#### Item 5.07. Submission of Matters to a Vote of Security Holders.

At the 2017 Annual Meeting of Stockholders of SEACOR Holdings Inc. (the "Company"), held on September 7, 2017 (the "2017 Annual Meeting"), the Company's stockholders voted on proposals to: (i) elect directors to the Board, (ii) approve the compensation of executives, as disclosed in the proxy statement for such meeting, on a non-binding advisory basis, (iii) determine the frequency of future advisory votes to approve the compensation of executives, on a non-binding advisory basis and (iv) ratify the appointment of Grant Thornton, LLP as the Company's independent registered accounting firm for the fiscal year ending December 31, 2017.

All nominees for election to the Board were elected for a term that will continue until the next annual meeting of stockholders or until the director's successor has been duly elected and qualified (or the director's earlier resignation, death or removal). The proposal to approve the compensation of executives, as disclosed in the Company's proxy statement, through an advisory resolution was approved. A frequency of one year for future advisory votes on executive compensation received the greatest number of votes cast in this matter. The appointment of the Company's independent registered accounting firm for the fiscal year ending December 31, 2017, was ratified.

As indicated above, the Company's stockholders cast the highest number of votes for voting on an annual basis, compared to every two or three years, with regard to the nonbinding advisory vote regarding the frequency of future advisory votes on named executive officer compensation. In accordance with this result and its previous recommendation (as set forth in the definitive proxy statement for the Annual Meeting filed with the SEC on July 28, 2017), the Board of Directors determined that the Company will hold annual nonbinding advisory votes on named executive officer compensation until the next required vote on the frequency of future advisory votes on named executive officer compensation.

The number of votes cast for or against and the number of abstentions and broker non-votes with respect to each proposal, as applicable, is set forth below. The Company's independent inspector of election reported the final vote of the stockholders as follows:
