Ladies and Gentlemen:

BA Credit Card Trust, a Delaware statutory trust (the "Issuer"), and BA Credit Card Funding, LLC, a Delaware limited liability company (the "Company"), as beneficiary (in such capacity, the "Beneficiary") of the Issuer, propose to sell the notes of the series, classes and tranches designated in the applicable Terms Agreement (as hereinafter defined) (the "Notes"). The Notes will be issued pursuant to the Fourth Amended and Restated Indenture, dated as of December 17, 2015, between the Issuer and The Bank of New York Mellon, as trustee (in such capacity, the "Indenture Trustee"), as acknowledged and accepted by Bank of America, National Association (the "Bank"), as servicer, as supplemented by the Third Amended and Restated BAseries Indenture Supplement, dated as of December 17, 2015, and a Terms Document having the date stated in the applicable Terms Agreement (as so amended and supplemented, the "Indenture"), each between the Issuer and the Indenture Trustee. The Issuer is operated pursuant to a Fourth Amended and Restated Trust Agreement, dated as of October 1, 2014 (as amended by the First Amendment thereto, dated as of December 17, 2015, the "Trust Agreement"), between the Company, as Beneficiary and as transferor (in such capacity, the "Transferor"), and Wilmington Trust Company, as owner trustee (the "Owner Trustee"), as acknowledged and accepted by the Issuer and the Bank. The Notes will be secured by certain assets of the Issuer, including the Collateral Certificate referred to below (collectively, the "Collateral").

The Bank, the Company and Banc of America Consumer Card Services, LLC, a North Carolina limited liability company ("BACCS"), have entered into a Second Amended and Restated Receivables Purchase Agreement, dated as of July 8, 2015 (as amended by the First Amendment thereto, dated as of December 17, 2015, the "Receivables Purchase Agreement"), whereby the Bank sells to the Company all receivables arising in certain of the accounts designated by the Bank. The Company has transferred and proposes to continue to transfer credit card receivables to the BA Master Credit Card Trust II (the "Master Trust") pursuant to a Fourth Amended and Restated Pooling and Servicing Agreement, dated as of December 17, 2015 (as amended by the First Amendment thereto, dated as of December 9, 2016, and as amended or supplemented from time to time, the "Pooling and Servicing Agreement"), as supplemented by the Fifth Amended and Restated Series 2001-D Supplement, dated as of December 17, 2015 (as amended or supplemented from time to time, the "Series Supplement") (references herein to the Pooling and Servicing Agreement shall mean, unless otherwise specified, the Pooling and Servicing Agreement as supplemented by the Series Supplement), among the Transferor, the Bank, as servicer (in such capacity, the "Servicer"), and The Bank of New York Mellon, as trustee (in such capacity, the "Master Trust Trustee"). The assets of the Master Trust include, among other things, certain amounts due on a pool of MasterCard®, VISA® and American Express® revolving credit card accounts of the Bank (the "Receivables"), proceeds of credit insurance policies relating to the Receivables and the benefit of Credit Enhancement (as hereinafter defined), if any. Pursuant to the Pooling and Servicing Agreement and the Trust Agreement, the Master Trust has issued to the Issuer a collateral certificate (the "Collateral Certificate"). The Collateral Certificate is an investor certificate under the Pooling and Servicing Agreement that represents undivided beneficial interests in certain assets of the Master Trust. The Receivables (and the related accounts) will be subject to review by Clayton Fixed Income Services LLC (the "Asset Representations Reviewer") in certain circumstances for compliance with certain representations and warranties made about the Receivables, in accordance with the Asset Representations Review Agreement, dated as of December 17, 2015 (as amended by the First Amendment thereto, dated as of May 25, 2016, and as may be further amended or supplemented from time to time, the "Asset Representations Review Agreement"), among the Company, the Bank, the Servicer and the Asset Representations Reviewer.

The Notes designated in the applicable Terms Agreement will be sold in a public offering by the Issuer through BofA Securities, Inc., as underwriter, or through certain underwriters which include BofA Securities, Inc., one or more of which may with BofA Securities, Inc. act as a representative of such underwriters listed on Schedule I to the applicable Terms Agreement (any underwriter through which Notes are sold shall be referred to herein as an "Underwriter" or, collectively, all such Underwriters may be referred to as the "Underwriters"; any representative thereof may be referred to herein as the "Representative," which, if the context herein does require, shall include BofA Securities, Inc. in its capacity as an Underwriter of any Notes or as a Representative). Notes sold to the Underwriters for which BofA Securities, Inc. is the Representative shall be sold pursuant to a Terms Agreement by and between the Issuer, the Company, the Bank and the Representative, a form of which is attached hereto as Exhibit A (a "Terms Agreement"), which incorporates by reference this Underwriting Agreement (the "Agreement," which may include the applicable Terms Agreement if the context so requires). Any Notes sold pursuant to any Terms Agreement may include the benefits of a reserve account, letter of credit, surety bond, cash collateral account, cash collateral guaranty,

collateral interest, guaranteed rate agreement, maturity guaranty facility, tax protection agreement, interest rate swap, spread account or other contract or agreement for the benefit of the Noteholders of such Series ("Credit Enhancement"). The term "applicable Terms Agreement" means the Terms Agreement dated the date hereof. To the extent not defined herein, capitalized terms used herein have the meanings assigned to such terms in the Indenture or the Pooling and Servicing Agreement. Unless otherwise stated herein or in the applicable Terms Agreement, as the context otherwise requires or if such term is otherwise defined in the Indenture or the Pooling and Servicing Agreement, each capitalized term used or defined herein or in the applicable Terms Agreement shall relate only to the Notes designated in the applicable Terms Agreement and no other series, class or tranche of notes issued by the Issuer.

The Company has prepared and filed with the Securities and Exchange Commission (the "Commission") in accordance with the provisions of the Securities Act of 1933, as amended, and the rules and regulations of the Commission thereunder (collectively, the "Act"), a shelf registration statement on Form SF-3 (having the registration number stated in the applicable Terms Agreement), including a form of prospectus, relating to the Notes and the Collateral Certificate. The registration statement as amended has been declared effective by the Commission and is currently effective. If any post-effective amendment has been filed with respect thereto, prior to the execution and delivery of the applicable Terms Agreement, the most recent such amendment has been declared effective by the Commission. Such registration statement, as amended as of the effective date, including all material incorporated by reference therein and including all information deemed to be part of the registration statement as of the effective date pursuant to Rule 430D under the Act, is referred to in this Agreement as the "Registration Statement." For purposes of this Agreement, the "effective date" means the later of (a) the date and time as of which the Registration Statement, or the most recent post-effective amendment thereto, if any, was declared effective by the Commission or (b) the most recent effective date as of which the Prospectus (as defined below) is deemed to be part of the Registration Statement pursuant to Rule 430D under the Act.

