Borrower may contest in good faith any such law, ordinance, or regulation and withhold compliance during any proceeding, including appropriate appeals, so long as Borrower has notified Lender in writing prior to doing so and so long as, in Lender's sole opinion, Lender's interests in the Collateral are not jeopardized. Lender may require Borrower to post adequate security or a surety bond, reasonably satisfactory to Lender, to protect Lender's interest.

Inspection. Permit employees or agents of Lender at any reasonable time to inspect any and all Collateral for the Loan or Loans and Borrower's other properties and to examine or audit Borrower's books, accounts, and records and to make copies and memoranda of Borrower's books, accounts, and records. If Borrower now or at any time hereafter maintains any records (including without limitation computer generated records and computer software programs for the generation of such records) in the possession of a third party, Borrower, upon request of Lender, shall notify such party to permit Lender free access to such records at all reasonable times and to provide Lender with copies of any records it may request, all at Borrower's expense.

Employee Benefit Plans. So long as this Agreement remains in effect, Borrower will maintain each employee benefit plan as to which Borrower may have any liability, in compliance with all applicable requirements of law and regulations.

Compliance Certificates. Unless waived in writing by Lender, provide Lender within one hundred twenty (120) days after the end of each fiscal year, with a certificate executed by Borrower's chief financial officer, or other officer or person acceptable to Lender, certifying that the representations and warranties set forth in this Agreement are true and correct as of the date of the certificate and further certifying that, as of the date of the certificate, no Event of Default exists under this Agreement.

Environmental Compliance and Reports. Borrower shall comply in all respects with any and all Environmental Laws; not cause or permit to exist, as a result of an intentional or unintentional action or omission on Borrower's part or on the part of any third party, on property owned and/or occupied by Borrower, any environmental activity where damage may result to the environment, unless such environmental activity is pursuant to and in compliance with the conditions of a permit issued by the appropriate federal, state or local governmental authorities; shall furnish to Lender promptly and in any event within thirty (30) days after receipt thereof a copy of any notice, summons, lien, citation, directive, letter or other communication from any governmental agency or instrumentality concerning any intentional or unintentional action or omission on Borrower's part in connection with any environmental activity whether or not there is damage to the environment and/or other natural resources.

Additional Assurances. Make, execute and deliver to Lender such promissory notes, mortgages, deeds of trust, security agreements, assignments, financing statements, instruments, documents and other agreements as Lender or its attorneys may reasonably request to evidence and secure the Loans and to perfect all Security Interests.

Letter of Credit Commitment Fee. Pay to Lender a Letter of Credit Commitment Fee that will be computed at 2.750% of the amount of the issued Letter of Credit. This fee shall be calculated and assessed at the time the Letter of Credit is Issued.

LENDER'S EXPENDITURES. If any action or proceeding is commenced that would materially affect Lender's interest in the Collateral or if Borrower fails to comply with any provision of this Agreement or any Related Documents, including but not limited to Borrower's failure to discharge or pay when due any amounts Borrower is required to discharge or pay under this Agreement or any Related Documents, Lender on Borrower's behalf may (but shall not be obligated to) take any action that Lender deems appropriate, including but not limited to discharging or paying all taxes, liens, security interests, encumbrances and other claims, at any time levied or placed on any Collateral and paying all costs for insuring, maintaining and preserving any Collateral. All such expenditures paid by Lender for such purposes will then bear interest at the Note rate from the date paid by Lender to the date of repayment by Borrower. To the extent permitted by applicable law, all such expenses will become a part of the Indebtedness and, at Lender's option, will (A) be payable on demand; (B) be added to the balance of the Note and be apportioned among and be payable with any installment payments to become due during either (1) the term of any applicable insurance policy; or (2) the remaining term of the Note; or (C) be treated as a balloon payment which will be due and payable at the Note's maturity.

NEGATIVE COVENANTS. Borrower covenants and agrees with Lender that while this Agreement is in effect, Borrower shall not, without the prior written consent of Lender:

Indebtedness and Liens. (1) Except for trade debt incurred in the normal course of business and indebtedness to Lender contemplated by this Agreement, create, incur or assume indebtedness for borrowed money, including capital leases, (2) sell, transfer, mortgage, assign, pledge, lease, grant a security interest in, or encumber any of Borrower's assets (except as allowed as Permitted Liens), or (3) sell with

recourse any of Borrower's accounts.

Continuity of Operations. (1) Engage in any business activities substantially different than those in which Borrower is presently engaged, (2) cease operations, liquidate, merge or restructure as a legal entity (whether by division or otherwise), consolidate with or acquire any other entity, change its name, convert to another type of entity or redomesticate, dissolve or transfer or sell Collateral out of the ordinary course of business, or (3) pay any dividends on Borrower's stock (other than dividends payable in its stock), provided, however that notwithstanding the foregoing, but only so long as no Event of Default has occurred and is continuing or would result from the payment of dividends, if Borrower is a "Subchapter S Corporation" (as defined in the Internal Revenue Code of 1986, as amended), Borrower may pay cash dividends on its stock to its shareholders from time to time in amounts necessary to enable the shareholders to pay income taxes and make estimated income tax payments to satisfy their liabilities under federal and state law which arise solely from their status as Shareholders of a Subchapter S Corporation because of their ownership of shares of Borrower's stock, or (4) purchase or retire any of Borrower's outstanding shares or alter or amend Borrower's capital structure.

Loans, Acquisitions and Guaranties. (1) Loan, invest in or advance money or assets to any other person, enterprise or entity, (2) purchase, create or acquire any interest in any other enterprise or entity, or (3) incur any obligation as surety or guarantor other than in the ordinary course of business.

Agreements. Enter into any agreement containing any provisions which would be violated or breached by the performance of Borrower's obligations under this Agreement or in connection herewith.

CESSATION OF ADVANCES. If Lender has made any commitment to make any Loan to Borrower, whether under this Agreement or under any other agreement, Lender shall have no obligation to make Loan Advances or to disburse Loan proceeds if: (A) Borrower or any Guarantor is in default under the terms of this Agreement or any of the Related Documents or any other agreement that Borrower or any Guarantor has with Lender; (B) Borrower or any Guarantor dies, becomes incompetent or becomes insolvent, files a petition in bankruptcy or similar proceedings, or is adjudged a bankrupt; (C) there occurs a material adverse change in Borrower's financial condition, in the financial condition of any Guarantor, or in the value of any Collateral securing any Loan; or (D) any Guarantor seeks, claims or otherwise attempts to limit, modify or revoke such Guarantor's guaranty of the Loan or any other loan with Lender; or (E) Lender in good faith deems itself insecure, even though no Event of Default shall have occurred.

RIGHT OF SETOFF. To the extent permitted by applicable law, Lender reserves a right of setoff in all Borrower's accounts with Lender (whether checking, savings, or some other account). This includes all accounts Borrower holds jointly with someone else and all accounts Borrower may open in the future. However, this does not include any IRA or Keogh accounts, or any trust accounts for which setoff would be prohibited by law. Borrower authorizes Lender, to the extent permitted by applicable law, to charge or setoff all sums owing on the Indebtedness against any and all such accounts.

DEFAULT. Each of the following shall constitute an Event of Default under this Agreement:

Payment Default. Borrower fails to make any payment when due under the Loan.

Other Defaults. Borrower fails to comply with or to perform any other term, obligation, covenant or condition contained in this Agreement or in any of the Related Documents or to comply with or to perform any term, obligation, covenant or condition contained in any other agreement between Lender and Borrower.

Default in Favor of Third Parties. Borrower or any Grantor defaults under any loan, extension of credit, security agreement, purchase or sales agreement, or any other agreement, in favor of any other creditor or person that may materially affect any of Borrower's or any Grantor's property or Borrower's or any Grantor's ability to repay the Loans or perform their respective obligations under this Agreement or any of the Related Documents.

False Statements. Any warranty, representation or statement made or furnished to Lender by Borrower or on Borrower's behalf, or made by Guarantor, under this Agreement or the Related Documents in connection with the obtaining of the Loan evidenced by the Note or any security document directly or indirectly securing repayment of the Note is false or misleading in any material respect, either now or at the time made or furnished or becomes false or misleading at any time thereafter.

Insolvency. The dissolution or termination of Borrower's existence as a going business, the insolvency of Borrower, the appointment of a receiver for any part of Borrower's property, any assignment for the benefit of creditors, any type of creditor workout, or the commencement of any proceeding under any bankruptcy or insolvency laws by or against Borrower.

Defective Collateralization. This Agreement or any of the Related Documents ceases to be in full force and effect (including failure of any collateral document to create a valid and perfected security interest or lien) at any time and for any reason.

Creditor or Forfeiture Proceedings. Commencement of foreclosure or forfeiture proceedings, whether by judicial proceeding, self-help, repossession or any other method, by any creditor of Borrower or by any governmental agency against any collateral securing the Loan. This includes a garnishment of any of Borrower's accounts, including deposit accounts, with Lender. However, this Event of Default shall not apply if there is a good faith dispute by Borrower as to the validity or reasonableness of the claim which is the basis of the creditor or forfeiture proceeding and if Borrower gives Lender written notice of the creditor or forfeiture proceeding and deposits with Lender monies or a surety bond for the creditor or forfeiture proceeding, in an amount determined by Lender, in its sole discretion, as being an adequate reserve or bond for the dispute.

Execution; Attachment. Any execution or attachment is levied against the Collateral, and such execution or attachment is not set aside, discharged or stayed within thirty (30) days after the same is levied.

Change in Zoning or Public Restriction. Any change in any zoning ordinance or regulation or any other public restriction is enacted, adopted or implemented, that limits or defines the uses which may be made of the Collateral such that the present or intended use of the Collateral, as specified in the Related Documents, would be in violation of such zoning ordinance or regulation or public restriction, as changed.

Default Under Other Lien Documents. A default occurs under any other mortgage, deed of trust or security agreement covering all or any portion of the Collateral.

Judgment. Unless adequately covered by insurance in the opinion of Lender, the entry of a final judgment for the payment of money involving more than ten thousand dollars (\$10,000.00) against Borrower and the failure by Borrower to discharge the same, or cause it to be discharged, or bonded off to Lender's satisfaction, within thirty (30) days from the date of the order, decree or process under which or pursuant to which such judgment was entered.

Events Affecting Guarantor. Any of the preceding events occurs with respect to any Guarantor of any of the Indebtedness or any Guarantor dies or becomes incompetent, or revokes or disputes the validity of, or liability under, any Guaranty of the Indebtedness.

Change in Ownership. Any change in ownership of twenty-five percent (25%) or more of the common stock of Borrower.

Adverse Change. A material adverse change occurs in Borrower's financial condition, or Lender believes the prospect of payment or performance of the Loan is impaired.

Insecurity. Lender in good faith believes itself insecure.

EFFECT OF AN EVENT OF DEFAULT. If any Event of Default shall occur, except where otherwise provided in this Agreement or the Related Documents, all commitments and obligations of Lender under this Agreement or the Related Documents or any other agreement immediately will terminate (including any obligation to make further Loan Advances or disbursements), and, at Lender's option, all Indebtedness immediately will become due and payable, all without notice of any kind to Borrower, except that in the case of an Event of Default of the type described in the "Insolvency" subsection above, such acceleration shall be automatic and not optional. In addition, Lender shall have all the rights and remedies provided in the Related Documents or available at law, in equity, or otherwise. Except as may be prohibited by applicable law, all of Lender's rights and remedies shall be cumulative and may be exercised singularly or concurrently. Election by Lender to pursue any remedy shall not exclude pursuit of any other remedy, and an election to make expenditures or to take action to perform an obligation of Borrower or of any Grantor shall not affect Lender's right to declare a default and to exercise its rights and remedies.

