**3,000,000 Depositary Shares, Each Representing a 1/25th Interest in a Share of 6.625%
Fixed-Rate Reset Non-Cumulative Preferred Stock, Series OO**

New York, New York
April 24, 2025

To the Representative
named in Schedule I
hereto of the Underwriters
named in Schedule II hereto

Dear Ladies and Gentlemen:

Bank of America Corporation, a Delaware corporation (the “Company”), proposes to issue and sell to the underwriters named in Schedule II hereto (the “Underwriters”), for whom you are acting as representative (the “Representative”), 3,000,000 depositary shares (the “Depositary Shares”), each representing a 1/25th interest in a share of the Company’s perpetual 6.625% Fixed-Rate Reset Non-Cumulative Preferred Stock, Series OO (the “Preferred Stock”). The Preferred Stock, when issued, will be deposited against delivery of Depositary Receipts (the “Depositary Receipts”), which will evidence the Depositary Shares, that are to be issued by Computershare Trust Company, N.A., as depository (the “Depository”) under the Deposit Agreement to be entered into by or before April 29, 2025 by and among the Company, Computershare Inc., the Depository and the holders from time to time of the Depositary Receipts described therein (the “Deposit Agreement”).

The Depositary Shares are also referred to herein as the “Shares” and, where appropriate herein, reference to the Shares includes the underlying shares of Preferred Stock. Such Depositary Shares are to be sold to each Underwriter, acting severally and not jointly, in such amounts as are listed in Schedule II opposite the name of each Underwriter. The Shares are described more fully in the Prospectus, referred to below. If the firm or firms listed in Schedule II hereto include only the firm or firms listed in Schedule I hereto, then the terms “Underwriters” and “Representative,” as used herein, each shall be deemed to refer to such firm or firms.

1. Representations and Warranties.

(a) The Company represents and warrants to, and agrees with, each Underwriter that:

(i) The Company has prepared and filed with the Securities and Exchange Commission (the "Commission") a registration statement on Form S-3 (File No. 333- 277673), as amended on or prior to the date of this Agreement, which contains a base prospectus (the "Base Prospectus"), to be used in connection with the public offering and sale of the Shares. Such registration statement, as amended, including the financial statements, exhibits and schedules thereto, including any required information deemed to be a part thereof pursuant to Rule 430B under the Securities Act of 1933, as amended, and the rules and regulations promulgated thereunder (collectively, the "Securities Act"), and the Securities Exchange Act of 1934, as amended, and the rules and regulations promulgated thereunder (collectively, the "Exchange Act"), at each time of effectiveness, is called the "Registration Statement." Any preliminary prospectus supplement to the Base Prospectus that describes the Shares and the offering thereof and is used prior to filing of the Prospectus is called, together with the Base Prospectus, a "preliminary prospectus." The term "Prospectus" shall mean the final prospectus supplement relating to the Shares, together with the Base Prospectus, that is first filed pursuant to Rule 424(b) after the date and time that this Agreement is executed and delivered by the parties hereto (the "Execution Time"). Any reference herein to the Registration Statement, any preliminary prospectus or the Prospectus, as the case may be, shall be deemed to refer to and include the documents incorporated by reference therein pursuant to Item 12 of Form S-3 under the Securities Act; any reference to any amendment or supplement to any preliminary prospectus or the Prospectus, as the case may be, shall be deemed to refer to and include any documents filed after the date of such preliminary prospectus or Prospectus, as the case may be, under the Exchange Act, and incorporated by reference in such preliminary prospectus or Prospectus, as the case may be; and any reference to any amendment to the Registration Statement shall be deemed to refer to and include any annual report of the Company filed pursuant to Section 13(a) or 15(d) of the Exchange Act after the effective date of the Registration Statement that is incorporated by reference in the Registration Statement. The Company also has prepared and filed (or will file) with the Commission the Issuer Free Writing Prospectuses (as defined below) set forth on Schedule III hereto. All references in this Agreement to the Registration Statement, a preliminary prospectus, the Prospectus, or any amendments or supplements to any of the foregoing shall include any copy thereof filed with the Commission pursuant to its Electronic Data Gathering, Analysis and Retrieval System ("EDGAR").

(ii) The term "Disclosure Package" shall mean (A) the preliminary prospectus, as it may be amended or supplemented, (B) the Base Prospectus, and (C) the applicable issuer free writing prospectuses as defined in Rule 433 under the Securities Act (each, an "Issuer Free Writing Prospectus"), if any, identified in Schedule III hereto. As of 1:25 P.M. (Eastern time) on the date of this Agreement (the "Initial Sale Time"), the Disclosure Package did not contain any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. The preceding sentence does not apply to statements in or omissions from the Disclosure Package based upon and in conformity with written information furnished to the Company by or on behalf of any Underwriter specifically for use therein, it

being understood and agreed that such information furnished by or on behalf of any Underwriter consists only of the information described as such in Section 8(b) hereof (the “Underwriter Information”).

(iii) As of the date hereof, when the Prospectus is first filed with the Commission pursuant to Rule 424(b) under the Securities Act, when any supplement or amendment to the Prospectus is filed with the Commission, at the Closing Date (as hereinafter defined) and, with respect to the Registration Statement in (A) and (B) below, as of the Initial Sale Time, (A) the Registration Statement is effective, the Registration Statement, as amended as of any such time, and the Prospectus, as amended or supplemented as of any such time, complied, complies or will comply in all material respects with the applicable provisions under the Securities Act and the Exchange Act, (B) the Registration Statement, as amended as of any such time, did not, does not and will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein not misleading, and (C) the Prospectus, as amended or supplemented as of any such time, did not, does not and will not contain any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading; provided, however, that the Company makes no representations or warranties as to the Underwriter Information. The documents which are incorporated by reference in the Registration Statement, the Disclosure Package, the preliminary prospectus or the Prospectus or from which information is so incorporated by reference, when they were filed with the Commission, complied in all material respects with the requirements under the Exchange Act and did not, when such documents were so filed, contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. The Commission has not issued any stop order suspending the effectiveness of the Registration Statement or any order preventing or suspending the use of the preliminary prospectus, any Issuer Free Writing Prospectus or the Prospectus, and the Company is without knowledge that any proceedings have been instituted for either purpose.

(iv) The interactive data in eXtensible Business Reporting Language incorporated by reference in the Registration Statement and the Base Prospectus fairly presents the information called for in all material respects and has been prepared in accordance with the Commission’s rules and guidelines applicable thereto.

(v) No Issuer Free Writing Prospectus, as of its date and at all subsequent times through the completion of the offering contemplated hereby or until any earlier date that the Company notified or notifies the Representative as described in the next sentence, included, includes or will include any information that conflicted, conflicts or will conflict with the information contained in the Registration Statement, including any document incorporated by reference therein, the preliminary prospectus or the Prospectus that had not or has not been superseded or modified. If at any time following issuance of an Issuer Free Writing Prospectus and prior to the end of the Prospectus Delivery Period (as defined below), there occurred or occurs an event or development as a result of which such Issuer Free Writing Prospectus conflicted or would conflict with the information contained in the Registration Statement, the preliminary prospectus or the Prospectus, the Company has promptly notified or will promptly notify the Representative and has promptly amended or supplemented or will promptly amend or

supplement, at its own expense, such Issuer Free Writing Prospectus to eliminate or correct such conflict. The foregoing two sentences do not apply to statements in or omissions from an Issuer Free Writing Prospectus based upon and in conformity with Underwriter Information.

(vi) The Company has not distributed and will not distribute, prior to the later of the Closing Date and the completion of the Underwriters' distribution of the Shares, any offering material in connection with the offering and sale of the Shares other than the Registration Statement, the preliminary prospectus, the Prospectus or any Issuer Free Writing Prospectus reviewed and consented to by the Underwriters and included in Schedule III hereto.

(vii) As to the Registration Statement, the Company meets the requirements for use of Form S-3 under the Securities Act. The Registration Statement meets the requirements set forth in Rule 415(a)(1) under the Securities Act and complies in all other material respects with such rule.

(viii) The Deposit Agreement has been duly authorized and, when validly executed and delivered by the Company, assuming due authorization, execution and delivery by the other parties thereto, will constitute a valid and binding agreement of the Company, enforceable against the Company in accordance with its terms, subject to applicable bankruptcy, reorganization, insolvency, moratorium, fraudulent conveyance or other similar laws affecting the rights of creditors now or hereafter in effect, and to equitable principles that may limit the right to specific enforcement of remedies, and further subject to 12 U.S.C. §1818(b)(6)(D) (or any successor statute) and any bank regulatory powers now or hereafter in effect and to the application of principles of public policy.

(ix) The Preferred Stock has been duly and validly authorized for issuance and sale, and, when the Depositary Shares are issued and delivered against payment therefor pursuant to this Agreement, the Preferred Stock will be validly issued, fully paid and non-assessable, and will have the rights set forth in the Certificate of Designations for the Preferred Stock; the Depositary Shares have been duly and validly authorized for issuance and sale, and, when issued and delivered against payment therefor pursuant to this Agreement, the Depositary Shares will be validly issued and, upon deposit of the Preferred Stock with the Depository pursuant to the Deposit Agreement, and the due execution of the Deposit Agreement and the Depositary Receipts by the Depository, will be entitled to the rights under, and the benefits of, the Deposit Agreement; all corporate action required to be taken for the authorization, issue and sale of the Depositary Shares has been validly and sufficiently taken and the Depositary Shares will represent legal and valid interests in the Preferred Stock; and the Preferred Stock and the Depositary Shares conform in all material respects to the descriptions thereof contained in the Disclosure Package and will conform in all material respects to the descriptions thereof contained in the Prospectus.

(x) The issue and sale of the Preferred Stock and the Depositary Shares and the compliance by the Company with all of the provisions thereof and of this Agreement and the Deposit Agreement, and the consummation of the transactions herein and therein contemplated, and the performance of its obligations hereunder and thereunder, will not contravene any provision of applicable law, the certificate of incorporation or bylaws of the Company or articles of association or bylaws of the Principal Subsidiary Bank (as defined

below) or any agreement or other instrument binding upon the Company or the Principal Subsidiary Bank that is material to the Company and its subsidiaries, taken as a whole, or any judgment, order or decree of any governmental body, agency or court having jurisdiction over the Company or any subsidiary; and no consent, approval, authorization or order of, or qualification with, any governmental or regulatory body is required for the performance by the Company of its obligations under this Agreement or the Deposit Agreement, except such as may be required by the securities or blue sky laws of the various states in connection with the offer and sale of the Shares.

(b) Each Underwriter, severally and not jointly, represents and agrees that:

(i) it has not and will not offer, sell or deliver any of the Depositary Shares, directly or indirectly, or distribute the preliminary prospectus, the Prospectus or any other offering materials (including any Issuer Free Writing Prospectus) relating to the Shares in any jurisdiction except under circumstances that will result in compliance with applicable laws and regulations and that will not impose any obligations on the Company except as set forth herein; and

(ii) it will comply in all material respects with the selling restrictions set forth in the Prospectus under the caption “Underwriting (Conflicts of Interest)—Selling Restrictions.”

2. Purchase and Sale. Subject to the terms and conditions and in reliance upon the representations and warranties herein set forth, the Company agrees to sell to each Underwriter, and each Underwriter agrees, severally and not jointly, to purchase from the Company at the purchase price set forth in Schedule I hereto the respective number of Shares set forth opposite such Underwriter’s name in Schedule II hereto.

3. Delivery and Payment. Delivery of and payment for the Shares shall be made on the date and at the time specified in Schedule I hereto, which date and time may be postponed by agreement between the Representative and the Company or as provided in Section 9 hereto (such date and time of delivery and payment for the Shares being herein called the “Closing Date”). Delivery of the Shares shall be made to the Representative for the respective accounts of the several Underwriters against payment by the several Underwriters through the Representative of the purchase price thereof in the manner set forth in Schedule I hereto. Unless otherwise agreed, the Depositary Shares shall be issued in book-entry form, and the Depositary Receipts for the Depositary Shares may be deposited with The Depository Trust Company (“DTC”) or a custodian for DTC and registered in the name of Cede & Co., as nominee for DTC.

4. Obligations of the Underwriters. The obligations of each Underwriter under this Agreement are several and independent and:

(a) the failure of one or more of the Underwriters to perform its obligations shall not relieve the other Underwriters of their respective obligations, or the Company of its obligations to the other Underwriters, under this Agreement; and

(b) no Underwriter shall be responsible for or liable in respect of any breach of the obligations or warranties of any other Underwriter under this Agreement except as described in Section 8.

5. Agreements. The Company agrees with the several Underwriters that:

(a) During the period beginning at the Initial Sale Time and ending on the later of the Closing Date or such date, as in the opinion of counsel for the Underwriters, the Prospectus is no longer required by law to be delivered in connection with sales by an Underwriter or dealer (except for delivery requirements imposed because such Underwriter or dealer is an affiliate of the Company), including in circumstances where such requirement may be satisfied pursuant to Rule 172 (the "Prospectus Delivery Period"), the Company will not file any amendment to the Registration Statement or supplement to the Base Prospectus (including the Prospectus) or the Disclosure Package unless the Company has furnished you a copy for your review prior to filing and will not file any such proposed amendment or supplement to which you reasonably object. Subject to the foregoing sentence, the Company will cause the Prospectus to be filed with the Commission pursuant to Rule 424 via EDGAR. The Company will advise the Representative promptly (i) when the preliminary prospectus and the Prospectus shall have been filed with the Commission pursuant to Rule 424, (ii) when any amendment to the Registration Statement or the Disclosure Package relating to the Shares shall have become effective, (iii) of any request by the Commission for any amendment of the Registration Statement or amendment of or supplement to the Prospectus or the Disclosure Package or for any additional information, (iv) of the issuance by the Commission of any stop order suspending the effectiveness of the Registration Statement or the initiation or threatening of any proceeding for that purpose and (v) of the receipt by the Company of any notification with respect to the suspension of the qualification of the Shares for sale in any jurisdiction as described in paragraph (e) of this Section 5 or the initiation or threatening of any proceeding for such purpose. The Company will use its best efforts to prevent the issuance of any such stop order and, if issued, to obtain as soon as possible the withdrawal thereof.

(b) If, at any time during the Prospectus Delivery Period, except with respect to any such delivery requirement imposed upon an affiliate of the Company in connection with any secondary market sales, any event occurs as a result of which the Disclosure Package or the Prospectus as then amended or supplemented would include any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein in the light of the circumstances under which they were made or then prevailing, as the case may be, not misleading, or if it shall be necessary to amend or supplement the Disclosure Package or the Prospectus to comply with the Securities Act or the Exchange Act, the Company promptly will prepare and file with the Commission, subject to the first sentence of paragraph (a) of this Section 5, an amendment or supplement which will correct such statement or omission or an amendment or supplement which will effect such compliance, and will give immediate notice, and confirm in writing, to the Underwriters to cease the solicitation of offers to purchase the Depositary Shares, and furnish to the Underwriters a reasonable number of copies of such amendment or supplement.

(c) The Company will make generally available to its security holders and to the Representative as soon as practicable, but not later than 60 days after the close of the period

covered thereby, an earnings statement (in form complying with the provisions of Rule 158 under the Securities Act) covering a twelve-month period beginning not later than the first day of the Company's fiscal quarter next following the "effective date" (as defined in said Rule 158) of the Registration Statement.

(d) The Company will furnish to the Representative and counsel for the Underwriters, without charge, copies of the Registration Statement (including exhibits thereto) and each amendment thereto which shall become effective on or prior to the Closing Date and, so long as delivery of a prospectus by an Underwriter or dealer may be required by the Securities Act, as many copies of the preliminary prospectus or the Prospectus and any amendments thereof and supplements thereto as the Representative may reasonably request. The Company will pay the expenses of printing all documents relating to the offering.

(e) The Company will arrange for the qualification of the Depositary Shares for sale under the applicable securities laws of such states or other jurisdictions of the United States as the Representative may reasonably designate and will maintain such qualifications in effect so long as required for the distribution of the Depositary Shares; provided, however, that the Company shall not be required to qualify to do business in any jurisdiction where it is not now so qualified or to take any action which would subject it to general or unlimited service of process in any jurisdiction where it is not now so subject.

(f) Until the business day (in New York, New York and Charlotte, North Carolina) following the Closing Date, the Company will not, without the consent of the Representative, offer or sell, or announce the offering of, any securities covered by the Registration Statement or by any other registration statement for the Company's securities filed under the Securities Act; provided, however, the Company may, at any time, offer or sell, or announce the offering of, securities (i) covered by a registration statement on Form S-8 or Form S-4 or (ii) covered by a registration statement on Form S-3 (including Registration Statement Nos. 333-277673 and 333-268718) and pursuant to which (A) the Company sells securities under one of the Company's medium-term note programs (including, without limitation, the Company's Series N Medium-Term Note Program or Series P Senior Medium-Term Notes Program), (B) the Company issues securities for its dividend reinvestment plan, (C) the Company issues notes, securities of an affiliated trust, another series of depositary shares, another series of preferred stock or other securities of the Company in an underwritten offering (under the Registration Statement No. 333-277673 or 333-268718) in which the lead manager is BofA Securities, Inc., (D) affiliates of the Company offer securities of the Company in secondary market transactions or (E) the Company guarantees notes issued by BofA Finance LLC.

