Merrill Lynch may make forward-looking statements, including, for example, statements about management expectations, strategic objectives, business prospects, anticipated expense savings and financial results, anticipated results of litigation and regulatory proceedings, and other similar matters. These forward-looking statements are not statements of historical facts and represent only Merrill Lynch's beliefs regarding future events, which are inherently uncertain. There are a variety of factors, many of which are beyond Merrill Lynch's control, which affect its operations, performance, business strategy and results and could cause its actual results and experience to differ materially from the expectations and objectives expressed in any forward-looking statements. These factors include, but are not limited to, actions and initiatives taken by both current and potential competitors, the effect of current, pending and future legislation and regulation, and the other risks detailed in Merrill Lynch's Annual Reports on Form 10-K, Quarterly Reports on Form 10-Q and Current Reports on Form 8-K. Accordingly, readers are cautioned not to place undue reliance on forward-looking statements, which speak only as of the date on which they are made. Merrill Lynch does not undertake to update forward-looking statements to reflect the impact of circumstances or events that arise after the date the forward-looking statement was made. The reader should, however, consult any further disclosures Merrill Lynch may make in its reports on Form 10-K, Form 10-Q and Form 8-K.
