##### *Industry Developments*

FIA Card Services, National Association ("FIA") issues credit cards on MasterCard's and Visa's networks. MasterCard and Visa are facing significant litigation and increased competition. In 2003, MasterCard and Visa settled a suit by Wal-Mart and other merchants who claimed that MasterCard and Visa unlawfully tied acceptance of debit cards to acceptance of credit cards. Under the settlement MasterCard and Visa are required to, among other things, allow merchants to accept MasterCard or Visa branded credit cards without accepting their debit cards (and vice versa), reduce the prices charged to

merchants for off-line signature debit transactions for a period of time, and pay over ten years amounts totaling \$3.05 billion into a settlement fund. MasterCard and Visa are also parties to suits in various state courts mirroring the allegations brought by Wal-Mart and the other merchants.

In October 2004, the United States Supreme Court let stand a federal court decision in a suit brought by the U.S. Department of Justice, in which MasterCard and Visa rules prohibiting banks that issue cards on MasterCard and Visa networks from issuing cards on other networks (the "association rules") were found to have violated federal antitrust laws. This decision effectively permits banks that issue cards on Visa's or MasterCard's networks, such as FIA and Bank of America Corporation's other banking subsidiaries, to issue cards on competitor networks. Discover and American Express have initiated separate civil lawsuits against MasterCard and Visa claiming substantial damages stemming from the association rules. MasterCard and Visa are also parties to suits alleging that MasterCard's and Visa's currency conversion practices are unlawful.

The costs associated with these and other matters could cause MasterCard and Visa to invest less in their networks and marketing efforts and could adversely affect the interchange paid to their member banks, including FIA.

#### ***Litigation***

In June, August, September and November 2005, certain retail merchants filed numerous purported class action lawsuits in federal courts, alleging that MasterCard and Visa and their member banks, including FIA and Bank of America, National Association (USA), conspired to charge retailers excessive interchange in violation of federal antitrust laws. In October 2005, certain of the lawsuits were consolidated in In Re: Payment Card Fee and Merchant Discount Antitrust Litigation, in the U.S. District Court for the Eastern District of New York. The plaintiffs seek unspecified treble damages, injunctive relief, attorney fees and costs.

On April 24, 2006, plaintiffs filed a first consolidated and amended putative class action complaint re-alleging the claims in the original complaint and alleging, among other additional claims, that defendants violated federal and California antitrust laws by combining to impose certain fees and to adopt rules and practices of Visa and MasterCard that are alleged to constitute restraints of trade.

Plaintiffs filed a supplemental complaint alleging as additional claims (i) federal antitrust claims arising out of MasterCard's initial public offering and (ii) a fraudulent conveyance claim under New York Debtor and Creditor Law. Plaintiffs seek unspecified treble damages and injunctive relief.

**Substitute information provided in accordance with General Instruction J to Form 10-K:****Item 1119 of Regulation AB: Affiliations and Certain Relationships and Related Transactions**

Information required by Item 1119 of Regulation AB has been omitted from this report on Form 10-K in reliance on the Instruction to Item 1119.

**Item 1122 of Regulation AB: Compliance with Applicable Servicing Criteria.**

(a) *Item 1122 Reports:* Each of FIA, for itself and on behalf of its wholly-owned subsidiary MBNA Technology, Inc., and The Bank of New York (each, a “Servicing Participant”) has been identified by the registrant as a party participating in the servicing function with respect to the pool assets held by each of BA Master Credit Card Trust II and BA Credit Card Trust. Each of the Servicing Participants has completed a report on an assessment of compliance with the servicing criteria applicable to such Servicing Participant (each, a “Report on Assessment”) as of June 30, 2006 and for a period beginning no later than February 1, 2006 (the first day of the distribution period in which the BA Credit Card Trust first issued securities subject to Regulation AB) through and including June 30, 2006, which Reports on Assessment are attached as exhibits to this Form 10-K. In addition, each of the Servicing Participants has provided an attestation report (each, an “Attestation Report”) by a registered independent public accounting firm regarding its related Report on Assessment. Each Attestation Report is attached as an exhibit to this Form 10-K. None of the Reports on Assessment or the related Attestation Reports has identified any material instances of noncompliance with the servicing criteria described in the related Report on Assessment as being applicable to such Servicing Participant.