ADDITIONAL DOCUMENTS. Borrower shall provide Lender with the following additional documents:

When required by Lender, Borrower has provided or will provide Lender with an opinion of Borrower's counsel certifying to and that: (1) Borrower's Note, any Security Agreements and this Agreement constitute valid and binding obligations on Borrower's part that are enforceable in accordance with their respective terms; (2) Borrower is validly existing and in good standing; (3) Borrower has authority to enter into this Agreement and to consummate the transactions contemplated under this Agreement; and (4) such other matters as may have been requested by Lender or by Lender's counsel.

NON-LIABILITY OF LENDER. The relationship between Borrower and Lender created by this Agreement is strictly a debtor and creditor relationship and not fiduciary in nature, nor is the relationship to be construed as creating any partnership or joint venture between Lender and Borrower. Borrower is exercising Borrower's own judgment with respect to Borrower's business. All information supplied to Lender is for Lender's protection only and no other party is entitled to rely on such information. There is no duty for Lender to review, inspect, supervise or inform Borrower of any matter with respect to Borrower's business. Lender and Borrower intend that Lender may reasonably rely on all information supplied by Borrower and any investigation or failure to investigate will not diminish Lender's right to so rely.

NO ASSIGNMENT BY BORROWER. Notwithstanding any other provisions of this Agreement to the contrary, Borrower agrees not to assign any of Borrower's rights or obligations under this Agreement.

OTHER LOAN DOCUMENTS. Notwithstanding any other provisions of this Agreement to the contrary, the applicability of this Agreement to any Loan other than the Loan evidenced by the Note (an "Other Loan") is in addition to and not in substitution of any document executed specifically in connection with an Other Loan (an "Other Loan Document"). In the event of a conflict between any provision of this Agreement and a provision in an Other Loan Document, the Other Loan Document shall control as to the Other Loan, and this Agreement shall control as to the Loan evidenced by the Note.

ADDITIONAL EVENTS OF DEFAULT. Notwithstanding any other provisions herein to the contrary, each of the following also shall be an Event of Default hereunder:

(i) any change in the ownership (whether in a single transaction or a series of transactions) of twenty-five percent (25%) or more of the ownership interests (as defined below) of Borrower, any Guarantor or any Grantor; "ownership interest" of any entity shall mean any direct or indirect ownership, control or profit interests in such entity, including any and all shares, membership interests, general and limited partnership interests, trust interests or other equivalents (regardless of how designated).

(ii) Any material adverse change in the financial condition of any Guarantor or Grantor.

EVENTS OF DEFAULT. Notwithstanding any other provisions of this Agreement to the contrary, for the purposes of the paragraphs titled "LINE OF CREDIT / Conditions Precedent to Each Advance", "CONDITIONS PRECEDENT TO EACH ADVANCE / No Events of Default" and "AFFIRMATIVE COVENANTS / Compliance Certificates", the term an "Event of Default" also shall include a condition or event that, with the giving of any notice, the passage of time, or both, would constitute an Event of Default.

JURISDICTION / SERVICE OF PROCESS. Any legal action or proceeding brought by Lender or Borrower against the other arising out of or relating to the loan or other extension of credit evidenced by, secured by or otherwise related to this instrument or agreement (a "Proceeding") shall be instituted in the federal court for or the state court sitting in the county where Lender's office (at the address for Lender first set forth above) is located; provided that, notwithstanding the foregoing, Lender shall have the right to bring any Proceeding against any party hereto or its properties in the courts of any other jurisdiction. With respect to any Proceeding, Borrower, to the fullest extent permitted by law, irrevocably: (i) waives any objections that Borrower may now or hereafter have based on venue and/or forum non conveniens in such federal or state court (and agrees not to plead or claim the same); (ii) submits to the jurisdiction of any such federal or state court; (iii) agrees that service of process in any Proceeding may be effected by mailing a copy thereof by registered or certified United States mail (or any substantially similar form of United States mail), postage prepaid, to the address for Borrower first set forth above; and (iv) agrees that nothing herein shall affect the right to effect service of process in any other manner permitted by law.

MISCELLANEOUS PROVISIONS. The following miscellaneous provisions are a part of this Agreement:

Amendments. This Agreement, together with any Related Documents, constitutes the entire understanding and agreement of the parties as to the matters set forth in this Agreement. No alteration of or amendment to this Agreement shall be effective unless given in writing and signed by the party or parties sought to be charged or bound by the alteration or amendment.

Attorneys' Fees; Expenses. Borrower agrees to pay upon demand all of Lender's costs and expenses, including Lender's reasonable attorneys' fees and Lender's legal expenses, incurred in connection with the enforcement of this Agreement. Lender may hire or pay someone else to help enforce this Agreement, and Borrower shall pay the costs and expenses of such enforcement. Costs and expenses include Lender's reasonable attorneys' fees and legal expenses whether or not there is a lawsuit, including Lender's reasonable attorneys' fees and legal expenses for bankruptcy proceedings (including efforts to modify or vacate any automatic stay or injunction), appeals, and any anticipated post-judgment collection services. Borrower also shall pay all court costs and such additional fees as may be directed by the court.

Borrower Information. Borrower consents to the release of information on or about Borrower by Lender in accordance with any court order, law or regulation, in response to credit inquiries concerning Borrower and except to the extent prohibited by law.

Caption Headings. Caption headings in this Agreement are for convenience purposes only and are not to be used to interpret or define the provisions of this Agreement.

Consent to Loan Participation. Borrower agrees and consents to Lender's sale or transfer, whether now or later, of one or more participation interests in the Loan to one or more purchasers, whether related or unrelated to Lender. Lender may provide, without any limitation whatsoever, to any one or more purchasers, or potential purchasers, any information or knowledge Lender may have about Borrower or about any other matter relating to the Loan, and Borrower hereby waives any rights to privacy Borrower may have with respect to such matters. Borrower additionally waives any and all notices of sale of participation interests, as well as all notices of any repurchase of such participation interests. Borrower also agrees that the purchasers of any such participation interests will be considered as the absolute owners of such interests in the Loan and will have all the rights granted under the participation agreement or agreements governing the sale of such participation interests. Borrower further waives all rights of offset or counterclaim that it may have now or later against Lender or against any purchaser of such a participation interest and unconditionally agrees that either Lender or such purchaser may enforce Borrower's obligation under the Loan irrespective of the failure or insolvency of any holder of any interest in the Loan. Borrower further agrees that the purchaser of any such participation interests may enforce its interests irrespective of any personal claims or defenses that Borrower may have against Lender.

Governing Law. This Agreement will be governed by federal law applicable to Lender and, to the extent not preempted by federal law, the laws of the State of Texas without regard to its conflicts of law provisions. This Agreement has been accepted by Lender in the State of Texas.

Joint and Several Liability. All obligations of Borrower under this Agreement shall be joint and several, and all references to Borrower shall mean each and every Borrower. This means that each Borrower signing below is responsible for all obligations in this Agreement. Where any one or more of the parties is a corporation, partnership, limited liability company or similar entity, it is not necessary for Lender to inquire into the powers of any of the officers, directors, partners, members, or other agents acting or purporting to act on the entity's behalf, and any obligations made or created in reliance upon the professed exercise of such powers shall be guaranteed under this Agreement.

Non-Liability of Lender. The relationship between Borrower and Lender created by this Agreement is strictly a debtor and creditor relationship and not fiduciary in nature, nor is the relationship to be construed as creating any partnership or joint venture between Lender and Borrower. Borrower is exercising Borrower's own judgment with respect to Borrower's business. All information supplied to Lender is for Lender's protection only and no other party is entitled to rely on such information. There is no duty for Lender to review, inspect, supervise or inform Borrower of any matter with respect to Borrower's business. Lender and Borrower intend that Lender may reasonably rely on all information supplied by Borrower to Lender, together with all representations and warranties given by Borrower to Lender, without investigation or confirmation by Lender and that any investigation or failure to investigate will not diminish Lender's right to so rely.

Notice of Lender's Breach. Borrower must notify Lender in writing of any breach of this Agreement or the Related Documents by Lender and any other claim, cause of action or offset against Lender within thirty (30) days after the occurrence of such breach or after the accrual of such claim, cause of action or offset. Borrower waives any claim, cause of action or offset for which notice is not given in accordance with this paragraph. Lender is entitled to rely on any failure to give such notice.

Indemnification of Lender. Borrower agrees to indemnify, to defend and to save and hold Lender harmless from any and all claims, suits, obligations, damages, losses, costs and expenses (including, without limitation, Lender's Lender's reasonable attorneys' fees), demands,

liabilities, penalties, fines and forfeitures of any nature whatsoever that may be asserted against or incurred by Lender, its officers, directors, employees, and agents arising out of, relating to, or in any manner occasioned by this Agreement and the exercise of the rights and remedies granted Lender under this, as well as by: (1) the ownership, use, operation, construction, renovation, demolition, preservation, management, repair, condition, or maintenance of any part of the Collateral; (2) the exercise of any of Borrower's rights collaterally assigned and pledged to Lender hereunder; (3) any failure of Borrower to perform any of its obligations hereunder; and/or (4) any failure of Borrower to comply with the environmental and ERISA obligations, representations and warranties set forth herein. The foregoing indemnity provisions shall survive the cancellation of this Agreement as to all matters arising or accruing prior to such cancellation and the foregoing indemnity shall survive in the event that Lender elects to exercise any of the remedies as provided under this Agreement following default hereunder. Borrower's indemnity obligations under this section shall not in any way be affected by the presence or absence of covering insurance, or by the amount of such insurance or by the failure or refusal of any insurance carrier to perform any obligation on its part under any insurance policy or policies affecting the Collateral and/or Borrower's business activities. Should any claim, action or proceeding be made or brought against Lender by reason of any event as to which Borrower's indemnification obligations apply, then, upon Lender's demand, Borrower, at its sole cost and expense, shall defend such claim, action or proceeding in Borrower's name, if necessary, by the attorneys for Borrower's insurance carrier (if such claim, action or proceeding is covered by insurance), or otherwise by such attorneys as Lender shall approve. Lender may also engage its own attorneys at its reasonable discretion to defend Borrower and to assist in its defense and Borrower agrees to pay the fees and disbursements of such attorneys.

Counterparts. This Agreement may be executed in multiple counterparts, each of which, when so executed, shall be deemed an original, but all such counterparts, taken together, shall constitute one and the same Agreement.

No Waiver by Lender. Lender shall not be deemed to have waived any rights under this Agreement unless such waiver is given in writing and signed by Lender. No delay or omission on the part of Lender in exercising any right shall operate as a waiver of such right or any other right. A waiver by Lender of a provision of this Agreement shall not prejudice or constitute a waiver of Lender's right otherwise to demand strict compliance with that provision or any other provision of this Agreement. No prior waiver by Lender, nor any course of dealing between Lender and Borrower, or between Lender and any Grantor, shall constitute a waiver of any of Lender's rights or of any of Borrower's or any Grantor's obligations as to any future transactions. Whenever the consent of Lender is required under this Agreement, the granting of such consent by Lender in any instance shall not constitute continuing consent to subsequent instances where such consent is required and in all cases such consent may be granted or withheld in the sole discretion of Lender.

Notices. Any notice required to be given under this Agreement shall be given in writing, and shall be effective when actually delivered, when actually received by telefacsimile (unless otherwise required by law), when deposited with a nationally recognized overnight courier, or, if mailed, when deposited in the United States mail, as first class, certified or registered mail postage prepaid, directed to the addresses shown near the beginning of this Agreement. Any party may change its address for notices under this Agreement by giving formal written notice to the other parties, specifying that the purpose of the notice is to change the party's address. For notice purposes, Borrower agrees to keep Lender informed at all times of Borrower's current address. Unless otherwise provided or required by law, if there is more than one Borrower, any notice given by Lender to any Borrower is deemed to be notice given to all Borrowers.

