Item 3.02 Unregistered Shares of Equity Securities

From October 2, 2009 through January 15, 2010, Save The World Air, Inc. (the “Company”) issued and sold an aggregate of 63,525 units in a private placement, consisting of an aggregate of \$1,588,125 of 7% Convertible Promissory Notes (the “Notes”) and warrants to purchase an aggregate of 6,352,500 shares of common stock, for a per unit purchase price of \$25,000. An aggregate of \$401,250 of existing liabilities of the Company was converted into units in the private placement. Following such conversions, we received net proceeds from such closing of the private placement of \$1,186,875.

The Notes due January 15, 2012 bear interest at a rate of 7% per annum and are initially convertible into shares of the Company’s common stock at a rate of \$0.25 per share. The Company is prohibited from effecting conversions of the Notes to the extent that as a result of such conversion the holder of the Notes beneficially owns more than 4.99% (or, if such limitation is waived by the holder upon no less than 61 days prior notice to us, 9.99%) in the aggregate of the issued and outstanding shares of our common stock calculated immediately after giving effect to the issuance of shares of common stock upon conversion of the Notes. The Notes also contain provisions that protect the holders against dilution by adjustment of the conversion price in certain events such as stock dividends, stock splits and other similar events.

The Warrants are exercisable for a term of three years at an exercise price of \$0.30 per share. The Warrants also contain a cashless exercise provision. The Company is prohibited from effecting exercises of the Warrants to the extent that as a result of such exercise the holder of the Warrants beneficially owns more than 4.99% (or, if such limitation is waived by the holder upon no less than 61 days prior notice to us, 9.99%) in the aggregate of the issued and outstanding shares of our common stock calculated immediately after giving effect to the issuance of shares of common stock upon exercise of the Warrants. The Warrants also contain provisions that protect the holders against dilution by adjustment of the conversion price in certain events such as stock dividends, stock splits and other similar events.

The offering was made solely to “accredited investors,” as that term is defined in Regulation D under the Securities Act of 1933, as amended (the “Securities Act”). The securities sold in the offering were not registered under the Securities Act, or the securities laws of any state, and were offered and sold in reliance on the exemption from registration afforded by Section 4(2) and Regulation D (Rule 506) under the Securities Act and corresponding provisions of state securities laws, which exempt transactions by an issuer not involving any public offering.

SAVE THE WORLD AIR, INC.

SECURITIES PURCHASE AGREEMENT

This Securities Purchase Agreement (“**Agreement**”) is made as of November 26, 2009, by and between Save The World Air, Inc., a company organized under the laws of the State of Nevada (the “**Company**”), and the purchasers who execute the Purchaser Signature Page (as hereinafter defined) hereto (each, a “**Purchaser**”).

RECITALS

A. The Company desires to obtain funds from each Purchaser in order to provide working capital to fund the Company’s general working capital needs.

B. In order to obtain such funds, the Company is borrowing and in exchange therefore issuing Units (the “**Units**”), each Unit comprised of (i) an unsecured \$25,000 principal amount of 7% Convertible Promissory Note, initially convertible at \$.25 per share (as may be adjusted from time to time, the “**Conversion Price**”) a form of which is annexed hereto as **Exhibit A**, (each a “**Note**,” and collectively, the “**Notes**”), and (ii) Common Stock Purchase Warrants, initially exercisable into at the \$.30 per share, a form of which is annexed hereto as **Exhibit B** (the “**Warrants**”). The Units being acquired herein are being acquired directly from the Company without the benefit of an Escrow Agent or any Placement Agent and there is no minimum required amount to be raised in order for the Company to conduct a Closing and utilize the Purchaser’s funds for a subscription. The Purchaser understands that the Company has raised over \$300,000 of Units on its own, as well as \$75,000 of Notes through a placement agent (which agency has since completed and terminated) and, that the Securities sold are substantially similar to the Units. The Company is further offering to the Purchaser and potential additional purchasers, additional Units through January 15, 2010. The common stock, par value \$.001 per share of the Company (“**Common Stock**”) into which the Notes are convertible are sometimes referred to herein as the Conversion Shares, and the shares of Common Stock into which the Warrants are exercisable are sometimes referred to herein as the “**Warrant Shares**”. The Notes, Warrants, Conversion Shares and Warrant Shares are sometimes referred to herein as the “**Securities**”.

C. Purchasers understand that there is a great deal of risk, illiquidity and uncertainty in the Purchase of the Units herein and that no assurance can be made that the Company will complete its business plans or, if completed, that it will be successful in doing so or that the Company will be successful with its other offerings. Purchasers also understand that the Company is dependant on its ability to raise substantial additional capital and that additional securities such as any one or more of the Securities, or securities at different or senior or more favorable terms, may be sold.

D. The Purchasers are investing herein on an irrevocable basis, without the benefit of an escrow agent or escrow account and without the benefit of any minimum closing amount. All funds reflecting subscriptions are being deposited immediately directly with the Company in accordance with the wire instructions annexed hereto as **Exhibit C**. All funds deposited will become immediately available for use by the Company or may be attacked or attached by creditors upon deposit regardless of whether a closing has occurred or the minimum has been raised. The Purchaser’s acknowledge and agree that their subscriptions are irrevocable and binding commitments on the part of the Purchaser and that once their funds have been tendered with appropriate subscription documents and the minimum offering amount has been raised in accepted funds and subscriptions, the Company may conduct a Closing without any consent of or notice to Purchasers. The Company may reject any subscriptions in whole or in part for any reason or for no reason but shall return funds to the extent not closed upon prior to January 15, 2010. This offering shall be terminated at January 15, 2010 unless earlier terminated by the Company.

AGREEMENT

NOW THEREFORE, based on the mutual premises and consideration of the parties, it is agreed as follows:

1. PURCHASE AND SALE OF NOTES.

1.1 Purchase and Sale. In reliance upon the representations and warranties of the Company and each Purchaser contained herein and subject to the terms and conditions set forth herein, at Closing (as hereinafter defined), each Purchaser hereby agrees to purchase, and the Company shall sell and issue to each Purchaser, the Units comprised of Notes and Warrants as set forth on the signature page annexed to the end of this Agreement (the "**Purchaser Signature Page**") at a purchase price equal to the principal amount of Notes being acquired (the "**Purchase Price**") as set forth in Section 1.2 below. After the initial minimum amount of Units are sold at a Closing in this offering, the Company may accept additional Purchasers in Closings from time to time without notice to or consent of any investor, until the maximum offering amount (inclusive of the over-allotment option) is sold hereby.

1.2 Notes and Warrants. At Closing, the Company will issue and deliver to the Purchaser as listed on the Purchaser Signature Page hereto, the (i) Notes for the principal amount of Notes subscribed for and, (ii) Warrants to acquire such number of shares of common stock of the Company (the "**Common Stock**") as equals the principal amount of Notes acquired and accepted divided by the initial Conversion Price of \$.25 per share (the "**Warrant Shares**"), and exercisable at \$.30 per share (the "**Exercise Price**") commencing six months after the issuance date at any time prior to the three year anniversary of the first Closing of this offering. The Notes and Warrants comprising the Units are substantially similar to those Notes and Warrants offered and sold to other Purchasers in previously reported offerings of the Company.

