Counterparty or a replacement Derivative Counterparty, if any, is reduced below BBB- by Standard & Poor's or below Baa3 by Moody's or is withdrawn by either Standard & Poor's or Moody's. The Issuer shall give Standard & Poor's and Moody's notice of the replacement of the Derivative Counterparty as soon as practicable thereafter.

(c) The parties hereto agree that all obligations of the Issuer under the Derivative Agreement shall be paid from, and limited to, amounts on deposit in the Interest Funding sub-Account for the Class A(2006-16) Notes which are specifically available to be applied therefor pursuant to Section 3.13(d) of the Indenture Supplement, as determined pursuant to Section 2.03(b) of this Terms Document, and any amounts specifically available to be applied therefor pursuant to Section 2.12 of this Terms Document, and that the Beneficiary shall not be required to expend or risk its own funds or otherwise incur any liability in connection with the Derivative Agreement.

(d) If the Issuer has actual knowledge of any event specified in Section 5 of the Derivative Agreement, the Issuer shall provide written notice of such event to the Beneficiary, the Servicer and the Note Rating Agencies. The Beneficiary, upon becoming aware of any event specified in Section 5 of the Derivative Agreement, whether pursuant to notice from the Issuer or otherwise, shall immediately provide the Issuer with written instructions as to the course of action to be taken under Section 6 of the Derivative Agreement, including without limitation any notices to be provided and whether or not an Early Termination Date (as defined in the Derivative Agreement) should be designated and, if so, when such Early Termination Date should be designated. Prior to receiving such written instructions from the Beneficiary, the Issuer shall not designate an Early Termination Date and shall not terminate the Derivative Agreement.

(e) At the request of the Issuer, the Beneficiary shall provide the Issuer with any document the Issuer is required to provide the Derivative Counterparty pursuant to Section 4(a) of the Derivative Agreement.

(f) (i) In the event the short-term credit rating (or the then equivalent rating) of the Derivative Counterparty or a replacement Derivative Counterparty, if any, from Standard & Poor's is below A-1, or is withdrawn by Standard & Poor's, or (ii) in the case of a replacement Derivative Counterparty assuming the interests and obligations of the original Derivative Counterparty under the Derivative Agreement that does not have a short-term credit rating from Standard & Poor's, the long-term credit rating (or the then equivalent rating) of such replacement Derivative Counterparty from Standard & Poor's is below A+ or is withdrawn by Standard & Poor's, the Derivative Counterparty will be required within 30 days from the date of such rating or withdrawal to fund the Interest Reserve Account in an amount equal to one-twelfth of the product of (A) the Derivative Fixed Rate and (B) the Outstanding Dollar Principal Amount of the Class A(2006-16) Notes as of the close of business on the last day of the Monthly Period preceding such rating or withdrawal (the "Required Interest Reserve Amount"). The Derivative Counterparty's failure to adequately fund the Interest Reserve Account within 30 days of such rating or withdrawal shall constitute an "Interest Reserve Account Event."

Section 2.09. Interest Reserve Account.

(a) On or before the Issuance Date, the Indenture Trustee will cause to be established and maintained with a Qualified Institution (other than FIA, BACCS or the Transferor) that is acting as a securities intermediary a Qualified Account denominated as the "Interest Reserve Account" in the name of the Indenture Trustee, bearing a designation clearly indicating that the funds and other property credited thereto are held for the benefit of the Class A(2006-16) Noteholders. The Indenture Trustee hereby accepts the Interest Reserve Account in trust under the Indenture, the Indenture Supplement and this Terms Document, in accordance with the provisions thereof and hereof. The Interest Reserve Account constitutes a Supplemental Account and shall be under the exclusive control of the Indenture Trustee for the benefit of the Class A(2006-16) Noteholders. If, at any time, the institution holding the Interest Reserve Account ceases to be a Qualified Institution, the Issuer will within ten (10) Business Days (or such longer period, not to exceed thirty (30) calendar days, as to which each Note Rating Agency may consent) establish with a Qualified Institution (other than FIA, BACCS or the Transferor) that is acting as a securities intermediary a new Interest Reserve Account that is a Qualified Account and shall transfer any funds or other property to such new Interest Reserve Account. From the date such new Interest Reserve Account is established, it will be the "Interest Reserve Account." The Interest Reserve Account will receive amounts as described in this Section.

(b) On each Transfer Date, all interest and earnings (net of losses and investment expenses) accrued since the preceding Transfer Date on funds credited to the Interest Reserve Account will be retained in the Interest Reserve Account (to the extent that the amount credited to the Interest Reserve Account with respect to the related Monthly Period (prior to taking into account any such interest and earnings) is less than the required balance for the Interest Reserve Account for that Monthly Period) and the balance, if any, will be paid to the Derivative Counterparty pursuant to the terms of the Derivative Agreement.