(g) The Company will prepare a final term sheet containing only a description of the Shares, in a form approved by the Representative or its counsel and contained in Schedule IV of this Agreement, and will file such term sheet pursuant to Rule 433(d) under the Securities Act as promptly as possible, but in any case not later than the time required by such rule (such term sheet, the "Final Term Sheet"). Any such Final Term Sheet is an Issuer Free Writing Prospectus for purposes of this Agreement. For purposes of this Agreement, each Issuer Free Writing Prospectus shall be a term sheet.

(h) The Company and each Underwriter represents that it has not made and agrees that it will not make any offer relating to the Shares that would constitute an Issuer Free Writing Prospectus (other than the Final Term Sheet) or that would otherwise constitute a “free writing prospectus” (as defined in Rule 405 under the Securities Act) required to be filed by the Company with the Commission or retained by the Company under Rule 433 under the Securities Act (other than the Final Term Sheet). The Final Term Sheet is hereinafter referred to as a “Permitted Free Writing Prospectus.” The Company agrees that (i) it has treated and will treat, as the case may be, each Permitted Free Writing Prospectus as an Issuer Free Writing Prospectus, and (ii) it has complied and will comply, as the case may be, with the requirements of Rules 164 and 433 under the Securities Act applicable to any Permitted Free Writing Prospectus, including in respect of the contents thereof timely filing with the Commission, legending and record keeping.

(i) If immediately prior to the third anniversary (the “Renewal Deadline”) of the initial effective date of the Registration Statement, any of the Shares remain unsold by the Underwriters, the Company will file prior to the Renewal Deadline, if it has not already done so and is eligible to do so, a new shelf registration statement relating to the Shares, in a form satisfactory to the Representative, and will use its best efforts to cause such registration statement to be declared effective within 180 days after the Renewal Deadline. The Company will take all other reasonable action necessary or appropriate to permit the public offering and sale of the Shares to continue as contemplated in the expired registration statement relating to the Shares. References herein to the Registration Statement shall include such new shelf registration statement.

6. Conditions to the Obligations of the Underwriters. The obligations of the Underwriters to purchase the Shares shall be subject to the accuracy of the representations and warranties on the part of the Company contained herein as of the date hereof, as of the date of the effectiveness of any amendment to the Registration Statement filed prior to the Closing Date (including the filing of any document incorporated by reference therein) and as of the Closing Date, to the accuracy of the statements of the Company made in any certificates furnished pursuant to the provisions hereof, to the performance by the Company of its obligations hereunder and to the following additional conditions:

(a) For the period from and after effectiveness of this Agreement and prior to the Closing Date:

(i) no stop order suspending the effectiveness of the Registration Statement, or any post-effective amendment to the Registration Statement, shall be in effect and no proceedings for such purpose shall have been instituted or threatened by the Commission;

(ii) the Company shall have filed the preliminary prospectus and the Prospectus with the Commission (including the information required by Rule 430B under the Securities Act) in the manner and within the time period required by Rule 424(b) under the Securities Act; or the Company shall have filed a post-effective amendment to the Registration Statement containing the information required by such Rule 430B, and such post-effective amendment shall have become effective (if not automatically effective under the rules of the Commission);

(iii) the Final Term Sheet, and any other material required to be filed by the Company pursuant to Rule 433(d) under the Securities Act, shall have been filed with the Commission within the applicable time periods prescribed for such filings under such rule or, to the extent applicable, under Rule 164(b) under the Securities Act; and

(iv) The Financial Industry Regulatory Authority, Inc. (“FINRA”) shall have raised no objection to the fairness and reasonableness of the underwriting terms and arrangements that have not been resolved following good faith discussions between the Company and the applicable Underwriters.

(b) The Company shall have furnished to the Representative the opinion of McGuireWoods LLP, counsel for the Company, dated the Closing Date, to the effect of paragraphs (i) and (v) through (xii) below, and the opinion of the General Counsel of the Company (or such other attorney, reasonably acceptable to counsel to the Underwriters, who exercises general supervision or review in connection with a particular securities law matter for the Company), dated the Closing Date, to the effect of paragraphs (ii) through (iv) below:

(i) the Company is a duly organized and validly existing corporation in good standing under the laws of the State of Delaware, has the corporate power and authority to own its properties and conduct its business as described in the Disclosure Package and the Prospectus, and is duly registered as a bank holding company under the Bank Holding Company Act of 1956, as amended; Bank of America, N.A. (the “Principal Subsidiary Bank”) is a national banking association formed under the laws of the United States of America and authorized thereunder to transact the business of banking;

(ii) each of the Company and the Principal Subsidiary Bank is qualified or licensed to do business in each jurisdiction in which such counsel has knowledge that the Company or the Principal Subsidiary Bank, as the case may be, is required to be so qualified or licensed;

(iii) all the outstanding shares of capital stock of the Principal Subsidiary Bank have been duly and validly authorized and issued and are fully paid and (except as provided in 12 U.S.C. § 55, as amended) nonassessable, and, except as otherwise set forth in the Disclosure Package and the Prospectus, all outstanding shares of capital stock of the Principal Subsidiary Bank (except directors’ qualifying shares) are owned beneficially, directly or indirectly, by the Company free and clear of any perfected security interest and such counsel is without knowledge of any other security interests, claims, liens or encumbrances with respect thereto;

(iv) such counsel is without knowledge that there is (1) any pending or threatened action, suit or proceeding before or by any court or governmental agency, authority or body, domestic or foreign, or any arbitrator involving the Company or any of its subsidiaries required to be disclosed in the Registration Statement, the Disclosure Package or the Prospectus which is omitted or not adequately disclosed therein, or (2) any contract or other document required to be described in the Registration Statement, the Disclosure Package or the Prospectus, or to be filed as an exhibit to the Registration Statement, which is not so described or filed as required;

(v) the statements made in the Base Prospectus under the headings “Description of Preferred Stock” and “Description of Depositary Shares,” as supplemented, amended and/or superseded by the statements in the final prospectus supplement for the Shares dated the date of this Agreement under the headings “Description of the Preferred Stock” and “Description of the Depositary Shares,” insofar as they purport to constitute summaries of the material terms of the Deposit Agreement, the Depositary Shares and the Preferred Stock, constitute accurate summaries in all material respects;

(vi) the Registration Statement has been declared effective under the Securities Act; no stop order suspending the effectiveness of the Registration Statement has been issued, and such counsel is without knowledge that any proceeding for that purpose has been instituted or threatened; and the Registration Statement, the Disclosure Package and the Prospectus and each amendment thereof or supplement thereto (other than the financial statements, supporting schedules, footnotes and other financial, accounting and statistical information contained therein or incorporated by reference therein, as to which such counsel need express no opinion) comply as to form in all material respects with the applicable requirements under the Securities Act and the Exchange Act;

(vii) this Agreement has been duly authorized, executed and delivered by the Company and, assuming due authorization, execution and delivery by you, constitutes a legal, valid and binding agreement of the Company enforceable against the Company in accordance with its terms, subject to applicable bankruptcy, reorganization, insolvency, moratorium, fraudulent conveyance or other similar laws affecting the rights of creditors now or hereafter in effect, and to equitable principles that may limit the right to specific enforcement of remedies, and except insofar as the enforceability of the indemnity and contribution provisions contained in this Agreement may be limited by federal and state securities laws, and further subject to 12 U.S.C. §1818(b)(6)(D) (or any successor statute) and any bank regulatory powers now or hereafter in effect and to the application of principles of public policy;

(viii) no consent, approval, authorization, or order of, or qualification with, any governmental body or agency under the laws of the State of New York or any federal law of the United States of America that in our experience is normally applicable to general business corporations in relation to transactions of the type contemplated by this Agreement, the Certificate of Designations and the Deposit Agreement, or the General Corporation Law of the State of Delaware is required for the execution, delivery and performance by the Company of its respective obligations under the this Agreement, the Certificate of Designations and the Deposit Agreement, except such as may be required under federal or state securities or Blue Sky laws as to which we express no opinion;

(ix) the shares of Preferred Stock have been duly authorized and, when paid for as contemplated herein, will be validly issued, fully paid and nonassessable;

(x) the Depositary Shares have been duly authorized for issuance and sale, and when issued and delivered against payment therefor pursuant to this Agreement, the Depositary Shares will be validly issued and, upon deposit of the Preferred Stock with the Depository pursuant to the Deposit Agreement, and the due execution of the Deposit Agreement and the Depositary Receipts by the Depository, will be entitled to the rights under, and the

benefits of, the Deposit Agreement; and all corporate action required to be taken for the authorization, issue and sale of the Depositary Shares has been validly and sufficiently taken and the Depositary Shares represent legal and valid interests in the Preferred Stock;

(xi) none of the issuance and sale of the Preferred Stock or the Depositary Shares, nor the consummation of any other of the transactions herein contemplated or contemplated by the Deposit Agreement and the fulfillment of the terms hereof or thereof will conflict with, result in a breach of, or constitute a default under (1) the Company's Restated Certificate of Incorporation or Bylaws, each as amended to date, (2) the terms of any indenture or other material agreement or instrument to which the Company or the Principal Subsidiary Bank is a party or bound filed or incorporated by reference as an exhibit to the Registration Statement, or (3) any order, law or regulation known to such counsel to be applicable to the Company or the Principal Subsidiary Bank of any U.S. court, regulatory body, administrative agency, governmental body or arbitrator having jurisdiction over the Company or the Principal Subsidiary Bank; and

(xii) the Deposit Agreement has been duly authorized, executed and delivered by the Company and, assuming due authorization, execution and delivery by the other parties thereto, constitutes a valid and binding agreement of the Company, enforceable against the Company in accordance with its terms, subject to applicable bankruptcy, reorganization, insolvency, moratorium, fraudulent conveyance or other similar laws affecting the rights of creditors now or hereafter in effect, and to equitable principles that may limit the right to specific enforcement of remedies, and further subject to 12 U.S.C. §1818(b)(6)(D) (or any successor statute) and any bank regulatory powers now or hereafter in effect and to the application of principles of public policy.

In rendering such opinion, but without opining in connection therewith, such counsel also shall state that, although it expresses no view as to portions of the Registration Statement, the Disclosure Package, or the Prospectus, including any document incorporated by reference therein, consisting of financial statements, supporting statements, footnotes and other financial, accounting and statistical information or statements in the Disclosure Package or the Prospectus concerning the securities and other commercial laws of countries or jurisdictions other than the United States, and it has not independently verified, is not passing upon and assumes no responsibility for, the accuracy, completeness or fairness of the statements contained in the Registration Statement, the Disclosure Package, or the Prospectus or any amendment or supplement thereto (other than as stated in (v) above), nothing has come to its attention that has caused it to believe that such remaining portions of the Registration Statement or any amendment thereto, insofar as it relates to the offering of the Shares, as of the time it became effective, as of the Initial Sale Time or as of the date of such opinion, contained or contains any untrue statement of a material fact or omitted or omits to state any material fact required to be stated therein or necessary to make the statements therein not misleading or that, subject to the foregoing with respect to financial statements, supporting statements, footnotes and other financial, accounting and statistical information, the Disclosure Package, insofar as it relates to the offering of the Shares, taken as a whole, as of the Initial Sale Time, contained any untrue statement of a material fact or omitted to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading, or that the Prospectus, as of its date or as amended or supplemented as of the date of such opinion, insofar as it relates to

the offering of the Shares, contained or contains any untrue statement of a material fact or omitted or omits to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. Such counsel also need not pass upon nor assume any responsibility for ascertaining whether or when any of the information contained in each Disclosure Package was conveyed to any purchaser of the Depositary Shares. For purposes of this paragraph, "time it became effective" means the most recent deemed effective date pursuant to Rule 430B(f)(2) of the Securities Act.

In rendering such opinion, such counsel may rely as to matters of fact, to the extent deemed proper, on certificates of responsible officers of the Company and its subsidiaries and public officials.

(c) The Representative shall have received from Davis Polk & Wardwell LLP, counsel for the Underwriters, such opinion or opinions, dated the Closing Date, with respect to the issuance and sale of the Shares, the Registration Statement, the Disclosure Package and the Prospectus and any other related matters as the Representative may reasonably require, and the Company shall have furnished to such counsel such documents as they request for the purpose of enabling them to pass upon such matters.

(d) The Company shall have furnished to the Representative a certificate of the Company, signed by any Managing Director, any Director, any Senior or other Vice President or the Treasurer or any other authorized officer of the Company, dated the Closing Date, to the effect that the signer of such certificate has carefully examined the Registration Statement, the Disclosure Package and the Prospectus and this Agreement and he or she is without knowledge that:

(i) the representations and warranties of the Company contained in Section 1 of this Agreement are not true and correct with the same force and effect as though expressly made at and as of the Closing Date and the Company has not performed or complied with all the agreements and satisfied all the conditions on its part to be performed or satisfied hereunder at or prior to the Closing Date;

(ii) any stop order suspending the effectiveness of the Registration Statement has been issued or any proceedings for that purpose have been instituted or threatened by the Commission;

(iii) since the date of the most recent financial statements included in the Disclosure Package and the Prospectus, there has been any material adverse change or any development involving a prospective material adverse change in the condition (financial or other), earnings, business or properties of the Company and its subsidiaries, taken as a whole, whether or not arising from transactions in the ordinary course of business, except as set forth in or contemplated in the Disclosure Package and the Prospectus; and

(iv) any litigation or proceeding is pending to restrain or enjoin the issuance or delivery of the Shares, or which in any way affects the validity of the Shares.

(e) On the date hereof and on the Closing Date, the Representative shall have received a letter from PricewaterhouseCoopers LLP, dated as of the date hereof or the Closing

Date, as applicable, in form and substance satisfactory to the Representative, containing statements and information of the type ordinarily included in accountants "comfort letters" to underwriters with respect to financial statements and financial information included and incorporated by reference in the Registration Statement and the Prospectus.

(f) Subsequent to the respective dates as of which information is given in the Registration Statement, the Disclosure Package and the Prospectus, there shall not have been (i) any change or decrease specified in the letter or letters referred to in paragraph (e) of this Section 6 or (ii) any change, or any development involving a prospective change, in or affecting the condition (financial or other), earnings, business or properties of the Company and its subsidiaries the effect of which, in any case referred to in clause (i) or (ii) of this paragraph (f), is, in the judgment of the Representative, so material and adverse as to make it impractical or inadvisable to proceed with the offering or the delivery of the Shares as contemplated by the Registration Statement, the Disclosure Package and the Prospectus.

(g) Prior to the Closing Date, the Company shall have furnished to the Representative such further information, certificates and documents as the Representative may reasonably request.

(h) On or after the date hereof and prior to the Closing Date, (i) no downgrading shall have occurred in the rating accorded the Company's debt securities by any "nationally recognized statistical rating organization," as that term is defined by the Commission for purposes of Section 3(a)(62) of the Exchange Act, and (ii) no such organization shall have publicly announced that it has under surveillance or review, with possible negative implications, its rating of any of the Company's debt securities.

(i) The Representative shall have received on the Closing Date a certificate of the Depository.

(j) The Deposit Agreement shall have been duly authorized, executed and delivered, in a form reasonably satisfactory to the Representative.

(k) There shall not have come to the Representative's attention any facts that would cause the Representative to believe that the Disclosure Package, as of the Initial Sale Time, or the Prospectus, at the time it was required to be delivered to a purchaser of the Depository Shares, included any untrue statement of a material fact or omitted to state a material fact necessary in order to make the statements therein, in the light of the circumstances existing at the time of such delivery, not misleading.

If any of the conditions specified in this Section 6 shall not have been fulfilled in all material respects when and as provided in this Agreement, or if any of the opinions and certificates mentioned above or elsewhere in this Agreement shall not be in all material respects reasonably satisfactory in form and substance to the Representative and their counsel, this Agreement and all obligations of the Underwriters hereunder may be canceled at, or at any time prior to, the Closing Date by the Representative. Notice of such cancellation shall be given to the Company in writing or by telephone or facsimile confirmed in writing.

If any of the foregoing conditions is not satisfied on or before the Closing Date, this Agreement shall terminate on such date and the parties hereto shall be under no further liability arising out of this Agreement (except for the liability of the Company in relation to expenses as provided in this Agreement and except for any liability arising before or in relation to such termination), provided that the Representative, on behalf of the Underwriters, may in its discretion waive any of the aforesaid conditions or any part of them.

