that (a) Trust assets are safeguarded against loss from unauthorized use or disposition, (b) transactions are executed in accordance with management's authorization in conformity with the MBNA Master Credit Card Trust II Pooling and Servicing Agreement dated as of August 4, 1994, as amended (the "PSA"), the applicable Pooling and Servicing Agreement Supplement for each Series (the "PSA Supplements"), the MBNA Credit Card Master Note Trust Indenture dated as of May 24, 2001 ("Indenture"), and the MBNAseries Indenture Supplement dated as of May 24, 2001 ("Indenture Supplement," together with the PSA, PSA Supplements and Indenture, the "Agreements") as specified in Attachment A, and (c) transactions are recorded properly to permit the preparation of the required financial reports. This assertion is included in the accompanying report by management titled, "Report of Management on Credit Card and Consumer Loan Trust Internal Control and Pooling and Servicing Agreement/Indenture Compliance" (the "Report"). Management is responsible for MBNA's controls over the functions performed as servicer of the Trust. Our responsibility is to express an

opinion on the effectiveness of internal control based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and, accordingly, included obtaining an understanding of the controls over the functions performed by MBNA as servicer of the Trust, testing and evaluating the design and operating effectiveness of those controls, and such other procedures as we considered necessary in the circumstances. We believe that our examination provides a reasonable basis for our opinion.

Because of inherent limitations in any internal control, misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the controls over the functions performed by MBNA as servicer of the Trust to future periods are subject to the risk that the controls may become inadequate because of changes in conditions, or that the degree of compliance with the controls may deteriorate.

In our opinion, management's assertion, that MBNA's controls over the functions performed as servicer of the Trust are effective in providing reasonable assurance that Trust assets are safeguarded against loss from unauthorized use or disposition, that transactions are executed in accordance with management's authorization in conformity with the Agreements and that transactions are recorded properly to permit the preparation of the required financial reports, as of June 30, 2004, is fairly stated, in all material respects, based upon the following criteria specified in the Report:

- o Funds collected are remitted to the Trustee in accordance with the Agreements.
- o Trust assets are segregated from those retained by MBNA in accordance with the Agreements.
- o Expenses incurred by the Trust are calculated and remitted in accordance with the Agreements.
- o Additions of accounts to the Trust are authorized in accordance with the Agreements.
- o Removals of accounts from the Trust are authorized in accordance with the Agreements.
- o Trust assets amortizing out of the Trust are calculated in accordance with the Agreements.
- o Monthly Trust reports generated in the form of "Exhibits" and provided to the Trustee are reviewed by a Vice President or above prior to distribution.
- o Monthly Master Trust reports generated in the form of "Exhibits" contain all required information per the PSA and PSA Supplements.
- o Monthly Note Trust reports generated in the form of "Exhibits" contain all required information per the Indenture and Indenture Supplement.

In connection with your attestation engagements relating to our assertions on (1) the effectiveness of controls over the functions performed as servicer of MBNA's credit card and consumer loan trusts listed in Appendix I (the "Trusts") as of June 30, 2004, and (2) compliance by MBNA with the covenants and conditions of certain sections, as specified in Appendix I, of each Trusts' applicable Pooling and Servicing Agreement, Pooling and Servicing Agreement Supplements, the Indenture and the MBNA Series Indenture Supplement (together the "Agreements"), and in connection with your agreed upon procedures engagements relating to the amounts in the (a) "mathematical calculations" set forth in the monthly certificates or settlement reports prepared by MBNA pursuant to subsections 3.04(b) of the Pooling and Servicing Agreements, as applicable, for the periods specified in Appendix I, as well as (b) the "mathematical calculations" set forth in the monthly exhibits of the MBNA Credit Card Master Note Trust prepared by MBNA pursuant to subsections 907 and 908(a) of the Indenture for the period July 1, 2003 through June 30, 2004, we recognize that obtaining representations from us concerning the information contained in this letter is a significant procedure in enabling you to form an opinion about whether our assertions are fairly stated in all material respects and in performing the specific agreed upon procedures. Accordingly, we make the following representations with respect to these engagements which are true to our knowledge.