(c) In the event that the Derivative Agreement terminates due to a default by the Derivative Counterparty, on the Transfer Date on or immediately following such termination, the Issuer shall withdraw from the Interest Reserve Account an amount equal to the lesser of (i) the Net Derivative Receipt, if any, with respect to such Transfer Date plus the amount of any Net Derivative Receipt previously due but not paid to the Issuer and (ii) the amount credited to the Interest Reserve Account on such Transfer Date, and shall credit such amount to the Collection Account to be included in BAseries Available Funds with respect to such Transfer Date and give notice of such withdrawal to each Note Rating Agency. Such withdrawal will be deemed to be a Net Derivative Receipt and a payment received from the Derivative Counterparty for all purposes under the Indenture Supplement and this Terms Document.

(d) Upon the earliest to occur of (i) any Transfer Date subsequent to the return of the Derivative Counterparty's or replacement Derivative Counterparty's short-term credit rating (or the then equivalent rating) to A-1 or higher by Standard & Poor's, (ii) any Transfer Date subsequent to the return of the Derivative Counterparty's or replacement Derivative Counterparty's long-term credit rating (or the then equivalent rating) to A+ or higher by Standard & Poor's, (iii) the Transfer Date on or immediately following the termination of the Derivative Agreement and (iv) the Transfer Date immediately preceding the Expected Principal Payment Date, the Issuer, after the prior payment of all amounts owing to the Class A(2006-16)

Noteholders that are payable from the Interest Reserve Account as provided herein, shall withdraw from the Interest Reserve Account and pay to the Derivative Counterparty pursuant to the terms of the Derivative Agreement, all amounts, if any, credited to the Interest Reserve Account. In addition, following the earliest to occur of the events described in clauses (iii) or (iv) of the preceding sentence, the Interest Reserve Account shall be deemed to have terminated for purposes of this Terms Document, the Indenture Supplement and the Indenture.

Section 2.10. Early Redemption Events. Notwithstanding any provision of the Indenture or the Indenture Supplement to the contrary, upon the occurrence of an Early Redemption Event with respect to the Class A(2006-16) Notes (other than an Early Redemption Event described in Section 1201(c) of the Indenture), if none of (i) an Early Redemption Event described in Section 1201(c) of the Indenture, (ii) an Interest Reserve Account Event, (iii) the termination of the Derivative Agreement pursuant to its terms or (iv) an Event of Default and acceleration of the Class A(2006-16) Notes has previously occurred, then the Issuer will not pay any amounts accumulated in the Principal Funding sub-Account for the Class A(2006-16) Notes to the holders of the Class A(2006-16) Notes until the Monthly Principal Payment Date occurring on or immediately following the earliest to occur of:

- (a) the Expected Principal Payment Date;
- (b) the date on which an Early Redemption Event described in Section 1201(c) of the Indenture occurs;
- (c) the date on which an Interest Reserve Account Event occurs; and
- (d) the date on which the Derivative Agreement terminates pursuant to its terms.

If the Issuer is unable to pay the redemption price in full on such Monthly Principal Payment Date, monthly payments on the Class A(2006-16) Notes will thereafter be made on each following Monthly Principal Payment Date until the Outstanding Dollar Principal Amount of the Class A(2006-16) Notes, plus all accrued and unpaid interest, is paid in full or the Legal Maturity Date occurs, whichever is earlier, subject to Article V of the Indenture and Article III of the Indenture Supplement. Any funds in any Supplemental Account (other than the Interest Reserve Account) for the Class A(2006-16) Notes will be applied to make the principal and interest payments on the Class A(2006-16) Notes on the redemption date, subject to Article V of the Indenture, Article III of the Indenture Supplement and Article II of this Terms Document.

Section 2.11. Derivative Reserve Account.

(a) On or before the Issuance Date, the Indenture Trustee will cause to be established and maintained with a Qualified Institution (other than FIA, BACCS or the Transferor) that is acting as a securities intermediary a Qualified Account denominated as the "Derivative Reserve Account" in the name of the Indenture Trustee, bearing a designation clearly indicating that the funds and other property credited thereto are held for the benefit of the Class A(2006-16) Noteholders and the Derivative Counterparty, as their interests appear herein.

The Indenture Trustee hereby accepts the Derivative Reserve Account and any property credited thereto in trust under the Indenture, the Indenture Supplement and this Terms Document, in accordance with the provisions thereof and hereof. The Derivative Reserve Account constitutes a Supplemental Account and shall be under the exclusive control of the Indenture Trustee for the benefit of the Class A(2006-16) Noteholders and the Derivative Counterparty. If, at any time, the institution holding the Derivative Reserve Account ceases to be a Qualified Institution, the Issuer will within ten (10) Business Days (or such longer period, not to exceed thirty (30) calendar days, as to which each Note Rating Agency may consent) establish with a Qualified Institution (other than FIA, BACCS or the Transferor) that is acting as a securities intermediary a new Derivative Reserve Account that is a Qualified Account and shall transfer any funds or other property to such new Derivative Reserve Account. From the date such new Derivative Reserve Account is established, it will be the "Derivative Reserve Account." The Derivative Reserve Account will receive amounts as described in this Section.