Regulations of the Securities and Exchange Commission (the “SEC”) require that each Servicing Participant complete a Report on Assessment at a “platform” level, meaning that the transactions covered by the Report on Assessment should include all asset-backed securities transactions involving such Servicing Participant that are backed by the same asset type. Recent guidance from the SEC staff identifies additional parameters which a Servicing Participant may apply to define and further limit its platform. For example, a Servicing Participant may define its platform to include only transactions that were completed on or after January 1, 2006 and that were registered with the SEC pursuant to the Securities Act of 1933.

In the Report on Assessment attached as Exhibit 33.2 to this Form 10-K, The Bank of New York defines its platform to include the asset-backed securities transactions for which it served as trustee that (i) are backed by the same asset type, (ii) were completed on or after January 1, 2006 and registered with the SEC pursuant to the Securities Act of 1933, and (iii) were issued by asset-backed issuers with a fiscal year end of June 30, 2006. We believe that the criterion set forth in clause (iii) in the preceding sentence is a parameter by which a servicing participant should be permitted to define and limit its platform; the guidance that is available at this time, however, is inconclusive. We have made request to The Bank of New York for a Report on Assessment that excludes the criterion set forth in clause (iii) above as a parameter by which it defines and limits its platform, but they would not comply with such request. None of FIA, BA Master Credit Card Trust II or BA Credit Card Trust is an affiliate of The Bank of New York.

(b) *Other Reports in Connection with Regulation AB Transition:* FIA has completed an assertion letter which states that, as of June 30, 2006, its controls over the functions performed as servicer of BA Master Credit Card Trust II and BA Credit Card Trust are effective in providing reasonable assurance that BA Master Credit Card Trust II and BA Credit Card Trust assets are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management’s authorization in conformity with the agreements identified in such letter and are recorded properly to permit the preparation of the required financial reports. Further, FIA has completed an assertion letter which states that it has complied with the requirements of the relevant covenants and conditions of the agreements identified in Appendix II to such letter for each of the agreements identified therein during the periods specified in Appendix II to such letter. With regard to each of the FIA assertion letters discussed in the preceding two sentences, PricewaterhouseCoopers LLP has produced reports attesting to the fairness of such assertion as of the date or for the period to which each such report relates.

**Item 1123 of Regulation AB: Servicer Compliance Statement.**

FIA has provided a statement of compliance (a "Compliance Statement") for the period from and including July 1, 2005 through and including June 30, 2006, which has been signed by an authorized officer of FIA. The Compliance Statement of FIA is attached as an exhibit to this Form 10-K.

Each of MBNA Technology, Inc., Bank of America, National Association (USA) and Banc of America Card Servicing Corporation has been identified by the registrant as a servicer with respect to the pool assets held by each of BA Master Credit Card Trust II and BA Credit Card Trust. Each of these servicers has provided a Compliance Statement, in each case signed by an authorized officer of the related servicer. The Compliance Statement of MBNA Technology, Inc. is for the period from and including February 1, 2006 (the first day of the distribution period in which the BA Credit Card Trust first issued securities subject to Regulation AB) through and including June 30, 2006. The Compliance Statement for each of Bank of America, National Association (USA) and Banc of America Card Servicing Corporation is for the period from and including May 10, 2006 (the date on which each such entity was appointed as a servicer in respect of the pool assets held by each of BA Master Credit Card Trust II and BA Credit Card Trust) through and including June 30, 2006. The Compliance Statement of each of MBNA Technology, Inc., Bank of America, National Association (USA) and Banc of America Card Servicing Corporation is attached as an exhibit to this Form 10-K.