Payment of Interest and Fees. Notwithstanding any other provision of this Agreement or any provision of any Related Document, Borrower does not agree or intend to pay, and Lender does not agree or intend to charge, collect, take, reserve or receive (collectively referred to herein as "charge or collect"), any amount in the nature of interest or in the nature of a fee for the Loan which would in any way or event (including demand, prepayment, or acceleration) cause Lender to contract for, charge or collect more for the Loan than the maximum Lender would be permitted to charge or collect by any applicable federal or Texas state law. Any such excess interest or unauthorized fee will, instead of anything stated to the contrary, be applied first to reduce the unpaid principal balance of the Loan, and when the principal has been paid in full, be refunded to Borrower.

Severability. If a court of competent jurisdiction finds any provision of this Agreement to be illegal, invalid, or unenforceable as to any person or circumstance, that finding shall not make the offending provision illegal, invalid, or unenforceable as to any other person or circumstance. If feasible, the offending provision shall be considered modified so that it becomes legal, valid and enforceable. If the offending provision cannot be so modified, it shall be considered deleted from this Agreement. Unless otherwise required by law, the illegality, invalidity, or unenforceability of any provision of this Agreement shall not affect the legality, validity or enforceability of any other provision of this Agreement.

Sole Discretion of Lender. Whenever Lender's consent or approval is required under this Agreement, the decision as to whether or not to consent or approve shall be in the sole and exclusive discretion of Lender and Lender's decision shall be final and conclusive.

Subsidiaries and Affiliates of Borrower. To the extent the context of any provisions of this Agreement makes it appropriate, including without limitation any representation, warranty or covenant, the word "Borrower" as used in this Agreement shall include all of Borrower's subsidiaries and affiliates. Notwithstanding the foregoing however, under no circumstances shall this Agreement be construed to require Lender to make any Loan or other financial accommodation to any of Borrower's subsidiaries or affiliates.

Successors and Assigns. All covenants and agreements by or on behalf of Borrower contained in this Agreement or any Related Documents shall bind Borrower's successors and assigns and shall inure to the benefit of Lender and its successors and assigns. Borrower shall not, however, have the right to assign Borrower's rights under this Agreement or any interest therein, without the prior written consent of Lender.

Survival of Representations and Warranties. Borrower understands and agrees that in extending Loan Advances, Lender is relying on all representations, warranties, and covenants made by Borrower in this Agreement or in any certificate or other instrument delivered by Borrower to Lender under this Agreement or the Related Documents. Borrower further agrees that regardless of any investigation made by Lender, all such representations, warranties and covenants will survive the extension of Loan Advances and delivery to Lender of the Related Documents, shall be continuing in nature, shall be deemed made and redated by Borrower at the time each Loan Advance is made, and shall remain in full force and effect until such time as Borrower's Indebtedness shall be paid in full, or until this Agreement shall be terminated in the manner provided above, whichever is the last to occur.

Time is of the Essence. Time is of the essence in the performance of this Agreement.

Waive Jury. All parties to this Agreement hereby waive the right to any jury trial in any action, proceeding, or counterclaim brought by any party against any other party.

Letters of Credit. A portion of this line of credit may be used to support Letters of Credit aggregating no more than \$125,000.00. The availability under this line will be reduced by the aggregate amount of Letters of Credit outstanding.

Principal Amount: \$2,250,000.00

Date of Note: April 15, 2020 Executed

PROMISE TO PAY. OPTX SYSTEMS HOLDINGS, INC.; and OPTX SYSTEMS, INC. ("Borrower") jointly and severally promise to pay to BBVA USA ("Lender"), or order, in lawful money of the United States of America, the principal amount of Two Million Two Hundred Fifty Thousand & 00/100 Dollars (\$2,250,000.00) or so much as may be outstanding, together with interest on the unpaid outstanding principal balance of each advance. Interest shall be calculated from the date of each advance until repayment of each advance or maturity, whichever occurs first.

CHOICE OF USURY CEILING AND INTEREST RATE. The interest rate on this Note has been implemented under the "Weekly Ceiling" as referred to in Sections 303.002 and 303.003 of the Texas Finance Code.

PAYMENT. Borrower will pay this loan in one payment of all outstanding principal plus all accrued unpaid interest on April 15, 2022. In addition, Borrower will pay regular monthly payments of all accrued unpaid interest due as of each payment date, beginning May 15, 2020, with all subsequent interest payments to be due on the same day of each month after that. Unless otherwise agreed or required by applicable law, payments will be applied first to interest, then to any fees or amounts for additional products or services you obtain in connection with this loan (such as debt cancellation/suspension protection, credit insurance, warranty coverage, etc.) that are payable with or as part of your payment, then to principal due, then to any unpaid collection costs and other charges due under this Note, with any remaining amount to the outstanding principal balance. Borrower will pay Lender at Lender's address shown above or at such other place as Lender may designate in writing. Notwithstanding any other provision of this Note, Lender will not charge interest on any undisbursed loan proceeds. No scheduled payment, whether of principal or interest or both, will be due unless sufficient loan funds have been disbursed by the scheduled payment date to justify the payment.

VARIABLE INTEREST RATE. The interest rate on this Note is subject to change from time to time based on changes in an index which is the BBVA USA Prime Rate, a reference rate established by Lender and subject to increase or decrease at Lender's discretion. Notwithstanding anything to the contrary herein, if Lender determines in its sole discretion as to the index rate described above in this paragraph, or as to any other then-current index, at any time that for any reason (a) it has become impractical or unlawful to maintain this credit based on such rate or (b) such rate is unavailable or is no longer being published, or adequate and reasonable means otherwise do not exist for ascertaining such rate, then Lender in its sole discretion and without any further action or consent from Borrower or any other person may substitute for such rate an alternative index rate (which may include, or to which Lender may add, a spread adjustment, which may be a positive or negative value or zero) giving due consideration to any relevant agency or authority's recommendation and/or any market conventions with respect thereto, and may from time to time make any technical, administrative or operational changes it decides may be appropriate to reflect the implementation of any such alternative rate. The index rate defined in this paragraph (however determined) is the rate that will determine the obligation to pay interest hereunder from time to time (the "Index"). The Index is not necessarily the lowest rate charged by Lender on its loans and is set by Lender in its sole discretion. Lender will tell Borrower the current Index rate upon Borrower's request. The interest rate change will not occur more often than each day. Borrower understands that Lender may make loans based on other rates as well. The Index currently is 3.250% per annum. Interest prior to maturity on the unpaid principal balance of this Note will be calculated as described in the "INTEREST CALCULATION METHOD" paragraph using a rate of 0.250 percentage points under the Index (the "Margin"), adjusted if necessary for any minimum and maximum rate limitations described below, resulting in an initial rate of 3.000% per annum based on a year of 360 days. If Lender determines, in its sole discretion, that the Index has become unavailable or unreliable, either temporarily, indefinitely, or permanently, during the term of this Note, Lender may amend this Note by designating a substantially similar substitute index. Lender may also amend and adjust the Margin to accompany the substitute index. The change to the Margin may be a positive or negative value, or zero. In making these amendments, Lender may take into consideration any then-prevailing market convention for selecting a substitute index and margin for the specific Index that is unavailable or unreliable. Such an amendment to the terms of this Note will become effective and bind Borrower 10 business days after Lender gives written notice to Borrower without any action or consent of the Borrower. NOTICE: Under no circumstances will the interest rate on this Note be less than 2.500% per annum or more than (except for any higher default rate or Post Maturity Rate shown below) the lesser of 18.000% per annum or the maximum rate allowed by applicable law. For purposes of this Note, the "maximum rate allowed by applicable law" means the greater of (A) the maximum rate of interest permitted under federal or other law applicable to the indebtedness evidenced by this Note, or (B) the "Weekly Ceiling" as referred to in Sections 303.002 and 303.003 of the Texas Finance Code.

INTEREST CALCULATION METHOD. Interest on this Note is computed on a 365/360 basis; that is, by applying the ratio of the interest rate over a year of 360 days, multiplied by the outstanding principal balance, multiplied by the actual number of days the principal balance is outstanding, unless such calculation would result in a usurious rate, in which case interest shall be calculated on a per diem basis of a year of 365 or 366 days, as the case may be. All interest payable under this Note is computed using this method. This calculation method results in a higher effective interest rate than the numeric interest rate stated in this Note.

TRANSACTIONS WITH AFFILIATES. Borrower shall not directly or indirectly (including through its parent company(ies), subsidiary(ies), or affiliate(s)) transfer any proceeds of the Loan to, nor use them for the benefit of, a Bank Affiliate, including using any of the proceeds of the Loan to make any payment on (or with respect to) any loan or other debt from any Bank Affiliate. Borrower may request a list of Bank Affiliates, which is updated on a quarterly basis, from the Bank by contacting its relationship manager. The term "Bank Affiliate" means any entity (1) that is directly or indirectly (including ownership through a trust and beneficial ownership), controlling, controlled by, or under common control with Lender (such an entity a "Control Entity"), (2) in which a majority of its directors, trustees, or general partners (or individuals exercising similar functions) constitute a majority of the persons holding any such office with Lender or a Control Entity, (3) that is sponsored and advised on a contractual basis by Lender or another Bank Affiliate, or (4) that is an investment fund for which Lender or any other Bank Affiliate serves as an investment adviser. Ownership of fifteen percent (15%) or more of the ownership interest in an entity shall be deemed control of the entity, and each general partner shall be deemed to have control over a partnership.

To the extent the proceeds of this Loan will be used to purchase securities (regardless of whether such purchase is conducted through BBVA Securities Inc. or through another broker-dealer): (1) no securities of a Bank Affiliate (including those underwritten by a Bank Affiliate) shall be purchased during an issuance or underwriting period, or in a way that would transfer Loan proceeds to a Bank Affiliate; (2) no securities shall be purchased where a Bank Affiliate is selling them as principal (even in the open market); and (3) Borrower agrees to promptly notify Lender of any violation of this provision.

Failure to comply with the foregoing Transactions with Affiliates requirements at any time during the term of this Agreement, including renewals and extensions thereof, shall be deemed a Default and subject to the default provisions and remedies available to Lender.

PREPAYMENT. Borrower may pay without penalty all or a portion of the amount owed earlier than it is due. Prepayment in full shall consist of payment of the remaining unpaid principal balance together with all accrued and unpaid interest and all other amounts, costs and expenses for which Borrower is responsible under this Note or any other agreement with Lender pertaining to this loan, and in no event will Borrower ever be required to pay any unearned interest. Early payments will not, unless agreed to by Lender in writing, relieve Borrower of Borrower's obligation to continue to make payments of accrued unpaid interest. Rather, early payments will reduce the principal balance due. Borrower agrees not to send Lender payments marked "paid in full", "without recourse", or similar language. If Borrower sends such a payment, Lender may accept it without losing any of Lender's rights under this Note, and Borrower will remain obligated to pay any further amount owed to Lender. All written communications concerning disputed amounts, including any check or other payment instrument that indicates that the payment constitutes "payment in full" of the amount owed or that is tendered with other conditions or limitations or as full satisfaction of a disputed amount must be mailed or delivered to: BBVA USA, FTM EMERGING COMPANIES-LAS COLINAS, 4925 N O'Connor Suite 101, Irving, TX 75062.

LATE CHARGE. If a payment is 10 days or more late, Borrower will be charged 5.000% of the unpaid portion of the regularly scheduled payment.

INTEREST AFTER DEFAULT. Upon default, including failure to pay upon final maturity, the interest rate on this Note shall be increased by adding an additional 5.000 percentage point margin ("Default Rate Margin"). The additional Default Rate Margin shall also apply to each

succeeding interest rate change that would have applied had there been no default. However, in no event will the interest rate exceed the maximum interest rate limitations under applicable law.

DEFAULT. Each of the following shall constitute an event of default ("Event of Default") under this Note:

Payment Default. Borrower fails to make any payment when due under this Note.

Other Defaults. Borrower fails to comply with or to perform any other term, obligation, covenant or condition contained in this Note or in any of the related documents or to comply with or to perform any term, obligation, covenant or condition contained in any other agreement between Lender and Borrower.