The Company proposes to file with the Commission pursuant to Rule 424(b) under the Act ("Rule 424(b)") a final prospectus (such final prospectus, in the form most recently revised and filed with the Commission pursuant to Rule 424(b), together with any amendment thereof or supplement thereto, is hereinafter referred to as the "Prospectus").

Prior to the time the first contract of sale for the Notes designated in the applicable Terms Agreement was entered into (such time, as set forth in the applicable Terms Agreement, the "Time of Sale"), the Company had prepared a Preliminary Prospectus, dated June 2, 2025 (subject to completion). As used herein, "Preliminary Prospectus" means, with respect to any date or time referred to herein, the most recent Preliminary Prospectus (as amended or supplemented, if applicable), which has been prepared and delivered by the Company to the Underwriters in accordance with the provisions hereof.

Upon the execution of the applicable Terms Agreement, the Company agrees with the Underwriters as follows:

1. Subject to the terms and conditions set forth herein and in the applicable Terms Agreement, the Company agrees to cause the Issuer to issue and deliver the Notes to the several Underwriters as hereinafter provided, and each of the Underwriters, upon the basis of the representations, warranties and covenants herein contained, but subject to the conditions hereinafter stated, agrees to purchase, severally and not jointly, from the Issuer the respective principal amount of the Notes set forth opposite such Underwriter's name on Schedule I to the applicable Terms Agreement. The Notes are to be purchased by the Underwriters at the purchase price(s) set forth in such Terms Agreement.

2. The Company understands that the Underwriters intend (i) to make a public offering of their respective portions of the Notes as soon after the Registration Statement and this Agreement and the applicable Terms Agreement have become effective as in the judgment of the Representative is advisable and (ii) initially to offer the Notes upon the terms set forth in the Prospectus.

3. Unless otherwise provided in the applicable Terms Agreement, payment for the Notes shall be made to the Company or to its order by wire transfer of same day funds at 9:00 A.M., New York City time, on the Closing Date (as hereinafter defined), or at such other time on the same or such other date, not later than the fifth Business Day thereafter, as the Representative and the Company may agree upon in writing. The time and date of such payment for the Notes are referred to herein as the "Closing Date" and are set forth in the applicable Terms Agreement. As used herein, the term "Business Day," means any day other than a day on which banks are permitted or required to be closed in New York City.

4. Upon the execution of the applicable Terms Agreement, the Bank represents, warrants and covenants to each Underwriter that:

(a) The Bank has been duly organized and is validly existing as a national banking association in good standing under the laws of the United States, with power and authority (corporate and other) to own its properties and conduct its business as described in the Preliminary Prospectus and to execute, deliver and perform the Receivables Purchase Agreement, the Pooling and Servicing Agreement, the Asset Representations Review Agreement, this Agreement and the applicable Terms Agreement and to consummate the transactions contemplated by the Receivables Purchase Agreement, the Pooling and Servicing Agreement, the Asset Representations Review Agreement, this Agreement and the applicable Terms Agreement and has been duly qualified as a foreign corporation for the transaction of business and is in good standing under the laws of each other jurisdiction in which it owns or leases properties, or conducts any business, so as to require such qualification, other than where the failure to be so qualified or in good standing would not have a material adverse effect on the Bank and its subsidiaries (other than the Company and other bankruptcy-remote, special-purpose subsidiaries), taken as a whole;

(b) No consent, approval, authorization or order of, or filing with, any court or governmental agency or governmental body is required to be obtained or made by the Bank for its consummation of the transactions contemplated by the Receivables Purchase Agreement, the Pooling and Servicing Agreement, the Asset Representations Review

Agreement, this Agreement or the applicable Terms Agreement, except such as have been obtained and made under the Act, such as may be required under state securities laws and the filing of any financing statements required to perfect the Company's interest in the Receivables;

(c) The Bank is not in violation of its organizational documents or in default in its performance or observance of any obligation, agreement, covenant or condition contained in any agreement or instrument to which it is a party or by which it or its properties are bound which would have a material adverse effect on the transactions contemplated in the Receivables Purchase Agreement, the Pooling and Servicing Agreement, the Asset Representations Review Agreement, this Agreement or the applicable Terms Agreement. The execution, delivery and performance by the Bank of the Receivables Purchase Agreement, the Pooling and Servicing Agreement, the Asset Representations Review Agreement, this Agreement and the applicable Terms Agreement, and its compliance with the terms and provisions hereof and thereof applicable to the Bank, will not result in a material breach or violation of any of the terms and provisions of, or constitute a material default under, any statute, rule, regulation or order of any governmental agency or body or any court having jurisdiction over the Bank, or any of its properties or any agreement or instrument to which the Bank is a party or by which the Bank is bound or to which any of the properties of the Bank is subject, or the organizational documents of the Bank; and the Bank has full power and authority to enter into the Receivables Purchase Agreement, the Pooling and Servicing Agreement, the Asset Representations Review Agreement, this Agreement and the applicable Terms Agreement;

(d) Other than as set forth or contemplated in the Preliminary Prospectus, there are no legal or governmental proceedings pending or, to the knowledge of the Bank, threatened to which any of the Bank or its subsidiaries (other than the Company and other bankruptcy-remote, special-purpose subsidiaries) is or may be a party or to which any property of the Bank or its subsidiaries (other than the Company and other bankruptcy-remote, special-purpose subsidiaries) is or may be the subject which, if determined adversely to the Bank or those subsidiaries, could individually or in the aggregate reasonably be expected to have a material adverse effect on (i) the interests of the holders of the Notes or (ii) the ability of the Bank to perform its obligations under the Receivables Purchase Agreement, the Pooling and Servicing Agreement, the Asset Representations Review Agreement, this Agreement and the applicable Terms Agreement; and there are no contracts or other documents to which the Bank is a party of a character required to be filed as an exhibit to the Registration Statement or required to be described in the Registration Statement or the Preliminary Prospectus which are not filed or described as required;

(e) Neither the execution, delivery and performance by the Bank of its obligations under the Receivables Purchase Agreement, the Pooling and Servicing Agreement, the Asset Representations Review Agreement, this Agreement or the applicable Terms Agreement, nor the consummation by the Bank of any other of the transactions contemplated in the Receivables Purchase Agreement, the Pooling and Servicing Agreement, the Asset Representations Review Agreement, this Agreement or the applicable Terms Agreement will conflict with, result in a breach of or cause a default under any judgment, order, or decree that is binding on the Bank or its properties or any material indenture, or other material agreement or instrument to which the Bank is a party or by which it or its properties are bound;

(f) The Receivables Purchase Agreement, the Pooling and Servicing Agreement, the Asset Representations Review Agreement, this Agreement and the applicable Terms Agreement have been duly authorized, executed and delivered by the Bank and, when executed and delivered by the other parties hereto and thereto, each of the Receivables Purchase Agreement, the Pooling and Servicing Agreement, the Asset Representations Review Agreement, this Agreement and the applicable Terms Agreement will constitute a valid and binding agreement of the Bank;

(g) The Bank has provided a written representation to each of the nationally recognized statistical rating organizations hired by the Bank, which satisfies the requirements of paragraph (a)(3)(iii) of Rule 17g-5 ("Rule 17g-5") of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), as amended (the "17g-5 Representation"). The Bank has complied, and will continue to comply, with the 17g-5 Representation, other than any breach of the 17g-5 Representation that would not have a material adverse effect on the Notes;

(h) The Master Trust is not now, and following the issuance of the Collateral Certificate will not be, required to be registered under the Investment Company Act of 1940, as amended (the "1940 Act"). The Master Trust is not now, and immediately following the issuance of the Notes pursuant to the Indenture will not be, a "covered fund" for purposes of regulations adopted under Section 13 of the Bank Holding Company Act of 1956 (hereinafter referred to as the "Volcker Rule"). In reaching this conclusion, although other statutory or regulatory exclusions or exemptions under the 1940 Act or the Volcker Rule may be available, the Bank has relied on the exclusion from registration set forth in Rule 3a-7 under the 1940 Act;

(i) The Bank has not engaged any third party to provide due diligence services within the meaning of Rule 17g-10(d)(1) under the Exchange Act or obtained any third-party due diligence report within the meaning of Rule 15Ga-2(d) under the Exchange Act with respect to the assets held by the Master Trust in connection with the transactions contemplated by this Agreement; and

(j) The Bank expects to comply, as of the date hereof, and will comply, as of the Closing Date, with Regulation RR, 17 C.F.R. §246.1, et seq. (the "Credit Risk Retention Rules"), either directly or (to the extent permitted by the Credit Risk Retention Rules) through a "Wholly-Owned Affiliate" (as defined in the Credit Risk Retention Rules). The Bank, or one or more of its Wholly-Owned Affiliates, expects to satisfy, as of the date hereof, and will satisfy, on the Closing Date, the Credit Risk Retention Rules by maintaining a "seller's interest" (as defined in the Credit Risk Retention Rules) of not less than 5% of the aggregate unpaid principal balance of all outstanding investor "ABS Interests" (as defined in the Credit Risk Retention Rules) in the Issuer, determined in accordance with the Credit Risk Retention Rules, without any impermissible transfer, hedging or financing of such retained interest.

5. Upon the execution of the applicable Terms Agreement, the Company represents, warrants and covenants to each Underwriter that:

(a) The Registration Statement on Form SF-3 (having the registration number stated in the applicable Terms Agreement), including the form of prospectus and such

amendments thereto as may have been required on the date of the applicable Terms Agreement, relating to the Notes, has been filed with the Commission and such Registration Statement as amended has become effective and remains effective. The conditions to the use of a shelf registration statement on Form SF-3 under the Act, as set forth in the General Instructions to Form SF-3, have been satisfied with respect to the Company and the Registration Statement;

(b) No stop order suspending the effectiveness of the Registration Statement has been issued and no proceeding for that purpose has been instituted or, to the knowledge of the Company, threatened by the Commission, and on the effective date of the Registration Statement, each of the Registration Statement and the Preliminary Prospectus conformed in all material respects to the requirements of the Act and the rules and regulations of the Commission under the Act (the "Rules and Regulations") (with the exception that the Registration Statement does not include the ratings of the Notes as required by Items 1103(a)(9) and 1120 of Regulation AB, 17 C.F.R. 229.1103(a)(9) and 17 C.F.R. 229.1120, which have been omitted from the Registration Statement in reliance on the no-action letter provided by the Commission to Ford Motor Credit Company LLC and Ford Credit Auto Receivables Two LLC (July 22, 2010), as extended indefinitely by the Commission (November 23, 2010)), and did not include any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein not misleading, and on the date of the applicable Terms Agreement, each of the Registration Statement and the Preliminary Prospectus conform, and at the time of filing of the Prospectus pursuant to Rule 424(b) such documents will conform in all respects to the requirements of the Act and the Rules and Regulations (with the exception that the Registration Statement will not include the ratings of the Notes as required by Items 1103(a)(9) and 1120 of Regulation AB, 17 C.F.R. 229.1103(a)(9) and 17 C.F.R. 229.1120, which will be omitted from the Registration Statement in reliance on the no-action letter provided by the Commission to Ford Motor Credit Company LLC and Ford Credit Auto Receivables Two LLC (July 22, 2010), as extended indefinitely by the Commission (November 23, 2010)), and on the Closing Date each of the Registration Statement and the Prospectus will conform in all respects to the requirements of the Act and the Rules and Regulations (with the exception that the Registration Statement will not include the ratings of the Notes as required by Items 1103(a)(9) and 1120 of Regulation AB, 17 C.F.R. 229.1103(a)(9) and 17 C.F.R. 229.1120, which will be omitted from the Registration Statement in reliance on the no-action letter provided by the Commission to Ford Motor Credit Company LLC and Ford Credit Auto Receivables Two LLC (July 22, 2010), as extended indefinitely by the Commission (November 23, 2010)), and neither of such documents will include on the date of the applicable Terms Agreement and on the Closing Date any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein not misleading; provided, however, that this representation and warranty shall not apply to any statements or omissions made in reliance upon and in conformity with Underwriter Information (as defined in Section 10(b) below);

(c) The Preliminary Prospectus, when read together with the Ratings Issuer Free Writing Prospectus (as defined below), at the Time of Sale did not, and on the Closing Date will not, contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading (it being understood that no representation or warranty is

made with respect to the omission of pricing and price-dependent information, which information shall of necessity appear only in the Prospectus); provided, however, that this representation and warranty shall not apply to any statements or omissions made in reliance upon and in conformity with Underwriter Information;