**REPORT ON ASSESSMENT OF COMPLIANCE WITH REGULATION AB SERVICING CRITERIA**

The Bank of New York (the "Asserting Party") is responsible for assessing compliance as of June 30, 2006 and for the period from January 1, 2006 through June 30, 2006 (the "Reporting Period") with the servicing criteria set forth in Title 17, Section 229.1122(d) of the Code of Federal Regulations (the "CFR"), except for criteria 229.1122(d)(1)(i)-(iv), (2)(iii), (2)(vi)-(vii), (3)(i), (4)(i), and (4)(iii)-(xv) of the CFR, which the Asserting Party has concluded are not applicable to the activities it performs with respect to the asset-backed securities transactions covered by this report (such criteria, after giving effect to the exceptions identified above, the "Applicable Servicing Criteria"). The transactions covered by this report include the asset-backed securities transactions for which the Asserting Party served as trustee that are backed by the same asset type backing the asset-backed securities transactions completed by the BA Credit Card Trust (including the asset-backed securities transactions completed by the BA Credit Card Trust), that were completed on or after January 1, 2006 by issuers with a fiscal year end of June 30, 2006, and that were registered with the Securities and Exchange Commission pursuant to the Securities Act of 1933 (the "Platform Transactions").

The Asserting Party has assessed its compliance with the Applicable Servicing Criteria for the Reporting Period and has concluded that the Asserting Party has complied, in all material respects, with the Applicable Servicing Criteria as of June 30, 2006 and for the Reporting Period with respect to the Platform Transactions taken as a whole.

Ernst & Young LLP, an independent registered public accounting firm, has issued an attestation report on the assessment of compliance with the Applicable Servicing Criteria as of June 30, 2006 and for the Reporting Period as set forth in this assertion.

## Report of Independent Registered Public Accounting Firm

To Board of Directors and Shareholders  
FIA Card Services, National Association.

We have examined management's assertion, included in the accompanying Management's Assertion on Compliance with Regulation AB Criteria, that FIA Card Services, National Association, directly or through its wholly-owned subsidiary MBNA Technology, Inc., (the "Company") complied with the servicing criteria set forth in Item 1122(d) of the Securities and Exchange Commission's Regulation AB for the asset backed securities conducted by the BA Credit Card Trust that were registered with the Securities and Exchange Commission pursuant to the Securities Act of 1933 where the related asset-backed securities were outstanding during the period from February 1, 2006 through June 30, 2006 (the "Platform"), as of June 30, 2006 and for the period from February 1, 2006 through June 30, 2006 excluding criteria 1122 (d)(1)(iii), (d)(2)(ii), (d)(2)(iii), (d)(2)(vi), (d)(3)(iii), (d)(3)(iv), (d)(4)(i), and 1122(d)(4)(x) through 1122(d)(4)(xiii) which the Company has determined are not applicable to the activities performed by it with respect to the Platform. The Platform includes the asset-backed transactions and securities listed in Appendix A of Management's Assertion on Compliance with Regulation AB Criteria. Management is responsible for the Company's compliance with the applicable servicing criteria. Our responsibility is to express an opinion on management's assertion about the Company's compliance with the applicable servicing criteria based on our examination.

Our examination was conducted in accordance with standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included examining, on a test basis, evidence about the Company's compliance with the applicable servicing criteria and performing such other procedures as we considered necessary in the circumstances. Our examination included testing of less than all of the transactions and compliance activities related to the Platform during the period from February 1, 2006 through June 30, 2006 and determining whether the Company processed those transactions and performed those activities in compliance with the applicable servicing criteria. In performing these procedures, our testing did not include all of the individual asset-backed transactions and securities listed in Appendix A of Management's Assertion on Compliance with Regulation AB Criteria that comprise the Platform. Our procedures were limited to transactions and compliance activities related to the Platform during the period from February 1, 2006 through June 30, 2006 and did not include an assessment of the impact of prior period activities that might have affected the amounts reported by the Company during the period from February 1, 2006 through June 30, 2006. We believe that our examination provides a reasonable basis for our opinion. Our examination does not provide a legal determination on the Company's compliance with specified servicing criteria.

In our opinion, management's assertion that the Company complied with the aforementioned applicable servicing criteria as of June 30, 2006 and during the period from February 1, 2006 through June 30, 2006 for the Platform is fairly stated, in all material respects.