2. CLOSING.

2.1 Date and Time.

(a) The sale of Notes and Warrants will take place at the discretion of the Company, upon receipt of cleared funds represented by subscriptions accepted by the Company (the "**Closing**") subject to the satisfaction of all the parties hereto of their obligations herein. There is no minimum offering amount to the number of Units that may be sold prior to a closing of the sale of the Units hereby. The Purchaser(s) shall each submit an executed copy of this Agreement to the Company along with the Purchase Price in advance of Closing, which shall be by the Company at the account set forth in Exhibit C, which account is operated by the Company and is not a segregated account. The Closing shall take place from time to time at the discretion of the Company at such place as the Company shall agree in writing, on or before January 15, 2010 unless otherwise terminated early by the Company or extended by it for up to 30 days (the "**Termination Date**"). In the event that the Company desires to extend the offering period beyond January 15, 2010, consent of each Purchaser shall be required.

(b) There is no minimum offering amount in this private offering and purchasers will not have an opportunity to approve of a Closing or request refund of any moneys held in escrow until the final closing has occurred or offering period has terminated. In the event that funds are returned if a Closing does not occur on such Purchaser's investment, no interest shall be paid and only the net amount received by the Company need be repaid. Purchaser's acknowledge and agree that their subscriptions are irrevocable and binding commitments on the part of the Purchaser and that once their funds have been tendered to escrow with the appropriate subscription documents and the minimum offering amount has been raised in accepted funds and subscriptions, the Company may conduct a closing and utilize funds therefore. The Company may reject any subscriptions in whole or in part for any reason or for no reason, or, retains the right to hold the same in escrow for acceptance or rejection at a future closing, until termination of the offering, at which time, any unused subscription funds shall be returned to Purchaser.

3. REPRESENTATIONS AND WARRANTIES OF THE COMPANY.

As a material inducement to each Purchaser to enter into this Agreement and to purchase the Units, the Company represents and warrants that the following statements are true and correct in all material respects as of the date hereof and will be true and correct in all material respects at Closing, except as expressly qualified or modified herein or as specifically updated in the Company's recently filed Current Reports on Form 8-K, or Quarterly Report on Form 10-Q for the period ended September 30, 2009.

All outstanding shares of the company's capital stock have been duly authorized and validly issued, and are fully paid and non-assessable, and are free of any preemptive rights. The Company has not entered into any agreement, or granted any right to any party, that results or would result in, the Company's obligation to redeem or repurchase any securities or issue any dividends. The shares issuable upon conversion of the Notes and upon exercise of the Warrants are, duly authorized and reserved for issuance and, upon issuance upon due conversion of the Notes or due exercise of the Warrants, will be deemed validly issued and fully paid.

3.6 Securities Law Compliance. Assuming the accuracy of the representations and warranties of each Purchaser set forth in this Agreement and the Questionnaire, the offer, issue, sale and delivery of the Notes and Warrants will constitute an exempted transaction under the Securities Act of 1933, as amended and now in effect (the "**Securities Act**"), and registration of the Notes, Warrants, or the issuance of the Conversion Shares (upon conversion of the Note) or Warrant Shares (upon due exercise thereof), under the Securities Act is not required. The Company shall make such filings as may be necessary to comply with the Federal securities laws and the "blue sky" laws of any state or other jurisdictions where filings must be made, which filings will be made in a timely manner.

3.7 Tax Matters. The Company has timely prepared and filed all tax returns required to have been filed by the Company with all appropriate governmental agencies and timely paid all taxes shown thereon or otherwise owed by it. The charges, accruals and reserves on the books of the Company in respect of taxes for all fiscal periods are adequate in all material respects, and there are no material unpaid assessments against the Company nor, to the Company's Knowledge, any basis for the assessment of any additional taxes, penalties or interest for any fiscal period or audits by any federal, state or local taxing authority except for any assessment which is not material to the Company, taken as a whole. 3.11 No Integrated Offering. Neither the Company nor any of its Affiliates, nor any Person acting on its or their behalf has, directly or indirectly, made any offers or sales of any Company security or solicited any offers to buy any security, under circumstances that would adversely affect reliance by the Company on Section 4(2) for the exemption from registration for the transactions contemplated hereby or would require registration of the Securities under the Securities Act. For purposes of this Agreement, “**Affiliate**” means, with respect to any Person, any other Person which directly or indirectly through one or more intermediaries controls, is controlled by, or is under common control with, such Person.

3.12 Questionable Payments. 3.14 Disclosures. The written materials delivered to the Purchasers in connection with the transactions contemplated by the Transaction Documents do not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements contained therein, in light of the circumstances under which they were made, not misleading.

4. REPRESENTATIONS AND WARRANTIES OF EACH PURCHASER.

Each Purchaser hereby represents, warrants and covenants with the Company as follows. For avoidance of doubt, these warranties and representations are made to Purchasers:

4.1 Legal Power. Each Purchaser has the requisite individual, corporate, partnership, limited liability company, trust, or fiduciary power, as appropriate, and is authorized, if such Purchaser is a corporation, partnership, limited liability company, or trust, to enter into this Agreement, to purchase the Units hereunder, and to carry out and perform its obligations under the terms of the Transaction Documents to which it is a party.

4.2 Due Execution. This Agreement and the other Transaction Documents have been duly authorized, if such Purchaser is a corporation, partnership, limited liability company, trust or fiduciary, executed and delivered by such Purchaser, and, upon due execution and delivery by the Company, this Agreement and such other Transaction Documents will be a valid and binding agreement of such Purchaser.

4.3 Access to Information. Purchaser has thoroughly reviewed this Agreement including, without limitation, Section 3 which discloses certain material information about the Company and Section 6. Each Purchaser represents that such Purchaser has been given full and complete access to the Company and to all materials relating to the business, finances and operations of the Company and materials relating to the offer and sale of the Notes and Warrants and the issuance of Conversion Shares and/or Warrant Shares upon conversion or exercise thereof, which have been requested by Purchaser or its advisors. Each Purchaser represents that such Purchaser has been afforded the opportunity to ask questions of, and has inquired with, the officers of the Company regarding its business prospects and the Notes, all as such Purchaser or such Purchaser's qualified representative have found necessary to make an informed investment decision to purchase the Units. Neither such inquiries nor any other due diligence investigation conducted by Purchaser or any of its advisors or representatives shall modify, amend or affect purchaser's right to rely on the Company's representations and warranties contained herein. The Purchaser understands that an investment in the Units involves a significant degree of risk and illiquidity. The Purchaser understands further that the Conversion Shares and Warrant Shares when issued will also be restricted securities, and may only be re-sold pursuant to an exemption from the registration requirements of the Securities Act that may or may not be available at such time, and, that even if the Company is successful and succeeds with its business plan, no assurance can be made that the securities of the Company will be liquid or will increase in market price.