7. Payment of Expenses. The Company will pay all expenses incident to the performance of its obligations under this Agreement, including (i) the preparation, printing, delivery to the Underwriters and filing of the Registration Statement, any Issuer Free Writing Prospectus, the preliminary prospectus and the Prospectus as originally filed and of each amendment or supplement thereto, (ii) the copying of this Agreement, (iii) the preparation, issuance and delivery of the certificates for the Depositary Shares to the Underwriters, including capital duties, stamp duties and transfer taxes, if any, payable upon issuance of any of the Shares or the sale of the Depositary Shares to the Underwriters, (iv) the fees and expenses of any transfer agent or trustee for the Shares, and the fees and expenses of counsel to any such transfer agent or trustee for the Shares, (v) the fees and disbursements of the Company's counsel and accountants, (vi) the qualification of the Shares under state securities laws in accordance with the provisions of Section 5(e), including filing fees and the reasonable fees and disbursements of counsel for the Underwriters in connection therewith and in connection with the preparation of any blue sky survey, (vii) the printing and delivery to the Underwriters of copies of any blue sky survey, (viii) the fees of FINRA, (ix) any fees charged by rating agencies for the rating of the Depositary Shares, and (x) the fees and expenses of any depository and any nominee thereof in connection with the Depositary Shares.

If the sale of the Depositary Shares provided for herein is not consummated because any condition to the obligations of the Underwriters set forth in Section 6 hereof is not satisfied or because of any refusal, inability or failure on the part of the Company to perform any agreement herein or comply with any provision hereof other than by reason of a default by any of the Underwriters, the Company will reimburse the Underwriters severally upon demand for all out-of-pocket expenses (including reasonable fees and disbursements of counsel) that shall have been incurred by them in connection with the proposed purchase and sale of the Depositary Shares.

8. Indemnification and Contribution.

(a) The Company agrees to indemnify and hold harmless each Underwriter and each person, if any, who controls any Underwriter within the meaning under the Securities Act and the Exchange Act against any loss, claim, damage, liability or expense, as incurred, to which such Underwriter or such controlling person may become subject, insofar as such loss, claim, damage, liability or expense (or actions in respect thereof as contemplated below) arises out of or is based upon (i) any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement, or any amendment thereto, including any information deemed to be a part thereof pursuant to Rule 430B under the Securities Act, or the omission or alleged omission therefrom of a material fact required to be stated therein or necessary to make the statements therein not misleading; or (ii) any untrue statement or alleged untrue statement of a material fact contained in the Disclosure Package or the Prospectus (or any amendment or supplement thereto), or the omission or alleged omission therefrom of a material fact necessary

in order to make the statements therein, in the light of the circumstances under which they were made, not misleading, and to reimburse each Underwriter and each such controlling person for any and all expenses (including the fees and disbursements of counsel chosen by BofA Securities, Inc.) as such expenses are reasonably incurred by such Underwriter or such controlling person in connection with investigating, defending, settling, compromising or paying any such loss, claim, damage, liability, expense or action; provided, however, that the foregoing indemnity agreement shall not apply to any loss, claim, damage, liability or expense to the extent, but only to the extent, arising out of or based upon any untrue statement or alleged untrue statement or omission or alleged omission made in reliance upon and in conformity with the Underwriter Information. The indemnity agreement set forth in this Section 8(a) shall be in addition to any liabilities that the Company may otherwise have.

(b) Each Underwriter agrees, severally and not jointly, to indemnify and hold harmless the Company, each of its directors, each of its officers who signed the Registration Statement and each person, if any, who controls the Company within the meaning under the Securities Act or the Exchange Act, against any loss, claim, damage, liability or expense, as incurred, to which the Company, or any such director, officer or controlling person may become subject, insofar as such loss, claim, damage, liability or expense (or actions in respect thereof as contemplated below) arises out of or is based upon (i) any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement, or any amendment thereto, or the omission or alleged omission therefrom of a material fact required to be stated therein or necessary to make the statements therein not misleading; or (ii) upon any untrue statement or alleged untrue statement of a material fact contained in the Base Prospectus, the preliminary prospectus, or the Prospectus (or any amendment or supplement thereto), or the omission or alleged omission therefrom of a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading, in each case to the extent, and only to the extent, that such untrue statement or alleged untrue statement or omission or alleged omission was made in the Registration Statement, the Base Prospectus, the preliminary prospectus or the Prospectus (or any amendment or supplement thereto), in reliance upon and in conformity with the Underwriter Information; and to reimburse the Company, or any such director, officer or controlling person for any legal and other expense reasonably incurred by the Company, or any such director, officer or controlling person in connection with investigating, defending, settling, compromising or paying any such loss, claim, damage, liability, expense or action. The Company hereby acknowledges that the only information that the Underwriters have furnished to the Company expressly for use in the Registration Statement, the Disclosure Package or the Prospectus (or any amendment or supplement thereto) are the names of the Underwriters, the sentences relating to concessions and reallowances, the third sentence of the sixth paragraph and the statements set forth in the seventh, eighth and twelfth paragraphs in the preliminary prospectus, and the corresponding statements to be set forth in the Prospectus, all under the caption "Underwriting (Conflicts of Interest)" in the preliminary prospectus and the Prospectus. The indemnity agreement set forth in this Section 8(b) shall be in addition to any liabilities that each Underwriter may otherwise have.

(c) Promptly after receipt by an indemnified party under this Section 8 of notice of the commencement of any action, such indemnified party will, if a claim in respect thereof is to be made against an indemnifying party under this Section 8, notify the indemnifying party in writing of the commencement thereof; but the failure to so notify the indemnifying party

(i) will not relieve it from liability under paragraph (a) or (b) above unless and to the extent it did not otherwise learn of such action and such failure results in the forfeiture by the indemnifying party of substantial rights and defenses and (ii) will not, in any event, relieve the indemnifying party from any liability other than the indemnification obligation provided in paragraph (a) or (b) above. In case any such action is brought against any indemnified party and such indemnified party seeks or intends to seek indemnity from an indemnifying party, the indemnifying party will be entitled to participate in, and, to the extent that it shall elect, jointly with all other indemnifying parties similarly notified, by written notice delivered to the indemnified party promptly after receiving the aforesaid notice from such indemnified party, to assume the defense thereof with counsel satisfactory to such indemnified party; provided, however, that if the defendants in any such action include both the indemnified party and the indemnifying party and the indemnified party shall have reasonably concluded that a conflict may arise between the positions of the indemnifying party and the indemnified party in conducting the defense of any such action or that there may be legal defenses available to it and/or other indemnified parties that are different from or additional to those available to the indemnifying party, the indemnified party or parties shall have the right to select separate counsel to assume such legal defenses and to otherwise participate in the defense of such action on behalf of such indemnified party or parties. Upon receipt of notice from the indemnifying party to such indemnified party of such indemnifying party's election so to assume the defense of such action and approval by the indemnified party of counsel, the indemnifying party will not be liable to such indemnified party under this Section 8 for any legal or other expenses subsequently incurred by such indemnified party in connection with the defense thereof unless (i) the indemnified party shall have employed separate counsel in accordance with the proviso to the preceding sentence (it being understood, however, that the indemnifying party shall not be liable for the expenses of more than one separate counsel (other than local counsel approved by the Representative), representing the indemnified parties who are parties to such action) or (ii) the indemnifying party shall not have employed counsel satisfactory to the indemnified party to represent the indemnified party within a reasonable time after notice of commencement of the action, in each of which cases the fees and expenses of counsel shall be at the expense of the indemnifying party.

(d) The indemnifying party under this Section 8 shall not be liable for any settlement of any proceeding effected without its written consent, but if settled with such consent or if there be a final judgment for the plaintiff, the indemnifying party agrees to indemnify the indemnified party against any loss, claim, damage, liability or expense by reason of such settlement or judgment. No indemnifying party shall, without the prior written consent of the indemnified party, effect any settlement, compromise or consent to the entry of judgment in any pending or threatened action, suit or proceeding in respect of which any indemnified party is or could have been a party and indemnity was or could have been sought hereunder by such indemnified party, unless such settlement, compromise or consent (i) includes an unconditional release of such indemnified party from all liability on claims that are the subject matter of such action, suit or proceeding and (ii) does not include a statement as to or an admission of fault, culpability or a failure to act, by or on behalf of any indemnified party.

(e) If the indemnification provided for in Sections 8(a) through (d) is for any reason unavailable to or otherwise insufficient to hold harmless an indemnified party in respect of any losses, claims, damages, liabilities or expenses referred to therein, then each indemnifying party shall contribute to the aggregate amount paid or payable by such indemnified party, as

incurred, as a result of any losses, claims, damages, liabilities or expenses referred to therein (i) in such proportion as is appropriate to reflect the relative benefits received by the Company, on the one hand, and the Underwriters, on the other hand, from the offering of the Shares pursuant to this Agreement or (ii) if the allocation provided by clause (i) above is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) above but also the relative fault of the Company, on the one hand, and the Underwriters, on the other hand, in connection with the statements or omissions which resulted in such losses, claims, damages, liabilities or expenses, as well as any other relevant equitable considerations. The relative benefits received by the Company, on the one hand, and the Underwriters, on the other hand, in connection with the offering of the Shares pursuant to this Agreement shall be deemed to be in the same respective proportions as the total net proceeds from the offering of the Shares pursuant to this Agreement (before deducting expenses) received by the Company, and the total underwriting discount received by the Underwriters, in each case as set forth on the front cover page of the Prospectus, bear to the aggregate initial public offering price of the Shares as set forth on such cover. The relative fault of the Company, on the one hand, and the Underwriters, on the other hand, shall be determined by reference to, among other things, whether any such untrue or alleged untrue statement of a material fact or omission or alleged omission to state a material fact or any such inaccurate or alleged inaccurate representation or warranty relates to information supplied by the Company, on the one hand, or the Underwriters, on the other hand, and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission.

The amount paid or payable by a party as a result of the losses, claims, damages, liabilities and expenses referred to above shall be deemed to include, subject to the limitations set forth in Section 8(c), any legal or other fees or expenses reasonably incurred by such party in connection with investigating or defending any action or claim. The provisions set forth in Section 8(c) with respect to notice of commencement of any action shall apply if a claim for contribution is to be made under this Section 8; provided, however, that no additional notice shall be required with respect to any action for which notice has been given in accordance with Section 8(c) for purposes of indemnification. The Company and the Underwriters agree that it would not be just and equitable if contribution pursuant to this Section 8(e) were determined by pro rata allocation (even if the Underwriters were treated as one entity for such purpose) or by any other method of allocation which does not take account of the equitable considerations referred to in this Section 8(e).

Notwithstanding the provisions of this Section 8(e), no Underwriter shall be required to contribute any amount in excess of the underwriting discounts received by such Underwriter in connection with the Shares underwritten by it. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) under the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The Underwriters' obligations to contribute pursuant to this Section 8(e) are several, and not joint, in proportion to their respective underwriting commitments as set forth opposite their names in Schedule II. For purposes of this Section 8(e), each person, if any, who controls an Underwriter within the meaning under the Securities Act and the Exchange Act shall have the same rights to contribution as such Underwriter, and each director of the Company, each officer of the Company who signed the Registration Statement and each person, if any, who controls the Company within the meaning under the Securities Act and the Exchange Act shall have the same

rights to contribution as the Company. Any party entitled to contribution will, promptly after receipt of notice of commencement of any action, suit or proceeding against such party in respect of which a claim for contribution may be made against another party or parties under this paragraph (e), notify such party or parties from whom contribution may be sought, as contemplated by the preceding paragraph. However, the omission to so notify such party or parties shall not relieve the party or parties from whom contribution may be sought from any other obligation it or they may have hereunder or otherwise than under this paragraph (e).

9. Default by an Underwriter. If any one or more Underwriters shall fail to purchase and pay for any of the Shares agreed to be purchased by such Underwriter or Underwriters hereunder and such failure to purchase shall constitute a default in the performance of its or their obligations under this Agreement, the remaining Underwriters shall be obligated severally to take up and pay for (in the respective proportions which the amount of Shares set forth opposite their names in Schedule II hereto bear to the aggregate amount of Shares set forth opposite the names of all the remaining Underwriters) the Shares which the defaulting Underwriter or Underwriters agreed but failed to purchase; provided, however, that in the event that the aggregate amount of Shares which the defaulting Underwriter or Underwriters agreed but failed to purchase shall exceed 10% of the aggregate amount of Shares set forth in Schedule II hereto, the remaining Underwriters shall have the right to purchase all, but shall not be under any obligation to purchase any, of the Shares, and if such non-defaulting Underwriters do not purchase all the Shares, this Agreement will terminate without liability to any non-defaulting Underwriter or the Company. In the event of a default by any Underwriter as set forth in this Section 9, the Closing Date shall be postponed for such period, not exceeding seven days, as the Representative shall determine in order that the required changes in the Registration Statement, the Disclosure Package, the preliminary prospectus and the Prospectus or in any other documents or arrangements may be effected. Nothing contained in this Agreement shall relieve any defaulting Underwriter of its liability, if any, to the Company and any non-defaulting Underwriter for damages occasioned by its default hereunder.

10. Termination. This Agreement shall be subject to termination in the absolute discretion of the Representative, by notice given to the Company prior to delivery of and payment for the Shares, if prior to such time (i) trading in securities generally on the NYSE shall have been suspended or limited or minimum prices shall have been established on such exchange, or (ii) a banking moratorium shall have been declared by Federal or New York State authorities or a material disruption in the commercial banking or securities settlement or clearance services in the United States shall have occurred, or (iii) there shall have occurred any outbreak or material escalation of hostilities or other calamity or crisis (in the United States or elsewhere) the effect of which on the financial markets of the United States is such as to make it, in the judgment of the Representative, impracticable to market the Shares.

11. Representations and Indemnities to Survive. The respective agreements, representations, warranties, indemnities and other statements of the Company or its officers and of the Underwriters set forth in or made pursuant to this Agreement will remain in full force and effect, regardless of any investigation made by or on behalf of any Underwriter or the Company or any of the officers, directors or controlling persons referred to in Section 8 hereof, and will survive delivery of and payment for the Shares. The provisions of Section 7 and 8 hereof and this Section 11 shall survive the termination or cancellation of this Agreement.

12. Notices. Unless otherwise provided herein, all notices required under the terms and provisions this Agreement shall be in writing, either delivered by hand, by mail, by electronic mail or by facsimile and shall be effective upon receipt. Notices to the Company or to the Representative shall be delivered to the relevant party at the address specified below.

“Reset Period” means each period from, and including, a Reset Date to, but excluding, the next following Reset Date.

“Senior Stock” means any class or series of stock of the Corporation now existing or hereafter authorized which has preference or priority over the Series OO Preferred Stock as to the payment of dividends or in the distribution of assets on any voluntary or involuntary liquidation, dissolution or winding up of the Corporation.

“Series OO Preferred Stock” shall have the meaning set forth in Section 1 hereof.

Section 4. Dividends.

(a) Rate and Related Provisions. Holders of Series OO Preferred Stock shall be entitled to receive, when, as and if declared by the Board of Directors or any duly authorized committee of the Board of Directors, but only out of funds legally available for the payment of dividends, non-cumulative cash dividends based on the liquidation preference of \$25,000 per share of Series OO Preferred Stock, payable quarterly, in arrears, on the Dividend Payment Dates; provided, however, that if any such day is not a Business Day, then payment of any dividend otherwise payable on that date will be made on the next succeeding day that is a Business Day (unless that day falls in the next calendar year, in which case payment of such dividend will occur on the immediately preceding Business Day), in each case, without any additional dividends accruing or other payment adjustment and the relevant Dividend Period will not be adjusted. Dividends on each share of Series OO Preferred Stock will accrue on the liquidation preference of \$25,000 per share, for each quarterly Dividend Period that occurs: (1) during the period from and including, the Original Issue Date, to, but excluding, the First Reset Date, at a fixed rate equal to 6.625% per annum, and (2) from, and including, the First Reset Date, during each Reset Period, at a rate per annum equal to the Five-Year U.S. Treasury Rate (or then-current Benchmark) as of the most recent Reset Dividend Determination Date, plus a spread of 2.684% per annum.

For any Reset Period commencing on or after the First Reset Date, the “Five-Year U.S. Treasury Rate” means a rate determined in the following manner:

- (1) the average of the yields on actively traded U.S. treasury nominal/non-inflation-indexed securities adjusted to constant maturities, for five-year maturities, for the five Business Days immediately preceding the applicable Reset Dividend Determination Date and appearing (or, if fewer than five Business Days so appear on the applicable Reset Dividend Determination Date, for such number of Business Days appearing) in the most recently published H.15 Daily Update as of 5:00 p.m., New York City Time, on the applicable Reset Dividend Determination Date; or
- (2) if there are no such published yields on actively traded U.S. treasury nominal/non-inflation-indexed securities adjusted to constant maturities, for five-year maturities, then the “Five-Year U.S. Treasury Rate” will be determined by interpolation between the average of the yields on actively traded U.S. treasury nominal/non-inflation-indexed securities adjusted to constant maturities for two series of actively traded U.S. treasury nominal/non-inflation indexed securities, (A) one maturing as close as possible to, but earlier than, the Reset Date following the next succeeding Reset Dividend Determination Date and (B) the other maturing as close as possible to, but later than, the Reset Date following the next succeeding Reset Dividend Determination Date, in each case for the five Business Days immediately preceding the applicable Reset Dividend Determination Date and appearing (or, if fewer than five Business Days so appear on the applicable Reset Dividend Determination Date, for such number of Business Days appearing) in the most recently published H.15 Daily Update as of 5:00 p.m., New York City Time, on the applicable Reset Dividend Determination Date.

In each case, the Five-Year U.S. Treasury Rate will be rounded, if necessary, to the nearest one thousandth of a percentage point, with 0.0005% rounded up to 0.001%.

Notwithstanding the foregoing, if a Rate Substitution Event occurs, and the Corporation or the Corporation’s designee (after consultation with the Corporation) determines that there is a Replacement Rate, then such Replacement Rate will replace the Five-Year U.S. Treasury Rate (or then-current

Benchmark) for all purposes relating to the Series OO Preferred Stock (including for purposes of the definition of “Dividend Rate”) in respect of the determination of the Benchmark on the applicable Reset Dividend Determination Date and all such determinations on all subsequent Reset Dividend Determination Dates. In addition, if a Replacement Rate is utilized as described in the preceding sentence, the Corporation or the Corporation’s designee (after consultation with the Corporation) may adopt or make changes to (1) any Dividend Payment Date, Dividend Period, Reset Date, Reset Period, Reset Dividend Determination Date or business day convention, (2) the manner, timing and frequency of determining rates and amounts of dividends that are payable on the Series OO Preferred Stock and the conventions relating to such determinations, (3) the timing and frequency of making dividend payments, (4) rounding conventions, (5) Benchmark maturities and (6) any other terms or provisions of the Series OO Preferred Stock (including any spread or adjustment factor needed to make such Replacement Rate comparable to the then-current Benchmark), in each case that the Corporation or the Corporation’s designee (after consultation with the Corporation) determines, from time to time, to be appropriate to reflect the determination and implementation of such Replacement Rate in a manner substantially consistent with market practice (or, if the Corporation, the Calculation Agent or the Corporation’s designee (after consultation with the Corporation) determines that implementation of any portion of such market practice is not administratively feasible or if the Corporation or the Corporation’s designee (after consultation with the Corporation) determines that no market practice for use of such Replacement Rate exists, in such other manner as the Corporation or the Corporation’s designee (after consultation with the Corporation) determines is appropriate) (such changes, “*Adjustments*”). If the Corporation or the Corporation’s designee (after consultation with the Corporation) determines that there is no such Replacement Rate, then the Dividend Rate applicable for the applicable Reset Period will be: (a) with respect to the first Reset Period, 6.625% or, (b) with respect to any Reset Period other than the first Reset Period, the Dividend Rate that was applicable for the preceding Reset Period.

With respect to each Reset Period from, and including, the First Reset Date, calculations relating to the Dividend Rate and Five-Year U.S. Treasury Rate will be made by the Calculation Agent. Any determination, decision or election that may be made by the Corporation, the Corporation’s designee, or, in the case of a calculation or determination, the Calculation Agent, pursuant to the provisions of the Series OO Preferred Stock set forth in this Section 4 (including the provisions relating to a Rate Substitution Event) and definitions related thereto, and any decision to take or refrain from taking any action or any selection (1) will be conclusive and binding absent manifest error; (2) will be made in the Corporation’s, or the Calculation Agent’s or the Corporation’s other designee’s sole discretion, except if made by the Calculation Agent or the Corporation’s other designee in connection with the provisions relating to a Rate Substitution Event set forth in this Section 4(a) (and in all cases, with regard to the Calculation Agent, any such determination in connection with such provisions relating to a Rate Substitution Event will be limited solely to administrative feasibility as described in this Section 4(a)); (3) if made by the Calculation Agent or the Corporation’s other designee in connection with the provisions relating to a Rate Substitution Event set forth in this Section 4(a) (as described in the preceding clause (2)), will be made after consultation with the Corporation, and the Corporation’s designee will not make any such determination, decision or election to which the Corporation objects; and (4) shall be deemed incorporated herein by reference and be part of the terms of the Series OO Preferred Stock without consent from the holders of the Series OO Preferred Stock or any other party. Any determination, decision or election pursuant to the provisions relating to a Rate Substitution Event set forth herein not made by the Corporation’s designee will be made by the Corporation on the basis described above in this paragraph. The Corporation may designate an entity (which may be a calculation agent and/or the Corporation’s affiliate) to make any determination, decision or election that the Corporation has the right to make in connection with the foregoing paragraphs. In connection with any Rate Substitution Event, so long as any share of the Series OO Preferred Stock remains outstanding, the Corporation will maintain a record of any Replacement Rate and any Adjustments related thereto, in each case as may be determined in accordance with this Section 4(a), and will provide a copy of such record to holders of the Series OO Preferred Stock upon written request to the Corporation.

The record date for payment of dividends on the Series OO Preferred Stock shall be the fifteenth day of the calendar month immediately preceding the month in which the Dividend Payment Date falls or such other record date fixed by the Board of Directors or a duly authorized committee of the Board of Directors that is not more than 60 calendar days prior to such Dividend Payment Date. The amount of dividends payable for each Dividend Period shall be computed on the basis of a 360-day year of twelve 30-day months. All U.S. dollar amounts used in or resulting from these calculations will be rounded to the nearest cent, with one-half cent being rounded upward. The Calculation Agent's determination of the Dividend Rate applicable for each Reset Period (including its determination of the Five-Year U.S. Treasury Rate or Replacement Rate, as applicable) will be on file at the principal offices of the Corporation, will be made available to any holder of Series OO Preferred Stock upon written request and will be conclusive and binding in the absence of manifest error.

(b) Non-Cumulative Dividends. Dividends on shares of Series OO Preferred Stock shall be non-cumulative. To the extent that any dividends on the shares of Series OO Preferred Stock with respect to any Dividend Period are not declared and paid, in full or otherwise, on the Dividend Payment Date for such Dividend Period, then such unpaid dividends shall not cumulate and shall cease to accrue and be payable, and the Corporation shall have no obligation to pay, and the holders of Series OO Preferred Stock shall have no right to receive, dividends accrued for such Dividend Period on or after the Dividend Payment Date for such Dividend Period or interest with respect to such dividends, whether or not dividends are declared for any subsequent Dividend Period with respect to Series OO Preferred Stock, Parity Stock, Junior Stock or any other class or series of authorized preferred stock of the Corporation.

(c) Priority of Dividends. So long as any share of Series OO Preferred Stock remains outstanding, (i) no dividend shall be declared and paid or set aside for payment and no distribution shall be declared or made or set aside for payment on any Junior Stock, other than a dividend payable solely in shares of Junior Stock, (ii) no shares of Junior Stock shall be repurchased, redeemed or otherwise acquired for consideration by the Corporation, directly or indirectly (other than as a result of a reclassification of Junior Stock for or into other Junior Stock, or the exchange or conversion of one share of Junior Stock for or into another share of Junior Stock, and other than through the use of the proceeds of a substantially contemporaneous sale of other shares of Junior Stock), nor shall any monies be paid to or made available for a sinking fund for the redemption of any such Junior Stock by the Corporation and (iii) no shares of Parity Stock shall be repurchased, redeemed or otherwise acquired for consideration by the Corporation otherwise than pursuant to *pro rata* offers to purchase all, or a *pro rata* portion, of the Series OO Preferred Stock and such Parity Stock except by conversion into or exchange for Junior Stock, in each case, unless full dividends on all outstanding shares of Series OO Preferred Stock for the immediately preceding Dividend Period have been paid in full or declared and a sum sufficient for the payment thereof set aside. The foregoing limitations do not apply to purchases or acquisitions of the Corporation's Junior Stock pursuant to any employee or director incentive or benefit plan or arrangement (including any employment, severance or consulting agreement) of the Corporation or any subsidiary of the Corporation heretofore or hereafter adopted. Subject to the succeeding sentence, for so long as any shares of Series OO Preferred Stock remain outstanding, no dividends shall be declared and paid or set aside for payment on any Parity Stock for any period unless full dividends on all outstanding shares of Series OO Preferred Stock for the immediately preceding Dividend Period have been paid in full or declared and a sum sufficient for the payment thereof set aside. To the extent the Corporation declares dividends on the Series OO Preferred Stock and on any Parity Stock but cannot make full payment of such declared dividends, the Corporation will allocate the dividend payments on a *pro rata* basis among the holders of the shares of Series OO Preferred Stock and the holders of any Parity Stock then outstanding. For purposes of calculating the *pro rata* allocation of partial dividend payments, the Corporation will allocate dividend payments based on the ratio between the then-current dividend payments due on the shares of Series OO Preferred Stock and the aggregate of the current and accrued dividends due on the outstanding Parity Stock. No interest will be payable in respect of any dividend payment on shares of Series OO Preferred Stock that may be in arrears. Subject to the foregoing, and not

otherwise, such dividends (payable in cash, stock or otherwise) as may be determined by the Board of Directors or any duly authorized committee of the Board of Directors may be declared and paid on any Junior Stock from time to time out of any funds legally available therefor, and the shares of Series OO Preferred Stock shall not be entitled to participate in any such dividend.

Section 5. Liquidation Rights.

(a) Liquidation. In the event of any voluntary or involuntary liquidation, dissolution or winding up of the affairs of the Corporation, holders of Series OO Preferred Stock shall be entitled, out of assets legally available for distribution to stockholders of the Corporation, before any distribution or payment out of the assets of the Corporation may be made to or set aside for the holders of any Junior Stock and subject to the rights of the holders of any class or series of securities ranking senior to or on parity with Series OO Preferred Stock upon liquidation and the rights of the Corporation's depositors and other creditors, to receive in full a liquidating distribution in the amount of the liquidation preference of \$25,000 per share, plus any dividends for the then-current Dividend Period which have been declared but not yet paid, without accumulation of any undeclared dividends, to the date of liquidation. The holders of Series OO Preferred Stock shall not be entitled to any further payments in the event of any such voluntary or involuntary liquidation, dissolution or winding up of the affairs of the Corporation other than what is expressly provided for in this Section 5.

(b) Partial Payment. If the assets of the Corporation are not sufficient to pay in full the liquidation preference plus any dividends which have been declared but not yet paid to all holders of Series OO Preferred Stock and all holders of any Parity Stock, the amounts paid to the holders of Series OO Preferred Stock and to the holders of all Parity Stock shall be *pro rata* in accordance with the respective aggregate liquidation preferences, plus any dividends which have been declared but not yet paid, of Series OO Preferred Stock and all such Parity Stock.

(c) Residual Distributions. If the liquidation preference plus any dividends which have been declared but not yet paid has been paid in full to all holders of Series OO Preferred Stock and all holders of any Parity Stock, the holders of Junior Stock shall be entitled to receive all remaining assets of the Corporation according to their respective rights and preferences.

(d) Merger, Consolidation and Sale of Assets Not Liquidation. For purposes of this Section 5, the sale, conveyance, exchange or transfer (for cash, shares of stock, securities or other consideration) of all or substantially all of the property and assets of the Corporation shall not be deemed a voluntary or involuntary dissolution, liquidation or winding up of the affairs of the Corporation, nor shall the merger, consolidation or any other business combination transaction of the Corporation into or with any other corporation or person or the merger, consolidation or any other business combination transaction of any other corporation or person into or with the Corporation be deemed to be a voluntary or involuntary dissolution, liquidation or winding up of the affairs of the Corporation.

Section 6. Redemption.

(a) Optional Redemption. The Corporation, at the option of its Board of Directors or any duly authorized committee of the Board of Directors, may redeem out of funds legally available therefor, (i) in whole or in part, the shares of Series OO Preferred Stock at the time outstanding, on any Dividend Payment Date on or after the First Reset Date or (ii) in whole but not in part, at any time within 90 days after a Capital Treatment Event, in each case upon notice given as provided in Section 6(b) below. The redemption price for shares of Series OO Preferred Stock redeemed pursuant to (i) or (ii) of the preceding sentence shall be \$25,000 per share plus (except as otherwise provided below) dividends that have accrued but have not been paid for the then-current Dividend Period to but excluding the redemption date, without accumulation of any undeclared dividends. Any declared but unpaid dividends

payable on a redemption date that occurs subsequent to the record date for a Dividend Period shall not be paid to the holder entitled to receive the redemption price on the redemption date, but rather shall be paid to the holder of record of the redeemed shares on such record date relating to the Dividend Payment Date as provided in Section 4 above.

(b) Notice of Redemption. Notice of every redemption of shares of Series OO Preferred Stock shall be mailed by first class mail, postage prepaid, addressed to the holders of record of such shares to be redeemed at their respective last addresses appearing on the stock register of the Corporation. Such mailing shall be at least 5 Business Days and not more than 60 calendar days before the date fixed for redemption. Any notice mailed as provided in this Section 6(b) shall be conclusively presumed to have been duly given, whether or not the holder receives such notice, but failure duly to give such notice by mail, or any defect in such notice or in the mailing thereof, to any holder of shares of Series OO Preferred Stock designated for redemption shall not affect the validity of the proceedings for the redemption of any other shares of Series OO Preferred Stock. Each notice shall state (i) the redemption date; (ii) the number of shares of Series OO Preferred Stock to be redeemed and, if fewer than all the shares held by such holder are to be redeemed, the number of such shares to be redeemed from such holder; (iii) the redemption price; (iv) the place or places where the certificates for such shares are to be surrendered for payment of the redemption price; and (v) that dividends on the shares to be redeemed will cease to accrue on the redemption date. Notwithstanding the foregoing, if the Series OO Preferred Stock is held in book-entry form through DTC, the Corporation may give such notice in any manner permitted by DTC.

(c) Partial Redemption. In case of any redemption of only part of the shares of Series OO Preferred Stock at the time outstanding, the shares of Series OO Preferred Stock to be redeemed shall be selected either *pro rata* from the holders of record of Series OO Preferred Stock in proportion to the number of Series OO Preferred Stock held by such holders or by lot. Subject to the provisions of this Section 6, the Board of Directors or any duly authorized committee of the Board of Directors shall have full power and authority to prescribe the terms and conditions upon which shares of Series OO Preferred Stock shall be redeemed from time to time.

(d) Effectiveness of Redemption. If notice of redemption has been duly given and if on or before the redemption date specified in the notice all funds necessary for the redemption have been set aside by the Corporation, separate and apart from its other funds, in trust for the *pro rata* benefit of the holders of the shares called for redemption, so as to be and continue to be available therefor, or deposited by the Corporation with a bank or trust company selected by the Board of Directors or any duly authorized committee of the Board of Directors (the "*Depository Company*") in trust for the *pro rata* benefit of the holders of the shares called for redemption, then, notwithstanding that any certificate for any share so called for redemption has not been surrendered for cancellation, on and after the redemption date all shares so called for redemption shall cease to be outstanding, all dividends with respect to such shares shall cease to accrue, and all rights with respect to such shares shall forthwith on such redemption date cease and terminate, except only the right of the holders thereof to receive the amount payable on such redemption from the Corporation or such bank or trust company at any time after the redemption date from the funds so set aside or deposited, without interest. The Corporation shall be entitled to receive, from time to time, from the Depository Company any interest accrued on such funds, and the holders of any shares called for redemption shall have no claim to any such interest. Any funds so deposited and unclaimed at the end of three years from the redemption date shall, to the extent permitted by law, be released or repaid to the Corporation, and in the event of such repayment to the Corporation, the holders of record of the shares so called for redemption shall be deemed to be unsecured creditors of the Corporation for an amount equivalent to the amount set aside or deposited as stated above for the redemption of such shares and so repaid to the Corporation, but shall in no event be entitled to any interest.

Section 7. Voting Rights.

(a) **General.** The holders of Series OO Preferred Stock shall not be entitled to vote on any matter except as set forth in paragraphs 7(b) and 7(c) below or as required by law.

(b) Special Voting Right.

(i) **Voting Right.** If and whenever dividends on the Series OO Preferred Stock or any other class or series of preferred stock that ranks on parity with Series OO Preferred Stock as to payment of dividends, and upon which voting rights equivalent to those granted by this Section 7(b)(i) have been conferred and are exercisable, have not been paid in an aggregate amount equal to, as to any class or series, the equivalent of at least six or more quarterly Dividend Periods (whether consecutive or not), the number of directors constituting the Board of Directors shall be increased by two, and the holders of the Series OO Preferred Stock (together with holders of any class of the Corporation's authorized preferred stock having equivalent voting rights, whether or not the holders of such preferred stock would be entitled to vote for the election of directors if such default in dividends did not exist), shall have the right, voting separately as a single class without regard to series, to the exclusion of the holders of common stock, to elect two directors of the Corporation to fill such newly created directorships (and to fill any vacancies in the terms of such directorships), provided that the election of such directors must not cause the Corporation to violate the corporate governance requirements of the New York Stock Exchange (or other exchange on which the Corporation's securities may be listed) that listed companies must have a majority of independent directors and further provided that the Board of Directors shall at no time include more than two such directors. Each such director elected by the holders of shares of Series OO Preferred Stock and any other class or series of preferred stock that ranks on parity with Series OO Preferred Stock as to payment of dividends having equivalent voting rights is a "*Preferred Director*."

