Check the appropriate box below if the Form 8-K filing is intended to simultaneously satisfy the filing obligation of the registrant under any of the following provisions (see General Instruction A.2. below):

- Written communications pursuant to Rule 425 under the Securities Act (17 CFR 230.425)
- Soliciting material pursuant to Rule 14a-12 under the Exchange Act (17 CFR 240.14a-12)
- Pre-commencement communications pursuant to Rule 14d-2(b) under the Exchange Act (17 CFR 240.14d-2(b))
- Pre-commencement communications pursuant to Rule 13e-4(c) under the Exchange Act (17 CFR 240.13e-4(c))

This Form 8-K and other reports filed by Cleartronic, Inc. (the “Registrant”) from time to time with the Securities and Exchange Commission (collectively the “Filings”) contain forward looking statements and information that are based upon beliefs of, and information currently available to, the Registrant’s management as well as estimates and assumptions made by the Registrant’s management. When used in the Filings the words “anticipate”, “believe”, “estimate”, “expect”, “future”, “intend”, “plan” or the negative of these terms and similar expressions as they relate to the Registrant or the Registrant’s management identify forward looking statements. Such statements reflect the current view of the Registrant with respect to future events and are subject to risks, uncertainties, assumptions and other factors relating to the Registrant’s industry, operations and results of operations and any businesses that may be acquired by the Registrant. Should one or more of these risks or uncertainties materialize, or should the underlying assumptions prove incorrect, actual results may differ significantly from those anticipated, believed, estimated, expected, intended or planned.

Although the Registrant believes that the expectations reflected in the forward looking statements are reasonable, the Registrant cannot guarantee future results, levels of activity, performance or achievements. Except as required by applicable law, including the securities laws of the United States, the Registrant does not intend to update any of the forward-looking statements to conform these statements to actual results.

#### **Item 7.01 Regulation FD Disclosure**

Cleartronic, Inc. announced today that it had formed a new operating division called, PeakPowerNet, that has developed a Demand Response energy management solution for consumers. The solution will include in-home controller devices that connect to an intuitive managed service platform provided by the company. PeakPowerNet will be presenting this solution at the Muni Smart Grid Summit being held in Bonita Springs, Florida on July 25 thru July 27 of 2011. A copy of the presentation materials used in connection with the presentation is attached hereto as Exhibit 99.1 and incorporated herein by reference.

The information in this Form 8-K, including the presentation attached hereto as Exhibit 99.1, is being furnished pursuant to Item 7.01 and shall not be deemed "filed" for the purposes of Section 18 of the Securities and Exchange Act of 1934, as amended, or otherwise subject to the liabilities of that Section. The information in the Current Report shall not be incorporated by reference into any registration statement pursuant to the Securities Act of 1933, as amended.

#### **Item 9.01 Financial Statements and Exhibits.**

<b>Exhibit No.</b>	<b>Exhibit Description</b>

## Company and Solution Introduction

**Muni Smart Grid Summit**

**July 25-27, 2011**

**Hyatt Regency Coconut Point Resort & Spa**

**Bonita Springs, Florida**

## Presentation Agenda

PeakPowerNet:

- 1) Solution Introduction
- 2) Company Background
- 3) Solution Highlights
- 4) Questions and Answers

PeakPowerNet, has developed a Demand Response (DR) energy management solution for consumers, called "Plugaroo."

The Plugaroo solution includes in-home controller devices that automatically connect to an intuitive managed service platform.

The platform realizes consumer savings and convenience via an interactive algorithm located at the core of the service utilizing rates, savings/lifestyle profile and geo-location to name a few.