4.4 Restricted Securities.

4.4.1 Each Purchaser has been advised that none of the Notes, Warrants, Conversion Shares or Warrant Shares (collectively, the "Securities") have been registered under the Securities Act or any other applicable securities laws and that Securities are being offered and sold pursuant to Section 4(2) of the Securities Act and/or Rule 506 of Regulation D thereunder or such other exemption as may be available from the Securities Act registration requirements as may be available from time to time, and that the Company's reliance upon Section 4(2) and/or Rule 506 of Regulation D is predicated in part on such Purchaser's representations as contained herein. Each Purchaser acknowledges that the Notes and Warrants, and upon conversion or exercise thereof, the Conversion Shares and the Warrant Shares when issued, will be issued as "restricted securities" as defined by Rule 144 promulgated pursuant to the Securities Act. None of the Securities may be resold in the absence of an effective registration thereof under the Securities Act and applicable state securities laws unless, in the opinion of the Company's counsel, an applicable exemption from registration is available.

4.4.2 Each Purchaser represents that such Purchaser is acquiring the Securities for such Purchaser's own account, and not as nominee or agent, for investment purposes only and not with a view to, or for sale in connection with, a distribution, as that term is used in Section 2(11) of the Securities Act, in a manner which would require registration under the Securities Act or any state securities laws.

4.4.3 Each Purchaser understands and acknowledges that the Notes and Warrants, and if and when issued, the Conversion Shares will bear substantially the following legend:

NEITHER THE ISSUANCE AND SALE OF THE SECURITIES REPRESENTED BY THIS NOTE NOR THE SECURITIES INTO WHICH THESE SECURITIES ARE CONVERTIBLE HAVE BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR APPLICABLE STATE SECURITIES LAWS. THE SECURITIES MAY NOT BE OFFERED FOR SALE, SOLD, TRANSFERRED OR ASSIGNED (I) IN THE ABSENCE OF (A) AN EFFECTIVE REGISTRATION STATEMENT FOR THE SECURITIES UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR (B) AN OPINION OF COUNSEL, IN A GENERALLY ACCEPTABLE FORM, THAT REGISTRATION IS NOT REQUIRED UNDER SAID ACT OR (II) UNLESS SOLD PURSUANT TO RULE 144 OR RULE 144A UNDER SAID ACT. NOTWITHSTANDING THE FOREGOING, THE SECURITIES MAY BE PLEDGED IN CONNECTION WITH A BONA FIDE MARGIN ACCOUNT OR OTHER LOAN OR FINANCING ARRANGEMENT SECURED BY THE SECURITIES.

4.4.4 Each Purchaser acknowledges that an investment in any of the Securities are not liquid and are transferable only under limited conditions. Each Purchaser acknowledges that such securities must be held indefinitely unless they are subsequently registered under the Securities Act or an exemption from such registration is available. Each Purchaser is aware of the provisions of Rule 144 promulgated under the Securities Act, which permits limited resale of restricted securities subject to the satisfaction of certain conditions and that such Rule is not now available and, in the future, may not become available for resale of any of the Notes or Conversion Shares.

4.4.5 Each Purchaser is an “accredited investor” as defined under Rule 501(a) of Regulation D of the Securities Act (an “**Accredited Investor**”).

4.4.6 The representations made by each Purchaser on the Purchaser Signature Page and in the questionnaire immediately preceding the same (the “**Questionnaire**”) are true and correct and do not omit any material information.

4.5 Purchaser Sophistication and Ability to Bear Risk of Loss. Each Purchaser acknowledges that it is able to protect its interests in connection with the acquisition of the Notes and Warrants and other Securities and can bear the economic risk of investment in such Securities without producing a material adverse change in such Purchaser’s financial condition. Each Purchaser, either alone or with such Purchaser’s representative(s), otherwise has such knowledge and experience in financial or business matters that such Purchaser is capable of evaluating the merits and risks of the investment in the Notes.

4.6 Preexisting Relationship. Each Purchaser has a preexisting personal or business relationship with the Company, one or more of its officers, directors, or controlling persons.

4.7 Purchases by Groups. Each Purchaser represents, warrants and covenants that it is not acquiring the Securities as part of a group within the meaning of Section 13(d)(3) of the Securities Exchange Act of 1934, as amended.

4.8 Placement Agent Review. Each Purchaser acknowledges that placement agent or representative of the purchasers has independently verified the accuracy, completeness, materiality or otherwise, of any information, representation or warranty contained in this Purchase Agreement or any offering documents provided, that such placement agent related entities and their principals shall have no liability for any representation (express or implied) contained in, or for any omissions from, the Purchase Agreement or any offering documents provided or any other written or oral communications transmitted to the recipient in the course of his or her evaluation of the investment, and that it is understood that each prospective investor will make an independent investigation and analysis of a potential investment in the Company and will be relying upon same in making any such investment.

5. COVENANTS OF THE COMPANY.

5.1 Use of Proceeds. The Company intends to employ the net proceeds from the purchase and sale of the Units (after legal, blue-sky, and related fees) for general working capital purposes and research and development only (inclusive or repayment of payables incurred in the ordinary course of business).

5.2 Best Efforts. The parties shall use their best efforts to satisfy timely each of the conditions described herein as applicable to them.

5.3 Form D; Blue Sky Laws. The Company agrees to file a Form D with respect to the Notes and Warrants as required under Regulation D and to provide a copy thereof to each Purchaser promptly after such filing.

The term “**Change of Control**” shall mean any merger or consolidation, business transaction or similar transaction in which securities possessing more than fifty percent (50%) of the total combined voting power of the Company’s outstanding securities are transferred to a person or persons different from the persons holding those securities immediately prior to such transaction, whether or not the Company or a subsidiary is the surviving corporation or other transaction wherein the Company becomes a material or controlling stockholder of any other corporation. Notwithstanding the foregoing, the Company may raise capital in the form of debt, convertible debt or equity financings;

5.6.2 sell, transfer or otherwise dispose of more than 50% of the consolidated assets of the Company

(computed either on the basis of book value, as determined in accordance with generally accepted accounting principles consistently applied, or fair market value) in any transaction or series of related transactions outside of the ordinary course of the Company's business consistent with past practice;

5.6.4 declare or pay any distribution or dividend, in cash or otherwise on any of the Shares of the Company, or redeem, purchase or otherwise acquire any of its Shares now or hereafter outstanding;

provided, however, that the Company may take any of the foregoing actions without the consent of the Purchasers in connection with, if contemporaneous with the consummation of such action, the Notes are converted in accordance with their terms, and Section 5.5 above is complied with.

5.7.1 Upon the conversion of a Note or part thereof, the Company shall, at its own cost and expense, take all commercially reasonable action, including obtaining and delivering, an opinion of counsel to assure that the Company's transfer agent shall issue stock certificates in the name of Purchaser (or its permitted nominee) or such other persons as designated by Purchaser and in such denominations to be specified at conversion representing the number of shares of Common Stock issuable upon such conversion. The Company warrants that no instructions other than these instructions have been or will be given to the transfer agent of the Company's Common Stock and that the certificates representing such shares shall contain no legend other than the usual Securities Act restriction from transfer legend.

