PROXY STATEMENT

**SPECIAL MEETING OF SHAREHOLDERS
TO BE HELD ON APRIL 3, 2006**

This proxy statement and the enclosed form of proxy are furnished in connection with solicitation of proxies by our board directors for use at a special meeting of shareholders to be held on April 3, 2006, and any postponements or adjournments.

On or about February 21, 2006, this proxy statement and the accompanying form of proxy are being mailed to each shareholder of record at the close of business on February 7, 2006.

The information provided in the "question and answer" format below is for your convenience only and is merely a summary of the information contained in this proxy statement. You should read this entire proxy statement carefully.

What matters am I voting on?

You will be voting on:

- the authorization of an amendment to our articles of incorporation to increase the number of authorized shares of common stock from 200,000,000 shares to 400,000,000 shares;
- the approval of a proposal to issue 8,397,891 shares of our common stock at \$0.45 per share to certain affiliates of ours and persons with direct or indirect relationships to us raising gross proceeds of \$3,779,050; and
- any other business that may properly come before the meeting.

Who is entitled to vote?

Holders of our common stock as of the close of business on February 7, 2006, the record date, are entitled to vote at the meeting. As of the record date, we had issued and outstanding 141,590,530 shares of common stock, our only class of voting securities outstanding. Each holder of our common stock is entitled to one vote for each share held on the record date.

What is the effect of giving a proxy?

Proxies in the form enclosed are solicited by and on behalf of our board. The persons named in the proxy have been designated as proxies by our board. If you sign and return the proxy in accordance with the procedures set forth in this proxy statement, the persons designated as proxies by the board will vote your shares at the meeting as specified in your proxy.

If you sign and return your proxy in accordance with the procedures set forth in this proxy statement but you do not provide any instructions as to how your shares should be voted, your shares will be voted as follows:

- FOR the approval of the amendment to our articles of incorporation to increase the number of authorized shares of our common stock from 200,000,000 shares to 400,000,000 shares as described below under Proposal I; and
-

- FOR the approval of our issuance of 8,397,891 shares of our common stock at \$0.45 per share to certain affiliates of ours and persons with direct or indirect relationships to us raising gross proceeds of \$3,779,050 as described below under Proposal II.

If you give your proxy, your shares also will be voted in the discretion of the proxies named on the proxy card with respect to any other matters properly brought before the meeting.

Can I change my vote after I return my proxy card?

You may revoke your proxy at any time before it is exercised by:

- delivering written notification of your revocation to our secretary;
- voting in person at the meeting; or
- delivering another proxy bearing a later date.

Please note that your attendance at the meeting will not alone serve to revoke your proxy.

What is a quorum?

A quorum is the minimum number for shares required to be present at the meeting for the meeting to be properly held under our bylaws and Florida law. The presence, in person or by proxy, of a majority of all outstanding shares of common stock entitled to vote at the meeting will constitute a quorum at the meeting. A proxy submitted by a shareholder may indicate that all or a portion of the shares represented by the proxy are not being voted (“shareholder withholding”) with respect to a particular matter. Similarly, a broker may not be permitted to vote stock (“broker non-vote”) held in street name on a particular matter in the absence of instructions from the beneficial owner of the stock. The shares subject to a proxy which are not being voted on a particular matter because of either shareholder withholding or broker non-vote will not be considered shares present and entitled to vote on that matter. These shares, however, may be considered present and entitled to vote on other matters and will count for purposes of determining the presence of a quorum if the shares are being voted with respect to any matter at the meeting. If the proxy indicates that the shares are not being voted on any matter at the meeting, the shares will not be counted for purposes of determining the presence of a quorum. Abstentions are voted neither “for” nor “against” a matter but are counted in the determination of a quorum.

How may I vote?

You may vote your shares by mail. Date, sign and return the accompanying proxy in the envelope enclosed for that purpose (to which no postage need be affixed if mailed in the United States). You may specify your choices by marking the appropriate boxes on the proxy card. If you attend the meeting, you may deliver your completed proxy card in person or fill out and return a ballot that will be supplied to you.

How many votes are needed for approval of each matter?

Each proposal being voted on at the special meeting must be approved by a majority of the votes cast at the meeting with respect to the proposal.

Abstentions and shares deemed present at the meeting but not entitled to vote with respect to each of the proposals (because of either shareholder withholding or broker non-vote) are not deemed voted and therefore will have no effect on such vote.