(ii) **Election.** The election of the Preferred Directors will take place at any annual meeting of stockholders or any special meeting of the holders of Series OO Preferred Stock and any other class or series of the Corporation's stock that ranks on parity with Series OO Preferred Stock as to payment of dividends and having equivalent voting rights and for which dividends have not been paid, called as provided herein. At any time after the special voting power has vested pursuant to Section 7(b)(i) above, the secretary of the Corporation may, and upon the written request of any holder of Series OO Preferred Stock (addressed to the secretary at the Corporation's principal office) must (unless such request is received less than 90 days before the date fixed for the next annual or special meeting of the stockholders, in which event such election shall be held at such next annual or special meeting of stockholders), call a special meeting of the holders of Series OO Preferred Stock and any other class or series of preferred stock that ranks on parity with Series OO Preferred Stock as to payment of dividends and having equivalent voting rights and for which dividends have not been paid for the election of the two directors to be elected by them as provided in Section 7(b)(iii) below. The Preferred Directors shall each be entitled to one vote per director on any matter.

(iii) **Notice of Special Meeting.** Notice for a special meeting to elect the Preferred Directors will be given in a similar manner to that provided in the Corporation's Bylaws for a special meeting of the stockholders. If the secretary of the Corporation does not call a special meeting within 20 days after receipt of any such request, then any holder of Series OO Preferred Stock may (at the Corporation's expense) call such meeting, upon notice as provided in this Section 7(b)(iii), and for that purpose will have access to the stock register of the Corporation. The Preferred Directors elected at any such special meeting will hold office until the next annual meeting of the Corporation's stockholders unless they have been previously

terminated or removed pursuant to Section 7(b)(iv). In case any vacancy in the office of a Preferred Director occurs (other than prior to the initial election of the Preferred Directors), the vacancy may be filled by the written consent of the Preferred Director remaining in office, or if none remains in office, by the vote of the holders of the Series OO Preferred Stock (together with holders of any other class of the Corporation's authorized preferred stock having equivalent voting rights, whether or not the holders of such preferred stock would be entitled to vote for the election of directors if such default in dividends did not exist) to serve until the next annual meeting of the stockholders.

(iv) Termination; Removal. Whenever full dividends have been paid regularly on the Series OO Preferred Stock and any other class or series of preferred stock that ranks on parity with Series OO Preferred Stock as to payment of dividends, if any, for the equivalent of at least four quarterly Dividend Periods, then the right of the holders of Series OO Preferred Stock to elect the Preferred Directors will cease (but subject always to the same provisions for the vesting of the special voting rights in the case of any similar non-payment of dividends in respect of future Dividend Periods). The terms of office of the Preferred Directors will immediately terminate, and the number of directors constituting the Board of Directors will be reduced accordingly. Any Preferred Director may be removed at any time without cause by the holders of record of a majority of the outstanding shares of the Series OO Preferred Stock (together with holders of any other class of the Corporation's authorized preferred stock having equivalent voting rights, whether or not the holders of such preferred stock would be entitled to vote for the election of directors if such default in dividends did not exist) when they have the voting rights described in this Section 7(b).

(c) Other Voting Rights. So long as any shares of the Series OO Preferred Stock remain outstanding, the Corporation shall not, without the affirmative vote or consent of the holders of at least 66 $\frac{2}{3}$ % of the voting power of the Series OO Preferred Stock and the holders of any other Parity Stock entitled to vote thereon, voting together as a single class, given in person or by proxy, either in writing without a meeting or at any meeting called for the purpose, authorize, create or issue any capital stock ranking senior to the Series OO Preferred Stock as to dividends or the distribution of assets upon liquidation, dissolution or winding up, or reclassify any authorized capital stock into any such shares of such capital stock or issue any obligation or security convertible into or evidencing the right to purchase any such shares of capital stock. Further, so long as any shares of the Series OO Preferred Stock remain outstanding, the Corporation shall not, without the affirmative vote of the holders of at least 66 $\frac{2}{3}$ % of the shares of the Series OO Preferred Stock, amend, alter or repeal any provision of this Certificate of Designations or the Restated Certificate of Incorporation of the Corporation, including by merger, consolidation or otherwise, so as to adversely affect the powers, preferences or special rights of the Series OO Preferred Stock.

Notwithstanding the foregoing, (i) any increase in the amount of authorized common stock or authorized preferred stock, or any increase or decrease in the number of shares of any series of preferred stock, or the authorization, creation and issuance of other classes or series of capital stock, in each case ranking on a parity with or junior to the shares of the Series OO Preferred Stock as to dividends and distribution of assets upon liquidation, dissolution or winding up, shall not be deemed to adversely affect such powers, preferences or special rights and (ii) a merger or consolidation of the Corporation with or into another entity in which the shares of the Series OO Preferred Stock (A) remain outstanding or (B) are converted into or exchanged for preference securities of the surviving entity or any entity, directly or indirectly, controlling such surviving entity and such new preference securities have powers, preferences or special rights that are not materially less favorable than the Series OO Preferred Stock, shall not be deemed to adversely affect the powers, preferences or special rights of the Series OO Preferred Stock.

(d) No Vote if Shares Redeemed. No vote or consent of the holders of the Series OO Preferred Stock shall be required pursuant to Section 7(b) or 7(c) if, at or prior to the time when the act with respect to such vote or consent would otherwise be required shall be effected, the Corporation shall have redeemed or shall have called for redemption all outstanding shares of Series OO Preferred Stock, with proper notice and sufficient funds having been set aside or deposited for such redemption, in each case pursuant to Section 6 above.

(e) Procedures for Voting and Consents. Other than as set forth in Section 7(b), the rules and procedures for calling and conducting any meeting of the holders of Series OO Preferred Stock (including, without limitation, the fixing of a record date in connection therewith), the solicitation and use of proxies at such meeting, the obtaining of written consents and any other aspect or matter with regard to such a meeting or such consents shall be governed by any rules the Board of Directors or any duly authorized committee of the Board of Directors, in its discretion, may adopt from time to time, which rules and procedures shall conform to the requirements of the Restated Certificate of Incorporation and Bylaws of the Corporation and to applicable law.

Section 8. Preemption and Conversion . The holders of Series OO Preferred Stock shall not have any rights of preemption or rights to convert such Series OO Preferred Stock into shares of any other class of capital stock of the Corporation.

Section 9. Rank . Notwithstanding anything set forth in the Restated Certificate of Incorporation or this Certificate of Designations to the contrary, the Board of Directors or any authorized committee of the Board of Directors, without the vote of the holders of the Series OO Preferred Stock, may authorize and issue additional shares of Junior Stock or Parity Stock.

Section 10. Repurchase . Subject to the limitations imposed herein, the Corporation may purchase and sell Series OO Preferred Stock from time to time to such extent, in such manner, and upon such terms as the Board of Directors or any duly authorized committee of the Board of Directors may determine; provided, however, that the Corporation shall not use any of its funds for any such purchase when there are reasonable grounds to believe that the Corporation is, or by such purchase would be, rendered insolvent.

Section 11. Unissued or Reacquired Shares . Shares of Series OO Preferred Stock not issued or which have been issued and converted, redeemed or otherwise purchased or acquired by the Corporation shall be restored to the status of authorized but unissued shares of preferred stock without designation as to series.

Section 12. No Sinking Fund . Shares of Series OO Preferred Stock are not subject to the operation of a sinking fund.

ARTICLE II
APPOINTMENT OF DEPOSITORY; BOOK-ENTRY SYSTEM; FORM OF RECEIPTS;
DEPOSIT OF STOCK; EXECUTION AND DELIVERY; TRANSFER, SURRENDER
AND REDEMPTION OF RECEIPTS

Section 2.1. Appointment of Depository

The Corporation hereby appoints Computershare and Trust Company, collectively, as Depository for the Stock, and each of Computershare and Trust Company hereby accepts such appointment as Depository for the Stock, on the terms and conditions set forth in this Agreement.

Section 2.2. Book-Entry System; Form and Transfer of Receipts.

The Corporation and the Depository shall make application to The Depository Trust Company (“DTC”) for acceptance of all of the Receipts for its book-entry settlement system. The Corporation hereby appoints the Depository acting through any authorized officer thereof as its attorney-in-fact, with full power to delegate, for purposes of executing any agreements, certifications or other instruments or documents necessary or desirable in order to effect the acceptance of such Receipts for DTC eligibility. So long as the Receipts are eligible for book-entry settlement with DTC, unless otherwise required by law, all Depository Shares with book-entry settlement through DTC shall be represented by a single receipt (the “DTC Receipt”), which shall be deposited with DTC (or its designee) evidencing all such Depository Shares and registered in the name of the nominee of DTC (initially expected to be Cede & Co.). The Depository or such other entity as is agreed to by DTC may hold the DTC Receipt as custodian for DTC. Ownership of beneficial interests in the DTC Receipt shall be shown on, and the transfer of such ownership shall be effected through, records maintained by (i) DTC or its nominee for such DTC Receipt or (ii) institutions that have accounts with DTC. The DTC Receipt shall bear such legend or legends as may be required by DTC in order for it to accept the Depository Shares for its book-entry settlement system.

If DTC subsequently ceases to make its book-entry settlement system available for the Receipts, the Corporation may instruct the Depository regarding making other arrangements for book-entry settlement. If the Receipts are not eligible for book-entry form, the Depository shall provide written instructions to DTC to deliver the DTC Receipt to the Depository for cancellation and the Corporation shall instruct the Depository to deliver to the beneficial owners of the Depository Shares previously evidenced by the DTC Receipt definitive Receipts in physical form evidencing such Depository Shares.

Beneficial owners of Depository Shares through DTC will not be entitled to receive Receipts in physical, certificated form or have Depository Shares registered in their name, except as described below.

The DTC Receipt shall be exchangeable for definitive Receipts only if (i) DTC notifies the Corporation at any time that it is unwilling or unable to continue to make its book-entry settlement available for the Receipts and a successor to DTC is not appointed by the Corporation within 90 days of the date the Corporation is so informed in writing, (ii) DTC notifies the Corporation at any time that it has ceased to be a clearing agency registered under applicable law and a successor to DTC is not appointed within 90 days of the date the Corporation is so informed in writing, or (iii) the Corporation in its sole discretion notifies the Depository in writing that the DTC Receipt shall be exchangeable for definitive Receipts. If beneficial owners of interests in Depository Shares are entitled to exchange such interests for definitive Receipts as the result of an event described in clause (i), (ii) or (iii) of the preceding sentence, then without unnecessary delay but in any event not later than the earliest date on which such beneficial interests may be so exchanged, upon receipt by the Depository of the DTC Receipt for cancellation and any other necessary documentation, the Depository is hereby directed to and shall execute and deliver to the beneficial owners of the Depository Shares previously evidenced by the DTC Receipt definitive Receipts in physical form evidencing such Depository Shares and to make appropriate entries in the register with respect thereto.

Receipts shall be in denominations of any number of whole Depositary Shares. The Corporation shall deliver to the Depository from time to time such quantities of Receipts as the Depository may request to enable the Depository to perform its obligations under this Agreement.

The DTC Receipt and definitive Receipts, if any, shall be substantially in the form set forth in Exhibit A annexed to this Agreement and incorporated herein by reference, with appropriate insertions, modifications and omissions, as hereinafter provided and shall be engraved or otherwise prepared so as to comply with applicable rules of any securities exchange on which the Depositary Shares are then listed. In the case of any of the events described above resulting in the issuance of definitive Receipts in exchange for the DTC Receipt, the Depository, pending preparation of definitive Receipts and upon the written order of the Corporation, delivered in compliance with Section 2.3, shall execute and deliver temporary Receipts which may be printed, lithographed or otherwise substantially of the tenor of the definitive Receipts in lieu of which they are issued and with such appropriate insertions, omissions, substitutions and other variations as the persons executing such Receipts may determine, as evidenced by their execution of such Receipts. If temporary Receipts are issued, the Corporation and the Depository will cause definitive Receipts to be prepared without unreasonable delay. After the preparation of definitive Receipts, the temporary Receipts shall be exchangeable by the Holder for definitive Receipts upon surrender of the temporary Receipts at an office described in the first paragraph of Section 2.3, without charge to the Holder. Upon surrender for cancellation of any one or more temporary Receipts, the Depository shall execute and deliver in exchange therefor definitive Receipts representing the same number of Depositary Shares as represented by the surrendered temporary Receipt or Receipts. Such exchange shall be made at the Corporation's expense and without any charge therefor to the Holder or the Depository. Until so exchanged, the temporary Receipts shall in all respects be entitled to the same benefits under this Agreement as definitive Receipts.

Receipts shall be executed by the Depository by the manual or facsimile signature of a duly authorized officer of the Depository; provided that, if a Registrar for the Receipts (other than the Trust Company) shall have been appointed, such Receipts shall also be countersigned by manual or facsimile signature of a duly authorized officer of such Registrar. No Receipt shall be entitled to any benefits under this Agreement or be valid or obligatory for any purpose unless it shall have been executed as described in the preceding sentence. The Registrar shall record on its books each Receipt so signed and delivered as hereinafter provided. Receipts bearing the manual or facsimile signature of a duly authorized signatory of the Depository who was at any time a proper and duly authorized signatory of the Depository shall bind the Depository, notwithstanding that such signatory ceased to hold such office prior to the delivery of such Receipts or did not hold such office on the date of issuance of such receipts.

Receipts may be endorsed with, or have incorporated in the text thereof, such legends or recitals or changes not inconsistent with the provisions of this Agreement all as may be required by the Corporation or required to comply with any applicable law or any regulation thereunder or with the rules and regulations of any securities exchange upon which the Stock, the Depositary Shares or the Receipts may be listed or to conform with any usage with respect thereto, or to indicate any special limitations or restrictions to which any particular Receipts are subject.

Title to Depositary Shares evidenced by a Receipt which is properly endorsed, or accompanied by a properly executed instrument of transfer, shall be transferable by delivery with the same effect as in the case of a negotiable instrument; provided, however, that until transfer of any particular Receipt shall be registered on the books of the Registrar as provided in Section 2.4, the Depository may, notwithstanding any notice to the contrary, treat the Record Holder thereof at such time as the absolute owner thereof for the purpose of determining the person entitled to distributions of dividends or other distributions or to any notice provided for in this Agreement and for all other purposes.

Section 2.3. Deposit of Stock; Execution and Delivery of Receipts.

Subject to the terms and conditions of this Agreement, the Corporation may from time to time deposit shares of Stock under this Agreement by delivery to the Depository, including via electronic book-entry, for such shares of Stock to be deposited (or in such other manner as may be agreed to by the Corporation and the Depository), properly endorsed or accompanied, if required by the Depository, by a duly executed instrument of transfer or endorsement, in form satisfactory to the Depository, together with (i) all such certifications as may be required by the Depository in accordance with the provisions of this Agreement, including the resolutions of the Board of Directors of the Corporation or a committee of the Board of Directors, as certified by the Secretary or any Assistant Secretary of the Corporation on the date thereof as being complete, accurate and in effect, relating to issuance and sale of the Stock, (ii) an opinion of counsel to the Corporation addressed to the Depository containing opinions, or a letter of counsel to the Corporation authorizing reliance on such counsel's opinions delivered to the underwriters named therein, relating to, (A) the existence and good standing of the Corporation, (B) the due authorization of the shares of Stock and the status of the shares of Stock as validly issued, fully paid and non-assessable, (C) the due authorization of the Corporation's deposit of the shares of Stock in respect of the Depositary Shares and representation by the Depositary Shares of legal and valid interests in the shares of Stock, (D) the entitlement of holders of the Receipts to the rights under and benefits of this Agreement and the Receipts and (E) the effectiveness of any registration statement under the Securities Act relating to the Depositary Shares, and (iii) a written order of the Corporation, directing the Depository to execute and deliver to, or upon the written order of, the person or persons stated in such order a Receipt or Receipts for the number of Depositary Shares representing such deposited Stock. Shares of deposited Stock shall be held by the Depository in an account to be established by the Depository at the Depository's Office, or at such other place or places as the Depository shall determine. As Registrar and Transfer Agent for the deposited Stock, Trust Company will reflect changes in the number of shares of deposited Stock held by it by notation, book-entry or other appropriate method.