5.7.2 A Purchaser will give notice of its decision to exercise its right to convert the Note, interest, or part thereof by telecopying, or otherwise delivering a completed Notice of Conversion (a form of which is annexed as "Exhibit A" to the Note) to the Company via confirmed telecopier transmission or otherwise pursuant to Section 13(a) of this Agreement. Such Purchaser will not be required to surrender the Note until the Note has been fully converted or satisfied. Each date on which a Notice of Conversion is telecopied to the Company in accordance with the provisions hereof by 6 PM Eastern Time ("ET") (or if received by the Company after 6 PM ET or at any time or a non-business day then the next business day) shall be deemed a "Conversion Date." The Company will itself or cause the Company's transfer agent to transmit the Company's Common Stock certificates representing the Shares issuable upon conversion of the Note to such Purchaser via express courier for receipt by such Purchaser within ten (10) business days after receipt by the Company of the Notice of Conversion (such seventh day being the "Delivery Date"). In the event the Conversion Shares are electronically transferable, then delivery of the Shares must be made by electronic transfer provided request for such electronic transfer has been made by the Purchaser. A Note representing the balance of the Note not so converted will be provided by the Company to such Purchaser if requested by Purchaser, provided such Purchaser delivers the original Note to the Company. In the event that a Purchaser elects not to surrender a Note for reissuance upon partial payment or conversion of a Note, such Purchaser hereby indemnifies the Company against any and all loss or damage attributable to a third-party claim in an amount in excess of the actual amount then due under the Note.

5.7.3 Delivery of Shares. In lieu of delivering physical certificates representing the Unlegended Shares, upon request of a Purchaser, so long as the certificates therefore do not bear a legend and the Purchaser is not obligated to return such certificate for the placement of a legend thereon, the Company will undertake commercially reasonable efforts cause its transfer agent to electronically transmit the Unlegended Shares by crediting the account of Purchaser's prime broker with the Depository Trust Company through its Deposit Withdrawal Agent Commission system, if such transfer agent participates in such DWAC system. Such delivery must be made on or before the Unlegended Shares Delivery Date.

5.8. Exchange of Notes for New Securities Issued in Subsequent Offering. In lieu of offering cash, such Note holder shall tender the Note with the duly executed subscription documents provided to all investors in such Follow On Offering, and a notice indicating the dollar amount of principal and interest being applied, and the Company shall, at closing of such Follow On Offering, issue to such holder any securities acquired by such holder in such offering, and a Note certificate reflecting the remaining principal and interest owed, if any. In the event that the holder of the Notes elects not to so convert, such holder may do so in whole or in part from time to time, until the Note is either repaid or fully exchanged for securities issued in Follow On Offerings. Nothing herein shall be deemed to prohibit any early repayment of the Notes without penalty.

7% CONVERTIBLE PROMISSORY NOTE

FOR VALUE RECEIVED, SAVE THE WORLD AIR, INC., a Nevada corporation (hereinafter called "**Borrower**"), hereby promises to pay to [____], [____], (the "**Holder**") or its registered assigns or successors in interest or order, without demand, the sum of [____] (\$[____]) ("**Principal Amount**"), with interest compounded quarterly at the annual rate of seven percent (7%) on **January 15, 2012** (the "**Maturity Date**"), if not sooner paid.

This Note has been entered into pursuant to the terms of a Securities Purchase Agreement between the Borrower, the Holder and certain other holders (the "**Other Holders**") of convertible promissory notes (the "**Other Notes**") and Common Stock Purchase Warrants, dated of even date herewith (the "**Subscription Agreement**"), and shall be governed by the terms of such Subscription Agreement. Unless otherwise separately defined herein, all capitalized terms used in this Note shall have the same meaning as is set forth in the Subscription Agreement. The following terms shall apply to this Note:

ARTICLE I

INTEREST

1.1. **Interest Rate.** Interest on this Note shall compound quarterly and shall accrue at the annual rate of seven percent (7%). Interest will be payable commencing January 15, 2010 and on the last business day of each calendar quarter thereafter and on the Maturity Date, accelerated or otherwise, when the principal and remaining accrued but unpaid interest shall be due and payable, or sooner as described below. Interest will be payable in cash, or at the election of the Borrower, and subject to Section 2.2, with shares of Common Stock at a per share value equal to the Conversion Price set forth in Section 2.1. Interest may be paid at the Company's election in cash, registered Common Stock or Common Stock immediately to the extent resellable pursuant to Rule 144 to the extent such share issuance is not limited by transfer or volume restrictions.

1.2. Default Interest Rate. Following the occurrence and during the continuance of an Event of Default, which, if susceptible to cure is not cured within the cure periods (if any) set forth in Article III, otherwise then from the first date of such occurrence until cured, the annual interest rate on this Note shall (subject to Section 4.7) be ten percent (10%), and be due on demand.

ARTICLE II

CONVERSION RIGHTS

2.1. Holder's Conversion Rights. Subject to Section 2.2, for so long as this Note remains outstanding and not fully paid, the Holder shall have the right, but not the obligation, to convert all or any portion of the then aggregate outstanding Principal Amount of this Note, together with interest, into shares of Common Stock, subject to the terms and conditions set forth in this Article III, at the rate of \$0.25 per share of Common Stock ("**Conversion Price**"), as the same may be adjusted pursuant to this Note. The Holder may exercise such right by delivery to the Borrower of a written Notice of Conversion pursuant to Section 2.3.

2.2. Conversion Limitation. Neither Holder nor the Borrower may convert on any date that amount of the Note Principal or interest in connection with that number of shares of Common Stock which would be in excess of the sum of (i) the number of shares of Common Stock beneficially owned by the Holder and its affiliates on a Conversion Date, (ii) any Common Stock issuable in connection with the unconverted portion of the Note, and (iii) the number of shares of Common Stock issuable upon the conversion of the Note with respect to which the determination of this provision is being made, which would result in beneficial ownership by the Holder and its affiliates of more than 4.99% of the outstanding shares of Common Stock of the Borrower on such Conversion Date. For the purposes of the provision to the immediately preceding sentence, beneficial ownership shall be determined in accordance with Section 13(d) of the Securities Exchange Act of 1934, as amended, and Regulation 13d-3 thereunder. Subject to the foregoing, the Holder shall not be limited to aggregate conversions of only 4.99% and aggregate conversion by the Holder may exceed 4.99%. The Holder shall have the authority and obligation to determine whether the restriction contained in this Section 2.2 will limit any conversion hereunder and to the extent that the Holder determines that the limitation contained in this Section applies, the determination of which portion of the Notes are convertible shall be the responsibility and obligation of the Holder. The Holder may waive the conversion limitation described in this Section 2.2, in whole or in part, upon and effective after 61 days prior written notice to the Borrower to increase such percentage to up to 9.99%. Once a Holder has waived this limitation, the same shall be deemed waived for all other future conversions, warrant exercises, or share issuances by the Holder.