(d) The Company (including its agents and representatives other than the Underwriters in their capacity as such) has not made, used, prepared, authorized, approved or referred to and will not make, use, prepare, authorize, approve or refer to any "written communication" (as defined in Rule 405 under the Act) that constitutes an offer to sell or solicitation of an offer to buy the Notes, other than the Preliminary Prospectus, the Prospectus, and the issuer free writing prospectus, as defined in Rule 433(h) under the Act, approved in advance by the Underwriters and filed with the Commission in accordance with Rule 433 under the Act on June 2, 2025 (the issuer free writing prospectus, as so amended, the "Ratings Issuer Free Writing Prospectus"), which discloses the ratings issued on the Notes by the nationally recognized statistical rating organizations hired by the Bank to rate the Notes (the "Hired NRSROs");

(e) As of the Closing Date, the representations and warranties of the Company in the Receivables Purchase Agreement and the Pooling and Servicing Agreement will be true and correct in all material respects;

(f) The Company has been duly organized and is validly existing as a limited liability company in good standing under the laws of the State of Delaware, with power and authority (corporate and other) to own its properties and conduct its business as described in the Preliminary Prospectus and to execute, deliver and perform the Receivables Purchase Agreement, the Pooling and Servicing Agreement, the Asset Representations Review Agreement, this Agreement and the applicable Terms Agreement and to authorize the sale of the Notes, and to consummate the transactions contemplated by the Receivables Purchase Agreement, the Pooling and Servicing Agreement, the Asset Representations Review Agreement, this Agreement and the applicable Terms Agreement and has been duly qualified as a foreign limited liability company for the transaction of business and is in good standing under the laws of each other jurisdiction in which it owns or leases properties, or conducts any business, so as to require such qualification, other than where the failure to be so qualified or in good standing would not have a material adverse effect on the Company and its subsidiaries (if any), taken as a whole;

(g) The Collateral Certificate has been duly and validly executed, authenticated, issued and delivered and is entitled to the benefits provided by the Pooling and Servicing Agreement. Each increase in the Investor Interest of the Collateral Certificate will have been authorized and effected in accordance with the Pooling and Servicing Agreement as of the applicable settlement date of each Note; each of the Receivables Purchase Agreement, the Pooling and Servicing Agreement, the Asset Representations Review Agreement, this Agreement and the applicable Terms Agreement have been duly authorized, executed and delivered by the Company and, when executed and delivered by the other parties hereto and thereto, each of the Receivables Purchase Agreement, the Pooling and Servicing Agreement, the Asset Representations Review Agreement, this Agreement and the applicable Terms Agreement

will constitute a valid and binding agreement of the Company; and the Collateral Certificate and the Pooling and Servicing Agreement conform to the descriptions thereof in the Preliminary Prospectus in all material respects;

(h) No consent, approval, authorization or order of, or filing with, any court or governmental agency or governmental body is required to be obtained or made by the Company for its consummation of the transactions contemplated by this Agreement, the applicable Terms Agreement, the Receivables Purchase Agreement, the Pooling and Servicing Agreement or the Asset Representations Review Agreement, except such as have been obtained and made under the Act, such as may be required under state securities laws and the filing of any financing statements required to perfect the Master Trust's interest in the Receivables or the Indenture Trustee's interest in the Collateral;

(i) The Company is not in violation of its limited liability company agreement or in default in its performance or observance of any obligation, agreement, covenant or condition contained in any agreement or instrument to which it is a party or by which it or its properties are bound which would have a material adverse effect on the transactions contemplated in the Receivables Purchase Agreement, the Pooling and Servicing Agreement, the Asset Representations Review Agreement, this Agreement or the applicable Terms Agreement. The execution, delivery and performance by the Company of this Agreement, the applicable Terms Agreement, the Receivables Purchase Agreement, the Pooling and Servicing Agreement and the Asset Representations Review Agreement, and the issuance and delivery of the Collateral Certificate and the Notes and its compliance with the terms and provisions hereof and thereof applicable to the Company, will not result in a material breach or violation of any of the terms and provisions of, or constitute a material default under, any statute, rule, regulation or order of any governmental agency or body or any court having jurisdiction over the Company, or any of its properties or any agreement or instrument to which the Company is a party or by which the Company is bound or to which any of the properties of the Company is subject, or the limited liability company agreement of the Company;

(j) Other than as set forth or contemplated in the Preliminary Prospectus, there are no legal or governmental proceedings pending or, to the knowledge of the Company, threatened to which any of the Company or its subsidiaries (if any) is or may be a party or to which any property of the Company or its subsidiaries (if any) is or may be the subject which, if determined adversely to the Company or those subsidiaries (if any), could individually or in the aggregate reasonably be expected to have a material adverse effect on (i) the interests of the holders of the Notes or (ii) the ability of the Company to perform its obligations under this Agreement, the applicable Terms Agreement, the Receivables Purchase Agreement, the Pooling and Servicing Agreement, the Asset Representations Review Agreement, the Trust Agreement or the Credit Enhancement; and there are no contracts or other documents to which the Company is a party of a character required to be filed as an exhibit to the Registration Statement or required to be described in the Registration Statement or the Preliminary Prospectus which are not filed or described as required;

(k) Neither the execution, delivery and performance by the Company of its obligations under this Agreement, the Receivables Purchase Agreement, the Pooling and

Servicing Agreement, the Asset Representations Review Agreement or the Trust Agreement, the transfer of the Receivables to the Master Trust, the issuance and delivery of the Collateral Certificate, nor the consummation by the Company of any other of the transactions contemplated in this Agreement, the applicable Terms Agreement, the Receivables Purchase Agreement, the Pooling and Servicing Agreement, the Asset Representations Review Agreement or the Trust Agreement will conflict with, result in a breach of or cause a default under any judgment, order, or decree that is binding on the Company or its properties or any material indenture, or other material agreement or instrument to which the Company is a party or by which it or its properties are bound;

(l) The Company has complied and, at and as of the Closing Date, shall have complied in all material respects with Rule 193 of the Act and Items 1111(a)(7) and 1111(a)(8) of Regulation AB under the Act in connection with the offering of the Notes;

(m) The Company was not, on the date on which the first bona fide offer of the Notes sold pursuant to the applicable Terms Agreement was made, an "ineligible issuer" as defined in Rule 405 under the Act;