Upon receipt by the Depository of shares of Stock deposited in accordance with the provisions of this Section 2.3, together with the other documents required as above specified, and upon registering the Stock on the books of the Corporation (or its duly appointed Transfer Agent) in the name of the Depository or its nominee, the Depository, subject to the terms and conditions of this Agreement, shall execute and deliver to, or upon the order of, the person or persons named in the written order delivered to the Depository referred to in the first paragraph of this Section 2.3, a Receipt or Receipts evidencing in the aggregate the number of Depositary Shares representing the Stock so deposited and registered in such name or names as may be requested by such person or persons. The Depository shall execute and deliver such Receipt or

Receipts at the Depository's Office or such other offices, if any, as the Depository may designate. Delivery at other offices shall be at the risk and expense of the person requesting such delivery.

Section 2.4. Registration of Transfer of Receipts.

Subject to the terms and conditions of this Agreement, the Trust Company, as Registrar and Transfer Agent for the Receipts, shall register on its books from time to time transfers of Receipts upon any surrender thereof by the Holder in person or by duly authorized attorney, properly endorsed or accompanied by a properly executed instrument of transfer, including a guarantee of the signature thereon from an eligible guarantor institution participating in a signature guarantee program approved by the Securities Transfer Association, Inc. (the "Signature Guarantee"), and any other evidence of authority as may be reasonably required by the Trust Company (or successor Registrar or Transfer Agent). Thereupon, the Depository shall execute a new Receipt or Receipts evidencing the same aggregate number of Depository Shares as those evidenced by the Receipt or Receipts surrendered and deliver such new Receipt or Receipts to or upon the order of the person entitled thereto.

Section 2.5. Split-ups and Combinations of Receipts; Surrender of Receipts and Withdrawal of Stock.

Upon surrender of a Receipt or Receipts at the Depository's Office or at such other offices as it may designate for the purpose of effecting a split-up or combination of such Receipt or Receipts, and subject to the terms and conditions of this Agreement, the Depository shall execute a new Receipt or Receipts in the authorized denomination or denominations requested, evidencing the aggregate number of Depository Shares evidenced by the Receipt or Receipts surrendered, and shall deliver such new Receipt or Receipts to or upon the order of the Holder of the Receipt or Receipts so surrendered.

Any Holder of a Receipt or Receipts may withdraw the number of whole shares of Stock and all money represented thereby by surrendering such Receipt or Depository Shares represented by the Receipts at the Depository's Office or at such other offices as the Depository may designate for such withdrawals. Thereafter, without unreasonable delay, the Depository shall deliver to such Holder, or to the person or persons designated by such Holder as hereinafter provided, the number of whole shares of Stock and all money represented by the Receipt or Receipts, or Depository Shares represented by such Receipt or Receipts, so surrendered for withdrawal, but Holders of such whole shares of Stock will not thereafter be entitled to deposit such Stock hereunder or to receive a Receipt evidencing Depository Shares therefor. If a Receipt delivered by the Holder to the Depository in connection with such withdrawal shall evidence a number of Depository Shares in excess of the number of Depository Shares representing the number of whole shares of Stock to be withdrawn, the Depository shall at the same time, in addition to such number of whole shares of Stock and such money to be so withdrawn, deliver to such Holder, or subject to Section 2.4 upon his order, a new Receipt evidencing such excess number of Depository Shares; provided, however, that the Depository shall not issue any Receipt evidencing a fractional Depository Share.

Delivery of the Stock and money being withdrawn may be made by the delivery of such certificates, documents of title and other instruments as the Depository may deem appropriate (or in such other manner as may be agreed to by the Corporation and the Depository), which, if required by the Depository, shall be properly endorsed or accompanied by proper instruments of transfer including, but not limited to, a Signature Guarantee.

If the Stock and the money being withdrawn are to be delivered to a person or persons other than the Record Holder of the related Receipt or Receipts being surrendered for withdrawal of such Stock, such Holder shall execute and deliver to the Depository a written order so directing the Depository, and the Depository may require that the Receipt or Receipts surrendered by such Holder for withdrawal of such shares of Stock be properly endorsed in blank or accompanied by a properly executed instrument of transfer in blank.

Delivery of the Stock and the money represented by Receipts surrendered for withdrawal shall be made by the Depository at the Depository's Office, except that, at the request, risk and expense of the Holder surrendering such Receipt or Receipts and for the account of the Holder thereof, such delivery may be made at such other place as may be designated by such Holder.

Section 2.6. Limitations on Execution and Delivery, Transfer, Surrender and Exchange of Receipts.

As a condition precedent to the execution and delivery, registration of transfer, split-up, combination, surrender or exchange of any Receipt, the Depository, any of the Depository's Agents or the Corporation may require payment to it of a sum sufficient for the payment (or, in the event that the Depository or the Corporation shall have made such payment, the reimbursement to it) of any charges or expenses payable by the Holder of a Receipt pursuant to Sections 3.2 and 5.7, may require the production of evidence satisfactory to it as to the identity and genuineness of any signature, including a Signature Guarantee, and may also require compliance with such regulations, if any, as the Depository or the Corporation may establish consistent with the provisions of this Agreement and applicable law and as may be required by any securities exchange on which the Stock, the Depository Shares or the Receipts may be listed.

The deposit of the Stock may be refused, the delivery of Receipts against Stock may be suspended, the registration of transfer of Receipts may be refused and the registration of transfer, surrender or exchange of outstanding Receipts may be suspended (i) during any period when the register of stockholders of the Corporation is closed or (ii) if any such action is deemed necessary or advisable by the Depository, any of the Depository's Agents or the Corporation at any time or from time to time because of any requirement of law or of any government or governmental body or commission or under any provision of this Agreement.

Section 2.7. Lost Receipts, etc.

In case any Receipt shall be mutilated, destroyed, lost or stolen, the Depository in its discretion may execute and deliver a Receipt of like form and tenor in exchange and substitution for such mutilated Receipt upon cancellation thereof, or in lieu of and in substitution for such destroyed, lost or stolen Receipt, upon (i) the filing by the Holder thereof with the Depository of evidence satisfactory to the Depository of such destruction or loss or theft of such Receipt, of the

authenticity thereof and of his or her ownership thereof; (ii) the Holder thereof furnishing of the Depository with reasonable indemnification satisfactory to the Depository and the provision of an open penalty surety bond satisfactory to the Depository and holding it and the Corporation harmless; and (iii) the payment of any reasonable expense (including reasonable fees, charges and expenses of the Depository) in connection with such execution and delivery.

Section 2.8. Cancellation and Destruction of Surrendered Receipts.

All Receipts surrendered to the Depository or any Depository's Agent shall be cancelled by the Depository. Except as prohibited by applicable law or regulation, the Depository is authorized and directed to destroy all Receipts so cancelled.

Section 2.9. Redemption of Stock.

Whenever the Corporation shall be permitted and shall elect to redeem shares of Stock in accordance with the terms of the Certificate, it shall (unless otherwise agreed to in writing with the Depository) give or cause to be given to the Depository, not less than 5 business days and not more than 60 days prior to the Redemption Date (as defined below), notice of the date of such proposed redemption of Stock and of the number of such shares held by the Depository to be so redeemed and the applicable redemption price, which notice shall be accompanied by a certificate from the Corporation stating that such redemption of Stock is in accordance with the provisions of the Certificate. On the Redemption Date, provided that the Corporation shall then have paid or caused to be paid in full to Computershare the redemption price of the Stock to be redeemed, which redemption price shall include, if required by the provisions of the Certificate, an amount equal to any accrued and unpaid dividends thereon to the date fixed for redemption and any other applicable amounts, all in accordance with the provisions of the Certificate, the Depository shall redeem the number of Depository Shares representing such Stock. The Depository shall mail notice of the Corporation's redemption of Stock and the proposed simultaneous redemption of the number of Depository Shares representing the Stock to be redeemed by first-class mail, postage prepaid (or another reasonably acceptable transmission method), not less than 5 business days and not more than 60 days prior to the date fixed for redemption of such Stock and Depository Shares (the "Redemption Date"), to the Record Holders of the Receipts evidencing the Depository Shares to be so redeemed at their respective last addresses as they appear on the records of the Depository (*provided that*, if the Depository Shares are held through DTC, the Depository shall give such notice in accordance with the procedures of DTC); but neither failure to mail any notice of redemption of Depository Shares to one or more Holders nor any defect in any notice of redemption of Depository Shares to one or more Holders shall affect the sufficiency of the proceedings for redemption as to the other Holders. Each notice shall be prepared by the Corporation and shall state: (i) the Redemption Date; (ii) the number of Depository Shares to be redeemed and, if less than all the Depository Shares held by any Holder are to be redeemed, the number of Depository Shares held by such Holder to be so redeemed; (iii) the redemption price; (iv) the place or places where Receipts evidencing such Depository Shares are to be surrendered for payment of the redemption price; and (v) that dividends in respect of the Stock represented by the Depository Shares to be redeemed will cease to accrue on such Redemption Date. In case less than all the outstanding Depository Shares are to be redeemed, the Depository Shares to be so redeemed shall be selected either pro rata or by lot.

Notice having been mailed (or transmitted) by the Depository as aforesaid, from and after the Redemption Date (unless the Corporation shall have failed to provide the funds necessary to redeem the Stock evidenced by the Depository Shares called for redemption) (i) dividends on the shares of Stock so called for Redemption shall cease to accrue from and after such date, (ii) the Depository Shares being redeemed from such proceeds shall be deemed no longer to be outstanding, (iii) all rights of the Holders of Receipts evidencing such Depository Shares (except the right to receive the redemption price) shall, to the extent of such Depository Shares, cease and terminate, and (iv) upon surrender in accordance with such redemption notice of the Receipts evidencing any such Depository Shares called for redemption (properly endorsed or assigned for transfer, if the Depository or applicable law shall so require), such Depository Shares shall be redeemed by Computershare at a redemption price per Depository Share equal to one one-twenty-fifth of the redemption price per share of Stock so redeemed plus all money represented by such Depository Shares, including, if required by the provisions of the Certificate, all amounts paid by the Corporation in respect of dividends which on the Redemption Date have been declared on the shares of Stock to be so redeemed and have not theretofore been paid.

If fewer than all of the Depository Shares evidenced by a Receipt are called for redemption, the Depository will deliver to the Holder of such Receipt upon its surrender to the Depository, together with the redemption payment, a new Receipt evidencing the Depository Shares evidenced by such prior Receipt and not called for redemption; provided, however, that the Depository shall not issue any Receipt evidencing a fractional Depository Share and cash will be payable in respect of fractional interests.

Computershare shall, to the extent permitted by law, release or repay to the Corporation any funds deposited by or for the account of the Corporation for the purpose of redeeming any Depository Shares that remain unclaimed at the end of three years from the applicable Redemption Date, without further action necessary on the part of the Corporation.

Section 2.10. Deposits.

All funds received by Computershare under this Agreement that are to be distributed or applied by Computershare in the performance of services hereunder (the "Funds") shall be held by Computershare as agent for the Corporation and deposited in one or more bank accounts to be maintained by Computershare in its name as agent for the Corporation. Until paid pursuant to this Agreement, Computershare may hold or invest the Funds through such accounts in: (i) obligations of, or guaranteed by, the United States of America, (ii) commercial paper obligations rated A-1 or P-1 or better by Standard & Poor's Corporation ("S&P") or Moody's Investors Service, Inc. ("Moody's"), respectively, (iii) money market funds that comply with Rule 2a-7 of the Investment Company Act of 1940, or (iv) demand deposit accounts, short-term certificates of deposit, bank repurchase agreements or bankers' acceptances, of commercial banks with Tier 1 capital exceeding \$1 billion or with an average rating above investment grade by S&P (LT Local Issuer Credit Rating), Moody's (Long Term Rating) and Fitch Ratings, Inc. (LT Issuer Default Rating) (each as reported by Bloomberg Finance L.P.). Computershare shall bear responsibility and liability to the Corporation for any diminution of the Funds, other than those resulting from a default by Bank of America, National Association ("BANA"), with respect to one or more bank accounts in which the Funds are deposited that is maintained by Computershare at BANA in accordance with the foregoing. Computershare may from time to time receive interest, dividends

or other earnings in connection with such deposits or investments. Computershare shall not be obligated to pay such interest, dividends or earnings to the Corporation, any Holder or any other party.

Section 2.11. No Pre-Release.

The Depository shall not deliver any deposited Stock represented by Depositary Shares evidenced by Receipts prior to the receipt and cancellation of such Receipts or other similar method used with respect to Receipts held by DTC. The Depository shall not issue any Receipts prior to the receipt by the Depository of the corresponding Stock represented by Depositary Shares evidenced by such Receipts. At no time will any Receipts be outstanding if such Receipts do not evidence Depositary Shares representing Stock deposited with the Depository.

**ARTICLE III
CERTAIN OBLIGATIONS OF HOLDERS OF
RECEIPTS AND THE CORPORATION**

Section 3.1. Filing Proofs; Certificates and Other Information.

Any Holder of a Receipt may be required from time to time to file proof of residence, or other matters or other information, to execute certificates and to make such representations and warranties as the Depository or the Corporation may reasonably deem necessary or proper. The Depository or the Corporation may withhold the delivery, or delay the registration of transfer or redemption, of any Receipt or the withdrawal of the Stock represented by the Depositary Shares and evidenced by a Receipt or the distribution of any dividend or other distribution or the sale of any rights or of the proceeds thereof until such proof or other information is filed or such certificates are executed or such representations and warranties are made.

Section 3.2. Payment of Taxes or Other Governmental Charges.

Holders of Receipts shall be obligated to make payments to the Depository of certain charges and expenses, as provided in Section 5.7. Registration of transfer of any Receipt or any withdrawal of Stock and all money represented by the Depositary Shares evidenced by such Receipt may be refused until any such payment due is made, and any dividends, interest payments or other distributions may be withheld or any part of or all the Stock represented by the Depositary Shares evidenced by such Receipt and not theretofore sold may be sold for the account of the Holder thereof (after attempting by reasonable means to notify such Holder prior to such sale), and such dividends, interest payments or other distributions or the proceeds of any such sale may be applied to any payment of such charges or expenses, the Holder of such Receipt remaining liable for any deficiency.

Section 3.3. Warranty as to Stock.

The Corporation hereby represents and warrants that the Stock, when issued, will be duly authorized, validly issued, fully paid and nonassessable. Such representation and warranty shall survive the deposit of the Stock and the issuance of the related Receipts.

Section 3.4. Warranty as to Receipts.

The Corporation hereby represents and warrants that the Receipts, when issued, will represent legal and valid interests in the Depositary Shares, and each Depositary Share will represent one one-twenty-fifth interest in a share of deposited Stock. Such representation and warranty shall survive the deposit of the Stock and the issuance of the Receipts.

**ARTICLE IV
THE DEPOSITED SECURITIES; NOTICES**

Section 4.1. Cash Distributions.

Whenever Computershare, as distribution agent, shall receive any cash dividend or other cash distribution on the Stock, Computershare shall, subject to Sections 3.1 and 3.2, distribute to Record Holders of Receipts on the record date fixed pursuant to Section 4.4 such amounts of such dividend or distribution as are, as nearly as practicable, in proportion to the respective numbers of Depositary Shares evidenced by the Receipts held by such Holders; provided, however, that in case the Corporation or Computershare shall be required to withhold, and shall withhold, from any cash dividend or other cash distribution in respect of the Stock an amount on account of taxes, or as otherwise required by law, regulation or court process, the amount made available for distribution or distributed in respect of Depositary Shares shall be reduced accordingly. In the event that the calculation of any such cash dividend or other cash distribution to be paid to any Record Holder on the aggregate number of Depositary Shares held by such Record Holder results in an amount that is a fraction of a cent and that fraction of a cent is equal to or greater than \$0.005, the amount Computershare shall distribute to such record holder shall be rounded up to the next highest whole cent; otherwise, such fractional amount shall be disregarded by the Depository; provided, however, upon the Depository's request, the Corporation shall pay the additional amount to the Depository for distribution.

Each Holder of a Receipt shall provide Computershare with its certified tax identification number on a properly completed Form W-8 or W-9, as may be applicable. Each Holder of a Receipt acknowledges that, in the event of non-compliance with the preceding sentence, the Internal Revenue Code of 1986, as amended, may require withholding by Computershare of a portion of any of the distributions to be made hereunder.

Section 4.2. Distributions Other than Cash, Rights, Preferences or Privileges.

Whenever Computershare shall receive any distribution other than cash, rights, preferences or privileges upon the Stock, Computershare shall, subject to Sections 3.1 and 3.2, distribute to Record Holders of Receipts on the record date fixed pursuant to Section 4.4 such amounts of the securities or property received by it as are, as nearly as practicable, in proportion to the respective numbers of Depositary Shares evidenced by such Receipts held by such Holders, in any manner that Computershare may deem equitable and practicable for accomplishing such distribution. If in the opinion of Computershare such distribution cannot be made proportionately among such Record Holders, or if for any other reason (including any requirement that the Corporation or Computershare withhold an amount on account of taxes or governmental charges) Computershare deems, after consultation with the Corporation, such

distribution not to be feasible, Computershare may, with the approval of the Corporation, adopt such method as it deems equitable and practicable for the purpose of effecting such distribution, including the sale (at public or private sale) of the securities or property thus received, or any part thereof, in a commercially reasonable manner. The net proceeds of any such sale shall, subject to Sections 3.1 and 3.2, be distributed or made available for distribution, as the case may be, by Computershare to Record Holders of Receipts as provided by Section 4.1 in the case of a distribution received in cash. The Corporation shall not make any distribution of such securities or property to Computershare, and Computershare shall not make any distribution of such securities or property to the Holders of Receipts, unless the Corporation shall have provided an opinion of counsel stating that such securities or property have been registered under the Securities Act or do not need to be registered in connection with such distributions.