2.3. Mechanics of Holder's Conversion.

(a) In the event that the Holder elects to convert any amounts outstanding under this Note into Common Stock, the Holder shall give notice of such election by delivering an executed and completed notice of conversion (a "**Notice of Conversion**") to the Borrower, which Notice of Conversion shall provide a breakdown in reasonable detail of the Principal Amount, accrued interest and amounts being converted. The original Note is not required to be surrendered to the Borrower until all sums due under the Note have been paid. On each Conversion Date (as hereinafter defined) and in accordance with its Notice of Conversion, the Holder shall make the appropriate reduction to the Principal Amount, accrued interest and fees as entered in its records. Each date on which a Notice of Conversion is delivered or telecopied to the Borrower in accordance with the provisions hereof shall be deemed a "Conversion Date." A form of Notice of Conversion to be employed by the Holder is annexed hereto as Exhibit A.

(b) Pursuant to the terms of a Notice of Conversion, the Borrower will issue instructions to the transfer agent accompanied by an opinion of counsel (if so required by the Borrower's transfer agent), to issue the Conversion Shares as provided in the Subscription Agreement.

2.4. Adjustments to Conversion Price.

(a) The number of shares of Common Stock to be issued upon each conversion of this Note pursuant to this Article II shall be determined by dividing that portion of the Principal Amount and interest and fees to be converted, if any, by the then applicable Conversion Price. Notwithstanding the foregoing, in the event that any principal or interest is applied towards an investment in a Follow On Offering, the principal and interest shall entitle the Holder converting the same to the securities offered in such Follow On Offering at the same price offered to other investors therein as provided in the Subscription Agreement.

(b) The Conversion Price and number and kind of shares or other securities to be issued upon conversion shall be subject to adjustment from time to time as described in the Subscription Agreement and upon the happening of certain events while this conversion right remains outstanding, as follows:

A. Merger, Sale of Assets, etc. If (A) the Company effects any merger or consolidation of the Company with or into another entity, (B) the Company effects any sale of all or substantially all of its assets in one or a series of related transactions, (C) any tender offer or exchange offer (whether by the Company or another entity) is completed pursuant to which holders of Common Stock are permitted to tender or exchange their shares for other securities, cash or property, (D) the Company consummates a stock purchase agreement or other business combination (including, without limitation, a reorganization, recapitalization, spin-off or scheme of arrangement) with one or more persons or entities whereby such other persons or entities acquire more than the 50% of the outstanding shares of Common Stock (not including any shares of Common Stock held by such other persons or entities making or party to, or associated or affiliated with the other persons or entities making or party to, such stock purchase agreement or other business combination), (E) any "person" or "group" (as these terms are used for purposes of Sections 13(d) and 14(d) of the 1934 Act) is or shall become the "beneficial owner" (as defined in Rule 13d-3 under the 1934 Act), directly or indirectly, of 50% of the aggregate Common Stock of the Company (other than through open market purchases), or (F) the Company effects any reclassification of the Common Stock or any compulsory share exchange pursuant to which the Common Stock is effectively converted into or exchanged for other securities, cash or property (in any such case, a "Fundamental Transaction"), this Note, as to the unpaid principal portion thereof and accrued interest thereon, shall thereafter be deemed to evidence the right to convert into such number and kind of shares or other securities and property as would have been issuable or distributable on account of such Fundamental Transaction, upon or with respect to the securities subject to the conversion right immediately prior to such Fundamental Transaction. The foregoing provision shall similarly apply to successive Fundamental Transactions of a similar nature by any such successor or purchaser. Without limiting the generality of the foregoing, the anti-dilution provisions of this Section shall apply to such securities of such successor or purchaser after any such Fundamental Transaction.

B. Reclassification, etc. If the Borrower at any time shall, by reclassification or otherwise, change the Common Stock into the same or a different number of securities of any class or classes, this Note, as to the unpaid principal portion hereof and accrued interest hereon, shall thereafter be deemed to evidence the right to convert into an adjusted number of such securities and kind of securities as would have been issuable as the result of such change with respect to the Common Stock immediately prior to such reclassification or other change.

C. Stock Splits, Combinations and Dividends. If the shares of Common Stock are subdivided or combined into a greater or smaller number of shares of Common Stock, or if a dividend is paid on the Common Stock in shares of Common Stock, the Conversion Price shall be proportionately reduced in case of subdivision of shares or stock dividend or proportionately increased in the case of combination of shares, in each such case by the ratio which the total number of shares of Common Stock outstanding immediately after such event bears to the total number of shares of Common Stock outstanding immediately prior to such event.

(c) Whenever the Conversion Price is adjusted pursuant to Section 2.4(b) above, the Borrower shall promptly mail to the Holder a notice setting forth the Conversion Price after such adjustment and setting forth a statement of the facts requiring such adjustment.

(d) Nothing herein shall be deemed a waiver or consent of the Holders to the taking of any action by the Company set forth in Section 5 of the Subscription Agreement.

2.5. Reservation. During the period the conversion right exists, Borrower will make best efforts, to reserve from its authorized and unissued Common Stock not less than one hundred and ten percent (120%) of the number of shares to provide for the issuance of Common Stock upon the full conversion of this Note. Borrower represents that upon issuance, such shares will be duly and validly issued, fully paid and non-assessable. Borrower acknowledges that it may be required to amend its Articles of Incorporation so as to increase its authorized capital from time to time in order to satisfy this covenant, and agrees to make best efforts to make such filings, proxy or information statement distributions, and obtain such board, shareholder or other third party consents as are necessary from time to time to maintain the adequate number of Common Stock reserved and available for issuance.

2.6 Issuance of Replacement Note. Upon any partial conversion of this Note, a replacement Note containing the same date and provisions of this Note shall, at the written request of the Holder, be issued by the Borrower to the Holder for the outstanding Principal Amount of this Note and accrued interest which shall not have been converted or paid, provided Holder has surrendered an original Note to the Borrower. In the event that the Holder elects not to surrender a Note for reissuance upon partial payment or conversion, the Holder hereby indemnifies the Borrower against any and all loss or damage attributable to a third-party claim in an amount in excess of the actual amount then due under the Note, and the Borrower is hereby expressly authorized to offset any such amounts mutually agreed upon by Borrower and Holder or pursuant to a judgment in Borrower's favor against amounts then due under the Note.

ARTICLE III

EVENTS OF DEFAULT

The occurrence of any of the following events of default (“**Event of Default**”) shall, at the option of the Holder hereof, make all sums of principal and interest then remaining unpaid hereon and all other amounts payable hereunder immediately due and payable, upon demand, without presentment, or grace period, all of which hereby are expressly waived, except as set forth below:

FORM OF COMMON STOCK PURCHASE WARRANT

Warrant September –[001]

Issue Date: January __, 2010

SAVE THE WORLD AIR, INC., a corporation organized under the laws of the State of Nevada (the “**Company**”), hereby certifies that, for value received, _____, _____, or its assigns (the “**Holder**”), is entitled, subject to the terms set forth below, to purchase from the Company at any time commencing six months after the Issue Date until 5:00 p.m., E.S.T on January __, 2013 (the “**Expiration Date**”), up to _____ fully paid and nonassessable shares of Common Stock at a per share purchase price of \$0.30. The afore described purchase price per share, as adjusted from time to time as herein provided, is referred to herein as the “**Purchase Price**.” The number and character of such shares of Common Stock and the Purchase Price are subject to adjustment as provided herein. The Company may reduce the Purchase Price for some or all of the Warrants, temporarily or permanently. Capitalized terms used and not otherwise defined herein shall have the meanings set forth in that certain Securities Purchase Agreement (the “**Subscription Agreement**”), dated as of November 26, 2009, entered into by the Company and the Holder.