Registration Statement, each of the Registration Statement and the Preliminary Prospectus conformed in all material respects to the requirements of the Act and the Rules and Regulations (with the exception that the Registration Statement did not include the ratings of the Notes as required by Items 1103(a)(9) and 1120 of Regulation AB, 17 C.F.R. 229.1103(a)(9) and 17 C.F.R. 229.1120, which have been omitted from the Registration Statement in reliance on the no-action letter provided by the Commission to Ford Motor Credit Company LLC and Ford Credit Auto Receivables Two LLC (July 22, 2010), as extended indefinitely by the Commission (November 23, 2010)), and did not include any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein not misleading, and on the date of the applicable Terms Agreement, each of the Registration Statement and the Preliminary Prospectus conform, and at the time of filing of the Prospectus pursuant to Rule 424(b) such documents will conform in all respects to the requirements of the Act and the Rules and Regulations (with the exception that the Registration Statement will not include the ratings of the Notes as required by Items 1103(a)(9) and 1120 of Regulation AB, 17 C.F.R. 229.1103(a)(9) and 17 C.F.R. 229.1120, which will be omitted from the Registration Statement in reliance on the no-action letter provided by the Commission to Ford Motor Credit Company LLC and Ford Credit Auto Receivables Two LLC (July 22, 2010), as extended indefinitely by the Commission (November 23, 2010)), and on the Closing Date each of the Registration Statement and the Prospectus will conform in all respects to the requirements of the Act and the Rules and Regulations (with the exception that the Registration Statement will not include the ratings of the Notes as required by Items 1103(a)(9) and 1120 of Regulation AB, 17 C.F.R. 229.1103(a)(9) and 17 C.F.R. 229.1120, which will be omitted from the Registration Statement in reliance on the no-action letter provided by the Commission to Ford Motor Credit Company LLC and Ford Credit Auto Receivables Two LLC (July 22, 2010), as extended indefinitely by the Commission (November 23, 2010)), and neither of such documents will include on the date of the applicable Terms Agreement and on the Closing Date any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein not misleading; provided, however, that this representation and warranty shall not apply to any statements or omissions made in reliance upon and in conformity with Underwriter Information;

(c) The Preliminary Prospectus, when read together with the Ratings Issuer Free Writing Prospectus, at the Time of Sale did not, and on the Closing Date will not, contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading (it being understood that no representation or warranty is made with respect to the omission of pricing and price-dependent information, which information shall of necessity appear only in the Prospectus); provided, however, that this representation and warranty shall not apply to any statement or omission made in reliance upon and in conformity with Underwriter Information;

(d) Other than the Preliminary Prospectus, the Prospectus, and the Ratings Issuer Free Writing Prospectus, the Issuer (including its agents and representatives other than the Underwriters in their capacity as such) has not made, used, prepared, authorized, approved or referred to and will not make, use, prepare, authorize, approve or refer to any

"written communication" (as defined in Rule 405 under the Act) that constitutes an offer to sell or solicitation of an offer to buy the Notes;

(e) As of the Closing Date, the representations and warranties of the Issuer in the Indenture will be true and correct in all material respects;

(f) The Issuer has been duly formed and is validly existing as a statutory trust in good standing under the laws of the State of Delaware, with power and authority to own its properties and conduct its business as described in the Preliminary Prospectus and to execute, deliver and perform the Indenture, and to authorize the issuance of the Notes, and to consummate the transactions contemplated by the Indenture;

(g) As of the Closing Date, the Notes have been duly authorized, and, when executed, issued and delivered pursuant to the Indenture, duly authenticated by the Indenture Trustee and paid for by the Underwriters in accordance with this Agreement and the applicable Terms Agreement, will be duly and validly executed, authenticated, issued and delivered and entitled to the benefits provided by the Indenture; the Indenture has been duly authorized by the Issuer and, when executed and delivered by the Issuer and the Indenture Trustee, the Indenture will constitute a valid and binding agreement of the Issuer; and the Notes and the Indenture conform to the descriptions thereof in the Preliminary Prospectus in all material respects;

(h) No consent, approval, authorization or order of, or filing with, any court or governmental agency or governmental body is required to be obtained or made by the Issuer for its consummation of the transactions contemplated by this Agreement, the applicable Terms Agreement or the Indenture, except such as have been obtained and made under the Act, such as may be required under state securities laws and with respect to the filing of any financing statements required to perfect the Indenture Trustee's interest in the Collateral;

(i) The Issuer is not in violation of its organizational documents or in default in its performance or observance of any obligation, agreement, covenant or condition contained in any agreement or instrument to which it is a party or by which it or its properties are bound which would have a material adverse effect on the transactions by the Issuer contemplated herein or in the Indenture. The execution, delivery and performance by the Issuer of this Agreement, the applicable Terms Agreement and the Indenture, and the issuance and delivery of the Notes and its compliance with the terms and provisions hereof and thereof applicable to the Issuer will not result in a material breach or violation of any of the terms and provisions of, or constitute a material default under, any statute, rule, regulation or order of any governmental agency or body or any court having jurisdiction over the Issuer or any of its properties or any agreement or instrument to which the Issuer is a party or by which the Issuer is bound or to which any of the properties of the Issuer is subject, or the organizational documents of the Issuer; and the Issuer has full power and authority to sell the Notes as contemplated by this Agreement, the applicable Terms Agreement and the Indenture;

(j) Other than as set forth or contemplated in the Preliminary Prospectus, there are no legal or governmental proceedings pending or, to the knowledge of the

Issuer, threatened to which the Issuer is or may be a party or to which any property of the Issuer is or may be the subject which, if determined adversely to the Issuer, could individually or in the aggregate reasonably be expected to have a material adverse effect on the interests of the holders of the Notes; and there are no contracts or other documents to which the Issuer is a party of a character required to be filed as an exhibit to the Registration Statement or required to be described in the Registration Statement or the Preliminary Prospectus which are not filed or described as required;

(k) This Agreement and the applicable Terms Agreement have been duly authorized, executed and delivered by the Issuer and, when executed and delivered by the other parties hereto and thereto, each of this Agreement and the applicable Terms Agreement will constitute a valid and binding agreement of the Issuer;

(l) The Issuer is not now, and following the issuance of the Notes, will not be required to be registered under the 1940 Act. The Issuer is not now, and immediately following the issuance of the Notes pursuant to the Indenture will not be, a "covered fund" for purposes of the Volcker Rule. In reaching this conclusion, although other statutory or regulatory exclusions or exemptions under the 1940 Act or the Volcker Rule may be available, the Issuer has relied on the exclusion from registration set forth in Rule 3a-7 under the 1940 Act; and

(m) The Issuer has not engaged any third party to provide due diligence services within the meaning of Rule 17g-10(d)(1) under the Exchange Act or obtained any third-party due diligence report within the meaning of Rule 15Ga-2(d) under the Exchange Act with respect to the assets held by the Master Trust in connection with the transactions contemplated by this Agreement.