With respect to Proposal II, certain members of our board of directors have agreed to vote the shares of our common stock held by them or the entities they have voting control over in accordance with the vote of a majority of the other shares voted at the meeting.

Security Ownership of Certain Beneficial Owners and Management

The following table sets forth certain information as of February 21, 2006 with respect to the beneficial ownership of our common stock by (i) those persons or groups known to beneficially own more than 5% of our voting securities, (ii) each of our current executive officers and directors and (iii) all of our current directors and executive officers as a group. PROPOSAL I

TO APPROVE AN AMENDMENT TO OUR ARTICLES OF INCORPORATION TO INCREASE THE NUMBER OF AUTHORIZED SHARES OF OUR COMMON STOCK FROM 200,000,000 SHARES TO 400,000,000 SHARES

We are currently authorized by our articles of incorporation to issue 200,000,000 shares of common stock and 2,000,000 shares of preferred stock. As of the record date, 141,590,530 shares of common stock were outstanding and no shares of preferred stock were outstanding. In addition, we are obligated to reserve (i) 9,236,265 shares of common stock for issuance under our 1999 Performance Equity Plan, (ii) 1,793,142 shares of common stock for issuance under the Ladenburg Thalmann Financial Services Inc. Qualified Employee Stock Purchase Plan and (iii) 200,000 shares of common stock for issuance upon exercise of warrants held by New Valley and Frost-Nevada. We are also seeking approval by our shareholders to issue up to an additional 8,397,891 shares of our common stock in a private placement described below under Proposal II.

Based on the number of shares of common stock outstanding as of the record date, the need to reserve the shares of common stock as set forth above and the current limit set by our articles of incorporation on the number of shares of common stock we are authorized to issue, our board of directors has determined that there is an inadequate number of authorized shares of common stock for our management to be able to meet our current obligations and to plan for our future growth and development. Accordingly, our board of directors proposes to amend the articles of incorporation to increase the authorized number of shares of our common stock by an additional 200,000,000 shares of common stock to 400,000,000 shares of common stock.

Our board of directors believes approval of the amendment to the articles of incorporation to increase the authorized capital is in our and our shareholders' best interests. The authorization of additional shares of common stock will enable us to meet our obligations under our various employee benefit plans and issue securities convertible, exercisable or exchangeable for common stock in the future. Further, the authorization of additional shares will enable our board of directors to have the flexibility to authorize the issuance of shares of common stock in the future for financing our business, for acquiring other businesses, for forming strategic partnerships and alliances and for stock dividends and stock splits. Although we review various transactions that could result in the issuance of our common stock from time to time, we currently have no agreements or plans to issue any shares of common stock in connection with any acquisition of other business, including by way of an asset purchase or merger, combination or consolidation or for forming any partnerships or alliances, except as otherwise described above.

Approval of the proposal will permit our board of directors to issue additional shares of common stock without further approval of our shareholders, unless otherwise required by applicable law or stock market or exchange requirements. Unless we are required by law or stock market or exchange requirements, our board of directors does not intend to seek the approval of our shareholders prior to any issuance of the authorized capital stock.

Other than limited provisions in our bylaws, we do not have in place provisions which may have an anti-takeover effect. This proposal to increase our authorized capital has not resulted from our knowledge of any specific effort to accumulate our securities or to obtain control of our company by means of a merger, tender offer, proxy solicitation in opposition to management or otherwise. We are not submitting this proposal to enable us to frustrate any efforts by another party to acquire a controlling interest or to seek board representation.

In certain instances, the issuance of additional shares of common stock will have a dilutive effect on earnings per share and on the equity and voting power of existing security holders of our capital stock. It may also adversely affect the market price of the common stock. However, if additional shares are

issued in transactions whereby favorable business opportunities are provided and allow us to pursue our business plans, the market price may increase.

The holders of our common stock are entitled to one vote for each share held of record on all matters to be voted on by our shareholders. There is no cumulative voting with respect to the election of directors, with the result that the holders of more than 50% of the shares of our common stock voted in an election of directors can elect all of our directors. The holders of our common stock are entitled to receive dividends when, as, and if declared by our board of directors out of legally available funds. We have never paid cash dividends on our shares of common stock. In the event of our liquidation, dissolution or winding up, the holders of our shares of common stock are entitled to share ratably in all assets remaining available for distribution to them after payment of liabilities and after provision has been made for each class of stock, if any, having preference over the common stock. Holders of our common stock have no conversion, preemptive or other subscription rights, and there are no redemption provisions applicable to the common stock.