As used herein the following terms, unless the context otherwise requires, have the following respective meanings:

- (a) The term “**Company**” shall include Save the World Air, Inc. and any corporation which shall succeed or assume the obligations of Save the World Air, Inc. hereunder.
- (b) The term “**Common Stock**” includes (a) the Company's Common Stock, \$.001 par value per share, as authorized on the date of the Subscription Agreement, and (b) any other securities into which or for which any of the securities described in (a) may be converted or exchanged pursuant to a plan of recapitalization, reorganization, merger, sale of assets or otherwise.
- (c) The term “**Other Securities**” refers to any stock (other than Common Stock) and other securities of the Company or any other person (corporate or otherwise) which the holder of the Warrant at any time shall be entitled to receive, or shall have received, on the exercise of the Warrant, in lieu of or in addition to Common Stock, or which at any time shall be issuable or shall have been issued in exchange for or in replacement of Common Stock or Other Securities pursuant to Section 4 or otherwise.

(d) The term “**Warrant Shares**” shall mean the Common Stock issuable upon exercise of this Warrant.

1. Exercise of Warrant.

1.1. Number of Shares Issuable upon Exercise. From and after the Issue Date through and including the Expiration Date, the Holder hereof shall be entitled to receive, upon exercise of this Warrant in whole in accordance with the terms of subsection 1.2 or upon exercise of this Warrant in part in accordance with subsection 1.3, shares of Common Stock of the Company, subject to adjustment pursuant to Section 4.

1.2. Full Exercise. This Warrant may be exercised in full by the Holder hereof by delivery of an original or facsimile copy of the form of subscription attached as Exhibit A hereto (the “**Subscription Form**”) duly executed by such Holder and delivery within two days thereafter of payment, in cash, wire transfer or by certified or official bank check payable to the order of the Company, in the amount obtained by multiplying the number of shares of Common Stock for which this Warrant is then exercisable by the Purchase Price then in effect. The original Warrant is not required to be surrendered to the Company until it has been fully exercised.

1.3. Partial Exercise. This Warrant may be exercised in part (but not for a fractional share) by delivery of a Subscription Form in the manner and at the place provided in subsection 1.2 except that the amount payable by the Holder on such partial exercise shall be the amount obtained by multiplying (a) the number of whole shares of Common Stock designated by the Holder in the Subscription Form by (b) the Purchase Price then in effect. On any such partial exercise provided the Holder has surrendered the original Warrant, the Company, at its expense, will forthwith issue and deliver to or upon the order of the Holder hereof a new Warrant of like tenor, in the name of the Holder hereof or as such Holder (upon payment by such Holder of any applicable transfer taxes) may request, the whole number of shares of Common Stock for which such Warrant may still be exercised.

1.4. Fair Market Value. Fair Market Value of a share of Common Stock as of a particular date (the “**Determination Date**”) shall mean:

(a) If the Company's Common Stock is traded on an exchange or is quoted on the NASDAQ Global Market, Nasdaq Global Select Market, the NASDAQ Capital Market, the New York Stock Exchange, the American Stock Exchange, LLC, OTC Bulletin Board, or Pink Sheets LLC, then the average of the closing or last sale prices, respectively, reported for the ten trading days immediately preceding the Determination Date;

(b) If the Company's Common Stock is not traded on an exchange or on the NASDAQ Global Market, Nasdaq Global Select Market, the NASDAQ Capital Market, the New York Stock Exchange, the American Stock Exchange, LLC, OTC Bulletin Board, or Pink Sheets LLC, but is traded in the over-the-counter market, then the average of the closing bid and ask prices reported for the ten trading days immediately preceding the Determination Date;

(c) Except as provided in clause (d) below and Section 3.1, if the Company's Common Stock is not publicly traded, then as the Holder and the Company agree, or in the absence of such an agreement, by arbitration in accordance with the rules then standing of the American Arbitration Association, before a single arbitrator to be chosen from a panel of persons qualified by education and training to pass on the matter to be decided with such arbitration to be conducted in New York City, New York; or

(d) If the Determination Date is the date of a liquidation, dissolution or winding up, or any event deemed to be a liquidation, dissolution or winding up pursuant to the Company's charter, then all amounts to be payable per share to holders of the Common Stock pursuant to the charter in the event of such liquidation, dissolution or winding up, plus all other amounts to be payable per share in respect of the Common Stock in liquidation under the charter, assuming for the purposes of this clause (d) that all of the shares of Common Stock then issuable upon exercise of all of the Warrants are outstanding at the Determination Date.

1.5. Company Acknowledgment. The Company will, at the time of the exercise of the Warrant, upon the request of the Holder hereof acknowledge in writing its continuing obligation to afford to such Holder any rights to which such Holder shall continue to be entitled after such exercise in accordance with the provisions of this Warrant. If the Holder shall fail to make any such request, such failure shall not affect the continuing obligation of the Company to afford to such Holder any such rights.

1.6. Trustee for Warrant Holders. In the event that a bank or trust company shall have been appointed as trustee for the Holder of the Warrants pursuant to Subsection 3.2, such bank or trust company shall have all the powers and duties of a warrant agent (as hereinafter described) and shall accept, in its own name for the account of the Company or such successor person as may be entitled thereto, all amounts otherwise payable to the Company or such successor, as the case may be, on exercise of this Warrant pursuant to this Section 1.

1.7. Delivery of Stock Certificates, etc. on Exercise. The Company agrees that the shares of Common Stock purchased upon exercise of this Warrant shall be deemed to be issued to the Holder hereof as the record owner of such shares as of the close of business on the date on which delivery of a Subscription Form shall have occurred and payment made for such shares as aforesaid. As soon as practicable after the exercise of this Warrant in full or in part, and in any event within ten (10) business days thereafter (“**Warrant Share Delivery Date**”), the Company at its expense (including the payment by it of any applicable issue taxes) will cause to be issued in the name of and delivered to the Holder hereof, or as such Holder (upon payment by such Holder of any applicable transfer taxes) may direct in compliance with applicable securities laws, a certificate or certificates for the number of duly and validly issued, fully paid and non-assessable shares of Common Stock (or Other Securities) to which such Holder shall be entitled on such exercise, plus, in lieu of any fractional share to which such Holder would otherwise be entitled, cash equal to such fraction multiplied by the then Fair Market Value of one full share of Common Stock, together with any other stock or other securities and property (including cash, where applicable) to which such Holder is entitled upon such exercise pursuant to Section 1 or otherwise. The Company understands that a delay in the delivery of the Warrant Shares after the Warrant Share Delivery Date could result in economic loss to the Holder. The Company shall not, however, be responsible for any out of pocket or potential lost profits as a result of a decline in stock price during any delay. Furthermore, in addition to any other remedies which may be available to the Holder, in the event that the Company fails for any reason to effect delivery of the Warrant Shares by the Warrant Share Delivery Date, the Holder may revoke all or part of the relevant Warrant exercise by delivery of a notice to such effect to the Company, whereupon the Company and the Holder shall each be restored to their respective positions immediately prior to the exercise of the relevant portion of this Warrant.