Default in Favor of Third Parties. Borrower or any Grantor defaults under any loan, extension of credit, security agreement, purchase or sales agreement, or any other agreement, in favor of any other creditor or person that may materially affect any of Borrower's property or Borrower's ability to repay this Note or perform Borrower's obligations under this Note or any of the related documents.

False Statements. Any warranty, representation or statement made or furnished to Lender by Borrower or on Borrower's behalf under this Note or the related documents is false or misleading in any material respect, either now or at the time made or furnished or becomes false or misleading at any time thereafter.

Insolvency. The dissolution or termination of Borrower's existence as a going business, the insolvency of Borrower, the appointment of a receiver for any part of Borrower's property, any assignment for the benefit of creditors, any type of creditor workout, or the commencement of any proceeding under any bankruptcy or insolvency laws by or against Borrower.

Creditor or Forfeiture Proceedings. Commencement of foreclosure or forfeiture proceedings, whether by judicial proceeding, self-help, repossession or any other method, by any creditor of Borrower or by any governmental agency against any collateral securing the loan. This includes a garnishment of any of Borrower's accounts, including deposit accounts, with Lender. However, this Event of Default shall not apply if there is a good faith dispute by Borrower as to the validity or reasonableness of the claim which is the basis of the creditor or forfeiture proceeding and if Borrower gives Lender written notice of the creditor or forfeiture proceeding and deposits with Lender monies or a surety bond for the creditor or forfeiture proceeding, in an amount determined by Lender, in its sole discretion, as being an adequate reserve or bond for the dispute.

Events Affecting Guarantor. Any of the preceding events occurs with respect to any guarantor, endorser, surety, or accommodation party of any of the indebtedness or any guarantor, endorser, surety, or accommodation party dies or becomes incompetent, or revokes or disputes the validity of, or liability under, any guaranty of the indebtedness evidenced by this Note.

Change in Ownership. Any change in ownership of twenty-five percent (25%) or more of the common stock of Borrower.

Adverse Change. A material adverse change occurs in Borrower's financial condition, or Lender believes the prospect of payment or performance of this Note is impaired.

Insecurity. Lender in good faith believes itself insecure.

LENDER'S RIGHTS. Upon default, Lender may declare the entire indebtedness, including the unpaid principal balance under this Note, all accrued unpaid interest, and all other amounts, costs and expenses for which Borrower is responsible under this Note or any other agreement with Lender pertaining to this loan, immediately due, without notice, and then Borrower will pay that amount.

ATTORNEYS' FEES; EXPENSES. Lender may hire an attorney to help collect this Note if Borrower does not pay, and Borrower will pay Lender's reasonable attorneys' fees. Borrower also will pay Lender all other amounts Lender actually incurs as court costs, lawful fees for filing, recording, releasing to any public office any instrument securing this Note; the reasonable cost actually expended for repossessing, storing, preparing for sale, and selling any security; and fees for noting a lien on or transferring a certificate of title to any motor vehicle offered as security for this Note, or premiums or identifiable charges received in connection with the sale of authorized insurance.

JURY WAIVER. Lender and Borrower hereby waive the right to any jury trial in any action, proceeding, or counterclaim brought by either Lender or Borrower against the other.

GOVERNING LAW. This Note will be governed by federal law applicable to Lender and, to the extent not preempted by federal law, the laws of the State of Texas without regard to its conflicts of law provisions. This Note has been accepted by Lender in the State of Texas.

DISHONORED CHECK CHARGE. Borrower will pay a processing fee of \$25.00 if any check given by Borrower to Lender as a payment on this loan is dishonored.

RIGHT OF SETOFF. To the extent permitted by applicable law, Lender reserves a right of setoff in all Borrower's accounts with Lender (whether checking, savings, or some other account). This includes all accounts Borrower holds jointly with someone else and all accounts Borrower may open in the future. However, this does not include any IRA or Keogh accounts, or any trust accounts for which setoff would be prohibited by law. Borrower authorizes Lender, to the extent permitted by applicable law, to charge or setoff all sums owing on the indebtedness against any and all such accounts.

LINE OF CREDIT. This Note evidences a revolving line of credit. Advances under this Note, as well as directions for payment from Borrower's accounts, may be requested orally or in writing by Borrower or by an authorized person. Lender may, but need not, require that all oral requests be confirmed in writing. Borrower agrees to be liable for all sums either: (A) advanced in accordance with the instructions of an authorized person or (B) credited to any of Borrower's accounts with Lender. The unpaid principal balance owing on this Note at any time may be evidenced by endorsements on this Note or by Lender's internal records, including daily computer print-outs. This revolving line of credit shall not be subject to Ch. 346 of the Texas Finance Code.

FEES TO WAIVE VIOLATION OF COVENANT. Lender reserves the right to assess and collect a fee in connection with any agreement by Lender to waive the violation of any covenant contained in the Note or any other document or agreement signed in connection with the Note or to waive or forego its rights and remedies upon the occurrence of a default. The foregoing statement shall not in any respect obligate the Lender to waive the violation of any covenant or to forego its rights and remedies upon the occurrence of a default, which it may or may not do in its sole discretion.

AMENDMENTS. This Note constitutes the entire understanding and agreements of the parties as to the matters set forth in this Note. No alteration or amendment of this Note shall be effective unless given in writing and signed by the party or parties sought to be bound by the alteration or amendment.

SEVERABILITY. If a court of competent jurisdiction finds any provision of this Note to be illegal, invalid, or unenforceable as to any circumstance, that finding shall not make the offending provision illegal, invalid, or unenforceable as to any other circumstance. If feasible, the offending provision shall be considered modified so that it becomes legal, valid and enforceable. If the offending provision cannot be so modified, it shall be considered deleted from this Note. Unless otherwise required by law, the illegality, invalidity, or unenforceability of any provision of this Note shall not affect the legality, validity or enforceability of any other provision of this Note.

ADDITIONAL PROVISIONS. Notwithstanding any other provisions of this Note to the contrary: (a) **Lender's Remedies.** Lender also may exercise any and all remedies available to it. Lender's rights are cumulative and may be exercised together, separately, and in any order; (b) **No Assignment.** Borrower agrees not to assign any of Borrower's rights or obligations under this Note; (c) **Prepayments.** The terms "prepayment" and "early payment" mean any payment that exceeds the combined amount of interest, principal due, and charges due as of the date Lender receives that payment. The amount of this excess will be applied to the outstanding principal balance; (d) **Final Payment.** Borrower agrees that, if Borrower owes any late charges, collection costs or other amounts under this Note or any related documents, Borrower's final payment under this Note will include all of these amounts, as well as all unpaid principal and accrued interest; (e) **Loan Fees.** Borrower agrees that all loan fees and other prepaid finance charges are fully earned as of the date of the loan and will not be subject to refund upon early payment (whether voluntary or as a result of default).

BUSINESS PURPOSE. The Borrower agrees to use the proceeds of this Note or Credit Agreement solely for business purposes and not any personal, family or household purpose.

CHANGE IN INITIAL INTEREST RATE. If this Note evidences an extension of credit with a variable rate and an initial or a current interest rate or index is stated, the initial or current rate or index stated on the Note may differ from the actual rate or index due to changes in the rate or index before closing.

CONSTRUCTION OF DOCUMENTS. In the event of any conflict within the provisions of this Note or between this Note and any other document referred to or executed in connection with this Note, and notwithstanding any other provision to the contrary in any of the foregoing, the provisions most favorable to Lender shall control. The parties hereto agree and acknowledge that no rule of construction permitting or requiring any claimed ambiguities to be resolved against the drafting party shall be employed in the interpretation of this Note or any of the other documents referred to or executed in connection with this Note.

ERRORS AND OMISSIONS. I agree that if deemed necessary by Lender or any agent closing the loan evidenced by this Note ("the Loan"), Lender or the agent may correct and adjust this Note and any other documents executed in connection with the Loan ("Related Documents") on

PROMISSORY NOTE

my behalf, as if I were making the correction or adjustment, in order to correct clerical errors. A clerical error is information in a document that is missing or that does not reflect accurately my agreement with Lender at the time the document was executed. If any such clerical errors are material changes, I agree to fully cooperate in correcting such errors within 30 days of the date of mailing by Lender of a request to do that. Any change in the documents after they are signed to reflect a change in the agreement of the parties is an "alteration" or "amendment," which must be in writing and signed by the party who will be bound by the change.

MINIMUM INTEREST RATE. Notwithstanding anything to the contrary contained in your note, credit agreement or other instrument (the "Note") your interest rate or Periodic Rate, will never be lower than the legal minimum interest rate or floor as described in your Note. If your Note provides for a variable rate tied to an index plus a margin, that rate may, at times, total an amount less than the Minimum Interest Rate. In such case your interest rate or Periodic Rate will be the stated Minimum Interest Rate. In the event that the sum of the Index plus the margin is greater than the Minimum Interest Rate, then this higher rate shall be the interest rate or Periodic Rate charged on your Note.

AUTHORIZATION TO OBTAIN CREDIT INFORMATION REGARDING BORROWER. Borrower hereby authorizes Lender to obtain credit information on Borrower from creditors and credit reporting agencies at any time and from time to time for the purpose of reviewing any loan, other financial accommodation or service provided by Lender to Borrower.

ADDITIONAL EVENTS OF DEFAULT. Notwithstanding any other provisions herein to the contrary, each of the following also shall be an Event of Default hereunder:

(i) any change in the ownership (whether in a single transaction or a series of transactions) of twenty-five percent (25%) or more of the ownership interests (as defined below) of Borrower, any Guarantor or any Grantor; "ownership interest" of any entity shall mean any direct or indirect ownership, control or profit interests in such entity, including any and all shares, membership interests, general and limited partnership interests, trust interests or other equivalents (regardless of how designated).

(ii) Any material adverse change in the financial condition of any Guarantor or Grantor.

JURISDICTION / SERVICE OF PROCESS. Any legal action or proceeding brought by Lender or Borrower against the other arising out of or relating to the loan or other extension of credit evidenced by, secured by or otherwise related to this instrument or agreement (a "Proceeding") shall be instituted in the federal court for or the state court sitting in the county where Lender's office (at the address for Lender first set forth above) is located; provided that, notwithstanding the foregoing, Lender shall have the right to bring any Proceeding against any party hereto or its properties in the courts of any other jurisdiction. With respect to any Proceeding, Borrower, to the fullest extent permitted by law, irrevocably: (i) waives any objections that Borrower may now or hereafter have based on venue and/or forum non conveniens in such federal or state court (and agrees not to plead or claim the same); (ii) submits to the jurisdiction of any such federal or state court; (iii) agrees that service of process in any Proceeding may be effected by mailing a copy thereof by registered or certified United States mail (or any substantially similar form of United States mail), postage prepaid, to the address for Borrower first set forth above; and (iv) agrees that nothing herein shall affect the right to effect service of process in any other manner permitted by law.

REINSTATEMENT OF MINIMUM INTEREST RATE OR INDEX. If the Note provides for a minimum interest rate or minimum interest rate index (sometimes referred to as the "floor"), and such minimum interest rate or minimum interest rate index is waived or removed in conjunction with Borrower entering into an interest rate swap transaction, such minimum interest rate shall automatically be reinstated if, and at the time, the interest rate swap transaction is canceled or terminated for any reason.

SUCCESSOR INTERESTS. The terms of this Note shall be binding upon Borrower, and upon Borrower's heirs, personal representatives, successors and assigns, and shall inure to the benefit of Lender and its successors and assigns.