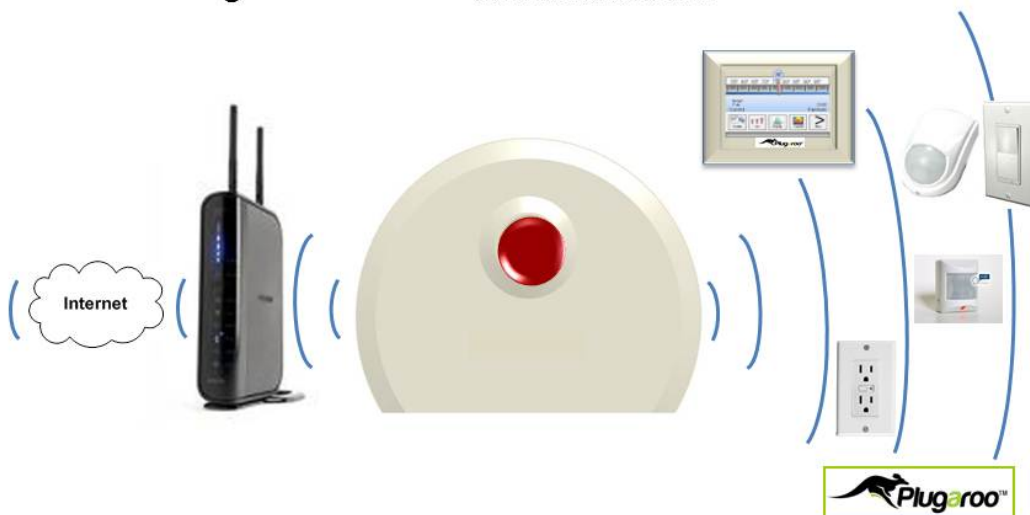

## Company Background

Engineering Team - Over 100 Attributable Patents

- Paging, Two-way Radio and Cellular
- IP Gateway Devices
- Software Defined Radio
- Solar/DC Powered Telemetry Devices

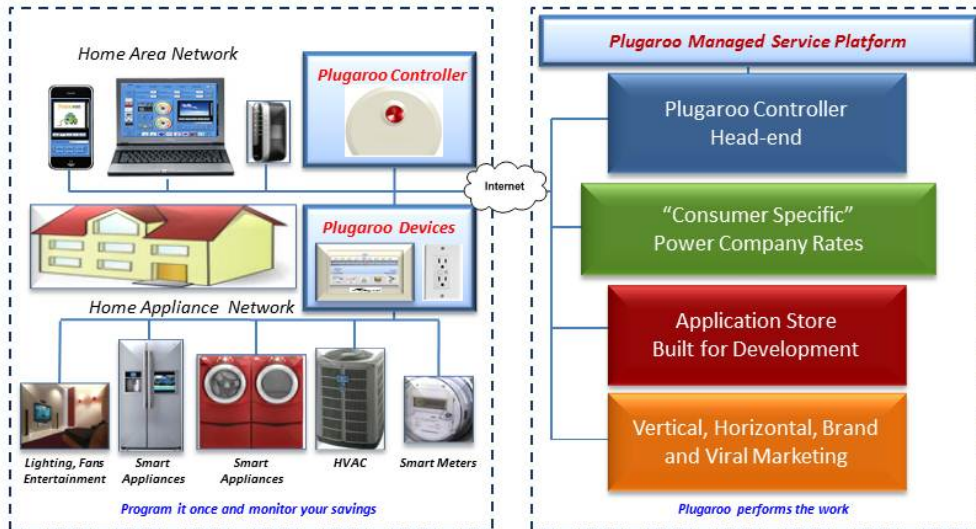

- The Plugaroo controller design leverages:
  - Z-Wave
  - ZigBee
  - 3<sup>rd</sup> Party Protocols
  - 802.11 Standard

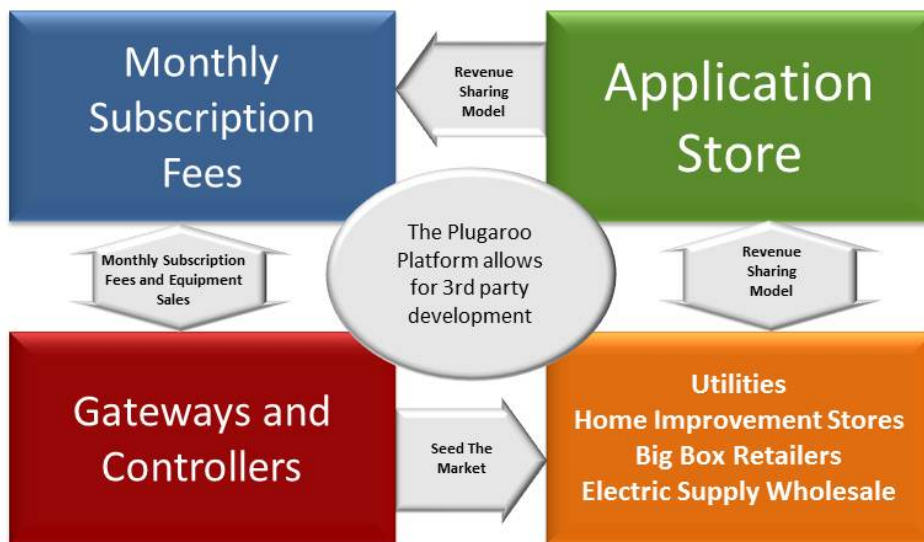

- The Plugaroo Platform is more than just awareness

- The Plugaroo Platform is intuitive and IP-based

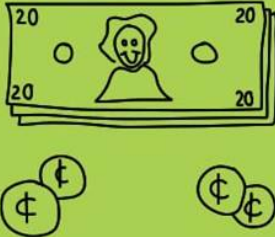

- Plugaroo gets smarter and smarter, every month

1.  Plug in Plugaroo™

2.  Decide how much money you want to save.

3.  Start counting your money.

- We are looking for a few good utility partners

 Plugaroo™ The smartest thing you'll ever put in your house.