7. Upon the execution of the applicable Terms Agreement, the Company and the Issuer, jointly and severally, covenant and agree with the several Underwriters that:

(a) Immediately following the execution of this Agreement, the Company and the Issuer will prepare the Prospectus setting forth the amount of Notes covered thereby and the terms thereof not otherwise specified in the Preliminary Prospectus, the price at which such Notes are to be purchased by the Underwriters, the initial public offering price (if applicable), the selling concessions and allowances (if applicable) and such other information as the Company and the Issuer deem appropriate. The Company and the Issuer will transmit the Prospectus to the Commission pursuant to Rule 424(b) by a means reasonably calculated to result in filing with the Commission pursuant to Rule 424(b).

(b) The Issuer will deliver (or the Company will cause the Issuer to deliver), at the expense of the Company, to the Representative, two signed copies of the Registration Statement and each amendment thereto, in each case including exhibits, and to each Underwriter a conformed copy of the Registration Statement and each amendment thereto, in each case without exhibits and, during the period mentioned in paragraph (e) below, to each of the Underwriters as many copies of the Prospectus (including all amendments and supplements thereto) as the Representative may reasonably request.

(c) Before filing any amendment or supplement to the Registration Statement, the Preliminary Prospectus or the Prospectus, whether before or after the time the Registration Statement becomes effective, the Company or the Issuer will furnish to the Representative a copy of the proposed amendment or supplement.

(d) The Company and the Issuer will advise the Representative promptly, and will confirm such advice in writing, (i) when any amendment to the Registration Statement shall have become effective, (ii) when any supplement or amendment to the Preliminary Prospectus or the Prospectus has been filed, (iii) of any request by the Commission for any amendment to the Registration Statement or any amendment or supplement to the Prospectus or for any additional information, (iv) of the issuance by the Commission of any stop order suspending the effectiveness of the Registration Statement or preventing or suspending the use of any Preliminary Prospectus or the Prospectus or the initiation or threatening of any proceeding for that purpose, and (v) of the receipt by the Company or the Issuer of any notification with respect to any suspension of the qualification of the Notes for offer and sale in any jurisdiction or the initiation or threatening of any proceeding for such purpose; and will use their best efforts to prevent the issuance of any such stop order or notification and, if issued, to obtain as soon as possible the withdrawal thereof.

(e) The Company will, if during such period of time after the first date of the public offering of the Notes as in the opinion of counsel for the Underwriters a Prospectus relating to the Notes is required by law to be delivered (including any such delivery as contemplated by Rule 172 under the Act) in connection with sales by an Underwriter or dealer, (i) any event shall occur as a result of which it is necessary to amend or supplement the Prospectus in order to make the statements therein, in the light of the circumstances when the Prospectus is delivered to a purchaser, not misleading, or (ii) it is necessary to amend or supplement the Prospectus to comply with the law, forthwith prepare and furnish, at the expense of the Company, to the Underwriters and to the dealers (whose names and addresses the Representative will furnish to the Company and the Issuer) to which Notes may have been sold by the Representative on behalf of the Underwriters and to any other dealers upon request, a copy of such amendments or supplements to the Prospectus as may be necessary so that the statements in the Prospectus as so amended or supplemented will not, in the light of the circumstances when the Prospectus is delivered to a purchaser, be misleading or so that the Prospectus will comply with the law.

(f) The Issuer will endeavor to qualify (or the Company will cause the Issuer to qualify) the Notes for offer and sale under the securities or "blue sky" laws of such jurisdictions as the Representative shall reasonably request and will continue such qualification in effect so long as reasonably required for distribution of the Notes and to pay all fees and expenses (including fees and disbursements of counsel to the Underwriters) reasonably incurred in connection with such qualification and in connection with the determination of the eligibility of the Notes for investment under the laws of such jurisdictions as the Representative may designate; provided, however, that neither the Company nor the Issuer shall be obligated to qualify to do business in any jurisdiction in which it is not currently so qualified; and provided further that neither the Company nor the Issuer shall be required to file a general consent to service of process in any jurisdiction.

(g) On or before December 31 of the year following the year in which the Closing Date occurs, the Company will cause the Issuer to make generally available to Noteholders and to the Representative as soon as practicable an earnings statement covering a period of at least twelve months beginning with the first fiscal quarter of the Issuer occurring after the effective date of the Registration Statement, which shall satisfy the provisions of Section 11(a) of the Act and Rule 158 of the Commission promulgated thereunder.

(h) So long as any of the Notes are outstanding, the Issuer or the Company will furnish to the Representative copies of all reports or other communications (financial or other) furnished to holders of the Notes and copies of any reports and financial statements furnished to or filed with the Commission or any national securities exchange.

(i) For a period from the date of this Agreement until the retirement of the Notes, the Company and the Issuer will cause the Servicer to furnish to the Representative copies of each certificate and the annual statements of compliance delivered to the Master Trust Trustee and the Transferor pursuant to Article III of the Pooling and Servicing Agreement and the annual independent certified public accountant's servicing reports furnished to the Master Trust Trustee and the Transferor pursuant to Article III of the Pooling and Servicing Agreement, by first-class mail promptly after such statements and reports are furnished to the Master Trust Trustee and the Transferor.

(j) During the period beginning on the date hereof and continuing to and including the Business Day following the Closing Date, neither the Company nor the Issuer will offer, sell, contract to sell or otherwise dispose of any credit card backed securities with the same term and other characteristics identical to the Notes without the prior written consent of the Representative.

(k) The Company will cause the Notes to be registered in a timely manner pursuant to the Exchange Act and the Indenture to be qualified pursuant to the Trust Indenture Act of 1939, as amended (the "Trust Indenture Act").

(l) To the extent, if any, that the rating provided with respect to the Notes by the Hired NRSROs is conditional upon the furnishing of documents or the taking of any other reasonable action by the Company or the Issuer agreed upon on or prior to the Closing Date, the Company or the Issuer, as applicable, shall furnish such documents and take any such other reasonable action.