GENERAL PROVISIONS. If any part of this Note cannot be enforced, this fact will not affect the rest of the Note. Borrower does not agree or intend to pay, and Lender does not agree or intend to contract for, charge, collect, take, reserve or receive (collectively referred to herein as "charge or collect"), any amount in the nature of interest or in the nature of a fee for this loan, which would in any way or event (including demand, prepayment, or acceleration) cause Lender to charge or collect more for this loan than the maximum Lender would be permitted to charge or collect by federal law or the law of the State of Texas (as applicable). Any such excess interest or unauthorized fee shall, instead of anything stated to the contrary, be applied first to reduce the principal balance of this loan, and when the principal has been paid in full, be refunded to Borrower. The right to accelerate maturity of sums due under this Note does not include the right to accelerate any interest which has not otherwise accrued on the date of such acceleration, and Lender does not intend to charge or collect any unearned interest in the event of acceleration. All sums paid or agreed to be paid to Lender for the use, forbearance or detention of sums due hereunder shall, to the extent permitted by applicable law, be amortized, prorated, allocated and spread throughout the full term of the loan evidenced by this Note until payment in full so that the rate or amount of interest on account of the loan evidenced hereby does not exceed the applicable usury ceiling. Lender may delay or forgo enforcing any of its rights or remedies under this Note without losing them. Each Borrower understands and agrees that, with or without notice to Borrower, Lender may with respect to any other Borrower (a) make one or more additional secured or unsecured loans or otherwise extend additional credit; (b) alter, compromise, renew, extend, accelerate, or otherwise change one or more times the time for payment or other terms of any indebtedness, including increases and decreases of the rate of interest on the indebtedness; (c) exchange, enforce, waive, subordinate, fail or decide not to perfect, and release any security, with or without the substitution of new collateral; (d) apply such security and direct the order or manner of sale thereof, including without limitation, any non-judicial sale permitted by the terms of the controlling security agreements, as Lender in its discretion may determine; (e) release, substitute, agree not to sue, or deal with any one or more of Borrower's sureties, endorsers, or other guarantors on any terms or in any manner Lender may choose; and (f) determine how, when and what application of payments and credits shall be made on any other indebtedness owing by such other Borrower. Borrower and any other person who signs, guarantees or endorses this Note, to the extent allowed by law, waive presentment, demand for payment, notice of dishonor, notice of intent to accelerate the maturity of this Note, and notice of acceleration of the maturity of this Note. Upon any change in the terms of this Note, and unless otherwise expressly stated in writing, no party who signs this Note, whether as maker, guarantor, accommodation maker or endorser, shall be released from liability. All such parties agree that Lender may renew or extend (repeatedly and for any length of time) this loan or release any party or guarantor or collateral; or impair, fail to realize upon or perfect Lender's security interest in the collateral without the consent of or notice to anyone. All such parties also agree that Lender may modify this loan without the consent of or notice to anyone other than the party with whom the modification is made. The obligations under this Note are joint and several.

PRIOR TO SIGNING THIS NOTE, EACH BORROWER READ AND UNDERSTOOD ALL THE PROVISIONS OF THIS NOTE, INCLUDING THE VARIABLE INTEREST RATE PROVISIONS. EACH BORROWER AGREES TO THE TERMS OF THE NOTE.

Perfection of Security Interest. Grantor agrees to take whatever actions are requested by Lender to perfect and continue Lender's security

interest in the Collateral. Upon request of Lender, Grantor will deliver to Lender any and all of the documents evidencing or constituting the Collateral, and Grantor will note Lender's interest upon any and all chattel paper and instruments if not delivered to Lender for possession by Lender. **This is a continuing Security Agreement and will continue in effect even though all or any part of the Indebtedness is paid in full and even though for a period of time Grantor may not be indebted to Lender.**

Notices to Lender. Grantor will promptly notify Lender in writing at Lender's address shown above (or such other addresses as Lender may designate from time to time) prior to any (1) change in Grantor's name; (2) change in Grantor's assumed business name(s); (3) change in the management of any Corporation Grantor; (4) change in the authorized signer(s); (5) change in Grantor's principal office address; (6) change in Grantor's state of organization; (7) conversion of Grantor to a new or different type of business entity; or (8) change in any other aspect of Grantor that directly or indirectly relates to any agreements between Grantor and Lender. No change in Grantor's name or state of organization will take effect until after Lender has received notice. Grantor represents and warrants to Lender that Grantor has provided Lender with Grantor's correct Employer Identification Number. Grantor promptly shall notify Lender should Grantor apply for or obtain a new Employer Identification Number.

No Violation. The execution and delivery of this Agreement will not violate any law or agreement governing Grantor or to which Grantor is a party, and its certificate or articles of incorporation and bylaws do not prohibit any term or condition of this Agreement.

Enforceability of Collateral. To the extent the Collateral consists of accounts, chattel paper, or general intangibles, as defined by the Uniform Commercial Code, the Collateral is enforceable in accordance with its terms, is genuine, and fully complies with all applicable laws and regulations concerning form, content and manner of preparation and execution, and all persons appearing to be obligated on the Collateral have authority and capacity to contract and are in fact obligated as they appear to be on the Collateral. At the time any account becomes subject to a security interest in favor of Lender, the account shall be a good and valid account representing an undisputed, bona fide indebtedness incurred by the account debtor, for merchandise held subject to delivery instructions or previously shipped or delivered pursuant to a contract of sale, or for services previously performed by Grantor with or for the account debtor. So long as this Agreement remains in effect, Grantor shall not, without Lender's prior written consent, compromise, settle, adjust, or extend payment under or with regard to any such Accounts. There shall be no setoffs or counterclaims against any of the Collateral, and no agreement shall have been made under which any deductions or discounts may be claimed concerning the Collateral except those disclosed to Lender in writing.

Location of the Collateral. Except in the ordinary course of Grantor's business, Grantor agrees to keep the Collateral (or to the extent the Collateral consists of intangible property such as accounts or general intangibles, the records concerning the Collateral) at Grantor's address shown above or at such other locations as are acceptable to Lender. Upon Lender's request, Grantor will deliver to Lender in form satisfactory to Lender a schedule of real properties and Collateral locations relating to Grantor's operations, including without limitation the following: (1) all real property Grantor owns or is purchasing; (2) all real property Grantor is renting or leasing; (3) all storage facilities Grantor owns, rents, leases, or uses; and (4) all other properties where Collateral is or may be located. Collateral consisting of inventory and other goods is not currently located and, as long as this Agreement remains in effect, will not be kept in a field or public warehouse or with a bailee, and shall be kept only at locations approved by Lender. Grantor will not permit any of the Collateral to be incorporated in or placed upon any real (immovable) property in such a way that it becomes immobilized under applicable Texas law. Upon Lender's request, Grantor shall cause any owners or mortgagees of the real property upon which any of the Collateral may be located to furnish to Lender waivers with respect to any rights in or to the Collateral.

Removal of the Collateral. Except in the ordinary course of Grantor's business, including the sales of inventory, Grantor shall not remove the Collateral from its existing location without Lender's prior written consent. To the extent that the Collateral consists of vehicles, or other titled property, Grantor shall not take or permit any action which would require application for certificates of title for the vehicles outside the State of Texas, without Lender's prior written consent. If Grantor moves from Grantor's address shown above to another location within the same state, Grantor may move the Collateral to Grantor's new address, but only if Grantor gives Lender the new address in writing prior to Grantor's moving. In any event, Grantor agrees to keep Lender informed at all times of Grantor's current address. Grantor shall, whenever requested, advise Lender of the exact location of the Collateral.

Transactions Involving Collateral. Except for inventory sold or accounts collected in the ordinary course of Grantor's business, or as otherwise provided for in this Agreement, Grantor shall not sell, offer to sell, or otherwise transfer or dispose of the Collateral. While Grantor is not in default under this Agreement, Grantor may sell inventory, but only in the ordinary course of its business and only to buyers who qualify as a buyer in the ordinary course of business. A sale in the ordinary course of Grantor's business does not include a transfer in partial or total satisfaction of a debt or any bulk sale. Grantor shall not pledge, mortgage, encumber or otherwise permit the Collateral to be subject to any lien, security interest, encumbrance, or charge, other than the security interest provided for in this Agreement, without the prior written consent of Lender. This includes security interests even if junior in right to the security interests granted under this Agreement. Unless waived by Lender, all proceeds from any disposition of the Collateral (for whatever reason) shall be held in trust for Lender and shall not be commingled with any other funds; provided however, this requirement shall not constitute consent by Lender to any sale or other disposition. Upon receipt, Grantor shall immediately deliver any such proceeds to Lender.

Title. Grantor represents and warrants to Lender that Grantor holds good and marketable title to the Collateral, free and clear of all liens and encumbrances except for the lien of this Agreement. No financing statement covering any of the Collateral is on file in any public office other than those which reflect the security interest created by this Agreement or to which Lender has specifically consented. Grantor shall defend Lender's rights in the Collateral against the claims and demands of all other persons.

Collateral Schedules and Locations. As often as Lender shall require, and insofar as the Collateral consists of accounts and general intangibles, Grantor shall deliver to Lender schedules of such Collateral, including such information as Lender may require, including without limitation names and addresses of account debtors and agings of accounts and general intangibles. Insofar as the Collateral consists of inventory and equipment, Grantor shall deliver to Lender, as often as Lender shall require, such lists, descriptions, and designations of such Collateral as Lender may require to identify the nature, extent, and location of such Collateral. Such information shall be submitted for Grantor and each of its subsidiaries or related companies.

Inspection of Collateral. Lender and Lender's designated representatives and agents shall have the right at all reasonable times to examine and inspect the Collateral wherever located.

Taxes, Assessments and Liens. Grantor will pay when due all taxes, assessments and liens upon the Collateral, its use or operation, upon this Agreement, upon any promissory note or notes evidencing the Indebtedness, or upon any of the other Related Documents. Grantor may withhold any such payment or may elect to contest any lien if Grantor is in good faith conducting an appropriate proceeding to contest the obligation to pay and so long as Lender's interest in the Collateral is not jeopardized in Lender's sole opinion. In any contest Grantor shall defend itself and Lender and shall satisfy any final adverse judgment before enforcement against the Collateral. Grantor shall name Lender as an additional obligee under any surety bond furnished in the contest proceedings.

Repairs and Maintenance. Grantor shall keep and maintain and shall cause others to keep and maintain the Collateral in good order, repair and merchantable condition. Grantor shall further make and/or cause all necessary repairs to be made to the Collateral, including the repair and restoration of any portion of the Collateral that may be damaged, lost or destroyed. In addition, Grantor shall not, without the prior written consent of Lender, make or permit to be made any alterations to any of the Collateral that may reduce or impair the Collateral's use, value or marketability. Furthermore, Grantor shall not, nor shall Grantor permit others to abandon, commit waste, or destroy the Collateral or any part or parts thereof. Grantor further agrees to furnish Lender with evidence that such taxes, assessments, and governmental and other charges have been paid in full and in a timely manner. Grantor may withhold any such payment or may elect to contest any lien if Grantor is in good faith conducting an appropriate proceeding to contest the obligation to pay and so long as Lender's interest in the Collateral is not jeopardized.

Compliance with Governmental Requirements. Grantor shall comply promptly with all laws, ordinances, rules and regulations of all governmental authorities, now or hereafter in effect, applicable to the ownership, production, disposition, or use of the Collateral, including all laws or regulations relating to the undue erosion of highly-erodible land or relating to the conversion of wetlands for the production of an agricultural product or commodity. Grantor may contest in good faith any such law, ordinance or regulation and withhold compliance during any proceeding, including appropriate appeals, so long as Lender's interest in the Collateral, in Lender's opinion, is not jeopardized.

Hazardous Substances. Grantor represents and warrants that the Collateral never has been, and never will be so long as this Agreement remains a lien on the Collateral, used in violation of any Environmental Laws or for the generation, manufacture, storage, transportation, treatment, disposal, release or threatened release of any Hazardous Substance. The representations and warranties contained herein are based on Grantor's due diligence in investigating the Collateral for Hazardous Substances. Grantor hereby (1) releases and waives any future claims against Lender for indemnity or contribution in the event Grantor becomes liable for cleanup or other costs under any Environmental Laws, and (2) agrees to indemnify, defend, and hold harmless Lender against any and all claims and losses resulting from a breach of this provision of this Agreement. This obligation to indemnify and defend shall survive the payment of the Indebtedness and the satisfaction of this Agreement.