(b) On the Issuance Date, the Issuer shall credit an amount equal to the Required Derivative Reserve Amount received by it from the Beneficiary in immediately available funds to the Derivative Reserve Account. Funds credited to the Derivative Reserve Account shall be invested by the Indenture Trustee in Permitted Investments; provided, however, that, for purposes of the investment of funds credited to the Derivative Reserve Account, references in the definition of "Permitted Investments" to a rating of A-1+ by Standard & Poor's shall be modified to require a rating of not lower than A-1 by such Note Rating Agency.

On each Transfer Date, all interest and earnings (net of losses and investment expenses) accrued since the preceding Transfer Date on funds credited to the Derivative Reserve Account shall be retained in the Derivative Reserve Account (to the extent that the amount credited to the Derivative Reserve Account (prior to taking into account any such interest and earnings) is less than the Required Derivative Reserve Amount) and the balance, if any, shall be paid to the Issuer on such Transfer Date free of the lien of the Indenture.

(c) On or prior to each Transfer Date following the occurrence of an Early Redemption Event with respect to the Class A(2006-16) Notes (other than an Early Redemption Event described in Section 1.201(c) of the Indenture), the Issuer will calculate PFA Accumulation Earnings Shortfall (if any) for the Principal Funding sub-Account for the Class A(2006-16) Notes. If there is any PFA Accumulation Earnings Shortfall for the Principal Funding sub-Account for that Transfer Date for the Class A(2006-16) Notes, the Issuer will withdraw such amount from the Derivative Reserve Account, to the extent available, for credit to the Interest Funding sub-Account for the Class A(2006-16) Notes on such Transfer Date.

Section 2.12. Termination Payments. If on any Transfer Date following the termination of the Derivative Agreement pursuant to the terms thereof there is a termination payment payable by the Issuer to the Derivative Counterparty pursuant to Section 6 of the Derivative Agreement, the Issuer will pay to the Derivative Counterparty from BAseries Available Funds (after giving effect to Sections 3.01(a) through (f) of the Indenture Supplement) for such Transfer Date an amount not to exceed the lesser of (i) the product of (x) the amount of BAseries Available Funds remaining for application pursuant to Section 3.01(g) of the Indenture Supplement times (y) a fraction, the numerator of which is the Nominal Liquidation Amount of the Class A(2006-16) Notes as of the close of business on the last day of the preceding Monthly

Period and the denominator of which is the Nominal Liquidation Amount of all tranches of Notes as of the close of business on the last day of the preceding Monthly Period and (ii) the amount of such termination payment payable by the Issuer to the Derivative Counterparty.

ARTICLE III
Representations and Warranties

Section 3.01. Issuer's Representations and Warranties. The Issuer makes the following representations and warranties as to the Collateral Certificate on which the Indenture Trustee is deemed to have relied in acquiring the Collateral Certificate. Such representations and warranties speak as of the execution and delivery of this Terms Document, but shall survive until the termination of this Terms Document. Such representations and warranties shall not be waived by any of the parties to this Terms Document unless the Issuer has obtained written confirmation from each Note Rating Agency that there will be no Ratings Effect with respect to such waiver.

(a) The Indenture creates a valid and continuing security interest (as defined in the Delaware UCC) in the Collateral Certificate in favor of the Indenture Trustee, which security interest is prior to all other liens, and is enforceable as such as against creditors of and purchasers from the Issuer.

(b) The Collateral Certificate constitutes either an "account," a "general intangible," an "instrument," or a "certificated security," each within the meaning of the Delaware UCC.

(c) At the time of the transfer and assignment of the Collateral Certificate to the Indenture Trustee pursuant to the Indenture, the Issuer owned and had good and marketable title to the Collateral Certificate free and clear of any lien, claim or encumbrance of any Person.

(d) The Issuer has caused, within ten days of the execution of the Indenture, the filing of all appropriate financing statements in the proper filing office in the appropriate jurisdictions under applicable law in order to perfect the security interest in the Collateral Certificate granted to the Indenture Trustee pursuant to the Indenture.

(e) Other than the security interest granted to the Indenture Trustee pursuant to the Indenture, the Issuer has not pledged, assigned, sold, granted a security interest in, or otherwise conveyed the Collateral Certificate. The Issuer has not authorized the filing of and is not aware of any financing statements against the Issuer that include a description of collateral covering the Collateral Certificate other than any financing statement relating to the security interest granted to the Indenture Trustee pursuant to the Indenture or any financing statement that has been terminated. The Issuer is not aware of any judgment or tax lien filings against the Issuer.

(f) All original executed copies of the Collateral Certificate have been delivered to the Indenture Trustee.

(g) At the time of the transfer and assignment of the Collateral Certificate to the Indenture Trustee pursuant to the Indenture, the Collateral Certificate had no marks or notations indicating that it has been pledged, assigned or otherwise conveyed to any Person other than the Indenture Trustee.

[END OF ARTICLE III]

IN WITNESS WHEREOF, the parties hereto have caused this Terms Document to be duly executed, all as of the day and year first above written.