8. The Company will pay all costs and expenses incident to the performance of its obligations and the obligations of the Issuer under this Agreement and the applicable Terms Agreement, including, without limiting the generality of the foregoing, (i) all costs and expenses incident to the preparation, issuance, execution, authentication and delivery of the Notes, (ii) all costs and expenses incident to the preparation, printing and filing under the Act or the Exchange Act of the Registration Statement, the Preliminary Prospectus, the Prospectus, and the Ratings Issuer Free Writing Prospectus (including in each case all exhibits, amendments and supplements thereto), (iii) all costs and expenses incurred in connection with the registration or qualification and determination of eligibility for investment of the Notes under the laws of such

jurisdictions as the Underwriters may designate (including fees of counsel for the Underwriters and their disbursements), (iv) all costs and expenses related to any filing with the Financial Industry Regulatory Authority, (v) all costs and expenses in connection with the printing (including word processing and duplication costs) and delivery of this Agreement, the applicable Terms Agreement, the Pooling and Servicing Agreement, the Asset Representations Review Agreement, the Indenture and any blue sky memorandum and the furnishing to Underwriters and dealers of copies of the Registration Statement and the Prospectus as herein provided, (vi) the reasonable fees and disbursements of the Company's counsel and accountants and (vii) all costs and expenses payable to the Hired NRSROs in connection with the rating of the Notes, except that the Underwriters agree to reimburse the Company for an amount, if any, specified in the applicable Terms Agreement on the Closing Date for application toward such expenses. It is understood that, except as specifically provided in this Section 8 and Sections 10, 11 and 14 of this Agreement, the Underwriters will pay all of their own fees, costs and expenses (including the fees and disbursements of its counsel), transfer taxes and any advertising expenses in connection with sales or offers from the Underwriters to third parties.

9. The several obligations of the Underwriters hereunder are subject to the performance by the Company, the Bank and the Issuer of their respective obligations hereunder and under the applicable Terms Agreement and to the following additional conditions:

(b) The Prospectus shall have been filed with the Commission pursuant to Rule 424(b) within the applicable time period prescribed for such filing by the Rules and Regulations and in accordance with Section 7(a) of this Agreement; and, as of the Closing Date, no stop order suspending the effectiveness of the Registration Statement shall be in effect, and no proceedings for such purpose shall be pending before or, to the knowledge of the Company or the Issuer, threatened by the Commission; and all requests for additional information from the Commission with respect to the Registration Statement shall have been complied with to the satisfaction of the Representative.

(c) The representations and warranties of the Bank, the Company and the Issuer contained herein are true and correct in all material respects on and as of the Closing Date as if made on and as of the Closing Date (unless they expressly speak as of another time), and each of the Bank, the Company and the Issuer shall have complied with all agreements and all conditions on its part to be performed or satisfied hereunder and under the applicable Terms Agreement at or prior to the Closing Date.

(d) The Representative shall have received an opinion of Orrick, Herrington & Sutcliffe LLP, special counsel for the Bank, the Company and the Issuer, subject to customary qualifications, assumptions, limitations and exceptions, dated the Closing Date, in

form and substance reasonably satisfactory to the Representative and its counsel, to the effect that:

(i) The Registration Statement has become effective under the Act and the Prospectus has been filed with the Commission, pursuant to Rule 424(b) promulgated under the Act; to the best of such counsel's knowledge, no stop order suspending the effectiveness of the Registration Statement has been issued and no proceedings for that purpose have been instituted or are pending or contemplated under the Act; and each of the Registration Statement, the Preliminary Prospectus and the Prospectus (other than the financial and statistical information therein as to which such counsel express no opinion), as of their respective effective date or date of issuance, complied as to form in all material respects with the requirements of the Act and the rules and regulations promulgated thereunder;

(b) Each of the Underwriters, severally and not jointly, agrees to indemnify and hold harmless each of the Company and the Bank, their directors, each of their officers who signed the Registration Statement, the Issuer and each person, if any, who controls the Company, the Bank or the Issuer within the meaning of Section 15 of the Act against any and all loss, liability, claim, damage and expense described in the indemnity contained in subsection (a) of this Section, as incurred, but only with respect to (i) untrue statements or omissions, or alleged untrue statements or omissions, made in the Registration Statement or the Preliminary Prospectus or the Prospectus, or any amendment or supplement thereto, in reliance upon and in conformity with written information furnished to the Company, the Bank or the Issuer by such Underwriter through the Representative expressly for use in the Registration Statement or the Preliminary Prospectus or the Prospectus, or any amendment or supplement thereto, which information consists solely of the following information in the Preliminary Prospectus and the Prospectus: (a) the information in the table on the cover page of the Prospectus in the row captioned "Price to public" and (b) the information in the table, the third and ninth paragraphs and the third sentence of the eleventh paragraph under the heading "Underwriting (Plan of Distribution, Conflicts of Interest and Proceeds)" in the Prospectus (collectively, "Underwriter Information"), and (ii) with regard to any investor with whom an Underwriter enters into a contract of sale for the Notes prior to the filing of the final Prospectus, the failure upon the part of such Underwriter to convey (within the meaning of Rule 159 under the Act) the Preliminary Prospectus to such investor at or prior to the time of the contract of sale for such Notes; provided, however, that to the extent such Preliminary Prospectus has been amended or supplemented, the indemnity provided under clause (ii) above shall not inure to the benefit of the Issuer, the Company or the Bank unless such amendment or supplement shall have been delivered to such Underwriter in a reasonable period of time prior to the time of such contract of sale.

(c) Each of the Underwriters, severally and not jointly, agrees to indemnify and hold harmless each of the Company and the Bank, their directors, each of their officers who signed the Registration Statement, the Issuer and each person, if any, who controls the Company, the Bank or the Issuer within the meaning of Section 15 of the Act or Section 20 of the Exchange Act against any and all loss, liability, claim, damage and expense, as incurred, arising out of or based upon any untrue statement or alleged untrue statement of any material fact contained in any Underwriter Free Writing Prospectus (as defined in Section 16(a) herein), or arising out of or based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading;

provided, however, that such Underwriter will not be liable in any such case to the extent that any such loss, liability, claim, damage or expense arises out of or is based upon any such untrue statement or alleged untrue statement in any Underwriter Free Writing Prospectus (i) made in reliance upon and in conformity with any written information furnished to such Underwriter by the Company, the Bank or the Issuer expressly for use therein or (ii) as a result of any inaccurate information (including as a result of any omission) in the Preliminary Prospectus or Prospectus, which information was not corrected by information subsequently provided by the Company, the Bank or the Issuer to such Underwriter prior to the time of use of such Underwriter Free Writing Prospectus.