**Report of Independent Registered Public Accounting Firm**

Board of Directors  
The Bank of New York

We have examined management's assertions, included in the accompanying Management's Report on Assessment of Compliance with SEC Regulation AB Servicing Criteria, that The Bank of New York (the "Company") complied with the servicing criteria set forth in Item 1122(d) of the Securities and Exchange Commission's Regulation AB for the asset-backed securities transactions for which the Company served as trustee that are backed by the same asset type backing the asset-backed securities transactions completed by the BA Credit Card Trust (including the asset-backed securities transactions completed by the BA Credit Card Trust) that were completed on or after January 1, 2006 by issuers with a fiscal year end of June 30, 2006, and that were registered with the SEC pursuant to the Securities Act of 1933 (the "Platform") except for criteria 1122(d)(1)(i)-(iv), 1122(d)(2)(iii), 1122(d)(2)(vi)-(vii), 1122(d)(3)(i), 1122(d)(4)(i), and 1122(d)(4)(iii)-(xv), which management has determined are not applicable to the activities performed by the Company with respect to the Platform. Management is responsible for the Company's compliance with the servicing criteria. Our responsibility is to express an opinion on management's assertion about the Company's compliance with the servicing criteria based on our examination.

Our examination was conducted in accordance with standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included examining, on a test basis, evidence about the Company's compliance with the servicing criteria and performing such other procedures as we considered necessary in the circumstances. Our examination included selection of a sample of transactions and compliance activities related to the Platform during the examination period, and determining whether the Company processed those transactions and performed those activities in compliance with the servicing criteria. Our testing of selected transactions and compliance activities was limited to calculations, reports, and activities performed by the Company during the period covered by this report. Our procedures did not include determining whether errors may have occurred prior to our tests that may have affected the balances or amounts calculated or reported by the Company during the period covered by this report for the selected transactions or any other transactions. We believe that our examination provides a reasonable basis for our opinion. Our examination does not provide a legal determination on the Company's compliance with the servicing criteria.

In our opinion, management's assertion that the Company complied with the aforementioned servicing criteria as of June 30, 2006 and for the period from January 1, 2006 through June 30, 2006 for the Platform is fairly stated, in all material respects.

Report of Independent Accountants

To Board of Directors and Shareholders  
FIA Card Services, National Association

BA Master Credit Card Trust II

We have examined management's assertion included in the accompanying report by management titled, "Report of Management on BA Master Credit Card Trust II and BA Credit Card Trust Internal Control and Pooling and Servicing Agreement/Indenture Compliance" (the "Report"), that FIA Card Services, National Association's (the "Company"), a wholly owned subsidiary of Bank of America Corporation, controls over functions performed as servicer of the BA Master Credit Card Trust II (the "Master Trust"), and the BAseries notes issued from the BA Credit Card Trust (the "Note Trust", together with the Master Trust, the "Trusts") as specified in Attachment A, are effective, as of June 30, 2006 in providing reasonable assurance that (a) Trust assets are safeguarded against loss from unauthorized use or disposition, (b) that transactions are executed in accordance with management's authorization in conformity with the amended and restated BA Master Credit Card Trust II Pooling and Servicing Agreement (the "PSA"), the amended and restated BA Credit Card Master Note Trust Indenture ("Indenture"), and the amended and restated BAseries Indenture Supplement (the "Indenture Supplement"), all dated June 10, 2006, as well as the applicable Pooling and Servicing Agreement Supplement for each Series (the "PSA Supplements" together with the PSA, Indenture, and Indenture Supplement, the "Agreements"), as specified in Attachment A, between the Company and The Bank of New York as Trustee, and (c) that transactions are recorded properly to permit the preparation of the required financial reports. The Company's management is responsible for controls over functions performed as servicer of the Trusts. Our responsibility is to express an opinion on management's assertion based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and, accordingly, included obtaining an understanding of internal controls over the functions performed by the Company as servicer for the Trusts, testing and evaluating the design and operating effectiveness of internal controls, and performing such other procedures as we considered necessary in the circumstances. We believe that our examination provides a reasonable basis for our opinion.