Maintenance of Casualty Insurance. Grantor shall procure and maintain all risks insurance, including without limitation fire, theft and liability coverage together with such other insurance as Lender may require with respect to the Collateral, in form, amounts, coverages and basis reasonably acceptable to Lender. Grantor, upon request of Lender, will deliver to Lender from time to time the policies or certificates

**COMMERCIAL SECURITY AGREEMENT
(Continued)**

Page 3

of insurance in form satisfactory to Lender, including stipulations that coverages will not be cancelled or diminished without at least thirty (30) days' prior written notice to Lender and not including any disclaimer of the insurer's liability for failure to give such a notice. Each insurance policy also shall include an endorsement providing that coverage in favor of Lender will not be impaired in any way by any act, omission or default of Grantor or any other person. In connection with all policies covering assets in which Lender holds or is offered a security interest, Grantor will provide Lender with such loss payable or other endorsements as Lender may require. If Grantor at any time fails to obtain or maintain any insurance as required under this Agreement, Lender may (but shall not be obligated to) obtain such insurance as Lender deems appropriate, including if Lender so chooses "single interest insurance," which will cover only Lender's interest in the Collateral.

Application of Insurance Proceeds. Grantor shall promptly notify Lender of any loss or damage to the Collateral, whether or not such casualty or loss is covered by insurance. Lender may make proof of loss if Grantor fails to do so within fifteen (15) days of the casualty. All proceeds of any insurance on the Collateral, including accrued proceeds thereon, shall be held by Lender as part of the Collateral. If Lender consents to repair or replacement of the damaged or destroyed Collateral, Lender shall, upon satisfactory proof of expenditure, pay or reimburse Grantor from the proceeds for the reasonable cost of repair or restoration. If Lender does not consent to repair or replacement of the Collateral, Lender shall retain a sufficient amount of the proceeds to pay all of the indebtedness, and shall pay the balance to Grantor. Any proceeds which have not been disbursed within six (6) months after their receipt and which Grantor has not committed to the repair or restoration of the Collateral shall be used to prepay the indebtedness.

Required Insurance. So long as this Agreement remains in effect, Grantor shall, at its sole cost, keep and/or cause others, at their expense, to keep the Collateral constantly insured against loss by fire, by hazards included within the term "extended coverage," and by such other hazards (including flood insurance where applicable) as may be required by Lender.

Insurance Proceeds. Lender shall have the right to directly receive the proceeds of all insurance protecting the Collateral. In the event that Grantor should receive any such insurance proceeds, Grantor agrees to immediately turn over and to pay such proceeds directly to Lender. All insurance proceeds may be applied, at its sole option and discretion, and in such a manner as Lender may determine (after payment of all reasonable costs, expenses and attorneys' fees necessarily paid or fees necessarily paid or incurred by Lender in this connection), for the purpose of: (1) repairing or restoring the lost, damaged or destroyed Collateral; or (2) reducing the then outstanding balance of Grantor's indebtedness.

Lender's receipt of such insurance proceeds and the application of such proceeds as provided herein shall not, however, affect the lien of this Agreement. Nothing under this section shall be deemed to excuse Grantor from its obligations promptly to repair, replace or restore any lost or damaged Collateral, whether or not the same may be covered by insurance, and whether or not such proceeds of insurance are available, and whether such proceeds are sufficient in amount to complete such repair, replacement or restoration to the satisfaction of Lender. Furthermore, unless otherwise confirmed by Lender in writing, the application or release of any insurance proceeds by Lender shall not be deemed to cure or waive any Event of Default under this Agreement. Any proceeds which have not been disbursed within six (6) months after their receipt and which Grantor has not committed to the repair or restoration of the Collateral shall be used to prepay the indebtedness.

Insurance Reserves. Lender may require Grantor to maintain with Lender reserves for payment of insurance premiums, which reserves shall be created by monthly payments from Grantor of a sum estimated by Lender to be sufficient to produce, at least fifteen (15) days before the premium due date, amounts at least equal to the insurance premiums to be paid. If fifteen (15) days before payment is due, the reserve funds are insufficient, Grantor shall upon demand pay any deficiency to Lender. The reserve funds shall be held by Lender as a general deposit and shall constitute a non-interest-bearing account which Lender may satisfy by payment of the insurance premiums required to be paid by Grantor as they become due. Lender does not hold the reserve funds in trust for Grantor, and Lender is not the agent of Grantor for payment of the insurance premiums required to be paid by Grantor. The responsibility for the payment of premiums shall remain Grantor's sole responsibility.

Insurance Reports. Grantor, upon request of Lender, shall furnish to Lender reports on each existing policy of insurance showing such information as Lender may reasonably request including the following: (1) the name of the insurer; (2) the risks insured; (3) the amount of the policy; (4) the property insured; (5) the then current value on the basis of which insurance has been obtained and the manner of determining that value; and (6) the expiration date of the policy. In addition, Grantor shall upon request by Lender (however not more often than annually) have an independent appraiser satisfactory to Lender determine, as applicable, the cash value or replacement cost of the Collateral.

Prior Encumbrances. To the extent applicable, Grantor shall fully and timely perform any and all of Grantor's obligations under any prior Encumbrances affecting the Collateral. Without limiting the foregoing, Grantor shall not commit or permit to exist any breach of or default under any such prior Encumbrances. Grantor shall further promptly notify Lender in writing upon the occurrence of any event or circumstances that would, or that might, result in a breach of or default under any such prior Encumbrance. Grantor shall further not modify or extend any of the terms of any prior Encumbrance or any indebtedness secured thereby, or request or obtain any additional loans or other extensions of credit from any third party creditor or creditors whenever such additional loan advances or other extensions of credit may be directly or indirectly secured, whether by cross-collateralization or otherwise, by the Collateral, or any part or parts thereof, with possible preference and priority over Lender's security interest. Grantor additionally agrees to obtain, upon Lender's request, and in form and substance as may then be satisfactory to Lender, appropriate waivers and subordinations of any lessor's liens or privileges, vendor's liens or privileges, purchase money security interests, and any other Encumbrances that may affect the Collateral at any time.

Future Encumbrances. Grantor shall not, without the prior written consent of Lender, grant any Encumbrance that may affect the Collateral, or any part or parts thereof, nor shall Grantor permit or consent to any Encumbrance attaching to or being filed against any of the Collateral in favor of anyone other than Lender. Grantor shall further promptly pay when due all statements and charges of mechanics, materialmen, laborers and others incurred in connection with the alteration, improvement, repair and maintenance of the Collateral, or otherwise furnish appropriate security or bond, so that no future Encumbrance may ever attach to or be filed against any Collateral. In the event that the Collateral or any part or parts thereof is and/or may be located in and/or on leased premises, Grantor shall promptly pay the full amount of such rental or lease payments whenever the same shall be due so that no lessor's lien or privilege may ever attach to or affect any of the Collateral with possible preference and priority over the lien of this Agreement. In the event that any of the Collateral is purchased or otherwise acquired by Grantor on a credit or deferred payment sales basis, Grantor shall promptly pay the full amount of the purchase or acquisition price of such Collateral so that no vendor's lien or privilege, or purchase money security interest, may ever attach to or be asserted against any of the Collateral with possible preference and priority over the lien of this Agreement. Grantor additionally agrees to obtain, upon request by Lender, and in form and substance as may then be satisfactory to Lender, appropriate waivers and/or subordinations of any lessor's liens or privileges, vendor's liens or privileges, purchase money security interests, and any other Encumbrances that may affect the Collateral at any time.

As long as this Agreement remains in effect, Grantor will not permit any levy, attachment or restraint to be made affecting any of the Collateral, or permit any notice of lien to be filed with respect to the Collateral or any part or parts thereof, or permit any receiver, trustee, custodian or assignee for the benefit of creditors to be appointed to take possession of any of the Collateral. Notwithstanding the foregoing, Grantor may, at its sole expense, contest in good faith by appropriate proceedings the validity or amount of any levy, attachment, restraint or lien filed against or affecting the Collateral, or any part or parts thereof; provided that (1) Grantor notifies Lender in advance of Grantor's intent to contest such a levy, attachment, restraint or lien, and (2) Grantor provides additional security to Lender, in form and amount satisfactory to Lender.

Notice of Encumbrances. Grantor shall immediately notify Lender in writing upon the filing of any attachment, lien, judicial process, claim, or other Encumbrance. Grantor additionally agrees to notify Lender immediately in writing upon the occurrence of any default, or event that with the passage of time, failure to cure, or giving of notice, might result in a default under any of Grantor's obligations that may be secured by any presently existing or future Encumbrance, or that might result in an Encumbrance affecting the Collateral, or should any of the Collateral be seized or attached or levied upon, or threatened by seizure or attachment or levy, by any person other than Lender.

Books and Records. Grantor will keep proper books and records with regard to Grantor's business activities and the Collateral in which a security interest is granted hereunder, in accordance with GAAP, applied on a consistent basis throughout, which books and records shall at all reasonable times be open to inspection and copying by Lender or Lender's designated agents. Lender shall also have the right to inspect Grantor's books and records, and to discuss Grantor's affairs and finances with Grantor's officers and representatives, at such reasonable times as Lender may designate.

Financing Statements. Grantor authorizes Lender to file a UCC financing statement, or alternatively, a copy of this Agreement to perfect Lender's security interest. At Lender's request, Grantor additionally agrees to sign all other documents that are necessary to perfect, protect, and continue Lender's security interest in the Property. Grantor will pay all filing fees, title transfer fees, and other fees and costs involved unless prohibited by law or unless Lender is required by law to pay such fees and costs. Grantor irrevocably appoints Lender to execute documents necessary to transfer title if there is a default. Lender may file a copy of this Agreement as a financing statement.

GRANTOR'S RIGHT TO POSSESSION AND TO COLLECT ACCOUNTS. Until default and except as otherwise provided below with respect to accounts, Grantor may have possession of the tangible personal property and beneficial use of all the Collateral and may use it in any lawful manner not inconsistent with this Agreement or the Related Documents, provided that Grantor's right to possession and beneficial use shall not

apply to any Collateral where possession of the Collateral by Lender is required by law to perfect Lender's security interest in such Collateral. Until otherwise notified by Lender, Grantor may collect any of the Collateral consisting of accounts. At any time and even though no Event of Default exists, Lender may exercise its rights to collect the accounts and to notify account debtors to make payments directly to Lender for application to the Indebtedness. If Lender at any time has possession of any Collateral, whether before or after an Event of Default, Lender shall be deemed to have exercised reasonable care in the custody and preservation of the Collateral if Lender takes such action for that purpose as Grantor shall request or as Lender, in Lender's sole discretion, shall deem appropriate under the circumstances, but failure to honor any request by Grantor shall not of itself be deemed to be a failure to exercise reasonable care. Lender shall not be required to take any steps necessary to preserve any rights in the Collateral against prior parties, nor to protect, preserve or maintain any security interest given to secure the Indebtedness.

ADDITIONAL COVENANTS. Grantor additionally agrees:

No Settlement or Compromise. Grantor will not, without the prior written consent of Lender, compromise, settle, adjust or extend payment under any of the Collateral.

Books and Records. Grantor will keep proper books and records with regard to Grantor's business activities and the Collateral, which books and records shall at all times be open to inspection and copying by Lender or its designated agent. Lender shall also have the right to inspect Grantor's books and records, and to discuss Grantor's affairs and finances with Grantor at such reasonable times as Lender may designate.

Aging of Accounts. Grantor will periodically, at such intervals requested by Lender, furnish Lender with an aging of that part of the Collateral consisting of accounts, together with a certificate executed by an officer of Grantor, in such form and containing such representations and warranties regarding the accounts as Lender may reasonably require.