Section 4.3. Subscription Rights, Preferences or Privileges.

If the Corporation shall at any time offer or cause to be offered to the persons in whose names the deposited Stock is recorded on the books of the Corporation any rights, preferences or privileges to subscribe for or to purchase any securities or any rights, preferences or privileges of any other nature, such rights, preferences or privileges shall in each such instance be communicated to the Depository and thereafter made available by the Depository to the Record Holders of Receipts in such manner as the Depository (in consultation with the Corporation) may determine, either by the issue to such Record Holders of warrants representing such rights, preferences or privileges or by such other method as may be approved by the Depository in its discretion with the approval of the Corporation; provided, however, that (i) if at the time of issue or offer of any such rights, preferences or privileges the Depository or the Corporation determines that it is not lawful or (after consultation with the Corporation) not feasible to make such rights, preferences or privileges available to Holders of Receipts by the issue of warrants or otherwise, or (ii) if and to the extent so instructed by Holders of Receipts who do not desire to exercise such rights, preferences or privileges, then Computershare, in its discretion (with approval of the Corporation, in any case where the Depository has determined that it is not feasible to make such rights, preferences or privileges available), may, if applicable laws or the terms of such rights, preferences or privileges permit such transfer, sell such rights, preferences or privileges at public or private sale, at such place or places and upon such terms as it may deem proper. The net proceeds of any such sale shall, subject to Sections 3.1 and 3.2, be distributed by Computershare to the Record Holders of Receipts entitled thereto as provided by Section 4.1 in the case of a distribution received in cash.

The Corporation shall notify the Depository whether registration under the Securities Act of the securities to which any rights, preferences or privileges relate is required in order for Holders of Receipts to be offered or sold the securities to which such rights, preferences or privileges relate, and the Corporation agrees with the Depository that it will file promptly a registration statement pursuant to the Securities Act with respect to such rights, preferences or privileges and securities and use its best efforts and take all steps available to it to cause such registration statement to become effective sufficiently in advance of the expiration of such rights, preferences or privileges to enable such Holders to exercise such rights, preferences or privileges. In no event shall the Depository make available to the Holders of Receipts any right, preference or privilege to subscribe for or to purchase any securities unless and until such registration statement shall have become effective, or the Corporation shall have provided to the

Depository an opinion of counsel to the effect that the offering and sale of such securities to the Holders are exempt from registration under the provisions of the Securities Act.

The Corporation shall notify the Depository whether any other action under the laws of any jurisdiction or any governmental or administrative authorization, consent or permit is required in order for such rights, preferences or privileges to be made available to Holders of Receipts, and the Corporation agrees with the Depository that the Corporation will use its reasonable best efforts to take such action or obtain such authorization, consent or permit sufficiently in advance of the expiration of such rights, preferences or privileges to enable such Holders to exercise such rights, preferences or privileges.

Section 4.4. Notice of Dividends, etc.; Fixing Record Date for Holders of Receipts.

Whenever any cash dividend or other cash distribution shall become payable or any distribution other than cash shall be made, or if rights, preferences or privileges shall at any time be offered, with respect to the Stock, or whenever the Depository shall receive notice of any meeting at which holders of the Stock are entitled to vote or of which holders of the Stock are entitled to notice, or whenever the Depository and the Corporation shall decide it is appropriate, the Depository shall in each such instance fix a record date (which shall be the same date as the record date fixed by the Corporation with respect to or otherwise in accordance with the terms of the Stock) for the determination of the Holders of Receipts who shall be entitled to receive such dividend, distribution, rights, preferences or privileges or the net proceeds of the sale thereof, or to give instructions for the exercise of voting rights at any such meeting, or who shall be entitled to notice of such meeting or for any other appropriate reasons.

Section 4.5. Voting Rights.

Subject to the provisions of the Certificate, upon receipt of notice of any meeting at which the holders of the Stock are entitled to vote, the Depository shall, as soon as practicable thereafter, mail to the Record Holders of Receipts, determined on the record date as set forth in Section 4.4, a notice prepared by the Corporation which shall contain (i) such information as is contained in such notice of meeting and (ii) a statement that such Holders may, subject to any applicable restrictions, instruct the Depository as to the exercise of the voting rights pertaining to the amount of Stock represented by their respective Depository Shares (including an express indication that instructions may be given to the Depository to give a discretionary proxy to a person designated by the Corporation) and a brief statement as to the manner in which such instructions may be given. Upon the written request of the Holders of Receipts on the relevant record date, the Depository shall endeavor insofar as practicable to vote or cause to be voted, in accordance with the instructions set forth in such requests, the maximum number of whole shares of Stock represented by the Depository Shares evidenced by all Receipts as to which any particular voting instructions are received. To the extent any such instructions request the voting of a fractional interest of a share of deposited Stock, the Depository shall aggregate such interest with all other fractional interests resulting from requests with the same voting instructions and shall vote the number of whole votes resulting from such aggregation in accordance with the instructions received in such requests. Each share of Stock is entitled to one vote and, accordingly, each Depository Share is entitled to one one-twenty-fifth of a vote. The Corporation hereby agrees to take all reasonable action which may be deemed necessary by the

Depository in order to enable the Depository to vote such Stock or cause such Stock to be voted. In the absence of specific instructions from Holders of Receipts, the Depository will not vote (but at its discretion, may appear at any meeting with respect to such Stock unless directed otherwise by the Holders of all the Receipts) to the extent of the Stock represented by the Depository Shares evidenced by the Receipts of such Holders.

Section 4.6. Changes Affecting Deposited Securities and Reclassifications, Recapitalizations, etc.

Upon any change in par or stated value, split-up, combination or any other reclassification of the Stock, subject to the provisions of the Certificate, or upon any recapitalization, reorganization, merger or consolidation affecting the Corporation or to which it is a party, the Depository may in its discretion with the approval of, and shall upon the instructions of, the Corporation, and (in either case) in such manner as the Depository may deem equitable, (i) make such adjustments as are certified by the Corporation in the fraction of an interest represented by one Depository Share in one share of Stock and in the ratio of the redemption price per Depository Share to the redemption price per share of Stock, in each case as may be necessary fully to reflect the effects of such change in par or stated value, split-up, combination or other reclassification of the Stock, or of such recapitalization, reorganization, merger or consolidation and (ii) treat any securities which shall be received by the Depository in exchange for or upon conversion of or in respect of the Stock as new deposited securities so received in exchange for or upon conversion or in respect of such Stock. In any such case the Corporation may in its discretion direct the Depository to execute and deliver additional Receipts or may call for the surrender of all outstanding Receipts to be exchanged for new Receipts specifically describing such new deposited securities. Anything to the contrary herein notwithstanding, Holders of Receipts shall have the right from and after the effective date of any such change in par or stated value, split-up, combination or other reclassification of the Stock or any such recapitalization, reorganization, merger or consolidation to surrender such Receipts to the Depository with instructions to convert, exchange or surrender the Stock represented thereby only into or for, as the case may be, the kind and amount of shares and other securities and property and cash into which the Stock represented by such Receipts might have been converted or for which such Stock might have been exchanged or surrendered immediately prior to the effective date of such transaction.

Section 4.7. Delivery of Reports.

The Depository shall furnish to Holders of Receipts any reports and communications received from the Corporation which are received by the Depository, as the holder of the Stock, and which the Corporation is required to furnish to the holders of the Stock.

Section 4.8. Lists of Receipt Holders.

Reasonably promptly upon request from time to time by the Corporation, at the sole expense of the Corporation, the Depository shall furnish to it a list, as of the most recent practicable date, of the names, addresses and holdings of Depository Shares of all registered Holders of Receipts.

ARTICLE V
THE DEPOSITORY, THE DEPOSITORY'S
AGENTS, THE REGISTRAR AND THE CORPORATION

Section 5.1. Maintenance of Offices, Agencies and Transfer Books by the Depository; Registrar; Depository's Agents.

Upon execution of this Agreement, the Depository shall maintain at the Depository's Office, facilities for the execution and delivery, registration and registration of transfer, surrender and exchange of Receipts, and at the offices of the Depository's Agents, if any, facilities for the delivery, registration of transfer, surrender and exchange of Receipts, all in accordance with the provisions of this Agreement; provided that, to the extent provisions of this Agreement regarding transfer or registration functions performed by the Depository conflict with the terms of any transfer agency agreement between the Corporation and the Depository, the terms of such transfer agency agreement shall control.

The Registrar shall keep books at the Depository's Office for the registration and transfer of Receipts. Upon direction by the Corporation and with reasonable notice to the Registrar, the Depository shall open its books for inspection by the Record Holders of Receipts as directed by the Corporation; provided that any Holder shall be granted such right by the Corporation only after certifying that such inspection shall be for a proper purpose reasonably related to such person's interest as an owner of Depository Shares evidenced by the Receipts.

The Registrar may close such books, at any time or from time to time, when deemed expedient by it in connection with the performance of its duties hereunder.

If the Receipts or the Depository Shares evidenced thereby or the Stock represented by such Depository Shares shall be listed on one or more national securities exchanges, the Depository will appoint a registrar (acceptable to the Corporation) for registration of the Receipts or Depository Shares in accordance with any requirements of such exchange. Such registrar (which may be the Trust Company if so permitted by the requirements of any such exchange) may be removed and a substitute registrar appointed by the Depository upon the request or with the approval of the Corporation. If the Receipts, Depository Shares or Stock are listed on one or more other securities exchanges, the Registrar will, at the request of the Corporation, arrange such facilities for the delivery, registration, registration of transfer, surrender and exchange of the Receipts, Depository Shares or Stock as may be required by law or applicable securities exchange regulation.

The Depository may from time to time appoint Depository's Agents to act in any respect for the Depository for the purposes of this Agreement and may from time to time appoint additional Depository's Agents and vary or terminate the appointment of such Depository's Agents, provided that the Depository will notify the Corporation of any such appointment or variation or termination of such appointment.

Section 5.2. Prevention of or Delay in Performance by the Depository, the Depository's Agents, the Registrar or the Corporation.

None of the Depository, any Depository's Agent, any Registrar or the Corporation shall incur any liability to any Holder of a Receipt if by reason of any provision of any present or future law, or regulation thereunder, of the United States of America or of any other governmental authority or, in the case of the Depository, the Depository's Agents or the Registrar, by reason of any provision, present or future, of the Corporation's Restated Certificate of Incorporation (including the Certificate) or by reason of any act of God or war or other circumstance beyond the control of the relevant party, the Depository, the Depository's Agents, the Registrar or the Corporation shall be prevented, delayed or forbidden from, or subjected to any penalty on account of, doing or performing any act or thing which the terms of this Agreement provide shall be done or performed. Nor shall the Depository, any Depository's Agent, any Registrar or the Corporation incur liability to any Holder of a Receipt (i) by reason of any nonperformance or delay, caused as aforesaid, in the performance of any act or thing which the terms of this Agreement shall provide shall or may be done or performed, or (ii) by reason of any exercise of, or failure to exercise, any discretion provided for in this Agreement except, in case of any such exercise or failure to exercise discretion not caused as aforesaid, if caused by the gross negligence or willful misconduct of the party charged with such exercise or failure to exercise, or as otherwise explicitly set forth in this Agreement.

Section 5.3. Obligations of the Depository, the Depository's Agents, the Registrar and the Corporation.

None of the Depository, any Depository's Agent, any Registrar or the Corporation assumes any obligation or shall be subject to any liability under this Agreement to Holders of Receipts other than for its gross negligence, willful misconduct or bad faith.

None of the Depository, any Depository's Agent, any Registrar or the Corporation shall be under any obligation to appear in, prosecute or defend any action, suit or other proceeding in respect of the Stock, the Depository Shares or the Receipts, which, in its opinion, may involve it in expense or liability, unless indemnity satisfactory to it against all expense and liability be furnished as often as may be reasonably required.

None of the Depository, any Depository's Agent, any Registrar or the Corporation shall be liable for any action or any failure to act by it in reliance upon the written advice of legal counsel or accountants, or information from any person presenting Stock for deposit, any Holder of a Receipt or any other person believed by it in good faith to be competent to give such information. The Depository, any Depository's Agent, any Registrar and the Corporation may each rely, and shall each be protected in acting upon or omitting to act upon any written notice, request, direction or other document believed by it to be genuine and to have been signed or presented by the proper party or parties.

The Depository shall indemnify the Corporation against any liability which may directly arise out of acts performed or omitted by the Depository or any Depository's Agent due to its or their gross negligence, willful misconduct or bad faith.

The Depository shall not be responsible for any failure to carry out any instruction to vote any of the shares of Stock or for the manner or effect of any such vote made, as long as any such action or inaction is not taken in bad faith. The Depository undertakes, and any Registrar shall be required to undertake, to perform such duties and only such duties as are specifically set forth in this Agreement, and no implied covenants or obligations shall be read into this Agreement against the Depository or any Registrar.

The Depository, its parent, affiliates or subsidiaries, the Depository's Agents and the Registrar may own, buy, sell and deal in any class of securities of the Corporation and its affiliates and in Receipts or Depository Shares or become pecuniarily interested in any transaction in which the Corporation or its affiliates may be interested or contract with or lend money to any such person or otherwise act as fully or as freely as if it were not the Depository, the parent, affiliate or subsidiary or the Depository's Agents or the Registrar hereunder. The Depository may also act as trustee, transfer agent or registrar of any of the securities of the Corporation and its affiliates.

It is intended that none of the Depository, any Depository's Agent or the Registrar, acting as the Depository's Agent or Registrar, as the case may be, shall be deemed to be an "issuer" of the securities under the federal securities laws or applicable state securities laws, it being expressly understood and agreed that the Depository, any of the Depository's Agents and the Registrar are acting only in a ministerial capacity as Depository or Registrar for the Stock.

None of the Depository (or its officers, directors, employees or agents), any Depository's Agent or the Registrar makes any representation or has any responsibility as to the validity of the registration statement pursuant to which the Depository Shares are registered under the Securities Act, the Stock, the Depository Shares or the Receipts (except for its counter-signatures thereon) or any instruments referred to therein or herein, or as to the correctness of any statement made therein or herein.

The Depository assumes no responsibility for the correctness of the description that appears in the Receipts. Notwithstanding any other provision herein or in the Receipts, the Depository makes no warranties or representations as to the validity or genuineness of any Stock at any time deposited with the Depository hereunder or of the Depository Shares, as to the validity or sufficiency of this Agreement, as to the value of the Depository Shares or as to any right, title or interest of the record holders of Receipts in and to the Depository Shares. The Depository shall not be accountable for the use or application by the Corporation of the Depository Shares or the Receipts or the proceeds thereof.

Notwithstanding anything to the contrary herein, no party to this Agreement shall be liable for any incidental, indirect, special or consequential damages of any nature whatsoever, including, but not limited to, loss of anticipated profits, occasioned by breach of any provision of this Agreement even if apprised of the possibility of such damages.

The Depository shall not be under any liability for interest on any monies at any time received by it pursuant to any of the provisions of this Agreement or of the Receipts, the Depository Shares or the Stock nor shall it be obligated to segregate such monies from other monies held by it, except as required by law. The Depository shall not be responsible for

advancing funds on behalf of the Corporation and shall have no duty or obligation to make any payments if it has not timely received sufficient funds to make timely payments.

In the event the Depository believes any ambiguity or uncertainty exists hereunder or in any notice, instruction, direction, request or other communication, paper or document received by the Depository hereunder, or in the administration of any of the provisions of this Agreement, the Depository shall deem it necessary or desirable that a matter be proved or established prior to taking, omitting or suffering to take any action hereunder, the Depository may, in its sole discretion upon written notice to the Corporation, refrain from taking any action and shall be fully protected and shall not be liable in any way to the Corporation, any Holders of Receipts or any other person or entity for refraining from taking such action, unless the Depository receives written instructions or a certificate signed by the Corporation which eliminates such ambiguity or uncertainty to the satisfaction of the Depository or which proves or establishes the applicable matter to the satisfaction of the Depository.

The Depository undertakes not to issue any Receipt other than to evidence the Depository Shares representing interests in the shares of Stock that have been delivered to and are then on deposit with the Depository. The Depository also undertakes not to sell, except as provided herein, pledge or lend Depository Shares or any shares of deposited Stock by it as Depository.

The Depository shall not be held to have notice of any change of authority of any person, until receipt of written notice thereof from the Corporation. The obligations of the Corporation and the rights of the Depository set forth in this Section 5.3 shall survive the termination of this Agreement and any succession of any of the Depository, the Registrar or the Depository's Agents.