Controls Over the Functions Performed as Servicer of the Trusts

- o We acknowledge that, as members of management, we are responsible for establishing and maintaining effective controls over the functions performed as servicer of the Trusts that provide reasonable assurance to management and the board of directors that Trust assets are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization in conformity with the Agreements and are recorded properly to permit the preparation of required financial reports.
- o Management has determined that the objectives of our controls with respect to servicing and reporting of sold loans are to provide reasonable, but not absolute assurance that:

- o Funds collected are remitted to the Trustee in accordance with the Agreements.
- o Trust assets are segregated from those retained by MBNA in accordance with the Agreements.
- o Expenses incurred by the Trusts are calculated and remitted in accordance with the Agreements.
- o The additions of accounts to the Trusts are authorized in accordance with the Agreements.

- o Monthly Trust reports generated in the form of "Exhibits" and provided to the Trustee are reviewed by a Vice President or above prior to distribution.
- o Monthly Trust reports generated in the form of "Exhibits" contains all information required by the Agreements.

Management has performed an evaluation of MBNA's controls over the functions performed as servicer of the Trusts in relation to these criteria. Based upon this evaluation, the controls over the functions performed as servicer of the Trusts as of June 30, 2004, are effective in providing reasonable assurance that Trust assets are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization in conformity with the Agreements between MBNA and the applicable Trustee and are recorded properly to permit the preparation of the required financial reports.

We confirm to our knowledge, the following representations made to you during your attestation engagement.

1. The criteria against which we measured our assertion, as specified above, are sufficiently clear and comprehensive for a knowledgeable user of the report to be able to understand them.

2. We acknowledge our responsibility for the design and implementation of programs and controls to prevent and detect fraud. We have no knowledge of any fraud or suspected fraud affecting the functions performed as servicer of the Trusts involving: management; employees who have significant roles in internal control; or others where the fraud could have a material effect. We have no knowledge of any allegations of fraud or suspected fraud affecting the functions performed as servicer of the Trusts received in communications from employees, former employees, analysts, regulators, short sellers, or others.
3. We have disclosed to you all significant deficiencies in the design or operation of the controls that could adversely affect MBNA's ability to safeguard Trust assets against loss, execute transactions in accordance with management's authority in conformity with the applicable Agreements and prepare the required financial reports.
4. We have made available to you all reports of examination from regulatory agencies. To our knowledge there were no situations of noncompliance with or deficiencies in controls communicated by any regulatory agencies which would preclude achievement of any of the criteria noted above.
5. No matters or occurrences, including those which may be communicated by regulatory agencies, have come to our attention up to the date of this letter that might significantly change or affect the controls over the functions performed as servicer of the Trusts, including any corrective actions taken (or that may be taken) by management regarding significant deficiencies.

Compliance with Covenants and Conditions of the Agreements

We acknowledge that we are responsible for complying with the covenants and conditions of the Agreements. We are also responsible for establishing and maintaining effective internal control over compliance with the covenants and conditions of the Agreements. We have performed an evaluation of MBNA's compliance with the relevant covenants and conditions of the Agreements identified in Appendix I for each of the Agreements, for the periods specified in Appendix I. Based on this evaluation, MBNA complied with the relevant covenants and conditions of the Agreements identified in Appendix I for each of the Agreements during the periods specified in Appendix I.

We have made available to your representatives all documentation related to compliance with the specified requirements of

the Agreements.

There has been no known noncompliance with the relevant covenants and conditions of the Agreements identified in Appendix I for each of the Agreements, for the periods specified in Appendix I and through the date of your attestation examination report.

We have received no communications from regulatory agencies, internal auditors or other parties concerning possible non-compliance with the covenants and conditions of the Agreements including communications received between June 30, 2004 and the date of this letter.

No events or transactions have occurred since June 30, 2004 or are pending that would have an effect on the compliance with the covenants and conditions of the Agreements identified in Appendix I at that date or for the periods specified in Appendix I.

We are not aware of any instances of fraud involving management or employees who have significant roles in internal control over compliance, or other employees, with the covenants and conditions of the Agreements identified in Appendix I.