Lock Box. Grantor agrees that Lender may at any time require Grantor to institute procedures whereby the proceeds and/or payments of any accounts subject to this Agreement shall be paid by the debtors thereof under a lock box arrangement to Lender, or to Lender's agent, or to one or more financial institutions designated by Lender. Grantor further agrees that, if no Event of Default exists under this Agreement, any and all of such funds received under such a lock box arrangement shall, at Lender's sole election and discretion, either be: (a) paid and/or turned over to Grantor; (b) deposited into one or more accounts for the benefit of Grantor (which deposit accounts shall be subject to collateral assignment and pledge in favor of Lender as provided under this Agreement); (c) deposited into one or more accounts for the joint benefit of Grantor and Lender (which deposit accounts shall likewise be subject to assignment and pledge in favor of Lender as provided under this Agreement); (d) paid and/or turned over to Lender to be applied to the Indebtedness in such order and priority as Lender may determine within its sole discretion; or (e) any combination of the foregoing as Lender shall determine from time to time. Grantor further agrees that, should one or more Events of Default exist under this Agreement, any and all funds received under such a lock box arrangement shall be paid and/or turned over to Lender to be applied to principal, accrued interest, costs, expenses, attorneys' fees and other fees and charges under the Indebtedness, again in such order and priority as Lender may determine within its sole discretion.

Notice to Obligors. Upon request by Lender, Grantor immediately will notify individual obligors with regard to the Collateral, advising such obligors of the fact that Lender has been granted a security interest in their obligations. In the event that Grantor should fail to provide such notices for any reason upon Lender's request, Grantor agrees that Lender may forward appropriate notices to such obligors and debtors either in Lender's name or in Grantor's name.

Additional Documents. Grantor shall at any time, from time to time, one or more times, upon Lender's written request, execute and deliver such further documents and do any and all such further acts and things as Lender may reasonably request, within Lender's sole discretion, to effect the purposes of this Agreement.

Verifications. Grantor additionally agrees that Lender or Lender's agents may periodically contact individual debtors whose notes, instruments and chattel paper have been assigned and pledged under this Agreement in order to verify the amounts then owing under such obligations, to determine whether such debtors have any offsets or counterclaims against Grantor, and with respect to such other matters about which Lender may inquire.

Notification of Lender. Grantor will promptly deliver to Lender all written notices, and will promptly give Lender written notice of any other notices received by Grantor with respect to the Collateral and Rights, and Lender will promptly give like notice to Grantor of any such notices received by Lender or its nominee.

LENDER'S EXPENDITURES. If any action or proceeding is commenced that would materially affect Lender's interest in the Collateral or if Grantor fails to comply with any provision of this Agreement or any Related Documents, including but not limited to Grantor's failure to discharge or pay when due any amounts Grantor is required to discharge or pay under this Agreement or any Related Documents, Lender on Grantor's behalf may (but shall not be obligated to) take any action that Lender deems appropriate, including but not limited to discharging or paying all taxes, liens, security interests, encumbrances and other claims, at any time levied or placed on the Collateral and paying all costs for insuring, maintaining and preserving the Collateral. All such expenditures paid by Lender for such purposes will then bear interest at the Note rate from the date paid by Lender to the date of repayment by Grantor. To the extent permitted by applicable law, all such expenses will become a part of the Indebtedness and, at Lender's option, will (A) be payable on demand; (B) be added to the balance of the Note and be apportioned among and be payable with any installment payments to become due during either (1) the term of any applicable insurance policy; or (2) the remaining term of the Note; or (C) be treated as a balloon payment which will be due and payable at the Note's maturity. The Agreement also will secure payment of these amounts. Such right shall be in addition to all other rights and remedies to which Lender may be entitled upon the occurrence of any Event of Default.

DEFAULT. Each of the following shall constitute an Event of Default under this Agreement:

Payment Default. Grantor fails to make any payment when due under the Indebtedness.

Other Defaults. Grantor fails to comply with or to perform any other term, obligation, covenant or condition contained in this Agreement or in any of the Related Documents or to comply with or to perform any term, obligation, covenant or condition contained in any other agreement between Lender and Grantor.

Default in Favor of Third Parties. Grantor defaults under any loan, extension of credit, security agreement, purchase or sales agreement, or any other agreement, in favor of any other creditor or person that may materially affect any of Grantor's property or ability to perform Grantor's obligations under this Agreement or any of the Related Documents.

False Statements. Any warranty, representation or statement made or furnished to Lender by Grantor or on Grantor's behalf, or made by Grantor, or any other guarantor, endorser, surety, or accommodation party, under this Agreement or the Related Documents in connection with the obtaining of the Indebtedness evidenced by the Note or any security document directly or indirectly securing repayment of the Note is false or misleading in any material respect, either now or at the time made or furnished or becomes false or misleading at any time thereafter.

Defective Collateralization. This Agreement or any of the Related Documents ceases to be in full force and effect (including failure of any collateral document to create a valid and perfected security interest or lien) at any time and for any reason.

Insolvency. The dissolution or termination of Grantor's existence as a going business, the insolvency of Grantor, the appointment of a receiver for any part of Grantor's property, any assignment for the benefit of creditors, any type of creditor workout, or the commencement of any proceeding under any bankruptcy or insolvency laws by or against Grantor.

Creditor or Forfeiture Proceedings. Commencement of foreclosure or forfeiture proceedings, whether by judicial proceeding, self-help, repossession or any other method, by any creditor of Grantor or by any governmental agency against any collateral securing the Indebtedness. This includes a garnishment of any of Grantor's accounts, including deposit accounts, with Lender. However, this Event of Default shall not apply if there is a good faith dispute by Grantor as to the validity or reasonableness of the claim which is the basis of the creditor or forfeiture proceeding and if Grantor gives Lender written notice of the creditor or forfeiture proceeding and deposits with Lender monies or a surety bond for the creditor or forfeiture proceeding, in an amount determined by Lender, in its sole discretion, as being an adequate reserve or bond for the dispute.

Execution; Attachment. Any execution or attachment is levied against the Collateral, and such execution or attachment is not set aside, discharged or stayed within thirty (30) days after the same is levied.

Change in Zoning or Public Restriction. Any change in any zoning ordinance or regulation or any other public restriction is enacted, adopted or implemented, that limits or defines the uses which may be made of the Collateral such that the present or intended use of the Collateral, as specified in the Related Documents, would be in violation of such zoning ordinance or regulation or public restriction, as changed.

Default Under Other Lien Documents. A default occurs under any other mortgage, deed of trust or security agreement covering all or any portion of the Collateral.

Judgment. Unless adequately covered by insurance in the opinion of Lender, the entry of a final judgment for the payment of money involving more than ten thousand dollars (\$10,000.00) against Grantor and the failure by Grantor to discharge the same, or cause it to be

discharged, or bonded off to Lender's satisfaction, within thirty (30) days from the date of the order, decree or process under which or pursuant to which such judgment was entered.

Events Affecting Guarantor. Any of the preceding events occurs with respect to any Guarantor, or any other guarantor, endorser, surety, or accommodation party of any of the Indebtedness or Guarantor, or any other guarantor, endorser, surety, or accommodation party dies or becomes incompetent or revokes or disputes the validity of, or liability under, any Guaranty of the Indebtedness.

Adverse Change. A material adverse change occurs in Grantor's financial condition, or Lender believes the prospect of payment or performance of the Indebtedness is impaired.

Insecurity. Lender in good faith believes itself insecure.

RIGHTS AND REMEDIES ON DEFAULT. If an Event of Default occurs under this Agreement, at any time thereafter, Lender shall have all the rights of a secured party under the Texas Uniform Commercial Code. In addition and without limitation, Lender may exercise any one or more of the following rights and remedies:

Accelerate Indebtedness. Lender may declare the entire Indebtedness immediately due and payable, without notice of any kind to Grantor.

Assemble Collateral. Lender may require Grantor to deliver to Lender all or any portion of the Collateral and any and all certificates of title and other documents relating to the Collateral. Lender may require Grantor to assemble the Collateral and make it available to Lender at a place to be designated by Lender. Lender also shall have full power to enter, provided Lender does so without a breach of the peace or a trespass, upon the property of Grantor to take possession of and remove the Collateral. If the Collateral contains other goods not covered by this Agreement at the time of repossession, Grantor agrees Lender may take such other goods, provided that Lender makes reasonable efforts to return them to Grantor after repossession.

Sell the Collateral. Lender shall have full power to sell, lease, transfer, or otherwise deal with the Collateral or proceeds thereof in Lender's own name or that of Grantor. Lender may sell the Collateral at public auction or private sale. Unless the Collateral threatens to decline speedily in value or is of a type customarily sold on a recognized market, Lender will give Grantor, and other persons as required by law, reasonable notice of the time and place of any public sale, or the time after which any private sale or any other disposition of the Collateral is to be made. However, no notice need be provided to any person who, after Event of Default occurs, enters into and authenticates an agreement waiving that person's right to notification of sale. The requirements of reasonable notice shall be met if such notice is given at least ten (10) days before the time of the sale or disposition. All expenses relating to the disposition of the Collateral, including without limitation the expenses of retaking, holding, insuring, preparing for sale and selling the Collateral, shall become a part of the Indebtedness secured by this Agreement and shall be payable on demand, with interest at the Note rate from date of expenditure until repaid.

Appoint Receiver. Lender shall have the right to have a receiver appointed to take possession of all or any part of the Collateral, with the power to protect and preserve the Collateral, to operate the Collateral preceding foreclosure or sale, and to collect the rents from the Collateral and apply the proceeds, over and above the cost of the receivership, against the Indebtedness. The receiver may serve without bond if permitted by law. Lender's right to the appointment of a receiver shall exist whether or not the apparent value of the Collateral exceeds the Indebtedness by a substantial amount. Employment by Lender shall not disqualify a person from serving as a receiver.

Collect Revenues, Apply Accounts. Lender, either itself or through a receiver, may collect the payments, rents, income, and revenues from the Collateral. Lender may at any time in Lender's discretion transfer any Collateral into Lender's own name or that of Lender's nominee and receive the payments, rents, income, and revenues therefrom and hold the same as security for the Indebtedness or apply it to payment of the Indebtedness in such order of preference as Lender may determine. Insofar as the Collateral consists of accounts, general intangibles, insurance policies, instruments, chattel paper, choses in action, or similar property, Lender may demand, collect, receipt for, settle, compromise, adjust, sue for, foreclose, or realize on the Collateral as Lender may determine, whether or not Indebtedness or Collateral is then due. For these purposes, Lender may, on behalf of and in the name of Grantor, receive, open and dispose of mail addressed to Grantor; change any address to which mail and payments are to be sent; and endorse notes, checks, drafts, money orders, documents of title, instruments and items pertaining to payment, shipment, or storage of any Collateral. To facilitate collection, Lender may notify account debtors and obligors on any Collateral to make payments directly to Lender.

Obtain Deficiency. If Lender chooses to sell any or all of the Collateral, Lender may obtain a judgment against Grantor for any deficiency remaining on the Indebtedness due to Lender after application of all amounts received from the exercise of the rights provided in this Agreement. Grantor shall be liable for a deficiency even if the transaction described in this subsection is a sale of accounts or chattel paper.

Other Rights and Remedies. Lender shall have all the rights and remedies of a secured creditor under the provisions of the Uniform Commercial Code, as may be amended from time to time. In addition, Lender shall have and may exercise any or all other rights and remedies it may have available at law, in equity, or otherwise.

Election of Remedies. Except as may be prohibited by applicable law, all of Lender's rights and remedies, whether evidenced by this Agreement, the Related Documents, or by any other writing, shall be cumulative and may be exercised singularly or concurrently. Election by Lender to pursue any remedy shall not exclude pursuit of any other remedy, and an election to make expenditures or to take action to perform an obligation of Grantor under this Agreement, after Grantor's failure to perform, shall not affect Lender's right to declare a default and exercise its remedies.

