#### **About Quick-Med Technologies, Inc.**

Quick-Med Technologies, Inc. is a life sciences company that is developing and commercializing proprietary, broad-based technologies for the consumer and healthcare markets. The Company's NIMBUS® technology is the first FDA-cleared, non-leaching antimicrobial technology available in a wound dressing. Its Stay Fresh® technology provides highly durable antimicrobial protection for apparel and other textile applications, with consumer applications of Stay Fresh Technology having EPA registration for the treated articles, as well as an FDA clearance for an antibacterial medical textile product. Quick-Med develops antimicrobial technologies to promote public health, safety and comfort. For more information, see: [www.quickmedtech.com](http://www.quickmedtech.com).