Section 5.4. Resignation and Removal of the Depository; Appointment of Successor Depository.

The Depository may at any time resign as Depository hereunder by delivering notice of its election to do so to the Corporation, such resignation to take effect upon the appointment of a successor Depository and its acceptance of such appointment as hereinafter provided.

The Depository may at any time be removed by the Corporation by notice of such removal delivered to the Depository, such removal to take effect upon the appointment of a successor Depository hereunder and its acceptance of such appointment as hereinafter provided.

In case at any time the Depository acting hereunder shall resign or be removed, the Corporation shall, within 60 days after the delivery of the notice of resignation or removal, as the case may be, appoint a successor Depository, which shall be a bank or trust company having its principal office in the United States of America and having a combined capital and surplus of at least \$50,000,000. If no successor Depository shall have been so appointed and have accepted appointment within 60 days after delivery of such notice, the resigning or removed Depository may petition any court of competent jurisdiction for the appointment of a successor Depository. Every successor Depository shall execute and deliver to its predecessor and to the Corporation an instrument in writing accepting its appointment hereunder, and thereupon such successor Depository, without any further act or deed, shall become fully vested with all the rights, powers,

duties and obligations of its predecessor and for all purposes shall be the Depository under this Agreement, and such predecessor, upon payment of all sums due it and on the written request of the Corporation, shall promptly execute and deliver an instrument transferring to such successor all rights and powers of such predecessor hereunder, shall duly assign, transfer and deliver all right, title and interest in the Stock and any moneys held hereunder to such successor, and shall deliver to such successor a list of the Record Holders of all outstanding Receipts and such records, books and other information in its possession relating thereto.

Any entity into or with which the Depository may be merged, consolidated or converted shall be the successor of the Depository without the execution or filing of any document or any further act, and notice thereof shall not be required hereunder. Such successor Depository may authenticate the Receipts in the name of the predecessor Depository or its own name as successor Depository.

Section 5.5. Corporate Notices and Reports.

The Corporation agrees that it will deliver to the Depository, and the Depository will, promptly after receipt thereof, transmit to the Record Holders of Receipts, in each case at the addresses recorded in the Depository's books, copies of all notices and reports (including without limitation financial statements) required by law, by the rules of any national securities exchange upon which the Stock, the Depository Shares or the Receipts are listed or by the Corporation's Restated Certificate of Incorporation (including the Certificate), to be furnished to the Record Holders of Receipts. Such transmission will be at the Corporation's expense and the Corporation will provide the Depository with such number of copies of such documents as the Depository may reasonably request. In addition, the Depository will transmit to the Record Holders of Receipts at the Corporation's expense, including applicable fees, such other documents as may be requested by the Corporation.

Section 5.6. Indemnification by the Corporation.

Subject to Section 5.3, the Corporation shall indemnify the Depository, any Depository's Agent and any Registrar (including each of their officers, directors, agents and employees) against, and hold each of them harmless from, any loss, damage, cost, penalty, liability or expense (including the reasonable costs and expenses of defending itself) which may arise out of acts performed, suffered or omitted to be taken in connection with this Agreement and the Receipts by the Depository, any Registrar or any of their respective agents (including any Depository's Agent) and any transactions or documents contemplated hereby, except for any liability arising out of negligence, willful misconduct or bad faith on the respective parts of any such person or persons. The obligations of the Corporation and the rights of the Depository set forth in this Section 5.6 shall survive the termination of this Agreement and any succession of any Depository, Registrar or Depository's Agent.

Section 5.7. Fees, Charges and Expenses.

The Corporation agrees promptly to pay the Depository the compensation to be agreed upon with the Corporation for all services rendered by the Depository hereunder and to reimburse the Depository for its reasonable out-of-pocket expenses (including reasonable

counsel fees and expenses) incurred by the Depository without negligence, willful misconduct or bad faith on its part (or on the part of any agent or Depository's Agent) in connection with the services rendered by it (or such agent or Depository's Agent) hereunder. The Corporation shall pay all charges of the Depository in connection with the initial deposit of the Stock and the initial issuance of the Depository Shares and any redemption or exchange of the Stock at the option of the Corporation. The Corporation shall pay all transfer and other taxes and governmental charges arising solely from the existence of the depository arrangements. All other transfer and other taxes and governmental charges shall be at the expense of Holders of Depository Shares evidenced by Receipts. If, at the request of a Holder of Receipts, the Depository incurs charges or expenses for which the Corporation is not otherwise liable hereunder, such Holder will be liable for such charges and expenses; provided, however, that the Depository may, at its sole option, request that the Corporation direct a Holder of a Receipt to prepay the Depository any charge or expense the Depository has been asked to incur at the request of such Holder of Receipts. The Depository shall present its statement for charges and expenses to the Corporation at such intervals as the Corporation and the Depository may agree.

Section 5.8. Tax Compliance.

Computershare and, where applicable, the Trust Company, on its own behalf and on behalf of the Corporation, will comply with all applicable certification, information reporting and withholding (including "backup" withholding) requirements imposed by applicable tax laws, regulations or administrative practice with respect to (i) any payments made with respect to the Depository Shares or (ii) the issuance, delivery, holding, transfer, redemption or exercise of rights under the Depository Receipts or the Depository Shares. Such compliance shall include, without limitation, the preparation and timely filing of required returns and the timely payment of all amounts required to be withheld to the appropriate taxing authority or its designated agent.

The Depository shall comply with any direction received from the Corporation with respect to the application of such requirements to particular payments or holders or in other particular circumstances, and may for purposes of this Agreement rely on any such direction in accordance with the provisions of Section 5.3 hereof.

The Depository shall maintain all appropriate records documenting compliance with such requirements, and shall make such records available on request to the Corporation or to its authorized representatives.

**ARTICLE VI
AMENDMENT AND TERMINATION**

Section 6.1. Amendment.

The form of the Receipts and any provisions of this Agreement may at any time and from time to time be amended without the consent of Holders of the Receipts by agreement between the Corporation and the Depository in any respect which they may deem necessary or desirable; provided, however, that no such amendment (other than a change in fees) which shall materially and adversely alter the rights of the Holders of Receipts shall be effective unless such amendment shall have been approved by the Holders of Receipts evidencing at least a majority

of the Depositary Shares then outstanding. Every Holder of an outstanding receipt at the time any such amendment becomes effective shall be deemed, by continuing to hold such Receipt, to consent and agree to such amendment and to be bound by this Agreement.

Notwithstanding the foregoing, in no event shall the Corporation be required to execute any amendment which may impair the right, subject to the provisions of Sections 2.6 and 2.7 and ARTICLE III, of any owner of Depositary Shares to surrender any Receipt evidencing such Depositary Shares to the Depository with instructions to deliver to the Holder the Stock and all money represented thereby, except in order to comply with mandatory provisions of applicable law or the rules and regulations of any governmental body, agency or commission, or applicable securities exchange. As a condition precedent to the Depository's execution of any amendment, the Corporation shall deliver to the Depository a certificate from a duly authorized officer of the Corporation that states that the proposed amendment is in compliance with the terms of this Section 6.1, except that, if, under the foregoing paragraph, such amendment would require approval of at least a majority of Holders of Receipts to be effective, such Holders shall be deemed to have consented and agreed to such amendment for purposes of the statement in such certificate that such amendment is in compliance with the terms of this Section 6.1.

Section 6.2. Termination.

This Agreement may be terminated by the Corporation upon not less than 30 days' prior written notice to the Depository if the Holders of Receipts evidencing a majority of the Depositary Shares then outstanding consent to such termination, whereupon the Depository shall deliver or make available to each Holder of a Receipt, upon surrender of the Receipt held by such Holder, such number of whole or fractional shares of deposited Stock as are represented by the Depositary Shares evidenced by such Receipt, together with any other property held by the Depository in respect of such Receipt. This Agreement shall automatically terminate if (i) all outstanding Depositary Shares issued hereunder have been redeemed pursuant to Section 2.9, or (ii) there shall have been made a final distribution in respect of the Stock in connection with any liquidation, dissolution or winding up of the Corporation and such distribution shall have been distributed to the Holders of Receipts representing Depositary Shares pursuant to Section 4.1 or 4.2, as applicable.

Upon the termination of this Agreement, the Corporation shall be discharged from all obligations under this Agreement except for its obligations to the Depository, any Depository's Agent and any Registrar under Sections 5.6 and 5.7.

ARTICLE VII MISCELLANEOUS

Section 7.1. Counterparts.

This Agreement may be executed in any number of counterparts, and by each of the parties hereto on separate counterparts, each of which counterparts, when so executed and delivered, shall be deemed an original, but all such counterparts taken together shall constitute one and the same instrument. A signature to this Agreement transmitted electronically shall have the same effect as an original signature.

Section 7.2. Exclusive Benefit of Parties.

This Agreement is for the exclusive benefit of the parties hereto, and their respective successors hereunder, and shall not be deemed to give any legal or equitable right, remedy or claim to any other person whatsoever.

Section 7.3. Invalidity of Provisions.

In case any one or more of the provisions contained in this Agreement or in the Receipts should be or become invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein or therein shall in no way be affected, prejudiced or disturbed thereby.

The Depository or the Corporation may, however, act upon any facsimile transmission received by it from the other, notwithstanding that such facsimile transmission shall not subsequently be confirmed by letter or as aforesaid.

Section 7.5. Appointment of Registrar and Transfer Agent, Dividend Disbursing Agent and Redemption Agent.

Unless otherwise set forth on a certificate duly executed by an authorized officer of the Corporation, the Corporation hereby appoints the Trust Company as Registrar and Transfer Agent and Computershare as dividend disbursing agent and redemption agent in respect of the Stock deposited with the Depository hereunder and the Receipts, and the Trust Company and Computershare hereby accept their respective appointments. With respect to the appointments of the Trust Company as Registrar and Transfer Agent and Computershare as dividend disbursing agent and redemption agent in respect of the Stock and the Receipts, each of the Corporation, the Trust Company and Computershare, in their respective capacities under such appointments, shall be entitled to the same rights, indemnities, immunities and benefits as the Corporation and Depository hereunder, respectively, as if explicitly named in each such provision.

Section 7.6. Holders of Receipts Are Parties.

The Holders of Receipts from time to time shall be deemed to be parties to this Agreement and shall be bound by all of the terms and conditions hereof and of the Receipts by acceptance of delivery thereof to the same extent as though such person executed this Agreement. The provisions of this Agreement are intended to benefit only the parties hereto and their respective permitted successors and assigns, and no rights shall be granted to any other person by virtue of this Agreement.

Section 7.7. Governing Law.

This Agreement and the Receipts of each series and all rights hereunder and thereunder and provisions hereof and thereof shall be governed by, and construed in accordance with, the laws of the State of New York without giving effect to applicable conflicts of law principles.

Section 7.8. Headings.

The headings of articles and sections in this Agreement and in the form of the Receipt set forth in Exhibit A hereto have been inserted for convenience only and are not to be regarded as a part of this Agreement or the Receipts or to have any bearing upon the meaning or interpretation of any provision contained herein or in the Receipts.

Section 7.9. Confidentiality.

The Depository and the Corporation agree that all books, records, information and data pertaining to the business of the other party, including, inter alia, personal, non-public holder information, which are exchanged or received pursuant to the negotiation or the carrying out of this Agreement, shall remain confidential, and shall not be voluntarily disclosed to any other person, except as may be required by law or legal process.

Re: Registration of Bank of America Corporation 6.625% Fixed-Rate Reset Non-Cumulative Preferred Stock, Series OO and Depository Shares

Ladies and Gentlemen:

We have acted as counsel to Bank of America Corporation, a Delaware corporation (the "Corporation"), in connection with (i) the offering by the Corporation of 3,000,000 depository shares (the "Depository Shares"), each representing a 1/25th interest in a share of Bank of America Corporation 6.625% Fixed-Rate Reset Non-Cumulative Preferred Stock, Series OO, \$0.01 par value (the "Preferred Stock"), (ii) the Registration Statement on Form S-3 (File No. 333-277673) and any amendments thereto (the "Registration Statement") filed with the Securities and Exchange Commission (the "SEC") in connection with the registration under the Securities Act of 1933, as amended (the "Act"), of the Corporation's debt securities, warrants, purchase contracts, units, preferred stock, depository shares and common stock, and (iii) the Prospectus dated March 28, 2024 (the "Base Prospectus") constituting part of the Registration Statement, as supplemented by the final Prospectus Supplement dated April 24, 2025 (the "Prospectus Supplement"), and together with the Base Prospectus, the "Prospectus") filed with the SEC pursuant to Rule 424(b) under the Act, relating to the Depository Shares and the Preferred Stock. The Depository Shares are to be sold pursuant to an Underwriting Agreement dated April 24, 2025 (the "Underwriting Agreement"), between the Corporation and BofA Securities, Inc., as representative of the underwriters named in Schedule II thereto. The shares of Preferred Stock are to be deposited with Computershare Trust Company, N.A. ("Trust Company") and Computershare Inc. ("Computershare") and, together with Trust Company, the "Depository"), as depository, pursuant to the terms of the Deposit Agreement dated April 28, 2025 (the "Deposit Agreement"), among the Corporation, Trust Company, Computershare and the holders from time to time of depository receipts issued thereunder. The Depository Shares are evidenced by depository receipts ("Depository Receipts") issued pursuant to the Deposit Agreement.

In connection with this opinion letter, we have examined originals, or copies identified to our satisfaction as being true copies, of the following documents: (a) the Registration Statement; (b) the Prospectus; (c) the Restated Certificate of Incorporation of the Corporation, as amended (including without limitation the Certificate of Designations as filed with the Secretary of State of the State of Delaware on April 29, 2025, designating the Preferred Stock) and the Bylaws of the Corporation, as amended; (d) resolutions of the Board of Directors of the Corporation, and a committee thereof, authorizing the filing of the Registration Statement and the issuance and sale of the Depository Shares and the Preferred Stock by the Corporation; (e) the Underwriting Agreement; (f) the Deposit Agreement; (g) a form of Depository Receipt representing the Depository Shares; and (h) such other records, documents, certificates and instruments as we have deemed necessary for the purposes of this opinion letter. In such

examinations, we have assumed the legal capacity of natural persons, the genuineness of all signatures on, and the authenticity of, all documents submitted to us as originals and the conformity to original documents of all documents submitted to us as certified or other copies and the authenticity of the originals of such copies.

We have relied as to certain matters upon the statements of fact contained in documents that we have examined in connection with our representation of the Corporation. In addition, we have assumed, without independent investigation, that (i) all parties to agreements or instruments relevant to this opinion, other than the Corporation, have the requisite power and authority (corporate or otherwise) to enter into and perform all obligations under such agreements or instruments, that such agreements or instruments have been duly authorized by all requisite action (corporate or otherwise), executed and delivered by such parties and that such agreements or instruments are the valid, binding and enforceable obligations of such parties; (ii) the shares of Preferred Stock have been deposited with the Depository in accordance with the terms of the Deposit Agreement; (iii) the certificates representing the Depository Receipts conform to the form of Depository Receipt examined by us; and (iv) the certificates representing the Depository Receipts have been duly executed and delivered by the Depository and have been duly countersigned by Trust Company as transfer agent and registrar for the Depository Shares.

Based on and subject to the foregoing and the exclusions, qualifications, limitations and other assumptions set forth in this opinion letter, we are of the opinion that:

1. The shares of Preferred Stock have been duly authorized and, upon payment therefor as contemplated in the Underwriting Agreement, will be validly issued, fully paid and non-assessable.

2. The Depository Shares have been duly authorized and, when issued and delivered against payment therefor in the form of Depository Receipts pursuant to the Underwriting Agreement and the Deposit Agreement, will be validly issued and will entitle their holders to the rights specified in the Deposit Agreement and the Depository Receipts, subject to applicable bankruptcy, insolvency (including, without limitation, laws relating to preferences, fraudulent transfers and equitable subordination), reorganization, moratorium and other similar laws affecting creditors' rights generally, and to general principles of equity (regardless of whether considered in a proceeding in equity or at law), including, without limitation, concepts of materiality, reasonableness, good faith and fair dealing.

The foregoing opinions are limited to the Delaware General Corporation Law (including statutory provisions, all applicable provisions of the Delaware Constitution and reported judicial decisions interpreting the foregoing) and the laws of the State of New York, all as in effect on the date hereof, and we do not express any opinion concerning any other law.

We hereby consent to the filing of this opinion as part of the Corporation's Current Report on Form 8-K to be filed with the SEC for the purpose of including this opinion as part of the Registration Statement, to the incorporation by reference of this opinion letter into the Registration Statement and to the reference to our firm in the Prospectus under the caption "Legal Matters." In giving this consent, we do not admit that we are within the category of persons whose consent is required by Section 7 of the Act or the rules and regulations of the SEC promulgated thereunder.

Very truly yours,

/s/ McGuireWoods LLP