Because of inherent limitations in any internal control, misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of internal controls over the functions

performed by the Company as servicer for the Trusts to future periods are subject to the risk that the internal control may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

In our opinion, management's assertion, that the Company's controls over the functions performed as servicer of the Trusts are effective as of June 30, 2006 in providing reasonable assurance that assets of the Trusts are safeguarded against loss from unauthorized use or disposition, that transactions are executed in accordance with management's authorization in conformity with the Agreements, and that transactions are recorded properly to permit the preparation of the required financial reports is fairly stated, in all material respects, based upon the following criteria specified in the Report:

- Funds collected are remitted to the Trustee in accordance with the Agreements.
- Trust assets are segregated from those retained by the Company in accordance with the Agreements.
- Expenses incurred by the Trusts are calculated and remitted in accordance with the Agreements.
- The additions of accounts to the Trusts are authorized in accordance with the Agreements.
- The removals of accounts from the Trusts are authorized in accordance with the Agreements.
- Trust assets amortizing out of the Trusts are calculated in accordance with the Agreements.
- Monthly Trust reports generated in the form of "Exhibits" and provided to the Trustee are reviewed by a Vice President or above prior to distribution.
- Monthly Trust reports generated in the form of "Exhibits" contain all information required by the Agreements.

**Trust Internal Control**

FIA Card Services, National Association (formerly known as MBNA America Bank, N.A.), (“FIA” or the “Company”), a wholly owned subsidiary of Bank of America Corporation, is responsible for establishing and maintaining effective controls over the functions performed as servicer of FIA’s BA Master Credit Card Trust II and BA Credit Card Trust (the “Trusts” or individually “Trust”). These controls are designed to provide reasonable assurance to the Company’s management and board of directors that Trust assets are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management’s authorization in conformity with the applicable Pooling and Servicing Agreement, Pooling and Servicing Agreement Supplements, Indenture and BAseries Indenture Supplement (together the “Agreements”) as specified in Appendix I, between FIA as Seller and Servicer and the applicable Trustee (specific Agreements and Trustees are listed in Appendix I) and are recorded properly to permit the preparation of the required financial reports.

Because of inherent limitations in any control, no matter how well-designed, misstatements due to error or fraud may occur and not be detected, including the possibility of the circumvention or overriding of controls. Accordingly, even effective controls can provide only reasonable assurance with respect to the achievement of any objectives of controls. Further, because of changes in conditions, the effectiveness of controls may vary over time.

The Company has determined that the objectives of controls with respect to servicing and reporting of sold loans are to provide reasonable, but not absolute assurance that:

- Funds collected are remitted to the Trustee in accordance with the Agreements.
- Trust assets are segregated from those retained by FIA in accordance with the Agreements.
- Expenses incurred by the Trusts are calculated and remitted in accordance with the Agreements.
- The additions of accounts to the Trusts are authorized in accordance with the Agreements.

---

**Trust Internal Control (continued)**

- The removals of accounts from the Trusts are authorized in accordance with the Agreements.
- Trust assets amortizing out of the Trusts are calculated in accordance with the Agreements.
- Monthly Trust reports generated in the form of “Exhibits” and provided to the Trustee are reviewed by a Vice President or above prior to distribution.
- Monthly Trust reports generated in the form of “Exhibits” contain all information required by the Agreements.

The Company assessed its controls over the functions performed as servicer of the Trusts in relation to these criteria. Based upon this assessment, the Company believes that, as of June 30, 2006, its controls over the functions performed as servicer of the Trusts are effective in providing reasonable assurance that Trust assets are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management’s authorization in conformity with the Agreements between FIA and the applicable Trustees and are recorded properly to permit the preparation of the required financial reports.

**Pooling and Servicing Agreement Compliance**

The Company is responsible for complying with the covenants and conditions of the Agreements listed in Appendix II to this report. The Company is also responsible for establishing and maintaining effective internal control over compliance with the covenants and conditions of the Agreements. The Company has performed an evaluation of its compliance with the requirements of the relevant covenants and conditions identified in Appendix II for each of the Agreements. Based on this evaluation, FIA complied with the requirements of the relevant covenants and conditions of the Agreements identified in Appendix II for each of the Agreements during the periods specified in Appendix II.