If the proposal to amend our articles of incorporation is approved, the third article of our articles of incorporation will be amended promptly after the meeting to increase the number of shares of our common stock we are authorized to issue to 400,000,000 shares.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE “FOR” THE APPROVAL OF THE PROPOSAL TO AMEND OUR ARTICLES OF INCORPORATION TO INCREASE THE NUMBER OF AUTHORIZED SHARES OF OUR COMMON STOCK FROM 200,000,000 SHARES TO 400,000,000 SHARES.

PROPOSAL II

PRIVATE PLACEMENT

On June 1, 2005, our board of directors approved the issuance of a total of up to 22,222,222 shares of our common stock at \$0.45 per share to investors, including certain affiliates of ours and persons with direct or indirect relationships to us, in a private placement ("Private Placement") raising total gross proceeds of up to \$10,000,000. We have agreed to register for resale all of the shares of common stock we issue in the Private Placement.

On November 30, 2005, we consummated the offering of 22,222,222 shares at \$0.45 per share raising the full \$10,000,000. Of this amount 13,824,331 shares of our common stock were sold to investors unrelated to us raising total gross proceeds of \$6,220,950 and we received binding subscription agreements from affiliates of ours and persons with direct or indirect relationships to us to purchase the remaining 8,397,891 shares of our common stock for total gross proceeds of \$3,779,050 as follows:

It is the policy of the American Stock Exchange, which lists our common stock, to require shareholder approval of the issuance by a company, other than in a public offering, of common stock or securities convertible into or exercisable for common stock, if the issuance is going to be directed to any of the company's officers, directors or significant stockholders. Because of this policy, our shareholders are being asked to approve our issuance of the 8,397,891 shares of our common stock to certain affiliates of ours and persons with direct or indirect relationships to us.

Our board of directors determined that it would be appropriate to have the interested shareholders in the private placement who are also members of our board of directors vote in accordance with the vote of a majority of other votes cast at the shareholder meeting. Accordingly, each of Dr. Phillip Frost, Richard J. Lampen, Dr. Steven A. Rosen, Richard J. Rosenstock and Mark Zeitchick has agreed to vote the shares of our common stock held by him or the entities he has voting control over (representing a total of 50,268,539 shares) in accordance with the vote of a majority of the other shares voted at the meeting with respect to Proposal II.

If this proposal is approved, we would receive \$3,779,050 in additional gross proceeds from the sale of our shares of common stock. We intend to use all of the proceeds from the private placement for working capital and general corporate purposes.

OUR BOARD OF DIRECTORS HAS APPROVED THE PRIVATE PLACEMENT TO CERTAIN AFFILIATES OF OURS AND PERSONS WITH DIRECT OR INDIRECT RELATIONSHIPS TO US AND BELIEVES THAT ITS TERMS ARE FAIR TO, AND IN THE BEST INTERESTS OF, OUR SHAREHOLDERS. THE BOARD OF DIRECTORS RECOMMENDS THAT SHAREHOLDERS APPROVE THE PRIVATE PLACEMENT TO CERTAIN AFFILIATES OF OURS AND PERSONS WITH DIRECT OR INDIRECT RELATIONSHIPS TO US.

Solicitation of Proxies

The solicitation of proxies in the enclosed form is made on behalf of our board of directors and we are paying the cost of this solicitation. In addition to the use of the mails, proxies may be solicited personally or over the telephone by our directors, officers and regular employees at nominal cost. We will reimburse banks, brokerage firms and other custodians, nominees and fiduciaries for expenses incurred in sending proxy material to beneficial owners of our stock.

Other Shareholder Communications with our Board of Directors

Our board of directors provides a process for shareholders and interested parties to send communications to the board. Shareholders and interested parties may communicate with our board of directors, any committee chairperson or our non-management directors as a group by writing to the board or committee chairperson in care of Ladenburg Thalmann Financial Services, Inc., Attention: Corporate Secretary, 590 Madison Avenue, 34th Floor, New York, New York 10022. Each communication will be forwarded, depending on the subject matter, to the board, the appropriate committee chairperson or all non-management directors.