NON-LIABILITY OF LENDER. The relationship between Borrower and Lender created by this Agreement is strictly a debtor and creditor relationship and not fiduciary in nature, nor is the relationship to be construed as creating any partnership or joint venture between Lender and Borrower. Borrower is exercising Borrower's own judgment with respect to Borrower's business. All information supplied to Lender is for Lender's protection only and no other party is entitled to rely on such information. There is no duty for Lender to review, inspect, supervise or inform Borrower of any matter with respect to Borrower's business. Lender and Borrower intend that Lender may reasonably rely on all information supplied by Borrower and any investigation or failure to investigate will not diminish Lender's right to so rely.

ACCOUNTS. Notwithstanding any other provisions of this Agreement to the contrary, the word "Account" also includes the meaning provided in the Uniform Commercial Code, as amended from time to time.

AUTHENTICATED DEMANDS AND REQUESTS. If Grantor makes an authenticated demand or a request for an accounting, a request regarding the Collateral, a request regarding a statement of Grantor's account or a request for a termination statement under the Uniform Commercial Code, Grantor agrees to address the demand or request to Lender at the following address: BBVA USA Loan Research Dept., P. O. Box 11830, Birmingham, Alabama 35202. Grantor agrees that, to the extent permitted by applicable law, Lender has no duty or obligation to respond to the demand or request until Lender receives it or notice of it at this address.

VALID ISSUANCE. All securities and other investment property included in the Collateral have been duly and validly issued and are fully paid and are nonassessable.

CONSTRUCTION OF DOCUMENTS. In the event of any conflict within the provisions of this document or between this document and any Related Document, and notwithstanding any other provision to the contrary in any of the foregoing, the provisions most favorable to Lender shall control. The parties hereto agree and acknowledge that no rule of construction permitting or requiring any claimed ambiguities to be resolved against the drafting party shall be employed in the interpretation of this document or any of the Related Documents.

ERRORS AND OMISSIONS. The parties agree that if deemed necessary by Lender or any agent closing the loan evidenced by the Note, Lender or the agent may correct and adjust this document and any Related Documents on behalf of any other party, as if such other party were making the correction or adjustment, in order to correct clerical errors. A clerical error is information in a document that is missing or that does not reflect accurately another party's agreement with Lender at the time the document was executed. If any such clerical errors are material changes, the other party agrees to fully cooperate in correcting such errors within 30 days of the date of mailing by Lender of a request to do that. Any change in the documents after they are signed to reflect a change in the agreement of the parties is an "alteration" or "amendment," which must be in writing and signed by the party that will be bound by the change.

CONSIDERATION. Grantor represents and warrants to Lender that Grantor derives a substantial benefit from any loan evidenced by the Note and any services which give rise to the Indebtedness, and there is adequate consideration inducing Grantor to execute and deliver this agreement and pledge the Collateral hereunder.

SWAP AND SIMILAR OBLIGATIONS. Grantor agrees that (a) without limiting the definition of Indebtedness herein or the Cross-Collateralization provision hereof, "Indebtedness" as defined herein shall include all of Borrower's obligations and liabilities under any agreement between Borrower and Lender or any of Lender's affiliates with respect to any cap, floor, collar, swap, forward or derivative transaction or option or similar agreement involving, or settled by reference to, one or more interest or other rates, currencies, commodities, equity or debt instruments or securities, or economic, financial or pricing indices or measures of economic, financial or pricing risk or value, or any combination of the foregoing (each a "Lender Swap Agreement"), and (b) the occurrence of a default or termination event under any Lender Swap Agreement shall constitute an Event of Default hereunder and under each Related Document. Notwithstanding anything to the contrary contained herein or in any Related Document, no Lender Swap Agreement shall constitute a Related Document for the purposes of this Agreement or any other Related Document.

**COMMERCIAL SECURITY AGREEMENT
(Continued)**

Page 6

ADDITIONAL EVENTS OF DEFAULT. Notwithstanding any other provisions herein to the contrary, each of the following also shall be an Event of Default hereunder:

(i) any change in the ownership (whether in a single transaction or a series of transactions) of twenty-five percent (25%) or more of the ownership interests (as defined below) of Borrower, any Guarantor or any Grantor; "ownership interest" of any entity shall mean any direct or indirect ownership, control or profit interests in such entity, including any and all shares, membership interests, general and limited partnership interests, trust interests or other equivalents (regardless of how designated).

(ii) Any material adverse change in the financial condition of any Guarantor or Grantor.

NO ASSIGNMENT. Notwithstanding any other provisions herein to the contrary, Grantor and Borrower agree not to assign any of their rights or obligations hereunder.

JURISDICTION / SERVICE OF PROCESS. Any legal action or proceeding brought by Lender, Borrower or Grantor arising out of or relating to this agreement (a "Proceeding") shall be instituted in the federal court for or the state court sitting in the county where Lender's office (at the address for Lender first set forth above) is located; provided that, notwithstanding the foregoing, Lender shall have the right to bring any Proceeding against any party hereto or its properties in the courts of any other jurisdiction. With respect to any Proceeding, Borrower and Grantor, to the fullest extent permitted by law, each irrevocably: (i) waives any objections that Borrower or Grantor may now or hereafter have based on venue and/or forum non conveniens in such federal or state court (and agrees not to plead or claim the same); (ii) submits to the jurisdiction of any such federal or state court; (iii) agrees that service of process in any Proceeding may be effected by mailing a copy thereof by registered or certified United States mail (or any substantially similar form of United States mail), postage prepaid, to the address for Borrower or Grantor, as applicable, first set forth above; and (iv) agrees that nothing herein shall affect the right to effect service of process in any other manner permitted by law.

MISCELLANEOUS PROVISIONS. The following miscellaneous provisions are a part of this Agreement:

Amendments. This Agreement, together with any Related Documents, constitutes the entire understanding and agreement of the parties as to the matters set forth in this Agreement. No alteration or amendment to this Agreement shall be effective unless given in writing and signed by the party or parties sought to be charged or bound by the alteration or amendment.

Attorneys' Fees; Expenses. Grantor agrees to pay upon demand all of Lender's costs and expenses, including Lender's reasonable attorneys' fees and Lender's legal expenses, incurred in connection with the enforcement of this Agreement. Lender may hire or pay someone else to help enforce this Agreement, and Grantor shall pay the costs and expenses of such enforcement. Costs and expenses include Lender's reasonable attorneys' fees and legal expenses whether or not there is a lawsuit, including Lender's reasonable attorneys' fees and legal expenses for bankruptcy proceedings (including efforts to modify or vacate any automatic stay or injunction), appeals, and any anticipated post-judgment collection services. Grantor also shall pay all court costs and such additional fees as may be directed by the court.

Caption Headings. Caption headings in this Agreement are for convenience purposes only and are not to be used to interpret or define the provisions of this Agreement.

Governing Law. This Agreement will be governed by federal law applicable to Lender and, to the extent not preempted by federal law, the laws of the State of Texas without regard to its conflicts of law provisions. This Agreement has been accepted by Lender in the State of Texas.

Joint and Several Liability. All obligations of Grantor under this Agreement shall be joint and several, and all references to Grantor shall mean each and every Grantor. This means that each Grantor signing below is responsible for all obligations in this Agreement. Where any one or more of the parties is a corporation, partnership, limited liability company or similar entity, it is not necessary for Lender to inquire into the powers of any of the officers, directors, partners, members, or other agents acting or purporting to act on the entity's behalf, and any obligations made or created in reliance upon the professed exercise of such powers shall be guaranteed under this Agreement.

Non-Liability of Lender. The relationship between Grantor and Lender created by this Agreement is strictly a debtor and creditor relationship and not fiduciary in nature, nor is the relationship to be construed as creating any partnership or joint venture between Lender and Grantor. Grantor is exercising Grantor's own judgment with respect to Grantor's business. All information supplied to Lender is for Lender's protection only and no other party is entitled to rely on such information. There is no duty for Lender to review, inspect, supervise or inform Grantor of any matter with respect to Grantor's business. Lender and Grantor intend that Lender may reasonably rely on all information supplied by Grantor to Lender, together with all representations and warranties given by Grantor to Lender, without investigation or confirmation by Lender and that any investigation or failure to investigate will not diminish Lender's right to so rely.

Notice of Lender's Breach. Grantor must notify Lender in writing of any breach of this Agreement or the Related Documents by Lender and any other claim, cause of action or offset against Lender within thirty (30) days after the occurrence of such breach or after the accrual of such claim, cause of action or offset. Grantor waives any claim, cause of action or offset for which notice is not given in accordance with this paragraph. Lender is entitled to rely on any failure to give such notice.

Indemnification of Lender. Grantor agrees to indemnify, to defend and to save and hold Lender harmless from any and all claims, suits, obligations, damages, losses, costs and expenses (including, without limitation, Lender's reasonable attorneys' fees), demands, liabilities, penalties, fines and forfeitures of any nature whatsoever that may be asserted against or incurred by Lender, its officers, directors, employees, and agents arising out of, relating to, or in any manner occasioned by this Agreement and the exercise of the rights and remedies granted Lender under this, as well as by: (1) the ownership, use, operation, construction, renovation, demolition, preservation, management, repair, condition, or maintenance of any part of the Collateral; (2) the exercise of any of Grantor's rights collaterally assigned and pledged to Lender hereunder; (3) any failure of Grantor to perform any of its obligations hereunder; and/or (4) any failure of Grantor to comply with the environmental and ERISA obligations, representations and warranties set forth herein. The foregoing indemnity provisions shall survive the cancellation of this Agreement as to all matters arising or accruing prior to such cancellation and the foregoing indemnity shall survive in the event that Lender elects to exercise any of the remedies as provided under this Agreement following default hereunder. Grantor's indemnity obligations under this section shall not in any way be affected by the presence or absence of covering insurance, or by the amount of such insurance or by the failure or refusal of any insurance carrier to perform any obligation on its part under any insurance policy or policies affecting the Collateral and/or Grantor's business activities. Should any claim, action or proceeding be made or brought against Lender by reason of any event as to which Grantor's indemnification obligations apply, then, upon Lender's demand, Grantor, at its sole cost and expense, shall defend such claim, action or proceeding in Grantor's name, if necessary, by the attorneys for Grantor's insurance carrier (if such claim, action or proceeding is covered by insurance), or otherwise by such attorneys as Lender shall approve. Lender may also engage its own attorneys at its reasonable discretion to defend Grantor and to assist in its defense and Grantor agrees to pay the fees and disbursements of such attorneys.

No Waiver by Lender. Lender shall not be deemed to have waived any rights under this Agreement unless such waiver is given in writing and signed by Lender. No delay or omission on the part of Lender in exercising any right shall operate as a waiver of such right or any other right. A waiver by Lender of a provision of this Agreement shall not prejudice or constitute a waiver of Lender's right otherwise to demand strict compliance with that provision or any other provision of this Agreement. No prior waiver by Lender, nor any course of dealing between Lender and Grantor, shall constitute a waiver of any of Lender's rights or of any of Grantor's obligations as to any future transactions. Whenever the consent of Lender is required under this Agreement, the granting of such consent by Lender in any instance shall not constitute continuing consent to subsequent instances where such consent is required and in all cases such consent may be granted or withheld in the sole discretion of Lender.

Notices. Any notice required to be given under this Agreement shall be given in writing, and shall be effective when actually delivered, when actually received by telefacsimile (unless otherwise required by law), when deposited with a nationally recognized overnight courier, or, if mailed, when deposited in the United States mail, as first class, certified or registered mail postage prepaid, directed to the addresses shown near the beginning of this Agreement. Any party may change its address for notices under this Agreement by giving formal written notice to the other parties, specifying that the purpose of the notice is to change the party's address. For notice purposes, Grantor agrees to keep Lender informed at all times of Grantor's current address. Unless otherwise provided or required by law, if there is more than one Grantor, any notice given by Lender to any Grantor is deemed to be notice given to all Grantors.

Power of Attorney.