2. Cashless Exercise.

(a) This Warrant may be exercised in whole or in part either in (i) cash, wire transfer or by certified or official bank check payable to the order of the Company equal to the applicable aggregate Purchase Price, (ii) by delivery of Common Stock issuable upon exercise of the Warrants in accordance with Section (b) below or (iii) by a combination of any of the foregoing methods, for the number of Common Stock specified in such form (as such exercise number shall be adjusted to reflect any adjustment in the total number of shares of Common Stock issuable to the holder per the terms of this Warrant) and the holder shall thereupon be entitled to receive the number of duly authorized, validly issued, fully-paid and non-assessable shares of Common Stock (or Other Securities) determined as provided herein.

(b) Subject to the provisions herein to the contrary, if the Fair Market Value of one share of Common Stock is greater than the Purchase Price (at the date of calculation as set forth below), in lieu of exercising this Warrant for cash, the holder may elect to receive shares equal to the value (as determined below) of this Warrant (or the portion thereof being cancelled) by surrender of this Warrant at the principal office of the Company together with the properly endorsed Subscription Form in which event the Company shall issue to the holder a number of shares of Common Stock computed using the following formula:

$$X = \frac{Y(A-B)}{A}$$

- Where X= the number of shares of Common Stock to be issued to the holder
- Y= the number of shares of Common Stock purchasable under the Warrant or, if only a portion of the Warrant is being exercised, the portion of the Warrant being exercised (at the date of such calculation)
- A= the average of the closing sale prices of the Common Stock for the ten (10) Trading Days immediately prior to (but not including) the Exercise Date, or Fair Market Value, whichever is less
- B= Purchase Price (as adjusted to the date of such calculation)

For purposes of Rule 144 promulgated under the 1933 Act, it is intended, understood and acknowledged that the Warrant Shares issued in a cashless exercise transaction shall be deemed to have been acquired by the Holder, and the holding period for the Warrant Shares shall be deemed to have commenced, on the date this Warrant was originally issued pursuant to the Subscription Agreement.

3. Adjustment for Reorganization, Consolidation, Merger, Subsequent Share Issuances etc.

3.1. Fundamental Transaction. If, at any time while this Warrant is outstanding, (A) the Company effects any merger or consolidation of the Company with or into another entity, (B) the Company effects any sale of all or substantially all of its assets in one or a series of related transactions, (C) any tender offer or exchange offer (whether by the Company or another entity) is completed pursuant to which holders of Common Stock are permitted to tender or exchange their shares for other securities, cash or property, (D) the Company consummates a stock purchase agreement or other business combination (including, without limitation, a reorganization, recapitalization, spin-off or scheme of arrangement) with one or more persons or entities whereby such other persons or entities acquire more than the 50% of the outstanding shares of Common Stock (not including any shares of Common Stock held by such other persons or entities making or party to, or associated or affiliated with the other persons or entities making or party to, such stock purchase agreement or other business combination), (E) any "person" or "group" (as these terms are used for purposes of Sections 13(d) and 14(d) of the 1934 Act) is or shall become the "beneficial owner" (as defined in Rule 13d-3 under the 1934 Act), directly or indirectly, of 50% of the aggregate Common Stock of the Company, or (F) the Company effects any reclassification of the Common Stock or any compulsory share exchange pursuant to which the Common Stock is effectively converted into or exchanged for other securities, cash or property (in any such case, a "**Fundamental Transaction**"), then, upon any subsequent exercise of this Warrant, the Holder shall have the right to receive, for each Warrant Share that would have been issuable upon such exercise immediately prior to the occurrence of such Fundamental Transaction, at the option of the Holder, (a) upon exercise of this Warrant, the number of shares of Common Stock of the successor or acquiring corporation or of the Company, if it is the surviving corporation, and any additional consideration (the "**Alternate Consideration**") receivable upon or as a result of such reorganization, reclassification, merger, consolidation or disposition of assets by a Holder of the number of shares of Common Stock for which this Warrant is exercisable immediately prior to such event or (b) if the Company is acquired in (1) a transaction where the consideration paid to the holders of the Common Stock consists solely of cash, (2) a "Rule 13e-3 transaction" as defined in Rule 13e-3 under the 1934 Act, or (3) a transaction involving a person or entity not traded on a national securities exchange, the Nasdaq Global Select Market, the Nasdaq Global Market or the Nasdaq Capital Market, cash equal to the Black-Scholes Value. For purposes of any such exercise, the determination of the Purchase Price shall be appropriately adjusted to apply to such Alternate Consideration based on the amount of Alternate Consideration issuable in respect of one share of Common Stock in such Fundamental Transaction, and the Company shall apportion the Purchase Price among the Alternate Consideration in a reasonable manner reflecting the relative value of any different components of the Alternate Consideration. If holders of Common Stock are given any choice as to the securities, cash or property to be received in a Fundamental Transaction, then the Holder shall be given the same choice as to the Alternate Consideration it receives upon any exercise of this Warrant following such Fundamental Transaction. To the extent necessary to effectuate the foregoing provisions, any successor to the Company or surviving entity in such Fundamental Transaction shall issue to the Holder a new warrant consistent with the foregoing provisions and evidencing the Holder's right to exercise such warrant into Alternate Consideration. The terms of any agreement pursuant to which a Fundamental Transaction is effected shall include terms requiring any such successor or surviving entity to comply with the provisions of this Section 3.1 and insuring that this Warrant (or any such replacement security) will be similarly adjusted upon any subsequent transaction analogous to a Fundamental Transaction. "Black-Scholes Value" shall be determined in accordance with the Black-Scholes Option Pricing Model obtained from the "OV" function on Bloomberg L.P. using (i) a price per share of Common Stock equal to the VWAP of the Common Stock for the Trading Day immediately preceding the date of consummation of the applicable Fundamental Transaction, (ii) a risk-free interest rate corresponding to the U.S. Treasury rate for a period equal to the remaining term of this Warrant as of the date of such request and (iii) an expected volatility equal to the 100 day volatility obtained from the HVT function on Bloomberg L.P. determined as of the Trading Day immediately following the public announcement of the applicable Fundamental Transaction.

3.2. Dissolution. In the event of any dissolution of the Company following the transfer of all or substantially all of its properties or assets, the Company, prior to such dissolution, shall at its expense deliver or cause to be delivered the stock and other securities and property (including cash, where applicable) receivable by the Holder of the Warrants after the effective date of such dissolution pursuant to this Section 3 to a bank or trust company (a "Trustee") having its principal office in New York, NY, as trustee for the Holder of the Warrants. Such property shall be delivered only upon payment of the Warrant exercise price.