(d) Each indemnified party shall give prompt notice to each indemnifying party of any action commenced against it in respect of which indemnity may be sought hereunder, but failure to so notify an indemnifying party shall not relieve such indemnifying party from any liability which it may have otherwise than on account of this indemnity agreement; provided, however, that the indemnifying party is not materially prejudiced by such failure to notify. An indemnifying party may participate at its own expense in the defense of any such action. In no event shall the indemnifying parties be liable for fees and expenses of more than one counsel separate from their own counsel for all indemnified parties in connection with any one action or separate but similar or related actions in the same jurisdiction arising out of the same general allegations or circumstances.

11. In order to provide for just and equitable contribution in circumstances in which the indemnity agreement provided for in Section 10 is for any reason held to be unavailable other than in accordance with its terms, the Company, the Bank and the Issuer and the Underwriters shall contribute to the aggregate losses, liabilities, claims, damages and expenses of the nature contemplated by said indemnity agreement incurred by the Company, the Bank and the Issuer and the Underwriters, as incurred, in such proportions that the Underwriters are responsible for that portion represented by the percentage that the underwriting discount and commissions bear to the initial public offering price of the Notes and the Company, the Bank and the Issuer are jointly and severally responsible for the balance; provided, however, that no person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. For purposes of this Section, each person, if any, who controls an Underwriter within the meaning of Section 15 of the Act or Section 20 of the Exchange Act shall have the same rights to contribution as such Underwriter, each director of the Company or the Bank, and each person, if any, who controls the Company, the Bank or the Issuer within the meaning of Section 15 of the Act or Section 20 of the Exchange Act shall have the same rights to contribution as the Company, the Bank or the Issuer.

12. Notwithstanding anything herein contained, this Agreement and the applicable Terms Agreement may be terminated in the absolute discretion of the Representative, by notice given to the Company, if after the execution and delivery of this Agreement and the applicable Terms Agreement and prior to the Closing Date (i) there has occurred any material adverse change or any development involving a prospective material adverse change, in or affecting the general affairs, business, prospects, management, financial position, stockholders' equity or results of operation of the Bank, the Company or Bank of America Corporation, and

their respective subsidiaries (if any), taken as a whole, the effect of which in the reasonable judgment of the Representative materially impairs the investment quality of the Notes; (ii) trading generally shall have been suspended or materially limited on or by, as the case may be, the New York Stock Exchange; (iii) a general moratorium on commercial banking activities in New York shall have been declared by either Federal or New York State authorities; or (iv) there shall have occurred any outbreak or escalation of hostilities in which the United States is involved, any declaration of war by Congress or any other substantial national or international calamity or emergency if, in the reasonable judgment of the Representative, the effect of any such outbreak, escalation, declaration, calamity or emergency makes it impracticable or inadvisable to proceed with completion of the sale and payment for the Notes.

13. If any Underwriter defaults in its obligations to purchase Notes hereunder and the aggregate principal amount of the Notes that such defaulting Underwriter agreed but failed to purchase does not exceed 25% of the total principal amount of such Notes, the Representative may make arrangements satisfactory to the Company for the purchase of such Notes by other persons, including the non-defaulting Underwriters, but if no such arrangements are made by the Closing Date, the non-defaulting Underwriters shall be obligated, in proportion to their commitments hereunder, to purchase the Notes that such defaulting Underwriter agreed but failed to purchase. If any Underwriter so defaults and the aggregate principal amount of the Notes with respect to which such default or defaults occur exceeds 25% of the total principal amount of such Notes and arrangements satisfactory to the Representative and the Company for the purchase of such Notes by other persons are not made within 36 hours after such default, this Agreement will terminate without liability on the part of any non-defaulting Underwriter or the Company, except as provided in Sections 10 and 11 of this Agreement. Nothing herein will relieve a defaulting Underwriter from liability for its default.

14. If for any reason other than as set forth in Section 13 of this Agreement the purchase of the Notes by the Underwriters is not consummated, the Company shall remain responsible for the expenses to be paid or reimbursed by it pursuant to Section 8 of this Agreement and the respective obligations of the Bank, the Company, the Issuer, and the Underwriters pursuant to Sections 10 and 11 of this Agreement shall remain in effect. If the purchase of the Notes by the Underwriters is not consummated for any reason other than solely because of the occurrence of any event specified in clause (ii), (iii) or (iv) of Section 12 of this Agreement, the Company will reimburse the Underwriters for all out-of-pocket expenses (including fees and disbursements of counsel) reasonably incurred by them in connection with the offering of the Notes.

15. Any action by the Underwriters hereunder may be taken by the Representative on behalf of the Underwriters, and any such action taken by the Representative shall be binding upon the Underwriters. All notices and other communications hereunder shall be in writing and shall be deemed to have been duly given if mailed or transmitted by any standard form of telecommunication. 18. Each of the Underwriters, severally, represents and agrees that (a) it has not entered, and will not enter, into any contract of sale for the Notes (subject to the proviso to clause (ii) below) until at least the later of (i) three business days after the Preliminary Prospectus has been initially filed by the Company with the Commission (as determined by reference to the "Filing Date" according to the "Filing Detail" webpage for the Company related to such filing, as made available on the Commission's website) and (ii) 48 hours after any supplement to the Preliminary Prospectus that reflects a material change from the information contained in the Preliminary Prospectus has been filed by the Company with the Commission (as determined by reference to the time such filing was "Accepted" according to the "Filing Detail" webpage for the Company related to such filing, as made available on the Commission's website); provided, however, that in the case of any such contract of sale entered into before the filing of a supplement as referred to in this clause (ii), it will not consummate such transaction without entering into a new contract of sale in accordance with this clause (ii); (b) that it did not enter into any contract of sale for any Notes prior to the Time of Sale; and (c) it will, at any time that such Underwriter is acting as an "underwriter" (as defined in Section 2(a)(11) of the Act) with respect to the Notes, convey to each investor to whom Notes are sold by it during the period prior to the filing of the Prospectus (as notified to the Underwriters by the Company), at or prior to the applicable time of any such contract of sale with respect to such investor, the Preliminary Prospectus.

For purposes of this paragraph, "Rating Information" means any information provided for the purpose of determining the initial credit rating for the Notes or undertaking credit rating surveillance on the Notes (as contemplated by paragraph (a)(3)(iii)(C) of Rule 17g-5).