Agreed Upon Procedures Applied to Monthly Certificates or Settlement Reports

We acknowledge that, as members of management, we are responsible for preparing the monthly certificates pursuant to the applicable sections of the Agreements. We also are responsible for selecting the criteria against which the amounts in the "mathematical calculations" set forth in the monthly certificates (i.e. the Form of Monthly Servicer's Certificate and the Schedule to the Monthly Servicer's Certificate of each series of each trust) should be measured, and for determining that such criteria are appropriate for our purposes.

We have made available to your representatives all documentation related to the monthly certificates for the periods specified in Appendix I.

We understand that your examinations were made, and your agreed upon procedures engagement was conducted, in accordance with attestation standards established by the American Institute of Certified Public Accountants and were therefore, designed primarily for the purpose of expressing opinions on whether our assertions regarding (1) the effectiveness of the controls over the functions performed as servicer of the Trusts and (2) our compliance with the covenants and conditions of certain sections of the Agreements were fairly stated, in all material respects, based on the specified criteria. We further understand that your tests of our records and other procedures were limited to those that you considered necessary for that purpose. We understand that an agreed upon procedures engagement is substantially less in scope than an examination, the objective of which is the expression of an opinion on the amounts in the "mathematical calculations" set forth in the monthly certificates. We also understand that the sufficiency of the procedures performed in your agreed upon procedures engagement is solely the responsibility of the specified users of the report.

Report of Management on Credit Card and Consumer Loan Trust Internal Control and Pooling and Servicing Agreement/Indenture Compliance

Trust Internal Control

MBNA America Bank, N.A., ("MBNA" or the "Company"), a wholly owned subsidiary of MBNA Corporation is responsible for establishing and maintaining effective controls over the functions performed as servicer of MBNA's credit card and consumer loan trusts, listed in Appendix I (the "Trusts" or individually "Trust"). These controls are designed to provide reasonable assurance to the Company's management and board of directors that Trust assets are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization in conformity with the applicable Pooling and Servicing Agreements, Pooling and Servicing Agreement Supplements, Indenture and MBNA Series Indenture Supplement (together the "Agreements") as specified in Appendix I, between MBNA as Seller/Transferor and Servicer and the applicable Trustee (specific Agreements and Trustees are listed in Appendix I) and are recorded properly to permit the preparation of the required financial reports.

Because of inherent limitations in any control, no matter how well-designed, misstatements due to error or fraud may occur and not be detected, including the possibility of the circumvention or overriding of controls. Accordingly, even effective controls can provide only reasonable assurance with respect to the achievement of any objectives of controls. Further, because of changes in conditions, the effectiveness of controls may vary over time.

The Company has determined that the objectives of controls with respect to servicing and reporting of sold loans are to provide reasonable, but not absolute assurance that:

- o Funds collected are remitted to the Trustee in accordance with the Agreements.
- o Trust assets are segregated from those retained by MBNA in accordance with the Agreements.
- o Expenses incurred by the Trusts are calculated and remitted in accordance with the Agreements.
- o The additions of accounts to the Trusts are authorized in accordance with the Agreements.
- o The removals of accounts from the Trusts are authorized in accordance with the Agreements.

Trust Internal Control (continued)

- o Trust assets amortizing out of the Trusts are calculated in accordance with the Agreements.
- o Monthly Trust reports generated in the form of "Exhibits" and provided to the Trustee are reviewed by a Vice President or above prior to distribution.
- o Monthly Trust reports generated in the form of "Exhibits" contain all information required by the Agreements.

The Company assessed its controls over the functions performed as servicer of the Trusts in relation to these criteria. Based upon this assessment, the Company believes that, as of June 30, 2004, its controls over the functions performed as servicer of the Trusts are effective in providing reasonable assurance that Trust assets are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization in conformity with the Agreements between MBNA and the applicable Trustees and are recorded properly to permit the preparation of the required financial reports.

Pooling and Servicing Agreement Compliance

The Company is responsible for complying with the covenants and conditions of the Agreements listed in Appendix I to this report. The Company is also responsible for establishing and maintaining effective internal control over compliance with the covenants and conditions of the Agreements. The Company has performed an evaluation of its compliance with the requirements of the relevant covenants and conditions identified in Appendix I for each of the Agreements. Based on this evaluation, MBNA complied with the requirements of the relevant covenants and conditions of the Agreements identified in Appendix I for each of the Agreements during the periods specified in Appendix I.
