EXPLANATORY NOTE

Cleartronic, Inc. (the "Company," "we," "our" or "us") is filing this Amendment No. 1 to its Annual Report on Form 10-K/A (the "Amendment"), to amend its Annual Report on Form 10-K for the year ended September 30, 2022, originally filed with the Securities and Exchange Commission (the "SEC"), on December 29, 2022 (the "Original Filing"). This Amendment is being filed to amend Item 9A., "Controls and Procedures," of the Original Filing to disclose management's conclusion of the assessment of our internal control over financial reporting as of September 30, 2022, in response to comments received from the SEC staff. We have also amended the aggregate market value of the voting and non-voting common equity held by non-affiliates on the cover page of the Original Filing to include such information as of the last business day of the most recently completed second fiscal quarter with respect to the fiscal year ended September 30, 2022.

Also, as required by Rule 12b-15 of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), this Amendment also contains new certifications by our principal executive officer and principal financial officer pursuant to Section 302 of the Sarbanes-Oxley Act of 2002, filed as exhibits to this Amendment No. 1 under Item 15 of Part IV hereof. Because no financial statements have been included in this Amendment No. 1, paragraph 3 of the certifications has been omitted and no new certifications pursuant to Section 906 are included as exhibits to this Amendment No. 1.

Except as described above, no changes have been made to the Original Filing and this Amendment does not amend, update or change any other items or disclosures contained in the Original Filing, and accordingly, this Amendment does not reflect or purport to reflect any information or events occurring after the original filing date or modify or update those disclosures affected by subsequent events. Accordingly, this Amendment should be read in conjunction with the Original Filing and the Company's other filings with the SEC.

**Item 9A. Controls and Procedures.**

*Evaluation of Disclosure and Controls and Procedures.* We carried out an evaluation, under the supervision and with the participation of our management, including our principal executive officer and principal financial officer, of the effectiveness of our disclosure controls and procedures (as defined) in Exchange Act Rules 13a - 15(c) and 15d - 15(e). Based upon that evaluation, our chief executive officer and chief financial officer concluded that, as of September 30, 2022, our disclosure controls and procedures were effective (1) to ensure that information required to be disclosed by us in reports that we file or submit under the Exchange Act is recorded, processed, summarized and reported, within the time periods specified in the SEC's rules and forms and (2) to ensure that information required to be disclosed by us in the reports that we file or submit under the Exchange Act is accumulated and communicated to us, including our Chief Executive and Chief Financial Officer, as appropriate to allow timely decisions regarding required disclosure.

The term disclosure controls and procedures means controls and other procedures of an issuer that are designed to ensure that information required to be disclosed by the issuer in the reports that it files or submits under the Exchange Act (15 U.S.C. 78a, *et seq.*) is recorded, processed, summarized and reported, within the time periods specified in the Commission's rules and forms. Disclosure controls and procedures include, without limitation, controls and procedures designed to ensure that information required to be disclosed by an issuer in the reports that it files or submits under the Exchange Act is accumulated and communicated to the issuer's management, including its principal executive and principal financial officers, or persons performing similar functions, as appropriate to allow timely decisions regarding required disclosure.

Our management, including our Chief Executive Officer and Chief Financial Officer, does not expect that our disclosure controls and procedures or our internal controls over financial reporting will prevent all error and all fraud. A control system, no matter how well conceived and operated, can provide only reasonable, not absolute, assurance that the objectives of the control system are met. Further, the design of a control system must reflect the fact that there are resource constraints, and the benefits of controls must be considered relative to their costs. Because of inherent limitations in all control systems, internal control over financial reporting may not prevent or detect misstatements, and no evaluation of controls can provide absolute assurance that all control issues and instances of fraud, if any, within the registrant have been detected. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

*Management's Annual Report on Internal Control over Financial Reporting.* Our management is responsible for establishing and maintaining adequate internal control over financial reporting as defined in Rule 13a-15(f) under the Exchange Act. Our internal control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with accounting principles generally accepted in the United States.

The term internal control over financial reporting is defined as a process designed by, or under the supervision of, the issuer's principal executive and principal financial officers, or persons performing similar functions, and effected by the issuer's board of directors, management and other personnel, to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles and includes those policies and procedures that:

- Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of our assets;
- Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the issuer are being made only in accordance with authorizations of management and directors of the issuer; and
- Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use or disposition of the issuer's assets that could have a material effect on the financial statements.

Our management assessed the effectiveness of our internal control over financial reporting as of September 30, 2022. In making this assessment, our management used the criteria set forth by the Committee of Sponsoring Organizations of the Treadway Commission (COSO-2013) in Internal Control-Integrated Framework. Management concluded that our internal control over financial reporting was effective as of September 30, 2022.

*Changes in Internal Control Over Financial Reporting.* There have been no changes in the registrant's internal control over financial reporting through the date of this report or during the quarter ended September 30, 2022, that materially affected, or is reasonably likely to materially affect, the registrant's internal control over financial reporting.

*Independent Registered Accountant's Internal Control Attestation.* This report does not include an attestation report of the registrant's registered public accounting firm regarding internal control over financial reporting. Management's report was not subject to attestation by the registrant's registered public accounting firm pursuant to temporary rules of the Securities and Exchange Commission that permit the registrant to provide only management's report in this report.