3.3. Continuation of Terms. Upon any reorganization, consolidation, merger or transfer (and any dissolution following any transfer) referred to in this Section 3, this Warrant shall continue in full force and effect and the terms hereof shall be applicable to the Other Securities and property receivable on the exercise of this Warrant after the consummation of such reorganization, consolidation or merger or the effective date of dissolution following any such transfer, as the case may be, and shall be binding upon the issuer of any Other Securities, including, in the case of any such transfer, the person acquiring all or substantially all of the properties or assets of the Company, whether or not such person shall have expressly assumed the terms of this Warrant as provided in Section 4. In the event this Warrant does not continue in full force and effect after the consummation of the transaction described in this Section 3, then only in such event will the Company's securities and property (including cash, where applicable) receivable by the Holder of the Warrants be delivered to the Trustee as contemplated by Section 3.2.

3.4. Anti-Dilution.

(a) Anti Dilution. Other than in connection with an Excepted Issuance (as defined below), if at any time while any part of the Warrants are outstanding, the Company shall agree to or actually issue or grant the right to receive any Common Stock or securities convertible, exercisable or exchangeable for shares of Common Stock (or modify any of the foregoing which may be outstanding) (“**Common Stock Equivalent**”) to any person or entity at a price per share or conversion price or exercise price per share which shall be less than the Warrant exercise price in respect of the Warrant Shares then in effect (“**Lower Price Issuance**”), without the consent of the Holder of such Warrant, then the Warrant exercise price shall automatically and without further action be reduced to an amount equal to the product of the Warrant exercise price then in effect multiplied by a fraction of which the numerator shall be the number of shares of Common Stock outstanding prior to such issuance plus the number of shares of Common Stock which the aggregate purchase price or exercise price for such Common Stock (plus, if applicable, the aggregate consideration received from the issuance of the Common Stock Equivalents) would purchase at the then current Warrant exercise price and the denominator shall be the number of shares of Common Stock outstanding or deemed to be outstanding immediately after such issuance. For so long as a Warrant is outstanding upon the occurrence of a Lower Price Issuance, the Warrant exercise price shall be reduced to an amount equal to the product of the Warrant exercise price then in effect multiplied by a fraction of which the numerator shall be the number of shares of Common Stock outstanding prior to such issuance plus the number of shares of Common Stock which the aggregate purchase price or exercise price for such Common Stock (plus, if applicable, the aggregate consideration received from the issuance of the Common Stock Equivalents) would purchase at the then current Warrant exercise price and the denominator shall be the number of shares of Common Stock outstanding or deemed to be outstanding immediately after such issuance.

(c) Effective Price. For purposes of Section 3.4 in connection with any issuance of any Common Stock Equivalents, (A) the maximum number of shares of Common Stock potentially issuable at any time upon conversion, exercise or exchange of such Common Stock Equivalents (the “**Deemed Number**”) shall be deemed to be outstanding or subscribed for and required to be issued upon issuance of such Common Stock Equivalents, (B) the deemed issue price (“**Effective Price**”) applicable to such Common Stock shall equal the minimum dollar value of consideration payable to the Company to purchase such Common Stock Equivalents and to convert, exercise or exchange them into Common stock (net of any discounts, fees, commissions and other expenses), divided by the Deemed number, and (C) no further adjustment shall be made to the Conversion Price upon the actual issuance of Common Stock upon conversion exercise or exchange of such Common Stock Equivalents if issued at or higher than the Effective Price. Common Stock issued or issuable by the Company for no consideration will be deemed to have been issued or to be issuable for \$0.0001 per share of Common Stock.

(d) Excepted Issuances. The rights of each Warrant Holder set forth in this Section 3.4 are in addition to any other rights the Holder has pursuant to this Agreement, any Transaction Document, and any other agreement referred to or entered into in connection herewith or to which such Holder and Company are parties. For purposes of Section 3.4, “**Excepted Issuance**” shall mean (i) the Company’s issuance of Common Stock or Common Stock Equivalent described in Reports filed not later than five business days before the Closing Date, or any notes or warrants similar in form to those Notes and Warrants sold to Warrant holder, as being contemplated by the Company (ii) as a result of the conversion of any the Notes or exercise of any of the Warrants issued pursuant to the Subscription Agreement, (iii) other notes or convertible indebtedness or convertible securities existing or otherwise disclosed at or before the issuance hereof, (iv) any securities issued in connection with a bonafide acquisition of a business, intellectual property or business assets, or exercise of Warrants or conversion of Notes which are granted or issued pursuant to this Agreement, or (v) as granted in connection with any existing board approved stock option, incentive or similar plan or any stock option plan approved by the Board of Directors of the Company.

4. Extraordinary Events Regarding Common Stock. In the event that the Company shall (a) issue additional shares of the Common Stock as a dividend or other distribution on outstanding Common Stock, (b) subdivide its outstanding shares of Common Stock, or (c) combine its outstanding shares of the Common Stock into a smaller number of shares of the Common Stock, then, in each such event, the Purchase Price shall, simultaneously with the happening of such event, be adjusted by multiplying the then Purchase Price by a fraction, the numerator of which shall be the number of shares of Common Stock outstanding immediately prior to such event and the denominator of which shall be the number of shares of Common Stock outstanding immediately after such event, and the product so obtained shall thereafter be the Purchase Price then in effect. The Purchase Price, as so adjusted, shall be readjusted in the same manner upon the happening of any successive event or events described herein in this Section 4. The number of shares of Common Stock that the Holder of this Warrant shall thereafter, on the exercise hereof, be entitled to receive shall be adjusted to a number determined by multiplying the number of shares of Common Stock that would otherwise (but for the provisions of this Section 4 be issuable on such exercise by a fraction of which (a) the numerator is the Purchase Price that would otherwise (but for the provisions of this Section 4 be in effect, and (b) the denominator is the Purchase Price in effect on the date of such exercise.

5. Certificate as to Adjustments. In each case of any adjustment or readjustment in the shares of Common Stock (or Other Securities) issuable on the exercise of the Warrants, the Company at its expense will promptly cause its Chief Financial Officer or other appropriate designee to compute such adjustment or readjustment in accordance with the terms of the Warrant and prepare a certificate setting forth such adjustment or readjustment and showing in detail the facts upon which such adjustment or readjustment is based, including a statement of (a) the consideration received or receivable by the Company for any additional shares of Common Stock (or Other Securities) issued or sold or deemed to have been issued or sold, (b) the number of shares of Common Stock (or Other Securities) outstanding or deemed to be outstanding, and (c) the Purchase Price and the number of shares of Common Stock to be received upon exercise of this Warrant, in effect immediately prior to such adjustment or readjustment and as adjusted or readjusted as provided in this Warrant. The Company will forthwith mail a copy of each such certificate to the Holder of the Warrant and any Warrant Agent of the Company (appointed pursuant to Section 11 hereof).

6. Reservation of Stock, etc. Issuable on Exercise of Warrant; Financial Statements.
